| Township/Range Line | Water Body |
| City Boundary | |

In compliance with state statute, Emery County has implemented an Off-Highway Vehicle ordinance which designates certain county roads as off-highway vehicle routes for the specific purpose of allowing off-highway vehicle operators to gain direct access to or from a private or public area open for off-highway vehicle use.

A person may not operate an off-highway vehicle on any street or highway for any other purpose than to gain direct access to or from a private or public area open for off-highway vehicle use.

Unless designated as being open for public travel for OHVs, either by the "Off-Highway Vehicle Travel Map", or by signage on the ground, all Emery County Roads remain closed to travel for OHVs.

No person under eight years of age will be allowed to operate an OHV on the Emery County designated off-highway system. OHV operators between the ages of eight and sixteen must possess an OHV education certificate as issued by the Utah Division of Parks and Recreation (UCA 41-22-30).

All operators sixteen years of age and older must possess either a valid operator's license as provided in Title 53, Chapter 3, Uniform Driver License Act or an OHV education certificate as issued by the Utah Division of Parks and Recreation (UCA 41-22-29 and UCA 41-22-30).

All riders under the age of 18 may not operate or ride an off-highway vehicle on the system unless the person is wearing a properly-fitted Snell or DOT approved protective headgear designed for motorized use (UCA 41-2-10.8).

No person between eight and sixteen years of age may operate an off-highway vehicle on the system unless under the direct visual supervision of an adult who is at least 18 years of age or older (UCA 41-22-1.5 and 41-22-18).

All users of the Emery County off-highway vehicle system must obey all traffic and other safety laws and rules as designated (UCA 41-6-44).

A complete copy of Emery County OHV Ordinance 50305 and Off-Highway Vehicle Travel Map is available online at www.emerycounty.com or at the Emery County Courthouse, Emery County Public Lands Department, (435) 381-5552.
