

JOB ANNOUNCEMENT
Weed & Mosquito Technician
Full-Time with benefits
Wage \$17.42 per hour

Performs skilled tasks related to the discovery, documentation, and eradication of noxious and invasive plants, and control and abatement of mosquitoes as required in the Utah pesticide control act and the Utah noxious weed act.

This position is in the remote and inaccessible locations in Emery County, and requires the physical ability to perform all duties in extreme weather conditions (summer and winter). Hard physical labor including shoveling drains in swamps, carrying extremely heavy loads through mud, willow and tamarisk, removing fallen trees and beaver dams in the county's hardest to access areas.

Must be dependable, result oriented, trustworthy and always put the public first.
Must possess or be able to obtain a non commercial applicators license (categories: agricultural, Right-of-way, public health).
Mechanical and welding experience preferred.

Graduation from high school or equivalent; AND four (4) years general work experience performing above and/or related duties; OR An equivalent combination of education and experience.

Applicants for employment may be required to undergo a drug test as a condition of employment. Must be a resident of Emery County or being willing to relocate.

Recruiting for this position ends January 18, 2022, at 5:00 p.m.

Send or email resume and completed employment application to: Mary Huntington, Emery County Personnel, Box 907, Castle Dale, UT 84513. Email: maryh@emery.utah.gov

Employment application can be obtained by calling 435-381-3578 or going to www.emerycounty.com
