A resolution approving and authorizing the execution of an Amended Interlocal Cooperation Agreement with other members of Utah Association of Counties Insurance Mutual was presented for approval. The Mutual has broken away from the parent company (UAC). They will now be called Utah Counties Insurance Pool. They have done away with by-laws and will now use agreements. Commissioner Ira Hatch made a motion to approve Resolution 8-5-03 approving and authorizing the execution of an amended agreement with Utah Counties Insurance Pool as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF AMENDED INTERLOCAL COOPERATION AGREEMENT BETWEEN MEMBER OF THE UTAH ASSOCIATION OF COUNTIES MUTUAL AND THE STATE OF UTAH.**

Commissioner Gary Kofford made a motion to approve the amended inter local cooperation agreement between Utah Counties Insurance Pool and the State of Utah. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND FEDERAL HIGHWAY ADMINISTRATION FOR EPHRAIM-ORANGEVILLE PROJECT DEVELOPMENT.**

Commissioner Hatch explained that the road between Orangeville and Ephraim is considered a federal highway. The U.S. Department of Transportation and Federal Highway Administration (FHWA) is in the process on upgrading the road. A portion of this road is in Emery County. The FHWA needs an agreement in place to upgrade that portion which is in Emery County. The project is federally funded. Emery County will be responsible for the operation and maintenance of the road after the project is complete. Commissioner Hatch pointed out that the road description referred to in the agreement needs to be corrected. Commissioner Ira Hatch made a motion to approve the agreement, with the corrected description, between Emery County and FHWA for the Ephraim- Orangeville Project Development. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**

**5:00 P.M.- PUBLIC HEARING to discuss temporary ATV use on county roads near Ferron/Emery during Arapeen ATV Jamboree.**

Commissioner Drew Sitterud opened the meeting and informed those present that the Public Hearing was to received public comment on temporary ATV use of certain county roads in Emery County specifically roads in the Ferron and Emery areas during the Arapeen ATV Jamboree.

He read a letter from the Access Management Sub-Committee for Public Lands. The Committee identified and recommended the following roads be temporarily designated as open to ATV travel to accommodate the Arapeen ATV Jamboree:

723 (Millsite), 701 (Ferron Canyon) from Millsite State Park to Ferron City Boundary, Millsite to Forest Service boundary, 611 (Molen) from Ferron City boundary to intersection with 612 (Clawson/Molen), 612 from intersection with 611 in intersection with 705 (Dutch Flat), 705 from intersection with 612 for approximately 2.5 miles to “the ball field”. In the Emery area, 904 (Emery Old State), 928 (Cove Spur), 901 (Coller/Peacock), those portions which are part of the old state highway, 806 (Muddy Creek) from SR-10 approximately 3.7 miles to “the Hole” trail, 911 (Lynx Canyon), 905. Also that portion of “D” road, formerly the old state highway, that is located between Emery City boundary and county road 928.

The Access Management Sub-Committee recommended the county roads be designated open to ATV travel August 13, 14, 15, and 16, 2003 only, and that those using said roads during that period of time be subject to all applicable state and county law.

The meeting was opened to the public for comment.

Representatives from Ferron and Emery were in approval of the identified roads. Participants will have to be escorted by the Emery County Sheriff's Office from the monument to the Muddy Creek on U-10. Sheriff Guymon has given his approval of the designated route.

Being no other comments from the public, Commissioner Gary Kofford made a motion to close the Public Hearing. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF RESOLUTION ALLOWING TEMPORARY USE ON COUNTY ROADS.**

Commissioner Gary Kofford made a motion to approve the proposed designated roads as open to ATV travel August 13, 14, 15, and 16, 2003 only to allow for the Arapeen ATV Jamboree. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF LEASE AGREEMENT AND SPACE REIMBURSEMENT WITH STATE OF UTAH ADULT PROBATION FOR SPACE AT THE NEW COURTS FACILITY.**

Clerk/Auditor, Bruce Funk requested approval of a lease agreement and space reimbursement with the State of Utah of Utah Adult Probation for space at the new courts facility. Adult Probation uses 181 square feet of space in the new courts facility for their office. The lease is for five years at \$4,349.20 a year. The reimbursement is broken down for space and operation and management as follows: Space reimbursement \$3,331.20/year, \$277.60/month, Operation and maintenance \$1,018.00/year, \$84.875/month. The total monthly payment is \$362.43.

Attorney David Blackwell reviewed the document and suggested deleting the word "Commission" in the opening paragraph wherein the agreement is made between "Emery County Commission" (Lessor) which should read "Emery County". Commissioner Ira Hatch made a motion to approve the lease agreement and space reimbursement with the State of Utah Adult Probation for space at the new courts facility with the change discussed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF COMMUNICATION SITE SUB-LEASE WITH NEXTEL.**

Tabled

(10)

**BRET MILLS, REPORT ON FEDERAL MANDATES (CHANGES/UPGRADES) TO TELEVISION RECEPTION/COMMUNICATION.**

Bret Mills, Communications explained the channel changes in the county as a result of channels being sold. Due to lower frequency the reception is much better. He explained the changes in Green River and Emery. He explained that it has been mandated that by 2006 all signals will be digital. Analog will no longer be available. Televisions are now coming equipped with digital receivers. Those who do not have newer televisions will need a box receiver (under \$100.00) to get television reception. At this time there are no rules in place regulating digital translators. A group is working on getting in place rules and regulations from the Federal Communications Commission. Bret would like to work on getting at least one channel at Horn Mountain available for digital reception. Several counties are working together to get grants to fund a microwave signal. They hope to be able to put at least three to four channels on one microwave. They are looking at getting mineral lease money also. Getting the digital signals ready is a huge project and will be costly. The digital channels will be pure digital.

Bret also discussed the National Weather Station for which Emery County was awarded a \$50,000.00 grant. The grant will fund a transmitter station. Emery county will provide the space and power. He would like to get the station built before the snow flies. He requested a motion to go out to bid for the installation of the weather station. Commissioner Gary Kofford made a motion to go out to bid for installation of a weather station. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**STEVEN BARTON, EMERY COUNTY TREASURER REPORT OF INTEREST/PENALTY ADJUSTMENTS**

Previously Treasurer, Steven Barton was given authority to adjust up to \$25.00 a month in interest and penalties as he deemed necessary. He was to provide a monthly report to the Commissioner's as to the amount of the adjustments. He reported 0 adjustments for June and \$7.42 for July. He has reported for four months and asked if the Commission wanted him to continue reporting the monthly adjustments. Commissioner Gary Kofford made a motion to end the reporting of treasurer adjustments as long as the adjustments stay within the parameters of the last four months. The motion was seconded by Commissioner Ira Hatch and approved by all

members present.

**(12)****RATIFICATION OF SOUTH MOORE ROAD PROJECT BID AWARD.**

U.D.O.T. received nine bids for construction of South Moore Cut-off Road. The top five bids were all \$400,000.00 under the engineers estimates. The top five bidders were as follows:

Brown Brothers, Meadow Valley, Nielson Construction, W.W. Clyde,  
and LeGrand Johnson.

The low bidder was Brown Brothers at \$1,358,912.99. Commissioner Ira Hatch made a motion to ratify the decision to award the bid for the South Moore Cut-Off Road Project to Brown Brothers as the low bidder for the project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 156404 through and including #156576 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
34-03	Television Processors (4) GR/Television	\$3,940.00	Approved
35-03	Television Processors (4) Ferron Cnyn/Television	3,940.00	Approved
36-03	Television Processors (4) Huntington Cnyn/Television	3,940.00	Approved

Dispositions were presented for the following:

410-0094 Quickbooks pro 99 Software that was junked, 410-1031 Hotpoint Gold Refrigerator that was junked.

In additional claims, a claim (Jones Radio Shack, \$244.95) for a new cell phone for Sheriff Guymon was discussed again. The cell phone/pager reimbursement contract that was signed by

Sheriff Guymon states that: Employee agrees and understands that Emery County will pay the approved reimbursement amounts directly to the employee at the address shown. This monthly payment is to reimburse employee for use of their personal cellular phone and/or pager for county business. ....Employee will be responsible for all phone charges, phones, pagers and any other future costs incurred in the use of said equipment. Employee shall have cell phone available during regularly scheduled working hours. Attorney David Blackwell stated in his opinion the claim should be paid because the Sheriff is on duty twenty-four hours a day. The Sheriff's Department poses a special circumstance in that the phone could be damaged while struggling with a suspect or helping a victim. In his opinion the Sheriff should be compensated for his phone if it is damaged. Commissioner Hatch did not agree with that. After much discussion on the matter Commissioner Gary Kofford made a motion that if the Sheriff has the money in his budget to pay the claim for the cell phone. Commissioner Drew Sitterud stepped down to second the motion. Commissioner Ira Hatch voted Nay.

A business license for Danny Daley DBA: Specialty Pet Foods was presented for approval. Danny will be selling specialty pet foods from his home in Lawrence. Zoning Director, Bryant Anderson has signed the license. Commissioner Ira Hatch made a motion to approve a business license for Danny Daley as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball Personnel Director presented the following Personnel action:

County Attorney

Based on her performance, David Blackwell requested approval of a three step wage increase for Nancy Orgill, Legal Secretary, effective beginning the next pay period, August 18, 2003. Additionally, David requests consideration of making Nancy a full time employee. Because of the office work load, she consistently works 39 hours per week as a 3/4 time employee. This would be effective beginning the next pay period, August 18, 2003. Discussed was the fact that the Attorney does not have money in his budget to pay for the increase or the benefits if they make Nancy full time. Commissioner Gary Kofford made a motion to make Nancy Orgill a full time employee with a full step increase from 8H to 8I. The motion died without a second. More discussion ensued. Commissioner Gary Kofford made a motion to make Nancy Orgill a full time employee remaining at 8H. Commissioner Drew Sitterud stepped down to second the motion.

Commissioner Ira Hatch voted Nay to the motion.

David Blackwell requested approval to hire Shari Tuttle, temporary up to 90 days beginning July 1, 2003 at \$5.15/hr. There was discussion regarding policy in regards to hiring 90 day temporary. David Blackwell had the understanding that a temporary could be hired and receive Commissioner ratification within 30 days. Again they discussed the fact that the Attorney does not have money in his budget to pay for a temporary. Funds will have to be moved from somewhere else to accommodate the two requests from the Attorney. Commissioner Gary Kofford made a motion to approve hiring Shari Tuttle as up to 90 day temporary as proposed. Commissioner Drew Sitterud stepped down the second the motion. Commissioner Ira Hatch voted Nay to the motion.

#### Road Department

Rex Funk requested approval to promote Wayde Nielsen from Equipment Operator Driver to Maintenance Crew Leader effective the next pay period beginning August 18, 2003. This is the position previously held by Morris Sorensen. Rex explained the history of this type of Crew Leader and pay associated with it. After much discussion Commissioner Ira Hatch made a motion to approve promotion of Wayne Nielson to Maintenance Crew Leader at 15K as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

#### P&Z/Bldg. Inspector/Public Lands/County Attorney

Request was made to hire Margaret McMullin as secretary effective immediately. Commissioner Gary Kofford made a motion to hire Margaret McMullin at 4E as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

#### EMT Time Sheets

It was requested that the Commission issue a directive to EMT supervisors as follows:

Time Sheets must reflect all compensable time for the month in which the time was accrued and submitted to the Clerk/Auditor's Office on the Monday following the end of the pay period. Time sheets received after the deadline will be included in the next payroll. Any time sheets received for periods later than one month will not be accepted for payment. Time sheets must be signed by the EMT and his/her supervisor.

Commissioner Gary Kofford made a motion to adopt a directive to EMT supervisors as proposed effective September 1, 2003 which allows time to get letters out to the EMT's. The

9

Commission Meeting Minutes  
August 5, 2003

motion was seconded by Commissioner Ira Hatch and approved by all members present.

(15)

**CITIZEN CONCERNS**

Road Supervisor, Rex Funk requested permission to go out to bid for an air conditioner for the Green River Road Shop. He estimates the cost would be under \$500.00. Commissioner Ira Hatch made a motion to go out to bid for an air conditioner at the Green River Road Shop. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(16)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the Commissioner Meeting Minutes dated July 15, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(17)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on the Emery County Fair activities thus far and upcoming.

(18)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Ira Hatch made a motion to move into executive session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Present at executive session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell and Deputy Clerk/Auditor Carol Cox.

10

Commission Meeting Minutes

August 5, 2003

Upon return to regular meeting Commissioner Ira Hatch made a motion to reject the offer from case # UALD- A3-0677 EEDC-35C-A30677 and notify the Department of Labor as such. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(19)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY/SHERIFF COMPLEX  
GREEN RIVER, UTAH

AUGUST 19, 2003

Present at the meeting were Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Sr. Deputy Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

A prayer was offered by Ira Hatch. The pledge was led by Gary Kofford.

(1)  
**APPOINTMENT TO NORTH EMERY WATER USERS SPECIAL SERVICE DISTRICT BOARD.**

There are three openings on the North Emery Water Users Special Service District Board. Applications were received from Mike McCandless, Joy Barton and Kevin Jensen. Commissioner Hatch made a motion to appoint the above three to the Board of the North Emery Water Users Special Service District. The motion was seconded by Commissioner Kofford and approved by all members present.

(2)  
**CONSIDERATION AND APPROVAL OF INTERLOCAL COOPERATION AND CONTRACT AGREEMENT WITH SOUTHEASTERN UTAH ASSOCIATION OF LOCAL GOVERNMENTS, AREA AGENCY ON AGING AND EMERY COUNTY TO ADMINISTER OLDER AMERICANS ACT PROGRAMS IN EMERY COUNTY.**

Maughn Guymon, Agency Director, presented the Commission the new contract for fiscal year 2003-2004. The contract runs from July 1, 2003 to June 30, 2004. The contract is received from the State after which Mr. Guymon puts it into County form. The new contract is about \$1,600.00 less than the contract from the prior year. Most of the loss was in the nutrition program. There was minimal loss in the socialization program. Commissioner Hatch stated that he sits on the Southeastern Utah Association Board and wanted to give Mr. Guymon a vote of thanks for his work in this program. He has done a lot of good work in coming up with a budget that allows the program to be maintained even with the loss of revenue. Commissioner Hatch made a motion to approve the contract with the Southeastern Utah Association of Local Governments Area Agency on Aging. The motion was seconded by Commissioner Kofford and approved by all members present.

**(3)**

**CITIZEN CONCERNS.**

Glen D. Johnson, Green River City Mayor, discussed with the Commission a CDBG grant that the County has committed to help with the matching funds. Mayor Johnson stated that the City has been reimbursed \$50,000.00 from the CDBG and the project has been completed. They are now waiting for reimbursement from Emery County. Commissioner Sitterud stated that he had talked to the Association of Local Governments Office (AOG) and that they stated that all of the bills have not been paid and to hold off until the grant has been closed. Commissioner Hatch made a motion to approve payment to Green River City of up to \$10,000.00 matching funds for the CDBG grant pending clarification from the AOG and Green River City on the total cost of the project and after making sure that everything has been paid. The motion was seconded by Commissioner Kofford and approved by all members present.

The Commission also discussed with Mayor Johnson the water bills that Emery County is paying to Green River City. The County facilities have been classified as commercial buildings. Emery County petitioned Green River City to not be classified as commercial. The City Council denied that request. The current water bill for the sheriff's complex is over \$400.00 this month. Mayor Johnson requested that the County send him copies of the water bills from the other Cities and he would present the request to the City Council for consideration again.

Mayor Johnson also stated that Melon Days will be held September 19-20, 2003. There are lots of activities that are planned for the event.

**(4)**

**RATIFY BUSINESS LICENSE APPROVED AT LAST MEETING.**

Commissioner Hatch made a motion to ratify the business license that was approved during the last meeting for Danny Daley, D.B.A. Specialty Pet Foods. The motion was seconded by Commissioner Kofford and approved by all members present.

**(5)**

**CONSIDERATION AND APPROVAL OF COMMUNICATIONS SITE SUB-LEASE WITH NEXTEL.**

Attorney David Blackwell has a few minor problems with the contract and has requested that this item be tabled until the next meeting.

**(6)****CONSIDERATION AND APPROVAL OF US FOREST SERVICE PAYMENT OPTIONS.**

Commissioner Hatch discussed that the Federal government through the Forest Service makes payments for federal lands that are not taxed. This payment is not the same as PILT. The payment is for timber, grazing fees and recreation fees. Fifty percent of the payment is given to the schools and fifty percent of the payment goes toward roads. Several years ago there was an option to choose either the full payment method or the traditional payment method. The full payment method is based on an average payment for a ten year period, 1989 to 1999. The traditional payment method would pay the County twenty-five percent of all of the fees that were collected. At the time the County opted to take the traditional payment method. In 2001 the County received \$19,252 and in 2002 \$17,873. If the County changed to the full payment option the payment for 2004 would be \$25,300. It was Commissioner Hatch's recommendation to change to the full payment option. Commissioner Hatch made a motion to change to the full payment option with fifty percent going to schools and fifty percent going to road. The motion was seconded by Commissioner Kofford and approved by all members present.

**(7)****CONSIDERATION AND APPROVAL OF SUPPLEMENT NO. 1-03 TO THE FOREST SERVICE ROAD AGREEMENT.**

Morris Sorensen, Road Dept., presented to the Commission two contracts from the Forest Service, Supplement 1-02 and Supplement 1-03. Supplement 1-02 is an agreement from the top of the dugway to the CCC structure in Ferron Canyon. The Forest Service will furnish all of the materials and the Road Dept. will provide a grader, roller and water truck. Supplement No. 1-03 will provide improvements on the Horn Mountain road. The Forest Service will do the construction work and provide the materials. The Road Dept. will lay the gravel on the road. Commissioner Kofford made a motion to approve the two contracts with the Forest Service. The motion was seconded by Commissioner Hatch and approved by all members present.

**(8)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 156755 through and including #156906 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
37-03	Weather Station Transmitter Parts-Talley/Communications	\$17,156.59	Approved
38-03	Toshiba Laptop Drug Task Force	1,490.78	Approved
39-03	Kenwood High Power Mobile Radios (2) Sheriff	2,367.50	Appro ved
41-03	2003 Dodge 4x4 Truck Sheriff	22,831.00	Appro ved
42-03	Camper Shell-Terry's Tops Sheriff	1,100.00	Appro ved
43-03	Window Cooler Unit (1) Green River Road Shop	379.00	Approved

In additional claims, a claim for advertising for the rodeo was discussed. There was some question as to whether the claim should be paid for by the Recreation District. Commissioner Kofford stated that he had agreed to pay for the rodeo advertising in exchange for the Recreation District running the Bullnanza.

Commissioner Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Hatch and approved by all members present.

(9)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTIONS.**

Pat Snowball was unable to attend the meeting. There was one item of personnel action:

Clerk/Auditor

The Clerk/Auditor's office requested approval to advertise for a 3/4 employee. The position

would be up to 39 hours with prorated benefits. Commissioner Hatch made a motion to allow the Clerk/Auditor's office to advertise for the above position. The motion was seconded by Commissioner Kofford and approved by all members present.

**(10)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Hatch made a motion to approve the Commissioner Meeting Minutes dated August 5, 2003 as corrected. The motion was seconded by Commissioner Kofford and approved by all members present.

**(11)**

**COMMISSION REPORTS.**

*Commissioner Kofford*

Commissioner Kofford reported that the fair is over and was a success. There have been a few suggestions for next year. Commissioner Kofford expressed his appreciation to those who participated.

Commissioner Kofford also reported that the Utah Association of Counties is discussing drafting a statewide wilderness plan. The Commissioners are seeking input from the citizens of Emery County on whether the Commission should actively participate in these meetings. UAC is proposing that we use the 1994 preferred acreage on wilderness. If we could join and get the acreage from 1994 it may be to our advantage. There are meetings schedule to receive public input on this issue.

*Commissioner Sitterud*

Commissioner Sitterud reported that the Solitude Landfill has called and asked for the minutes of commission meeting and public lands meeting where support of the project was given. Commissioner Sitterud has forwarded the minutes to the requester. This project would be very beneficial to Green River City and the Commission continues to support it.

Commissioner Sitterud also reported that the upper segment of the Muddy River was eliminated from the Wild and Scenic Rivers. This is the only one that has been dropped at this point.

6

Commission Meeting Minutes

August 19, 2003

(12)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

There were no matters for executive session.

(13)

**ADJOURNMENT**

Commissioner Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 2, 2003

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by Ray Petersen. The pledge was led by Mark H. Williams

(1)

**BID OPENING FOR WORK ASSOCIATED WITH INSTALLATION OF A NOAA WEATHER STATION. CONSIDERATION AND APPROVAL OF BID AWARD AND ASSOCIATED PAPERWORK.**

The Commission received two bids for work associated with installation of a NOAA Weather Station. The two bids were from: Dean Allen Electric for \$4,400.00 and Lofthouse Electric for \$5,420.00. Commissioner Ira Hatch made a motion to award the bid to the low bidder, Dean Allen Electric for \$4,400.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**GLENYS SITTERUD, DISCUSSION OF EMERY TOWN'S REQUEST FOR LETTER OF SUPPORT FOR PROPOSAL TO ESTABLISH AN ATV TRAIL WITHIN UDOT RIGHT-OF-WAY ALONG SR10.**

Glenys Sitterud made a request on behalf of Emery City. In order to get from Emery City to the Hole Trail they need to create an ATV trail within the highway right-of-way. She has talked to a UDOT representative on the phone. UDOT indicated that at the moment they have no criteria for creating this type of trail. He asked that the city put together a proposal which would need to include a letter of support from Emery City and a letter of support from the Emery County Commission. Commissioner Sitterud indicated he is willing to back this proposal provided the Access Management Committee, which Glenys is a member of, is in support of the proposal. Glenys indicated that this is the best alternative. The road that was being used in the past, the old highway to what is called the monument site, crossing through what used to be Rainbow Ranch, now belongs to SUFCO is leased to Castle Valley Ranch and they do not want people to travel on it. All the city wants is an ATV trail that goes from the monument site to the road that goes

up the Muddy a distance of 1.7 miles. The request was for a letter of support from the Emery County Commission for the proposal. Commissioner Ira Hatch made a motion to give a letter of support to Emery City for this proposal based upon their making contact with the Access Management Committee and they give their approval for the proposal then the Emery County Commission will issue a letter of support for Emery City's proposal. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(3)**

**CONSIDERATION AND APPROVAL OF COMMUNICATION SITE SUB-LEASE WITH NEXTEL.**

Kevin Brewer, Nextel Communications, Inc., was present to discuss a communications site sub-lease agreement between Emery County and Nextel Communications, Inc. The agreement provides for leased space on the tower and one hundred forty-four square feet of leased space in the building located on Horn Mountain. The document has been reviewed by Attorney David Blackwell. Commissioner Gary Kofford made a motion to approve the communication sub-lease agreement between Emery County and Nextel Communications, Inc. as written. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Mr. Brewer informed the Commission that a tower will be put in Emery City to provide service to Emery and the I-70 area as well as Green River City. The hope is that problems associated with cell phone service in the Emery area and people seeking help off I-70 will soon be resolved.

**(4)**

**PAT GUBBINS, BLM, QUARTERLY UPDATE.**

Pat Gubbins, BLM, provided the following update:

- ✦ The draft alternatives for their resource management plan will be released soon.
- ✦ The law enforcement officer on the San Rafael/BLM is going well. Deputy Ray Jeffs has helped a lot with public education on the Swell.
- ✦ They have hired a new field officer, Fred O'Ferrell. Mr. O'Ferrell deals with lands and minerals.

Sheriff Guymon asked who makes the decisions to close a particular road, trail or campsite. Mr. Gubbins indicated that they go by the Route Designation Plan but if they see anything that we need to be aware of to contact him or Tom Gnojek.

**(5)****MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE**

Mesia Nyman, Forest Service, provided the following update:

- ✦ Fire restrictions will be lifted on September 5, 2003.
- ✦ There have been seventeen fires in Emery County this year, mostly on BLM land.
- ✦ They had a busy Labor Day weekend. There were several ATV accidents.
- ✦ Forest roads approved for standard travel are also approved for ATV travel.
- ✦ They have placed water monitoring devices in Joe's Valley Reservoir and Electric Lake.
- ✦ They have a field trip planned for the Gentry allotment with grazing permittees.

Rue Ware asked about Mary's Lake, south and west of Joe's Valley Reservoir. There are problems with the pipe leading from the spring to feed the lake. Only 20% of the water is making it from the spring into the lake. The Forest Service was going to do some rehab to fix the problem. Rue wanted to know if anything more had been done. Mesia did not know anything about it. She will check into it and get back with him. Rue also asked if the rumor, that the road from Joe's Valley to Mary's Lake was going to be closed, was true? Mesia indicated that as far as she knows that is just a rumor.

**(6)****DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR, provided the following update:

- ✦ Archery hunt is going on now. Compliance with the laws has been fairly decent. There has been one illegal kill of a four point.
- ✦ Bear Season is on now also. They have had problems with illegal bear bating in Sanpete County.
- ✦ Stripers are boiling at Lake Powell.
- ✦ They are collecting samples from deer for Chronic Wasting Disease (CWD). Herds are down which means the disease will not spread as fast.
- ✦ West Nile has been confirmed in Emery, Carbon and Uintah counties in horses and chickens only. No confirmed cases in humans mostly because of the cost to test for the disease.
- ✦ Drought continues to be a problem.

**(7)**

**RUE WARE, CONSIDERATION AND APPROVAL FOR RENAMING OF COUNTY ROAD #503.**

Rue Ware petitioned the Commissioners to approve naming a road outside Orangeville City limits, a county road, that connects the Mill Dam Road to Coal Haul Road. He provided a brief history of the origin of the road. The city would like to put a historical marker near the road to pay homage to those who built it. He identified several other roads in Orangeville that he and others felt would benefit the community if there were signs to identify them. He indicated he had funds to pay for the signs he just needed permission to put them up. Four signs need to be put in Orangeville, eighteen signs need to be erected in the county and four signs need to go along State Road U-29. The signs along U-29 would have to go through UDOT for approval. Commissioner Ira Hatch made a motion to hold in abeyance the naming of road #503 until the addressing project has been completed. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Gary Kofford made a motion to give the list of requested signs to Rex Funk, Highway Supervisor to pursue at his will. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)****CITIZEN CONCERNS**

Sharpe Snow, Joe's Valley Marina requested tax relief for his personal property taxes. The drought and low water at the reservoir has led to poor business at the Marina. Boats cannot dock at the reservoir. The total tax due was \$428.00. He has made payments of \$409.46 leaving the penalty and interest of \$18.54. He requested to have the \$18.54 abated. Commissioner Ira Hatch made a motion to approve abatement of the penalty and interest in the amount of \$18.54 as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY, UTAH DIVISION OF FORESTRY, FIRE, AND STATE LANDS, CARBON COUNTY, AND MANTI-LA SAL NATIONAL FOREST FOR FUNDING A FULL TIME WILD LAND FIRE WARDEN POSITION.**

Gary Cornell, State Lands Forestry discussed the difficulty the Division has had maintaining a quality individual for fire warden position when the job is seasonal position. The division has been pursuing an opportunity to obtain funding to make this a full time position. The agreement for funding assistance would be with the Manti-La Sal Forest Service in conjunction with the Division of Forestry, Fire, and State Lands, Carbon County and Emery County. They have a gentleman, Rudy Sandoval, who is in the position now. The division has put a lot of time and

effort into training him and getting him better qualified to do the job. In an effort to try and keep Rudy in the position, Mr. Cornell began the process to try and get this position full time with some benefits. He indicated that in discussions last year, when developing the budget, we were looking at extending the position from a five month to a seven month. Emery County budgeted approximately \$4,300.00 for that seasonal warden position. He proposed to set it up as a full time position and split up the cost. Basically Emery County would be paying for 40% of 1/3 the cost of that full time position which would equate to about \$4,800.00 a year. He suggested that funds could be pulled from the budgeted Wildland Fire Suppression Fund. The Administration and Congress had not adequately funded the Forest Service for their Wildland Fire Suppression cost and are now pulling money back from the Forest Service out of various operating budgets to cover fire suppression costs. He must get the agreement signed by both counties and get it to the Forest Service fairly quickly or the funds set aside to participate in this agreement would be lost and the opportunity would be lost. The Forest Service and the BLM are actively attempting to recruit Rudy away from the Division. He felt that would be a detriment to the Wildland Fire program in Carbon and Emery County. Commissioner Gary Kofford expressed his concern with the way the Division has billed Emery County for Wildland Fire Suppression. He indicated that there has been no contact regarding any of this proposal until now. He felt there should have been some discussions going on before now. Mr. Cornell indicated that the problem he has run into is that he is working with three different fiscal years. Federal fiscal year (October) for the federal side of this agreement, state fiscal year (July) and county fiscal year (January). Unfortunately, with the way funding Congress and the Administration is with budgeting funds for the Forest Service, this may be a one time only arrangement. We may be looking at doing something else next year for Carbon and Emery County. Commissioner Gary Kofford made a motion to accept the agreement with the provision that the agreement spell out the amounts Carbon and Emery County pays. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF AGREEMENT FOR SERVICES BETWEEN EMERY COUNTY AND DYNAMIC FEEDBACK.**

Dynamic Feedback is the company contracted to compile a public opinion survey regarding the San Rafael Swell designation as a national monument. The State of Utah agreed to pay for the survey to provide information relevant to making a decision. Emery County agreed to accept the funds and contract with an appropriate to develop and conduct a public opinion survey. The county agreed to pay Dynamic Feedback \$97,733.81 for performance of this survey contingent upon Emery County receiving at least \$97,733.81 from the state. The State of Utah has sent a request to Emery County for financial help in paying Dynamic Feedback. Commissioner Gary Kofford made a motion to table the request to allow time to look into the matter. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**STEVE BARTON, EMERY COUNTY TREASURER, REQUEST TO ACCEPT CREDIT CARD PAYMENTS, VIA OFFICIAL PAYMENTS CORPORATION, FOR COUNTY TAXES.**

Treasurer, Steve Barton made a request to accept credit card payments for county taxes, via Official Payments Corporation. A fee for the service would be charged to the taxpayer. The tax amount would be sent to the county and fee would be retained by the corporation.

Commissioner Gary Kofford made a motion to give Steve Barton the latitude to set up the payments via Official Payments Corporation. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND JONES & DEMILLE ENGINEERING FOR AIRPORT IMPROVEMENT PLAN.**

On July 15, 2003 the Commission awarded a bid to Jones & Demille Engineering for a proposal for an airport improvement plan. The plan must be in place in order to receive funds from state and federal sources to fund other projects. The funds will come to the Special Service District #1 through mineral lease funds. Projects are funded with UDOT with a ninety/ten split basis. The county has an agreement with Special Service District #1 to share revenues. The agreement between Emery County and Jones & Demille Engineering was proposed for signing. Commissioner Ira Hatch made a motion to approve the agreement between Emery County and Jones & Demille. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF BLOCK GRANT FOR RADAR UNITS TO UPDATE OLD EQUIPMENT.**

Sergeant Gayle Jensen reviewed the status of radar units currently being used by the Sheriff's Department. Many are older models and have been retired due to inefficiency. The Sheriff's Department has been able to obtain a block grant for law enforcement support to purchase 6 new radar units. Total project costs is \$8,499.00 with a \$7,500.00 (90%) federal grant and a \$999.00 (10%) local match. Commissioner Gary Kofford made a motion to approve a 10% local match for a block grant to purchase 6 new radar units for the Sheriff's Department. The motion was

seconded by Commissioner Ira Hatch and approved by all members present.

**(14)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 157029 through and including #157149 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
44-03	Cross-Cut Shredder Treasurer	\$ 415.48	Approved
45-03	Microwave Radio System Sheriff	64,027.00	Approved

One disposition for asset #6729, paper shredder, from the Treasurer's office was presented for approval.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims, requisitions and disposition with the exception of a credit card claim as discussed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)****DISCUSSION OF AMENDING COUNTY POLICY TO PROVIDE HEALTH INSURANCE FOR FAMILIES OF EMPLOYEES KILLED ON THE JOB.**

Commissioner Sitterud read a letter from Lisa Johnson, widow of Deputy Jeremiah Johnson who was killed in the line of duty May 27, 2003. The letter was a request to provide health insurance for families of employees killed on the job. Personnel Director, Pat Snowball was not sure if the county's insurance carrier would allow coverage for a family not employed by the county. Cobra insurance is available for six months which gives the family time to obtain insurance. Lisa should be getting social security, workers comp and medicaid for the children until they are 18. Commissioner Ira Hatch made a motion to table this to allow time to look into the matter. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)****PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Pat Snowball, Personnel Director presented the following personnel action:

**Sheriff's Office**

Sheriff Guymon requests a promotion for Martin Wilson from Patrol Deputy to Sergeant in charge of Special Operations. Martin handles : Education, Emergency Services, and Homeland Security. The increase would from a 15K to 17L beginning with the next pay period, September 15, 2003. Sheriff Guymon indicated that this is a position that had not previously been filled. Commissioner Ira Hatch made a motion to table this until we can look at it more. The motion died due to lack of a second. Commissioner Gary Kofford made a motion to approve the promotion for Martin Wilson as proposed. Commissioner Drew Sitterud stepped down to second the motion. The motion was *not* approved by all members present.

**Assessor's Office**

Assessor, Kris Bell requested a three step increase for Carol Riddle, Senior Appraiser. Carol has assumed additional duties since Kris was elected. The increase would begin the next pay period, September 15, 2003. Commissioner Ira Hatch expressed concern for the flood of requests for three step increases for employees. The County has a compensation committee made up of elected officials and department heads in place to look at potential increases for employees. He agreed that the employees probably do deserve the increases but somewhere it needs to stop. The department probably has the funds for this year but what about next year. Commissioner Drew Sitterud stepped down to make a motion to approve the request for a three step increase for Carol Riddle as other requests have been approved. Kris has been able to show she has the funds to pay for the increase in the Assessor budget this year. The motion was seconded by Commissioner Gary Kofford. Commissioner Ira Hatch voted nay.

Pat Snowball asked to have the Commission direct elected officials and department heads to hold off on any further requests to allow the compensation committee time to develop a plan.

Commissioner Hatch disagreed with Pat's suggestion to hold off future requests. He felt it was not fair to those departments with requests in line for next time. Especially since the Commission has approved all the requests that have come before them thus far.

Commissioner Kofford explained the problems associated with the requests for pay raises for employees. The Commission is concerned with how to meet the needs of the employees and keep the services going for the public with the funds they have available. Departments may have the funds for raises this year but at the same time the raises need to be factored into that

department's budget for the years to come. They are looking at the budget for next year and considering the path that the county needs to take.

#### Treasurer's Office

Chris Hansen has successfully completed his six-month orientation period. Steve Barton recommends the routine increase which would be effective beginning the next pay period, September 15, 2003. Commissioner Ira Hatch made a motion to approve the routine increase for Chris Hansen as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

#### Road Department

Road Supervisor, Rex Funk requested a promotion for Keith Sorensen to fill the position vacated by Mike Jensen. Commissioner Ira Hatch made a motion to approve the promotion for Keith Sorensen and he will get with Rex to work on the duties of the position. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

#### **APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated August 19, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(18)

#### **COMMISSION REPORTS**

##### *Commissioner Sitterud*

Commissioner Sitterud reported on the White Sands Missile Site. SITLA owns a tract of land in the Missile Site. Most of the site is in Grand County. He attended a meeting with the new UDOT, District 4 Director, Hugh Kirkham. Funding has been approved for construction of Highway 6, most of the way through the canyon. We are to expect at least two hour delays in the canyon.

##### *Commissioner Hatch*

Commissioner Hatch reported on Board of Equalization in Castle Dale and Green River. He recently attended an Insurance Mutual board meeting in Ogden where they discussed insurance premiums and their efforts to hold the line on the costs. He and Rex Funk met with Energy West regarding the road to Rilda Canyon and their proposal to construct a new portal and to change the entry point on to U-10. Energy West expects to be on line in three years. He reported on the efforts of the Mosquito department to hold down the incidence of West Nile in Emery County concentrating heavily on those areas where the virus has been found in animals thus far.

**(19)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Gary Kofford made a motion to table executive session due to lack of council. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(20)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 16, 2003

Present at the meeting was Commissioner Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by LaMar Guymon. The pledge was led by Carol Cox.

(1)  
**MAYOR JOHNSON, GREEN RIVER CITY, REQUEST COMMISSION OPEN/AMEND THE 2003 BUDGET TO ALLOW UNALLOCATED FUNDS TO BE ALLOCATED TO THE EMERY COUNTY TRAVEL BUREAU BUDGET.**

Rescheduled

(2)  
**MAYOR JOHNSON, GREEN RIVER CITY, REQUEST CLARIFICATION ON COUNTY COST ASSOCIATED WITH SERVICES IN GREEN RIVER AND REQUEST BREAKDOWN OF COST FOR OTHER CITIES IN EMERY COUNTY.**

Rescheduled

(3)  
**CITIZEN CONCERNS**

Rob Midgley, Flight Instructor, outlined the plans for pilot instruction at the Huntington Airport. He is working on getting all the proper documents in place for legal flight instruction. He will be instructing through continuing education at CEU provided there are at least eight students enrolled in the class. He is working with Troy Atwood to provide flying services for corporations such as UPL, Questar and Texaco as well as private flight tours. Commissioner Hatch informed Mr. Midgley of the contract with Jones and DeMille to prepare an airport improvement plan. They are working on gathering the data for that plan at this time. The plan must be in place in order to receive state a federal funds for other projects. A public meeting has been planned to identify the present and future needs of the airport and the role of the airport in providing services to residents of Emery County and other counties as well. Commissioner Hatch encouraged

everyone to attend the meeting and provide input.

Kris Bell, Assessor explained that the law requires the county to hold Board of Equalization open for forty-five days from the mailing date of disclosure notices. The forty-five days are now up. Ms. Bell requested to close Board of Equalization. Commissioner Ira Hatch made a motion to close Board Of Equalization effective today September 16, 2003. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The motion will be ratified in the next commission meeting.

**(4)**

**APPOINTMENT OF COUNTY VETERAN AFFAIRS CONTACT PERSON.**

Ira Hatch has been the contact person for Veteran Affairs in Emery County for several years. Dixie Swasey has accepted the position as the new county veteran affairs contact person. Dixie will have access to all available services and information for veterans. Commissioner Ira Hatch made a motion to assign Dixie Swasey as county veteran affairs contact person. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Kofford thanked Commissioner Hatch for his years of service in this capacity.

**(5)**

**RATIFICATION OF TAX ABATEMENT FOR SHARPE SNOW**

Commissioner Gary Kofford made a motion to ratify the decision made on September 2, 2003 to abate \$18.54 in penalty and interest for Sharpe Snow, Joe's Valley Marina. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(6)**

**CONSIDERATION AND APPROVAL OF PAYMENT TO DYNAMIC FEEDBACK.**

Dynamic Feedback is the company contracted to compile a public opinion survey regarding the San Rafael Swell designation as a national monument. The State has asked Emery County for financial help to pay Dynamic Feedback. The State has already paid \$50,000.00 of the \$97,733.81 which the county was to pay for the survey contingent upon receiving the funds from the state. In the last commission meeting a motion was made to table any decision to provide financial aid to the state for this purpose to allow time to look into where we can come up with funds. Commissioner Sitterud indicated that Emery County can come up with \$25,000.00 to

help pay this bill. Commissioner Hatch expressed concern for sending the check to Dynamic Feedback. He suggested we send the check to the State and let them pay Dynamic Feedback to avoid any confusion. Bruce Funk expressed concern for spending funds that were never approved by the people for this purpose. Commissioner Sitterud felt that by helping to pay this bill may help to heal future relations with the governor's office. Commissioner Gary Kofford made a motion to approve paying \$25,000.00 to Dynamic Feedback. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF BUILDING MAINTENANCE AGREEMENT FOR GREEN RIVER LIBRARY.**

Commissioner Gary Kofford discussed a proposed agreement with Nathan Thayn and Marcy Thayn, DBA: Thayn's Janitorial Service for maintenance of the Green River Library. He expressed concern for some wording in the agreement. Commissioner Gary Kofford made a motion to table this decision until the next commission meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

After more discussion on the matter, Commissioner Ira Hatch made a motion to resend the table of the previous motion. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve the agreement with Nathan Thayn and Marcy Than dBA: Thayn's Janitorial Service for maintenance of the Green River Library with the name changes. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims #157324 through and including #157486 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
46-03	Portable Electronic Diagnostic Kit W/laptop computer Highway	3,406.28	Approved
47-03	Laminator, 40" CRL Sheriff/Safe Communities	2,499.00	Approved

There were no dispositions.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List and additional claims for payment and the requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

Library

A. Dorothy Taylor has requested to step down from Branch Librarian in Ferron to Assistant Branch Librarian in Orangeville. She will be working 19 hours per week and will not be eligible for benefits. This change will occur beginning the first pay period in November which is November 10, 2003.

B. It is recommended that Colleen Murdock, Assistant Branch Librarian in Orangeville, be promoted to Branch Librarian in Ferron to fill the vacancy left by Dorothy Taylor. This will be full time with benefits, effective the first pay period in November which is November 10, 2003.

There will be pay adjustments for Colleen and Dorothy. The Library Board is agreeable with these changes.

Commissioner Ira Hatch made a motion to approve the library board's request to move Colleen Murdock and Dorothy Taylor as proposed effective November 10, 2003. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Clerk/Auditor

The recruitment process is complete for the job of Deputy Clerk/Auditor. There were many excellent applications for this position. The Clerk/Auditor's office interviewed four applicants. It was recommended that Janalee Luke be hired effective September 17, 2003. This is a 3/4 time position eligible for prorated benefits. Commissioner Ira Hatch made a motion to approve hiring Janalee Luke as Deputy Clerk/Auditor as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Because of the level of responsibility and performance of job duties, it is recommended that Senior Deputy Clerk/Auditor Brenda Dugmore receive a three-step increase effective beginning the next pay period, September 29, 2003. Commissioner Ira Hatch made a motion to approve a three-step increase for Brenda Dugmore as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

A. Discussion of changes to county health insurance policy to continue coverage for dependents of employees killed on the job.

The request from Lisa Johnson was tabled in the last commission meeting to allow time to do some research. Commissioner Ira Hatch made a motion to deny the request to change county health insurance policy to continue coverage for dependents of employees killed on the job. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve commission meeting minutes dated September 2, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)**

**COMMISSION REPORTS**

*Commissioner Gary Kofford*

Commissioner Kofford reported that Emery County had a booth at the State Fair. Linda Schade from the Extension office took that assignment and did an excellent job. Her efforts were appreciated.

*Commissioner Ira Hatch*

Commissioner Hatch reported on the public hearing on a proposed UAC sponsored wilderness bill in Congress. The comments received at the public hearing will be used to help put together a proposal to be involved in that process.

He attended a preconstruction meeting on the Moore Cut-off Road. Brown Brothers have the bid. They have a one hundred fifty day construction period. They are mostly doing rock work right now. The project will be done in phases. This is just the first phase of the project. The Joint Highway Committee helps to fund this project. The paving will be done in the last phase of the project. Roads will not be closed during the construction period. He will be attending a meeting soon with the Joint Highway Committee where a request will be made for funding of the second phase of the project.

A representative from the retirement office was here on September 15, 2003. He was kept quite busy. He gave some good advice. He is willing to come again. Thanks to Pat Snowball for arranging for him to be here.

Dr. License Division will be back in the County again. They will be set up in the old attorney's office for now. Signs will be put up to direct people to the office.

Green River Melon Days is Saturday, September 20, 2003. He invited all elected officials and department heads to be involved.

We have another confirmed case of West Nile Disease in a horse in Emery County. There are no cases in humans.

*Commissioner Drew Sitterud*

Commissioner Sitterud reported that the public hearing for the proposed UAC sponsored wilderness bill was not well attended but the input was very good from those who did attend. When the bill is written they will come back for more public hearings to receive more input. The Commission appreciated the comments they did receive. He invited others to comment.

On Thursday, September 18, 2003 the Solid Waste Board will be in Green River to look over the proposed landfill site in Green River. They will also tour the ECDC landfill in Carbon County.

(12)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

7

Commission Meeting Minutes  
September 16, 2003

Commissioner Ira Hatch made a motion to move into executive session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Upon returning to regular Commission Meeting Commissioner Ira Hatch made a motion to proceed with negotiations on case #001-203 CSC to resolve the personnel issue discussed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 7, 2003

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Ira Hatch was not present. Commissioner Drew Sitterud will step down to carry out motions.

A prayer was offered by Commissioner Gary Kofford. The pledge was led by Judy Lang.

(1)

**MAYOR JOHNSON, GREEN RIVER CITY, REQUEST COMMISSION OPEN/AMEND THE 2003 BUDGET TO ALLOW UNALLOCATED TRT FUNDS TO BE ALLOCATED TO THE EMERY COUNTY TRAVEL BUREAU BUDGET.**

Mayor Johnson reviewed the budget for the information center in Green River City. Before the annexation of eastern Green River into Emery County, Grand County was helping to fund the information center. Green River City is currently maintaining the information center which is operating in the red at this time. The request from Green River City was to fund the information center for one half of the year, from July 1 through December 31, 2003 at a cost of approximately \$21,000.00. Transient Room Tax will not be available until 2004. The Commissioners discussed how to help Green River City for this year. Commissioner Gary Kofford made a motion to table this matter until the next Commission Meeting to give time to discuss the matter with the Travel Council. The motion was seconded by Commissioner Drew Sitterud and approved by all member present.

(2)

**MAYOR JOHNSON, GREEN RIVER CITY, REQUEST CLARIFICATION ON COUNTY COSTS ASSOCIATED WITH SERVICES IN GREEN RIVER CITY AND REQUEST BREAKDOWN OF COST FOR OTHER CITIES IN EMERY COUNTY.**

Mayor Johnson complimented and thanked the departments who provide services in Green River City. He addressed the County's request to change the water rate from commercial to residential for the departments stationed in Green River City. The request was denied by the Green River City Council. Commissioner Hatch attended the city council meeting where the discussion ensued regarding the water rates. He pointed out to the Green River City Council the services that are

provided by the county to Green River City and the cost associated for those services. Mayor Johnson disagreed with the amount of funds that were identified as being spent in Green River City and wanted to see how they would compare to those services provided to other cities in Emery County. Mayor Johnson agreed that the water rates for the county departments should be residential rates but due to the fact that the city is running in a deficit from installing new water and sewer facilities in the city the request was denied. He suggested the county approach the city council again in the spring with the same request.

Mayor Johnson reported on the progress of the application for a Class V Landfill permit. The hazardous waste committee visited the site and indicated that they will probably not approve the permit for a Class V permit unless they can receive assurance that the landfill will not be sold right away. Things are generally moving along.

**(3)**  
**DELENA FISH, WFS, QUARTERLY UPDATE.**

Not present.

**(4)**  
**LARRY SALAZAR, EMERY TELCOM, QUARTERLY UPDATE.**

Not present

**(5)**  
**MARTIN WILSON AND JUDY LANG, OVERVIEW OF NEIGHBORHOOD WATCH PROGRAM AND CONSIDERATION AND APPROVAL OF RESOLUTION DECLARING OCTOBER CRIME PREVENTION MONTH.**

Martin Wilson and Judy Lang provided an overview of the Neighborhood Watch Program. They asked that the Board of Commissioners approve a proclamation declaring October as Crime Prevention Month. Commissioner Gary Kofford made a motion to approve Resolution 10-7-03 declaring October as Crime Prevention Month in Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(6)****RATIFICATION OF APPLICATION FOR FINANCIAL ASSISTANCE UNDER THE STATE AND LOCAL ASSISTANCE PROGRAM (SLA).**

Commissioner Gary Kofford made a motion to ratify the decision made in last Commission Meeting to approve an application for financial assistance under the state and local assistance program. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(7)****CONSIDERATION AND APPROVAL OF UTAH EMERGENCY MEDICAL SERVICES GRANT APPLICATION.**

Martin Wilson explained that the grant application is to provide for three high school students to attend EMT classes providing an opportunity to increase EMT's in rural communities. Rachel Dunham, Rebecca Thornton and Dawna Marie Maldonado from Green River. The courses are \$750.00 per student. The funds will be provided by the State. Commissioner Drew Sitterud made a motion to accept the grant applications as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)****JO SANSERVERO, REQUEST DONATION FOR ARAPEEN ATV JAMBOREE 2004 BROCHURE.**

Jo Sanservero presented a request on behalf of the Arapeen Trail Jamboree organization. They presented a draft of a tri-fold brochure that they would like to produce. The brochure would be available at trade shows, ATV dealers, motels and information centers. They are hoping to find some kind of hook to entice participants in the Jamboree. They need \$1,500.00 to produce the brochures and ask that the Commission fund production of the brochures. Attorney David Blackwell reviewed the Shorts Decision and the restrictions associated with donations using tax payer funds. In his opinion the Recreation District should help fund this project. Commissioner Sitterud expressed desire to market recreation in Emery County. He expressed concern for where to find the funds to help fund the brochures. The Smart Site in Green River has the capabilities to produce the brochures. It was suggested to get a quote from the Smart Site and keep the funds in the county. Commissioner Gary Kofford made a motion to table this matter and look at the request in the next Commission Meeting.

**(9)**

**CITIZEN CONCERNS**

There were no citizen concerns.

**(10)****RATIFICATION OF BOARD OF EQUALIZATION CLOSURE.**

Commissioner Gary Kofford made a motion to ratify the decision made in last Commission Meeting to close Board Of Equalization for 2003. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)****CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER, VETERAN, BLIND TAX, AND OTHER ABATEMENTS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the list of Circuit Breaker, Veteran and Blind abatement applicants. All applications have been checked for ownership and income requirements. Commissioner Gary Kofford made a motion to approve the list of Circuit Breaker, Veteran and Blind abatement applicants as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Indigent abatements were considered for the following:

Harriet Bishop	\$254.14
Elizabeth Terrill	334.47
Ann Minnick	138.67
Coleen Thompson	124.12
Vern Hinton	181.36

All applicants have provided the required letter from their doctor, a letter stating their hardship and met the income requirements. Indigent abatements are granted by the Commission based on their circumstances and provides for up to fifty percent of their property tax. Commissioner Drew Sitterud made a motion to abate half of the property taxes for the applicants proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)****CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CHANGES.**

Assessor Kris Bell presented the 2003 Board of Equalization changes. Commissioner Gary Kofford made a motion to approve the 2003 Board of Equalization changes as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)****DISCUSSION AND SETTING OF DATE FOR COUNTY-WIDE AUCTION.**

Commissioner Gary Kofford made a motion to set Saturday, November 1, 2003 at 10:00 A.M. as the date for a county surplus property sale. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(14)****CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE.**

A business license was presented for Bill and June Adams, Green River DBA: Bill & June Adams. The business is representing two companies. 1. EBMS, Inc, advertising and setting up accounts for internet businesses. 2. Newways, a network marketing company who manufactures non-carcinogenic and toxic free products. The application has been reviewed and approved by Zoning Administrator, Bryant Anderson. Commissioner Gary Kofford made a motion to approve a business license for Bill and June Adams DBA: Bill & June Adams. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit list and additional claims #157783 through and including #157959 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
48-03	File dividers		
	Assessor	370.00	Approved
49-03	Laptop/ArcView updates		
	IT	5,204.50	Approved
50-03	Colt AR-15-A3 Rifle		

Sheriff (replacement)	935.00	Approved
-----------------------	--------	----------

Dispositions were presented for the following:

210-6308, typewriter, 210-6309, typewriter, 145-6574, desk, 410-1684, foot roller, a 3 station lube pump bay, crane running gear, 410-4243, parts washer, a wire feeder, 2 small tool boxes for truck, 1989 Holland auto hoist crane, 410-4242, parts washer, 410-4160, wheel balancer, 410-6184 1992 kleen king recycler, 410-1610, lincoln welder, 410-1595, hobart welder, 410-4162, hunter wheel balancer, 410-4248, matco alternator tester, 410-2257, 1974 JD 310 backhoe, 410-5423, 1989 Ford F450 pickup, 410-5422, 1989 Ford F450 pickup w/o engine, 1989 Dodge bed for 3/4 ton truck, 410-4247, air compressor, 410-4225, 1962 storage van shop trailer, 410-6565, 1974 Dodge van bus, 663-6814, 1991 Chevrolet Caprice, 160-5518, 1991 Chevy Caprice, 160-6762, 1989 Chevy Astro Van and an Avenger three wheeler from Weed/Mosquito (no tag). All items are being sent to the county surplus property sale.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims requisitions and dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

### (16)

#### **PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

- A. Discussion and approval of Risk Manager/Safety Officer for County.
- B. Discussion and approval of amendments to Risk Management policy for compliance and related matters.

Commissioner Gary Kofford made a motion to table items A and B. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

#### Sheriff's Office

Nicole Deabenderfer will complete her six-month orientation period on October 21, 2003. She is eligible at that time for an increase and the Sheriff has recommended the action occur. It will be effective beginning the first pay period of October 27, 2003. Commissioner Drew Sitterud made a motion to approve the six-month orientation increase for Nicole Deabenderfer as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

#### Network Services/GIS

A request was made to hire Sherman Miller, temporary up to 90 days at a rate of \$8.00/hr., effective September 30, 2003. This term will end December 28, 2003. Sherman will be working on RS2477 and Addressing. Commissioner Drew Sitterud made a motion to approve hiring

7

Commission Meeting Minutes  
October 7, 2003

Sherman Miller for up to 90 days as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**CONSIDERATION AND APPROVAL OF RESOLUTION OF APPOINTMENT AND AN ALTERNATE REPRESENTATIVE FOR THE UTAH COUNTIES INSURANCE POOL MEMBERSHIP MEETING.**

Commissioner Gary Kofford made a motion to appoint Commissioner Ira Hatch as county representative to the Utah Counties Insurance Pool Membership Meeting with Commissioner Drew Sitterud as alternate representative. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(18)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated September 16, 2003 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(19)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported that Jan Petersen and Richard Seely have been recognized by the Humanities Council for their efforts in working with the museums in Emery County.

He reported on the meeting that he, Commissioner Hatch, Bruce Funk and Brenda Dugmore attended with the State Tax Commission regarding centrally assessed properties.

He reported on the Airport Planning meeting held in the courthouse this day. Jones & DeMille the engineers hired to conduct the planning strategy for the airport were here to answer questions. Commissioner Sitterud encouraged everyone to provide comments.

8

Commission Meeting Minutes

October 7, 2003

(20)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Gary Kofford made a motion to move into executive session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Present at executive session was Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon and Deputy Clerk/Auditor Carol Cox.

They discussed possible litigation involving a personnel matter.

(21)

**ADJOURNMENT**

Upon returning to regular meeting Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_

CHAIRMAN: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 21, 2003

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by Steve Barton. The pledge was led by Ira Hatch.

(1)

**JO SANSERVERO, REQUEST DONATION FOR ARAPEEN ATV JAMBOREE 2004 BROCHURE.**

This request was tabled in last Commission Meeting to seek ways for a donation to qualify under the Shorts Ruling. Commissioner Drew Sitterud made a recommendation to refer this donation request to the Economic Development Council. Commissioner Gary Kofford made a motion to refer the request for donation for Arapeen ATV Jamboree 2004 brochures to the Economic Development Council for consideration and recommend they assist in this project. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**DEB DULL, UTAH POWER QUARTERLY UPDATE.**

Deb Dull, Utah Power and Light provided a brief update of activity at Utah Power and Light. The Bridger Mine in Rock Springs is undergoing a change from surface to under ground, estimated to be complete by 2006. They are still working on the Electric Lake issue with the Huntington Plant and the Gooseberry Narrows issue for the Carbon Plant. She introduced Carl Colastro, Director of Administration of Mining at Energy West. Mr. Colastro reported that Energy West is currently working on development of the Mill Fork tract in Rilda Canyon in Huntington. Deer Creek has approximately two years of production left. They are hopeful that the Mill Fork tract will produce for at least fifteen years. The Mill Fork Access Development had twenty new hires with over 200 applicants for the eight off the street positions available.

(3)

**CITIZEN CONCERNS**

Randal Stilson, Orangeville City asked if it would be possible to have a vehicle listed as going to the county surplus property auction donated to Orangeville City. No decision was made and action was taken.

In last commission meeting the Commission tabled a decision to appoint a risk management leader. They discussed the reason for having a risk management leader and accident review team. Utah Counties Insurance Pool provides the county with a list of insurance management concerns that when addressed provide the county with points which credits the county on their insurance premium. A team is appointed to address UCIP's list of concerns and provide accident reviews. Commissioner Ira Hatch made a motion to appoint Rex Funk as leader of the Risk Management Accident Review team with the standing committee to be reappointed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL TO OPEN/AMEND 2003 BUDGET TO ALLOW UNALLOCATED TRT FUNDS TO BE ALLOCATED.**

Mayor Glen Johnson, Green River City attended last commission meeting and requested the Commission open and amend the 2003 budget to allow unallocated transient room tax dollars to be allocated to Green River City for funding of the information center currently housed in the John Wesley Powell Museum in Green River. He asked for \$22,000.00 to fund the information center for the last half of 2003 and the first half of 2004. At that time the request was tabled to allow time to look at TRT responsibly. At this time he reviewed for the Commission the history of TRT payments for 2003. Commissioner Hatch explained how TRT funds are received. Mayor Johnson stated that he felt TRT dollars that are generated in Green River should be used in Green River to assist the city in promoting tourism. He stated he did as Commissioner Hatch suggested and made the request before the Travel Bureau. He was now asking for the funds to be transferred to the Travel Bureau to meet his request of funding the information center in Green River. Sheriff Guymon who is on the Travel Bureau explained that the Travel Bureau should be making the request to have the 2003 budget opened and amended to allow unallocated TRT funds to be allocated to *them* so they can meet the request made, *not* the City. Green River also put in a request for \$33,000.00 from the Travel Bureau for funds to replace the roof on the John Wesley Powell Museum. Commissioner Ira Hatch made a motion to suggest the Travel Bureau review Green River City's request and the Commission will consider a request from the Travel Bureau to open the budget. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AMENDMENT #3 TO CONTRACT 030845**

**BETWEEN EMERY COUNTY AND THE DEPARTMENT OF WORKFORCE SERVICES.**

Economic Development Director, Marlin Eldred explained that the amendment changes the amount of the contract. The original contract was for \$24,975 for 250 surveys at \$14.25 per survey. The amendment increases the amount to \$32,070.00 for 750 surveys at \$14.25 per survey. He further explained that Emery County does not pay anything until the funds have been transferred to Emery County. This is a pass through contract between Work Force Services and Emery County. Commissioner Gary Kofford made a motion to approve amendment #3 to contract 030845 between Emery County and Work Force Services as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**DISCUSSION OF CONCERNS REGARDING BLM'S WSA AND WILD AND SCENIC RIVERS PROCESSES.**

Commissioner Kofford expressed concern regarding BLM's process working through the WSA and Wild and Scenic Rivers designation. He suggested writing a letter to the BLM pointing out the County's concern regarding water issues on industry and agriculture and to ask to be a part of that process. Commissioner Gary Kofford made a motion to draft a letter to the BLM raising the County's objections to the process and continue to be involved in the process on the Route Management Plan and Wild and Scenic Rivers. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**DISCUSSION AND APPROVAL OF OUT-OF-STATE TRAVEL FOR ECONOMIC DEVELOPMENT.**

Commissioner Sitterud explained that there is a person who has moved to Emery County who owned a company in California that made wiring harnesses. The person that she sold the company to has contacted her and asked her to come back to California and work for him. She told him she would not move back to California but if he would move the company here she would work for him. A team will travel to California to make a presentation to the business owners to try and encourage them to locate in Emery County. The main resource needed for the plant is power, which we have plenty of. Commissioner Ira Hatch made a motion to approve out of state travel for Economic Development. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**REVIEW AND APPROVAL OF CONTRACT BETWEEN NIELSON CONSTRUCTION /EMERY COUNTY FOR TRADE OF GRAVEL.**

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

Commissioner Sitterud read a contract between Nielson Construction and Emery County for trade of gravel. The County has surface rights to crushed gravel on property owned by Bill Jones. Nielson Construction would like to use the gravel because it meets the quality needed to produce the asphalt needed to meet regulations for state road base. Nielson's would trade the same amount of crushed gravel from one of their pits to the county. Rex Funk, Road Supervisor was concerned for the trade of a quality crushed product for an inferior quality product. Commissioner Ira Hatch made a motion to table any decision for now to allow time to work out the details of the contract. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF LOW INCOME TAX ABATEMENT FOR MARGARET JONES.**

Senior Deputy Clerk/Auditor, Brenda Dugmore discussed a circuit breaker application for Margaret Jones. According to her application she exceeded the income limitations. A letter was sent to her explaining that she did not qualify due to income requirements. Ms. Jones phoned the Clerk/Auditor's office where she was told she would need to verify her income with a tax return. She indicated she did not have to file a return. Since Board of Equalization is closed and the deadline for property tax abatements with the state have passed, if the Commission chooses to grant her an abatement, it will need to be a Commission adjustment. Commissioner Ira Hatch made a motion to approve a Commission adjustment the same as the circuit breaker subject to verification of income. Commissioner Gary Kofford refrained from voting on the motion due to the fact that he is related to Margaret Jones. Commissioner Drew Sitterud stepped down to second the motion.

(10)

**CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER/OTHER TAX ABATEMENTS.**

Brenda Dugmore explained that Grand County had three circuit breaker applications from the newly annexed portion of Green River City that were not forwarded to Emery County in time to meet the states deadline. All three applicants meet the criteria. Because Emery County's books are closed out any action would need to be a Commission adjustment. Commissioner Ira Hatch made a motion to approve Commission adjustments for the three circuit breaker applications. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFFS.**

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

Brenda Dugmore explained that this is a request from JCI Billing with whom Emery County is contracted to expedite ambulance billings. This is an accident on I-70 with several Hispanic individuals whom JCI has not been able to locate. They could not speak English very well and information was very sparse and questionable. The write-offs were proposed as follows:

Francisco Arroyo	875.33
Refugio Saaverdra-Fuentes	879.33
Luis Gargallo-Blanco	969.33
Salvador Damian-Sierra	538.00
Vidal Tadeo	519.00
Silverio Romero-Arroyo	547.50
Magil Tamajo	562.50
Onorio Gutierrez-Castillo	1514.50
Miguel Tamayo-Hernandez	1551.50

A total of \$7,956.99 was proposed to be written off. The hospital has already written off their charges. Commissioner Gary Kofford made a motion to write-off the ambulance billing charges in the amount of \$7,956.99 for the individuals indicated. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)**

**CONSIDERATION AND APPROVAL OF FY2004 TENTATIVE BUDGET FOR EMERY COUNTY, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND OTHER ENTITIES AS REQUIRED BY LAW.**

Senior Deputy Clerk/Auditor Brenda Dugmore explained that the County is required by law to adopt a tentative budget for 2004 by November 1, 2003. A tentative budget is just a starting point. From this point they can have budget meetings to consider request. The tentative budget does not reflect any cost of living increases for employees. Commissioner Gary Kofford made a motion to approve a FY2004 tentative budget for Emery County, Castle Valley Special Service District and other entities. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)**

**DISCUSSION OF GIFT FOR UAC CONVENTION**

Commissioner Gary Kofford made a motion to have Dixie Swasey and Kris Bell pursue finding

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

an appropriate gift for UAC Convention in November. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims # 158038 through and including # 158162 for payment.

Requisitions were presented for the following:

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

Extension Office

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

Lynda Schade, Extension Service Secretary has taken a position as Extension Agent in Duchesne County. Therefore, the Extension Office requested approval to recruit for a secretary, full time, with benefits, \$8.04. Commissioner Ira Hatch made a motion to approve recruiting for a full time secretary for the Extension Office as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Highway

Rex Funk, Road Department Supervisor asked to allow employees the opportunity to contribute time to Gordon Nielson. Gordon has no time left in his bank and has had surgery recently and will be off work to recover. Commissioner Ira Hatch made a motion to give employees the opportunity to contribute time for Gordon Nielson. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Office

Emery County is required by the federal government to complete a Premitigation Disaster Plan by December 11, 2003. The Emery County Sheriff's Office has received a federal grant for over \$5,000.00 to complete the project. The Sheriff's office was desirous to contract out the work. They contacted Terry Langston who has agreed to perform the necessary work to complete the project. She will attend all the required meetings, computer work necessary to edit, compile and complete the plan and all expenses related to the project. If approved the contract provides for Terry to be paid in three payments of \$1,000.00 each for a total of \$3,000.00 for the project. Funds will be paid from the federal grant. Commissioner Ira Hatch made a motion to approve the contract for services with Terry Langston to complete a Premitigation Disaster Plan as stipulated in the contract. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve commission meeting minutes dated October 7, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(17)**

**COMMISSION REPORTS**

*Commissioner Kofford*

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

Commissioner Kofford reminded the other Commissioners of a meeting on Friday, October 24, 2003 with the Forest Service regarding the Wild and Scenic Rivers.

*Commissioner Hatch*

Commissioner Hatch reminded the other Commissioners and elected officials of the UCIP membership meeting during UAC convention. They will be electing a new board of directors. The Huntington Airport Improvement Plan is moving along well. He has been meeting with Jones and DeMille, the company contracted to prepare the plan.

*Commissioner Sitterud*

Commissioner Sitterud reported on meetings with our legislative representative regarding mineral lease monies. They questioned why the funds have to go to the State Tax Commission before they come to the county. He met with bond attorneys regarding the bonds obligated by the property owners in Green River who are now in Emery County due to the recent annexation. The bonds were obligated to Grand County when they were in Grand County and they still have to continue to pay them even though they are now in Emery County. He reported that the Carbon County Railway will be dismantling the railway on the 2.2 miles in Emery County. Carbon County has asked if Emery County wants to purchase the right-of-way to that 2.2 miles.

**(18)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Ira Hatch made a motion to move into executive session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Those present at executive session were: Commissioner Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Personnel Director Pat Snowball and Deputy Clerk/Auditor Carol Cox.

They discussed pending litigation regarding a personnel matter.

**(19)**

**ADJOURNMENT**

10

COMMISSION MEETING MINUTES  
OCTOBER 21, 2003

Upon returning to the regular meeting Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 4, 2003

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by Steve Kemple. The pledge was led by Ira Hatch.

(1)  
**CITIZEN CONCERNS**

Troop 305 from Orangeville was present to observe a local government meeting to qualify for their citizenship merit badge. Present were: Rob Midgley, Kyle Davis, Tyler Cox and Andrew Brinkerhoff.

(2)  
**CONSIDERATION OF AMENDMENT TO AWARD NO. 05-79-03606**

This is amendment #4 to the current Economic Development Administration Strategy Grant Project # 05-79-03606 which extends the date of completion to November 30, 2003. Commissioner Ira Hatch made a motion to approve amendment #4 to EDA Strategy Grant as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)  
**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND UTAH DIVISION OF FORESTRY, FIRE , AND STATE LANDS.**

In the September 2, 2003 Commission Meeting, Gary Cornell, State Lands Forestry, discussed with the Board of Commissioners a proposal to provide financial assistance for paying a fire warden position in Carbon and Emery Counties. At that time a motion was made to accept the agreement between Emery County and Utah Division of Forestry, Fire, and State Lands provided the agreement spelled out the amount the two counties were to pay. A new agreement was presented for ratification which spelled out the dollar amount as Carbon County, \$7,200 and Emery County, \$4,800.00. Commissioner Gary Kofford made a motion to ratify the decision to

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

approve the agreement between Emery County and Utah Division of Forestry, Fire, and State Lands. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(4)**  
**CONSIDERATION AND APPROVAL OF MOU BETWEEN EMERY COUNTY AND ROBERT K. WEIDNER.**

Robert K. Weidner is the lobbyist in Washington D.C. under contract with Emery County to lobby the Legislature on the County's behalf. All but two county's in the state use Mr. Weidner. The new contract is for two years. The Board of Commissioners had some concern for signing a two year contract. Attorney David Blackwell indicated he had not had time to review the contract. Commissioner Ira Hatch made a motion to table this matter to allow time to review the contract. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(5)**  
**CONSIDERATION AND APPROVAL OF CONTRACT WITH NIELSON CONSTRUCTION FOR EXCHANGE OF GRAVEL.**

Commissioner Hatch made a motion to table this matter to allow time for Attorney David Blackwell to re-work the contract with Nielson Construction for exchange of gravel. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**  
**RATIFICATION OF APPOINTMENT OF REX FUNK AS RISK MANAGEMENT LEADER.**

Commissioner Gary Kofford made a motion to ratify the decision to appointment Rex Funk as Risk Management Leader. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(7)**  
**KRIS BELL, ASSESSOR, REQUEST FOR COMMISSION ADJUSTMENTS.**

Kris Bell, Assessor requested the following Commissioner adjustments:

Darl Taylor, personal property tax in the amount of \$7.99 was not paid for 2003 so it was attached to their house property taxes. The penalty added was \$100.00. The Taylor's failed to

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

report that they did not operate the business in 2003 because Darl had cancer and they spent most of the year in Salt Lake City. Kris requested to have \$107.99 adjusted. Commissioner Gary Kofford made a motion to remove 50% of the penalty. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Bonnie Freeman, problem with last years BOE value rolling over correctly in the amount of \$7.43. Shirl McArthur, problem with last year's BOE value rolling over correctly in the amount of \$156.61. Commissioner Ira Hatch made a motion to adjust the tax due to computer problems. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

John Williams, home is in very poor condition and is no longer livable. Value adjustment requested was from \$16,735.00 to \$5,500.00. Commissioner Gary Kofford made a motion to approve the value adjustment for John Williams as requested. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Gary Arrington, parcel should not have a lot value. Value adjustment requested was from \$12,000.00 to \$560.00. Commissioner Ira Hatch made a motion to approve the value adjustment for Gary Arrington as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #158374 through and including #158481 for payment.

Requisitions were presented for the following:

<b><u>REQUISITION</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AMOUNT</u></b>	<b><u>ACTION</u></b>

Bruce Funk thanked those who helped with the county surplus property auction held on Saturday, November 1, 2003. Items sold for reasonable prices to the public. He recommended an auction be held each year.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, requisitions and dispositions. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Hatch reminded all departments that November 18, 2003 is the last time to accept requisitions for 2003.

(9)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Sheriff

Casey Alton passed his POST certification and is eligible for an increase from Corrections Officer to Patrol Deputy effective beginning the next pay period which is November 10, 2003.

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

Commissioner Ira Hatch made a motion to approve the increase to Corrections Officer for Casey Alton as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Assessor

Vicki Wilbanks will be taking accrued leave from October 30<sup>th</sup> to November 11<sup>th</sup> as part of family leave to help with an immediate family member's health problem. If she uses all her time she will be on unpaid leave. Commissioner Ira Hatch made a motion to approve family leave for Vicki Wilbanks as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Ira Hatch made a motion to move into executive session relative to personnel matters. Commissioner Gary Kofford made a motion to move to item #10 and 11 and then to move into an executive session. Commissioner Ira Hatch rescinded his motion and seconded Commissioner Kofford's motion to move to item #10 and 11. Attorney David Blackwell inquired as to the purpose for executive session. Commissioner Hatch indicated it was to discuss personnel matters regarding the library's request. Mr. Blackwell questioned the legality of an executive session. Commissioner Hatch disagreed with Mr. Blackwell's interpretation of the appropriateness for an executive session. Commissioner Gary Kofford withdrew his motion.

Library

Dorothy Taylor requested approval for what was intended to be post-retirement employment which resulted in some confusion relative to dates of termination, retirement, and rehire. Request was made to review the intended request. On August 26, 2003 Dorothy Taylor presented a letter that went before the Library Board. The letter stated her intent to retire. Dorothy failed to give a date for retirement. She would like to go to work at the Orangeville Library beginning in November of 2003. There were no dates in the letter. The letter stated her desire to step down from head librarian in Ferron to assistant librarian in Orangeville. The Library Board approved her request. On September 16, 2003 the Board of Commissioners acted on the request by approving to move Colleen Murdock to head Librarian in Ferron and moving Dorothy Taylor as assistant librarian in Orangeville, with the anticipation that this would take place on November 10, 2003. On the 23rd of October the State called for a retirement date. We did not have a retirement date. Everyone had anticipated October 31, 2003. There was some discussion about a ten day absence. The Commissioners felt like they needed to bring it back and make some clarification. The personnel policy states that if a person terminates from the county they do have the opportunity to apply again for a position once a position is open. The policy spells out a few things such as: to re-enter the county work force it needs to be at the entry grade and step for the position to be filled as specified by the county compensation plan. Re-hired employees will be subject to the same terms and conditions as a newly hired employee that has never worked for the county before. Prior years of service do not count for seniority or

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

experience when applying for a position. Commissioner Kofford read a second letter from Dorothy Taylor. The letter indicated the dates required for Dorothy to retire from her full time job and be moved to the Orangeville Library as assistant librarian. She indicated she will terminate her job as head librarian in Ferron on November 14, 2003 where she has worked for 21 and ½ years in order to get her retirement. Retirement will begin on November 16, 2003. She requested to be rehired by Emery County for 19 hours per week at the Orangeville Library beginning November 24, 2003. She indicated her termination date was November 14, 2003. Her state retirement date is November 16, 2003. Because of the actions taken by the Board of Commissioners on September 16, 2003 Commissioner Kofford made a recommendation to accept Dorothy Taylor's retirement as of November 14, 2003 and to rehire Dorothy effective November 24, 2003 as assistant librarian in Orangeville at 4T \$11.41. He stated the County appreciated her years of service with Emery County. He asked for an exception to the personnel policy by rehiring Dorothy at the 4T \$11.41 hour step and grade. Commissioner Ira Hatch expressed concern for making an exception to the personnel policy due to the fact that there are several others working for Emery county that are in the same position that Dorothy is in. If they make an exception to the personnel policy in this case will they be expected to do the same for the others that come along? His suggestion was to have her come back into the work force for the County as the policy indicates which would be entry level step and grade. Dorothy Taylor explained that she did not know that there was a stipulation in the policy. She indicated she told her department head and the Library Board at that time that she would only retire now if she could retain a part time job. She indicated she could not live off of her retirement pay without a part time job to supplement. If she could not have a part time job, then she would not retire. She assumed that this had all been taken care of. She had no idea she was asking for anything special. She did not feel she should have to re-apply for her job. Commissioner Hatch expressed concern that the policy has been in place for several years and if they make an exception then they will be bound to make the exception for anyone else who comes along. Commissioner Kofford did not feel the County will be bound to make an exception for all others that come along as each case will be reviewed on there own. The Commission can act on each case as they see fit. Commissioner Sitterud added that the minutes from the September 16, 2003 reflected that Dorothy was stepping down as Head Librarian and do not indicate that she is retiring. This action was presented as stepping down. Pat Snowball stated that it was presented to the Commission not with Dorothy's intent but with Pat's understanding of what she wanted. She indicated this was mis-represented to the Commission through her. What needs to be done now is to clarify a misunderstanding. Attorney David Blackwell stated that there are two people who rely on the action taken on September 16, 2003. Colleen has been put in as Head Librarian in Ferron and Dorothy has been made assistant Librarian in Orangeville as well as put in for her termination date to the retirement board as a result of the action. Mr. Blackwell felt that fair dealing with her should override the policy. He did feel the action will apply to everyone who comes through. It was his recommendation to say this is a special situation that we got caught in. He stated that it is not a policy that we are changing but rather an exception to the policy and under these specific circumstances you can go ahead and approve this as it was originally requested to the Library Board even though that request did come to you as a retirement and re-

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

hire. Pat agreed with David Blackwell. There are circumstances surrounding this issue that will not be there in the next issue. Bruce Funk asked if Pat Snowball had the letter when she made the original request to the Commission. Pat indicated that she did not have the letter. He recalls he questioned when this would take affect. He indicated that he asked Gerilyn Mathis, Head Librarian if this would involve a change in salaries which she indicated it would. He has since found out it amounted to only a few cents an hour in wage change. He expressed concern that the Commission maintain the policy, because if you over-ride the policy you will set a precedence. David Blackwell indicated that the Commission approved what was presented, but it went back to Dorothy that what she wanted was approved, even though that is not what was presented. Pat expressed concern that Dorothy will be made to suffer because of what Pat conveyed to the Commission. Commissioner Gary Kofford stated that he had a motion on the floor. Commissioner Hatch expressed that it was his understanding when the Commission took the action, at that time, that she would move into the assistant librarian position. There was no mention of the fact that she would receive her full retirement and her full salary also and not re-enter the work force at entry level. He had no problem with her moving into the assistant librarian position but in accordance with the policy he felt she would qualify for the position, but that is not the way the system was set up. Commissioner Sitterud again asked the question if there was a way to do this and stay within the policy. David Blackwell indicated he did not see a way to stay in policy but in fairness to Dorothy overrides the policy and he recommends doing this. After more discussion on this issue Commissioner Gary Kofford repeated his original motion that upon recommendation from County Attorney David Blackwell to accept Dorothy Taylor's letter of termination being November 14, 2003 and her state retirement date being November 16, 2003 then to make an exception to personnel policy 5.4 under 'Hiring A New and Vacant Position' (5.4 a.b.c.) which says that you can re-hire an employee after advertising for that position. The employee has to come in at entry level with no seniority. He wanted to make an exception on, 1. re-hiring Dorothy effective November 24, 2003. 2, changing her classification to assistant librarian at the Orangeville Library at a rate of 4T \$11.41/hr. adding to that exception that she will be treated as a new employee with no seniority, no vacation or sick time being carried forward or benefits. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Dorothy Taylor expressed her appreciation for the action taken and apologized for any confusion that this caused.

(10)

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

Commissioner Ira Hatch made a motion to approve the minutes dated October 21, 2003 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**COMMISSION REPORTS**

*Commissioner Ira Hatch*

Commissioner Hatch encouraged everyone to visit the interpretation signs on I-70.

*Commissioner Gary Kofford*

Commissioner Kofford reminded everyone of the open house for the new Court's Facility November 7, 2003 at noon. People will be led through the courts facility down through the tunnel into the holding facility and into the sally port. There will be punch and cookies.

In MBA Meeting there was talk about naming the facility. There was talk of changing the name of this building, the courthouse, but agreed that this building should stay the courthouse. They are soliciting suggestions for naming the new facility.

PacifiCorp has filed a conditional use permit to expand their coal receiving facility at the Hunter Plant. They need to move a county road. There are negotiations going on for a piece of land from Ross Huntington.

*Commissioner Sitterud*

Commissioner Sitterud reported on his trip to California to make a presentation to a company named 'Conesishas' interested in expanding their business into Emery County. The company builds wiring for aerospace, automobile air bags and any heavy industrial use. He along with toured their facility and met with the corporation CEO. The company would bring in approximately 100 jobs to the county. They never made us any guarantees. After the first of the year, there will be representatives from the company in Emery County to take a look at us. He is staying in touch with the company, by letter, each week.

**(12)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL**

COMMISSION MEETING MINUTES  
NOVEMBER 4, 2003

**MATTERS.**

An executive session was requested by Commissioner Hatch but overruled by Attorney David Blackwell.

(13)

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 18, 2003

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by Ray Petersen. The pledge was led by Randall Stilson.

(1)

**CONSIDERATION AND APPROVAL OF REQUEST FOR TAX ABATEMENT FOR ROCKY MOUNTAIN WEST BAPTIST MISSION.**

Commissioner Drew Sitterud discussed Rocky Mountain West Baptist Mission parcels #05-0094-0005, 05-0094-0003, 05-0094-0006, 05-0093-0007. In 2002 Rocky Mountain West Baptist Mission was granted a fifty percent Commission adjustment on parcel # 05-0094-0005. This year they have come back to ask for exempt status for the four parcels discussed. Commissioner Sitterud made a call to the Utah State Tax Commission to find out if they qualify for exempt status. The State Tax Commission confirmed that they did qualify for 100% exempt status under religious exemption. Commissioner Ira Hatch made a motion to abate parcel #05-0094-0005 \$1,438.82, parcel# 05-0094-0003 \$230.16, parcel # 05-0094-0006 \$10.54, parcel #05-0093-0007 \$24.76 and to add them to the Property Tax Exemption List with an evaluation each year. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**AVATOR CORPORATION, PRESENTATION OF PROPOSAL TO DO UTILITY AUDITING FOR EMERY COUNTY.**

Chris Hatch, Avator Corporation presented the Board of Commissioners with a proposal to do a utility audit. He explained that he performs audits of utility companies for government entities and corporations. He gathers data from the utility companies which goes through an analysis process to determine if the entity is being over charged on rates, demand charges, usage problems, etc. He then negotiates with the utility company on the entity's behalf. The entity usually receives a credit on their account or a check for the overage. He reported he was successful in recovering \$50,000.00 in Weber County. There is no up front fee or service fee for this service. He asks for 50% of the savings realized by the entity as a result of his audit. The Commissioners voiced their concerns and asked questions. Clerk/Auditor Bruce Funk stated he had a call from another company wanting to do the same type of audit. Commissioner Gary

COMMISSION MEETING MINUTES  
NOVEMBER 18, 2003

Kofford made a

motion to table this for now to allow time to look into the matter and possibly advertise for this type of service. The motion was seconded by Commissioner Ira Hatch and approved by all members present. The Commissioners invited Mr. Hatch to come back with examples of savings from other entities. Bruce Funk will contact Mr. Hatch when the matter is on the Commission agenda again.

(3)

**DISCUSSION OF UDOT APPLICATION FOR PRESERVATION OF EMERY TOWN CHURCH.**

Kathleen Truman, Historic Preservation discussed with the Board of Commissioners an application for historic preservation of the old church in Emery Town. The application must come from Emery Town because they have the legal responsibility for the church. Kathleen will be helping Emery to write the grant application with UDOT. When the grant application is complete a letter of support for the project will be needed from Emery County to accompany the application. Commissioner Ira Hatch made a motion to consider a letter of support for the preservation of the Emery Town church as the application process with UDOT and to consider the level of support for the project as Ms. Truman returns to Commission Meeting with the application from Emery Town and what they need. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CELLULARONE, PRESENTATION OFFERING DISCOUNT ON CELL PHONE SERVICE TO COUNTY EMPLOYEES AND THEIR FAMILIES.**

Mark Palacios, CellularOne Manager in Price and Brody Heath, Major Account Executive for CellularOne presented the Board of Commissioners with a proposal to offer discount cell phone service to county employees and their families. Both new and existing customers would qualify for 12% discount on all rate plans \$30.00 and higher. They requested to send a memo and brochure to the employees. Commissioner Sitterud informed the CellularOne representatives that as a county they can not endorse any particular company or product. They could set up in the building and a memo could be sent to the departments to announce to the employees that they will be here on a specific date and time available to meet with those individuals interested in finding out about their offer. Commissioner Ira Hatch made a motion to give authority to Pat Snowball to work with CellularOne to set up a day to be available in the courthouse to meet with employees who would like to know more about their offer and to provide that opportunity to the employees by way of a memo to the department heads and elected officials. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)  
**CONSIDERATION AND APPROVAL OF GREG OLIVER, CLEVELAND TOWN'S  
NEW FIRE CHIEF TO EMERY COUNTY FIRE PROTECTION SPECIAL SERVICE  
DISTRICT'S ADMINISTRATIVE CONTROL BOARD.**

Commissioner Gary Kofford made a motion to appoint Greg Oliver, Cleveland Town's Fire Chief to the Emery County Fire Protection Special Service District Administrative Control Board. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)  
**CONSIDERATION AND APPROVAL OF ALLOCATING MINERAL LEASE  
LIABILITY ACCOUNT TO SPECIAL SERVICE DISTRICTS.**

Commissioner Sitterud explained that an educated guess was made when the mineral lease funds were sent. Seeing that some of the funds would have to be sent to Carbon County the funds were put in a liability account until time to disperse to Carbon County. It is apparent that request is not forth coming. The special service districts are really struggling and need those funds. The Commission suggested allocating those funds to the districts realizing that if the funds request does come in then the funds will be deducted from the districts' next allocation. Commissioner Gary Kofford made a motion to reallocate the funds to the special service districts. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)  
**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY  
COUNTY AND EMERY TELEPHONE TO PROVIDE AND MAINTAIN E911 SERVICE  
THROUGHOUT THE COUNTY.**

Commissioner Sitterud explained that the Board of Commissioners is not ready to act on this agreement yet. He opened discussion on the matter. It was suggested to have Greg Killpack, Emery TelCom attend the next Commission Meeting to open discussion. Attorney David Blackwell will compare the new agreement with the new statute regulating 911 emergency calls. Commissioner Ira Hatch made a motion to table this matter for further review and invite Greg Killpack to attend the next Commission Meeting where the Commission will discuss this again. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)****CITIZEN CONCERNS**

Commissioner Gary Kofford announced that the Southeastern Mental Health Board has a board member opening that needs to be filled from the Green River area. Commissioner Gary Kofford made a motion to advertise for applicants to fill the vacancy on the Southeastern Mental Health Board from the Green River area. The motion was seconded by Commissioner Ira Hatch and approved by all members present. The motion will be ratified in the next Commission meeting.

Commissioner Sitterud announced that LaMar Guymon was elected UAC President during UAC Conference in St. George last week. He was chosen out of 29 counties to be the President. Commissioner Sitterud thanked Kris Bell and Dixie Swasey for being responsible for getting Emery County's door prize to the convention.

Randall Stilson commented on the open house for the new courts facility.

**(9)****CONSIDERATION AND APPROVAL OF INTERLOCAL AGREEMENT BETWEEN EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT AND EMERY COUNTY REGARDING LITTLE BEAR CAMPGROUND PIPELINE ROW.**

All the proper documents were not ready to approve this agreement. Commissioner Gary Kofford made a motion to table this matter to allow time to get the paperwork from Attorney David Blackwell. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)****SETTING OF BUDGET MEETINGS WITH ELECTED OFFICIALS/DEPARTMENT HEADS.**

Commissioner Ira Hatch made a motion to set budget meetings for the following days:

Monday, November 24, 2003 beginning at 9:00 am

Monday, December 1, 2003 beginning at 1:00 pm

Friday, December 5, 2003 beginning at 9:00 am

Monday, December 8, 2003 beginning at 9:00 am

The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List #158556 through and including #158701 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
60-03	Hand Held Radio Public Lands	624.00	Approved
61-03	Power supply for Dispatch Console Sheriff	1040.00	Approved
62-03	Service Awards Non-Departmental	1182.00	Approved
63-03	4Wheeler Trailer Sheriff	1850.00	Appro ved
64-03	Light bar, Speaker, Siren Sheriff-Desert Patrol	1616.10	Approved
65-03	Xerox Copier/Printer/Scanner Capital Replacements	13400.00	Appro ved
66-03	Radio, Speaker & Mounts Sheriff- Desert Patrol	1254.10	Approved

There were no dispositions.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)****PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented a departmental request for personnel action in a effort to be more clear and correct with employee action. She submitted a Departmental Request For Personnel Action Form. The form identifies the employee and any personnel action requested by the department head or elected official. She asked for approval to use the form to take any action for an employee. If approved she would forward a copy to each department along with a memo outlining the use. Commissioner Gary Kofford made a motion to approve the immediate use of the new employee action form adding that any future personnel action for employees will not be considered without the approved personnel action form. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Colleen Murdock, was recently approved to move from Assistant Librarian part time, to Head Librarian. As a part time employee Colleen worked for the county for 12 years. Is she eligible for longevity benefits, ie, accrual of 10 hours sick and vacation the same as any employee who has worked for the county for 12 years? Commissioner Hatch pointed out that the Board of Commissioners have determined that the policy is straightforward in that it indicates that a part time employee is not a career service employee and therefore not eligible for the longevity benefit. The policy also indicates that she is now considered a new employee starting from scratch. The Board Of Commissioners were in agreement that they will stand by the policy.

**(13)****APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated November 4, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)****COMMISSION REPORTS**

*Commissioner Gary Kofford*

Commissioner Kofford reported on the ribbon cutting ceremony and open house at the new courts facility. He expressed his appreciation to those who worked to make it a success.

He reported on a November 12, 2003 Planning/Zoning meeting where the board approved an Energy West conditional use permit. It involves moving, realigning county road 419 around the expanded coal receiving area at the Hunter Power Plant.

COMMISSION MEETING MINUTES  
NOVEMBER 18, 2003

*Commissioner Ira Hatch*

Commissioner Hatch reported on the UAC Insurance Mutual Pool meeting during UAC Convention in St. George. He has been assigned as a task force member from the Division of Natural Resources, County Association of Governments and State Land Board to look at wild fire and how to finance that.

Dan Johnson from Chevron Texaco in conjunction with CEU Museum has put together a traveling exhibit of dinosaurs. Cleveland/Lloyd Dinosaur Quarry will be the focal point for the exhibit. This will be a mobile exhibit that can travel around the state to schools and seminars. They will kick that off at the Museum of the San Rafael on December 6, 2003.

*Commissioner Drew Sitterud*

Commissioner Sitterud asked Ray Petersen to report on the White Sands Missile Base meeting he attended in Green River on November 13, 2003.

While at UAC Convention last week he met the other seven mineral producing counties in the state. Uintah has done an extensive survey and figure that they have been shorted about seven million dollars in the last year on the mineral lease funds. A committee will be put together to follow their line and see where they came up with their figures. They will put together figures and see where the other counties stand.

Bids were put out for painting the older part of the Nursing Home. There was a bid from Salt Lake for \$16,000.00 and a local bid for \$6,000.00. The bid was awarded to the local contractor.

He and Commissioner Hatch met in a Centrally Assessed meeting to discuss escape property tax from 1997. They have moved forward with that litigation. The State Property Tax Commission called the Commissioners and told them it was not a win able case. They do not know where that will go.

Mark Ward, Attorney for Public Lands for the State met with Ray Petersen, Gary Kofford and Drew Sitterud. He was here to give some reference to write in the alternatives to help Emery County with their response to the alternatives. He was impressed with the work that has already been done. He indicated that Emery County was in much better shape than surrounding counties. He indicated the Price Field Office has worked well with us.

He attended the Governor Walker's Inauguration. He did not have good seats. He did get to shake her hand and ask a few Public Lands questions.

8

COMMISSION MEETING MINUTES  
NOVEMBER 18, 2003

He reminded everyone of the County Employee Christmas Party on December 4th.

(15)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

(16)

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_

COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 2, 2003

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

The Commission heard quarterly reports from BLM, DWR and Forest Service before moving on to the agenda.

Joan Hubbert, BLM, Price District Office reviewed upcoming projects.

Cleveland-Lloyd Dinosaur Quarry is under renovation to bring the facility up to code. Commissioner Hatch suggested they include improvements to the access road into the quarry in the EA plan. The County could work with the BLM on a cooperative basis to upgrade and improve the road.

Temple Mountain- they are working on upgrades to the campgrounds and trails in the Goblin Valley area.

Commissioner Hatch informed her that the funding for the Goblin Valley road is through the State Park Road Access Program. Funding will begin in 2006. He suggested that the BLM could help in that process by providing assistance from technical personnel defraying some of the cost, putting more of the funds into the road itself.

Mesia Nyman, Forest Service reviewed past and future activity.

She provided a snow report for the forest and where you can access roads. Things are looking better, however this is just the beginning of the new water year.

Christmas tree sales were opened up earlier this year to allow families to use Christmas tree hunting as a family event during the Thanksgiving week.

Black Dragon seeding has been completed. Due to the drought several hundred acres of vegetation died. Thanks to a contribution from the Conservancy District they were able to seed more acres than anticipated.

Energy West is looking at a break-out at their Rilda Canyon mine. It will entail an EA analysis for the new facility.

They are treating beetle killed spruce trees, once they have fallen, as hazardous fuels.

Derris Jones, DWR reviewed quarterly activity.

Buck and bull hunts are over now. The antler-less hunt is underway.

COMMISSION MEETING MINUTES  
DECEMBER 2, 2003

Applications for turkey hunting are out this month.

January is the time to apply for Buck and Bull hunts.

Ron Hodson has received a promotion and moved to the office in Ogden. They have not replaced him yet.

Sheep survey on the San Rafael shows that the numbers are down a little this year.

They now have five cases of Chronic Wasting Disease. Mostly Grand County and San Juan County. A new case was found in Uintah County last year and in Fountain Green this year.

Poaching of trophy animals continues to be a problem.

Ferron Reservoir will hopefully be filled by next spring. They are filling it slowly to check for leaks.

Duck Fork treatment is complete. They are planting Colorado Cutthroat, brood fish and tiger trout.

Bobcat trapping has seen a jump in illegal trapping due to the higher cost for the pelt

(1)

**CONSIDERATION AND APPROVAL OF CONTRACT FOR SERVICES OF SHARI TUTTLE.**

Shari Tuttle has been contracted to scan and edit the emergency plan. Commissioner Gary Kofford mad a motion to approve a contract for services for Shari Tuttle as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF INTERLOCAL AGREEMENT BETWEEN EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT AND EMERY COUNTY REGARDING BEAR CAMPGROUND PIPELINE ROW.**

Chevron USA, Inc. needs to bring a gas and water line through Huntington Canyon. Emery County owns and controls patent property known as Bear Campground located at the mouth of Huntington Canyon. The Recreation Special Service District has been established for the purpose of administering recreational facilities located in Emery County, including Bear Campground. The District is responsible for the maintenance and other costs associated with the property. Chevron USA, Inc. is purchasing a non-exclusive right-of-way through the property in the amount of \$3,107.22. The BLM administers the granting of patent properties and restrictions related. It is proper for the monies to pass directly to the District to help with the costs of maintaining the property for recreational purposes. Emery County, upon receipt of the funds shall pay the said amount directly to the Recreation Special Service District. The District agrees to use the funds solely for the purpose of maintaining or improving the property. An inter-local agreement has been prepared by Attorney David Blackwell to facilitate the exchanging of the funds. Commissioner Ira Hatch made a motion to approve an inter-local agreement between

COMMISSION MEETING MINUTES  
DECEMBER 2, 2003

Emery County and Emery County Recreation Special Service District regarding Little Bear Campground ROW. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**KATHLEEN TRUMAN, CONSIDERATION OF LETTER OF SUPPORT FOR GRANT APPLICATION FOR RESTORATION OF EMERY CHURCH.**

Kathleen Truman, State History/Emery County Archives made a request for a letter of support for a grant application for restoration of Emery Church. In the last Commission Meeting Ms. Truman was instructed to return to the Commission when the application was prepared and the level of support was identified. The application process is now ready to be submitted. A letter of support from the governing board of the county in support of the project must accompany the application. Commissioner Ira Hatch made a motion to write a letter of support to accompany the application for restoration of Emery Church. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**EMERY COUNTY CHAMBER OF COMMERCE REQUEST FOR DONATION TO ANNUAL SENIOR CITIZENS CHRISTMAS DINNER/PARTY.**

Sharon Earl representing the Emery County Chamber of Commerce made a request for donation to the annual Senior Citizens Christmas Dinner/Party. Emery County as part of the Senior Citizen program in years past had sponsored a Thanksgiving Dinner for the Senior Citizens. The Chamber Of Commerce also had a Christmas Dinner for the Senior Citizens. It was suggested to have the Chamber of Commerce and Emery County co-sponsor a Christmas Dinner/Party and Emery County could possibly sponsor a social in the spring. Commissioner Gary Kofford made a motion to contribute whatever was budgeted this year for the dinner and to contact the Chamber of Commerce with an amount. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Sharon also showed the Commissioners a copy of a directory that the Chamber of commerce would like to produce. The first five pages of the directory would be devoted to the County, its offices, officials, what each office does. She asked the Commissioners to consider an ad in the directory to help with the publishing. They plan to produce 3000 copies to be sent to prospective businesses looking to locate in Emery County. The deadline is February 15, 2004 to place an ad in the directory. They hope to have them out by March 2004.

She reminded the Commissioners of their membership drive currently going on. Emery County is a contributing member of the Chamber of Commerce. Commissioner Kofford asked that they

COMMISSION MEETING MINUTES  
DECEMBER 2, 2003

get the statement in as soon as possible for membership renewal in 2004 as the dollar amount of the dues must be plugged into the budget for 2004.

(5)

**KRIS BELL, REQUEST COMMISSION TAX ABATEMENT FOR FRANK BURGESS AND GREEN RIVER CITY.**

Deputy Assessor, Nadine Thompson presented Commissioner's Adjustment requests for the following:

Parcel #01-154A-0023 is now owned by Green River City and they would like their taxes abated.

The amount requested to be abated was \$54.14. Commissioner Gary Kofford made a motion to abate 50% of the requested amount for Green River City in the amount of \$27.07. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Parcel # 01-0152-0015 owned by Gregory Vetere came over from Grand County with the incorrect amount of acres because of a segregation. The amount requested to be abated was \$126.97. Commissioner Gary Kofford made a motion to abate the requested amount of \$26.97 for Gregory Vetere. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Parcel #02-0116-0014 owned by Frank Burgess was land acquired in 2000 that was in green belt. The new owners were sent green belt applications but failed to file for green belt for two years. They are asking to have the roll back taxes in the amount of \$313.09 abated. Commissioner Gary Kofford made a motion to decline the request to abate the roll back taxes in the amount of \$313.09 for Frank Burgess. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL TO RENEW LEASE WITH MBA FOR COURTS COMPLEX AND AUTHORIZE CHAIRMAN TO EXECUTE THE NECESSARY DOCUMENTS.**

Commissioner Ira Hatch made a motion to approve and renew the lease with MBA for courts complex and authorize Commission Chairman, Drew Sitterud to execute the necessary documents. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**AVATOR CORPORATION, PRESENTATION OF PROPOSAL TO DO UTILITY  
AUDITING FOR EMERY COUNTY.**

Avator Corporation withdrew their request.

**(8)**  
**CONSIDERATION OF LETTER OF REQUEST TO CASTLE DALE CITY FOR  
ZONING CHANGE FOR HEADSTART.**

A few months back Head Start representatives came before the Board of Commissioners to request leasing the old sheriff's building to locate the Head Start program. At that time the Board of Commissioners had not made a decision as to the use of that building and questioned if the zoning would allow for a school. Head Start representatives met with Castle Dale Planning and Zoning Board to request a change of zoning to allow for a school. The request was denied. Emery County owns the building and therefore must make the request for a change in zoning. Head Start representatives Janel Boyer and Michelle Cornett discussed with the Commission the needs of the Head Start. Janel indicated that the Planning and Zoning Committee for Castle Dale City stated that the request for change in zoning must come in writing from Emery County. Commissioner Kofford indicated he was in favor of having Head Start lease the building. He suggested getting the zoning cleared and then everyone can sit down and hammer out an agreement. Commissioner Ira Hatch made a motion to go ahead and petition Castle Dale City Planning and Zoning for a change in the zoning to have it used as a school. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**RATIFICATION OF ADVERTISING FOR FOUR CORNERS MENTAL HEALTH  
BOARD MEMBER REPRESENTING THE EASTERN SIDE OF EMERY COUNTY.**

Four Corners Mental Health informed the Board of Commissioners that they are a non-profit private organization and they can appoint board members without going through the Emery County Commissioners. They will advertise for board members on their own. Commissioner Gary Kofford made a motion to not advertise for a board member for Four Corners Mental Health. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND**

6

COMMISSION MEETING MINUTES  
DECEMBER 2, 2003

**DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #158878 through and including #159113 for payment.

There were no requisitions or dispositions.

Commissioner Hatch reminded the departments that all spending should end for 2003. The only claims coming in should be utilities and credit cards.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and additional claims for payment. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Bret Mills, Communications has been working under the Bello Plan of the Fair labor Act. This is an agreement between an employer and employee with regard to overtime. After review of his time sheets it was suggested to take Brett off the Bello Plan. His wage would remain the same and he would be paid for the overtime. Commissioner Ira Hatch made a motion to approve removing Brett Mills from the Bello Plan effective December 8, 2003. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**CITIZEN CONCERNS**

No concerns were expressed at this time.

**(13)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated November 18, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)**

**COMMISSION REPORTS***Commissioner Sitterud*

Commissioner Sitterud and Commissioner Kofford were at the Capitol last week where they met with the new Governor and Lt. Governor. The meeting was about mineral lease money and the problems the producing counties see regarding lost money to MMS. All of the producing counties will be meeting together in Price next week to identify what money they think they are missing. One of the problems brought up was that Carbon and Emery county are paying every penny that goes into the Constitutional Defense Fund at this time. They asked for help with the problem. They agreed to assign a point man, Randy Johnson over the matter to see he can help us out. Uintah County Commissioner brought up the fifteen wells that Governor Leavitt, as he left, wrote a protest about. Governor Walker signed the bill. They asked her to override the bill and do away with the bill. She wanted to leave it where it was at. Commissioner Sitterud felt it was a good meeting. It was worth their time to go and air some things. Blaine Luke, State Parks in Green River for thirty years is retiring. There will be an open house for Blaine at the John Wesley Powell Museum in Green River at noon on Thursday, December 4, 2003. Saturday, December 6, 2003 Chevron/Texaco will introduce their traveling dinosaur exhibit at the Museum of the San Rafael from 5:30 until 7pm. The dinosaur exhibit will then travel to schools throughout Utah.

*Commissioner Hatch*

Commissioner Hatch reported on a recent UDOT State Board Meeting held in Castle Dale. They were able to inform UDOT of some of the County's transportation issues especially Highway 6 and Highway 10. Commissioner Kofford made a presentation regarding the intersection at Hunter Plant. There are plans being worked on now to make that intersection a safe passage.

*Commissioner Kofford*

Commissioner Kofford expressed his appreciation to Search and Rescue team and their efforts of the last two weeks. The rescue in Chute Canyon was on the news again. We have a lot of exceptional people who volunteer their time to help. It is not always recognized and he wanted to express the Commissions gratitude to the Sheriff and the Search and Rescue Team for all that they do.

**(15)****EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

8  
COMMISSION MEETING MINUTES  
DECEMBER 2, 2003

An Executive Session was not needed.

**(16)**  
**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 16, 2003

Present at the meeting was Commissioner Ira Hatch, Commissioner Gary Kofford, Sheriff LaMar Guymon, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Drew Sitterud was absent from the meeting. Commissioner Ira Hatch conducted the meeting and stepped down to negotiate motions.

A prayer was offered by James Nielsen. The pledge was led by Ray Petersen.

(1)

**AVATOR CORPORATION, PRESENTATION OF PROPOSAL TO DO UTILITY AUDITING FOR EMERY COUNTY.**

Chris Hatch, Avator Corporation returned to Commission Meeting with a new contract for services to do utility auditing for Emery County. He explained that he will only search out historical errors back for twenty-five months. He will not look at any future savings. Clerk/Auditor Bruce Funk relayed that he had recently been contacted by another company interested in providing this service who wanted to go back two years plus three years into the future. This other company declined to bid on the service but recommended going with Avator Corporation because of their terms and the Commission's desire to not go into any future savings. The only cost to the County would be to split 50/50 any savings found. Commissioner Gary Kofford made a motion to give Avator Corporation an opportunity to see what they can find and to approve the agreement based on Attorney David Blackwell's review and approval of the agreement. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF FY2004 OPERATING PLAN FOR LAW ENFORCEMENT AGREEMENT BETWEEN EMERY COUNTY AND MANTI-LASAL NATIONAL FOREST.**

Sheriff Guymon indicated that this is the same contract as last year with the exception of changing the mileage reimbursement to the new years rate of 37.5 per mile. Commissioner Kofford made a motion to approve the contract FY2004 Operating Plan for Law Enforcement between Emery County and Manti-LaSal National Forest crossing out the mileage reimbursement amount of 36.5 changing it to 37.5. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(3)****CONSIDERATION AND APPROVAL OF RESOLUTION APPROVING AND AUTHORIZING THE EXECUTION OF AN AMENDED INTERLOCAL AGREEMENT WITH OTHER MEMBERS OF UTAH ASSOCIATION OF COUNTIES INSURANCE MUTUAL, RELATING TO THE ESTABLISHMENT, FUNDING AND OPERATION OF UTAH ASSOCIATION OF COUNTIES INSURANCE MUTUAL.**

Commissioner Ira Hatch made a motion to ratify and approve changes voted on in membership meetings at Utah Association of Counties Convention in November 2003 by approving Resolution 12-16-03A. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)****DISCUSSION AND APPROVAL OF CURRENT TAX LATE PENALTY REQUESTS.**

Treasurer, Steve Barton made the following request:

1. Ferron City purchase property for a new fire station in October, 2003. The property tax notice was sent to the former owners of the property. The taxes were not taken care of at the sale of the property by the previous owners. Ferron City asked to have the property tax in the amount of \$375.76 abated. Mr. Barton proposed abating 50% of the tax as had been done in previous cases on municipalities purchasing property from taxpayers. Commissioner Gary Kofford made a motion to abate 50% of the tax in the amount of \$187.88. The motion was seconded by Commissioner Ira Hatch and approved by all members present.
2. A taxpayer in Green River who said he did not receive his tax notices called on December 2, 2003 and asked for the amount of taxes and mailed the payment in. The taxpayer asked to have the penalty and interest abated for property in the name of Shanti, Inc. in the amount of \$221.94 and L.A.L. Inc. in the amount of \$29.93. Mr. Barton recommended to not approve the request because the taxpayer was familiar with the process and he assumed the tax notices were received because they were not returned to his office as undeliverable. Commissioner Gary Kofford made a motion to deny the request to abate the penalty and interest for the two properties discussed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.
3. Mr. Barton advised the Commissioners that the delinquent tax list will be published in the Emery County Progress December 30, 2003 edition. His office has notified those on the list and have given them a chance to eliminate their name from the list.

**(5)**

**CONSIDERATION AND APPROVAL OF AGREEMENT TO PROVIDE AND MAINTAIN E911 SERVICE THROUGHOUT EMERY COUNTY.**

Commissioner Kofford and David Blackwell met with Emery TelCom to clear up some outstanding bills and review the agreement to provide and maintain E911 service in Emery County. Attorney David Blackwell has reviewed the agreement and recommended signing the document. Commissioner Gary Kofford made a motion to approve the agreement with Emery TelCom to provide and maintain E911 service in Emery County. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

They discussed the need to update the E911 equipment. The state is looking at going to a statewide E911 service program. If this goes through then the County will be eligible for funds to help with the cost of replacing the existing system. If the program does not go through they could possibly look at a homeland security grant to obtain needed funds to do the upgrade.

(6)

**DISCUSSION OF ENCROACHMENT PERMIT FOR ENERGY WEST ON COUNTY ROAD #426-HUNTER /PRICE ROAD.**

Rex Funk, Road Department explained that in order to expand the coal blending facility at the Hunter Plant it is necessary to relocate the road. They have been through the planning process and received approval through the Planning and Zoning process. They have the designs in place. Dennis Oakley, Energy West explained that EW needed a right-of-way through a land owners property. The land owner was not willing to negotiate for the right-of-way. EW has ended negotiations with the property owner and now seeks an encroachment permit to go around the land owners property. Commissioner Gary Kofford made a motion to grant an encroachment permit to Energy West to do the whole project for that portion relative to the coal hauling facility. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**REQUEST APPROVAL TO BID LANDFILL COMPACTOR.**

Rex Funk, Road Department made a request to go out to bid to rebuild the compactor at the landfill. There are seven companies that do this type of repair. He asked to send out requests for bids to these businesses including a break down of approved repairs adding that anything over and above the repairs listed on the bid request would have to be approved by Rex Funk and Commissioner Kofford before work can begin. Commissioner Gary Kofford made a motion to give Rex Funk approval to advertise for bids to repair the landfill compactor. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

COMMISSION MEETING MINUTES  
DECEMBER 16, 2003

Rex Funk discussed options for disposing of the crimp machine that was not purchased during the County Auction. Commissioner Ira Hatch made a motion to allow Rex to solicit bids to purchase the crimp machine. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**APPROVAL TO ADVERTISE FOR HUNTINGTON AIRPORT MANAGER.**

Commissioner Hatch explained that the Huntington Airport manager Troy Atwood has given his sixty days notice of intent to terminate his contract with the County as of December 1, 2003. Commissioner Ira Hatch made a motion to advertise for a Huntington Airport manager. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**APPROVAL TO ADVERTISE FOR BOARD MEMBERS ON EMERY WATER CONSERVANCY DISTRICT.**

Emery Water Conservancy District has board members whose terms will be up December 31, 2003. Lee McElprang from the north, Jack Curtis from central and Tracy Behling from the south. Commissioner Gary Kofford made a motion to advertise for board members to serve on the Emery Water Conservancy District. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**APPROVAL TO ADVERTISE FOR BOARD MEMBERS ON THE PUBLIC LANDS COUNCIL.**

Public Lands Council has board members whose terms will end December 31, 2003. Craig Johansen, Vernell Rowley, Kirk Johansen and two empty spots. Commissioner Gary Kofford made a motion to advertise for five board members to serve on the Public Lands Council. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**PUBLIC HEARING-5:30 PM- To receive public comment on amendments to FY2003 budgets for the Emery County General Fund, Special Revenue Funds, Capital Project Funds, and for the Castle Valley Special District.**

Commissioner Ira Hatch opened the public hearing.

COMMISSION MEETING MINUTES  
DECEMBER 16, 2003

Senior Deputy Clerk/Auditor Brenda Dugmore presented amendments to the 2003 budget for the Emery County General Fund, Special Revenue Funds and Capital Projects Funds. She explained that this is to clean up the year. Darrell Leamaster presented amendments to the Castle Valley Special Service District's capital project fund.

Commissioner Gary Kofford made a motion to move out of the public hearing.

(12)

**PUBLIC HEARING-6:00 PM- To receive public comment on Fy2004 budgets for the Emery County General Fund, Special Revenue Funds, Capital Project Funds, and for the Castle Valley Special Service District.**

Commissioner Ira Hatch opened the public hearing the receive comments on the 2004 budget.

Senior Deputy Clerk/Auditor Brenda Dugmore presented the 2004 budget for the General Fund, Special Revenue Funds and Capital Project Funds. Explained that the 2004 budget included a 2% merit increase for all employees and elected officials. The figures also included an anticipated 8% increase in insurance.

Darrell Leamaster, Castle Valley Special Service District presented their 2004 operation and maintenance budget, capital project budget and debt service budget. He explained that water and sewer rates have remained the same for twenty-five years. CVSSD proposed a \$3.00 increase for water and \$3.00 increase for sewer. They will have to hold public hearings and receive public comment for the raise in rates. They hope to have the new rates in place by July 1, 2004. They have included the anticipated new revenue in their budget.

Commissioner Gary Kofford made a motion to come out of the public hearing. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO FY2003 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS, AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Gary Kofford made a motion to approve Resolution 12-16-03B Amendments to FY2003 Budgets for the Emery County General Fund, Special Revenue Funds, Capital Project Funds and for the Castle Valley Special Service District. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

COMMISSION MEETING MINUTES  
DECEMBER 16, 2003

**CONSIDERATION AND APPROVAL OF FY2004 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Gary Kofford made a motion to approve Resolution 12-16-03C FY2004 Budgets for the Emery County General Fund, Special Revenue Funds, Capital Project Funds and for the Castle Valley Special Service District. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(15)

Break	Friday	12-24-04

Commissioner Gary Kofford made a motion to approve the Commission Meeting Schedule and Holiday schedule for 2004 as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**DISCUSSION AND APPROVAL OF MILEAGE RATE FOR 2004.**

Commissioner Hatch explained that historically the County adopts whatever the IRS has set as the mileage reimbursement rate. The rate is currently at 36.5. The IRS rate for 2004 is 37.5. Commissioner Gary Kofford made a motion to adopt the IRS rate of 37.5 for 2004. The motion was seconded by Commissioner Ira Hatch and approved by all members present..

**(17)****CONSIDERATION AND APPROVAL OF AGREEMENT WITH ROBERT K. WEIDNER.**

Commissioner Hatch explained that Robert K. Weidner is the lobbyist for UAC in Washington, DC currently under contract with Emery County to lobby in the Legislature on Emery County's behalf. The contract under consideration asked for \$16,000.00 and for two years. The county had been paying, in the past, \$15,000.00 under a one year contract. Commissioner Gary Kofford made a motion to counter offer \$15,000.00 for a one year contract from January 1, 2004 through December 31, 2004. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(18)****CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH FOR GIS/DATA DEVELOPMENT FOR RS2477 RIGHTS-OF-WAY.**

Commissioner Hatch explained that the contract is for \$10,000.00 to continue the GIS Data development for RS2477 rights-of-way. This will continue the effort to map and verify RS2477 roads in Emery County. Ray Petersen, Public Lands Director indicated that this is the end of the funding for this project. The completion date is June 2004. Attorney David Blackwell has reviewed and approved the contract. Commissioner Ira Hatch made a motion to approve the contract with the State of Utah for GIS Data Development for RS25477 rights-of-way. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(19)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITION.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #159189 through and including #159349 for payment.

9

COMMISSION MEETING MINUTES  
DECEMBER 16, 2003

There were no requisitions or dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(20)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball presented the following personnel action:

**Recorder**

Doris Quinn has completed her six month orientation period. She is now eligible for an increase from Grade 4A \$8.04 to 5A effective December 22, 2003. Commissioner Gary Kofford made a motion to approve the routine increase for Doris Quinn as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(21)

**CITIZEN CONCERNS**

There were no citizen concerns.

(22)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated December 2, 2003 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(23)

(3)

**MARK H. WILLIAMS, REQUEST LETTER OF SUPPORT FOR ARAPEEN TRAIL/SAN RAFAEL SWELL SYSTEM**

Mark H. Williams made a presentation before the Board of Commissioners regarding a possible trail system linking BLM managed lands (San Rafael Swell Trail System) with the Arapeen Trail System. This trail system has been designed similar to the Piute Trail System. He will be meeting with the BLM soon and requested the Board of Commissioners support in the form of letter. After discussion Commissioner Gray Kofford made a motion to submit a letter of support for a possible trail system linking BLM managed lands (San Rafael Trail System) with the Arapeen Trail System that the board agrees with the concept of the proposal, but acknowledges many areas need to be evaluated and studied by the Public Lands Access Committee before they would endorse a trail system within county boundaries. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**CITIZEN CONCERNS**

Randal Stilson, Orangeville City Council member asked if the Board of Emery County Commissioners was ready to address some of the problems with the county animal control ordinance. He asked questions regarding the Zoning Co-ordinator and zoning changes. He also inquired as the status of the existing animal control building in Orangeville.

(5)

**CONSIDERATION AND APPROVAL OF AGREEMENT FOR PUBLIC DEFENDER SERVICES.**

Attorney David Blackwell indicated that the contract with David Allred for Public Defender services was the same as last year with the exception of a clause providing for insurance. Emery County will no longer provide insurance for Mr. Allred. Emery County will offer Cobra Insurance to him until he is able to obtain insurance elsewhere. Commissioner Gary Kofford made a motion to approve the contract with David Allred for Public Defender services for Emery County. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

COMMISSION MEETING MINUTES  
JANUARY 6, 2004

**NOTIFICATION OF EMERY COUNTY CARE AND REHABILITATION  
ADMINISTRATOR .**

Commission Chairman Drew Sitterud introduced and welcomed Jason Gingres as the new Emery Care and Rehabilitation Administrator. Jason is from Farmington. He is currently looking for a house so he can move his family here.

(7)

**REX FUNK, DISCUSSION OF COUNTY SNOW PLOW PROCEDURES.**

Road Supervisor, Rex Funk provided the Board of Commissioners with list of priorities and procedures for snow removal in Emery County.

He also asked for permission to begin looking for the one ton truck he has budgeted for in 2004.

(8)

**CONSIDERATION AND APPROVAL OF AGREEMENT FOR FAIR DIRECTOR.**

Commissioner Gary Kofford made a motion to approve the contract with Kathy Justice as Fair Director for 2004. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List #159582 through and including #159631 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
01-04	Ladder Sheriff/Jail	\$ 385.00	Approved
02-04	Cell Phone Highway/Replacement	175.00	Approved
03-04	Pams Remote Assessors Office (3) HP 2300 Printers	2,000.00 3,077.16	

COMMISSION MEETING MINUTES  
JANUARY 6, 2004

(25) P4 Optiplex Computers Capital Replacements	34,258.00	Approved
--	-----------	----------

One disposition was presented for a cell phone lost on crusher site.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims requisitions and dispositions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Requests for bids were sent out to rebuild the compactor at the landfill. Bids were due to the Clerk/Auditor's office by 5:00 pm on Monday, January 5, 2004. Three bids were received. Bruce Funk opened the bids as follows:  
Steve's Diesel, Helper bid \$25,028 with a completion date of February 17, 2004.  
Wheeler Machinery, Salina bid \$32,413.00 with a completion date of February 10, 2004  
Evolution, Cleveland bid \$78,775 with no completion date indicated.

Commissioner Ira Hatch made a motion to authorize Commissioner Gary Kofford to get with Rex Funk and Bruce Funk, review the proposals and award the contract based on the content of the bid. If the bids do not meet the requirements they will bring the proposals back to Commission Meeting for further consideration. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

GIS

Jeff Guymon requested approval to hire Sherman Miller temporarily, up to 90 days beginning January 5, 2004 and ending April 3, 2004. Sherman will be finishing up the addressing project. Commissioner Ira Hatch made a motion to approve hiring Sherman Miller for up to 90 days as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff

Robert Blackburn has successfully completed six months in his promoted position of Detective Sergeant and Sheriff Guymon recommends a one step increase effective the next pay period, January 19, 2004.

COMMISSION MEETING MINUTES  
JANUARY 6, 2004

Sheriff Guymon requested approval to hire Clayton Rue Bell as Dispatcher. This will help replenish the Office's workforce after the loss of Jeremiah Johnson.

Commissioner Ira Hatch made a motion to approve the one step increase for Robert Blackburn and new hire of Clayton Rue Bell as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

Jerilyn Mathis requested approval to increase Bonnie Day's hours from less than 20 hour per week to 32 hours per week which time will be shared equally between the Elmo Library and the Cleveland Library. This will not change Bonnie's classification as Assistant Librarian, nor will it change her wage but she will be eligible for prorated benefits. The change will become effective the next pay period, January 19, 2004.

Request was made to promote Flora Motte from Assistant Branch Librarian at the Cleveland Library to Branch Librarian at the Huntington Library as a result of Geraldine Mortensen's retirement. She will be eligible for full benefits. The promotion will become effective on the next period, January 19, 2004.

Becky Jewkes is Assistant Librarian at the Ferron Library. She has completed her six-month orientation period and Jerilyn Mathis recommends a one step increase for her which will become effective the next pay period, January 19, 2004.

Huntington Branch Librarian, Geraldine Mortensen has submitted her letter of intention to retire. Her termination date is January 15, 2004. Her retirement date is January 16, 2004.

Commissioner Gary Kofford made a motion to approve increasing Assistant Librarian Bonnie Day's hours from less than 20 hours to 32 hours, promoting Flora Motte to Branch Librarian at the Huntington Library, a one step increase for Becky Jewkes and accepting the letter of intent to retire from Geraldine Mortensen with a termination date of January 15, 2004 and a retirement date of January 16, 2004 as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Ms. Snowball informed other elected officials of the workers compensation changes for 2004. Utah Association of Counties Insurance Mutual has changed to Utah County's Insurance Pool. The Insurance Pool provides the County's liability insurance. They will now be providing our workers compensation as well. Procedures and forms are just a little different. The dollar savings to the county is the reason for the carrier change.

(11)

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
JANUARY 6, 2004

Commissioner Ira Hatch made a motion to approve Commission Meeting minutes dated December 16, 2003 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**COMMISSION REPORTS**

*Ira Hatch*

Commissioner Hatch reported that Sue Jones, Senior Citizens Director has retired. He expressed the gratitude of the Commissioners for fine work she has done over the years. Advertisement went out to find a replacement for Sue. Interviews have been completed. Kelly Jo Nelson has been hired for Senior Citizen Director. This position is funded by different sources, Federal, State and County, which is managed by the Area Agency on Aging.

(13)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Ira Hatch made a motion to move into executive session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Present at Executive Session was Commissioner Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Personnel Director Pat Snowball, Lieutenant Bill Downard, and Clerk/Auditor Carol Cox.

They discussed possible litigation regarding a personnel matter.

Upon returning to regular Commission Meeting, Commissioner Ira Hatch made a motion to have the attorney proceed as instructed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

7

COMMISSION MEETING MINUTES  
JANUARY 6, 2004

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JANUARY 20, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**EMERY COUNTY TRAVEL BUREAU, REQUEST CONSIDERATION OF  
AUTHORIZING A RESTAURANT TAX IN EMERY COUNTY.**

Olive Anderson, Emery County Travel Bureau board member came before the Commission as a representative of the Travel Bureau and Green River City to request the consideration of authorizing a restaurant tax in Emery County. She stated that the purpose of the tax would be to help offset the impacts of tourism in Green River City. They estimated that approximately \$30,000.00 could be generated from the restaurant tax. Green River City is aggressively seeking ways to supplement the impact of tourist passing through the city. A restaurant tax would be one way the tourist would help to pay for that impact. The tax would not impact convenience stores that mostly sell fuel and offer a quick bite to eat as they go out the door described as immediately consumable food. It would not impact charitable organizations who sell food for fund raising purposes. It would only affect restaurants and fast food establishments where consumers are offered the meal to be eaten in the establishment or taken out. Carbon County as well as most of the counties in the state already have the restaurant tax which is one cent for every dollar of the meal. Throughout the state the tax is administered through the county travel bureaus. She has talked to other counties to find out how the program is administered. Who collects the money and does any of the money go to the state? There are still many questions to be answered.

The Travel Bureau proposes your strong consideration of authorizing a restaurant tax in Emery County. Commissioner Ira Hatch suggested taking the request under advisement and to bring it back as an agenda item if determined to proceed then to begin the process to authorize a restaurant tax in Emery County. She asked that after the Commission has considered this matter that they provide feedback and rationale to the Travel Bureau for their decision.

(2)

**MS. UNGERMAN, REQUEST DONATION FOR LEADERSHIP CONFERENCE.**

Ms. Ungerman did not attend the meeting.

(3)

**R.S.V.P. REQUEST DONATION FOR SENIOR AFFAIRS FAIR.**

Lauri Pitchforth, R.S.V.P. Coordinator introduced Lou Sanservero, President of their Advisory Council, Council members Marlin Gardner and Jan Bass. Lauri reviewed some of the projects that R.S.V.P. has been involved with this last year. They are planning a Senior Affairs Fair for February 19, 2004 at the Museum of the San Rafael from 1:00 to 5:00 p.m. The fair will promote health and well being, both physically, mentally and financially as well as a source of continuing education for senior citizens. They plan on having mini workshops with booths set up to receive additional information. She has talked to Maughn Guymon who will send someone to talk about emergency preparedness. Prescription Utah will be coming from Salt Lake. Utah Power and Light, doctors from our area, medical center, dentists, and many more. Lauri indicated that the reason she is here today is because R.S.V.P. is a non-profit organization and in order for them to do a project like this it is necessary to partner with other organizations. They have a limited income and feel that this a beneficial project for our senior citizens. She asked for a donation to help with this project. Commissioner Ira Hatch made a motion to contribute the standard \$250.00 donation to this worthwhile project. The motion was seconded by Commissioner Gary Kofford and approved by all member present.

(4)

**KENT LARSEN, REPRESENTING COG, DISCUSSION OF BUILDING INSPECTION PROPOSAL.**

Ferron Mayor Kent Larsen representative for Council Of Governments reported that they met a week ago in their regular meeting and discussed the need for a building inspector for every city. In this discussion Commission Kofford indicated to the mayors that the county would not be in favor of joining with the cities to provide a building inspector. The mayors felt like one way or another they will need to combine forces to provide a building inspector. There is no way that the cities can come up with the \$80,000.00 for a building inspector. They felt it would be in the best interest of the cities and the county if we could somehow come up a combined building inspector. They realize, as mayors, that there is a hurdle to overcome on funding. They requested the Commission be willing to set forth a task force to study this issue further. They felt that with members of the county and some of the mayors on the Council of Governments they could put together a very good task force to see if they could come up with some kind of fee structure to fund the program. One of the issues discussed was liability. The cities felt that a underlying clause could be written to each of the respective city's insurance company to cover the liability. Another issue was a uniform fee schedule for inspections so that one city does not charge more than another. Commissioner Gary Kofford made a motion to set up a task force to review the possibilities and see if we can come to a conclusion and come back to the Commission with a proposal. The motion was seconded by Commissioner Ira Hatch and approved by all members present. They discussed the structure of the task force. It was stressed

COMMISSION MEETING MINUTES  
JANUARY 20, 2004

that the mayor or appointed representative from each city must be on the task force as well as the Commissioners and some citizens at large. They discussed the need to have this in force by March 1, 2004.

**(5)**  
**CITIZEN CONCERNS**

Commissioner Gary Kofford asked to have a public hearing to gather input about substance abuse and mental health services. The hearing will be part of the regular scheduled Commission Meeting as close to 5p.m. as practical. The hearing would be held to review existing services, identify needs and gaps in services and provide a mechanism for public input and suggestions. They ask for the county's input would be helpful in creating a Emery County Area Substance Abuse and Mental Health Services. Commissioner Gary Kofford made a motion to set a public hearing for February 3, 2004 at 5p.m. to receive input regarding the creation of a substance abuse and mental health service in the Emery County area. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(6)**  
**STEVEN BARTON, REQUEST CONSIDERATION OF ABATEMENT OF PENALTIES AND INTEREST ON PROPERTY OWNED BY LEAH WORLD AND JACKETTE W. BREWER.**

Steve Barton, Treasurer discussed property owned by Leah World and Jackette W. Brewer. The property was being sold to Mark Evans making Leah World and Jackette W. Brewer the lien holders of the property. Mr. Evans is in bankruptcy. As soon as Ms. Brewer discovered Mr. Evans is in bankruptcy she made payment on the taxes which are now paid in full. She is appealing the penalties and interest which is \$249.63 interest and \$40.00 penalty for a total of \$289.63. The Board of Commissioners received a letter from the property owners requesting an abatement of the penalty and interest. Mr. Barton cautioned the Commission on precedence, that there are other taxpayers who could make an appeal such as this. Should she have inquired earlier if the taxes were paid? That is for you to decide. Commissioner Ira Hatch made a motion to abate 50% of the interest and penalty. The motion was seconded by Commissioner Gary Kofford and approved by all member present.

**(7)**

**CONSIDERATION AND APPROVAL OF LETTER OF AGREEMENT BETWEEN  
FOUR CORNERS COMMUNITY BEHAVIORAL HEALTH, INC. AND EMERY  
COUNTY FOR DRUG COURT.**

This is the same contract as last year. The contract is for \$63,073.00 that Four Corners will pay Emery County to operate a Drug Court program. The funds will be distributed quarterly. Commissioner Gary Kofford made a motion to approve the agreement with Four Corners Community Behavioral Health, Inc. as presented. The motion was seconded by Commissioner Ira Hatch upon approval from Attorney David Blackwell and approved by all members present.

**(8)**

**RATIFICATION OF BID AWARD FOR COMPACTOR REPAIRS.**

In the last Commission Meeting bids were opened for repair of the compactor at the landfill. At that time Steve's Diesel was the low bidder. When Steve was contacted he miss bid the repair and added \$4,000.00 to his bid. A letter was written to Steve indicating that Emery County would not negotiate on the bid amount and that we would decline his bid. Authority was given to Commissioner Gary Kofford, Rex Funk and Bruce Funk to determine the outcome of the bid award. After consideration it was decided to reject Steve's Diesel's bid and award the bid to the second lowest bidder which was Wheeler Machinery. Commissioner Gary Kofford made a motion to award the bid to Wheeler Machinery. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)**

**RATIFICATION OF ADVERTISING FOR WEED/MOSQUITO BOARD VACANCY.**

There are two vacancies on the Weed and Mosquito Board. The recent death of Richard Snowball left a vacancy on the north end of the county. Mr. Silliman has moved from Green River and has therefore resigned from the board. James Nielson, Weed and Mosquito has indicated that one board member from Green River is all that is needed therefore the vacancy in Green River does not need to be filled. Commissioner Ira Hatch made a motion to advertise for applications to fill the board vacancy of the Weed and Mosquito Board from the north end of the county. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**REQUEST TO ADVERTISE FOR BOARD MEMBER ON THE EMERY COUNTY TRAVEL BUREAU.**

The term is up for Travel Bureau board member LaMar Guymon from the western part of the county. Commissioner Ira Hatch made a motion to advertise to fill a vacancy on the Emery County Travel Bureau from the western side of the county. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**REQUEST TO ADVERTISE FOR BOARD MEMBERS FOR EMERY COUNTY PLANNING COMMISSION.**

Terms have expired for Mike McCandles and Glenys Sitterud. Commissioner Gary Kofford made a motion to advertise to fill board member vacancies on the Emery County Planning Commission. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**RATIFICATION OF UTAH EMERGENCY MEDICAL SERVICES GRANT.**

Commissioner Gary Kofford made a motion to ratify approval of Utah Emergency Services Grant. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF GRANT PROPOSALS FOR REPAIR OF SWINGING BRIDGE AND MICROFILMING REGIONAL RECORDS.**

Kathleen Truman discussed two grant proposals for consideration by the Commission. She proposed a grant proposal for repairs to the Swinging Bridge on the San Rafael Swell. The bridge is becoming dangerous but it is considered a historical structure. Holes on the deck have previously been repaired but is in need of other more intensive repairs. Kathleen discussed a grant to do the repairs on the bridge. The grant was for \$5,000.00. She indicated that the grant proposal may involve assistance from the county and road department.

Rex Funk indicated that the bridge was not structurally sound. He suggested the bridge be fenced off to keep people off of it to avoid a liability problem. He felt the repairs would be much more than \$5,000.00.

COMMISSION MEETING MINUTES  
JANUARY 20, 2004

Sylvia Nelson, Historical Society suggested that there may be funds available through other means to assist in the repair to the bridge. She was in favor of doing the repairs and keeping the bridge open to the public as it is a well know landmark in the county to many local citizens and visitors to the area.

Commissioner Ira Hatch made a motion to give approval to proceed with the application process for the grant, to do the planning and make a determination as to what needs to be done to bring the bridge up to safe standards for the public. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Kathleen also discussed a grant proposal to do microfilming of regional records for \$3,000.00. This would be with the cooperation of the State Archives. The grant is being offered to Emery County because we are one of four counties with functioning county archives. Many of the cities and districts are hesitant to send their records in to the state archives but may not be opposed to bringing them to the courthouse for microfilming. Commissioner Ira Hatch made a motion to give approval to proceed with the grant application process for microfilming of regional records. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**DISCUSSION OF NEED TO SCHEDULE COURTHOUSE ROOMS FOR MEETINGS.**

Commissioner Sitterud asked that anyone needing to use a room in the courthouse for a meeting should schedule the room through Leslie Bolinder in the Commission Office.

**(15)**

**DISCUSSION OF THE REQUEST TO RELEASE EMERY COUNTY OVERALL SALES INFORMATION FOR BROAD MARKET PLAN OF CASTLE VALLEY.**

Commissioner Sitterud received a phone call from DeLynn Fielding in Carbon County. Price City is doing a marketing plan to see what sales tax actually reaches the county. They hired a consultant based on population base. They expanded the study to include Carbon County rather than just Price City. The call from Mr. Fielding indicated that they still had population money left. Would Emery County like to be included in the study and they would include the whole region? Price City is footing the bill for this. All Emery County would get is a study of the region, the Castle Valley area. The information would be of benefit to Economic Development and would identify the amount of retail and or manufacturing business being lost to Utah County. Emery County will need to release our sales tax information. We will need to write a letter to the State Tax Commission asking them to release the information to the consultant conducting the study. Commissioner Gary Kofford made a motion to write a letter to the State

COMMISSION MEETING MINUTES  
JANUARY 20, 2004

Tax Commission to release the sales tax information as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(16)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented the Warrant Check Edit List # 159740 through and including #159882 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
08-04	2004 Ford F360 Ambulance Ambulance	98,600.00	Approved

One disposition was presented for a Hoover vacuum Cleaner from Ferron Library.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, requisitions and dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

Sheriff

Approval was requested to move Jeff Newland from Corrections Officer to Patrol Deputy. Jeff is currently performing patrol duties. The action would be effective the beginning of the next pay period, February 2, 2004. Commissioner Gary Kofford made a motion to approve moving Jeff Newland to Patrol Deputy as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Public Defender

The Public Defender contract with David Allred was approved in last Commission Meeting. Attorney David Blackwell explained that there was a conflict with the amount allowed for insurance apparently the figures used were for last years insurance amount of \$976.00 per month

COMMISSION MEETING MINUTES  
JANUARY 20, 2004

which have gone up to \$1,112.00 per month for a family. Commissioner Gary Kofford made a motion to have the county absorb the difference in the two monthly insurance amounts for two months to allow time for Mr. Allred to acquire insurance elsewhere. Beyond the two months he will have to pay the full \$1,112.00 per month for insurance. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(18)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated January 6, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(19)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford discussed a problem that has developed at the Huntington Library. The men's restroom linoleum bubbled. Dennis Fuller, Castle Valley Maintenance tore the flooring out to see what the problem was. Apparently water condensation from the furnace in the flooring was causing water to build up. Dennis called a few places to get assessments for repairs. Commissioner Kofford proposed getting those individuals who provided the assessments together and get a verbal determination of how to proceed with making the repair. Pat Snowball indicated that she will need some information to send to the county's insurance to help compensate for the cost.

Legislature session started this week. He suggested that everyone keep track of bills before the legislature. You should look at how the bill will affect you. If you have concern for a particular bill contact a commissioner. He expressed concern for the way Governor Walker's budget is shaping up. She is looking for money to put into education. She is looking at Class B Road Funds.

*Commissioner Hatch*

COMMISSION MEETING MINUTES  
JANUARY 20, 2004

Commissioner Hatch and Commissioner Kofford traveled to Green River to meet with the conservation working group that approves practices and pay scale. He met with the Emery County Travel Bureau in their regular meeting on Monday. Olive Anderson was voted Vice Chairman of the Travel Bureau. They discussed the Restaurant Tax as she presented today. He reminded them that if the county does get into the restaurant tax that it will be a county tax, not just for Green River City. They are in their budgeting process. He cautioned them to make disbursements from the transient room tax on a quarterly basis because that is the way the funds come in to the county.

He reported that the Society for Range Management International Convention will be in Salt Lake City Monday through Thursday of next week. Commissioner Hatch is on the committee that host tours for the convention.

He reported on Council of Governments meeting held last week. He attended a SITLA meeting. He reiterated to the committee that if they do anything with regard to land exchanges in Emery County that the Commission wanted to be informed up front.

*Commissioner Sitterud*

Commissioner Sitterud reported that the new nursing home director is functioning at the nursing home and doing a great job.

The new web pages are being set up through Jeff Guymon. Jeff will have some lunch meetings where he will instruct the offices on how to maintain their own web page.

There was a meeting last week on mineral lease money. The group is a little hesitant to bring up mineral lease at this time because the Governor is looking to take money from somewhere. Randy Johnson is our point man for mineral lease funds.

Thanks to Jordan Hatch we have been able to procure a seat for cattlemen on the DWR helicopter fly by for Elk count. They have competed the fly by from Salina Canyon to Lake Fork.

Access Committee met last week. They are going over every road in the county. They determine when the road was built, how, by whom, its use, etc. It is a slow and tedious process. But it is a worthwhile and beneficial effort.

10  
COMMISSION MEETING MINUTES  
JANUARY 20, 2004

**(20)**  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

**(21)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 3, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A prayer was offered by LaMar Guymon. The pledge was led by Darrell Leamaster.

(1)

**CONSIDERATION AND APPROVAL OF RESOLUTION AUTHORIZING THE SALE AND ISSUANCE OF APPROXIMATELY \$1,273,300 OF CASTLE VALLEY SPECIAL SERVICE DISTRICT GENERAL OBLIGATION PUBLIC PURPOSE BONDS, SERIES 2004A; AND PROVIDING FOR RELATED MATTERS.**

Kent Michie, Zions Public Finance and Darrell Leamaster, Castle Valley Special Service District requested to have a resolution passed to approve the sale of bonds in the amount of \$1,273,300.00 from the State of Utah through the Community Impact Board. Along with the bond they received a grant in the amount of \$636,700.00. The total of the bond and the grant comes to \$1,910,000.00. This money will be used for street projects. 45% of the money will go towards construction of new streets. 25% of the money will be used for curb and gutter projects. Storm drains and sewer projects, small culinary water line extension and a secondary irrigation project will take the balance of the money. Kent Michie reviewed the terms of the bonds. The bonds will be sold to the State of Utah and are part of the voter approved tax levy on property taxes. The interest rate is 2.5%. They are general obligation bonds payable by property taxes. Darrel explained that the funds are melded into the repayment structure of the budget and taxes will not have to be raised to repay the bonds. Resolution 2-03-04 was presented for approval to authorize the sale and issuance of approximately \$1,273,300.00 of Castle Valley Special Service District general obligation public purpose bonds series 2004A and provides for related matters. The resolution authorizes officers to sign the final documents at closing on March 17, 2004. The resolution lays out all of the details of the bond, the amortization of payments, etc, and provides for the publication of a notice of bonds to be issued which will be published in the Emery County Progress inviting any protest from citizens as to the process. Mr. Michie recommend the approval of the resolution. Commissioner Gary Kofford made a motion to approve Resolution 2-03-04 authorizing the sale and issuance of approximately \$1,273,300.00 of Castle Valley Special Service District general purpose bonds, Series 2004A and providing for related matters. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**MESIA NYMAN, FOREST SERVICE QUARTERLY REPORT.**

Mesia was not able to attend the meeting.

(3)

**DERRIS JONES, DWR, QUARTERLY REPORT.**

Derris Jones, DWR introduced Wade Paskett Damage Specialist for DWR. Derris provided the following quarterly update:

➤ He thanked Emery County and particularly the Sheriff's Department for their response in the recent death of BLM Conservation Officer Jon (Kip) Draper.

➤ DWR is busy putting together mitigation projects. Coalbed methane, wells that are put in on critical winter range pay into a mitigation fund. Some of the projects are in the planning stages at this time. They have a fifty acre pinion-juniper push south of Mohrland probably on SITLA land. Also at Poison Springs a five hundred acres hydro-ash treatment of young pinion-juniper. Another pinion-juniper push at Buzzard Bench primarily for deer.

➤ They had a wild fire at Range Creek on the Wilcox Acquisition. There is about two hundred twenty acres that they will need to be-seed.

➤ Fall and winter is typically their survey time. He provided a spreadsheet showing the two desert units that they surveyed for big horn sheep.

➤ They have completed their winter elk aerial survey on the Manti and Range Creek Units. He provided a spreadsheet showing the survey of these two units.

➤ Wildlife; they transplanted turkeys into Range Creek. Deer; they are hopeful of turning the numbers around on the deer. The remainder of the winter will be the key now.

➤ Outreach Section, there will be an annual Bald Eagle day at Desert Lake on February 7, 2004 from 9 am until 3 pm.

➤ Aquatics; construction of a fish trap at duck fork reservoir acquisition is out for bid now. It will probably remain open until June. They released five thousand tiger trout last fall. Colorado Cutthroat will be catch and release.

➤ Joe's Valley, the funding has been approved for a low water boat ramp. A \$190,000.00 total package grant with \$126,000.00 Wallet Bro money, which is an excise tax on motor boats, fuels for motor boats, etc. with other funds coming from Parks and Recreation and Emery County.

➤ This spring they will start their Burrio Toad work again. They did find one burrio toad on North Horn. They have traps set out to see if there is more than one there.

➤ They plan to gill net Joe's Valley and Millsite around mid May. An annual program to keep track of what is going on with the chubs.

➤ They have habitat projects planned for Rigley Reservoir and Mary's Lake. They are trying to secure some funding for those projects.

COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

➤ Law Enforcement, they had a fairly quiet fall. Recently, however they made a case on Poison Springs during the cow hunt. They found a buck with its' head cut off in Huntington Canyon. Someone found eight elk dead between Ferron and Emery. It looked like a thrill killing nothing was taken. They have articles in the paper asking for information to help solve these cases.

➤ He read a letter from Kevin Conway, Division Director. A check was presented for \$2,751.31 for 2003 contractual in-lieu tax payment on land the Division of Wildlife Resources owns in Emery County. The money used to pay the in-lieu tax is provided by sportsmen.

**(4)**  
**PAT GUBBINS, BLM, QUARTERLY REPORT.**

Pat was not able to attend the meeting.

**(5)**  
**KRISTA UNGERMAN, REQUEST FOR DONATION TO LEADERSHIP CONFERENCE.**

Krista Ungerman requested financial assistance to attend a leadership conference in Pennsylvania. Commissioner Ira Hatch made a motion to contribute \$50.00 to Krista to assist her in attending the conference. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**  
**BID OPENING FOR CRIMP MACHINE, CONSIDERATION AND APPROVAL OF BID AWARD.**

The Board of Commissioners advertised for two weeks the sale of the crimp machine from the road department. The machine was not sold during the surplus property sale in October as no bids were received for the minimum sale price. Two bids were received. Jim Sherman offered \$260.00 and Priam Young offered \$525.00. Priam Young was the high bidder. Commissioner Ira Hatch made a motion to award the bid to Priam Young for \$525.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**

**DISCUSSION AND APPROVAL OF UTAH STATE TAX COMMISSION ORDER TO REIMBURSE UNITED PARCEL SERVICE.**

Several years ago, Emery County was informed that UPS had overpaid personnel property tax. They have sent a letter requesting payment of the overpayment. Treasurer, Steve Barton has figured the amount owed by the different entities and will inform them of the amount they owe to UPS. Commissioner Gary Kofford made a motion to make payment of the amount Emery County owes for the overpayment. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**  
**CITIZEN CONCERNS**

Rex Funk as chairman of the Loss Prevention/Risk Management Committee reported on a need to bring the Elmo Library entrance into compliance with the ADA. Commissioner Gary Kofford made a motion to place the situation under the Library and he will see that the Library is brought into compliance. The motion was seconded by Commissioner Ira hatch and approved by all members present.

Also Commissioner Ira Hatch made a motion to appoint Lee McElprang, Ross Hinkins and Tracy Behling to the Emery Water Conservancy District Board. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The motion will be ratified in the next Commission Meeting.

Commissioner Gary Kofford made a motion to leave regular Commission Meeting and open the scheduled Public Hearing. Commissioner Drew Sitterud stepped down to second the motion, Commissioner Ira Hatch was detained for a few seconds. The motion was approved by all members present.

**(9)**  
**5:00 PM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON SUBSTANCE ABUSE AND MENTAL HEALTH NEEDS AND SERVICES IN EMERY COUNTY.**

Commissioner Gary Kofford explained that the purpose of the Public Hearing was to hear what residents think about substance abuse and mental health needs and services. Utah law designates the County Commission as the substance abuse and mental health authority for Emery County. The County provides substance abuse and mental health services in collaboration with Carbon

COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

and Grand Counties through a sole-source contract with Four Corners Community Behavioral Health, Inc. Each year by March 1<sup>st</sup>, the Commission is required to submit an annual substance abuse and mental health plan to the state. This plan is developed for the Commission's approval by Four Corners based on the county's needs and available funding. Public input on Emery County's mental health and substance abuse needs is a key part of the planning process, according to Bob Greenburg, Four Corner's Director. The draft annual plan is developed by Four corner's staff, reviewed and approved by the Four Corner's Board of Trustees and then submitted to the County for its approval. Commissioner Gary Kofford introduced Bob Greenburg, Four Corner's Director and turned the time over to him.

Bob Greenburg introduced board members and staff as follows: Kent Wilson, Emery County board member, Emery Jones, staff, who will be retiring this spring, Lance Wright, Geraldine Wright, Megan Boyle, Kerry Larsen, Jennifer Thomas, Kari Alton, Lorna Jensen, Angie Jensen, Jason Hales, Janice Winn, Dorian Heaton and Marilyn Mitchel, Assistant Director. Mr. Greenburg provided a brief review of the programs Four Corners offers. He provided a breakdown of hours spent in Emery County for the many services that Four Corners provides to the County.

The meeting was opened up to the public to provide for comment.

Sheriff Guymon reported on incidents of problems at Castle View Hospital associated with assistance with psychological medical screening before transport of an inmate or suspect. Mr. Greenburg explained the problem associated with community hospitals and agency shared responsibilities.

Diane Butler commented on the LDS Church's substance abuse program, Addiction Recovery Program for which she and her husband, Jack Butler have been called to serve. They have a twelve step program for helping men and women with prescription drug abuse problems and other additional problems. They hold regular weekly meetings on Thursdays at the seminary building in Castle Dale. She indicated that the program has been working wonderful. They have been trained through the church.

Commissioner Ira Hatch suggested the Butlers could benefit from the wealth of resources that Four Corners has to offer.

Sheriff Guymon commented on the success of the Drug Court Program. He commented that Drug Court is one of the few positive things in law enforcement. It is an excellent program. He thanked Four Corners and their support for this program. Judge Scott Johansen hears the cases and determines if the person is a candidate for the program. The person is assigned a tracker who tracks their progress in the program.

Dorian Heaton commented that as a part of the Drug Court program the person is required by the

COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

judge who hears their case to work forty hours a week and become a productive member of society. They concentrate not only on rehabilitation but also on becoming productive.

Commissioner Kofford commented that Emery County is one of the few counties in the state that have the option to use the program. As he has traveled around the state he has found that it is a great desire of other counties and agencies to be able to participate in the drug court program. We are fortunate to be able to have this program in the county.

Kent Wilson asked if this is a temporary pilot program? Bob Greenburg indicated that it is no longer a pilot program and the program will be around as long as the funding is available. Four Corners has a contract with the state that pays most of the cost to run the program. There is a tremendous amount of pressure to bring other counties on board with the program.

Kent Wilson asked if we will ever be challenged for the funding if other counties come on board?

To which Mr. Greenburg answered, 'No'.

Commissioner Hatch commented that we need to continue to produce productive citizens and not slack off in the program or we may be challenged.

Commissioner Kofford commented on behalf of Wade Allinson, Adult Probation/ Parole Officer. Wade appreciates Four Corners and what they do for his program. It co-ordinates very well with his program.

Commissioner Kofford commented on the annual audit report of Four Corners. He indicated it was a good clean audit. He expressed the appreciation of the county for the excellent service that Four Corners provides to the citizens of Emery County.

Mr. Greenburg indicated that he will be required to present the audit to the Board of Commissioners at some future date.

Commissioner Gary Kofford made a motion to return to the regular Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**

**RATIFICATION OF EMERGENCY REPAIRS TO HUNTINGTON LIBRARY.**

COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

Commissioner Gary Kofford reported on emergency repairs to the Huntington Library. The water damage from the furnace was contained to the restrooms and equipment room. Pat Snowball checked with the County's insurance carrier for eligibility but was told the incident was not covered by insurance. Two bids were obtained to do the repairs in the two restrooms only.

Robert Allen bid \$5,119.00 and Ken Stilson bid \$4,660.00. The bid was awarded to the low bidder Ken Stilson. He started work on the restrooms last week. Commissioner Gary Kofford made a motion to ratify the contract bid award for Ken Stilson. to repair the restrooms at the Huntington Library. The motion was seconded by Commissioner Ira Hatch and approved by all members present. They will address the problem in the furnace and equipment room later.

(11)

**APPOINTMENT OF PUBLIC LANDS COUNCIL BOARD MEMBERS.**

Commissioner Ira Hatch made a motion to appoint Vernell Rowley, Tory Killian, Clyde Magnuson, Bruce Wilson and Sherrel Ward to the Public Lands Council Board. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF LOW INCOME TAX ABATEMENT FOR EVELYN MORGENSEN.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented an application for low income abatement from Evelyn Morgensen. After review of the application Commissioner Ira Hatch made a motion to table any decision to allow time to get more information. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 160048 through and including #160227 for payment.

Requisitions were presented for the following:

8  
 COMMISSION MEETING MINUTES  
 FEBRUARY 3, 2004

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
9-04	2004 Chevrolet Silverado Truck Sheriff	\$ 29,204.00	Approved
10-04	2004 Dodge Quad Cab 1500 2004 Dodge Durango Sheriff	\$78,743.00	Approved
11-04	2004 Dodge Diesel Truck (2) Road Department	\$56,562.00	Approved
12-04	Welder with 125 cylinder Road Department	716.42	Approved

Dispositions were presented for #410-6296, vhf radio from the Road Department, #210-6598, scanmaker flatbed scanner and #210-7799, typewriter from the Sheriff's Department.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, requisitions and dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**CONSIDERATION AND APPROVAL OF ELDERLY AND PEOPLE WITH  
 DISABILITY TRANSPORTATION VEHICLE LEASE AGREEMENT.**

Commissioner Ira Hatch talked about a program that provides vehicles for elderly and people with disability through Utah Department of Transportation.. Emery County made application for a vehicle through the program a few years back which he indicated are a few years out on being awarded. Our application was approved and we were awarded a vehicle this year through the Senior Citizen program. It is a fifteen passenger, handicap equipped van. It will be placed in Green River and the vehicle currently in Green River will come here. As part of the program, Emery County paid \$6,800.00 for the van. The county's insurance will not insure the van unless it is owned by the county. We can, however, put a leased vehicle on the County's insurance. Therefore, a vehicle lease agreement needs to be signed. Commissioner Ira Hatch made a motion to approve the lease agreement with the Area Agency on Aging to lease the van for \$1.00

COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

per year. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

Extension

Request was made to hire Gaylene Conder, in the Extension Office to perform clerical duties. This is a full time job with benefits. If approved she would begin work February 4, 2004. Commissioner Ira Hatch made a motion to approve hiring Gaylene Conder in the Extension Office to perform clerical duties. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

- a. Vickie Jacobsen, Branch Librarian at the Emery Library, terminates employment on Friday, February 13, 2004 and begins retirement on Monday, February 16, 2004.
- b. Jerilyn Mathis requested approval to recruit for a part time Assistant Librarian at the Emery Library, working 8/hrs a week, no benefits.
- c. Jerilyn Mathis requested approval to promote Marian Mangum from Assistant Librarian at the Emery Library to Branch Librarian, working 32/hrs a week, eligible for prorated benefits, effective the first pf the next pay period, February 16, 2004.
- d. Jerilyn Mathis requested approval to increase Becky Jewkes, Assistant Librarian at the Ferron Library to 19.5 hrs a week

Commissioner Gary Kofford made a motion to approve the proposed requests from the Library Board as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Sheriff

- a. Sheriff Guymon requested approval to recruit for a dispatcher, full time, with benefits.
- b. Tosha Barnett requested Family and Medical Leave for the birth of her baby. Estimated date

10  
COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

of leave will be March 3, 2004 and estimated date of return is June 14, 2004.

Commissioner Ira Hatch made a motion to approve Sheriff Guymon's request to recruit for a dispatcher and Tosha Barnett's requested Family Medical Leave as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**  
**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated January 20, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(17)**  
**COMMISSION REPORTS.**

*Commissioner Drew Sitterud*

Commissioner Sitterud reported on the low water boat ramp for Joe's Valley Reservoir. The total package of funding came to \$190,000.00 with \$22,000.00 as match amount coming from Emery County, Water Conservancy District, Forest Service and Division of Wildlife. Funding will be for a boat ramp only. There will not be any other facilities. They hope to begin construction in early spring maybe late fall.

*Commissioner Ira Hatch*

Commissioner Hatch attended the 10 year anniversary celebration for Perkie at Active Re-Entry in Price. Perkie is the program whereby a vehicle is made available to transport people from Emery and Carbon County to Provo to receive cancer treatments. Active Re-Entry presented Emery County with a memento to thank the county for its participation in the program for the ten years. He presented the trophy to Chairman Drew Sitterud.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

11  
COMMISSION MEETING MINUTES  
FEBRUARY 3, 2004

An Executive Session was not needed.

**(19)**  
**ADJOURNMENT.**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 17, 2004

Present at the meeting was Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commission Chairman Drew Sitterud was out of town. Commissioner Ira Hatch was acting Chairman for this meeting and stepped down throughout the meeting to execute motions as needed.

**(1)**

**REQUEST FOR DONATION TO EMERY COUNTY COMMUNITY THEATER.**

Karen Truman, President of the Emery County Community Theater Board of Directors provided a brief background of the Emery County Community Theater. It was organized for the purpose of fostering, promoting and increasing public knowledge and appreciation of the arts by all citizens; to provide an outlet for amateur and professional expression of talent and promote the actual production of plays and theatrical performances for the educational, recreational and professional development of members and inhabitants of the local communities while promoting the involvement of the local citizens in these activities. Their production for 2004 is "Annie", which will be performed on April 29<sup>th</sup> and 30<sup>th</sup> and May 1<sup>st</sup> and 3<sup>rd</sup>, 2004. Community Theater has depended upon the generosity of business, county and city government and citizens to give them the resources they have needed to keep them going all these years. They find themselves in need of new head worn microphones at this time. The ones they have been using for about the last ten years are no longer working. New ones will cost \$355.00 each. Therefore, they are asking the county to help with this expense. They will need at least ten new microphones. They have received in the past the usual \$250.00 donation. This year they ask for at least enough to pay for one new microphone set. Commissioner Gary Kofford explained that the county donates to the production cost each year. A donation to this production is legal under the Shorts decision. Commissioner Gary Kofford made a motion to donate \$500.00 to the Emery County Community Theater to assist them in this years production. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(2)**

**REQUEST FOR DONATION TO UTAH RANGE COALITION FOR RANGE SCHOOL.**

Commissioner Ira Hatch discussed a recent Range School held in Moab. Emery County Public Lands Council sent representatives to the Range School. Public Lands Council has arranged for

COMMISSION MEETING MINUTES  
FEBRUARY 17, 2004

a Range School to be held here through cooperation of the Forest Service, BLM, and Rural Community and Development. They are asking that the County participate in bringing this worthwhile Range School to Emery County. It will be held on March 4<sup>th</sup> at the Museum of the San Rafael in Castle Dale. Commissioner Ira Hatch made a motion to donate \$250.00 to participate in bringing the Range School to Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(3)**

**DISCUSSION OF PROPERTY EXCHANGE WITH HUNTINGTON CITY.**

Commissioner Ira Hatch discussed a proposed property exchange with Huntington City. He explained that UDOT previously had a maintenance station in Huntington located at 1<sup>st</sup> west and 1<sup>st</sup> north. They have moved to the old Cox Rock location in Huntington. The facilities at their previous location are located on property owned by Emery County for which we have a 99 year lease with UDOT. Huntington City is in need of a maintenance facility. Huntington City owns property adjacent to the County owned ball park in Huntington. Part of the parking lot at the ball park lies within Huntington City property boundaries. He indicated that the Commission will propose some kind of transfer of property to take place so the city can use the old UDOT facilities and the county can get more property at the ball park. Once an exchange has been made it would be up to Huntington City to work out some sort of arrangement to compensate UDOT for the facilities on the property. Attorney David Blackwell has looked at the proposal and agrees that a proposed exchange of property is doable. One of the Commissioners will approach Huntington City at their next City Council Meeting to present the proposal. Commissioner Gary Kofford made a motion to proceed with negotiations with Huntington City on 13.2 acres belonging to Huntington City in exchange for 2.5 acres, corner lot formally housing UDOT Huntington Station, that Huntington City assume a 99 year lease with UDOT and if we proceed with the agreement that Huntington City pay one half of the closing cost. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(4)**

**CONSIDERATION AND APPROVAL OF AGREEMENT FOR UTAH STATE UNIVERSITY EXTENSION EDUCATIONAL WORK**

Commissioner Ira Hatch explained that the Extension Service is an arm of Utah State University. Each year Emery County enters into an agreement with Utah State University to provide clerical work and office space for the Extension Program. Commissioner Gary Kofford made a motion to approve an agreement with Utah State University for the Extension Program as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(5)****CONSIDERATION AND APPROVAL OF DRUG TASK FORCE GRANT.**

Sheriff Guymon explained that this is the same grant as in past years. The county's match for the grant is the salary for the person assigned to the Drug Task Force. Commissioner Gary Kofford made a motion to proceed with signing of the grant. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(6)****APPOINTMENT TO THE EMERY COUNTY TRAVEL BUREAU.**

This item was tabled.

**(7)****RATIFICATION OF APPOINTMENTS TO EMERY WATER CONSERVANCY DISTRICT.**

In last Commission Meeting the Board of Commissioners made a motion to appoint Lee McElprang, Ross Hinkins and Tracy Behling to the Emery Water Conservancy District. Therefore, Commissioner Gary Kofford made a motion to ratify the action taken to appoint these members to the Emery Water Conservancy District. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)****CITIZEN CONCERNS**

Commissioner Gary Kofford explained that the Commissioners had received several complaints that the libraries are not open late enough. He met with Jerilyn and the Library Board and asked to have the libraries stay open until 6:00 p.m. for a three month trial and to track patron use.

Comments were heard from Carole Larsen, Orangeville, Marian Mangum, Emery, Colleen Murdock, Ferron, Loyette Holdaway, Elmo and Roxanne Bohn, Castle Dale. Comments were not favorable regarding the staying open until 6pm. According to the Branch Librarians patron use had not increased. Being open after dark in the winter was a safety concern for some. The Board of Commissioners listened to their concerns but asked that they continue the three month trial and continue to track patron use.

(9)

**DISCUSSION OF IMPROVED PARKING FOR WINTER SPORTS IN HUNTINGTON CANYON.**

Commissioner Ira Hatch addressed this issue due to the concerns raised by users of U-31 over Huntington Canyon regarding additional parking for snowmobilers, snowboarders, etc. in the canyon. He recognized that the problem area is mostly in Sanpete County. He has made contact with UDOT and will continue contact with them regarding the need.

(10)

**CONSIDERATION AND APPROVAL OF MANAGER FOR HUNTINGTON AIRPORT.**

Commissioner Ira Hatch reported that advertising was done to receive proposals for the Huntington Airport Manager. Proposals were received from Mark Johansen and Rob Midgely. After review of the proposals it was decided to accept the proposal from Rob Midgely. They will be meeting with Rob to work out the details of a contract to manage the Huntington Airport. The current manager will be leaving at the end of February and the Commission would like to have the new manager in place by the first of March. Commissioner Ira Hatch made a motion to approve Rob Midgely as Huntington Airport Manager contingent upon working out a contract that meets with Attorney David Blackwell's approval. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF SLA AND LEPC COORDINATOR.**

Captain Kyle Ekker explained that the SLA and LEPC Coordinator is the assistant to Sergeant Martin Wilson to provide Emergency Operations Planning in Emery County. Cheryl Cox has agreed to be the coordinator. Cheryl will assist at meetings and provide minutes for the meetings, assist in revising the Emergency Response Plan for Emery County and complete records as needed. Funds are provided through a grant from the State of Utah, Department of Homeland Security and Emergency Services, will not exceed \$3,000.00 for the year and will be billed as service is rendered. Commissioner Gary Kofford made a motion to approve the grant for funding a SLA and LEPC Coordinator as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND**

**DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims # 160300 through and including #160451 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
13-04	Polaris Ranger 6x6 Weed/Mosquito	\$ 8,397.00	Approved
14-04	2004 Chevrolet Impala Courthouse fleet	15,164.00	Approved

Dispositions were presented for the following:

#7276, letter folder from Clerk/auditor's office  
#4132, chair, blue swivel from Assessor's office  
#6515, computer tower from Sheriff's office  
#5490, laserjet printer from Sheriff's office  
#6702, computer tower from Sheriff's office

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license was presented for Richard Diamond DBA: Diamond Gun Smithing. The application has been reviewed and approved by Planning and Zoning Administrator Bryant Anderson. Commissioner Ira Hatch made a motion to approve the business license application for Richard Diamond as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

COMMISSION MEETING MINUTES  
FEBRUARY 17, 2004

Pat Snowball, Personnel Director presented the following personnel action:

Library

Colleen Murdock, Branch Librarian, has successfully completed her three month probational orientation period. Jerilyn Mathis has completed a performance appraisal and recommends that Colleen receive a one step increase. The increase would be effective the next pay period, March 1, 2004. Commissioner Gary Kofford made a motion to approve the one step increase for Colleen Murdock as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Planning/Zoning/Building Inspection/Public Lands

Margaret McMullin, Secretary for P&Z/Building Inspection/Public Lands, has successfully completed her six month orientation period and is eligible for the routine grade increase. Bryant Anderson has completed the performance appraisal and recommends the action. The increase would become effective beginning the next pay period of March 1, 2004. Commissioner Gary Kofford made a motion to approve the routine grade increase for Margaret McMullin as proposed.. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**

**CONSIDERATION AND APPROVAL OF EEOP FOR EMERY COUNTY**

Personnel Director, Pat Snowball discussed the Equal Employment Opportunity Plan with the Commissioners. The EEOP was originally approved in 2000. She explained that each of the grants that the county applies for requires an effective date for having the EEOP in place. At this time the State is requiring an effective date be noted in the minutes. Commissioner Ira Hatch made a motion to approve the Equal Employment Opportunity Plan effective February 17, 2004 and will be reviewed annually as needed to reflect any changes in the law. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford asked that it be noted in the minutes that Emery County is an Equal Employment Employer and we will continue to monitor the laws governing the plan to stay up to date.

**(16)**

COMMISSION MEETING MINUTES  
FEBRUARY 17, 2004

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated February 3, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(17)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that the legislative session is on going. They are in the funding phase at this time. He reminded everyone to continue to monitor the bills that are being introduced and to voice any concerns. He added that many are concerned for the cut in medicaid benefits. This cut will dramatically affect Four Corners Mental Health and their ability to provide services.

*Commissioner Hatch*

Commissioner Hatch reported that he met with Energy West and UPL on the South interchange proposal.

Rex Funk reported that the coal yard road project is moving along ahead of schedule as long as the weather permits. Nielson Construction has the contract to expand the coal receiving facility and relocation of access to the facility.

He reported on a UDOT project proposal on I-70 which involves all of the view areas. It involves upgrading toilet facilities and providing for lighting as well as installation of picnic areas. It is a 1million dollar project. The Commission will be meeting with UDOT to give them their ideas.

He along with Commission Kofford, Commissioner Sitterud and Sheriff Guymon attended County Official Day at the Legislature where they were interested in the updates on current bills that affect Emery County. He commented on the efforts of LaMar Guymon as he is the new UAC President.

He reminded everyone about the Senior Affairs Fair to be held February 19, 2004 at the Museum of the San Rafael from 1:00 p.m. until 5:00 p.m. Also there will be a memorial service for June Maxwell today at 1:00 p.m. at the Huntington Senior Center.

8  
COMMISSION MEETING MINUTES  
FEBRUARY 17, 2004

**(18)**  
**EXECUTIVE SESSION**

An executive session was not needed.

**(19)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 2, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**JAYNEE LEVY, BLM, DISCUSSION IF INSTALLATION OF SAN RAFAEL SWELL PORTAL SIGNS ON EMERY COUNTY ROADS.**

Jayne Levy, BLM reviewed proposed sites for installation of San Rafael Swell portal signs on Emery County Roads. The six sites proposed are all on San Rafael Swell access roads in Emery County. The signs will be made of wood and placed in stone bases. Because the Division wanted to infuse dollars back into the economy of Emery County they asked for names of individuals in the County who do stone work. Commissioner Hatch asked that they consider the right-of-way and maintenance zones as the proposed sites. Commissioner Ira Hatch made a motion to support the BLM in their decision to install San Rafael Swell portal signs on Emery County Roads. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**DELENA FISH, WFS QUARTERLY UPDATE.**

Delena Fish, Work Force Services provided a quarterly update as follows:

- The department goes to Green River once a month working out of the Sheriff's Complex. Cheryl Keener who works at the Sheriff's Complex has been very helpful in taking applications and faxing them to the department.
- Emery County continues to have the highest unemployment rate in the State. It is right around 10.5%.
- ALCO store is anticipated to be opened in the next two weeks. They had 255 applicants for jobs at the store. All were excellent applicants. They interviewed 150 people and hired 21 all from this area. They hired four individuals for management positions only one was from Price, the rest were from the Emery County.
- Voice 2 Insights, a transcription service is recruiting for more individuals in rural areas.
- They continue to work with individuals who have run out of unemployment and are now needing other types of assistance.
- Roger Sparks, Regional Director for WFS out of Price is retiring after thirty-five years of

COMMISSION MEETING MINUTES  
MARCH 2, 2004

service.

(3)

**DEB DULL, UTAH POWER QUARTERLY UPDATE.**

Ms. Dull was not able to attend the meeting.

(4)

**LARRY SALAZAR, EMERY TELCOM QUARTERLY UPDATE.**

Larry Salazar, Public Relations, Emery TelCom provided a quarterly update as follows:

- They have recently acquired Malard Cablevision who will provide service to Cleveland/Elmo. They were in bankruptcy and Emery TelCom felt it would be a good thing to acquire and provide cable service to the Cleveland/Emo area.
- They are installing new copper cable in Castle Dale.
- They are anticipating a FCC regulation to provide land phone/cell phone number carry-over.
- They are currently working a Community Endowment project in the schools. The project is a teacher of the year award program.

(5)

**EMERY HIGH SCHOOL RODEO CLUB, REQUEST FOR DONATION.**

Bailey Bohn, Emery High School Rodeo Club read a prepared request for financial assistance to the Board of Commissioners. They proposed to host a high school rodeo on April 16 and 17, 2004. They requested a Diamond Sponsorship donation of \$250.00. Commissioner Ira Hatch made a motion to refer the club to the Emery County Recreation Special Service District for the sponsorship donation adding that if they were not successful in acquiring the \$250.00 to come back to the Commission for the sponsorship. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**MARK WILLIAMS, REQUEST DONATION FOR THE ARAPEEN ATV JAMBOREE.**

Mark Williams discussed the proposed plans for the Arapeen ATV Jamboree on September 6th through 10<sup>th</sup>, 2004. They have had many request for information on the Jamboree. He showed the Commissioners the ads in trade magazines. They are also advertising in Utah 2004, another magazine which highlights events in Utah. He indicated that he felt the Jamboree is a benefit to the county. Many people come to the area to participate. They asked for \$2,500.00 to cover the cost of advertising. Commissioner Kofford indicated that the Commission would have to explore the possibility of a donation of that size. The Commission was not sure where they could

COMMISSION MEETING MINUTES  
MARCH 2, 2004

find \$2,500.00 to donate to the club. Mr. Williams informed the Board of Commission that there are close to 2,000 ATV's in the County which the county collects property taxes in the amount of \$54,000.00 from. Jo Sanservero asked if there was a mechanism in place that allows for a short term loan. Attorney David Blackwell advised that there is no statute allowed for short term loans such as they would need.

(7)

**STEVE BARTON, EMERY COUNTY TREASURER, REQUEST TO APPROVE  
RELEASE OF LIENS AND UPDATE CENTRALLY ASSESSED PROPERTY TAX  
APPEALS.**

Steve Barton, Treasurer reminded the Commissioners that there were two tax payers, Zina Willard and Rikki Edwards who requested extra time to pay their taxes to avoid being sold for back taxes. Both individuals have met their obligations. Steve asked to have the lien on the property formally released. Commissioner Ira Hatch made a motion to release the lien on the two properties as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Steve reviewed with the Commissioners the current centrally assessed property tax appeals.

(8)

**CITIZEN CONCERNS**

Steve Barton asked that the Commissioners remember the MECCA group will also be coming to the Commission for consideration of a donation for their annual bike ride.

(9)

**APPOINTMENT TO THE EMERY COUNTY TRAVEL BUREAU.**

Tabled

(10)

**APPOINTMENT TO WEED/MOSQUITO BOARD.**

Commissioner Hatch explained that no applications were received for the Weed/Mosquito Board. The Commission has asked around for suggested individuals for the Weed/Mosquito board. However, none of the suggested individuals had made any application for board considerations. He indicated that Allen Staker, Elmo has applied for several other boards. This board appointment would replace Richard Snowball, Elmo who recently passed away. Commissioner Ira Hatch made a motion to appoint Allen Staker to the Weed/Mosquito Board. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Hatch and James Nielsen will contact Mr. Staker.

(11)  
**APPOINTMENTS TO PLANNING COMMISSION**

Tabled

(12)  
**DISCUSSION OF CURRENT BUSINESS LICENSE OF VENDORS/CONTRACTORS DOING WORK FOR THE COUNTY.**

A question was raised when the Recreation Special Service District did not use a vendor because they did not have a business license. Therefore, the question was raised should the county require proof of a business license from vendors doing business with the county. Bruce Funk asked for clarification of the requirements to obtain a business license as County Zoning Ordinance dated 7-9-1980 is vague in that respect. Commissioner Gary Kofford made a motion to review the County Ordinance to see what is needed and possibly make recommendations for any changes. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(13)  
**RATIFICATION OF PROCLAMATION DESIGNATING NATIONAL FFA WEEK.**

Commissioner Gary Kofford made a motion to ratify the decision to designate February 21 through 28, 2004 as National FFA Week. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)  
**DISCUSSION AND APPROVAL OF 2004 SCHEDULE A AND PROJECT AGREEMENT FOR FERRON-MAYFIELD ROAD PROJECT #50007.**

Road Supervisor, Rex Funk explained that the agreement with the Forest Service is the usual agreement wherein the County blades and provides maintenance for Forest roads in the County. The only change in the agreement is the length of the roads serviced has been extended. Rex indicated that the Road Department receives allocation funds to help compensate for the cost which is usually not nearly enough to cover the cost to service the roads. Commissioner Ira Hatch made a motion to approve Schedule A Maintenance agreement with the Forest Service as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

The Ferron-Mayfield Road Project #50007 provides for Magnesium Chloride maintenance for

COMMISSION MEETING MINUTES  
MARCH 2, 2004

Forest Service roads. They purchase the Mag-Chloride and the County Road Department dispenses it on Forest Service roads. Commissioner Ira Hatch made a motion to approve the Ferron-Mayfield Road Project #50007 agreement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF HUNTINGTON AIRPORT LEASE/MANAGEMENT AGREEMENT.**

In last Commission meeting the Board of Commission approved Robert Midgley as the new Huntington Airport Manager. Attorney David Blackwell worked through some details in the agreement and it is now ready for approval. Commissioner Ira Hatch made a motion to approve the Huntington Airport Lease/ Management Agreement with Robert Midgley. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Hatch explained that the carpet in the airport house needs to be replaced on an emergency basis. He asked Clerk/Auditor to contact local carpet vendors and receive bids to replace the carpet. Two bids were received from Affordable Flooring for \$1,905.56 and Red Carpet for \$1,706.40. Commissioner Ira Hatch made a motion to award the bid to Red Carpet with the low bid of \$1,706.40. The motion was seconded by Commissioner Gary Kofford adding that the item will be ratified in the next meeting. The motion was approved by all members present.

**(16)**

**APPROVAL OF BUSINESS LICENSE**

Business license applications were reviewed for Lenny Parlo DBA: Three Sevens Ranch for a bookstore and snack shack, and Robert Midgley DBA: Huntington Municipal Airport Management for airport operations. The applications have been reviewed and signed by Zoning Administrator, Bryant Anderson. Commissioner Gary Kofford made a motion to approve the business license applications for Lenny Parlo and Robert Midgley as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(17)**

**DISCUSSION AND APPROVAL OF UNPAID AMBULANCE BILLS AND WRITE-OFFS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the names of those individuals who have requested to have unpaid ambulance bills written off. Those individuals were as follows:  
• Glenda Hansen; letter of request, Commissioner Ira Hatch made a motion to refer her back to JCI Billing to request payments. The motion was seconded by Commissioner Gary Kofford and

COMMISSION MEETING MINUTES  
MARCH 2, 2004

approved by all members present.

• Casey Conover; incarcerated, Commissioner Gary Kofford made a motion to pursue the bill as he is no longer incarcerated. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

• J. Charles Lofley; Commissioner Ira Hatch made a motion to write-off the unpaid ambulance bill for Charles Lofley. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

• Laura Nielsen; Commissioner Ira Hatch made a motion to pursue the bill. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

• Karly Dunn; Commissioner Gary Kofford made a motion to write-off the unpaid ambulance bill. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

• James Alexander; the Board of Commissioners tabled this and will look at it next time.

• Helen Manley; Commissioner Ira Hatch made a motion to write-off the unpaid ambulance bill for Helen Manley. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #160666 through and including #160788 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
15-04	HP Laser Jet 120 Color Printer Sheriff/Predisaster Mitigation Grant	\$1,180.98	Approved
16-04	AC Power Adapter Ambulance	840.00	Approved
17-04	Heavy Duty Vehicle Seat Simulator Sheriff/SEUDH Grant	1,620.00	Approved

One disposition was presented for a monitor from the Sheriff's Department. The monitor does not work.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner

COMMISSION MEETING MINUTES  
MARCH 2, 2004

Ira Hatch and approved by all members present.

(19)

**PAT SNOWBALL, PERSONNEL DIRECTOR, PERSONNEL ACTION**

Assessor

Request was made to hire Melinda Wilbanks, temporary worker, up to 90 days, beginning February 23, 2004. Commissioner Ira Hatch made a motion to ratify the decision to hire Melinda Wilbanks as temporary worker in the Assessor's Office up to 90 days as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Clerk/Auditor

Janalee Luke, Deputy Clerk/Auditor, has successfully completed her six-month orientation period and it was Bruce Funk's recommendation that she receive the routine grade increase effective the first of the next pay period, March 15, 2004. Commissioner Gary Kofford made a motion to approve the routine grade increase for Janalee Luke as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Library

Request was made to hire Ann Marie Anderson as Assistant Librarian at the Emery Library. This is a part time position, less than 20 hours per week, not eligible for benefits to begin March 3, 2004. Commissioner Gary Kofford made a motion to approve hiring Ann Marie Anderson as Assistant Librarian in Emery as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Treasurer

Chris Hansen, Deputy Treasurer, is eligible to receive a routine grade increase. It was Steve Barton's recommendation that he receive the increase effective the first of the next pay period, March 15, 2004. Commissioner Ira Hatch made a motion to approve the grade increase for Chris Hansen as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(20)

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
MARCH 2, 2004

Commissioner Gary Kofford made a motion to approve the minutes dated February 17, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(21)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on AOG Conference and Training on Planning. He also reported on Education Week at the Legislature.

*Commissioner Hatch*

Commissioner Hatch recently attended an insurance meeting where he received information regarding insurance and unemployment compensation. He encouraged all employees to answer questionnaires soon to be distributed to employees. He attended a meeting with the Governor on wilderness issues. He, Commissioner Kofford and Commissioner Sitterud also attended a meeting in Richfield regarding RS2477 issues and strategies to deal with litigation involving SUWA. He and Commissioner Kofford conducted a warranty walk through on the courts complex. Representatives from the state courts and Sahara, contractors on the project were also present. He attended the farewell for Roger Sparks, DWFS. He also attended a retirement open house for Jolene Petty. Jolene has worked for Senior Citizens for Twenty-Four years and several years as the director of the Ferron Senior Citizen Program.

*Commissioner Sitterud*

Commissioner Sitterud reported on the recent land trade with Huntington City. They have agreed to pay one half the closing cost as the county requested. They will also assume the lease with UDOT and they will negotiate the trade with them. He also reported to expect as much as two hour delays on Highway 6 and 10 this summer. UDOT will be working on the Helper exchange and redoing the Colton Bridge on Highway 6. They will also be working on the Muddy Creek Bridge towards Emery. He also reported on reconstruction projects at the Nursing Home in Ferron.

**(22)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

9

COMMISSION MEETING MINUTES  
MARCH 2, 2004

An executive session was not needed.

**(23)**

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 16, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Sitterud told citizens at the meeting that Sheriff Guymon had to leave the meeting at 10:00 a.m.. As we move through the agenda as we come close to the time Sheriff Guymon must leave the meeting Commissioner Sitterud will move into an executive session and return to the regular meeting after executive session.

**(1)**  
**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull was not able to attend the meeting and asked to be moved to the April 6, 2004 meeting.

**(2)**  
**JAN PETERSEN, MUSEUM OF THE SAN RAFAEL, DISCUSSION OF HIRING AN EMPLOYEE DUE TO GREEN THUMB CUT BACKS.**

Jan Petersen, Museum of the San Rafael explained that due to federal budget cuts the museum has lost two employees. Green Thumb is a federally funded program which the museum has taken advantage of for over ten years to staff the museum. The current Green Thumb employees are Willard Young and Revolla Whittle. The federal budget for Green Thumb has been cut so the program will no longer be available to them to staff the museum. They have lost two of their staff members and have had to close the Pioneer Museum. The Museum Board suggested hiring Revolla Whittle to staff the Museum of the San Rafael and taking the funds from the museum budget to pay her. She would work twenty hours a week at \$5.00 per hour. Jan suggested that she be paid through a claim in the same manner that she is now paid. Commissioner Sitterud expressed concern that there may not be enough in the museum budget to handle this request. Commissioner Hatch suggested that the Transient Room Tax that comes back to the county is partially earmarked for tourist development. Emery County is partially funding the John Wesley Powell Museum through the Travel Council. Historically, the county has funded the Museum of the San Rafael through the general fund. He suggested approaching the Travel Council to request some funding assistance. The County may have to make up the difference through the general fund. Commissioner Hatch will approach the Travel Council with the request. Commissioner Gary Kofford made a motion to approve hiring Revolla Whittle as a part time employee with no benefits for twenty hours a week at minimum wage \$5.15. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**DARRELL LEAMASTER, PRESENTATION AND APPROVAL OF THE EMERY COUNTY PCIFB PRIORITY LIST.**

Darrel Leamaster, Castle Valley Special Service District presented the Permanent Community Impact Fund Board Local Capital Improvement List. He reviewed the medium term list and the short term list with the Board of Commissioners. Commissioner Ira Hatch made a motion to approve the Emery County PCIFB Priority List as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CITIZEN CONCERNS**

Commissioner Ira Hatch reported that Rob Midgley is the new Huntington Airport Manager. He is making real progress and marked improvements at the airport.

Sheriff Guymon discussed a growing problem regarding the landfill. His department has noticed several loaded vehicles heading out to the landfill on Mondays. They have had complaints of garbage, tree limbs and other debris being dumped in the cedars as a result of not having the landfill open on Monday.

(5)

**APPOINTMENTS TO THE PLANNING COMMISSION.**

Commissioner Gary Kofford made a motion to re-appoint Mike McCandless and Glenys Sitterud to the Planning Commission. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**SETTING OF PUBLIC HEARING FOR LEVEL III CONDITIONAL USE PERMIT FOR MAC'S MINING.**

Commissioner Gary Kofford made a motion to set a Public Hearing for Tuesday, April 20, 2004 at 10:00 a.m. to discuss a compliance issue with regards to Mac's Mining equipment yard and to assign Leslie Bolinder to do the advertising. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF AMENDMENT #4 TO CONTRACT 030849 BETWEEN EMERY COUNTY ECONOMIC DEVELOPMENT AND THE DEPARTMENT OF WORKFORCE SERVICES.**

Marlin Eldrid, Director, Economic Development reported that about a year and a half ago

Department of Workforce Services contracted with Emery TelCom to conduct three types of phone calls. They called individuals looking for jobs through Workforce Services, employees of Workforce Services and those who actually got jobs through Workforce Services. The calls are required annually by the federal government. The contract had to be administered through a county entity, so Emery County is merely a flow through for the funds. This amendment is for the final phase funding (September 2004) for this project. There is a possibility it may be extended another year. Marlin recommended charging an administration fee if we do extend for another year. Commissioner Gary Kofford made a motion to approve Amendment #4 to contract #030849 between Emery TelCom and Department of Workforce Services as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**

**APPROVAL OF APPOINTMENTS TO EMERY COUNTY ECONOMIC DEVELOPMENT COUNCIL, INC.**

Commissioner Ira Hatch made a motion to approve Board appointments to the Emery County Economic Development Council, Inc. as follows:

Rob Midgley, at large, Jon Sorensen, Karen Truman, Larry Salazar, Jared Haddock, Darrell Bossards, Julie Jones and Jo Sanserveo. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**APPROVAL FOR OUT-OF-STATE TRAVEL FOR SHERIFF'S DEPARTMENT.**

Sheriff Guymon indicated that the travel will be for two deputies to travel to Washington, D.C. to attend a ceremony wherein Jeremiah Johnson's name will be placed on the Police Hall of Fame Memorial Wall. Jeremiah's widow, Lisa will be attending the ceremony and two deputies, Kyle Ekker and Gayle Jensen will accompany her. Sheriff Guymon indicated his budget does not reflect the funds to support the travel and asked for financial assistance. Commissioner Gary Kofford made a motion to approve up to \$5,000.00 to assist in sending the two deputies to the ceremony, possibly pulling the funds from Dues and Contributions. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**

**DISCUSSION OF BUSINESS LICENSE ORDINANCE.**

In a previous Commission Meeting, Attorney David Blackwell was assigned to look into the Business license Ordinance to see if it needed to be updated. He reported that in 1985 the Business License Ordinance was challenged. The lower court ruled that the additional fee portion of the ordinance was beyond the scope of Utah Statute and it was struck down. It was appealed to the Supreme Court where it was upheld. That nullified certain sections of the ordinance. Apparently additional fees were being charged to the mines. The portion of the ordinance where a minimum fee of \$25.00 for a business license is still in effect.

Deputy Attorney Alan Thorpe could not recall anything new after the court ruling. Mr. Blackwell asked if the Commission wanted to look at updating the ordinance? Commissioner Gary Kofford made a motion to have Attorney David Blackwell pursue and update that portion

of the ordinance that pertains to the mines and additional fees. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Sitterud explained that the Board of Commissioners will use the Business License Ordinance that the County has and will ask for proof of business license as part of the bidding process.

**(11)**

**APPOINTMENT TO THE EMERY COUNTY TRAVEL COUNCIL.**

Upon recommendation from the Emery County Travel Council Commissioner Ira Hatch made a motion to re-appoint LaMar Guymon to the Emery County Travel Council. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #160863 through and including #161156 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
18-04	Lightbar/Siren/Speaker (2) Durangos/Sheriff	\$3232.20	Approved
19-04	Lights/Flashers/Speakers Detective/Sheriff	855.60	Approved
20-04	Titanium two piece litter Posse/Sheriff	1334.90	Approved
21-04	Fire Wall Sheriff	782.83	On Hold
22-04	Laptop Computers (4) Sheriff/Weapons/Mass Destruction	7910.76	Approved
23-04	Mobile Radios 110 Watt (50) Communications	66685.00	Approved
24-04	Hand Held Radios 5 Watt (50)		

	Communications	32339.00	Approved
25-04	Fire Extinguishers (8) Airport	461.20	Approved

One Disposition was presented for Asset#136-7225 a 17" monitor from the Treasurer. It will be stored until the next surplus property sale.

Bruce reported that the county has received a refund and credit from two utilities as a result of the recent utility audit performed by Avatar Corporation. He also asked if there was a need to continue to pay for power and heat in the old Sheriff's building. It is costing the County quite a bit each month to pay for power and heat at that building.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions with the exception of requisition #21-04 for the firewall. Commissioner Gary Kofford made an amendment to the motion by approving the requisition based upon meeting with Bret Mills and Jeff Guymon to discuss the need for the firewall. The motion was then seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Sheriff's Department

Martin Wilson received a promotion in September, 2003. He has successfully completed the orientation period and it is recommended that he receive a step increase which would become effective the first of the next pay period, March 29, 2004. Commissioner Gary Kofford made a motion to approve the step increase for Martin Wilson as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Tosha and John Barnett have a new baby boy, born March 11, 2004. Tosha has asked that she be able to use John's sick leave as a part of her Family Leave. Under the policy an employee may only contribute forty hours of sick leave. While Family Leave has been approved, Tosha's own accrued leave is not sufficient for her to take all paid leave. John and Tosha are requesting an exception to the policy in this case. After discussion on this matter, Commissioner Ira Hatch made a motion to adhere to the policy and advertise for volunteers to donate sick time to Tosha and if there is not enough time donated to return to Commission Meeting for more discussion. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

Jerilyn Mathis received word from Dorothy Taylor that she quit her job. Dorothy was recently placed in the Orangeville Library as Assistant Librarian. Jerilyn asked for approval to advertise for a replacement at the Orangeville Library. Commissioner Gary Kofford expressed concern for doing anything until the County has a letter of resignation from Dorothy Taylor. He was not opposed to advertising for a librarian at twenty hours or less at base wage. Advertising can be done for applications only. However, the position will not be filled until we receive the letter from Dorothy. Commissioner Gary Kofford made a motion to do nothing until we receive a letter of resignation from Dorothy Taylor but to allow posting for a position at twenty hours a week or less at base wage. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)**

**OTHER BUSINESS**

Clerk/Auditor Bruce Funk asked for consideration of a business license. He has placed it on the agenda for the next Commission Meeting to have it ratified. The business license was for Bruce and TedAnn Funk DBA: B&T Builders. B&T Builders is a building and painting contractor. The application has been approved by Zoning Administrator, Bryant Anderson. He also asked to accept his statement of interest as B&T Builders is his own personal business and he does business with the county. Commissioner Gary Kofford made a motion to approve the business license application for B&T Builders and to ratify in the next Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated March 2, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that in the Emery County Progress this week will be the request for bids a project manager for remodeling the courthouse. Site showing will be mandatory on the 25<sup>th</sup> of March. The bids will be opened in MBA meeting on April 6, 2004 at 2:00p.m.

He discussed the old Sheriff's buildings. He suggested having another surplus property sale to get rid of all the stuff lying around the buildings. He met recently with the representatives from Head Start who a year ago requested to use the 1400 sq. ft. office area for classrooms. They asked that if the County would contribute the floor space then they would pay for the reconstruction and utilities. Commissioner Kofford suggested that he would ask the Head Start group look at other options, perhaps pursuing a grant to build a new building. The old Sheriff's

building is not structurally safe.

*Commissioner Ira Hatch*

Commissioner Hatch reported that he has met with the Council of Government to discuss building inspections. They are sending out requests for proposals to provide this service. He met with Skyline Weed Committee they are moving ahead with funds they have received from USDA to work on projects in the county. Commissioner Hatch traveled to Green River to attend Travel Council meeting.

*Commissioner Drew Sitterud*

Commissioner Sitterud attended CIB Board meeting in Moab. The Recreation Special Service District has received a \$130,000.00 grant to replace all the picnic tables at Bear Creek Campground. They will also do some work at the Huntington Ball Complex. They will move the dugouts, put nets over the spectator area, provide lighting at the tennis courts and fence the hill by the parking lot. They will also put in new trap houses at the Sheriff's shooting range.

RAC meeting for bucks and bulls will be tonight in Green River. Anyone interested in permits for bucks and bulls was encouraged to come.

He met with Governor McCackney in a meeting in St. George where they discussed pushing a state wide wilderness bill. Senator Bennett was willing to put it together but not sponsor it. He was hoping to get democrats to sponsor it with him as a co-sponsor. This was all just in the speaking stage. There is no bill written. It was decided that the counties did not want to push a statewide bill. The counties would rather push a bill county by county. Which raised concerns because most of the counties that go through first will not have any concerns. Sixteen of the twenty-nine counties in Utah that have WSA's in them are the only counties who will be meeting from now on.

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 16, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Sitterud told citizens at the meeting that Sheriff Guymon had to leave the meeting at 10:00 a.m.. As we move through the agenda as we come close to the time Sheriff Guymon must leave the meeting Commissioner Sitterud will move into an executive session and return to the regular meeting after an executive session.

(1)

**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull was not able to attend the meeting and asked to be moved to the April 6, 2004 meeting.

(2)

**JAN PETERSEN, MUSEUM OF THE SAN RAFAEL, DISCUSSION OF HIRING AN EMPLOYEE DUE TO GREEN THUMB CUT BACKS.**

Jan Petersen, Museum of the San Rafael explained that due to federal budget cuts the museum has lost two employees. Green Thumb is a federally funded program which the museum has taken advantage of for more than ten years to staff the museum. The current Green Thumb employees are Willard Young and Revolla Whittle. The federal budget for Green Thumb has been cut so the program will no longer be available to them to staff the museum. They have lost two of their staff members and have had to close the Pioneer Museum. The Museum Board suggested hiring Revolla Whittle to staff the Museum of the San Rafael and taking the funds from the museum budget to pay her. She would work twenty hours a week at \$5.00 per hour. Jan suggested that she be paid through a claim in the same manner that she is now paid. Commissioner Sitterud expressed concern that there may not be enough funds in the museum budget to handle this request. Commissioner Hatch suggested that the Transient Room Tax that comes back to the county is partially earmarked for tourist development. Emery County is partially funding the John Wesley Powell Museum through the Travel Council. Historically, the county has funded the Museum of the San Rafael through the general fund. He suggested approaching the Travel Council to request some funding assistance. The County may have to make up the difference through the general fund. Commissioner Hatch will approach the Travel Council with the request. Commissioner Gary Kofford made a motion to approve hiring Revolla Whittle as part a time employee with no benefits, twenty hours a week at minimum wage \$5.15.

The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**DARRELL LEAMASTER, PRESENTATION AND APPROVAL OF THE EMERY COUNTY PCIFB PRIORITY LIST.**

Darrel Leamaster, Castle Valley Special Service District presented the Permanent Community Impact Fund Board Local Capital Improvement List. (13)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**Sheriff's Department

Martin Wilson received a promotion in September 2003. He has successfully completed the orientation period and it is recommended that he receive a step increase which would become effective the first of the next pay period, March 29, 2004. Commissioner Gary Kofford made a motion to approve the step increase for Martin Wilson as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Tosha and John Barnett have a new baby boy, born March 11, 2004. Tosha has asked that she be able to use John's sick leave as a part of her Family Leave. Under the policy an employee may only contribute forty hours of sick leave. While Family Leave has been approved, Tosha's own accrued leave is not sufficient for her to take all paid leave. John and Tosha are requesting an exception to the policy in this case. After discussion on this matter, Commissioner Ira Hatch made a motion to adhere to the policy and advertise for volunteers to donate sick time to Tosha and if there is not enough time donated to return to Commission Meeting for more discussion. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

Jerilyn Mathis received word from Dorothy Taylor that she quit her job. Dorothy was recently placed in the Orangeville Library as Assistant Librarian. Jerilyn asked for approval to advertise for a replacement at the Orangeville Library. Commissioner Gary Kofford expressed concern for doing anything until the County has a letter of resignation from Dorothy Taylor. He was not opposed to advertising for a librarian at twenty hours or less at a base wage. Advertising can be done for applications only. However, the position will not be filled until we receive the letter from Dorothy. Commissioner Gary Kofford made a motion to do nothing until we receive a letter of resignation from Dorothy Taylor but to allow posting for a position at twenty hours a week or less at a base wage. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**OTHER BUSINESS**

Clerk/Auditor Bruce Funk asked for consideration of a business license. He has placed it on the agenda for the next Commission Meeting to have it ratified. The business license was for Bruce and TedAnn Funk DBA: B&T Builders. B&T Builders is a building and painting contractor. The application has been approved by Zoning Administrator, Bryant Anderson. He also asked to accept his statement of interest as B&T Builders is his own personal business and

COMMISSION MEETING MINUTES  
MARCH 16, 2004

he does business with the county. Commissioner Gary Kofford made a motion to approve the business license application for B&T Builders and to ratify in the next Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated March 2, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that in the Emery County Progress this week will be the request for bids for a project manager for remodeling the courthouse. Attendance at a site showing will be mandatory on the 25<sup>th</sup> of March. The bids will be opened in MBA meeting on April 6, 2004 at 2:00p.m.

He discussed the old Sheriff's buildings. He suggested having another surplus property sale to get rid of all the stuff lying around the buildings. He met recently with the representatives from Head Start who a year ago requested to use the 1400 sq. ft. office area for classrooms. They asked that if the County would contribute the floor space then they would pay for the reconstruction and utilities. Commissioner Kofford suggested that he would ask the Head Start group to look at other options, perhaps pursuing a grant to build a new building. The old Sheriff's building is not structurally safe.

*Commissioner Ira Hatch*

Commissioner Hatch reported that he has met with the Council of Government to discuss building inspections. They are sending out requests for proposals to provide this service. He met with Skyline Weed Committee they are moving ahead with funds they have received from USDA to work on projects in the county. Commissioner Hatch traveled to Green River to attend Travel Council meeting.

COMMISSION MEETING MINUTES  
MARCH 16, 2004

*Commissioner Drew Sitterud*

Commissioner Sitterud attended CIB Board meeting in Moab. The Recreation Special Service District has received a \$130,000.00 grant to replace all the picnic tables at Bear Creek Campground. They will also do some work at the Huntington Ball Complex. They will move the dugouts, put nets over the spectator area, provide lighting at the tennis courts and fence the hill by the parking lot. They will also put in new trap houses at the Sheriff's shooting range.

RAC meeting for bucks and bulls will be tonight in Green River. Anyone interested in permits for bucks and bulls was encouraged to attend.

He met with most of the counties' representatives in St. George where they discussed pushing a state wide wilderness bill. Senator Bennett was willing to put it together, but not sponsor it. He was hoping to get some democrats to sponsor it with him as a co-sponsor. This was all just in the speaking stage. There is no bill written. It was decided by the counties in attendance that they did not want to try to push a statewide bill. The counties would rather push a bill county by county. This raised concerns because most of the counties that go through first will not have any concerns. They do not have WSA's and SUWA would not be looking at them. Sixteen of the twenty-nine counties in Utah that have WSA's in them are the only counties who will be meeting from now on. They intend to bring SUWA and all users to the table to talk things over.

RS2477 is moving along slowly. The RS2477 Committee met after the meeting in St. George. They will try to get another ten roads cleared to begin the process.

A wolf management meeting will be held Thursday, March 18, 2004 at 10:00 a.m. in Price at the Castle Valley Center. They will discuss wolf management in Utah and will receive input on how we as a county want wolves managed in our county. They need input from as many people as possible.

He will be meeting with the engineers at Joe's Valley Reservoir for the low boat ramp. They hope to begin work on the ramp in May.

(17)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Commissioner Gary Kofford made a motion to move into an executive session to discuss possible litigation and personnel matters.

Present at the session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Personnel Director Pat Snowball and Deputy Clerk/Auditor Carol Cox.

Discussed was pending litigation regarding a personnel matter.

(18)

**ADJOURNMENT**

Upon returning to the regular meeting Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 6, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Sheriff LaMar Guymon, Sr. Deputy Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

(1)

**KRIS BELL, PERSONAL PROPERTY TAX ABATEMENT FOR EDITH BEMIS.**

Assessor Kris Bell presented the Commission with a request to abate personal property taxes for Edith Bemis. The taxes were due on January 31, 2004. Ms. Bemis was in the nursing home at that time and died in February 2004. Ms. Bemis gave the trailer to her sister so she could sell it and have money to pay for her funeral expenses. There are \$413.00 owing in taxes. The current amount of interest owing is \$7.14. Commissioner Gary Kofford made a motion to abate 50 percent of the taxes owing. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull, Utah Power, gave the Commission an update of changes occurring at Utah Power. On April 1, 2004 Bill Landels retired and Richard Walje became the executive vice president for Utah Power. Also on April 1, 2004 Utah Power was granted a new electric rate increase. Due to the high demand for power in the summer months a three tier pricing system will be implemented from May through September to try to curb the usage of central air. Currently, central air usage accounts for 30 percent of the power used in the average home.

In the Spring of 2003 Utah Power began a program called See You Later Refrigerator. Utah Power will pay customers \$40.00 for their old refrigerator. Currently the program has replaced 13,000 old refrigerators.

The Director of the Utah Energy Office will be giving a presentation to Governor Olene Walker tomorrow concerning the interaction of drought and its affects on energy production. They wanted to question Utah Power on Carbon/Huntington because of the Electric Lake situation. Utah Power does not intend to lease water this year at the Huntington plant however, the loss of snow pack in the month of March has taken away much of their margin of error. Work is being done with Huntington/Cleveland Irrigation Company to improve efficiency on the Huntington Creek drainage. Utah Power is highly dependent on getting back to a normal moisture cycle.

COMMISSION MEETING MINUTES  
APRIL 6, 2004

The good news from the company is during the last eight months Utah Power has hired eighteen employees at Hunter Plant, one employee at Huntington Plant, three employees at the Carbon Plant, five service foremen and sixteen temporary underground miners at Energy West. The majority of these new hires were from the area.

**(3)**

**REQUEST TO SET DATE/TIME OF PUBLIC HEARING ON THE REVISED EMERY COUNTY ZONING ORDINANCE.**

The Planning & Zoning Commission has been working on revisions to the Emery County Zoning Ordinance, particularly housing in the County. Commissioner Gary Kofford made a motion to set a public hearing for May 4, 2004 at 5:00 p.m. to address the proposed changes. The motion was seconded by Commissioner Ira Hatch and approved by all members present. There will be time after the public hearing to make changes if necessary. The notice will need to be published in the paper two weeks before the hearing.

**(4)**

**CITIZEN CONCERNS.**

***Youth and Families with Promise***

Diane Tadehara, site coordinator for the Youth and Families with Promise, discussed with the Commission the need for funding in order to continue the program. Federal funding has been cut. Last year a fund raiser was held in conjunction with the hair stylists in the County. One dollar per cut was donated during the month of August. Senator Orrin Hatch has been able to get some money appropriated to keep the program in operation but the individual counties have to come up with matching funds. When the program began a year and a half ago there were 4 kids in the program. This year there are 17 kids and 12 young adult mentors. Commissioner Ira Hatch will get with Dennis Worwood and go over the budget to see if there is any money available in the extension budget to help with the program.

**Swinging Bridge**

Bert Oman, Historical Society, discussed with the Commission concerns over the restoration of the swinging bridge. He stated that he and Mervin Miles inspected the bridge and they feel it is in good condition. Kathleen Truman, State History, is working on a grant for \$4,500.00 through the State Historical Society. People from State History will come down and develop a plan for the restoration and give us the guidelines that will have to be followed since it is a historical site. Commissioner Kofford stated that he felt the Commission all agreed that the bridge has great historical significance and should be preserved. Commissioner Hatch stated that a plan needs to be developed. Because the State has regulations on how the money can be spent we need to make sure the plan fits into their guidelines. Commissioner Hatch stated his support for efforts

to maintain the site as a historic location.

(5)

**STEVE BARTON, UPDATE ON EMERY TELCOM TAX APPEAL.**

Emery County Treasurer Steven Barton gave the Commission an update on the Emery Telcom tax appeal. The taxes appealed are for 2003. There was property reported as plant in service when in reality it was not in service. The total amount that is due back to Emery Telcom is \$15,492.48. The amount of Emery County's share would be \$5,116.29. This is the biggest appeal for the current year thus far.

(6)

**CONSIDERATION AND APPROVAL OF AGREEMENT WITH UTAH DEPARTMENT OF CORRECTIONS AND EMERY COUNTY FOR TELEPHONE SERVICE.**

Jay Schelin, Facilities Manager, presented the Commission with a contract for telephone services. The contract is for 5 years and provides for payments to the County for up to \$12,000.00. If that amount is exceeded, the contract will need to be amended. Commissioner Gary Kofford made a motion to sign the contract with the Utah Department of Corrections. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**RATIFICATION OF MOA TO DOCUMENT AN ORAL HISTORY ABOUT THE MUDDY CREEK BRIDGE AND SURROUNDING GENERAL SETTLEMENT.**

Commissioner Gary Kofford made a motion to ratify the MOA to document an oral history about the Muddy Creek bridge and surrounding general settlement. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF LSTA GRANT CONTRACT APPROVAL FOR THE EMERY COUNTY LIBRARY.**

Jeff Guymon, IT Director, applied for a LSTA grant for the library. The grant is for \$7,490.00. The grant will enable the library to purchase seven more computers. There is no match required for the grant. Commissioner Gary Kofford made a motion to approve the LSTA grant. The motion was seconded by Commissioner Ira Hatch and approved by all members present. Loyette Holdaway is going to take over writing and submitting the grants for the libraries.

(9)

**DISCUSSION OF JOE'S VALLEY BOAT RAMP PROJECT AND SEEK APPROVAL**

COMMISSION MEETING MINUTES  
APRIL 6, 2004

**TO AWARD BID.**

Commissioner Sitterud discussed the Joe's Valley boat ramp project. Last year the County applied for a grant. It was denied. Early last fall the grant was applied for again and it was approved. The grant is to put a boat ramp on the east side of Joe's Valley Reservoir. The mud is silting in where the existing boat ramp is and the cost to remove the mud was so great that it was not feasible. Historically the water does not rise until the end of April. The lake has already started to rise. Every foot of water that raises causes a loss of sixteen feet of boat ramp. The lake has already risen two feet. The project has been put on a fast track. There was a site showing last Wednesday. The bids will be in on Thursday. The 404 permit has not come through yet. This is the permit that will allow work to be done within the water inundation line of the lake. Commissioner Sitterud is seeking approval to move forward with this project if the bid that is received is under the engineer's estimate. Commissioner Ira Hatch made a motion to give Commissioner Sitterud authority to award the bid if the bid comes in at or under the engineer's estimate and ratify the action at the next meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The boat ramp will be designed so it can be poured as far down as the water will allow up to 500 feet. If the water level goes down more in the fall more cement will be poured then.

**(10)**

**SETTING DATE AND ADVERTISEMENT FOR MAY TAX SALE.**

Sr. Deputy Clerk/Auditor presented May 25, 2004 at 10:00 a.m. for the tentative date for the May tax sale. Commissioner Ira Hatch made a motion to set the date for the May tax sale as May 25, 2004 at 10:00 a.m. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**RATIFICATION OF BUSINESS LICENSE FOR B&T BUILDERS.**

This item was approved last meeting but was not on the agenda. Commissioner Ira Hatch made a motion to ratify the business license for B&T Builders. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Commissioner Ira Hatch would like to put together a committee for a flower fund for the County. There seems to be duplication of flowers being sent to funeral services. Commissioner Hatch will bring back suggestions to the next meeting.

COMMISSION MEETING MINUTES  
APRIL 6, 2004

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #161279 through and including #161495 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
26-04	Paging Terminal/VHF Radios Power Supply/Antenna/Sheriff	\$9,896.00	Approved
27-04	(2) Base Stations/Repeater/ Repeater Duplexer/Sheriff	18,896.28	Approved
28-04	HP Design Jet Plotter/ IT	16,200.00	Approved
29-04	(3) Fuel Tanks/Pumps/Key Boxes Highway	5,000.00	Approved
30-04	Fuel Pumping Station Landfill	920.00	Approved
31-04	(1) Flat Bed Highway	1,229.00	Approved
32-04	Window Blinds Airport	356.60	Approved
33-04	Furnace/Airport Terminal Airport	1,100.00	On-Hold
34-04	Furnace Circuit Boards Airport	275.00	Approved

The following dispositions were presented:

<u>ASSET #</u>	<u>DESCRIPTION</u>	<u>DEPARTMENT</u>	<u>ACTION</u>
3158	Executive Chair	Commission	Approved
4990	Executive Chair	Commission	Approved
6429	Desk	Commission	Approved
3386	Armchair	Commission	Approved
3325	Credenza	Commission	Approved
3316	Bookcase	Commission	Approved

COMMISSION MEETING MINUTES  
APRIL 6, 2004

2276	Chair	Library	Approved
6685	Computer System	Sheriff	Approved
3566	Chair	Commission	Approved
6014	Executive Chair	Commission	Approved
580-6918	Chair	Library	Approved
3705	Calculator	Commission	Approved
3293	Armchair	Commission	Approved
6609	Television	Commission	Approved
7223	Laptop Computer	Commission	Approved
6483	Cellular Phone	Commission	Approved
3377	Desk	Commission	Approved
6329	Printer	Commission	Approved
5716	Overhead Projector	Commission	Approved

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions with the exception of requisition #33-04 for the furnace at the airport terminal.

Cell phone reimbursement requests were presented for Dennis Worwood and Christine Jensen from the Extension office. Commissioner Ira Hatch made a motion to approve the cell phone reimbursement for Dennis Worwood and hold the request for Christine Jensen. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**  
**A. CONSIDERATION AND APPROVAL OF RESOLUTION ESTABLISHING**  
**HIPAA PRIVACY POLICY.**

*Sheriff*

LeeAnn Scoggins has submitted a letter advising the Sheriff that she will be retiring effective June 16, 2004. Her last day of work will be June 11, 2004. Sheriff Guymon is requesting approval to begin the recruitment process to fill the vacancy. Commissioner Ira Hatch made a motion to authorize Pat Snowball to begin the recruitment process and suggested that the new hire begin work the last week that LeeAnn Scoggins will be employed to enable some training of the new hire before LeeAnn retires. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Pat Snowball explained the reasons the County needs to adopt a HIPAA privacy policy. Employers with small health care plans must comply with the federal law by April 14, 2004. Since Emery County maintains a health insurance plan for the benefit of employees, the County must be in compliance by that date.

COMMISSION MEETING MINUTES  
APRIL 6, 2004

Commissioner Gary Kofford made a motion to adopt Resolution 04-06-04 establishing the health insurance portability and accountability act (HIPAA) privacy policy. Included in the motion was to appoint Pat Snowball as the privacy officer. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Pat Snowball discussed with the Commission the need to amend the Administrative Service Agreement to include a Business Associate Agreement in order to allow Corporate Benefit Services to administer our health insurance claims. Commissioner Gary Kofford made a motion to approve the amendment to the Administrative Service Agreement. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated March 16, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**COMMISSION REPORTS**

***Commissioner Sitterud***

There was a site showing at the ball complex in Huntington. The Recreation District applied for a grant from the Community Impact Board. The grant will provide new fencing for the entire ball complex. The grant will also replace all of the wooden picnic tables at Little Bear Campground with aluminum tables. There will also be improvements made at the trap range located near the landfill that is operated by the sheriff's office.

Commissioner Sitterud went with the State to look at the trail grooming program. The snow pack is not in good shape. All of the lower snow up Joe's Valley has melted.

A wolf management meeting was held on March 18, 2004. Emery County is in a unique position because all of the wolves south of I-70 will still be classified as endangered. The wolves on the north side of I-70 will be managed by a plan from the State.

There was a meeting on Wednesday to meet the Executive Vice President of Utah Power, Rich Walje. Mr. Walje has ties back to Green River which should be good for rural Utah.

Commissioner Sitterud met with Deb Dull at the Economic Development Council meeting. Unit 4 for the Hunter plant is still being worked on. The air quality permit has not come through.

COMMISSION MEETING MINUTES  
APRIL 6, 2004

There was no definite answer on where unit 4 was going but the work that has been done so far looked good.

Kresha Eastman, RC&D, has resigned from her position. The position requires a four year degree in biology or zoology. The candidates for this position will not be interviewed. The selection will be from resume only. Preference would be given to someone from the County if they meet the qualifications.

Commissioner Sitterud also discussed the problem with the Green River canal. The canal is filling with silt. There is seven miles of canal and only eleven feet of drop. There is discussion of putting in a pressurized water system.

***Commissioner Hatch***

Commissioner Ira Hatch and Commissioner Gary Kofford met with Conoco Phillips. The methane gas production outlook is anything but rosy. Commissioner Hatch also attended the Trust Lands Board meeting and the Utah Association of Counties Insurance Pool meeting. The retirement party for Bill Landels was also held that day in Salt Lake City. The Workforce Service Council also met in Moab on Friday and he attended these events.

A meeting was held to discuss the Lawrence Cemetery. This cemetery is the only one in the County under the jurisdiction of Emery County. The rest of the cemeteries are operated and maintained by the cities. A plan of action is being established for the management of the Lawrence Cemetery.

A meeting was held in the NRCS office in Price concerning the Millsite sedimentation problem. The meeting took a different turn than was expected. They were trying to get the funding online. It was determined that the studies that were required only covered half of the project. More studies will have to be completed before the funding will be provided. A funding request has been submitted to Senator Bennett's office.

James Nielsen, Weed Supervisor, attended a meeting for coordinating agencies in Moab.

The BLM is proposing to erect entrance signs into the San Rafael Swell. Commissioner Sitterud was our representative. The following are six locations where the BLM proposes to erect signs:

- 1) Buckhorn
- 2) Cleveland

COMMISSION MEETING MINUTES  
APRIL 6, 2004

- 3) Woodside
- 4) Temple Mountain
- 5) Dutch Flat
- 6) Moore Cut-off

There will also be a COG meeting tonight to discuss the county wide addressing system and a unified system for building inspections through out the county.

**(17)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_

**COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 20, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Ira Hatch needed to leave the meeting early to attend a meeting in Ogden. Commissioner Drew Sitterud stepped down during the remaining of the meeting to execute motions as needed.

(1)  
**ROBERT GREENBERG, PRESENTATION OF AUDIT FOR FOUR CORNERS  
MENTAL HEALTH.**

Robert Greenberg, Four Corners Mental Health reviewed their 2003 audit report with the Board of Commissioners. Issues identified in the management letter have been addressed. They had a clean audit. The state requires certification of review of the audit report. The Board of Commissioners signed the certification and thanked Mr. Greenberg for the great services Four Corners provides the county.

(2)  
**PRESENTATION FROM "FRIENDS OF THE GREEN RIVER POSITIVE ACTION  
COMMUNITY TEAM" AND REQUEST FOR DONATION.**

Mary Wilmarth, Chairman of Friends of the Green River Positive Action Community Team, Jim Huffaker and Connie Copenhaver came before the Board of Commissioners to discuss their plans to organize fund raising efforts to build a community center, assisted living facility and affordable housing development in Green River City. They requested \$5,000.00 to be used as seed money to begin the 501C3 non-profit organization process, do a feasibility study and a needs assessment. She explained that their goal is to provide positive community goals. The first thing they have chosen to do is to build a community life complex which will consist of an eight bed assisted living facility, a large community center and eight affordable housing units. There will be convention space, a large gym, a bowling alley, office space and space dedicated to distance learning.

Jim Huffaker, CEU explained that they are interested in providing distance education and continuing education similar to the system provided at the Spartan Center. They hope to provide a place for Social Services also. Commissioner Hatch expressed concern that there may be a duplication of services in the county or water down other programs already provided in the area.

COMMISSION MEETING MINUTES  
APRIL 20, 2004

Mr. Huffaker explained that it was not their goal to diminish other programs. They just want a central location for all the programs. The request was made for \$5,000.00 to help defray the cost of grant requirements. Commissioner Hatch expressed concern for where to come up with the \$5,000.00 to give them. Commissioner Ira Hatch made a motion to table any decision to allow time to explore options to see if or when the county can participate. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**EMERY COUNTY YOUTH LEADERSHIP COUNCIL, REQUEST FOR DONATION TO THE CASTLE VALLEY YOUTH LEADERSHIP CONFERENCE.**

Gay Lee Jeffs came before the Board of Commissioners representing the Emery County Youth Leadership Council. The Council is made of advisors to youth city councils from the various city councils in the county. These advisors are: Huntington, Julie Jones, Orangeville, Dannette Waite, Castle Dale, Gay Lee Jeffs, Ferron/Emery, Nancy Jensen, Cleveland/Elmo is currently in need of an advisor. Every year there is a youth leadership conference in Logan which cost the youth approximately two to three hundred dollars each. The cost to attend the conference is high for some of the youth. The youth leadership council decided they could host their own conference combined with Carbon County youth council members. They plan on hosting the conference on May 21 and 22, 2004 here in Castle Dale. There are costs associated with hosting a conference. They are currently looking for a speaker. They have planned workshops, a service project and fun activities. They will have a banquet at the end of the conference where they will award scholarships. The funds for the scholarships comes from the lamb fry held the previous year. They will be giving away a computer at the end of the conference. Each of the city councils have committed to funding a meal during the conference. They requested a donation from the county to help fund the conference. Commissioner Gary Kofford made a motion to donate \$250.00 to the Emery County Youth Leadership Council. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF RESOLUTION AUTHORIZING CASTLE VALLEY SPECIAL SERVICE DISTRICT TO ENTER INTO A MUNICIPAL LINE OF CREDIT WITH ZIONS BANK FOR \$200,000.00.**

Darrell Leamaster, Castle Valley Special Service District explained that the last few years CVSD has had to use tax anticipation borrowing to have enough cash to get them through the year. They have done an cash flow analysis to anticipate their financial needs through the remainder of the year and have determined they will need funds to get them through August and September. They propose a standby tax and revenue anticipation note with Zions Bank. They propose signing an agreement with Zions. The funds will not be pulled until they are needed. The terms are at .75 of prime or not to exceed \$200,000.00. Commissioner Ira Hatch made a motion to

COMMISSION MEETING MINUTES  
APRIL 20, 2004

approve signing Resolution 4-20-04 authorizing Castle Valley Special Service District to enter into a municipal line of credit with Zions Bank for \$200,000.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(5)**  
**RATIFICATION OF THE CONTRACT WITH STATE HISTORY FOR  
PRESERVATION WORK ON THE SWINGING BRIDGE**

Commissioner Ira Hatch made a motion to ratify the signing of a contract with State History for work on the Swinging Bridge. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**  
**CITIZEN CONCERNS**

Jeff Guymon, IT requested approval for a Memorandum of Understanding between Emery County and Southeastern Utah Association of Local Governments (ALG). The purpose of the MOU is to provide the ALG with data and maps indicating the location, quality, and type of each housing units within the survey area as prescribed by ALG staff. ALG has agreed to reimburse Emery County \$7,000.00 to provide the data and maps relative to the housing quality/type survey.

Commissioner Ira Hatch made a motion to approve the MOU with ALG and to ratify the signing of the MOU in the next Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**  
**10:00 a.m.-PUBLIC HEARING- To accept public comment on Level III Conditional Use Permit for Mac's Mining of Huntington, Utah.**

Commissioner Gary Kofford made a motion to move into a Public Hearing to accept comment on a Level III Conditional Use Permit for Mac's Mining of Huntington, Utah. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Mac Huntington, Planning Commission reported that the application has been reviewed by the Planning Commission. The Commission recommended granting the permit. Growth of the business has pushed them into county boundaries. Huntington City did not want to annex the property into the city at this time. This permit recognizes Mac's Mining as being in compliance with the zoning ordinance.

Zoning Director, Bryant Anderson commented that Mac's Mining has done an excellent job of

COMMISSION MEETING MINUTES  
APRIL 20, 2004

meeting or exceeding any requirements. Gary Kofford echoed Mr. Anderson's comment, expressing gratitude to Mac's Mining for the professional manner in which they operate their business.

There were no other comments from the public. Commissioner Gary Kofford made a motion to close the public hearing. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF LEVEL III CONDITIONAL USE PERMIT FOR MAC'S MINING.**

Commissioner Gary Kofford made a motion to approve a Level III Conditional Use Permit for Mac's Mining as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)**  
**CONSIDERATION AND APPROVAL OF LETTER OF INTENT WITH UTAH POWER FOR ENERGY AUDIT.**

Commissioner Gary Kofford discussed a letter of intent from Utah Power to perform an energy analysis at no cost to the county. The analysis will determine potential energy savings available from the installation of energy efficiency measures at the courthouse located at 75 East Main in Castle Dale. Attorney David Blackwell has reviewed the letter of intent and recommends approval. Commissioner Gary Kofford made a motion to approve signing a letter of intent with Utah Power for an energy audit as outlined in the letter. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF PROPERTY TAX DEFERRAL REQUESTS.**

Treasurer, Steven Barton discussed two taxpayers's request to extend payment of their property taxes until November 30, 2004. He presented extension agreements for:

Bruce and Loyette Myerhoff, and James and Pam Anderson.

Commissioner Ira Hatch made a motion to approve entering into an agreement with Bruce and Loyette Myerhoff and James and Pam Anderson granting them an extension of property tax payments to November 30, 2004. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)****CONSIDERATION AND APPROVAL OF 2004 ELECTION JUDGES.**

Clerk/Auditor Bruce Funk presented a list of proposed 2004 Election Judges. Commissioner Gary Kofford made a motion to approve the 2004 Election Judge list as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Mr. Funk recommended considering the current amount of \$60.00 per day for election judges and satellite registrars stating it has been the same amount for several years. He recommended raising the amount to \$70.00 per day. Election judges receive \$10.00 plus mileage at 37.5 per mile for attending Election Judges training on June 7, 2004. Commissioner Ira Hatch made a motion to approve \$70.00 per day for election judges and satellite registrars. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Bruce also presented the names of Satellite Registrars for approval as follows:

Huntington, Francie Handley

Ferron, Ted Ann Funk

Green River, Norma Dean Hawkinson

The Clerk/Auditor's office handles Castle Dale and Orangeville.

Commissioner Ira Hatch made a motion to approve the satellite registrars as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)****CONSIDERATION AND APPROVAL OF 2004 PROPERTY TAX EXEMPTION LIST.**

Deputy Clerk/Auditor, Carol Cox presented the 2004 Property Tax Exemption List. Affidavits were received in the Clerk/Auditor's Office as required by Utah Code. Orient Lodge in Green River did not send in an affidavit. They were contacted by phone and advised of the deadline. As of the April 20, 2004 Commission Meeting the affidavit was not received. Commissioner Gary Kofford made a motion to approve the 2004 Property Tax Exemption List as presented with the exception of Orient Lodge. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #161665 through and including #161811 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
--------------------	--------------------	---------------	---------------

COMMISSION MEETING MINUTES  
APRIL 20, 2004

36-04	Office Software Licenses Capital Replacements	\$3,392.30	Approved
37-04	Server Hard Drive IT	685.86	Approved

Bruce Funk presented the additional claims for consideration. He expressed concern for a claim from High Velocity for forty-two gift certificates for the Sheriff's Department. Captain Kyle Ekker indicated he believed that they were for Christmas and that the bill was late coming in. Bruce expressed concern for a department purchasing gift certificates for employees over and above what the county already gives each year and also for singling out one business. It was his recommendation to not pay the claim to High Velocity from the Sheriff's budget.

He also discussed the claim for repairs on the landfill compactor. The amount of the claim will push the project over budget. He expressed concern for projects being approved out of a published open meeting.

Commissioner Ira Hatch had to leave the meeting early so Commissioner Drew Sitterud stepped down to make a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Deputy Clerk/Auditor Carol Cox presented a business license application from Thomas Memmott DBA : Millsite Restaurant. Mr. Memmott would like to have the restaurant open by May 1<sup>st</sup> and the next Commission meeting is on May 4<sup>th</sup>. Zoning Director, Bryant Anderson has signed the application. Commissioner Gary Kofford made a motion to approve the business license for Thomas Memmott DBA: Millsite Restaurant and to ratify the decision in the May 4<sup>th</sup> Commission Meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(14)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Library Department Head, Jerilyn Mathis reported that advertising and interviewing for an assistant librarian at the Castle Dale library has been completed. The Library Board recommended hiring Jackie Collard. She will work 19 ½ hours a week at the base rate. Kay Jeffs will go to the Orangeville Library. Commissioner Gary Kofford made a motion to approve hiring Jackie Collard as assistant librarian at the Castle Dale Library as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**

COMMISSION MEETING MINUTES  
APRIL 20, 2004

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated April 6, 2004 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**  
**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud asked Ray Petersen to report on the recent Forest Service Land Management Plan Meeting. Several public meetings are planned to receive comments on the plan.

**(17)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING OF THE  
BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 4, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**PATRICK GUBBINS, BLM, QUARTERLY UPDATE.**

Mr. Gubbins was not able to attend the meeting today.

**(2)**  
**MESHIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Michael Davis, Forest Ranger provided a quarterly update of activity:

- He discussed a South Manti timber sale
- EIS is out for comment on the SITLA East Mountain Access for timber harvest and oil and gas exploration.
- They have a couple of Environmental Assessments for Fortuna at Lowry Water and Miller's Flat area. They have planned a well for this year and one for next year.
- Drought continues to be a concern. They will be looking at the range and what it can sustain as far as grazing and fuel concerns as a result of the drought.
- As a result of fire hazards due to the drought they will be implementing fuels projects to hopefully cut down on the hazard.
- They will mechanically treat about six acres in Joe's Valley. They will have a prescribed burn at Willow Campground.
- They will do a mechanical treatment around Ferron Reservoir
- There will be a NEPA analysis at Whispering Pines.
- Outfitter and Guide permits are now being issued.
- They are moving forward with a requirement to have Muddy Creek Lodge be dismantled.
- UPL using herbicide treatments along ROW's
- The Orangeville/Ephriam road will be re-aligned this summer.
- They have had a inquiry into re-opening Birdseye Quarry to provide stone for re-habilitation of the State Capital building.
- They have reconstruction going on at Indian Creek Campground this summer. The campground will remain open during the process.
- The Lake Canyon timber sale draft EIS will be out for comment in the next thirty to forty-five days.
- They will have a Conservation Day on May 19, 2004 at Old Folks in Huntington Canyon.

- A Wasatch Plateau Allotment EIS which evaluates continuing affects of grazing will be out for comment in the next sixty days.
- They have a joint document they are doing with the BLM over Rilda Canyon. It is called Rilda Breakout evaluation .
- He reviewed decisions in the process of appeals regarding coal bed methane wells behind the Huntington Power Plant in Huntington Canyon. East Clear Creek exploration wells have been appealed also.

(3)

**DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR, provided the following update of activity:

- Bull and buck draw results are out now.
- The wildlife people are finishing up spring classification. On the Manti we lost a few fawns but are still better off this year than in past years with ratio of fawns to does especially considering the condition of the winter range with the dying sagebrush in the lower elevations.
- They lost Wade Passic as damage control specialist. He is now the biologist in Emery County. Wade has been replaced by Robert (Grizz) O'Lean.
- Sage grouse have been found on Horn Mountain for the first time in six years.
- Damage complaints due to deer have been light this spring.
- Habitat people have been busy with Utah Partners for Conservation and Development. This organization is composed with the efforts of fifteen agencies and the support of the governors office. The purpose is to find common ground to improve rangeland health.
- May 13, 2004 they will have a Range Creek Management Plan initial meeting. They are looking for input for what direction to go with managing Range Creek.
- They have hired a new Conservation Officer in Emery County. His name is Jay Topim.
- Fishery people are working permit with FS to get equipment up to Duck Fork to begin work on the fishery trap. As soon as the snow melts up there they plan to get the contract out on bid again so that the contractors can actually look at the site to be able to bid on the project.
- They had a habitat project planned to do some fencing at Rigley working with the FS and permittees. That project has changed a little bit. Instead of fencing they will be piping water from a spring into Rigley.
- They will be planting 12,000 rainbow trout at Millsite this month. They plan to gill net Joe's Valley and Millsite this month also.
- Kid's Fishing Day is on the 15<sup>th</sup> of this month at the Huntington Game Farm Pond. They will have a big celebration with prizes.
- They took about 300 emery County students and Boys Scouts on tours of Desert Lake this year. They instructed the students about the ecosystems and wetland habitat.

## COMMISSION MEETING MINUTES

MAY 4, 2004

3

(4)

### CITIZEN CONCERNS

Jan Hess, President of American Legion Auxiliary discussed Operation Home Support. The American Legion Auxiliary has put together items that the servicemen need such as socks, baby wipes, hand cream, books, cards, hard candy, chicken in a pouch and much more. She indicated that she shipped a 19 pound box recently that cost \$35.64 to get to the A.P.O. in New York to be shipped to the soldiers for free from there. Donation boxes for the items are available at various locations in the county. She requested a donation from the Board of Commissioners to help pay the cost of shipping the needed items to the soldiers. Commissioner Gary Kofford made a motion to contribute \$250.00 to the American Legion Auxiliary. The motion was seconded by Commissioner Ira Hatch and approved by all members present. Because the item was not listed on the agenda for today's meeting. Approval will be ratified in the next Commission Meeting.

Commissioner Gary Kofford informed the Commissioners that there is a vacancy on the Library Board. Jimmy Jones' term of service has ended. According to the bylaws of the Library Board the individual must sit out for one year before they can be appointed for another term. Commissioner Gary Kofford made a motion to advertise for applications for a board member from the Huntington, Cleveland, Elmo area and to ratify the motion in the next Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

### 5:00 PM- PUBLIC HEARING- To receive public comments on the revised Emery County Zoning Ordinance.

Commissioner Ira Hatch made a motion to move to a Public Hearing to receive public comment on the revised Emery County Zoning Ordinance. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Mac Huntington, Chairman of the Planning Commission addressed the public. He informed the public that the Planning Commission is an advisory council to the Board of County Commissioners. The Planning Commission has the job of maintaining the General Plan and the Zoning Ordinance. They began reviewing the Zoning Ordinance several years ago and it has taken some time to get it to this point. The Board of Commissioners have the option of approving the amendments as they are presented to them, they can reject the amendment or they may approve what is given to them by amending some of the things that come to them. When the Planning Commission began this review to recommend some changes the Planning Commission used the resources of the county to conduct the land use inventory of what is in the county. They used the records of the Recorder's Office, the Assessor's Office and most timely the data base and other useful information available in the IT or Mapping Department. From that the Planning

## COMMISSION MEETING MINUTES

MAY 4, 2004

4

Commission was able to a land use inventory of things in the county. They were able to map and identify the infrastructure available in the unincorporated area of the county. They were able to identify roads, power grids, gas line services, water utilities, etc. They also did an extensive amount of mapping themselves in that Bryant Anderson, Zoning Director who serves a staff function to the Planning Commission went out with the GIS Mapping department and physically located every building in the unincorporated area of the county. Bottom line was many of the changes that the Planning Commission was asking the Board of Commissioners to make were based on findings of fact of what is out there in the county. The Planning Commission provided to the public, a list of the changes and previously met with the Board of Commissioners in a work study meeting to apprise them of the proposed changes. Their review of all of these things took place by breaking it down into sub-committee categories and had the sub-committee review a specific item and brought it back to the full Planning Commission to let it go through the public process. A summary of the changes was listed on the front page of the review copy provided tot he public.

Commissioner Drew Sitterud opened the meeting to the public for comment.

Mac summarized the A-1 Zone which was of the most concern to many. Mike McCandless and Judy Scott served on the sub-committee that reviewed the A-1 Zone. The proposed changes in the A-1 eliminates the requirement of irrigation water right ownership as a condition for obtaining a zoning clearance. You still have to have to have a minimum lot size of ten acres but you don't have to present water certificates to show that you are a farmer. However, if you are going to build on the ten acres you must meet the requirements of the point system which the Planning Commission feels makes it more difficult to build there in that it requires you have the needed infrastructure such as electricity, roads and water before you can live out there.

Mike McCandless reviewed the water requirements and lot size requirements.

There has been a lot of discussion over the years about lot size and water requirements. There are very few existing lots left in the unincorporated area of the county that are under the existing ten acres requirement. The majority of those lots under the ten acre requirement are called legal non-conforming lot. They would have been there prior to the existence of the zoning ordinance. When you take those into account, there are so few of those lots available to build on, they could find no justification to change the requirement of ten acres to build on. They are not opposed to a change in the acreage, however based on fact they could not come up with an acreage that would be appropriate to justify the change.

LaMar Guymon wanted to know how he could build on a five acre lot.

Mike explained that as the Zoning Ordinance stand now the minimum lot size to build on is ten acres. The Zoning Ordinance has within it provisions for the public to initiate the process to make changes within a zone.

## COMMISSION MEETING MINUTES

MAY 4, 2004

5

Sheriff Guymon asked about those lots that start out as ten acres and are now an acre.

Mike reported that the Planning Commission is involved in the issuance of building permits. They do not maintain the property after the permit was issued. If the person makes a change later the problem will arise when that person tries to sell the property or acquire financing. The banks will not finance the property because it does not conform to the Zoning Ordinance.

Zoning Director, Bryant Anderson spoke of non-conforming lots which are lots that are under the ten acre requirement. Legal Non-Comforming is the same as grand-fathered and Illegal Non-Conforming means the lot was made illegal.

Mike explained that the county has a large block of legal non-conforming lots in Lawrence. Basically all the lots in Lawrence are under ten acres lots, put there before the Zoning Ordinance was in existence. The Sub-Committee looked at the situation and decided to leave it legal non-conforming

Commissioner Hatch ask if there was a process to receive a variance on a specific thing or do we need to address the whole ordinance to change the acreage requirement.

Mac explained the process for appealing the acreage requirement. The person must appeal to have the ordinance changed. They may be referred to the Board of Adjustments.

Allan Thorpe, Council for the Planning Commission explained that the Board of Adjustments does not have the authority to change the ten acre requirement.

Mac stated that to change the ten acre requirement the person would have to go through the public process to change the ordinance.

Alan Thorpe explained that the original purpose for the ten acre requirement was to prevent people from building homes outside the city limits. When people built outside the city limits it created a need for services that the county was not able to provide. Inside city limits they had Castle Valley Special Service District to provide services. The original intent was to restrict the agricultural zone to strictly agricultural.

Commissioner Kofford commented on the acreage requirements and asked the question as to what kind of density we want in the county. He added that the Planning Commission worked long and hard to come up a conclusion on the question of acreage requirement. The Planning Commission's feeling was that ten acres is about the density they wanted to see in the county.

Dixie Swasey, Recorder stated that her office hears from many people looking for acreage to build on. These people want two, three, five acres to build on. We they tell them that they have

## COMMISSION MEETING MINUTES

MAY 4, 2004

6

to have ten acres to build on in the county and that if they only want that much acreage that they should look for acreage or lots in the cities. It is very hard to find anything within city limits.

Mac stated that one thing that the Planning Commission looked at carefully in the process was that in making a change that they do not want to extend the resources of the county beyond what the infrastructure will carry. We need to be careful as planners and commissioners that we don't set the number too low and get to much density to supply water and power services to.

Mike cited an example in the one line in North Emery Water Users system that is capable of a legal fire hydrant and that is the main line coming down the canyon. There is not one line in our system that runs around Cleveland and Elmo that is able to handle what is recommended by the state fire marshal. All the fire hydrants in Cleveland and Elmo are colored green to let the fire department know that it is not a standard, fire capable hydrant. When you start increasing the density that problem becomes even greater. NEWUSSD has made great strides since they have become a special service district but they are not even close to being able to handle that kind of a growth increase to be able to handle this kind of fire issues.

Commissioner Hatch commented that he was surprised at the lack of people ( in attendance at the meeting this day) that have taken an interest in the acreage issue. Through this public process the public is able to voice their concerns for certain issues.

Mac drew the Commissioners attention to the summary of uses both conditional and permitted in the county in a table provided in the proposed document on review.

The Planning Commission asks the Board of Commissioners to put authority and language in the ordinance that recognizes a new conditional use. If someone comes in with a novel land use and it conveys a substantial benefit to the county. It gives you the authority to act on that and process it and at the same time amend the ordinance to grant that use.

Many thanked Allen Thorpe for his countless hours and professional work he has done on the Zoning Ordinance.

Bevan Wilson, Lawrence added comments regarding water requirements and lot sizes. Lawrence still has many lots that are under ten acres. What is going to happen to those people who have held on to those under ten acre lots for many years when they want to come back to the county to build on. His family owns property in the lower section of Huntington where many people have been trying to find lots to build on. Many people have been forced to move to other areas in the county because they could not find property to build on where they wanted to be. There is just not may build-able lots in the city limits throughout the county. He felt that there should be a way, a process by which a permit could be considered on a case by case basis. He felt that a variance board or some other governing board could be used to allow changes in this

COMMISSION MEETING MINUTES

MAY 4, 2004

7

manner.

He expressed his gratitude to the Planning Commission and the Board of Commissioners for their efforts.

Commissioner Kofford added that the variance board is regulated by state statute. There are many things that need to be worked out in this Zoning Ordinance. This public process is only the beginning.

Allan Thorpe stated that there are ways to be more flexible in this ordinance. If you want him to investigate them, present them to the Planning Commission and come back with alternate suggestions he will. One thing that the Commissioners should appreciate in this amendment is that the point system does allow flexibility that was not there before. There is no reason why you could not establish some conditions for having smaller lots and award points based on that. You could also develop some other kinds of zones. There are a number of things that could be looked at.

Kathleen Truman commented on the point system and the points assigned to being on the power grid. What if the person wants to use solar power or a generator. She also had questions on the size of the dwelling and points associated with that. She asked that the Planning Commission re-look at the point system.

Mike stated that the intention of putting a size regulation was to add to the tax base. The tax coming into the county needs to reflect the service being provided. The points system is an incentive program to locate near the provided services.

Commissioner Ira Hatch made a motion to come out of the Public Hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to table any decision for thirty days to allow for comment period and to accept written comment. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Gary Kofford made a motion to advertise in the Progress for a thirty-day written and oral comment period and to make available through the Clerk/Auditor's Office and the Commission Office to the public a copy of the proposed amendment. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**RATIFICATION OF BUSINESS LICENSE FOR MILLSITE RESTAURANT.**

Commissioner Gary Kofford made a motion to ratify the approval of a business license for Thomas Memmott DBA: Millsite Restaurant. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(7)**  
**CONSIDERATION AND APPROVAL OF BEER LICENSE FOR MILLSITE RESTAURANT.**

This item was tabled.

**(8)**  
**CONSIDERATION OF BUSINESS LICENSE.**

A business license application was presented for Natalie Gardner DBA: Natalie's Trophy and Engraving. The application has been reviewed and signed by Zoning Director Bryant Anderson. Commissioner Ira Hatch made a motion to approve a business license for Natalie Gardner DBA: Natalie's Trophy and Engraving. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**RATIFICATION OF MEMORANDUM OF UNDERSTANDING WITH SOUTHEASTERN UTAH ASSOCIATION OF GOVERNMENTS FOR MAPPING.**

Commissioner Gary Kofford made a motion to ratify the signing of a MOU with Southeastern Utah Association of Local Governments to provide maps and data that will help them in their pursuit of state and federal funds for which SUALG will reimburse the county \$7,000.00. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE BILL WRITE-OFF FOR KELLY HANSEN.**

Commissioner Drew Sitterud read a letter to the Commission requesting ambulance bill write-off for Kelly Hansen who is deceased. The ambulance bill was in the amount of \$443.72. Kelly had MS as does his wife and two of their three children. The family is on disability and has no means to pay the ambulance bill. Commissioner Gary Kofford made a motion to approve

COMMISSION MEETING MINUTES

writing off the ambulance bill for Kelly Hansen in the amount of \$443.72. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)**  
**CONSIDERATION AND APPROVAL OF SIGN LEASE.**

Commissioner Gary Kofford made a motion to approve a lease of property for advertising purposes between Jack N and Hazel Allred for the county billboard sign. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)**  
**DISCUSSION OF MUSEUM OF SAN RAFAEL STAFFING.**

Commissioner Gary Kofford made a motion to table this item until the next Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)**  
**APPROVAL OC CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Sr. Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 161930 through and including #162040 for payment.

One requisition was presented for #38-04, a Colt Rifle AR15 at a cost of \$777.89 from the Sheriff's Department.

Now that the Sheriff's Department has moved into their new building they have had the opportunity to clean up their fixed asset list. The following is a list of assets from the Ambulance, Animal Control and Sheriff's Department that Sheriff Guymon requested approval as dispositions:

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Library

Flora Mott was promoted January 19, 2004. She has successfully completed her orientation period and Jerilyn Mathis, Library Director has recommended that she receive a step increase effective the pay period of May 10, 2004. Commissioner Gary Kofford made a motion to approve the step increase for Flora Motte as per policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

## COMMISSION MEETING MINUTES

MAY 4, 2004

17

### Sheriff

Nicole Deabenderfer is eligible for her routine progressive increase effective the pay period of May 10, 2004. Commissioner Ira Hatch made a motion to approve the routine increase as per policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

### GIS/IT

Sherman Miller recently completed a temporary assignment of up to 90 days. Because of the addressing project, Jeff Guymon has requested that Sherman be brought back for another temporary assignment of up to 90 days beginning May 3, 2004, at a wage of \$8.00. This temporary period will end July 31, 2004. Commissioner Ira Hatch made a motion to approve the temporary assignment of up to 90 days for Sherman Miller as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

### **APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to accept the minutes as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

### **COMMISSION REPORTS**

#### *Commissioner Hatch*

Commissioner Hatch and Personnel Director Pat Snowball recently attended a Personnel Conference in Ogden.

The County recently realized some savings on their insurance premium as a result of the Risk Managements efforts to bring the county into compliance with insurance requirements. At this time Emery County is at 62% and received a refund of \$5,034.00.

Utah Association of Counties Management Conference was held last week in St. George. Commissioner Hatch attended a Utah Joint Highway Committee meeting where he made a pitch for funds to complete the South Moore Road. The next meeting will be held in Richfield in September.

COMMISSION MEETING MINUTES

MAY 4, 2004

18

Commissioner Hatch and Rex Funk attended a meeting where they discussed the Americans with Disabilities Act and bringing building entrances into compliance with the ADA.

*Commissioner Kofford*

Commissioner Kofford discussed the need to bring the Elmo and Cleveland library's entrances into ADA compliance by providing handrails. Commissioner Gary Kofford made a motion to advertise for bids to install handrails on the Cleveland and Elmo library entrances and to ratify the motion in the next Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

He reported that the Olsen Family sold two, two acre lots in Joe's Valley to an individual. The individual approached the Planning Commission to get clearance to build on the lots. According to the Zoning Policy and State Statute you must have eighty acres in mountain property to build on. He asked the Planning Commission to draft a letter to the individual who purchased the property and advise them that it is illegal to build on.

*Commissioner Sitterud*

Commissioner Sitterud reported on his recent tour of Nine Mile Canyon with the Barrett Group an environmental group eager to put a stop to gas exploration in Nine Mile Canyon.

He reported on the progress of a low water boat ramp at Joe's Valley Reservoir.

Little Bear Campground will be getting new tables installed in time for Memorial Weekend. There will be reconstruction work at the Huntington Ball Complex also.

Merlin Christiansen is retiring after 16 years of service.

Bids have gone out for installation of a sprinkler system at the Nursing Home.

The Commission has received word that Unit 4 is a go. They hope to know more soon. Also Consol Mine will be starting back up in about three weeks.

COMMISSION MEETING MINUTES  
MAY 4, 2004  
19

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An Executive session was not needed.

**(18)**  
**ADJOURNMENT.**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 18, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DISCUSSION OF PROPOSED ORDINANCE/AGREEMENT WITH UAC REGARDING TRANSIENT ROOM TAX COLLECTION SERVICES.**

Commissioner Sitterud explained that Utah Association of Counties has set up a department to collect transient room tax. The state had been collecting the tax for a 3% fee and the county was not able to keep any of the interest. UAC will provide this service for 1.5 % as well as the county will be able to keep the interest. Emery County's transient room tax tripled when we acquired the annexed portion of Green River City. Transient room tax is earmarked for tourism only. The funds are transferred directly to the county through the Treasurer's Office. A public hearing is required to receive comment on adopting an ordinance/agreement to accept the funds. Commissioner Ira Hatch made a motion to advertise for a public hearing to be held on June 15, 2004 at 10:00 a.m. to receive comment on a proposed county ordinance/agreement with UAC regarding transient room tax collection services. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The proposed agreement will be available to the public for review at the Clerk/Auditor's Office.

(2)

**REQUEST TO ADVERTISE FOR VACANT POSITION ON THE EMERY COUNTY TRAVEL BUREAU.**

Doug Richards has resigned as board member on the Emery County Travel Bureau. His term expires on December 31, 2005. The E.C. Travel Bureau asked to advertise for a board member to fulfill the term of Doug Richards. Commissioner Ira Hatch made a motion to advertise for applications to fill the unexpired term of Doug Richards from the eastern part of the county on the Emery County Travel Bureau. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF PROPOSED SITLA RIGHT OF ENTRY FOR SEISMIC SURVEY.**

Commissioner Ira Hatch made a motion to give approval to what ever SITLA needs for the

seismic survey. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**DISCUSSION OF MUSEUM OF SAN RAFAEL STAFFING.**

Green Thumb, the federal program that pays retired people to work at museums, has been funding three employees at the Museum of the San Rafael. As these employees have left the program, Green Thumb has not replaced them because the program has ended. When Willard Young leaves the program in June the museum will need an employee to take care of the grounds and building maintenance. Ravolla Whittle was on the Green Thumb program but is now being paid by the county through a contract. The Board of Commissioners discussed making Ravolla a county employee under twenty hours a week at \$5.15 per hour. They will need to advertise for an employee to keep up the grounds and building maintenance. Jan Petersen, Museum of the San Rafael Director and Pat Snowball, Personnel Director were assigned to write up a job description for the two positions at the museum. Commissioner Gary Kofford made a motion to accept two individuals as employees at the Museum of the San Rafael at 5.15/hr. under twenty hours per week effective today. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**RATIFICATION OF DONATION TO AMERICAN LEGION AUXILIARY.**

Commissioner Gary Kofford made a motion to ratify a donation of \$250.00 to the American Legion Auxiliary. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**REQUEST FOR DONATION TO BRITTANY UNGERMAN.**

Brittany Ungerman is a student at Emery High School. Brittany is an athlete and cheerleader. She and Roxanne Jackson have been chosen to attend Cheer Hawaii USA, cheer camp, at the University of Hawaii July 2 through 8, 2004. Commissioner Drew Sitterud suggested that it would be best to have them approach the Recreation Special Service District for a donation.

(7)  
**DISCUSSION/APPROVAL OF LETTER TO BLM CONCERNING REHABILITATION PLAN FOR THE SAN RAFAEL SWINGING BRIDGE.**

Commissioner Sitterud reported that he along with Kathleen Truman, Dixie Swasey, Rex Funk, Ray Petersen, Gary Kofford and Cory Jensen, Natural History Specialist and other state people went out to the Swinging Bridge on the San Rafael. They discussed whether to allow usage of the bridge for ATV travel. The state people said it was in no way safe for any motorized vehicle travel. There was no reason to use it for travel when there is a new bridge ten feet away that can be used for motorized travel. It was their suggestion to leave the bridge as natural as possible. They suggested that the bridge should be used for pedestrian use only. They suggested replacing rotting timbers in the deck and minimal painting to leave the bridge as natural as possible. The county has a grant for \$9,000.00 to fund the rehabilitation project with the county providing one half in kind work and the state \$4,500.00. The Historical Society has \$1,000.00 to paint the bridge. As the rehabilitation is done they will try to put the bridge back to as original as they can. As part of the rehabilitation funding process from the state comment is needed from the BLM. Commissioner Ira Hatch made a motion to approve a letter to Joan Hubbert, BLM to get comment on a rehabilitation plan for the San Rafael Swinging Bridge. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)  
**DISCUSSION OF HANDRAILS AT CLEVELAND AND ELMO LIBRARIES**

Commissioner Gary Kofford discussed handrails at Cleveland and Elmo Library. The entrances are not ADA compliant. He called several welding companies as asked them to attend a bid showing. He had one company bid on the job. The bid was well over what he expected. He talked to Rex Funk at the Road Department about county employees doing the job. Rex indicated that the employees would not have time to do the job during the week but would be able to work on it Friday and Saturday. Commissioner Kofford estimated that with paying the overtime for the employees and the equipment they could cut the cost to do the job in half. Funds would have to be transferred from the Library to Highway to cover the cost of the project. Commissioner Gary Kofford made a motion to allow Rex Funk to proceed with putting up the handrails at the Cleveland and Elmo Libraries. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

**CITIZEN CONCERNS**

Jan Petersen discussed a growing concern at the Museum of the San Rafael. There are no marked handicap parking lanes or other parking lanes around the perimeter of the building. She was not sure if it was a Castle Dale City problem or a county problem.

Public Lands will be sponsoring a meeting Monday, May 24, 2004 at the Museum of the San Rafael. The meeting will be to clarify the county's position on RS2477 Roads and receive comment on the recent US ALL lawsuit. There will be representatives from State BLM and the Attorney General's office, Public Lands Council, Emery County Commission, Emery County Attorney, and the Sheriff's Department.

MECCA recently held their annual San Rafael Mountain Bike Festival. They had one hundred forty-eight participants from all over the state. There were no reportable accidents. All went well. It was well attended and covered by Channel 5.

(10)

**CONSIDERATION AND APPROVAL OF AMENDED EMERY COUNTY TRAVEL RULES AND REGULATIONS.**

This was tabled to allow time to review.

(11)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #162213 through and including #162371 for payment.

One requisition was presented from the Ambulance for a Monitor IV Stored Voice Pager in the amount of \$373.00.

Commissioner Ira Hatch discussed removing the Road Department truck that was wrecked from the asset list. Rex would like to use the truck as salvage to put with another truck to make one good truck. The insurance company has totaled the vehicle. We received word that the salvage value is \$917.00.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, Requisition and disposition of the truck from the Road Department as presented. The motion was seconded

by Commissioner Ira Hatch and approved by all members present.

**(12)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Road Department

Zen Majors will assume the position of Equipment Operator/Driver beginning with the pay period of May 24, 2004. Commissioner Ira Hatch made a motion to approve Zen Majors assuming the position of Equipment Operator/Driver as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Carol Ware has requested Family Leave which began May 6, 2004 and is expected to end July 29, 2004. Commissioner Ira Hatch made a motion to approve Family Leave for Carol Ware as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

While Carol Ware is on Family Leave, Lynda Smith will assume additional duties. It was requested that her wage be adjusted commensurate with the added duties. Commissioner Ira Hatch made a motion to give Lynda a two step increase on a permanent basis. Commissioner Gary Kofford discussed the possibility of giving Lynda a \$2.45/hr increase for up to 90 days while Carol is off and then have her pay return to what it was before. They can re-evaluate her position and pay when Carol returns to work. Therefore, Commissioner Gary Kofford amended Commissioner Ira Hatch's motion to approve giving Lynda a \$2.45/hr. pay increase for up to 90 days and to revert back to her old position's pay and to re-evaluate her position after Carol's return to work. This would be effective the next pay period. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Request was made to hire temporary up to 90 days clerical help. According to policy a department can hire up to 90 day temporary and advise the Commission within thirty days. Commission gave their approval to hire up to 90 days clerical help.

Weed & Mosquito

Cory Worwood began an up to 90 day temporary assignment as Weed and Mosquito Control Technician on May 17, 2004. This temporary assignment will end August 14, 2004. Commissioner Ira Hatch made a motion to approve the temporary assignment of Cory Worwood to the Weed and Mosquito Department as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
MAY 18, 2004

Economic Development

Marlin Eldred has submitted his resignation effective June 4, 2004. Request was made to begin the recruitment process to fill the vacancy left by Marlin. Commissioner Ira Hatch made a motion to accept Marlin Eldred's resignation and subject to discussion with the Economic Development Board and begin the recruitment process to fill the vacancy in Economic Development if deemed appropriate. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

Marian Mangum has completed her orientation period after her promotion. Jerilyn Mathis has recommended that she receive a two step increase effective the pay period of May 24, 2004. Commissioner Gary Kofford made a motion to approve the two step increase for Marian Mangum as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Ira Hatch made a motion to approve the minutes dated May 4, 2004 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch attended a meeting at the Huntington Airport with the state aeronautical engineer. Bevan Wilson from UDOT Highway Commission was present at the meeting also. They looked over the Huntington Airport Plan. Everything is moving along. Rob Midgley, Huntington Airport Manager has been providing courier service, charter flights, fuel and scenic tour services to the public as well as search and rescue for the Sheriff's Department.

He met with Rex Funk, Craig Johansen, a representative from the Federal Highway Administration and US Forest Service regarding re-habilitation of the Orangeville/Ephriam Road.

He met with Dave Shaver, Genwal Coal Company to discuss a mine plan in Crandal Canyon. They plan to put a new portal on the south side of the canyon. They intend to mine out a section behind the old Swisher #4 which was closed by Swisher some twenty years ago. They have

COMMISSION MEETING MINUTES  
MAY 18, 2004

purchase new long wall equipment that is equipped to handle low coal.

He and Pat Snowball attended Utah County Insurance Pool Board Meeting meetings in Moab where they discussed the UCIP agreement and attended the personnel management workshop.

He reminded everyone of the Third Annual Rural Business Conference in Richfield on May 25, 2004. The conference is sponsored by Senator Bob Bennett and Utah Rural Development Council.

*Commissioner Kofford*

Commissioner Kofford met with UAC representative Carl Hendrikson regarding State Tax Commission and centrally assessed and state assessed property.

He attended a DOGM meeting where they discussed the Rilda Canyon break-out for Energy West.

He was disappointed at the lack of public attendance at a Forest Service public meeting to discuss the management plan. The left fork of Huntington Canyon is eligible for Wild and Scenic designation. The right fork is recreational. They are looking for public comment.

*Commissioner Sitterud*

Commissioner Sitterud reported on progress of a low water boat ramp at Joe's Valley reservoir. Water is up at the reservoir so the contractor will hold off on the work until October.

The nursing home is getting a new sprinkling system.

He attended a meeting with State Parks where Ferron City pushed for funding for another nine holes at Millsite Golf Course. Land across the street from the golf course has been donated to the city for that purpose. The problem is how to get to the other side of the road. UDOT will not let them put up a stop sign. They will have to go over the road which is very costly or under it which has eight feet surface water to contend with.

Plans to move along with upgrading the road from U-24 to the entrance into Goblin Valley are moving along.

Emery Town council voted unanimously to approve the new addressing system. Ferron City is next.

8  
COMMISSION MEETING MINUTES  
MAY 18, 2004

He met with a man who is a lube oil specialist interested in starting back up the oil refining program in Green River.

The people who are putting in the landfill in Green River are not happy about how long it is taking to complete everything. They are looking now at the end of the year.

Green River City will have a Public Hearing for the White Sands Missile Base. Green River City wants to purchase the abandoned base.

Mineral lease payments have been good from the last two quarters and look to be same for the next quarter.

Commissioner Gary Kofford made a motion to recess until twelve o'clock and at that time to return for an executive session to discuss pending litigation with Attorney David Blackwell. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**  
**EXECUTIVE SESSION TO DISCUSS PENDING LITIGATION AND PERSONNEL MATTERS.**

Present at an executive session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Public Lands Director Ray Petersen and Deputy Clerk/Auditor Carol Cox.

Pending litigation was discussed.

**(16)**  
**ADJOURNMENT**

Upon returning to regular meeting, Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

June 1, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**DELENA FISH, WFS, QUARTERLY UPDATE.**

Delena Fish, WFS provided a quarterly update as follows:

The unemployment rate is still up around 10.5, the highest in the state. She reviewed job seeker activity, work load activity, food stamp accuracy and timeliness.

**(2)**  
**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull was not able to attend the meeting this time.

**(3)**  
**LARRY SALAZAR, EMERY TELCOM, QUARTERLY UPDATE.**

Larry Salazar was not able to attend the meeting this time.

**(4)**  
**DECLARATION OF UTAH MILITARY APPRECIATION WEEK JUNE 12-19, 2004.**

In recognizing the exceptional contribution of our fellow Utah citizens serving in the Armed Forces, Governor Olene Walker declared the week of June 12-19, 2004 as Utah Military Appreciation Week. She asked that we join her in supporting our military men and women through community involvement and in recognizing and celebrating Military Appreciation Week. She requested that all community members display the American Flag for the entire week. Commissioner Ira Hatch made a motion to declare the week of June 12-19, 2004 as Utah Military Appreciation Week in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**SELECTION OF AN AGENT FOR PURPOSES OF BEING SERVED UNDER THE GOVERNMENTAL IMMUNITY ACT.**

Attorney, David Blackwell explained that under the re-write of the Governmental Immunity Act there is notice provisions wherein we, Emery County must identify an agent for purposes of being served. Historically this has been the Clerk/Auditor's office. Bruce Funk indicated the chain of command for being served was from the Clerk/Auditor to the Attorney and also Personnel. Under the provision of the GIA the county must provide by way of a memo the name and address of the agent for the county. Pat Snowball indicated the memo would be beneficial for her reporting to UCIP. Commissioner Gary Kofford made a motion to designate the Clerk/Auditor as the agent for purposes of being served under the Governmental Immunity Act. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AMENDED EMERY COUNTY TRAVEL RULES AND REGULATIONS.**

Last month the Commission met with department heads and officials to discuss amending the Emery County Travel Rules and Regulations. The amendment being considered was a result of that meeting. Bruce Funk addressed his concerns. He felt that the amendment leaves latitude to officials with regard to expenses for spouses and does not identify dollar amounts for meals. The work area needs to be identified and what constitutes a paid meal in the work place. He finds it hard to enforce and felt there would be abuse involved. He was not comfortable with the amendment.

Dixie Swasey addressed her concerns also. She felt the amendment needs to be more definitive. What is fair and reasonable to one person may not be to another. The amendment being considered is left wide open for abuse.

Commissioner Ira Hatch made a motion to approve the amended Emery County Travel Rules and Regulations. Commissioner Drew Sitterud stepped down to second the motion. Commissioner Gary Kofford voted nay on the motion. The motion passed with one nay vote.

(7)

**APPOINTMENT TO EMERY COUNTY LIBRARY BOARD.**

Commissioner Gary Kofford stated that advertisement went out for applications to serve on the library board from the north end of the county. Two applications were received. The library

COMMISSION MEETING MINUTES  
JUNE 1, 2004

board was polled and recommended appointing Buleah Oveson to the library board. Commissioner Gary Kofford made a motion to appoint Buleah Oveson to the library board. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR  
ENHANCEMENT OF BOATING FACILITIES AT JOE'S VALLEY RESERVOIR.**

Tabled

**(9)**  
**DISCUSSION AND CONSIDERATION FOR TRT ORDINANCE AND AGREEMENT.**

Attorney David Blackwell stated that a Public Hearing was not required. The ordinance needs to be available for review by the public in the Clerk/Auditor's office and be posted in the Progress as such. The Commissioners still had questions that needed to be answered. Commissioner Ira Hatch made a motion to table the TRT ordinance and agreement until the Commission has had the opportunity to review it more and to cancel the Public Hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF GRANT CONTRACT WITH UTAH STATE  
HISTORY.**

Shirley Spears, Emery County Archives reported that the EC Archives applied for and got an oral history grant. The grant is a matching grant for \$3,000.00. The name of the grant is Castle Valley Women on the Home Front During WWII. The contract was presented for approval and signatures. Commissioner Ira Hatch made a motion to approve the grant as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Sitterud asked Shirley to explain the EC Archives ongoing project. Shirley has been hired by Utah State Archives to microfilm government records for Emery County. After finishing Emery County they will then be microfilming Grand County, San Juan County and Carbon County. The attorney's old office is being used because of its size and no windows in the room. On June 9<sup>th</sup> Stewart Priest and Bryan Carpenter from the State Archives will be here for a training seminar on keeping records.

**(11)**

**DISCUSSION OF COMMISSION MEETING STARTING TIME.**

Commissioner Drew Sitterud received a few requests to change the starting time of Commission Meeting to better accommodate the public. The Commission discussed the possible times for Commission Meeting. All agreed that having one meeting at nine in the morning and one at four in the afternoon was accessible to the public. They will look into it some more.

**(12)****REPORT ON MAY TAX SALE.**

Senior Deputy Clerk/Auditor, Brenda Dugmore reported on the recent May Tax Sale. Property Parcel #1 had taxes owing in the amount of \$894.50 and sold for \$3,125.00. Property Parcel #2 was struck back to the county. There were no bids. Property Parcel #3 had taxes owing in the amount of \$475.02 and sold for \$700.00. Property Parcel #4 had taxes owing in the amount of \$2,710.00 and sold for \$10,000.00.

Brenda indicated that the map that was on display at the beginning of the sale made the property parcel #2 appear to be land locked when it actually is not. She felt that is why there were no bids for the property. She asked the Commission what they wanted to do about the property struck back to the county. Commissioner Gary Kofford made a motion to advertise the property to the highest bidder. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Ira Hatch made a motion to set August 3, 2004 as the day to open the bids to sell the property. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Brenda reported that there is a lien on property parcel #4. Attorney David Blackwell will look at the documents and advise as to what action will be needed.

**(13)****CITIZEN CONCERNS.**

Commissioner Kofford reported that the signs on the Buckhorn Wash Pictograph Panel were recently stolen. The BLM and the Emery County Historical Society have joined together to offer a \$500.00 reward for information leading to finding those responsible for the damage. He recommended adding another \$500.00 to the pot to make a \$1000.00 reward to hopefully speed things up a bit. Commissioner Gary Kofford made a motion to match the \$500.00 reward to make \$1000.00 reward for information leading to finding those responsible for the damage at the Buckhorn Wash Pictograph Panel. The motion was seconded by Commissioner Ira Hatch and

5  
COMMISSION MEETING MINUTES  
JUNE 1, 2004

approved by all members present.

**(14)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #162494 through and including #162578 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>APPROVAL</u>
40-04	Priority Dispatch Cardset Dispatch/Sheriff	444.00	Approved
41-04	Explosive Proof Electrical For Pump System at Landfill	1,380.00	Approved

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, Additional Claims, Requisitions and Dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

COMMISSION MEETING MINUTES  
JUNE 1, 2004

Pat Snowball, Personnel Director presented the following Personnel action:

Sheriff's Department

Jerod Curtis passed his POST training. He is now classified as a Patrol Officer and is eligible for a wage increase effective the pay period of June 7<sup>th</sup>. Commissioner Ira Hatch made a motion to approve a wage increase for Jerod Curtis as per policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Extension Office

Cassie Jensen has been hired temporarily, up to 90 days, beginning May 21<sup>st</sup> and ending August 19<sup>th</sup>. Commissioner Ira Hatch made a motion to approve the temporary hire of Cassie Jensen in the Extension Office as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Recorder's Office

- A. Sharon Boyle has requested Family Leave beginning May 24<sup>th</sup>. Her father is ill.
- B. Doris Quinn is eligible for her routine progressive wage increase effective the pay period of June 7<sup>th</sup>. This in compliance with the policy and has been recommended by Dixie Swasey.

Commissioner Gary Kofford made a motion to approve Family Leave for Sharon Boyle and a wage increase for Doris Quinn as per policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Assessor's Office/Road Department

It was proposed to bring Melinda Wilbanks back for a second temporary up to 90 day assignment in the Assessor's Office on a part time basis. At the same time she would work temporary up to 90 days in the Road Department, part time. The period would begin 7<sup>th</sup> and end September 4<sup>th</sup>. Commissioner Ira Hatch made a motion to approve Melinda Wilbanks as a temporary up to 90 days in the Assessor's Office and the Road Department as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Economic Development

Commissioner Sitterud discussed plans to recruit for a Economic Development director. In the May 18, 2004 Commission Meeting a motion was made to begin the process to fill the vacancy

COMMISSION MEETING MINUTES  
JUNE 1, 2004

left as a result of Marlin Eldred's resignation. It could take up to two months to get the position filled. Linda Jewkes from the Economic Development expressed the desire of the board to have someone with knowledge and experience. They have a very active board at this time. They will continue to function with volunteers for now.

Pat indicated she needed a memo outlining who gets the notice of claim for Utah Counties Insurance Pool. Commissioner Ira Hatch made a motion to give the Personnel Department authority to write the memo needed for UCIP. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Ira Hatch made a motion to approve Commission Meeting minutes dated May 18, 2004 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)**

**COMMISSION REPORTS.**

*Commissioner Kofford*

Commissioner Kofford reported on the Utah Board of Mental Health meeting he attended. They are redoing their by-laws. They will be electing five county commissioners to their board.

*Commissioner Hatch*

Commissioner Hatch recently attended a Western Inter-Regional Conference meeting in Ogden. One thing that they discussed was the wind power proposal by UPL.

*Commissioner Sitterud*

Commissioner Sitterud, Gary Petty and his wife Jolene attended the White Sands Missile Base hearings in Green River. They discussed three options regarding the two dump sites that are in Emery County at the missile base. Number one was to do nothing. Number two was to remove it. Number three was to seal it and watch it. Removing the dump sites to E.C. D.C. in Carbon County was the preferred option. Green River City wants the property. The base's buildings are in the county. Ninety percent of the base is in Grand County.

The tables at Little Bear Campground have now been replaced. The old tables were donated to

10  
COMMISSION MEETING MINUTES  
JUNE 1, 2004

cities in the county.

He attended a salinity meeting in Green River where they discussed farmers and cities secondary water issues. The meeting was poorly attended.

He attended the Rural Conference in Richfield. Senator Bob Bennett sponsored the conference. He felt it was an excellent conference with a great program and speakers.

Work has begun on the softball complex in Huntington.

Kresha Eastman has now retired. Her job is up for recruitment. It is a federal position that requires a biology degree.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS PENDING LITIGATION AND PERSONNEL MATTERS.**

An Executive Session was not needed.

**(19)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 15, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**KAY KIMBALL, PRESENTATION OF 2003 INDEPENDENT FINANCIAL AUDIT**

Kay Kimball, Kimball and Roberts, presented the Board of Commissioners with copies of the 2003 independent audit report. He commented that Emery County has good, helpful employees. The internal test went well. Emery County is in good financial shape. They found no exception with anything. The nursing home audit found everything in order there as well. He reported that as an independent auditor he is audited by the state in what is called a 'peer review' every three years. His company received no letter of comment, meaning everything was in order.

Commissioner Ira Hatch made a motion to accept the independent financial audit as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**LARRY SALAZAR, EMERY TELCOM, QUARTERLY UPDATE.**

Mr. Salazar was not able to attend the meeting.

(3)

**JEFF ADAMS, PRESENTATION OF RESOLUTION FOR APPROVAL TO ACCEPT THE SEUALG NATURAL HAZARD PRE-DISASTER PLAN.**

Jeff Adams, SEUALG explained that back when the Federal Emergency Management Act was first enacted the intent was to rebuild houses destroyed after natural disasters. The cost for this began to be overwhelming. The government shifted funds to pre-mitigation efforts. Martin Wilson is the lead man for Emery County for the natural hazard pre-disaster plan. The plan points out what we would do if a natural disaster were to occur. A resolution for approval to accept the plan must be adopted by the county and the municipalities. At this time it was being presented to the county for approval. Commissioner Gary Kofford made a motion to adopt Resolution 6-15-04 to accept the SEUALG Natural Hazard Pre-Disaster Plan. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(4)****CITIZEN CONCERNS**

No concerns.

**(5)****CONSIDERATION AND APPROVAL OF QUIT CLAIM DEED INVOLVING DICK NIELSON PROPERTY.**

Recorder, Dixie Swasey, explained that Professional Title was asked to do a title search on the property previously owned by Dick Nielson. The title search found that the property was sold at a tax sale back in 1939. The tax sale record indicates that this one hundred sixty acres on the SW corner of Section 8 of Township 16 S, Range 7 E which is up Huntington Canyon in the vicinity of Crandall Canyon. The tax sale record showed underground rights only, but had been erased. Another tax sale record showed it did not have underground rights. All in all the recorder at that time considered this to be both underground and surface rights, so she put the owner which was Dick Nielson's great-grandfather on record as having both surface and underground rights. It has been this way since 1939. Taxes have been being paid on the property. It is state assessed property. Dixie suggested Emery County should issue a quick claim deed to Dick and Guinevere Nielson. Based on the research done by Dixie Swasey and at the request of the family, Commissioner Ira Hatch made a motion to issue a quick claim deed to Dick and Guinevere Nielson. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)****CONSIDERATION AND APPROVAL OF AMENDMENTS TO THE EMERY COUNTY ZONING ORDINANCE.**

In May, 2004 a Public Hearing was held to hear comment on amendments to the Zoning Ordinance. Public participation at that hearing was very low. At that time a thirty day comment period was set up to receive public comment on the amendments to the zoning ordinance. That thirty day comment period is now over. Comments that were received during that time were the same concerns expressed in the meeting. The need for smaller building lots in the county were a concern as well as acreage requirements for building on mountain property lots. Regulations on non-compliant areas such as Lawrence were also a concern. One question that has not been resolved is, if we were to change to a lesser acreage requirement, what would that do to those who presently own ten acres. Commissioner Gary Kofford made a motion to accept the amendments to the Emery County Zoning Ordinance as originally presented.

The motion was seconded by Commissioner Ira Hatch and approved by all members present. Commissioner Kofford will take the ordinance back to the Planning Committee to look at the

Lawrence and Joe's Valley Subdivision area. We need to get these areas in compliance and answer questions that have been presented.

(7)

**DISCUSSION OF LETTER FROM PRIVATE PROPERTY OMBUDSMAN.**

Commissioner Sitterud reported that the Board of Commissioners received a letter from the Private Property Ombudsman. Attorney David Blackwell explained that ombudsman deals with private property issues. This particular issue is from a few years back regarding whether the county has the right to widen a road. He felt it was a dead issue. Commissioner Ira Hatch made a motion to give David Blackwell authority to write a letter to the ombudsman relative to this issue advising him of the decision of the County at that time. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Gary Kofford made a motion to appoint David Blackwell as contact person for Emery County regarding the Private Property Ombudsman. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR ENHANCEMENT OF BOATING FACILITIES AT JOE'S VALLEY RESERVOIR.**

Tabled

(9)

**CONSIDERATION AND APPROVAL OF ENGINEERING CONTRACT FOR JOE'S VALLEY BOAT RAMP.**

Commissioner Gary Kofford made a motion to approve the engineering contract for Joe's Valley Boat Ramp. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF ORDINANCE/AGREEMENT WITH UTAH**

**ASSOCIATION OF COUNTIES REGARDING TRANSIENT ROOM TAX  
COLLECTION SERVICES.**

A letter was written to Utah Association of Counties expressing the County's objection to the way the collection of Transient Room Tax was set up. Commissioner Hatch suggested that the county not enact the ordinance at this time. He suggested writing a letter to the State Tax Commission informing them that we do intend to either collect and report the tax ourselves or have UAC collect the tax. We need to inform the State Tax Commission by the first of July. Commissioner Ira Hatch made a motion to table the ordinance and write a letter to the State Tax Commission opting out of having them collect the tax. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**  
**DISCUSSION/APPROVAL OF REPLACEMENT AIR CONDITIONER FOR EMERY  
LIBRARY.**

The Library Board received three bids for replacement of an air conditioner for Emery Library. The bids were as follows: Dugmore Heating and Appliance, \$1,589.00, Snow's Heating and Air Conditioning, \$2,500.00 and Ram's Industries, \$1,795.00. The Library Board recommended awarding the bid to the low bidder, Dugmore Heating and Appliance. Commissioner Gary Kofford made a motion to award the bid for replacement of an air conditioner for Emery Library to Dugmore Heating and Appliance. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)**  
**APPOINTMENT TO EMERY COUNTY TRAVEL BUREAU.**

Tabled

**(13)**  
**CONSIDERATION AND APPROVAL OF RETIREMENT CONTRIBUTION RATES  
FOR JULY 1, 2004 TO JUNE 30, 2005.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented the retirement contribution rates for July 1, 2004 to June 30, 2005 as follows: Contributory and Non-Contributory - 13.08%  
Public Service- 19.08%

The retirement contribution rates will take effect on July 1, 2004.  
Commissioner Ira Hatch made a motion to accept the retirement contribution rates as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF THE PROPOSED TAX RATE FOR 2004.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented the proposed tax rates for 2004 as follows: General Fund 0.003702 Library 0.000428 Assessing and Collecting 0.000233. These rates are set by the State Tax Commission and must be approved by June 22, 2004. Commissioner Ira Hatch made a motion to approve the proposed tax rates for 2004 as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**FINALIZATION OF DATES AND TIMES OF 2004 BOARD OF EQUALIZATION.**

Board of Equalization dates were tentatively set when the 2004 Commission Meeting Schedule was approved. It is necessary to finalize the dates to be printed on the disclosure notices which will be sent out in July. The proposed date and time for BOE are as follows:

Green River- August 17, 2004 from 12:30 p.m. until 3:30 p.m. with Commission Meeting following at 4:00 p.m. in Green River.

Castle Dale-August 18, 2004 from 9:00 a.m. until 3:00 p.m.

Commissioner Ira Hatch made a motion to approve the proposed dates and time for BOE as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(16)

**CONSIDERATION AND APPROVAL OF REQUEST FOR AMBULANCE WRITE-OFF.**

Senior Deputy Clerk/Auditor Brenda Dugmore read a letter of request from JCI Billing on behalf of Mario Miragliotta requesting ambulance billing write-off in the amount of \$1,005.50. Mr. Miragliotta lost his wife and was left a paraplegic as a result of the automobile accident. A lawsuit settlement did not amount to much. His attorney indicated there is no way Mr. Miragliotta would ever be able to pay the bill. Commissioner Ira Hatch made a motion to approve the request for ambulance write-off for Mr. Mario Miragliotta. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #162752 through and

6  
COMMISSION MEETING MINUTES  
JUNE 15, 2004

including #162898 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
42-04	Digital Televison Transcoder Television	7,900	Approved
43-04	Multipod and raptor foot set Posse/Sheriff	3,300.00	Approved
44-04	Supply cabinets Sheriff	2,665.68	Approved
45-04	Pickup truck topper shell/ 2 Sheriff/Blackburn/Mills	2,175.00	Approved
46-04	Central Air Unit/Emery Library	1,589.00	Approved

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, Additional Claims and Requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(18)

**DISCUSSION OF JUSTICE COURT JUDGE APPOINTMENT.**

The Board of Commissioners discussed with Attorney David Blackwell the process of appointing a Justice Court Judge. Mr. Blackwell explained that the Commission Chair is the appointing authority. However, a person cannot perform the duties of a judge until they have been board certified and approved by the Judicial Council. The next session for the Judicial Council is scheduled for sometime in September. Commissioner Gary Kofford reported that until a new judge has been appointed Judge Betty Burns from Green River will assume his duties in Castle Dale. She has requested an agenda to cover his work load until a replacement has been made. Commissioner Kofford suggested advertising to fill the position. The Commissioners discussed the need for a job description. Commissioner Gary Kofford made a motion to set up a task force made up of the Commissioners, Attorney David Blackwell, Sheriff Guymon and Pat Snowball to create a job description, the amount of hours involved, travel, salary, etc, prior to

COMMISSION MEETING MINUTES  
JUNE 15, 2004

advertising for applicants to fill the position. The motion was seconded by Commissioner Ira Hatch and approved by all members present. Commissioner Gary Kofford made a motion to begin the process of soliciting for applications to fill the position of Justice Court Judge. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(19)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

GIS

Jeff Guymon hired Tyrell Jewkes, temporary up to 90 days beginning June 3, 2004 and ending August 31, 2004. Commissioner Ira Hatch made a motion to approve hiring Tyrell Jewkes for up to 90 days temporary in the GIS Department. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Office

The recruitment for Corrections Secretary has been completed. Through the process 67 resumes were processed. The Sheriff recommended Jennifer J. Jensen for the position. This is a full time position with benefits. Commissioner Gary Kofford made a motion to approve hiring Jennifer J. Jensen as Corrections Secretary. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Road Department

J.D. Seely, Crew Leader Mechanic , has submitted his resignation. Request was made to begin the recruitment process to fill this vacancy. Commissioner Ira Hatch made a motion to begin the recruitment process to fill the vacancy left by J.D. Seely's resignation. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Travis Winn, who is currently Lead Mechanic, will temporarily assume the duties of crew leader mechanic. It is recommended that he receive a three step increase for the time he performs these duties. Commissioner Ira Hatch made a motion to approve a three step increase for Travis Winn during the time he assumes the additional duties. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Wayde Nielsen, Crew Leader Road Maintenance, has assumed additional duties within the area

COMMISSION MEETING MINUTES  
JUNE 15, 2004

of road maintenance. It is recommended that he receive a three step increase.

When the crusher is in operation it is necessary to have a designated lead person who for the time of operation assumes considerable responsibilities. It is recommended that the person who assumes those duties while the crusher is in operation receive a seventy cent an hour differential. Commissioner Ira Hatch made a motion to approve both actions, three step increase for Wayde Nielsen and a seventy cent an hour differential for the person who assumes responsibility while the crusher is in operation. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(20)**

**CONSIDERATION AND APPROVAL OF HEALTH INSURANCE RENEWAL.**

Jeff Kelsey discussed renewal of health insurance for 2004-2005. He discussed carrier options with the Board of Commissioners. Staying with the current carrier, Alliance Underwriters, Inc. and the same options, Emery County will experience a 17% increase. Commissioner Kofford suggested looking at increasing employees deductible and the co-pay. They discussed other ways to cut down on premium costs. Commissioner Gary Kofford made a motion to stay with the current plan, providing Emery County review the options to see if there is a way to corral the escalating costs. He recommended going with Novia rather than Alliance. Commissioner Ira Hatch seconded the motion and made an amendment to the motion by adding to have Pat Snowball, Jeff Kelsey and the Commissioners look at the total coverage package by budget time in September/October and determine which option is best for the county. The motion was approved by all.

**(21)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated June 1, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(22)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reviewed the progress of installing handicap accessible handrails at the Elmo Library. He also reported on a recent tour of Range Creek and the Wilcox properties.

COMMISSION MEETING MINUTES  
JUNE 15, 2004

There is an archaeological survey/inventory being conducted at this time.

*Commissioner Sitterud*

Commissioner Sitterud reported on a recent discussion group with Republican candidate for Governor, Gary Herbert and Enid Green at AOG building in Price. Commissioner Kofford also attended the meeting along with many mayors from Emery County. They talked about schools, sales tax, water, land use, RS 2477, Wild and Scenic River and more. There will be another group discussion in October with Democratic candidate for Governor, Scott Matheson. The Emery County Housing Board was audited last week. The board is working on some items that the federal people discussed with them. He attended a meeting with the state historical people regarding microfilming. Shirley Spears, who has been hired by the state, is currently microfilming records from all over the state in the attorney's old office here in the courthouse.

He provided a progress report on the Huntington ballfield.

Commissioner Gary Kofford made a motion to recess until 1:00 p.m. at which time the Board of Commissioners will hold an executive session. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(23)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was held at 1:00 p.m. with the following in attendance:

Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Public Lands Director Ray Petersen and Clerk/Auditor Bruce Funk.

Upon returning to the regular meeting Commissioner Ira Hatch made a motion to give direction to the Public Lands Board to design a travel plan for Emery County to amend the Emery County General Plan to reflect that map so it can be submitted to the BLM during their open comment period and to authorize Attorney David Blackwell and Public Lands Director Ray Petersen to meet with USA-ALL and our attorneys to come up with a resolution to the RS2477 lawsuit. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(24)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded

10  
COMMISSION MEETING MINUTES  
JUNE 15, 2004

by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ CHAIRMAN: \_\_\_\_\_

MINUTES OF THE SPECIAL MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 29, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Sr. Deputy Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

The purpose of the special meeting was to discuss the procedures for filling the vacancy in the Justice Court Precinct #1.

Commissioner Gary Kofford is over the justice court department. Mr. Kofford has been in touch with Judge Betty Burns from Precinct #2. Judge Burns has been working with court clerks Melany Bentley and Tammy Bentley. A tentative schedule for court has been set up. Judge Burns will hold the necessary courts in Castle Dale until a replacement has been appointed.

Commissioner Sitterud stated that no judge can be on the stand until September, after they have been through the training and certified by the judicial council. The class of court is determined by the number of cases that are heard. Our justice court is classified as class 2 - 201-500 cases, therefore the new justice court judge would be appointed as a full time judge.

Discussion of requirements for the justice court judge position were then discussed. Following is a list of requirements:

- Citizen of the United States
- Must be 25 years of age or older
- Resident of the State of Utah for 3 years
- Resident of the Precinct for 6 months
- Qualified voter of the Precinct
- Diploma from High School
- Demonstrate maturity of judgment
- Ability to apply law unbiasedly
- Receive State Justice Court Judge Certification

The position is an appointment by the Commission Chairman with the approval of the majority of the Commissioners. The County Attorney must submit an opinion of qualifications and the appointment must also be approved by the Judicial Council.

Commissioner Hatch suggested the need to advertise the position to narrow the search. It was decided to advertise July 6 and 13, 2004 in order to have an appointment ready for the meeting August 17, 2004 in Green River.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 6, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Gary Kofford was on vacation. Commissioner Drew Sitterud stepped down throughout the meeting to execute motions as needed.

(1)

**CITIZEN CONCERNS**

Treasurer, Steve Barton requested approval to add electronic check to the available methods of tax payments in his office. The service will be provided by the same company providing the credit card service. The company will charge a minimal \$3.00 service charge for the use of the electronic check. Commissioner Ira Hatch made a motion to approve Treasurer, Steve Barton to set up the electronic check as a method of tax payment in the Treasurer's Office and to put it on the agenda for next Commission Meeting to ratify the motion. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**REQUEST FOR PUBLIC HEARING ON LEVEL III CONDITIONAL USE PERMIT FOR WASTEWATER TREATMENT LAGOONS AND OUTFALL LINES FOR FERRON CITY**

Planning & Zoning Director, Bryant Anderson explained that Ferron City requested a conditional use permit to move the wastewater treatment lagoons and outfall lines approximately four miles. Some of the old lagoons will be backfilled and others used for storm water retention. Commissioner Ira Hatch made a motion to set a Public Hearing for August 3, 2004 at 5:00 p.m. to receive comment on a Level III Conditional Use Permit for Wastewater Treatment Lagoons and Outfall Lines for Ferron City. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**APPOINTMENT TO THE EMERY COUNTY PLANNING COMMISSION.**

Commissioner Ira Hatch explained that the Emery County Planning Commission is made up of several voting members and two non-voting members. Julie Johansen and Chris Rowley are non-voting members. The E.C. Planning Commission recommended appointing Julie and Chris as

COMMISSION MEETING MINUTES  
JULY 6, 2004

voting members on the board. Commissioner Ira Hatch made a motion to appoint Julie Johansen and Chris Rowley as voting members of the Emery County Planning Commission. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**DISCUSSION AND APPROVAL OF POSITION LETTER ON WILD/SCENIC RIVERS ACT.**

Commissioner Drew Sitterud explained that the Planning Document Draft for Wild and Scenic Rivers is coming out soon. The Commissioners have contacted each congressman asking them to sign a letter to support the County's position regarding no Wild and Scenic designation. Many of the congressmen have agreed to sign a letter of support. Commissioner Sitterud read the letter out loud which was written by Public Lands Director Ray Petersen. Commissioner Ira Hatch made a motion to authorize Commission Chairman Drew Sitterud to sign and send a position letter on the Wild and Scenic Rivers Act to the state congressional delegation for their signatures and then to send a copy of the letter to the BLM and Forest Service planning teams to be included as they move forward in their process. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**APPOINTMENT TO EMERY COUNTY TRAVEL BUREAU.**

Tabled.

(6)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR ENHANCEMENT OF BOATING FACILITIES AT JOE'S VALLEY RESERVOIR.**

Commissioner Drew Sitterud explained that the county has received the contract from the state. The figures are not listed in the contract yet as the federal funds have not been approved. Those figures should be here by the end of the week. Attorney, David Blackwell has reviewed and approved the contract. The contract agreement needs to go to the Special Service District meeting on Monday, July 12, 2004 as they will be the pass through agency for the funds on this project. Commissioner Sitterud requested approval to approve and sign the agreement and insert the numbers when they are received. Commissioner Ira Hatch made a motion to approve the Cooperative Agreement for Enhancement of Boating Facilities at Joe's Valley Reservoir and an Interlocal Agreement between Emery County Special Service District #1 and Emery County to handle the funds. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)  
**CONSIDERATION AND APPROVAL OF URS ELECTRONIC TRADING PARTNER AGREEMENT.**

Utah Retirement will be broadening the exchange of information through their web site "URS for Employees". Because of this they are increasing the security controls required for this exchange. This increased security requires them to issue a new User ID and password that requires that we, Emery County, enter into an "Electronic Trading Partner Agreement". Commissioner Ira Hatch made a motion to approve the URS Electronic Trading Partner Agreement. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)  
**REQUEST FOR AMBULANCE WRITE-OFF.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented requests on behalf of two individuals. Ann Jensen is on Social Security and not able to pay her bills. She has offered to pay \$10.00 a month. She is asking for any kind of a reduction. Commissioner Ira Hatch made a motion to abate one half of the amount owed and to set up a payment plan. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Walter Banker and his wife were involved in a serious automobile accident. His wife died as result of injuries in the accident and Mr. Banker's injuries were such that he will never be able to work again. Their insurance company has paid all that they will pay. Mr. Banker requested to have the remainder of the bill written-off. Commissioner Ira Hatch made a motion to write-off the balance of the ambulance bill. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)  
**REQUEST FOR DONATION TO EMERY COUNTY RECREATION DISTRICT.**

Commissioner Drew Sitterud discussed a request from the Recreation District for a donation of \$2,500.00 to purchase a piano to be used at the Recreation Center. A used piano has been located from the College of Eastern Utah for \$2,500.00. It was suggested that having a piano available at the Recreation Center would be a good thing for the county especially at fair time. A donation for this purpose falls within the guidelines for donation to organizations. Commissioner Ira Hatch made a motion to approve a donation of \$2,500.00 to the Recreation District for the purpose of purchasing a piano and suggested to set up a policy for monitoring the use of the piano. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING BETWEEN EMERY COUNTY AND THE ADMINISTRATIVE OFFICE OF THE COURTS FOR BAILIFF SERVICES.**

Commissioner Ira Hatch made a motion to approve the MOU between Emery County and the Administrative Office of the Courts in the amount of \$4,500.00 per year to provide bailiff services recognizing that the amount of the reimbursement is approximately half the cost to provide the service. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING BETWEEN EMERY COUNTY AND THE ADMINISTRATIVE OFFICE OF THE COURTS FOR PERIMETER SECURITY SERVICES.**

Commissioner Ira Hatch made a motion to approve the MOU between Emery County and the Administrative Office of the Courts in the amount of \$7,000.00 per year for perimeter security services; again recognizing that the reimbursement amount is approximately half of what it cost to provide the service. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**RATIFICATION OF EMERY COUNTY DRUG TASK FORCE GRANT.**

Commissioner Ira Hatch made a motion to accept the Emery County Drug Task Force Grant in the amount of \$65,456.84 to enhance the existing Drug Task Force. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF FY2005 INTER LOCAL COOPERATION AND CONTRACT AGREEMENT WITH SOUTHEASTERN UTAH AREA AGENCY ON AGING.**

COMMISSION MEETING MINUTES  
JULY 6, 2004

Commissioner Ira Hatch made a motion to accept the FY2005 Inter local Cooperation and contract Agreement with Southeastern Utah Area Agency on Aging. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(14)**

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE.**

Commissioner Ira Hatch made a motion to approve a business license for Bernice Payne: DBA The Payne-ting Place. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**

**RATIFICATION OF CERTIFIED TAX RATE AMENDMENT.**

Senior Deputy Clerk/Auditor Brenda Dugmore explained that the Tax Commission Office has implemented another change in the way they calculate the certified tax rates as follows:

General Fund.....	0.003610
Library.....	0.000417
Assessing/Collecting....	0.000227

Commissioner Ira Hatch made a motion to approve an amendment to amended certified tax rates to reflect the new rates as directed by the State Tax Commission. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

When the annexation in Green River went through the citizens annexed into Emery County were still responsible for a voter approved tax on four bonds. Grand County Water Conservancy District submitted their certified tax rate with operation and maintenance included.

Commissioner Drew Sitterud made a motion to pay only original debt of the bond and not the operation and maintenance. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 163024 through and including #163245 for payment.

6  
COMMISSION MEETING MINUTES  
JULY 6, 2004

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
47-04	GT-77 Herd Spreader CMCA Grant/Green River Weed	316.00	Approved
48-04	Fogger w/Remote CMCA Grant/Green River Weed	7,600.00	Approved
49-04	Honda Foreman TRX 450 ATV CMCA Grant/Green River Weed	5,200.00	Approved
50-04	(3) Folding Tables Courthouse	666.00	Approved
51-04	Tactical Headset, Switches & Cable Sheriff	1,216.00	Approved
52-04	Geo Explorer XT w/Arcpad IT	5,500.00	Approved

Dispositions were presented for the following:

Asset # 4367 and 4368 altimeters from Huntington Airport. Whereabout is unknown.  
Asset # 4363 folding table from Huntington Airport. Whereabout is unknown.  
Asset #4759 Unicom radio from Huntington Airport. Whereabout is unknown.  
Asset #4364 Unicom King radio from Huntington Airport. Whereabout is unknown.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, Additional Claims, Requisitions and Dispositions as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(17)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Economic Development

Skyler Tanner has been hired temporarily up to 90 days beginning June 21, 2004 and ending

COMMISSION MEETING MINUTES  
JULY 6, 2004

September 29, 2004. Commissioner Drew Sitterud made a motion to approve the hiring of Skyler Tanner temporarily up to 90 days as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Road Department

A. Brandon Conover resigned effective June 24, 2004

B. Russell Dull has been hired temporarily up to 90 days beginning June 29, 2004 and ending September 26, 2004 as an equipment operator/driver. Commissioner Ira Hatch made a motion to approve the hiring of Russell Dull temporarily up to 90 days as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Weed and Mosquito.

Dane Worwood has been hired temporarily up to 90 days beginning June 28, 2004 and ending September 26, 2004. Commissioner Ira Hatch made a motion to approve hiring Dane Worwood temporarily up to 90 days as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Sheriff's Office

A. Greg Funk will go from Detective/Drug Task Force to Patrol. Greg will receive on call pay for Spanish interpretation.

B. Brook Smith will go from Patrol to Detective/Drug Task Force.

C. Dustin Butler. As a Corrections Officer with 7 years service in the jail, it is recommended that he be recognized for a job well done and his years of service in corrections. Sheriff LaMar Guymon recommended a promotion to Corporal for Dustin Butler.

D. Nicole Deabenderfer. Since Lee Ann Scoggins' retirement Nicole has assumed additional duties. Sheriff Guymon recommended a pay increase for Nicole.

Commissioner Drew Sitterud made a motion to approve the pay increases and promotion in the Sheriff's Office as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

These payroll adjustments will be effective with the pay period of July 19, 2004.

**(18)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the Commission Meeting minutes dated June 15, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved

COMMISSION MEETING MINUTES  
JULY 6, 2004

by all members present.

Commissioner Ira Hatch made a motion to approve the minutes of the Board of Canvassers held on July 6, 2004. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(19)

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch reported on a meeting with the water people concerning DOGM. He along with Ray Petersen will be attending a 'sufficiency hearing' on Lila Canyon Mine. SUWA has protested the meeting calling it an exclusive meeting. Ira felt like someone should be at the meeting so he and Ray will attend. SITLA board is considering changing rules in the way they grant access across state lands similar to RS2477 routes, particularly tract of lands that they sell. They will discuss that in the board meeting that he will also be attending tomorrow.

*Commissioner Sitterud*

Last Monday Commissioner Sitterud started in St. George with Congressional Hearings on RS 2477. All three congressman from Utah were there.

He attended a tour of Range Creek. He talked about the national media that visited there. He reported on the day on the tour. He talked about his interview with the media at the Wedge on the San Rafael.

Ray Petersen met Thursday night with the ATV group where they approved the map of roads and the ordinance written to enforce and maintain the roads in Emery County. It will be presented at the next commission meeting where it will be considered. In that meeting the Commission will need to set up a committee to review the ordinance for safety reasons and set a Public Hearing.

He spent the day with the BLM at Swasey's Cabin along with Gary Kofford and Ray Petersen going over dispersed camping. The BLM recognized that they had not recognized several roads that led to camping spots.

He met with a company out of California that is interested in locating their business here. They are Sunrise Quarterhorse. They had a hard time finding land. They want thirty acres of land close in the major infrastructure facilities on which to build a horse arena. They do not want to be beyond the Castle Dale area because they will be shipping semen and it has to be to its destination within 24 hours. The owners sent a business plan to the Commission that is written for Emery County.

The BLM wants to put special force at Range Creek and talked of road

COMMISSION MEETING MINUTES  
JULY 6, 2004

closure. Carbon and Emery County do not agree with the request for road closure.

**(20)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(21)**

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 20, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**EMERY HIGH SCHOOL MARCHING BAND REQUEST FOR DONATION.**

Representatives from the Emery High School Marching Band: Kory Gunderson, Heidi Hill, Lara Cook, Karla Gunderson and Director Reed Fehlberg came before the Board of Commissioners to request a donation to assist the band members with expenses to travel to California. The band will be performing as lead band in the Disneyland Parade. They have 62 students, 10 chaperones and 3 directors going on the trip. The band has worked hard all year and had several fund raisers to help fund the trip. Commissioner Ira Hatch made a motion to donate \$250.00 to the Emery High School Marching Band. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**RATIFICATION OF AUTHORIZATION OF ELECTRONIC TRANSFERS FOR PAYMENT OF PROPERTY TAXES.**

Commissioner Gary Kofford made a motion to ratify the decision to approve authorization of electronic transfers for payment of property taxes. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**SETTING OF PUBLIC HEARING FOR AMENDMENTS TO EMERY COUNTY MASTER PLAN.**

Commissioner Gary Kofford made a motion to set a Public Hearing for Monday, August 16, 2004 at 4 p.m. to receive public comment on amending the Emery County Master Plan to include sections on RS-2477 Roads, grazing, and wild and scenic river designation. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**RAY QUINN, AMERICAN LEGION, REQUEST FOR DONATION FOR MEMORIAL PLAQUES FOR COUNTY VETERANS.**

Commissioner Hatch explained that the Huntington American Legion Post #73 would like to implement a project to put plaques in Huntington, Lawrence, Cleveland and Elmo cemeteries as a memorial to veterans in the county. Commissioner Ira Hatch made a motion to donate \$250.00 to the American Legion to install memorial plaques in the cemeteries. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CITIZEN CONCERNS**

Rob Midgley, Airport Manager asked if it would be possible to place a sign at the road entrance to the Huntington Municipal Airport. The sign that identifies the airport is a small green sign with an airplane symbol and an arrow directing a motorist to the airport. Commissioner Hatch suggested that putting a sign up will have to be approved by UDOT. Rex Funk was assigned to check with UDOT regarding putting a sign up to identify the municipal airport.

(6)

**DISCUSSION AND APPROVAL OF PRICING FOR COLOR COPIES.**

Jeff Guymon, IT reviewed the cost to provide color copies using the new document plotter in the IT office. The IT department has been experiencing the blunt of the cost for copies. He asked for some direction on how to be reimbursed for the use of the copier. Several departments as well as other entities have requested color copies. How to bill the other entities and departments for copies needs to be determined. He recommended \$.25 per page for departments to use the copier. Commissioner Gary Kofford made a motion to charge \$.25 per page to departments for use of the copier and for Jeff to bring back to the Commission a recommendation for billing other entities. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**APPROVAL OF LETTER OF SUPPORT FOR VALUE ADDED PRODUCER GRANT.**

Commissioner Hatch explained that this is a federal grant provided through the Agriculture Department. The grant is a marketing tool to promote grass and alfalfa fed beef. Commissioner Gary Kofford made a motion to approve a letter of support for a value added producer grant which would be available to all interested beef producers in the county. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List and additional claims #163420 through and including #163575 for payment.

There were no requisitions or dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

**Road Department**

Jeanette Bray is off work for a workers comp injury sustained while on the job. She will be off work for a prolonged period of time has not accrued enough time and needs contributions. Rex Funk requested approval to advise employees of the need for contributed time. Commissioner Ira Hatch made a motion to approve advising employees of the need for contributed time for Jeanette Bray. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**Sheriff's Department**

Sheriff Guymon requested approval to hire Michael VanWagoner in Dispatch, effective Wednesday July 21, 2004. This is a full time position with benefits. Commissioner Gary Kofford made a motion to approve hiring Michael VanWagoner in Dispatch as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud stepped down and made a motion to approve the minutes dated July 3, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and Commissioner Gary Kofford abstained from voting as he was not present at said meeting.

**(11)**  
**COMMISSION REPORTS***Commissioner Hatch*

Commissioner Hatch reported that he and Ray Petersen attended a DOGM meeting regarding Lila Canyon Mine where they made a statement to be entered into record indicating Emery County is favorable for the projects approval. He met with SITA board where they tabled a proposal for granting road right-of-way across SITLA land to state parcels of land up for sale. The Moore Cut-Off Road has passed inspection. The second phase of the project can now begin.

*Commissioner Kofford*

Commissioner Kofford reported on the Miss Emery County Pageant on the 17<sup>th</sup>. There were five contestants: Allison Wells, Holli Myerhoff, Natalie Newland, Valery Bell and Tawni Bigelow. Because there were only five contestants they awarded two winners: Tawni Bigelow, Miss Emery County and Allison Wells, Ist Attendant. He expressed his appreciation to the pageant committee, the contestants and all those who worked on the pageant. The Emery County Fair is quickly approaching. The fair guide was included with the Emery County Progress this week. They will begin putting up the tents on Monday. The Castle Valley Pageant will begin on July 29<sup>th</sup>, as well as the Rodeo on the 29<sup>th</sup> and 30<sup>th</sup> and the Lamb Fry on July 29,30,and 31<sup>st</sup>. Each L.D.S. Stake in the county is responsible for a night to provide entertainment in conjunction with the Lamb Fry. The MBA will have a site showing at the new court/jail facility for finishing up gutter work and blacktop behind the building. He reported on the UPL lighting incentive program.

*Commissioner Sitterud*

Commissioner Sitterud reported that the recently purchased piano for the Recreation Special Service District will remain at the Recreation Center and will not leave the center without the expressed permission of the Recreation Board and or Board of Commissioners. The Commissioners can override any request to use the piano. The play equipment at the Huntington Ball Complex experienced some damage over the 4<sup>th</sup> of July weekend. Someone built a fire under the dinosaur. The cost to replace the structure is \$5,000.00. They will hold off working on the building in the middle of the ball complex until after local ball tournaments. The skeet range bid has been awarded . A Range Creek Tour has been canceled due to a nearby fire. Emery County received a call from Pacificorp regarding sales tax that had been diverted to another county for the past two years. Emery County will receive approximately \$21,000.00 to \$23,000.00.

(12)  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An Executive Session was not needed.

(13)  
**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 3, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 163828 through and including # 164003 for payment.

Requisitions were presented for the following:

<b><u>REQUISITION</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AMOUNT</u></b>	<b><u>ACTION</u></b>
53-04	(7) Computers Library -LTSA	9,096.85	Approved
54-04	(8) Fire Turnout Gear Hazmat-Homeland Security Grt	10,224.40	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, Additional Claims and Requisitions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members presented.

(2)  
**BOB GREENBERG, FOUR CORNERS COMMUNITY BEHAVIORAL HEALTH  
FY 2005 AREA PLAN**

Bob Greenberg, FCCBH, explained that Utah Code vests the authority for mental health and substance abuse services with the county commission. The counties of Emery, Carbon and Grand contract together and with Four Corners Community Behavioral Health to provide those services.

Each year the county is required to provide to the state (May 1) an area plan for mental health and substance abuse services. In 2003 Emery County held a public hearing to solicit input from

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

community members as to the needs and requirements for this type of service. Based on that public hearing and the funds that are available a plan has been put together. The plan has been reviewed by the board of trustees and is recommended for approval. He reviewed the plan with the Commissioners. Commissioner Gary Kofford made a motion to accept the Carbon, Emery and Grand Local Substance Abuse and Mental Health Authorities Substance Abuse and Mental Health FY 2005 Area Plan. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF**

Senior Clerk/Auditor Brenda Dugmore presented a request from Marlo Kemple to write-off an ambulance balance of \$135.07. Commissioner Gary Kofford made a motion to approve the write-off of \$135.07 for Marlo Kemple. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**OPENING OF BIDS FOR SALE OF PROPERTY IN EMERY. CONSIDERATION AND APPROVAL OF BID AWARD.**

Clerk/Auditor Bruce Funk opened two bids for the sale of property in Emery. The property was previously up for sale during the 2004 May Tax Sale. The property was misrepresented as being land locked. The property was advertised for sale in the local newspaper through the bid process. The two bids for the property were from Miracle Rock Mining for \$7,000.00 and Steve Bellis for \$4,701.00. Commissioner Gary Kofford made a motion to accept the high bid of \$7,000.00 from Miracle Rock Mining. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**STEVEN BARTON, TREASURER, REQUEST TO CONSIDER GTE GLOBAL NETWORKS, INC. FOR HANDLING OF BANKRUPTCY.**

Steve Barton, Treasurer explained that in November of 2002 Emery County became aware of a bankruptcy filing for Genuity, Inc. and certain of its subsidiaries. His office continued to receive correspondence from bankruptcy court through December of 2003 when the case was settled. Their assets were sold to a company, Level III and put into a liquidating trust. The Treasurer's office continued to send quarterly tax statement to all past due tax payers including GTE Global Network and also reported to the State because they are centrally assessed as is Genuity, Inc. GTE knew that they owed the tax as did Genuity. Included in the paperwork that

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

the Treasurer's Office received regarding the bankruptcy is a proof of claim, the formal form that the county completes and sends back to the bankruptcy court outlining the dollars that the county has claim on and listed on the proof of claim was fifteen subsidiaries not including GTE Global Network Inc. May of 2004 he received a call from a representative of the liquidating trust telling him that she had in her possession a post card from our office that said that they owed the back taxes. She indicated that they are no longer responsible because of the bankruptcy and the liquidation. Steve told her that he disagreed with her and asked to speak with someone in their legal department. Steve spoke with an attorney who referred him to an attorney in the bankruptcy court. Both attorneys agreed that the case was closed and that we, Emery County no longer had a claim. Steve contacted the State Tax Commission and explained the situation. The State Tax Commission referred him to the Salt Lake County Attorney's office where he spoke with Jason Rose, who is an expert on bankruptcy. Mr. Rose explained that it is not uncommon for big companies to reach a point of bankruptcy before it alerts anyone such as a government agency. Our claim is that we were not given sufficient notice. Emery County was never advised that GTE was a subsidiary of Genuity. Steve then met with Deputy Attorney Alan Thorpe to discuss the alternatives. Emery County could make a claim. It would require litigation. The question is, would it be worth the expense. It was Mr. Thorpe's opinion that it would be expensive and we may not come out a net winner. The amount of tax involved is \$22,234.77 plus penalty and interest for a total of \$25,111.84. Attorney David Blackwell responded by agreeing that it would be costly and we would probably not come out with anything because they have nothing left. Commissioner Ira Hatch made a motion to abate the tax with penalty and interest. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Road Department

Recruitment for the position of mechanic has been completed and Rex Funk requested approval to hire Tate Manzanares for the position. Commissioner Ira Hatch made a motion to approve hiring Tate Manzanares for the position of mechanic at the Road Department. This would entail a six months probation period wherein Tate would qualify himself for the position. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Travis Winn has been temporarily acting as Mechanic Crew Leader within his current classification. Rex Funk would now like to recommend his being promoted to the Mechanic Crew Leader position with the appropriate increase. Commissioner Ira Hatch made a motion to promote Travis Winn to Mechanic Crew Leader position with the appropriate pay increase. This

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

position would be a working mechanic position not merely a supervisory job. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

The proposal to hire two mechanics was also discussed and it was agreed to hire one at this time and wait a period of time to see how the present organization would work out before hiring another mechanic.

Sheriff's Office

J.R. Macdonald, Dispatcher, is having health problems and requested to go on Family Leave beginning July 30, 2004. Expected date of return is September 17, 2004. Additionally, J.R. does not have enough time to have the leave paid and the Sheriff's Office is requesting approval to ask for contributed leave. Commissioner Gary Kofford made a motion to approve Family Leave and contributed time for J.R. Macdonald as requested. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Other business

Carol Ware completed Family Leave on July 29, 2004 and has not returned to work. Commissioner Ira Hatch explained that during the time of her Family Leave she did not remain in contact with her supervisor. She was contacted by phone to inquire as to her intention. There is an option in the personnel policy that if additional time is needed then the employee can make written application through the department head for continuation of leave. During Family Leave, Emery County continues to pay the employees health benefit. At the end of Family Leave the benefit is no longer available through the county at which point the employee must pay the insurance premium if they want to keep it. Emery County did not receive a letter from Carol requesting extended leave. Emery County Commission instigated a letter to Carol on July 29<sup>th</sup> reiterating the policy and some things that she needed to do while on leave. The County has not heard back from the letter. Commissioner Hatch suggested that we give her a week to reply to the request for information and at the end of that time make a determination. As of the 29<sup>th</sup> her health benefits would be her responsibility. Commissioner Ira Hatch made a motion to give Carol Ware a grace period until August 6, 2004 to respond to the County in writing with a specific date that she will return to work. If she does not return to work by that date then she will be automatically terminated. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Pat reported that several employees have seen posted in doctors offices notices that after September 1, 2004 they will no longer belong to the CCN Network which is Emery County's Preferred Provider Network. She has done some checking into it and talked with Jeff Kelsey to find out what is happening. She will continue to look into it and keep the Commissioners advised on the situation.

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

Commissioner Ira Hatch made a motion to leave Commission Meeting to hold a Public Hearing to receive public comment on Ferron City Waste Water Treatment Lagoons and Outfall Lines. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**5:00 P.M. PUBLIC HEARING TO RECEIVE PUBLIC COMMENT ON FERRON CITY WASTEWATER TREATMENT LAGOONS AND OUTFALL LINES.**

There were no written comments received.

Planning Commission Director, Mac Huntington addressed the public. He reviewed a Level III Conditional Use Permit application. Under the terms of the statute and the Zoning Ordinance no federal, state or local government is exempt from the ordinance. Since it is a Level III permit it must be granted by the County Commission. What they want to do is move the lagoon a distance from Ferron and make a new lagoon and transmission line. The Planning Commission has reviewed the permit, endorses the project and recommends that the permit be granted.

Darrell Leamaster, Castle Valley Special Service District reviewed the plans with the public and the Commission. In a bond election which was held in 2001 CVSSD included in that bond roughly 2.1 million dollars to relocate the Ferron Lagoons. That project has moved along and they have received all the clearances to begin the project. The main reason that the lagoons are being moved is odors. Houses have moved closer and have complained. They discussed sending a letter to planning and zoning requesting that they zone around all the lagoons for 1000 ft. so that homes cannot be built within state regulation 1000 ft.

Commission Drew Sitterud asked for any comment from the public.

There were no comments.

Commissioner Gary Kofford made a motion to return to regular Commission Meeting.

Commissioner Gary Kofford made a motion to approve a Level III Conditional Use Permit for Ferron City Wastewater Lagoons and Outfall Lines. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

This action taken today will be ratified at the next Commission Meeting.

(8)

**CITIZEN CONCERNS**

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

Mark H. Williams stated that he has sat on the Access Management Team for over a year looking at county roads open to ATV travel. He thinks it is time for a public hearing to see how the public feels about this and move ahead with an ordinance. The Commissioners will take his request under advisement

Rex Funk, Road Department requested approval to advertise for bids to install and hook-up the fuel tank system recently purchased. He will return to the Commission with proposals for their approval. He is reluctant to have the tanks on the ground over the winter. Commissioner Ira Hatch made a motion to approve advertising for proposals to install and hook-up fuel tanks at the Road Department and to return to the Commission with a proposal. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**DISCUSSION OF FIVE COUNTY TELEVISION ASSOCIATION**

Commissioner Sitterud discussed creating a Five County Television Association. He explained that by the year 2006 Emery County television has to be on digital programming. Right now we are on analog programming. It will cost Emery County approximately \$500,000.00. The five counties will cost \$2,600,000.00. We can fix ours but it won't do us any good because we have to collect signals from Carbon County. We send our signals on to San Juan County. Carbon County sends to Duchesne County and they send to Unita County. The five counties met with the CIB and asked them to suspend the rules and allow them to come to the CIB as a group as all five counties are contributing counties. They told them that if they would form an association, similar to the AOG they could then grant money directly to the association. The rules say they can only give out a million of grant a trimester. They said they would suspend the rules enough to give them a little more than a million but not the whole \$2.6 million. With the approval of the Commission they would like to form a Five County Television Association. Each of the five counties is taking this same request to their Commission for approval. Commissioner Sitterud has discussed this proposal with County Attorney David Blackwell. Emery County will take the lead and Commissioner Sitterud will be the chairman of the group at this time. They will go after \$2.6 million by the end of the year to change all the television systems over. There is one problem in that the University of Utah owns the receiving station at Pilot Mountain that sends the broadcast to Price. U of U is getting out of that area. They pay a \$99.00 lease to the owner. The association would have to pay that lease so there would be a small budgeting item from here on out for that group. They would have to have an independent audit and have to be the owner of the property that is leased to the group. The plus is that right now if Carbon County decided that they were not going to provide Emery County with a signal anymore, we would be stuck. San Juan, Duchesne, Uninta all of us would not receive television over the air anymore. In the agreement, that Commissioner Sitterud has agreed to write, if one county pulled out of the association the equipment and the site become property of the association. At a meeting that was

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

held with all five county's commissioners and television technicians they agreed that there would be a board created to maintain the association made up of five commissioners and four technicians. They will call it an electronic board. He asked for approval to move forward with forming this association. There is urgency in creation of this association in order to procure the funds that may be available in the fourth quarter CIB funding trimester. Attorney David Blackwell suggested that the agreement should be an inter local agreement between all the counties involved. Commissioner Gary Kofford made a motion to go ahead with forming a Five County Television Association. To create an inter local agreement between all five counties involved and to bring back to the Commission for approval. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF JOE'S VALLEY BOAT RAMP AGREEMENT  
BETWEEN EMERY COUNTY AND SPECIAL SERVICE DISTRICT #1**

Commissioner Sitterud reported that Special Service District #1 agreed to take on the Joe's Valley Boat Ramp Project. We signed an agreement with SSD#1. As we moved forward with the project we realized that Emery County bid out the project, not SSD#1. So they could not take on the project. We have renegotiated with the contractor. Attorney David Blackwell has drawn up a new agreement. Commissioner Gary Kofford made a motion for approval of the agreement between Emery County and SSD#1 for the Joe's Valley Boat Ramp Project. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF TIMBER SALE CASH BOND.**

Commissioner Kofford explained that this is a Level II Conditional Use Permit issued by Planning Commission on the 14<sup>th</sup> of May, 2004. It is for timber sale east of Electric Lake. The cash bond is a \$5,000.00 performance bond to be kept in an account in the event the permittee, Arthur Northup, is in breach of contract or the permit is not complied with or timber payments or county fees are in arrears. According to the Emery County Timber Harvest Permit the funds may be used for purposes of cleanup and reclamation of the landowner's property and/or payment for timber removed from the property and/or county fee payment. The document has been reviewed by Attorney David Blackwell. Commissioner Gary Kofford made a motion to approve a Timber Sale Cash Bond as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**DISCUSSION OF POLITICAL SIGNS AT THE FAIRGROUNDS.**

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

The Board of Commissioner discussed political signs at the fairgrounds. It was decided to recommend to Kathy Justice, Emery County Fair Director that all signs be inside a booth.

(12)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated July 20, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Ira Hatch made a motion to approve the minutes dated July 29, 2004. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**COMMISSIONER REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported that Sevier County Commissioner called and would like the Emery County Commissioners to write a letter in support of the EIS on the Quitchinpah Road. The letter of support should specify the benefits for the workers to be able to get to the SUFCO Mine, cabin owners accessibility, recreation accessibility and grazing. He told them he did not think they could write of support for grazing. They have not seen the EIS draft proposal. Commissioner Hatch stated he would be in support of those things if they were adequately covered and mitigated in the approved EIS, but he has not seen it yet. Commissioner Ira Hatch made a motion to not write a letter of support until after reviewing the EIS draft proposal. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Sitterud received a call from Derek Bigelow regarding reopening an oil refinery in Green River.

Commissioner Gary Kofford made a motion to move into an executive session to discuss pending litigation and personnel matters. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Present at an executive session was Commission Chairman Drew Sitterud, Commissioner Ira

COMMISSION MEETING MINUTES  
AUGUST 3, 2004

Hatch, Commissioner Gary Kofford, Attorney David Blackwell and Deputy Clerk/Auditor Carol Cox.

Discussed was pending litigation.

**(15)**  
**ADJOURNMENT**

Upon returning to regular Commission Meeting Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY SHERIFF'S COMPLEX IN GREEN RIVER, UTAH

AUGUST 17, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Sr. Deputy Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

The meeting was called to order at 4:00 p.m.

(1)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO THE EMERY COUNTY GENERAL PLAN.**

Emery County has been working on amending the county plan to strengthen the resource management plan. There was not anything in the general plan on the wild and scenic rivers. Positions need to be strengthened on grazing, ATV use and tourism. Planning & Zoning held a public hearing last Wednesday. Emery County held a public hearing on Monday night. There has to be a 14 day public comment period before the amended plan can be adopted. Deputy Attorney Allen Thorpe stated some of the changes to the general plan include adopting a map of the county travel plan including the RS2477 claims at this point. The plan needs to recognize that recreation is growing. The plan also needs to strengthen the position of the county on access of public lands. The plan also needs to state the County's opposition to any attempt to designate any waterways as wild and scenic rivers and anything that attempts to affect our water rights in the future. Commissioner Ira Hatch made a motion to set a public hearing for September 7, 2004 at 5:00 p.m. to finalize proposed amendments to the general plan. The motion was seconded by Commissioner Gary Kofford and approved by all member present.

(2)

**CONSIDERATION OF SPONSOR FOR EMERY HIGH SCHOOL SPORTS BROADCASTS.**

A request was received by the commission office to be a radio sponsor for Emery High Football. Commissioner Ira Hatch made a motion to refer the request to the Recreation Board to see if they are able to contribute. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(3)****DISCUSSION OF STATE TRUST LANDS INTENT TO BUILD A TRUCK STOP AT GREEN RIVER I-70 EXIT.**

Connie Copenhaver, Green River Chamber of Commerce, discussed the proposed truck stop at the last Green River I-70 exit. The parcel of land being discussed was leased by Odell and Olive Anderson with the idea that a truck stop would be built. Green River City would not give them water to facilitate the building of the truck stop. The State Trust lands want the lease to be developed. If the Anderson's are not going to build the truck stop there is another company interested. The Chamber's position is that the new truck stop would be very detrimental to the downtown area. If there is a truck stop on the interstate there will be no need for people to exit the interstate. Presently Green River City will not provide water to any area outside of the city limits. If the property was annexed into the city, Green River would have to provide them water. The property owners have to petition the city for annexation and at this point in time the Anderson's have not made that petition. Ms. Copenhaver just wanted to make the Commission aware of this situation.

**(4)****DISCUSSION OF ESTABLISHING A RESTAURANT TAX IN EMERY COUNTY.**

Connie Copenhaver, Green River Chamber of Commerce, requested that the Commissioners consider implementing a restaurant tax. Howard Hastings, Carbon County, informed the Commission that Carbon County does implement the restaurant tax. The tax is administered by a Board made up of restaurant owners. The revenue generated from the restaurant tax has paid for signs and displays which have increased visitation. The idea of a restaurant tax has been brought up because Green River's economy is falling and they can no longer just depend on cars coming off the freeway. Green River needs to be advertised as a destination not just a stop for fuel.

**(5)****DISCUSSION OF JUSTICE COURT ADMINISTRATION.**

Commissioner Kofford reported on the status of the Justice Court Administration. Since Judge Truman passed away, Judge Burns has been covering both justice court precincts. Judge Burns has been spending two to three days every other week in the Castle Dale precinct. Judge Burns workload has increased significantly. Forty-nine Applications for the judge position were received and the process for filling the position is underway. The appointment will have to receive state certification and could be sitting on the bench by the end of January. Judge Burns addressed the Commission with her concerns. It was her understanding that the new Judge would be operating by September. If it is going to be January she feels she needs to be compensated for the additional workload. It was Commissioner Sitterud's recommendation to compensate Judge Burns for travel and accommodations while operating the court in Castle

COMMISSION MEETING MINUTES  
AUGUST 17, 2004

Dale. Commissioner Gary Kofford made a motion to pay a \$7,500.00 bonus to Judge Burns as compensation for additional workload until the time a new judge is appointed and functioning. Judge Burn's base salary will remain the same and the bonus will be divided equally among the remaining pay periods for 2004. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**APPOINTMENT TO EMERY COUNTY TRAVEL BUREAU.**

There is a vacancy in the Emery County Travel Bureau for the eastern side of the County. The Board appointment is to fill a vacancy left by Doug Richards. Commissioner Ira Hatch made a motion to appoint Cathy Gardner to the Emery County Travel Bureau. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**RATIFY LETTER OF SUPPORT FOR QUITCHUMPAH ROAD.**

Quitichumpah Road is just south of Emery. It would mainly be used for Suffco Mine traffic in Sevier County. The proposal is to have the road meet Highway 10 three miles south of Emery. The road would primarily be in Sevier County. A letter of support was requested because there are about 25 miners that travel to the mine. It would take about sixty miles off the trip to work. Commissioner Ira Hatch made a motion to finalize the letter of support specifying the benefits to Emery County which include the shorter distance for the workers to travel, cabin owners accessibility and the recreation accessibility potential. The letter needs to include when the EIS becomes available if there are problems they can be addressed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**RATIFICATION OF PUBLIC HEARING AND APPROVAL OF LEVEL III  
CONDITION USE PERMIT FOR WASTEWATER TREATMENT LAGOONS AND  
OUTFALL LINE FOR FERRON CITY.**

This item was not on the agenda two weeks ago. Commissioner Gary Kofford made a motion to ratify the action taken two weeks ago approving the level III conditional use permit for the waste water treatment lagoon project. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

COMMISSION MEETING MINUTES  
AUGUST 17, 2004

**RATIFY AREA ANNUAL SUBSTANCE ABUSE AND MENTAL HEALTH PLAN.**

Bob Greenburg, Four Corners Mental Health, presented the substance abuse and mental health plan for fiscal year 2005 last commission meeting. Commissioner Gary Kofford made a motion to ratify the action taken two weeks ago to accept the substance abuse and mental health plan. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 164004 through and including # 164165 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
55-04	Microwave System/Green River to Castle Dale	52,300.00	Approved

There were no dispositions.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, Additional Claims and Requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members presented.

(11)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director, was unable to attend the meeting. Commissioner Ira Hatch presented the following for commission approval:

***Weed and Mosquito***

Brian Johnson has been hired temporarily, up to 90 days, as a weed and mosquito technician beginning August 4, 2004 and ending November 1, 2004. Commissioner Ira Hatch made a motion to approve the hiring of Brian Johnson. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

***Planning and Zoning/Public Lands***

COMMISSION MEETING MINUTES  
AUGUST 17, 2004

Margaret McMullin is eligible for a routine grade increase. This is in compliance with the County policy. Department Head Bryant Anderson agrees with the increase. Commissioner Ira Hatch made a motion to approve a routine grade increase for Margaret McMullin. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**CITIZEN CONCERNS.**

***Tom Burr, Green River City Council:*** Mr. Burr stated that back in February a letter was written requesting the implementation of a restaurant tax. The majority of the restaurant owners in Green River were previously paying the tax while in Grand County. Mr. Burr also asked about the collection of transient room tax. Commissioner Hatch stated that the Utah State Tax Commission had been notified that beginning October 1, 2004 Emery County will begin collecting its own transient room tax.

***Jo Baxter:*** Ms. Baxter thanked the Commission for including the paint out in conjunction with the Emery County Fair.

***Mayor Johnson, Green River City:*** Melon Days will be held September 18, 2004.

There have been good comments on the mosquito control this year. The mosquitos have not been as bad as last year. Commissioner Hatch stated that James Nielsen, Weed & Mosquito Director, works diligently to maintain this program. Mr. Nielsen applied for a \$20,000 grant for mosquito abatement in Green River area. New equipment has been purchased. Commissioner Hatch stated he appreciates the cooperative efforts of Green River City in this effort. Green River City contributed \$5,000 cash and \$10,000 in-kind services.

Mayor Johnson reminded the Commissioners that he is still requesting \$18,000 reimbursement for attorney fees for the Green River annexation. Commissioner Hatch stated that Emery County paid more than half of the attorney fees and the last payment should have wiped the bill off the books.

Mayor Johnson informed the Commission that he had met with the Army Reserves last week. They are interested in moving onto the missile base south of the freeway. The proposal is to swap private land that the US Army owns with land the BLM owns. There are four options:

COMMISSION MEETING MINUTES  
AUGUST 17, 2004

- 1) Do nothing on the base
- 2) Acquire the land and transfer it to the Army Reserves for use as a mobile training facility
- 3) Make the facility to store equipment
- 4) Build a facility there and actually man it with full time people.

The area within the Green River City limits will not be used. The clean up process of that area has begun.

The landfill has been permitted. They are applying for a right-of-way to widen the road. As soon as they get the permit they will begin work on the road. They will then apply for the building permits necessary to build their facility. They are actively seeking contracts.

**Joni Pace** Ms. Pace questioned whether Emery County provides money to Four Corners Mental Health (FCMH). Ms. Pace is requesting that more services be provided in Green River. Emery County is mandated by State law to provide funding to FCMH. Commissioner Kofford stated that the FCMH's budget is down \$200,000-\$300,000. They are now trying to make sure that the people they work with have the ability to pay. There is also a transient problem along I-70. If a person is picked up in Emery County and they are admitted to the mental hospital, Emery County is charged for that person. Commissioner Kofford requested Ms. Pace to contact him with concerns over mental health services.

**Kristine Monroe, Green River Community Center:** Three years ago a Positive Action Community Team (PACT) was established. Average attendance at the meetings are 12 people per month. The purpose of the meetings are to cross flow information and to coordinate activities. Last year a nonprofit organization was established called Friends of the PACT. It has a seven member board. The goal of the Friends of the PACT is to provide creative solutions for local problems and to be a funnel for those finances. Their first project is the community life complex which also now includes affordable housing. If there is a funding source for brick and mortar please remember this organization.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated August 3, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**COMMISSIONER REPORTS**

COMMISSION MEETING MINUTES  
AUGUST 17, 2004

***Commissioner Kofford***

Commissioner Kofford reported that the fair was completed last week. Tawny Bigelow was crowned Miss Emery County and did a good job representing the County during the fair. Commissioner Kofford thanked Kathy Justice, Fair Director, and all those who helped with the fair.

***Commissioner Hatch***

Commissioner Hatch attended the State Aging Council on the Department of Human Resources. Medicaid and medicare reimbursements are much lower than they have been in the past. Through reshuffling and postponing hiring our program is still able to offer the services that they have in the past.

The SITLA Board met on August 12, 2004. Commissioner Hatch also attended the Utah Counties Insurance Pool meeting in Salt Lake City.

***Commissioner Sitterud***

Commissioner Sitterud attended the rural summit in Cedar City. Senator Hatch spoke along with Governor Olene Walker and Congressman Chris Cannon. Commissioner Sitterud attended classes in wild and scenic rivers, RS 2477, public lands RMP management and grazing.

Commissioner Sitterud has also been involved in the Range Creek RMP. One day there were 250 journalists covering every major news station. The Today show broadcast one morning from the wedge. It was interesting to see the people's reaction to the scenery. One full day was spent in Range Creek. Emery County is working to get our museums as the procurement museum.

There will be no overnight camping in Range Creek. A permit is available for day use. A pictured I.D. will be required and have to be carried at all times. Range Creek will only be open to walking.

Emery County is working with two companies right now. One company is a gas plant in Green River. That company is looking for \$200,000 to bring the plant up to standards. The plant would employ 20 people. There is also another plant that makes rubberized tracks. Emery County is one of the final three. A decision will be made on October 30, 2004. This company would employ about ten people. Sunrise Quarter horses has purchased property in Emery County. They hope to be operating by January.

Commissioner Sitterud complimented Commissioner Kofford on the fair and thanked Sheriff Guymon for the effort his department puts forth to help operate the fair.

8  
COMMISSION MEETING MINUTES  
AUGUST 17, 2004

**(15)**  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

There was no executive session.

**(16)**  
**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting at 5:50 p.m.. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 7, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**5:00 P.M. PUBLIC HEARING- To receive public comment on proposed amendments to Emery County General Plan.**

Commissioner Gary Kofford made a motion to move out of regular Commission Meeting and into a Public Hearing to receive public comment on proposed amendments to the Emery County General Plan. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Deputy Attorney Allan Thorpe explained that the original purpose in amending the General Plan was to clarify the County's position on certain management practices by the BLM. Changes that have been discussed include water rights, recreation and the value to county tourism, access to public land, scenic and historic access as well as RS 2477 ROW. Language has been strengthened to reflect the County's opposition to any wilderness classification, Wild and Scenic River designation, to support livestock grazing, and to protect and acquire right-of-ways on SITLA land. The ordinance provides instruction to the Planning Commission staff to insert language into the Plan that conforms and reformats the plan to reflect the needs of the County.

Commissioner Drew Sitterud opened the meeting to the public for comments.

There were no comments.

Commissioner Ira Hatch made a motion to come out of the public hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Ira Hatch made a motion to return to the regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

2

(2)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO EMERY COUNTY  
GENERAL PLAN.**

Commissioner Gary Kofford made a motion to approve the amendments to the Emery County General Plan as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**PAT GUBBINS- BLM, QUARTERLY UPDATE**

Mr. Gubbins was not able to attend the meeting.

(4)

**MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Mesia Nyman, Forest Service provided the following update:

- \* Joe's Valley, WUI, Wildland-Urban Interface Project
- \* Fuels treatment's on Little Nelson Mountain about 800 acres.
- \* Noxious weed treatment's about 460 acres district wide.
- \* The draft EIS for 25 sheep grazing allotments will be out for review by end of September.
- \* South Manti timber sale appeal period is not over yet.
- \* East Mountain a well pad for drilling and access for state on SITLA land review team looking at the project.
- \* Recent fire in the Six Mile area was started by lightning. Approximately 220 acres have burned on the Pines area. The fire has died down somewhat, but has burned many bug killed pines and is in a prescribed burn area.
- \* Regarding inventoried roadless areas, they must re-evaluate roadless areas that may have wilderness characteristics. There will be more public meetings.
- \* The Healthy Forest Restoration Act provides opportunity for local government to submit projects on public land for fuel treatment-restoration projects. Bug kill areas qualifies for that proposal. The proposal must come from the local government. It cannot come from the Forest Service. She urged the Commission to look at possible projects to submit such as bug kill or restoration treatment say from Huntington Canyon to Potter's. You must be specific in your request.

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

3

**(5)**  
**DERRIS JONES, DWR, QUARTERLY UPDATE.**

Mr. Jones was not able to attend the meeting.

**(6)**  
**CITIZEN CONCERNS**

Gary Petty voiced his concern for a support letter drafted by the Commission for the Quitchupah Road Project. He was concerned that the road would not be accessible for the cattlemen. Emery Town does not support the project. He would like to see a trail and/or overpass for the cattlemen.

Commissioner Hatch pointed out that the letter of support was dependent upon review and agreement of the EIS and the negotiations talked about during the planning phase of the project. As of this date, the Commission has not had an opportunity to review the EIS.

Commissioner Gary Kofford commented that the Emery County Public Lands Department responded to the 2001 EIS draft in a letter dated February 26, 2002 for the proposed Quitchupah Creek Road. Emery County's position in this letter indicated alternative D with modifications noted in the memo is the only alternative which satisfies the purposes and needs identified in the DEIS while addressing the concerns of the County. The Emery County Commissioners have not changed or modified their position from the date of this letter.

**(7)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Sr. Deputy Clerk/Auditor Brenda Dugmore discussed a request for ambulance write-off from Dorothy Childs. Medicare has refused to pay the bill because she was transported to Utah Valley Hospital instead of CastleView Hospital. Mrs. Childs's doctor had requested she be transported to Utah Valley Hospital however Medicare will only pay to the nearest facility. Commissioner Gary Kofford made a motion to abate fifty percent of the bill. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)**  
**RATIFICATION OF RELEASE OF LIEN.**

Treasurer, Steven Barton discussed a situation wherein a tax payer, Dona Ralphs Roberts was

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

4

granted a six month extension on property taxes to avoid being placed on the May Tax Sale. Ms. Roberts has since paid the taxes however the release of lien was not completed. An emergency came up and the release of lien was signed. The action now needs to be ratified. Commissioner Ira Hatch made a motion to ratify the approval to release a lien for Donna Ralphs Roberts. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF CONTRACT 030845- AMENDMENT #5 BETWEEN EMERY COUNTY ECONOMIC DEVELOPMENT AND THE DEPARTMENT OF WORKFORCE SERVICES.**

This is a grant for services to be performed by Emery TelCom for Workforce Services. Since Work Force Services cannot contract with a private entity they must go through Economic Development. Commissioner Gary Kofford made a motion to approve Contract 030845- Amendment #5 between Emery County Economic Development and the Department of Workforce Services. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF GIS GRANT APPLICATION.**

Commissioner Gary Kofford made a motion to approve a GIS application for RS 2477 mapping, cadastral mapping and addressing. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #164432 through and including #164610 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
56-04	Xantrex AC Power Inverter Drug Task Force	\$1,265.00	Approved

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

5

57-04	Supply & Personnel Cabinets Sheriff	\$3,864.00	Approved
-------	--	------------	----------

There were no dispositions.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Bruce Funk opened bids for construction of a reinforced concrete fuel tank containment structure at the Castle Dale Road Shop. The bids were as follows:

1. Wall Contractors, Orangeville, Utah \$14,580.00
2. Ernest J. Jensen, Contractor, Castle Dale, Utah \$11,260.00
3. B. Hansen Construction, Inc., Wellington, Utah \$12,320.00

Commissioner Gary Kofford made a motion to award the bid to the lowest bidder, Ernest J. Jensen, Contractor for \$11,260.00 with the understanding that if the contractor is going to be longer than November 1, 2004 then the Commission will contract with the next lowest bidder in order to have the project completed before winter. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Extension Office

Gaylene Conder has successfully completed her six-month orientation period and is eligible for a wage increase which would be effective the pay period of September 13, 2004. Commissioner Ira Hatch made a motion to approve the wage increase for Gaylene Conder as prescribed by the Personnel Policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Clerk/Auditor' Office

Janalee Luke is eligible for the routine/progressive wage increase on September 16, 2004 which would be effective the pay period of September 27, 2004. Commissioner Gary Kofford made a

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

6

motion to approve the routine/progressive wage increase for Janalee Luke as prescribed in the Personnel Policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Economic Development

The recruitment process is complete for an Economic Development Director. They interviewed nine applicants for the position. It was recommended that Mike McCandless be hired for the position. Commissioner Ira Hatch made a motion to hire Mike McCandless as Economic Development Director. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

A request was made to re-appoint Melinda Wilbanks to an additional temporary assignment of up to 90 days. If Melinda is unavailable to take another 90 day assignment, request was made to hire another temporary worker. Melinda's two week furlough between assignments began September 3, 2004. Commissioner Ira Hatch made a motion to approve another 90 day assignment for Melinda Wilbanks and if she is not available to approve hiring another temporary worker. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Ira Hatch made a motion to approve the Commissioner Meeting minutes dated August 17, 2004 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**COMMISSION REPORTS.**

*Commissioner Gary Kofford*

Commissioner Kofford attended a meeting with DOGM where they discussed the disappearance of surface water in relation to mining.

He attended a meeting with Bryant Anderson and Allan Thorpe regarding the Fillmore Subdivision in Joe's Valley. In 1976 covenants were made with regard to zoning in the Fillmore Subdivision. These covenants have expired. Owners say that the county has no authority to

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004

7

zone there. Commissioner Kofford felt that somehow we need to get involved with that again. There were two parcels sold to an individual and his son that were eighty acres. They have put in a septic tank and platforms, they have a camp trailer on the lot. They have been informed that they are not in compliance with zoning. The county may have to cite them and proceed with legal action.

*Commissioner Ira Hatch*

Commissioner Hatch attend an insurance board meeting. He attended a UCIP Risk Management Training Conference with Attorney David Blackwell, Sr. Deputy Clerk/Auditor Brenda Dugmore, Risk Management board member Carol Cox and Personnel Director, Pat Snowball. They learned several things to help the county with keeping down the cost of Worker's Comp. premiums and ways to make the county less vulnerable.

He invited everyone to review the Huntington North Reservoir RMP alternatives. He provided copies of the RMP newsletter.

*Commissioner Drew Sitterud*

Commissioner Sitterud met with the BLM regarding Wild and Scenic River designation. The final meeting on the Joe's Valley Boat Ramp was held last week. The contractor, Nielson Construction will begin working on the project on the 15<sup>th</sup> of September.

He took a group of state and federal agency department heads to Range Creek. We met with the BLM subgroup to discuss camping on the Wedge as proposed in the RMP and suggesstions from recreation planners. That is in draft form at this time.

Governor candidate Jon Huntsman will be at the AOG office in Price at 11:00 am on September 8<sup>th</sup>.

Commissioner Ira Hatch made a motion to move into an executive session to discuss possible litigation. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Present at an executive session was Commissioner Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, and Deputy

COMMISSION MEETING MINUTES  
SEPTEMBER 7, 2004  
8

Clerk/Auditor Carol Cox.

Commissioner Ira Hatch, upon returning to regular Commission Meeting, made a motion to review the Airport Operator contract and determine when it is up for renewal and between now and then re-write the policy to reflect the hanger rental will be handled by the county and to include in the policy that the hangers are to be used for licensed, legally operating aircraft and make arrangements with the airport operator to have him reimbursed for the hanger rental. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**  
**ADJOURNMENT.**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 21, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**ORANGEVILLE YOUTH CITY COUNCIL, REQUEST TO USE FORMER  
JAIL/SHERIFF OFFICE FOR HAUNTED HOUSE.**

Alissa Cox and Danette Waite from the Orangeville Youth City Council came before the Board of Commissioners requesting to use the old sheriff's building to hold a haunted house fund raiser. Instead of charging admission they would ask for donations in the form of canned food to be donated to the food bank.

Commissioner Sitterud addressed the request by pointing out that currently the building is being used to house surplus computers and equipment. It would take a lot of man-hours to move all the equipment. Another concern is the liability of having people in the building which has been deemed unsafe. The Commissioners suggested looking for other locations. They offered the use of the incubator site in Huntington as it is a big, vacant, warehouse without windows. Commissioner Sitterud thanked them for coming and stated he felt it was a worthy project and wished them luck in finding a location to hold their haunted house.

(2)

**SHARON EARL, DISCUSSION OF SENIOR CITIZEN CHRISTMAS PARTY.**

Sharon Earl, Chamber of Commerce came before the Board of Commissioners to request assistance with the Senior Citizen Christmas Party. Last year the Chamber obtained the food for the dinner and turned in the bills to the county to pay. The dinner averaged out at about \$4.50 a plate. They will hold the party in the Recreation Center this year because it is a larger facility. Last year's party was very well attended but was crowded. They have reserved the Recreation Center for December 8, 2004. The party will begin at 6:30 p.m.

Maughn Guymon, SEUALG spoke in favor of holding the Senior Christmas Party at the Recreation Center. He also was in favor of the County and the Chamber Commerce working together to bring this party about. He will see that all the buses are running to transport as many Seniors to the party as want to attend. He thanked the County Commissioners and the Chamber

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

of Commerce for their continued support of the Senior Citizen program. Commissioner Gary Kofford made a motion to allow \$800.00 for food to help with the Senior Citizen Christmas Party. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CLOSURE.**

Senior Deputy Clerk/Auditor Brenda Dugmore explained that the requirements for Board of Equalization have been met. BOE was held open for forty-five days after the disclosure notices were mailed. It is now time to close BOE. Commissioner Ira Hatch made a motion to close Board of Equalization for 2004. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**RATIFY AWARDED E. JENSEN BID FOR CEMENT WORK AROUND FUEL TANKS.**

Two weeks ago in Commission Meeting the bids were opened for the construction of a reinforced concrete fuel tank containment structure at the Castle Dale Road Shop. At that time the bid was awarded to E. Jensen with the low bid of \$11,260.00 to expedite the work before the cold weather hit. That action needs to be ratified. Commissioner Gary Kofford made a motion to approve the action taken two weeks ago to award the bid for the construction of a reinforced concrete fuel tank containment structure at the Castle Dale Road Shop to E. Jensen. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**CITIZEN CONCERNS**

Sharon Earl expressed concern for the closure of small businesses in the county. As a business owner in the county she was dismayed to hear that nineteen new businesses are opening in Price while Emery County has had six businesses close. She expressed appreciation that a new Economic Development Director, Mike McCandless has been hired. It was her hope to see the Economic Development Revolving Loan Program be used to not only introduce new business into the county but to maintain a customer base. Emery County businesses have lost a lot of business to Walmart. It has been great to have ALCO open a business here. We need to get together and find a way to keep business in the County instead of sending it to Price.

Commissioner Gary Kofford discussed the Fair Board's plans to improve the Emery County Fair next year. The board discussed possibly budgeting to bring in a big name for a concert such as Sawyer Brown. They did some research and found out that it would cost \$50,000.00 to bring in such a big name attraction. Even if you sold out the Spartan center at \$20.00 a ticket you would

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

not break even. They would need to look at getting sponsors. Rob Midgley suggested that they call Torrey, Utah and find out how they funded a concert with Sawyer Brown last summer. Leslie Bolinder suggested talking to other counties to see how they fund for concerts. Rob Midgley -Airport Manager informed the Commissioners that GENCO AIR has been paying for the fuel at the airport. Fuel taxes are paid up front and the state sends back a portion to the county. About \$30.00 to \$60.00 is returned to the county.

He also suggested to the Chamber of Commerce that the \$100.00 a year membership is to steep for him to pay and if it was lowered he be willing to join the Chamber and participate.

(6)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN UTAH  
DEPARTMENT OF TRANSPORTATION AND EMERY COUNTY ON MUDDY CREEK  
BRIDGE PROJECT.**

Commissioner Ira Hatch explained that Utah Department of Transportation is replacing the Muddy Creek Bridge. The project is primarily financed from Federal-aid highway funds. A Memorandum of Agreement signed by the State Historic Preservation Officer, the Advisory Council on Historic Preservation, the Federal Highway Administration, Emery County and UDOT stipulates measures for taking into account the adverse effects on the historic Muddy Creek Bridge, including providing funding to Emery County for historic preservation and the management of the funds for this purpose was presented for approval. Emery County will provide a scaled replica of the historic Muddy Creek Bridge which will be located at the existing roadside interpretive stop on State Route 10 as well as an oral history on the settlement history of the Muddy Creek area. The Board of Commissioners reviewed the agreement with Attorney David Blackwell and a few minor changes were agreed upon. The sentence "This work must precede demolition of the bridge." will be stricken from the agreement. Also the term 'termination date' will be changed to 'completion date'. Commissioner Gary Kofford made a motion to approve an agreement between Utah Department of Transportation and Emery County on Muddy Creek Bridge Project with the changes discussed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF GRANT FOR HUNTINGTON AIRPORT  
IMPROVEMENT PROJECT WITH UDOT/AERONAUTICAL OPERATIONS  
DIVISIONS.**

Commissioner Ira Hatch explained that in subsequent meetings with UDOT/Aeronautical Operations Division regarding an previously funded improvement project to provide lighting at the Huntington Airport they discussed widening and grading the airport before beginning the

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

lighting project. UDOT/Aeronautical Division has provided a grant to do the widening and grading improvements. The grant is for \$12,000.00 with 90% coming from the State and 10% from the County. The runway will be widened from 60' to 75'. Commissioner Ira Hatch made a motion to approve a project application and grant agreement for State aid for development of public airports with UDOT/Aeronautical Operations Divisions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**

**CONSIDERATION AND APPROVAL OF AMENDED COOPERATIVE AGREEMENT BETWEEN EMERY COUNTY AND ECSSD#1 FOR HUNTINGTON AIRPORT IMPROVEMENT PROJECT.**

Commissioner Gary Kofford made a motion to approve a cooperative agreement between Emery County and SSD#1 to provide funds for the Huntington Airport Improvement Project and to be reimbursed from grant monies provided by UDOT through the County. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)**

**DISCUSSION OF TRT PROGRAM.**

Commissioner Ira Hatch discussed the Transient Room Tax program. Emery County has been in the process of changing over from the state collecting the TRT funds and remitting a portion back to the county. There has been a lot of controversy on this issue. This past year the county had been working on the option for the county to collect the funds themselves. Then UAC came up with a proposal to act as agents to collect the funds for the counties. It appears that there is a duplication of services. Some of the counties want the flow to come from the vendor (hotel, etc,) to the county then the county send it to UAC with the reporting. Our position is if we are going to have to be involved to the extent that we are collecting and policing the funds, then why not do it ourselves. With the Commissioners Council coming up next week this will be an item of discussion. There has been a sub-committee working on this. There has been a lot of controversy back and forth. The sub-committee has not been listening to what some of the counties have been trying to get incorporated into an agreement. We do not have to make a decision today. After the discussion at the council meeting we will be in a better position to address this. At this point in time, if they do not make some changes to lessen the impact on the counties, Steve Barton, Brenda Dugmore and Himself will make the recommendation to go ahead and do it ourselves. Grand County has been doing it themselves and is getting along plenty well. Brenda and Ira will be meeting with Grand County next week find out how they are doing with the process. They will know more after the meeting with Grand County and the Commissioners Council meeting.

**(10)****CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Senior Deputy Clerk/Auditor presented a letter of request for ambulance write-off from Shirley Tsaousis. Her husband, Anthony Tsaousis was in an accident and was transported to Grand Junction to St. Mary's Hospital where he was pronounced dead. Mrs. Tsaousis indicated that there was no insurance and she has no money with which to pay the ambulance bill. Commissioner Gary Kofford made a motion to write-off the ambulance bill for Anthony Tsaousis in the amount of \$2,057.37. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #164736 through and including #164866 for payment.

There were no requisitions or dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)****PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

**Library**

Mary Ann Anderson has successfully completed her six-month orientation period and is eligible for a step increase, as per policy, effective the pay period of September 27, 2004. Commissioner Gary Kofford made a motion to approve a step increase for Mary Ann Anderson as per policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**Assessor**

Kris Bell, Assessor requested approval to recruit for an appraiser. She proposed recruiting for a full time employee starting out at a lower wage with subsequent increases as the prospective

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

employee successfully completes appraiser certification classes. It was suggested having a letter of understanding that the prospective employee signs to ensure that the employee certifies. If the prospective employee does not successfully complete any of the certification classes he or she will be terminated. Workforce Services will be testing the applicants in mathematics and logic and a great deal of the selection process will be guided by the tests results. Commissioner Gary Kofford made a motion to approve the process for recruiting and acquiring an appraiser in the Assessor's Office as outlined by Pat Snowball and Kris Bell. The motion was seconded By Commissioner Ira Hatch and approved by all members present.

Insurance

Pat informed the Commissioners of First Continental Life's recent take over by a dental provider company. First Continental Life is the provider for additional life insurance provided for employees as part of our benefit package. Jeff Kelsey, at Pat's request, has researched for another company that would take our group. One has been found, however, the premium is higher than the current premium. She asked the Commissioners if they want to change companies or sit with the current company. Attorney David Blackwell suggested getting with the current company and get their input. Pat would like to schedule IBA to come to the County with documents in the event we decide to change company. Commissioner Hatch felt that the offer of additional insurance is a voluntary thing for the employee. It does not cost the county anything to have it available. Commissioner Gary Kofford made a motion to allow Pat to proceed with her proposal to contact those people currently participating in the additional insurance program and invite IBA to come in with a proposal. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated September 7, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**COMMISSION REPORTS**

*Commissioner Hatch*

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

Commissioner Hatch, and UDOT Commissioner Bevan Wilson attended a Non-Urban Road Committee and Joint Highway Committee meeting in Richfield. Emery County was successful in getting an additional \$250,000.00 to go with the already programmed \$250,000.00 to work on Temple Mountain Road as it leaves Highway 24 over to Goblin Valley Road. That is a fifty-fifty split with the State and the County. Special Service District #1 has indicated that it is a high priority project on their part and they would be willing to put up the match for the \$250,000.00. The project is moving ahead. The permit work is going on for the archeological and other permits needed along the route.

He participated in the recent Green River Melon Days parade along with other elected officials from the County.

State Route 10 Corridor study team working on the State Route 10 from Price to I-70 will hold an open house today between 1 and 4 p.m.. They are working on the section between Ridge Road and US 6. They will present several alternatives. It will be at the Old Carbon Elementary in Price.

*Commissioner Kofford*

Commissioner Kofford, Commissioner Hatch and Commissioner Sitterud attended and unofficial open house for the new Ferron Fire Station. An official open house will be held during National Fire Prevention Week, October 8, 2004.

*Commissioner Sitterud*

Commissioner Sitterud reported on the recent Economic Summit held here last week. It was a huge success. The attendance goal was for one hundred people. They went well over the goal. It was very well attended. All the feedback has been positive. He complemented all the people who were involved in the planning and production of the event.

During Peach Days there was a celebration at the Nursing Home to raise funds for the facility. It went very well.

A special legislative meeting was held last week regarding Range Creek. They approved \$150,000.00 for security measures to keep the area from being vandalized through the winter. Emery County had heard that CEU has asked for funds for a new museum to host the artifacts that come out of Range Creek. Emery County was opposed to that because Range Creek is in Emery County. Apparently that request was never discussed during the meeting. He contacted Brad Johnson and let him know that Emery County has two museums perfectly capable of handling anything that comes out of Range Creek.

The gas plant in Green River has sold. The owner is going to open the plant and guarantees between ten and twenty high paying jobs. Emery County has been behind him all the way. He

COMMISSION MEETING MINUTES  
SEPTEMBER 21, 2004

has acquired some state money to get going with. Emery County will come up with a match for the funds. The owner will pay for the paint and Emery County Economic Development board members will help with the painting for our portion of the match. Green River City will match people with however many people we send down to work on the project.

He attended the Green River Melon Days Pageant. Five girls tried out for the contest. All were great. Miss Emery County sang at the pageant.

Joe's Valley Boat Ramp is now under construction. They will try to complete the project before the snow falls on the mountain.

**(15)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(16)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 5, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DELENA FISH, DWS, QUARTERLY UPDATE**

Delena Fish, DWS provided the following update:

- ❖ They have published a Utah Careers guide focusing on Utah's hottest jobs, today's job market and the skills that employees want, tips on interviewing writing a resume and job success. The guide is available on their web site and in hard copy format.
- ❖ They have targeted three job markets in the state to focus support and education. The three targeted areas are medical, financial and construction. Because of the economy in our area, local staffers have targeted two additional areas, government and energy.
- ❖ The state goal is to place 100 people in each of these targeted markets. Eastern Region goals are to place 11 people in each of these markets by the end of 2005.
- ❖ Previously the youth program was administered by a carrier who bid on the job. This year, however DWS will administer the program themselves.
- ❖ PCN which is a program that offers health coverage to adults who do not have coverage will have open enrollment October 4-29, 2004.
- ❖ Learn Key which is a massive group computer learning program is available in the Castle Dale Center free of charge if you are enrolled in the DWS program, \$5.00 for a group to attend.
- ❖ DBT in Huntington previously hired through SOS in Price. DWS will now be processing job orders for the company.

(2)

**DEBRA DULL, UTAH POWER/PACIFICORP, QUARTERLY UPDATE.**

Debra was not able to attend the meeting.

(3)

**LARRY SALAZAR, EMERY TELCOM, QUARTERLY UPDATE.**

Larry Salazar, Emery TelCom provided the following update:

- ❖ He reported on DSL upgrades.
- ❖ FCC upgrade approval for portability.
- ❖ In Community Involvement: they donated \$8,000.00 to Emery High School for scholarships.
- ❖ Crystal Apple Award's first year went very well. One teacher from Emery County and one from Carbon County were chosen as well as an overall winner which was from Green River. The overall winner is nominated for the National Rule Award who, if chosen could win \$5,000.00 in technology money for his/her classroom.
- ❖ Emery TelCom continues to donate to communities and schools.

(4)

**CITIZEN CONCERNS**

Road Supervisor, Rex Funk requested access to Class B Roads equipment line item where \$50,000.00 was budgeted to purchase a used semi tractor. He requested to go out to bid for the purchase of the semi tractor. Commissioner Gary Kofford made a motion to allow Rex to proceed with the bidding process to purchase a used semi tractor provided the funds are available. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Rex also discussed a problem at the landfill with disposal of refrigerators. Disposing of the Freon has been a costly process. He suggested charging a \$5.00 fee to dispose a refrigerator at the landfill to defray the cost of disposing of the Freon. The Board of Commissioners are still in the process of working on an ordinance which identifies the many fees charged in the county. They suggested that Rex budget for the extra cost of disposing of the Freon for now until that fee structure is complete.

(5)

**CONSIDERATION AND APPROVAL OF COUNTY COLLECTING TRT REVENUE.  
PRESENTATION OF PROPOSED ORDINANCE AND SETTING OF PUBLIC  
HEARING. RATIFICATION OF NOTIFICATION LETTER.**

Commissioner Hatch explained that UAC has set up a program to collect TRT. As a county we have been discussing whether or not to collect the TRT on our own. The Commissioners could

COMMISSION MEETING MINUTES  
OCTOBER 5, 2004

not see any benefit to having UAC collect the tax. Grand County has been collecting the TRT on their own. Commissioner Hatch and Brenda Dugmore met with Fran Townsend and her staff in Grand County to go over the process to see if it would be something the county could handle on their own. Commissioner Hatch and Brenda came away from that meeting with a favorable forecast for that to happen. An ordinance was put together in Grand County that establishes the guidelines for collecting the TRT. A copy of that ordinance was brought back to the county to provide a structure guideline for creating an ordinance in Emery County to collect the TRT. There will need to be a Public Hearing to propose an ordinance to collect the TRT in Emery County. Commissioner Ira Hatch proposed holding the Public Hearing on November 16, 2004 at 5:00 p.m. A letter was sent to the state indicating that Emery County intends to collect the TRT here. Commissioner Ira Hatch made a motion to ratify the letter sent to the State informing them of Emery County's intention to collect TRT as of January 1, 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Gary Kofford made a motion to hold a Public Hearing on November 16, 2004 at 5:00 p.m. to review and receive comments on a proposed ordinance to collect TRT in Emery County. Commissioner Gary Kofford amended the motion by adding to post notice of the public hearing in the Emery County Progress in the October 12 and 19, 2004 issues. The motion was then seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Hatch explained that TRT funds are identified and appropriated for specific use which is mainly promoting tourism.

**(6)**

**APPROVAL OF PRICING FOR COLOR COPIES FOR COUNTY EMPLOYEES.**

Commissioner Sitterud explained that the county has purchased a color copier which is in the GIS/IT office. Color copies are available to departments. The cost for the copies is currently being absorbed by the IT department budget. Jeff Guymon, IT has had several requests for color copies outside of the courthouse, mainly the Libraries. These requests are coming from customers. The Board of Commissioners previously asked Jeff to research to see if anyone in the county offers color copies as part of their business. Jeff indicated that the only business offering color copies is Office Etc. in Price. The cost for a color copy at Office Etc. is ninety-nine cents per page, eighty-nine cents for 50 to 200 pages, eighty-three cents for over 200 pages and one dollar and ninety-eight cents for a 11 x 7 copy. Jeff suggested one dollar per copy if the county were to allow the public copies. He recommended employees copies be made after hours. After discussion on the matter Commissioner Gary Kofford made a motion to allow color copies for county use only at twenty-five cents a copy and develop a cost for each size the copier is capable of making. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(7)**

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Clerk/Auditor Bruce Funk discussed an ambulance write-off request from Joanna Ballew. Her daughter Amanda was involved in a four wheeler accident while visiting friends at a cabin in the county. The accident and subsequent hospitalization took place outside of their insurance coverage but because it was a potentially life threatening accident their insurance they paid for a portion of the bill. She asked that the Board of Commissioners accept the insurance payment as payment in full. The total amount due was \$1172.00 of which the insurance paid \$951.30 leaving a balance of \$220.70. Commissioner Gary Kofford made a motion to abate the balance due of \$220.70 for Amanda Ballew as requested. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(8)****CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CHANGES.**

Commissioner Gary Kofford made a motion to approve Board of Equalization changes as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER, VETERAN, BLIND, AND OTHER ABATEMENTS.**

Clerk/Auditor Bruce Funk presented circuit breaker, veteran, blind and indigent abatement applications for consideration and approval. Commissioner Ira Hatch made a motion to approve the circuit breaker, veteran, blind and indigent abatement applications. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List, additional claims, requisitions and dispositions for approval.

Requisitions were presented for the following:

5  
 COMMISSION MEETING MINUTES  
 OCTOBER 5, 2004

<u>REQUISITIONS</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>APPROVAL</u>
58-04	Emergency Lighting/Hazmat truck Sheriff/Homeland Security Grant 04	\$2807.70	Approved
59-04	Kenwood 2 way Hazmat Truck Sheriff/Homeland Security Grant 04	1254.10	Approved
60-04	Employee Christmas Cards,Shp,Print Commission	318.00	Approved
61-04	2005 Tropical National RV Command Post/ Sheriff Homeland Security Grant 04	173,255.00	Approved
62-04	Truck, 2005 Diesel Sheriff-Homeland Security Grant 04		On Hold

Dispositions were presented for the following:

Filing Cabinets #1246 and 1247 from the Treasurers office to be junked. Approved

The Commissioners discussed requisition 62-04 the 2005 diesel truck. Sheriff Guymon requested permission to purchase the truck from Community Motors in Price. State bid for the truck was not know at this time. It was recommended that the requisition be held to allow time to find out about state bid for vehicles. Sheriff Guymon will bring the requisition back to the next Commission meeting for approval.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions with the exception of the truck purchase. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)**  
**DISCUSSION OF PROCESS TO DISPOSE OF FORFEITED/SEIZED/ABANDONED VEHICLES.**

Clerk/Auditor Bruce Funk received a request from a local vendor requesting to dispose of the abandoned vehicles at the Weed/Mosquito yard in Castle Dale. The vehicles are mostly drug seizure vehicles. Attorney David Blackwell has researched the VIN numbers and vehicle descriptions and have not found any documentation on transfer or sale of the vehicles. They

COMMISSION MEETING MINUTES  
OCTOBER 5, 2004

have been in the same spot for numerous years. Sheriff Guymon was not opposed to having the vehicles disposed of. Commissioner Gary Kofford made a motion to dispose of the vehicles. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**DISCUSSION OF RANGE CREEK RMP**

Commissioner Drew Sitterud discussed Range Creek RMP. Drew, LaMar Guymon, Kathleen Truman, Ray Petersen and Gary Kofford are all on a state DWR committee created to manage Range Creek. The committee met recently to create a temporary Resource Management Plan for Range Creek. It is a simple document identifying entry into Range Creek by permit on horseback or hiking only. You must have a picture ID and the permit on you. The permit is available at the DWR at no cost. The state DWR is trying to give the writing of the RMP to the BLM. Commissioner Sitterud stressed the importance of Emery County maintaining control of Range Creek. Emery County does not want BLM to write the RMP for Range Creek. CEU has applied in a special session of the legislature for funds to build a building to house the items from Range Creek. Commissioner Sitterud informed the state that Emery County is capable of housing those items in the two museums located in Emery County.

(13)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Voluntary Group Life Insurance

As a part of the comprehensive benefit package offered to employees, the county has offered employees, at their cost, the opportunity to increase their life insurance by participating in voluntary group life coverage.

The county was advised recently that the current voluntary group life carrier of many years was going under the control of another company and since service had been in a slow decline we asked Jeff Kelsey if he would see if the life insurance carrier under the health insurance would allow employees to pay for additional group life insurance coverage over and above what the county's plan covered. The main concern was that in a new agreement the current voluntary group would be "grandfathered in". That company, AIG American General, agreed.

Christy Hillier from Jeff Kelsey's office was here to provide a brief breakdown of the premium cost associated with the additional coverage and to provide the documents for signature if the Commission approved the new coverage package for the employees. Pat Snowball indicated she had contacted the employees affected by the change and that the employees have been advised of the slight increase in the premium. All of the employees were in agreement with the change.

They company will also accept new employees into the plan. Commissioner Gary Kofford made

COMMISSION MEETING MINUTES  
OCTOBER 5, 2004

a motion to change the company with which Emery County offers voluntary group life insurance to its employees to be effective October 1, 2004. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Road Department

Road Department requested approval to bring Russell Dull, equipment operator/driver back for another up to 90 day temporary assignment beginning October 12, 2004. Commissioner Ira Hatch made a motion to approve another 90 day temporary assignment as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

GIS

Request approval to hire Jackson Pace, temporary up to 90 day days, beginning September 27, 2004. Commissioner Gary Kofford made a motion to approve an up to 90 day temporary assignment for Jackson Pace as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Sheriff's Office

Request approval to begin the recruitment process for dispatcher. This would be a full time position, eligible for benefits. Commissioner Gary Kofford made a motion to approve beginning the recruitment process for a dispatcher as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Administrative Law Judge

The final step in the grievance process is a hearing before the Career Service Council. The Utah Code, section 14-33-4.5 allows the Career Service Council to refer an appeal to an administrative law judge who holds a hearing and makes a recommendation to the Career Service Council. The ALJ the county has used in the past advised us that his services are no longer available. It has been necessary to locate another ALJ. There are two essential qualifications we require in an ALJ: 1) An expertise in dealing with public employment issues and 2) An expertise in dealing with law enforcement issues. Mr Ken Wallentine possess both of those qualifications. He is an administrative Counsel for Utah Peace Officer Standards and Training. He also serves as an Administrative Law Judge, hearing disciplinary and termination appeals for the Utah Career Service Review Board. He is a charter member of the Salt Lake City Police Department Disciplinary Board, is affiliated with the American Inns of Court, where he serves as a Mater if the Inns, is a principal of Public Safety Solutions, a law enforcement risk management and training consulting service. His fee is the same as the last ALJ \$75.00 per hour.

COMMISSION MEETING MINUTES  
OCTOBER 5, 2004

Attorney David Blackwell and Pat Snowball recommend Mr. Wallentine be appointed as Administrative Law Judge for Emery County's Career Service Council.

Commissioner Gary Kofford made a motion to approve Mr. Ken Wallentine as Administrative Law Judge for Emery County's Career Service Council. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the Commission Meeting Minutes dated September 21, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(15)

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch and Brenda Dugmore traveled to Grand County to meet with Fran Townsend regarding the process of collecting Transient Room Tax. He and James Nielsen attended a Mosquito Abatement Conference. Relative to Mosquito Abatement, Grand County had a Green River Mosquito Abatement District of which a good portion was recently annexed into Emery County. Grand County suggested dissolving that district. They would like to meet with Emery County to work out a contract to accomplish that work outside of Emery County on the Grand County side of the river.

The County has received an encroachment permit from the state on the Rilda Canyon approach road. This is the road going up Rilda Canyon for the proposed UPL breakout. The Emery County Special Service District #1 will be working under the County's direction for this project.

We needed a letter on the Moore Road Phase II project to receive the funds. Two letters were sent to UDOT. One designating the engineer of record and one to have UDOT get with Emery County and the SSD#1 to review the plans.

Commissioner Ira Hatch made a motion to ratify the letters sent out to UDOT regarding the Moore Road Phase II project and an appeal letter requesting to get in line for additional funding for the project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

*Drew Sitterud*

COMMISSION MEETING MINUTES  
OCTOBER 5, 2004

Commissioner Sitterud and the Recreation Special Service District met with the Emery County School District regarding recent decision to discontinue use of the Spartan Center by county athletics groups and charging for use of the school facilities.

The Commissioners have started talks with applicants for Justice Court Judge. They have forty-nine applicants to work through.

Joe's Valley Boat Ramp construction is underway. The pad has been layed there will be approximately 540 feet of boat ramp.

Commissioner Sitterud has been accepted to the BLM RACK Committee.

**(16)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

**(17)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 19, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Ira Hatch was not able to attend the meeting, therefore Commissioner Drew Sitterud stepped down to execute the motions.

(1)

**RURAL WATER ASSOCIATION- PRESENTATION OF SOURCE WATER PROTECTION.**

Bob Lowe, Rural Water Association made a presentation regarding source water protection. The Rural Water Association assists rural water systems in Utah. They help with drinking water, administration, wells, valves and others. Mr. Lowe's responsibility reaches to communities with regard to source water protection. His presentation focused on sources of contamination, protection zones, management programs, land use authority, regulatory land management strategies and how local government can help in this effort.

(2)

**GREEN RIVER HIGH SCHOOL REQUEST FOR DONATION TO THE CLOSE-UP STUDENTS.**

Commissioner Sitterud explained that every other year Green River High School participates in the Close-Up Program. The program orients senior students to the legislative system. Twenty senior students from Green River High School will be traveling to Washington, D.C. The students hold fund raisers to help with the \$1,385.00 per student needed for the trip. The group requested a donation from the county to help with the cost. Commissioner Gary Kofford made a motion to donate the standard \$250.00 to Green River High School for participation in the Close-Up Program. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH FOR CADASTRAL MAPPING AND PARCEL AUTOMATION.**

Jeff Guymon, IT applied for additional funds to keep the cadastral mapping and parcel automation. Emery County was awarded \$22,000.00 to keep this program going. Some of the funds will be used for RS2477. Attending training sessions is a requirement for receiving the funds, therefore Drew Sitterud and Jeff Guymon will be attending the training sessions. Commissioner Gary Kofford made a motion to approve a contract with the State of Utah for Cadastral Mapping and Parcel Automation. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**NOTIFICATION OF INVITATION TO BID FOR ASSEMBLY, ADAPTION , AND INSTALLATION OF USED FUEL STORAGE AND DISPENSING SYSTEM AT THE EMERY COUNTY ROAD DEPARTMENT.**

The Road Department has set up the containment area for the fuel storage system. They now need the hook-up and wiring done. The advertising process for this project was approved in an earlier meeting. Commissioner Gary Kofford made a motion to set October 26, 2004 at 10:00 A.M. to open the bids for the assembly project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF RESOLUTION OF AN EMERY COUNTY REPRESENTATIVE AND AN ALTERNATE REPRESENTATIVE FOR THE UTAH COUNTIES INSURANCE POOL ANNUAL MEMBERSHIP MEETING.**

Commissioner Gary Kofford made a motion approve Resolution 10-19-04 re-appointing Commissioner Ira Hatch as Emery County's representative and Pat Snowball as alternative representative for the Utah Counties Insurance Pool Annual Membership Meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**DISCUSSION OF CEDAR MOUNTAIN COMMUNICATION SITE.**

Commissioner Drew Sitterud explained that Emery County has been working with a five county committee complied to go to CIB to get a three million dollar grant to update communication service to digital. They have since found out that Cedar Mountain is not owned by Emery

COMMISSION MEETING MINUTES  
OCTOBER 19, 2004

County. Green River City owns Cedar Mountain. The buildings and equipment are owned by Emery County. It was determined that the site cannot be used by anyone other than a government agency. Cell phone companies cannot use the space. Discussions have begun with Green River City. The CIB is in full support of the project. They expect to get one million per quarter and expect to be able to meet the 2006 deadline.

(7)

**DISCUSSION OF PROPOSED ORDINANCE FOR COLLECTION OF TRANSIENT ROOM TAX.**

County Attorney David Blackwell discussed the proposed ordinance. He pointed out that the ordinance was drafted similar to the one from Grand County but more in line with UAC's as it incorporated state statute. A few things were changed to fit our needs. The ordinance is available for review at the Clerk/Auditor's office and asked for any suggestions. The ordinance will be available for the public to review. The advertising process will begin for the Public Hearing to be held on November 16, 2004 at 5:00 p.m.

(8)

**SETTING OF BUDGET WORK MEETINGS.**

Commissioner Gary Kofford made a motion to set budget meetings dates and times as follows:

October 25, 2004 all day  
October 29, 2004 from 9:00 am until 1 pm.  
November 5, 2004 all day  
November 8, 2004 from 9:00 am until 12:00 pm.  
November 17, 2004 from 9:00 am until 12:00 pm.  
November 19, 2004 all day  
November 22, 2004 all day

The motion included the Clerk/Auditor's office sending out a letter to all the departments informing them that the last day that requisitions will be accepted is November 16, 2004. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF FY2005 TENTATIVE BUDGET FOR EMERY COUNTY, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND OTHER ENTITIES AS REQUIRED BY LAW.**

Commissioner Gary Kofford made a motion to approve the 2005 tentative budget for Emery County and other entities. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford made a motion to approve the 2005 tentative budget for Castle Valley Special Service District. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #165275 through and including #165417 for payment.

There were no requisitions or dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit and additional claims as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)****PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

**Assessor**

Kris Bell proposes a promotion for Nadine Thompson to Real Property Appraiser. This is a full time position with benefits. While Nadine is not certified at this time and will have to become certified over a period of time, she will act as an "appraiser trainee" assisting the certified appraisers. The promotion will become effective the pay period of October 24, 2005.

The promotion was addressed after the recruitment for a full time real property appraiser. With Nadine moving to that position, the position open for recruitment is the Personal Property Appraiser which is part time (3/4 time) eligible for benefits. It is proposed that the applicants for

COMMISSION MEETING MINUTES  
OCTOBER 19, 2004

the full time position be advised that the position being offered has become part time and ask them if they would still like to be considered for the position.

Commissioner Gary Kofford made a motion to approve the promotion for Nadine Thompson to Real Property Appraiser, full time and recruit for a part time, Personal Property Appraiser. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Library

Based on Jerilyn Mathis' job duties as a department head, it is proposed to increase her salary effective the pay period of October 25, 2004. Commissioner Gary Kofford made a motion to approve the pay increase for Jerilyn Mathis. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated October 5, 2004 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**COMMISSION REPORTS**

*Commissioner Gary Kofford*

Commissioner Kofford reported on the progress at the new Public Safety Complex. He reported on a recent Council of Governments meeting with the mayors of the county. In the meeting they discussed building inspector problems the cities are experiencing. The cities have requested that the county fund for a building inspector in the county. The cities need to adopt a new fee structure to meet the 1997 building code uniform fees. Only two of the cities have adopted the fee structure. They discussed the cost to budget for a building inspector. Commissioner Kofford has asked Attorney David Blackwell to draft an interlocal agreement to present to the cities. He will be reporting on the progress of these discussions during the budgeting process and in the December Commission Meeting.

*Commissioner Drew Sitterud*

COMMISSION MEETING MINUTES  
OCTOBER 19, 2004

Commissioner Sitterud reported on the Bucks and Bulls RAC meeting to be held in Green River tonight. He encouraged the public to attend. He will travel to Provo the next day to be sworn in on the BLM RAC board.

He reported on the recent Emergency Preparedness Conference held in the Spartan Center last week. Martin Wilson and Judy Lang presented a great conference. Displays were set up from various vendors in the county.

He met with the applicants for Justice Court Judge. There were forty- nine applicants of which forty-seven showed up. Now that they have been met the interview process will begin.

**(14)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

**(15)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 16, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**5:00 PM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON THE PROPOSED ORDINANCE IMPOSING A TRANSIENT ROOM TAX FOR EMERY COUNTY AND IDENTIFYING THE PURPOSES FOR WHICH THE TAX IS IMPOSED, PROVIDING DEFINITIONS, PROVIDING COLLECTION AND REMITTANCE PROCEDURES, PROVIDING APPEAL PROCEDURES AND PROVIDING AN EFFECTIVE DATE.**

Commissioner Drew Sitterud opened the public hearing for comment.

Commissioner Ira Hatch provided opening remarks, explaining that the proposed ordinance will enable Emery County, as a legislative body, to collect transient room tax instead of having the state collect the tax. The proposed ordinance has been available for review in the Clerk/Auditor's Office. There have been no written comments received. The ordinance proposes collecting and reporting on a quarterly basis effective January 1, 2005 with the first reporting due on March 31, 2005. Emery County has requested a vendor list from the state.

Remarks from the public were as follows:

Bruce Funk, explained that the funds will come to the county and be distributed by the county to the Travel Council. The statute is specific on what the funds can be used for.

Mark H. Williams asked what safeguard the County has to ensure that the vendors are being honest in their reporting. Commissioner Hatch replied that there is an auditing process.

Commissioner Hatch commented that five other counties have chosen to collect their own TRT also. The Clerk/Auditor's office in conjunction with the Travel Council will administer the program.

There were no more comments.

Commissioner Gary Kofford made a motion to come out of the Public Hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF THE TRANSIENT ROOM TAX  
ORDINANCE OF THE COUNTY OF EMERY.**

Commissioner Ira Hatch made a motion to approve the Transient Room Tax Ordinance of the County of Emery. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**5:30 PM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON THE  
PROPOSED RESOLUTION TO INCREASE COUNTY BUILDING PERMITS**

Commissioner Gary Kofford made a motion to move into a Public Hearing to receive public comments on the proposed resolution to increase county building permits. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Deputy Attorney, Alan Thorpe addressed the Commissioners and the public. He explained that he was asked to scribe into legal form the proposed resolution. A number of the cities and towns within Emery County have expressed a desire to enter into an Interlocal Agreement with the County under which the County's Building Official would provide building inspection services within the incorporated boundaries of such cities or towns. The expansion of the duties and services of the Building Official will require increased financial resources. The fees charged by Emery County for Building permits have not kept pace with the fees charges by other counties in this state. The resolution sets forth the fees based on the tables in the Universal Building Code from 1997. The county finds that the fees set forth in this resolution are reasonably necessary to offset the costs of providing building inspection services, issuing building permits and creating and maintaining records of such activities.

Commissioner Gary Kofford added the cities and towns have been asked to adopt the same fee structure.

Commissioner Sitterud opened the meeting up to the public for comments and questions.

Kris Bell asked if the fees are set in stone. She suggested that the fee is too high all at once. A lot of people don't get building permits now. This raise in fees may deter people from getting permits. She suggested raising the fees by 100% instead of 300%. Maybe penalize those who do not get a building permit and not charge those who do get a building permit quite so much.

Bryant Anderson discussed the fact that a lot of people do not get a building permit. Technically people should get a permit for siding, roofing, heating, water heaters, etc.

Commissioner Kofford relayed past discussions with city mayors during Council of Government

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

meetings regarding this issue. Providing building inspection service for the cities will be costly to the county. Bryant has been doing the job, but he is spread thin. The county would need to hire another employee, provide benefits and possibly another vehicle.

Commissioner Hatch added that regardless of whether the county provides the service for the cities, the fee structure needs to be changed.

Attorney Alan Thorpe stated that building inspection is mandated by state law.

After continued discussion on this issue, Commissioner Gary Kofford made a motion to come out of the public hearing and return to the regular meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF THE RESOLUTION TO INCREASE BUILDING PERMIT FEES.**

Commissioner Gary Kofford made a motion to approve Resolution 11-16-04 B a resolution to increase building permits as outlined. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF SIGNING ZIONS BANK AFFINITY.**

This item was put on hold to allow time to gather more information.

(6)

**RATIFICATION OF AMENDMENT #1 TO COOPERATIVE AGREEMENT 050669-JOE'S VALLEY BOAT RAMP.**

Commissioner Sitterud explained that because the water level in Joe's Valley Reservoir has lowered the contractor was able to put down more concrete. The contract was for 500 ft. of concrete. They were able to put down 525 ft. of concrete. The extra concrete cost an additional \$6,000.00. Amendment #1 to Cooperative Agreement 050669 will allow for the extra funds. The funds have been approved by the state. Commissioner Gary Kofford made a motion to approve the signing of Amendment #1 to Cooperative Agreement 050669 Joe's Valley Boat Ramp. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF ADDENDUM TO AGREEMENT BETWEEN**

**EMERY COUNTY AND ECSSD#1.**

An Addendum to an agreement between Emery County and Emery County Special Service District #1 is needed for the Joe's Valley Boat Ramp project because the project is being administered through the ECSSD#1. The addendum will allow the funds to flow between Emery County and ECSSD#1. Commissioner Ira Hatch made a motion to approve an addendum to an agreement between Emery County and ECSSD#1. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND UTAH DIVISION OF FORESTRY, FIRE AND STATE LANDS, CARBON COUNTY, AND MANTI-LA SAL NATIONAL FOREST FOR COOPERATIVE FIRE PROTECTION.**

This is an ongoing agreement between Emery County and Utah Division of Forestry, Fire and State Lands, Carbon County, and Manti-La Sal National Forest for cooperative fire protection. The agreement is for \$4,000.00 for the year 2005. Commissioner Gary Kofford made a motion to approve the agreement. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

**PRESENTATION OF ACCESS PLAN BY DESOLATION CANYON COALITION.**

Tabled

(10)

**DISCUSSION AND APPROVAL OF ENTERPRISE/INDUSTRIAL ZONES DESIGNATION.**

Economic Development Director, Mike McCandless explained the Enterprise/Industrial Zones Designation. Emery County must renew with the state in order to retain our status with state to designate zones as industrial zones to be able to offer tax credits to businesses for relocating or expanding an existing business in the county. This is a special designation only available to nine counties in the state. Commissioner Gary Kofford made a motion to approve renewing with the state for Enterprise Industrial Zone Designation. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**RATIFICATION/APPROVAL OF RELEASE OF LIEN.**

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

Treasurer, Steven Barton explained that on October 28, 2004 his office received a request for release of lien on A. J. Properties. The lien was filed in 1999 and has been satisfied. There are no past due taxes. To expedite the process Commissioner Sitterud signed the release.

Commissioner Ira Hatch made a motion to ratify the signing of a release of lien on A. J. Properties. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Mr. Barton requested approval for release of lien on other properties as follows:

Terry Dorrell, lien dated in 1988 has been satisfied and there are no back taxes.

Marjorie Potter, lien dated 2001 has been satisfied and there are no back taxes.

Wayne Allred, lien dated 2001 has been satisfied and there are no back taxes.

Robert Wetherington, 2 parcels, lien dated 1994 has been satisfied and there are no back taxes.

Commissioner Gary Kofford made a motion to release the lien on the properties presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Mr. Barton will file and record the appropriate paperwork with the Recorder's Office.

**(12)**

**DISCUSSION OF SUNRISE AIRLINES, INC. BANKRUPTCY.**

Mr. Barton explained that Sunrise Airlines, Inc. filed for bankruptcy in November of 2000. Sunrise Airlines, Inc. is state assessed property. The last date to file a claim was in January of 2001. After speaking with the attorney and the state people he has found out that there is nothing left to make a claim on. Attorney David Blackwell suggested that it would not be cost effective to file a claim because there is nothing left to obtain. Mr. Barton indicated that the taxes left owing are \$61,000.00, with penalty and interest that comes to \$86,000.00. He requested approval to remove Sunrise Airlines, Inc. from the records. Commissioner Ira Hatch made a motion to approve Treasurer, Steven Barton's request to remove Sunrise Airlines, Inc. from the Emery County Tax Roll. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**CONSIDERATION AND APPROVAL OF COMMISSION TAX ADJUSTMENTS.**

Assessor, Kris Bell presented the following adjustment requests:

Merlin Lyons- this parcel was segregated to create a new parcel and the home was also moved to the new parcel, this work was completed on September 16, 2003. Paperwork to reflect this calculation is in the chart, but as the rollover to the new year was completed the deleted numbers have surfaced or resurrected themselves. An adjustment needs to be made to correct this

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

situation. The tax difference would be \$313.70.

Scot and Lori Oliver- this parcel was removed from Greenbelt and the computer work was done to reflect that, but during the rollover to the new year the code calculated the value in both agriculture and greenbelt totals. This has created a double taxation. The tax difference would be \$62.53.

Gilly's Incorporated- it was brought to the Assessor's office attention details that were not known previously about the buildings. The year built was off a little as well as some of the square footage. She re-figured the property and came up with a new value. The tax difference would be \$2,415.18.

Commissioner Gary Kofford made a motion to approve Commission Tax Adjustments for the properties presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)**

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented a letter of request from an attorney for ambulance patient Dorothy Childs. The Board of Commissioners previously approved to abate one half of an ambulance bill for Mrs. Childs. A request was now made to write-off the other half of the bill claiming it was the ambulance's responsibility to inform her that they were obligated to take her to the nearest hospital. After discussion on this issue, Commissioner Gary Kofford made a motion to abate the \$494.41 remaining balance of the ambulance bill for Dorothy Childs. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license for Paul Simmons DBA: Extreme Automotive was presented for consideration and approval. The application has been reviewed and signed by Zoning Administrator, Bryant Anderson. Commissioner Ira Hatch made a motion to approve a business license for Paul Simmons DBA: Extreme Automotive as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #165836 through and including #166042 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
67-04	GPS Mobile Mapper Unit Highway	\$2,495.00	Approved
68-04	Laser Printer Recorder	1,043.61	Approved
69-04	HP Deskjet 130 NR Plotter Recorder	1,786.69	Approved
70-04	(2) 21" CRT Monitors IT	822.84	Approved
71-04	Canon Copy Machine Capital Rep- Attorney	5,736.36	Approved
72-04	2001 Kenworth Semi-Tractor Highway	49,250.00	Approved
73-04	2005 Dodge Truck Sheriff-Hazmat Homeland Security	27,582.00	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, and requisitions noting that the purchase of the 2005 Dodge truck for the Sheriff's Department be made from Community Motors. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(17)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Pat Snowball presented the following personnel action:

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

Library

Jacki Collard successfully completed her six-month orientation period and Jerliyn Mathis has recommended the standard increase which would be effective the pay period beginning November 22, 2004. Commissioner Ira Hatch made a motion to approve the standard pay increase for

Jacki Collard as per policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Office

Garret Conover became POST certified and is eligible to progress from Corrections Officer to Patrol Deputy. The wage increase would be effective the pay period beginning November 22, 2004. Commissioner Gary Kofford made a motion to approve the promotion and wage increase for Garret Conover as per policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Assessor's Office

Recruitment for the position of deputy assessor/personal property appraiser has been completed. Kris Bell recommends hiring Melinda Wilbanks effective November 17, 2004. This is a part time position (3/4 time) eligible for prorated benefits. Commissioner Gary Kofford made a motion to approve hiring Melinda Wilbanks as deputy assessor/personal property appraiser. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Road Department

Melinda Wilbanks is currently working at the Road Department as a 90 day temporary. As a result of the newly approved hiring of Melinda at the Assessor's Office this leaves the Road Department without help in the office. Rex Funk requested approval to allow the Road Department to recruit for a 3/4 time position at the Road Department to replace Melinda. Commissioner Gary Kofford made a motion to allow the Road Department to recruit for a 3/4 time position. The motion was seconded by Commissioner Ira Hatch and approved by all members present. Rex will get with the Assessor's Office to work out a schedule for Melinda until the recruitment process is completed.

Other Business

A Resolution amending the personnel policy was presented for consideration and approval. The Resolution, in brief accomplishes the following:

- ✦ Places a "disclaimer" at the front of the policy which states the policy does not

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

- constitute a contract;
- + Amends Section 9, Fringe Benefits to comply with the law relative to different types of leave;
- + Amends Section 12, Employee Conduct to expand the harassment policy to cover all types of harassment.

Commissioner Gary Kofford made a motion to approve Resolution 11-16-04A amending the personnel policy. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(18)**

**CITIZEN CONCERNS**

Rob Midgley has submitted his resignation as Huntington Airport Manager. Commissioner Ira Hatch made a motion to go out to bid for a new airport manager at the Huntington Airport. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(19)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Ira Hatch made a motion to approve the Commission Meeting minutes dated October 19, 2004 and October 26, 2004 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(20)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch reported that the bids was awarded for the fuel containment system at the road department. Work on the system is nearly completed.

He attended two UCIP Board of Directors meetings.

He attended a pre-construction meeting on the Huntington Airport Lighting Project. The project is moving along well. However, the project is on hold for the winter.

He attended an open house for the Forest Service revision on the Forest Plan. It was a good turnout. The Forest Service is open to suggestions for Wild and Scenic River. They are willing to work with the county on designation.

He attended meetings in St. George during UAC's annual conference. He thanked Dixie Swasey and Kris Bell for arranging for the County's gift for the drawing at the conference.

*Commissioner Kofford*

COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

Commissioner Kofford reported that the final inspection of curb, gutter and asphalt at the Sheriff's Complex is today. Landscaping will be done in the spring. He attended a Homeland Security meeting with Martin Wilson. Funds provided by Homeland Security were used to fund a Mobile Command Center which will be useful, especially for search and rescue.

*Commissioner Sitterud*

Commissioner Sitterud reported that the Rural Economic Summit will be in Carbon County next year. He encouraged everyone to attend.

Joe's Valley Boat Ramp is near completion. The parking lot will be done after the winter. He met with a group representing oil and gas production concerned about the BLM's Resource Management Plan. He encouraged everyone to provide comments to the BLM regarding the RMP. The deadline for comments is November 29, 2004. The battle still rages regarding dispersed camping on the Wedge. He signed the cops grant for fighting drugs. He attended his first Utah State B.L.M. Resource Advisory Council meeting. The State R.A.C board is an advisory board to the BLM.

**(21)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(21)**

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

11  
COMMISSION MEETING MINUTES  
NOVEMBER 16, 2004

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 7, 2004

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Ira Hatch, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RATIFICATION OF LETTER SIGNED BY MARK WARD, DATED NOVEMBER 15, 2004, WHICH WAS SUBMITTED AS EMERY COUNTY'S POSITION ON 69 FR 42636, 69 FR 42648 AND ROADLESS/UNROADED REVIEW AND EVALUATION EFFORTS.**

Commissioner Gary Kofford made a motion to ratify the sending of a letter signed by Mark Ward, dated November 15, 2004, which was submitted as Emery County's position on 69 FR 42636, 69 FR 42648 and Roadless/ Unroaded review and evaluation efforts. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**RATIFICATION OF COMMENTS ON THE PRICE FIELD OFFICE DRAFT RESOURCE MANAGEMENT PLAN (RMP) AND ENVIRONMENTAL IMPACT STATEMENT (EIS).**

Public Lands Director, Ray Petersen prepared comments on the Price Field Office Draft Resource Management Plan (RMP) and Environmental Impact Statement (EIS) for Emery County. The comments had to be sent in by November 29, 2004. Therefore, the comments needed to be ratified. Commissioner Ira Hatch made a motion to ratify the comments on the Price Field Office Draft RMP and EIS for Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Mesia Nyman, Forest Service, provided the following update:

- \* She reviewed conditions on the forest, focusing on the snow amounts and conditions of the roads to frequently visited areas.
- \* Projects, just finishing Wasatch grazing EIS, analyzing grazing allotments.
- \* They just completed gully plugs with the help of the local scouts.
- \* The South Manti Timber Sale is in litigation for the second time.
- \* Fuel treatments of Pinion Juniper in the North Dragon, Middle Mountain and Orange

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

Olsen area.

- \* They are in the middle of selling Christmas Tree tags. They recommend that people not harvest young spruce or Ponderosa Pine. They have sold approximately 600 tags between Carbon and Emery Counties.
- \* The muddy creek drainage roads and trails analysis has been completed. A proposal for travel will be put together for NEPA.
- \* They have project to move the trail head on the Muddy which is on private land onto the forest.
- \* They will be rerouting Scad Valley Horse Creek Trail.
- \* They are recommending placing warning signs near the end of the paved road in Joe's Valley. It is very dangerous especially for those who are not aware that the dugway is so narrow.

(4)

**DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR, provided the following update:

- \* There have been discussions regarding seasonal road closures in the Pines on the Muddy drainage. The closure helps with depredation and safety issues with deer and elk.
- \* Range Creek, Hunt Oil trade for Cold Springs is still in negotiations. They expect to have completed by first of year. The draft interim plan for Range Creek is ready to be sent out for review and comment.
- \* Some aquatics funds have been set aside for the development of community fisheries. The next one is planned for the fairgrounds in Price. They have filled the vacancy in the aquatics department.
- \* DWR will make a presentation at Public Lands Council meeting in December regarding endangered species and where and how funds are spent to keep species off the list.
- \* DWR is looking for additional funds for Duck Fork Project to take eggs from the Colorado Cutthroat in the spring.
- \* Desert Lake is drying up. The future is not bright. It is hard to maintain as a waterfowl management area in light of the fact of the drought and the irrigation systems recently installed in the area. He asked for some suggestions from the Commission on how to go about purchasing some water for the lake. The Commission suggested starting with the irrigation company to see if they have any water shares available.
- \* They have closed down the sagebrush habitat projects for the winter. They will start back up in the spring.
- \* They are working with the gas companies to ensure that the wildlife is protected in the areas of production. Commissioner Hatch mentioned a recent study in Wyoming it was

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

found that more wildlife tracks were found surrounding quieter wells.

- \* Sheep surveys were made on the south San Rafael. Lamb production is up.
- \* Five new cases of CWD were found in deer taken in the LaSals during the rifle hunt. They will do a study next year to see if the disease is spreading to other areas. West Nile disease had less impact this year than expected, probably due to drought.
- \* There was a substantial improvement in the number of harvested bucks this year. There were good snowy conditions. There were more mature bucks in the harvest. Success was up.
- \* The Canadian Lynx in the area was captured by the Colorado Fish and Wildlife and will be released closer to its home.
- \* Elk from an elk hunting park in Carbon County escaped. One of the elk, which had a tag in its ear, was harvested by a hunter. Another elk was spotted by a hunter and is still wandering. These elk came from a farm in Colorado that had been tested for CWD.
- \* Sixty turkeys will be released in Spring Canyon. Students from Carbon High School will participate in adopt-a-flock and will monitor their activity.

He answered questions from the public.

Mark H. Williams asked about the ATV trail up to the Muddy Creek for fishing. Derris asked if the ATV group would be willing to develop and maintain a trail. Mark indicated that the ATV group had funds left that could be used for that purpose.

Ray Petersen asked if the DWR completed the project at Wrigley. Derris indicated that it was not completed.

**(5)**  
**PAT GUBBINS, BLM, QUARTERLY UPDATE.**

Pat Gubbins, BLM, provided the following update:

- \* He thanked the County for their hard work provided on the RMP. They received approximately 60,000 comments on the RMP. The comment period ended on November 29, 2004. There were many different interest. There is a lot a work ahead of the them to go through all the comments.
- \* Temple Mountain project construction crew out of Moab put up fences where they should not have. They have no intention of closing these roads. They will be working on rectifying this problem.
- \* He thanked the Commissioners for their involvement on the Wedge. Their input has been very helpful. They will be working on a more defined plan for usage on the Wedge that will be equitable for everyone.

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

\* He reviewed some of the new people who have been hired to fill vacancies in the BLM office.

**(6)**  
**CITIZENS CONCERNS**

Mike McCandless, Economic Development made a request on behalf of Green River Chamber of Commerce and GRATE (Green River Action Team). They are planning to sponsor an Economic Summit on January 29, 2005 in Green River. The request was for a donation to the Chamber to help facilitate the summit. Commissioner Ira Hatch made a motion to donate \$300.00 to the Green River Chamber of Commerce to help facilitate an Economic Summit in Green River City. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**  
**CONSIDERATION AND APPROVAL OF COMMISSION ADJUSTMENTS.**

Assessor, Kris Bell presented the following commission adjustment requests:

Reva Fillmore: this parcel, 04-0057-0003, was segregated to create a new parcel. Paperwork to reflect this calculation was in the chart, but as the rollover to the new year was completed the deleted numbers resurrected themselves. An adjustment needs to be made to correct this situation. Previous market value was \$88,349.00 and the new market value is \$53,192.00. Previous tax was \$523.22 and the new tax is \$363.98. This is a tax difference of -\$159.24 for the county.

Lucille Willson: this parcel, 01-0072-0001, had a code change for the land. When the rollover was executed in January the deleted code resurrected. An adjustment needs to be made to correct this situation. Previous market value was \$25,062.00 and the new market value is \$15,062.00. Previous tax was \$247.44 and the new tax is \$162.71. This is a tax difference of -\$84.73 for the county.

Lucille Wilson: this parcel, 01-0073-0019, had a code change for the land. When the rollover was executed in January the deleted code resurrected. An adjustment needs to be made to correct the situation. Previous market value was \$30,694.00 and the new market value is \$15,694.00. Previous tax was \$403.61 and the new tax is \$241.83. This is a tax difference of -\$161.78 for the county.

Commissioner Ira Hatch made a motion to approve the requested adjustments as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Connie Wilstead, John and Larry Adams, Tyler and Laura Wilstead: this parcel, 03-0061-0022,

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

was put on Greenbelt. The Assessor's Office had some problems getting a new application on file. It did make the deadline but it was close and it was removed in the computer and rolled back. It was put back on Greenbelt, but the other calculations were not removed, so it has been doubled with the rollback. An adjustment needs to be made to correct this situation. The previous market value was \$2,146.00. The rollback penalty is 81.70. The new market value is \$2,146.00. Previous tax was \$105.09 and the new tax is \$3.98. This is a tax difference of -\$101.11 for the county. Commissioner Ira Hatch made a motion to approve the requested adjustment as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Johnnie Downard: the home on parcel, 01-0128-0005, burned down in November, 2004. They are requesting any help with taxes that the Commissioners may seem as fair. Commissioner Ira Hatch made a motion to abate fifty percent of the tax due. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**

**CONSIDERATION AND APPROVAL OF TAX LIEN EXTENSION FOR BRUCE MYERHOFF.**

Treasurer, Steven Barton presented a request from Bruce Myerhoff for a tax lien extension. He was granted an extension last April to avoid having his property sold at the May Tax Sale. At that time the county entered into an agreement with Bruce Myerhoff to extend his payment until November 30, 2004. On November 30, 2004 Bruce Myerhoff requested another 30 day extension to allow time to release a federal lien on the home. He was not able to borrow the money to pay the taxes because of the federal lien. Steven indicated that he asked Bruce to make his request for a thirty day extension in writing, which he did. Commissioner Ira Hatch made a motion to grant the thirty day extension for Bruce Myerhoff, at which time, if he has not satisfied the taxes, the county will proceed with action to sell the home to recover the taxes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF SLA AND SLEP GRANT APPLICATIONS.**

Presented for consideration were applications under the State and Local Assistance Program (SLA) for the State and Local Emergency Preparedness (SLEP) program. One application was for the Emery County Emergency Management Coordinator, who will coordinate planning efforts with local jurisdictions on County emergency planning efforts through briefings at local town council meetings, established EMS and volunteer fire meetings and other hospital, and first responder coordination meetings. The second grant was for Hazardous Material Emergency Preparedness (HMEP). This will provide a local emergency preparedness coordinator (LEPC)

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

who will continue to update the County emergency Response plan, train with EMS, Fire , Road, public works, and law enforcement on Hazmat response, and work on adopting a regional hazmat response plan. Commissioner Gary Kofford made a motion to approve the SLA and SLEP grant applications. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(10)****DISCLOSURE OF AFFIDAVITS OF PERSONAL INTEREST.**

Affidavits of personal interest are required by statute to be filed each year. Affidavits were presented for the following:

- ❖ Bruce Funk, DBA: B&T Builders
- ❖ Richard Bret Mills, DBA: Mills Electronics
- ❖ Paul Simmons, DBA: Extreme Electronics
- ❖ Jeffrey J. Guymon, DBA: Guymon Construction

Commissioner Gary Kofford made a motion to accept the affidavits of personal interest. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(11)****CONSIDERATION AND APPROVAL OF 2005 COMMISSION MEETING SCHEDULE.**

The 2005 Commission Meeting schedule was presented for approval as follows:

January 4, 2005	4:00 p.m.
January 18, 2005	9:00 a.m.
February 1, 2005	4:00 p.m.
February 15, 2005	9:00 a.m.
March 1, 2005	4:00 p.m.
March 15, 2005	9:00 a.m.
April 5, 2005	4:00 p.m.
April 19, 2005	9:00 a.m.
May 3, 2005	4:00 p.m.
May 17, 2005	9:00 a.m.
June 7, 2005	4:00 p.m.
June 21, 2005	9:00 a.m.

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

July 5, 2005	4:00 p.m.
July 19, 2005	9:00 a.m.
August 2, 2005	4:00 p.m.
August 16, 2005	4:00 p.m. * To follow Board of Equalization at the County Sheriff/County Complex at 45 East Farrer Street in Green River, Utah.
September 6, 2005	4:00 p.m.
September 20, 2005	9:00 a.m.
October 4, 2005	4:00 p.m.
October 18, 2005	9:00 a.m.
November 1, 2005	4:00 p.m.
November 15, 2005	9:00 a.m.
December 6, 2005	4:00 p.m.
December 20, 2005	4:00 p.m.

Commissioner Gary Kofford made a motion to approve the 2005 Commission meeting schedule as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)**

**CONSIDERATION AND APPROVAL OF 2005 HOLIDAY SCHEDULE.**

The 2005 Holiday schedule was presented for approval as follows:

New Year's Day 2005	Friday	12-31-04
Human Rights Day	Monday	01-17-05
President's Day	Monday	02-21-05
Memorial Day	Monday	05-30-05
4 <sup>TH</sup> Of July	Monday	07-04-05
Pioneer Day	Monday	07-25-05
Labor Day	Monday	09-05-05
Columbus Day	Monday	10-10-05

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

Veterans Day	Friday	11-11-05
Thanksgiving	Thursday	11-24-05
Break	Friday	11-25-05
Christmas	Friday	12-23-05 (1/2 day)
Break	Monday	12-26-05

Commissioner Ira Hatch made a motion to approve the 2005 Holiday schedule as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF CONTRACT AMENDMENT TO BAILIFF SERVICE CONTRACT #921289.**

Commissioner Gary Kofford made a motion to approve a contract amendment to Bailiff Service Contract #921289. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List #166253 through and including #166433 for payment.

There were no requisitions.

Dispositions were presented for the following:

415-5869, 1088 Peterbuilt 379 Tractor which was traded in on a 2001 Kenworth Tractor.  
144-6744, HP Designjet 430 Printer which was traded in on a new HP Designjet 130nr Printer  
160-6094, Microwave from the employee lounge that was replaced with a new one this year.

Commissioner Ira Hatch referred to a claim for \$800.00 from Castle Dale City to pay a perpetual care charge for two burial lots in the Castle Dale Cemetery. The lots are held for indigent burials in Castle Dale City Cemetery.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, additional claims and dispositions as presented. The motion was seconded by Commissioner Gary Kofford

9

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

and approved by all members present.

**(15)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Museum

Ravola Whittle, a clerk at the museum, has successfully completed her six-month orientation period. It is recommended that she receive the routine increase as prescribed in the policy. Commissioner Ira Hatch made a motion to approve a routine wage increase as per policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

Recruitment for the part time clerical position at the Road Department has concluded. Request was made to hire Brooke Riley, effective December 8, 2004. She will be eligible for prorated benefits. Commissioner Gary Kofford made a motion to approve the hiring of Brooke Riley as part time clerical at the Road Department as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve Commission Meeting minutes dated November 16, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(17)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud will be traveling to Temple Mountain with BLM people to look at

COMMISSION MEETING MINUTES  
DECEMBER 7, 2004

proposed road closures. They have closed one road not on the travel plan. The BLM claims the EA gives them the right to put up a fence. Commissioner Sitterud requested a copy of the EA and compared it to the one that he had. The two were a little different. They will take the EA with them to Temple Mountain and fight that fight there. The BLM is willing to look at the roads with the County.

He met with Lieutenant Governor elect, Gary Herbert in discussions regarding Wild and Scenic River, the BLM's RMP, board assignments, cabinet appointees, and others. Commissioner Sitterud was a little concerned that the RMP will go before Mr. Herbert as Lt. Governor for evaluation and clarification of state law. He has not had a lot of public land experience and he will have the last approval. Commissioner Sitterud took Mark Ward, attorney from AOG office with him to meet with Mr. Herbert. Mr. Herbert asked to have the AOG put together a package to help him with the evaluation process. It is the county's hope that Mr. Herbert will ask Mark to help with the RMP evaluation.

He attended a meeting at the Wedge. They are looking at the county's alternative suggestions.

*Commissioner Kofford*

He has been in BLM meetings with state BLM staff where discussions were led regarding Wild and Scenic River designation. He feels that the county has made some good headway regarding designation.

*Commissioner Hatch*

Two weeks ago Commissioner Hatch met with John Spendlove, Engineer from Jones and DeMille and Kirk Nielson, UDOT Aeronautical Engineer on the airport improvement plan. They reviewed the plan draft. Jones and DeMille are putting together a public meeting for January where they will present the plan to the public. John has sent a draft of the plan to the BLM. Because of the work being done at the airport use is restricted to day use only. There was a mistake in the advertising for an airport manager. Advertising will begin in the next weeks paper. Applications will be in by the 27<sup>th</sup> of December at which time we can look at taking some action. If we do not get anyone to manage the airport we may need to look at other options.

He went to Green River where he attended Green River Senior Citizen retirement for director Earline Nielson. They have hired Joyce Powell as the new Sr. Citizen director in Green River.

He met with UDOT, InterWest Mining, UPL and J&T Engineering regarding Rilda Canyon Intersection SR-31 Project. They are into the process of acquiring ROW's for the project. Attorney David Blackwell has an agreement to review concerning the road closure at the upper end of road where the mine facility will be constructed.

He attended annual Utah County Insurance Pool meeting at Thanksgiving Point.

He met with Mike Mansfield on SR-10 Intersection Project. That project is still in review.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(19)**  
**ADJOURNMENT.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 21, 2004

Present at the meeting was Commissioner Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RATIFY LETTER OF SUPPORT FOR EMERY COUNTY AMBULANCE LICENSE RENEWAL APPLICATION.**

Commissioner Gary Kofford made a motion to ratify a letter of support for Emery County Ambulance License Renewal application. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**DERRIS JONES, DWR, PRESENTATION OF PILT CHECK**

Derris was not able to attend the meeting.

(3)

**5:30 P.M.- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON AMENDMENTS TO FY 2004 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Ira Hatch made a motion to move into a Public Hearing to receive public comment on amendments to FY 2004 budgets for the Emery County General Fund, Special Revenue Funds, Capital Project Funds and for the Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Senior Deputy Clerk/Auditor Brenda Dugmore presented amendments to the FY 2004 budget. She explained that the budget adopted in January was increased to allow for grants and increased revenue, departments were adjusted to allow for overages and to bring the budget into compliance with state law.

Brenda reported that there were no amendments to Castle Valley Special Service District's FY 2004 budget.

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

Commissioner Drew Sitterud opened the meeting up for comment from the public.

There were no comments from the public.

Commissioner Ira Hatch made a motion to come out of the Public Hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**6:00 P.M.- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON FY 2005 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Ira Hatch made a motion to move into a Public Hearing to receive comment on the proposed FY 2005 budgets for the Emery County General Fund, Special Revenue Funds, Capital Projects Funds and for the Castle Valley Special Service District.

Senior Deputy Clerk/Auditor Brenda Dugmore explained that the FY 2005 proposed budget is different from the tentative budget in that it comes as a result of numerous budget meetings involving the Board of Commissioners, department heads and elected officials. The revenue balance and expenditures includes a one percent wage increase for all employees and elected officials. Brenda added that agenda item #10 had to be addressed in a public hearing because it involved elected officials.

Darrell Leamaster, Castle Valley Special Service District reviewed the proposed FY 2005 budgets for CVSSD which included a two percent wage increase for all employees. He added that CVSSD employees did not receive a wage increase in 2004.

Tom Humphrey, Orangeville wanted to publicly thank Darrell Leamaster for what Castle Valley Special Service District has accomplished over the years. In his opinion CVSSD is one of the best things to ever happen to Emery County.

Rex Funk, Emery County Road Department echoed Tom Humphrey's comment.

Commissioner Ira Hatch agreed, adding that Darrell is very skilled and does an excellent job of going to the Community Impact Board prepared and able to answer the Board's questions. He is well respected by the Community Impact Board and usually gets whatever he goes after.

Commissioner Gary Kofford noted that 2004 vs 2005 budget is down approximately

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

\$400,000.00. In 1991 property taxes paid by UPL were nineteen million five hundred thousand. In 2002 it had dropped to approximately thirteen million. This year it is ten million five hundred thousand. So as you look at the decrease, this is what centrally assessed and UPL has been able to convince the state of Utah. As far as he is concerned that plant is worth every bit the same today as in 1991 if not more because of appreciation. We are not getting a fair shake out of the state with regards to centrally assessed taxes. We are continually addressing this issue with the state. It is falling on deaf ears. Nobody listens to us. In the mean time we are all realizing the consequences of this. He directed his next comments about wages and benefits. In 2003 our wages were roughly three point three million dollars. In 2004 they went up to three point six million dollars this year they stayed at three point six million dollars. Between 2003 and 2004 there was an eight point eight percent increase in wages. Regarding benefits, in 2003 we had one point six million dollars in benefits and one point nine million dollars in 2004. Benefits are projected to be two point one million dollars in 2005. When you look at the increases, that is a eighteen percent increase in 2003. We were paying roughly fifty-four percent of our wages in benefits. This year we will go up another twelve percent from 2004. One of the things causing this is state retirement contributions for employees has gone up two percent. Secondly, insurance premiums such as hospitalization, dental and eye care have gone up seventeen percent. We are told by our insurance people, that in July, when our insurance is up for renewal, to expect another 14 percent increase. From the 2003 budget to the 2005 budget wages were increased due to the four percent wage increase in 2004. Benefits, in three years went up almost \$600,000.00. If this trend continues, with tax revenue going down \$400,000.00 a year and benefits going up \$200,000.00 a year, you are on a collision course. Until we resolve where we are at and how to control all of this then he is against a one percent wage increase for all employees. It is not that the doesn't think that the employees deserve the raise, they deserve for more than that. He thinks that at this time the county cannot afford to give the one percent increase for all employees.

For the employee's sake, I would like to continue to paying the benefits we do pay. As a taxpayer myself, I don't think we can continue at this rate. Somewhere we are going to have to ask some hard questions. Rather than putting another \$50,000.00 out there to have to budget for where we know we are going to be in the same place next year, lets hold the line and see what we can resolve.

Darrell Leamaster stated that CVSSD left the county's insurance and went with Blue Cross Blue Shield and saw a twelve percent increase. We will assume another twelve to fifteen percent increase next year. They are probably going to have to make some changes somewhere along the line. It is a national problem.

Commissioner Ira Hatch commented on the concerted efforts of the County to get a handle on centrally assessed taxes. The tax commission has not been receptive to our needs. We though we were on solid ground when Scottish Power bought Pacificorp. However, they have a battery of

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

lawyers dedicated to just fighting centrally assessed taxes. We have just one lawyer and limited funds for defending our point. They just have to file an appeal with the state tax commission and without exception they know that they are going to get something. We know, from past history, that we are not going to win. It is not just UPL that appeals there taxes. We have had Emery Telcom, the gas companies, cable companies and others. It is not that we are not trying to do something. Commissioner Kofford is right in the fact that centrally assessed taxes are going one way and the local assessed is going another. We have established a level of service and people have come to expect. He appreciated what Commissioner Kofford said about our salary/benefits package. They are out of whack! But, where do you stop it? Are we willing to not grade a road, to not provide television service, you don't clean a sewer. What people have got to understand is that you have to pay for what you get. People in general are just not willing to accept that fact. People need to wake up to the fact that if they do not want their taxes raised then we need to cut back on services. He talked about how the county has worked hard to avoid having to operate on a Tax Anticipation Note each year until tax revenues come in in November. We can fund our operation for a year if we had to without having to operate on a TAN. Regarding our benefit package, each year our insurance people put out bids to provide our benefit package. They look for the best options for our area. It is a benefit. In a lot of cases 60 to 70% of a individuals salary is their benefit package. People do not look at that. They look at what they take home in the green on payday. We have looked at options. It may be that if the employee wants the level of insurance that they have continued to enjoy they may have to pay some of the premium. The Board of Commissioners have agonized over what is best for our people. Emery County is in the black. Any of our departments could use extra funds. But we don't have it. The departments have done a fantastic job of pulling in the reigns and doing with less. He thinks we are doing a great job for what we have got.

Commissioner Sitterud added that he is for the one percent wage increase for employees. He thinks we have men working out there for very little money. Yes the couple of dollars more on payday is not much, but gas has gone up. If it helps to buy one tank of gas that is great. If we put it back into the MBA we will just build more buildings. We cannot afford to build any more buildings. He thinks we need to maintain what we have. We need to maintain our people. It is \$50,000.00 well spent.

Jay Mark Humphrey comment on experience he has had with catastrophic medical expenses.

Mike Dunwoody, Green River asked that the Commission tighten their belt. The average tax payer that helps to generate the tax revenue would like to have new cars or equipment. We understand that the economy is tough all over. It really hurts when we have to cough up those taxes and we see county departments not go without. The taxpayer appreciates when they see sacrifices being made.

Commissioner Ira Hatch made a motion to come out of the Public Hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO FY2004 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS, AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Ira Hatch made a motion to approve Resolution 12-21-04A amending the FY 2004 budget for the Emery County General Fund, Special Service Revenue Funds, Capital Projects Funds, and for the Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF FY2005 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS, AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Ira Hatch made a motion to approve Resolution 12-21-04B and 12-21-04C adopting the FY 2005 budgets for the Emery County general fund, special service revenue funds, capital project funds and for the Castle Valley Special Service District as presented. Commissioner Drew Sitterud stepped down to second the motion. Commissioner Gary Kofford voted nay to the motion. The motion passed.

(7)

**CITIZEN CONCERNS**

Commissioner Ira Hatch informed the public of two vacancies on the Castle Valley Special Service District. Board members Paul Crawford and Tom Humphrey's terms expire on January 1, 2005. Commissioner Hatch was not sure if the by-laws stipulate that the board members must be from different areas of the county or if the appointments are all inclusive to the county. He will check this out and have the advertising reflect the need. Commissioner Ira Hatch made a motion to advertise for two board members for the Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Ira Hatch made a motion to advertise for a Weed and Mosquito board member from Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**DISCUSSION AND APPROVAL OF MILEAGE RATE FOR 2005**

Commissioner Ira Hatch informed the public that the county, as a rule, adopts the IRS mileage reimbursement rate, which for 2005 is \$.40.5. He felt that the current \$.37.5 per mile is

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

sufficient for reimbursement. According to the travel policy the mileage reimbursement rate is set by the County Commission. Commissioner Ira Hatch made a motion to leave the mileage reimbursement rate at \$.37.5 for 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**APPROVAL OF LETTER TO STATE OF UTAH REQUESTING ASSISTANCE WITH FIRE SUPPRESSION COSTS.**

Commissioner Drew Sitterud discussed a letter from Gary Cornell, Area Manager of Division of Forestry, Fire and State Lands requesting payment \$11,282.40 for fire suppression cost on the Big Canyon fire in Emery County. Emery County's 2004 budgeted amount for fire suppression is \$5,000.00. A letter needs to be sent to the state along with the County's \$5,000.00 indicating that Emery County has paid their portion. Commissioner Gary Kofford made a motion to approve sending a letter to the state and to pay the \$5,000.00 to the state for Emery County's portion of fire suppression. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF INCREASE FOR EMERY COUNTY ELECTED OFFICIALS.**

This item was addressed in the Public Hearing.

(11)

**CONSIDERATION AND APPROVAL OF INTER LOCAL COOPERATIVE AGREEMENT FOR THE PURPOSE OF FORMALIZING AND MEMORIALIZING THE CREATION OF THE EASTERN UTAH TELEVISION AND TECHNOLOGY ASSOCIATION.**

This is an interlocal cooperative agreement for the purpose of formalizing and memorializing the creation of the Eastern Utah Television and Technology Association. The five participating counties are Carbon, Duchesne, Emery, San Juan and Uintah. The purpose of the association is to give the counties the ability to go the Community Impact Board to request funding to purchase equipment to change the television signal equipment from analog to digital. All five of the counties involved are tied into each other for the television signal. It is estimated that the cost to replace the equipment would be approximately three million dollars. After the agreement has been approved by all five cooperating counties it will then go to Bill Howell at the Association

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

of Governments. Mr. Howell will write the grant that will go the CIB to request funds for the equipment. Commissioner Gary Kofford made a motion to approve and sign an interlocal cooperative agreement for the purpose of formalizing and memorializing the creation of the Eastern Utah Television and Technology Association. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**RECOMMENDATION AND CONSIDERATION OF APPOINTMENT OF PRECINCT ONE JUSTICE COURT JUDGE.**

Commissioner Drew Sitterud explained that due to the passing of Judge Stan Truman earlier this year there is a vacancy in Precinct One for a Justice Court Judge. The Commission advertised for applicants for the position to fulfill the remaining two years of the Justice Court Judge's four year term. The Board of Commissioners interviewed forty-nine applicants who applied for Precinct One Justice Court Judge. Applications were narrowed down to twelve. In a special Commission Meeting held on Tuesday, December 14, 2004 the Commission interviewed eleven people. Commission Chairman Drew Sitterud recommended Steven L. Stream as Precinct One Justice Court Judge. Commissioner Ira Hatch made a motion to appoint Steven L. Stream as Precinct One Justice Court Judge recognizing that Mr. Stream will have to meet the requirements of, and be appointed by, the Judicial Council and when and if the opportunity arises explore the possibility of combining Precinct One and Two. Commissioner Gary Kofford commented that he realizes that this is a political appointment. He realizes that the state code states that the Chairman of the Commission has that responsibility. He does not appreciate the way things were handled. He doesn't think it was done very professionally. He thought the process drug out to long. He would not second the motion. Commission Chairman Drew Sitterud stepped down and seconded the motion. Commissioner Drew Sitterud and Commissioner Ira Hatch voted yea on the motion and Commissioner Gary Kofford voted nay on the motion.

(13)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #166510 through and including #166646 for payment.

There were no requisitions or dispositions.

Additional claims were presented. Clerk/Auditor Bruce Funk asked for direction on how to handle a bill from Stilson Construction for doors in the metal shed at the Sheriff's complex. Apparently the doors that were installed when the building was initially constructed were not high enough to accommodate the new mobile command center. Commissioner Kofford

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

indicated that he was contacted by Sheriff Guymon regarding replacing the doors. Commissioner Kofford felt the doors should be replaced and indicated that Stilson Construction should do it because they constructed the building. He told Sheriff Guymon that he needed to go to the other commissioners to get their approval to do the work. Which he did not do. Sheriff Guymon had Lt. Downard call and get a bid from Stilson's to install the doors. Commissioner Kofford thinks that there was a mis-communication because the next time he inquired about the doors the work was already done.

Bruce Funk explained the problem his office has closing out the year and amending the budget when bills like this come in at the last minute. He suggested that the bill from Stilson Construction in the amount of \$3,266.00 be re-submitted after the first of the year and take it out of the Sheriff's 2005 budget. Commissioner Sitterud's concern was that Stilson's would be waiting three weeks to get paid. Commissioner Gary Kofford made a motion to pay the bill now out of the 2004 budget. The motion died due to the lack of a second.

Commissioner Ira Hatch made a motion to re-submit the bill from Stilson Construction to be paid out of the Sheriff's 2005 budget. Commissioner Drew Sitterud stepped down to second the motion. The motion was passed by two Commissioners and Commissioner Gary Kofford voted nay to the motion. The motion carried.

Commissioner Ira Hatch made a motion to approve the Check Edit List and Additional claims as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Kofford further commented that he could appreciate what the other Commissioners are trying to do in making a point with the Sheriff. However, he thinks that it is being done at the expense of a contractor who did work in good faith. The point you are trying to make is catching a contractor in the crossfire and can be handled internally. Commissioner Kofford made a motion to pay the contractor now and whatever needs to be done to satisfy Sheriff Guymon's needs can be done, whether that means carry it forth and put it in next year's budget or whether it is paid out of this year's budget that can be determined at a later date. At this point Commissioner Drew Sitterud asked if Commissioner Hatch was willing to withdraw his motion. Commissioner Hatch indicated that he would be willing to withdraw his motion to have the contractor re-bill and pay out of the 2005 budget, but he also wanted the message to get across to Sheriff Guymon that we have this sort of thing every year. He agrees with Commissioner Kofford that we would be penalizing the contractor to make him wait until 2005 to get paid. He thinks that the amount should be deducted from the Sheriff's 2005 budget being approved today. Commissioner Hatch seconded Commissioner Kofford's motion to pay the contractor. The motion was approved by all members present.

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

Sheriff

Jennifer Jensen, Corrections Secretary, has successfully completed her six-month orientation period and is eligible for a wage increase as outlined in the policy. She has been recommended for the increase by Sheriff Guymon. The wage increase would be effective the next pay period on January 3, 2005. Commissioner Ira Hatch made a motion to approve the wage increase for Jennifer Jensen as outlined in the policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated December 7, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Commissioner Gary Kofford made a motion to approve the minutes of the Board of Canvassers dated November 16, 2004 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch reported that he talked with CEU representatives. They are launching into an expansion program with the CEU Museum. They are gathering input from around the area to assist them in obtaining possible avenues of funding and support for the program. They intend to raise upwards to fifty million dollars to expand the CEU Museum. He told them that while the County supports the concept he asked them to consider broadening their scope and include the Museum of the San Rafael and the John Wesley Powell Museum in their program. He discussed with them the need support to expand and house the things from Range Creek in the Museum of the San Rafael.

He and Mike McCandless attended the Regional Work Force Council Meeting in Moab. What they would like to do is explore providing a youth program to help with projects throughout the County. If they can work out the details. He told them that he was concerned about the liability. Commissioner Hatch will report any new developments on this later.

*Commissioner Sitterud*

COMMISSION MEETING MINUTES  
DECEMBER 21, 2004

Commissioner Sitterud reported on the Senior Citizen Dinner. They had approximately two hundred seniors attend. The weather was bad but they had a good crowd. Everyone had fun. The County employees party was a success again this year.

He, Sheriff Guymon, Commissioner Kofford along with several representatives from the BLM Price and Moab offices met at Temple Mountain. Apparently fences were put up to try and control camping. One of the fences crossed one of the roads on their travel plan. Commissioner Sitterud and Commissioner Kofford discussed some the County's concerns regarding the Temple Mountain and San Rafael Wedge areas with the BLM while on the desert.

At the CCP meeting SITLA representatives came and told the County that all counties will have to purchase all ROW across state land now. San Juan County has already negotiated a price for SITLA. He attended a meeting with Lt. Governor elect, they will take to AG office to see if we don't have a ROW by prescriptive use. This is a fight that is coming down the road. He will keep the other Commissioners informed on this matter.

He attended a RAC meeting where they discussed a proposed five year study on the bear. They are trying to get more permits for bear. Until the study is complete, bear permits will remain the same.

(17)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(3)**  
**OPENING OF FILTER BIDS FOR ROAD DEPARTMENT.**

Clerk/Auditor, Bruce Funk opened bids for filters at the Road Department. Bids were received from the following: J&D Automotive

Bookcliff Sales  
Kenworth Sales  
Wheeler Machinery  
Wards 4X4  
Rhineheart Oil  
Lake City International

Commissioner Ira Hatch made a motion to authorize Rex Funk and Ira Hatch to review the bids and return to the next Commission Meeting with a recommendation. Commissioner Drew Sitterud stepped down to second the motion. The motion was approved by all members present.

(4)

**CONSIDERATION OF AWARDING BID FOR FILTERS.**

Tabled

(5)

**CITIZEN CONCERNS**

Treasurer, Steven Barton discussed a motion made on December 7, 2004, wherein, Bruce Myerhoff was granted a thirty day extension to pay property taxes on his home that are five years delinquent. In the motion made by Commissioner Hatch it was stipulated that the county would proceed with action to sell the home to recover the taxes. The thirty days have now passed and the Treasurer's office has not received payment or been contacted by Bruce Myerhoff. The Board of Commissioners have two options. They can have a special sale and sell the property now, or the property can be included on the May Tax Sale next which would be in May of 2005. Commissioner Ira Hatch made a motion to place the property on the list to be sold at the 2005 May Tax sale. Commissioner Drew Sitterud stepped down to second the motion. The motion was approved by all members present.

Road Supervisor, Rex Funk requested permission to start looking for a track hoe. The track hoe has been budgeted for in the 2005 budget. The Board of Commissioners approved looking for a track hoe and bringing in a proposal.

(6)

**CONSIDERATION AND APPROVAL OF MOA BETWEEN ROBERT K. WEIDNER AND EMERY COUNTY.**

Mr. Weidner is the Washington, D.C. government relation's advisor to Emery County and other counties of the Rural Public Lands County Council. Mr. Weidner will report to and receive guidance from council members and Commissioners of participating counties in the RPLCC. He will lobby Congress and departments of the executive Branch of the government as well as many other duties as stated in the MOA. The MOA asked for \$16,000.00 for Mr. Weidner's services. However, Emery County budgeted \$10,000.00 in 2005 for this service. Attorney, David Blackwell indicated that the contract indicates that Mr. Weidner's services shall be computed based upon the number of hours actually expended by Weidner multiplied by an hourly rate of \$250.00 per hour. Provided, however, that in no event shall the fees incurred exceed the total amount stated above unless agreed to by both parties. Mr. Blackwell recommended striking the amount of \$16,000.00 for his services and replacing it with \$10,000.00. Commissioner Ira Hatch made a motion to give authority to Commission Chairman Drew Sitterud to strike the \$16,000.00 and replace it with \$10,000.00 and to sign the MOA between Robert K. Weidner and Emery County. Commissioner Drew Sitterud stepped down to second the motion. The motion

was approved by all members present.

(7)

**MIKE MCCANDLESS, ECONOMIC DEVELOPMENT DIRECTOR, UPDATE OF DEPARTMENT ACTIVITIES.**

There are a surprising amount of agencies doing economic development work. One of the challenges the Economic Development Council has is coordination of this large number of agencies providing the same services. He will be working on formalizing relationships with these agencies to prevent duplication of services. He will be working on getting more benefits to our area from the Small Business Development Center. Part of that is to have a SBDC person in the courthouse one to two days a week to help people with business plans, business training, those kind of resources. We have money budgeted from the federal government towards these types of services to the county. He will be focusing efforts on seeing that the money and the time are spent here helping people in Emery County.

Other areas that the Economic Development Council is working on are: participating in Targeted Industry Task Force working with Work Force Services in identifying the greatest needs that employers have in the area. The state has identified two core areas: training for miners and training for health care. Facilities, throughout the nation, have a shortage of nurses and training for health care professionals. On the mining side, there is a shortage of qualified applicants for miners. The Applied Technology College is working to develop a certificate that would include a one hundred hour mining course which would include not only the basic thirty two hour mining class but also hydraulics, electronics, human resources and work skills. Vocational Rehab and DWFS will assist with the financing and coordination of the program.

He talked about the Green River Economic Summit coming up this month. Five Economic Development bills are being lobbied for this year. There is a campaign to get Emery County businesses to add one new employee this year. The Economic Development Council is looking for ways to capitalize on Range Creek. He talked about a push by Back County Pilots Association to promote back country airports.

(8)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #166825 through and including #166913 for payment.

COMMISSION MEETING MINUTES  
JANUARY 4, 2005

There were no requisitions or dispositions.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL MATTERS**

Pat Snowball, Personnel Director presented the following personnel action:

Museum

Willard Young, Museum Groundskeeper, has successfully completed his six-month orientation and has been recommended for the routine wage increase effective beginning the pay period of January 17, 2005. Commissioner Ira Hatch made a motion to approve the six-month orientation increase for Willard Young as per policy. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Sheriff's Office

Steve Stream's appointment to Justice Court Judge leaves the position of Corrections Sergeant vacant. The Sheriff requested approval to begin the promotion process.

At this point in time, the Sheriff's Office is in the middle of the selection process which was approved in October to hire one individual. With the vacancy that will occur, he requested approval to consider hiring a second individual from the current group or if that is not feasible, that he has the approval to begin a new recruitment process.

Commissioner Ira Hatch discussed the possibility that the position of Corrections Sergeant may be filled without the promotion process. Therefore, Commissioner Ira Hatch made a motion to approve the Sheriff's Office to fill two positions by using the current roster. If filling the two positions using the current roster is not feasible the Sheriff is to inform the Commissioners and begin the process to recruit persons for a hiring roster. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Steve Stream's official resignation date is December 31, 2004.

Recorder

COMMISSION MEETING MINUTES  
JANUARY 4, 2005

The Archive program lost its other government funding. Dixie Swasey has offered her office to assume authority for the Archive. Shirley Spears is the individual occupying the position of archivist and it is proposed that Shirley be hired by the County as a part time (less than 20 hours a week) employee to continue the duties of the Archivist. It is proposed that she receive the wage she has previously received (\$10.08); that she would begin employment with the County immediately. Commissioner Ira Hatch made a motion to put Archives under the direction of the Recorder and to hire Shirley Spears as a part time, less than 20 hrs/wk employee at \$10.08/hr. effective January 5, 2005. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Ira Hatch made a motion to approve the minutes dated December 21, 2004 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch reported that the Planning Commission has two board members, Mac Huntington and Kent Stilson, whose terms have expired. Commissioner Ira Hatch made a motion to advertise for two board member positions on the Planning Commission. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

The advertising process for proposals to manage and operate the Huntington Airport has been completed. No proposals were received. The Commissioners are looking for options. There will be a public meeting on January 18, 2005 at 6:00 p.m. regarding the Airport Improvement Plan. Jones and DeMille the design engineers will review the plan with the public. He asked for approval to send letters to vendors nearby that may be interested in operating and maintaining the airport.

He attended Governor Huntsman's inaugural celebration at Abravanel Hall in Salt Lake City.

*Commissioner Sitterud*

Commissioner Sitterud will be traveling to Green River on behalf of Governor Huntsman to

6

COMMISSION MEETING MINUTES  
JANUARY 4, 2005

handout over three hundred and fifty volunteer awards. There are more volunteers per capita in Green River City than in any other city or town in the State of Utah.

He participated in a phone meeting with three rural Association of Local Governments to discuss everything that they wanted the new Governor and Lt. Governor to know about the Consistency Review regarding the Price Office BLM RMP.

(12)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

Executive session was not needed.

(13)

**ADJOURNMENT**

Commissioner Ira Hatch made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor, Carol Cox, other elected officials and citizens.

(1)

**APPOINTMENT OF CHAIRMAN 2005**

Commissioner Gary Kofford made a motion to appoint Ira Hatch as Commission Chairman for 2005. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**DELENA FISH, PRESENTATION OF WORK SITE PROGRAM.**

Workforce Services Director, Delena Fish introduced Wayne Tuttle who took Dale Roper's position at WFS. Delena reviewed the department's Worksite Learning Employee Agreement with the Commissioners. The agreement sets guidelines for employers participating in DWS Worksite Learning Opportunities. Employers can choose the type of work opportunities they are willing to offer. There are four types to choose from; unpaid internships, paid internship (including summer youth employment opportunities, on the job training or OJT, and registered apprenticeships. Regarding the unpaid internship and the paid internship, the employer provides a training opportunity for an individual to learn soft working skills such as getting up each morning, dressing for work, arriving at work on time, focusing on a designated skill or task and accountability. On these internships DWS pays the employee. The OJT is different in that the employer intends to provide permanent employment at the end of the training period. There are four groups of prospective employees; youth (14 to 17), adult (18 and older), single adult with children and single adult without children. There are employment counselors assigned to each individual. She presented an agreement for the Commissioners to consider.

(3)

**SHARON EARL, DISCUSSION OF CHAMBER OF COMMERCE**

Sharon Earl was not present at the meeting.

COMMISSION MEETING MINUTES  
JANUARY 18, 2005

COMMISSION MEETING MINUTES  
JANUARY 18, 2005

(5)

**CITIZEN CONCERNS**

Commissioner Hatch reported that the Historical Preservation Society was created by Emery County by ordinance in 1984. After a few years of inactivity it was brought back to life. In 1999 the group re-certified as a historical society. At that time a new board was put into place. The terms of those board members have now expired. The by-laws of the society call for the board members to have specific attributes. Commissioner Ira Hatch made a motion to advertise for individuals interested in serving on the Historical Preservation Society board. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR USU  
EXTENSION EDUCATIONAL WORK- 2005**

Attorney David Blackwell has reviewed the agreement. It is the standard agreement from previous years. Commissioner Ira Hatch made a motion to approve of a cooperative agreement for USU Extension Educational Work- 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present

(7)

**AWARD OF FILTER BID FOR ROAD DEPARTMENT**

Bids were opened for filters at the Road Department in the January 4, 2005 Commission Meeting. At that time the bid was not awarded to allow time to review the bids. After review of the bids Commissioner Ira Hatch made a motion to award the bid to Book Cliff Sales. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**SETTING OF PUBLIC HEARING TO RECEIVE PUBLIC COMMENT ON PROPOSED  
ADDRESSING ORDINANCE.**

Commissioner Gary Kofford made a motion to set a public hearing for February 1, 2005 at 5:30 p.m. and to advertise said public hearing in the Emery County Progress for two weeks prior to that date. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

**DISCUSSION AND APPROVAL OF PROPOSED LETTER TO GOVERNOR HUNTSMAN ADMINISTRATION WITH RESPECT TO THE GOVERNOR'S CONSISTENCY REVIEW OF BLM/FOREST SERVICE MANAGEMENT PLAN REVISIONS.**

Because this will be Governor Huntsman's first consistency review, the Board of Commissioners and the Association of Government Attorney Mark Ward felt it would be beneficial to list items of concern regarding the BLM/Forest Service Price Field Office Resource Management Plan for the Governor and his administration to consider. Public Lands Director, Ray Petersen asked that the Commission consider adding 'utilizing other state agencies' in the letter. Commissioner Drew Sitterud indicated that the letter from Emery County addresses the specific needs of our area. Letters from other counties will be sent to the Governor also which will address the specific needs of that particular area. Commissioner Ira Hatch made a motion to authorize Commission Chairman Drew Sitterud to sign the letter to submit to the AOG. Commissioner Gary Kofford indicated he would second the motion but asked to add to the letter a phrase 'that the planning official and other state agencies be involved in the process'. The motion was approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF INDIGENT TAX ABATEMENT.**

An indigent personal property tax abatement application was presented for Jody Shupe. A letter from his doctor explaining his condition and reason for not being able to work was attached to the application as well as a personal letter from Mr. Shupe. However, the income section of the application was not complete. Commissioner Gary Kofford made a motion to table any decision until Mr. Shupe has completed the income portion of the application. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF ORANGEVILLE CITY'S REQUEST TO STORE SCHOOL CROSSING SIGNS ON COUNTY PROPERTY.**

Orangeville City's school crossing signs needed a place to be stored. The school crossing is at the corner of the Orangeville City Library. The City made a request to place a box with a lock on it behind the Orangeville Library sign located on the front lawn of county library property. The box is out of sight. Commissioner Gary Kofford made a motion to allow the City to leave the box behind the sign at the Orangeville City library for now. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(12)****RATIFICATION OF 2006 GRANT APPLICATIONS FOR EMT'S AND AMBULANCE.**

Commissioner Ira Hatch made a motion to ratify the signing of grant applications for EMT and Ambulance for 2006. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The applications were date specific and had to be signed earlier than the date of this meeting to meet application deadline.

**(13)****CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFFS.**

Ambulance write-off requests were presented for the following:

Adam and Jared Mustafa, total bill \$954.00. Insurance has been exhausted on other bills in association with their automobile accident. At this date no attempt has been made to pay anything on the bill. They are requesting to have the bill reduced down. Commissioner Gary Kofford made a motion to deny the request until some attempt to pay has been made. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Dennavor H. Price, total bill \$317.00. Ms. Price had an allergic reaction to sulfa. She called 911 and an ambulance was dispatched. The EMT treated her, but did not transport. Her letter requested to have the \$243.00 charge for the ambulance dismissed. Commissioner Gary Kofford made a motion to deny the request until some attempt to pay has been made on her part. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Jerald Barton: On June 1, 2003 Mr. Barton was transported to Castle View Hospital but was sent back to Emery County Care and Rehabilitation Center because there was nothing that could be done for him. Mr. Barton passed away shortly afterwards. Medicare was billed for the ambulance service but it was denied. The bill was reverted back to the receiving facility which was ECCRC.. Emery County Care and Rehabilitation is asking to have the bill written-off. Commissioner Ira Hatch made a motion to write-off the ambulance bill for Jerald Barton. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit list #167031 through and including #167159 for payment.

Requisitions were presented for the following:

COMMISSION MEETING MINUTES  
JANUARY 18, 2005

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
01-05	Distance measuring instrument Highway	600.00	Approved
02-05	2004 Ford F-360 Ambulance Ambulance	98,600.00	Approved
03-05	14 Computers, 1 laptop 1 color laser printer, 1 Ipod Capital Replacements	19,839.68	Appro ved

Dispositions were presented for the following:

<u>ASSET</u>	<u>DESCRIPTION</u>	<u>HOW DISPOSED</u>	<u>ACTION</u>
141-6972	Shredder/ C/A office	Junked	Approved
410-4993	Vehicle measuring instrument/Road	Junked	Approved
160-5886	Canon 4050 Copier/Courthouse	Junked	Approved

A cell phone reimbursement application was presented for Steve Stream, Justice Court Judge. The reimbursement amount was the standard \$45.00 per month.

Commissioner Gary Kofford wanted to know why Requisition 01-05 from the Road Department for a Distance measuring instrument was not for the lowest bid. He asked to have approval of this requisition put on hold until clarification from Rex Funk who had left the meeting temporarily.

Commissioner Ira Hatch made a motion to approve the Warrant Check Edit List, the requisitions for the ambulance, computers and printer, the dispositions and cell phone reimbursement for Steve Stream as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Rex Funk, Road Supervisor explained the reason for recommending purchase of the higher priced distance measuring instrument. He explained that he has had better performance and dependability from a nu-metric unit than the other units that were bid. After receiving clarification from Rex Funk on the recommendation for purchase of the distance measuring unit Commissioner Gary Kofford made a motion to approve the purchase of the measuring unit as recommended by Rex. The motion was seconded by Commissioner Ira Hatch and approved by

7

all members present.

**(15)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Nothing today.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Ira Hatch made a motion to approve the minutes dated December 13, 2004 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Ira Hatch made a motion to approve the minutes dated January 4, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Gary Kofford was not present at the meeting, therefore Commissioner Drew Sitterud stepped down to second the motion.

**(17)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch met with the Travel Council in Green River on the tenth. The main thing that came out of that meeting was that Emery County is now collecting our own Transient Room Tax. Letters have been sent to all the vendors explaining the remittance process .

He met with Mark Mansfield from UPL's Hunter Plant on the clover leaf road access process. They are working on a plan to present to the County and UDOT for a revised clover leaf process.

There will be a public hearing today at 5:00 p.m. for the Huntington Airport Improvement Plan. In order to receive possible state and federal funds for improvements at the airport we need to have an approved improvement plan in place. We contracted with Jones and DeMille to write the plan. They will present the proposed plan during a public hearing today. This will not define management but will define where certain facilities can be placed to be in compliance with the FFA. John Spendlove, Engineer, Jones and DeMille will be here to present the plan to the public and receive comments.

COMMISSION MEETING MINUTES  
JANUARY 18, 2005

*Commissioner Kofford*

Commissioner Kofford reported that the state legislature reconvened yesterday. If anyone has any concerns that he should take to our legislators get with him. UAC day with the legislators will be February 4, 2005. It will be an interesting year with a new governor in office.

*Commissioner Sitterud*

Commissioner Sitterud and Mike Dmitrich handed out volunteer awards at a RSVP awards banquet in Green River City.

He met with BLM staff on the Wedge. They are moving forward with a proposal for camping on the Wedge. Emery County provided some input on the proposal.

He attended a UAC Board meeting. They are still moving forward to replace Mark Walsh.

The fence that the BLM had to move to the other side of the road has been done now. The road has been brought into compliance. The play area for kids on four wheelers was a concern because it was adjacent to the main road with a cliff on one side and a wash on the other side. Until they can do a study and move the play area further down the road, the county would rather close that area down.

He will be going to BLM State RAC meeting next week if anyone has something to take to that meeting get with him. They will be looking at an OHV ordinance. The National Wildlife Federation has written a letter of concern for the deer and elk habitat as a result of alleged abuse OHV use. The OHV dealers association in the state have asked that the RAC look at this situation.

**(18)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

9

COMMISSION MEETING MINUTES  
JANUARY 18, 2005

An executive session was not needed.

(19)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 1, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**REQUEST FOR DONATION FOR EMERY COUNTY COMMUNITY THEATER**

Brian Dawes, a member of the Emery County Community Theater came before the Board of Emery County Commissioners to request a donation for their annual performance. This year they will be performing "Shenandoah". Performances will be on February 10,11,12 and 14, 2005. Commissioner Gary Kofford made a motion to donate \$500.00 to the Emery County Community Theater. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**PAT GUBBINS, BLM QUARTERLY UPDATE.**

Wayne Ludington, BLM provided an update of BLM activity.

- ✦ Work at Temple Mountain will continue through part of the summer.
- ✦ They are going ahead with an EA on road and disposed camping improvements at the Wedge.
- ✦ They will be short of staff to patrol during Easter weekend and are looking for other means to help with the patrol. They hope to have Temple Mountain ready and usable for the influx of people who will visit over Easter Weekend.
- ✦ Over 60,000 letters were received regarding the RMP of which they have gleaned 6,000 substantive comments pertaining to something in the RMP that needs to be changed.

Commissioner Hatch asked for the BLM to consider working as a co-op partner to help gain a new access road at the Cleveland-Lloyd Dinosaur Quarry. The road needs to be moved to high ground for maintenance. Commissioner Sitterud asked that the BLM move faster to construct collection ponds behind Emery to avoid flooding in Emery as they have had in the past. Mr. Ludington indicated he would relay their concerns to Pat Gubbins.

COMMISSION MEETING MINUTES  
FEBRUARY 1, 2005

(3)

**MESIA NYMAN, FOREST SERVICE QUARTERLY UPDATE.**

Mesia did not attend the meeting.

(4)

**DERRIS JONES, DWR QUARTERLY UPDATE.**

Derris Jones, DWR provided the following update:

- ✦ DWR has a new director, Mike Styler with assistants Darren Bird and Robin Pearson.
- ✦ Buck Skin was traded for Cold Spring in October 2004.
- ✦ They will have a tour of Range Creek during the RAC meeting sometime next summer.
- ✦ The Sage Grouse working group will meet in March. The group is formulating information on the sage grouse regarding the push to have it put on the endangered species list. DWR, BLM, Forest Service and Carbon and Emery County will be combining efforts to avoid having the sage grouse listed.
- ✦ Buck and bull permit numbers will be discussed in the next RAC meeting on March 16.
- ✦ February's RAC meeting is a information only meeting.
- ✦ The number of dedicated hunters is on the decline. They need 7,000 dedicated hunters for the program to pay for itself. They will go for another year and see how it goes.
- ✦ He presented the Board of Commissioners with the contractual in-lieu tax payment on land the Division of Wildlife Resources owns in Emery County. The money used to pay the in-lieu tax is provided by sportsmen.

Commissioner Hatch asked for a report on the effects of winter on the deer and elk.

(5)

**CONSIDERATION AND APPROVAL OF RESOLUTION CONFIRMING THE SALE AND AUTHORIZING THE ISSUANCE OF \$1,200,000 GENERAL OBLIGATION PUBLIC PURPOSE BONDS, SERIES 2005 A OF CASTLE VALLEY SPECIAL SERVICE DISTRICT; AND PROVIDING FOR RELATED MATTERS.**

Darrell Leamaster, CVSSD and Alex Buxton, Zions Public Finance discussed a resolution authorizing the issuance of \$1,200,000.00 General Obligation Public Purpose Bonds, Series 2005A of Castle Valley Special Service District. Darrell explained that the first payment on the bond will begin in 2007. Interest will begin March 2006. Closing will be on March 15, 2005. Funds will be used to complete street projects. Mr. Buxton explained that this bond puts CVSSD half way through the tax payer, voter authorized twelve million bond amount approved in 2001. Commissioner Gary Kofford made a motion to approve Resolution 02-01-05A confirming the sale and authorizing the issuance of \$1,200,000.00 General Obligation Public

COMMISSION MEETING MINUTES  
FEBRUARY 1, 2005

Purpose Bonds, Series 2005 A of Castle Valley Special Service District; and providing for related matters. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**5:30 P.M.- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON THE PROPOSED ADDRESSING ORDINANCE.**

Commissioner Drew Sitterud made a motion to come out of the regular Commission Meeting and into a public hearing to receive public comment on the proposed addressing ordinance. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

IT Department Head, Jeff Guymon explained that he has visited public hearings in Emery Town, Ferron City, Huntington City, and Orangeville City regarding addressing proposal and had the interlocal agreement between the city and Emery County signed. A committee was formed to formulate the proposed ordinance. The committee is made up of the following people: Building Inspector, Bryant Anderson, a representative from the Road Department, Deputy County Attorney Allen Thorpe, Bliss Mead, Emery County Sheriff's Office, Dixie Swasey, Recorder, Bruce Funk, Emery County Clerk/Auditor, a representative from Emery TelCom, Deb Dull, PacifiCorp, Emery County Commissioners, IT staff members. The committee has met several times in an exhausting effort to address problems foreseen, to formulate the ordinance and interlocal agreement between the municipalities and the county. There are municipalities yet to hold public hearings to receive public input and sign the interlocal agreement. After gleaning the comments received at the public hearings and addressing any problems brought forth, the committee will bring back to the Commission an ordinance that will be most consistent and complete.

Deputy Attorney Allen Thorpe addressed some issues that have been brought out regarding the ordinance draft. Suggestions were made regarding some wording changes.

Once the ordinance is in place there will be entities that will want maps and digital data. How much to charge and who must pay for the maps and data was discussed.

Commissioner Gary Kofford made a motion to come out of the public hearing. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF ADDRESSING ORDINANCE FOR EMERY COUNTY.**

Commissioner Gary Kofford made a motion to get together with Allen Thorpe and the committee to incorporate the suggestions made today plus any others they have received and to return to Commission Meeting on February 15, 2005 and if acceptable consider the ordinance at that time. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)****CONSIDERATION AND APPROVAL OF LAW ENFORCEMENT AGREEMENT NO. 00-LE011041000-06.**

Commissioner Drew Sitterud made a motion to accept and approve a law enforcement agreement between Emery County sheriff's Office and the United States Department of Agriculture, Manti-La Sal National Forest as written. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)****REQUEST FOR DONATION FOR CLOSE-UP PARTICIPANTS.**

The Emery County Commissioners received a letter of request from Close Up participants from Green High School. The request was for a donation to for participants to travel to Washington, D.C. to explore government from the inside to see how it really works. So far they have been able to raise \$11,012 of the \$12,600 needed for the week long Close Up program. Commissioner Drew Sitterud made a motion to donate \$250.00 to Green River High School Close Up participants to assist with participation in the Close-Up program. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)****APPOINTMENT TO EMERY COUNTY WEED/MOSQUITO BOARD.**

Commissioner Drew Sitterud made a motion to appoint Blaine Evans to the Emery County Weed and Mosquito Board to represent the Green River area. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**APPOINTMENT TO EMERY COUNTY SPECIAL SERVICE DISTRICT#1.**

Commissioner Drew Sitterud made a motion to appoint Richard Jensen and Merrill Swasey to the Emery County Special Service District #1 Board. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)****APPOINTMENT TO EMERY COUNTY PLANNING COMMISSION.**

Commissioner Gary Kofford made a motion to appoint Mac Huntington and Catherine Cowley to the Emery County Planning Commission Board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)****CONSIDERATION AND APPROVAL OF INDIGENT ABATEMENT.**

In last Commission Meeting an indigent abatement application for Jody Shupe was presented to the Commissioners for consideration. The income section of the application was not complete. A decision on the application was tabled and the Clerk/Auditor's Office was instructed to inform Mr. Shupe that the information was needed to proceed with any decision on an abatement. Mr. Shupe was contacted and he has provide the required information. Mr. Shupe's taxes were \$46.51. Commissioner Drew Sitterud made a motion to abate fifty percent of the tax owing for Jody Shupe. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)****CONSIDERATION AND APPROVAL OF RESOLUTION ADOPTING THE NATIONAL INCIDENT MANAGEMENT SYSTEM (NIMS).**

Sheriff LaMar Guymon explained that the National Incident Management System is the system that establishes a single, comprehensive approach to domestic incident management to ensure that all levels of government across the nation have the capability to work efficiently and effectively together. In order for Emery County to qualify for federal grants and other funding it is necessary for the County to adopt the NIMS. Attorney David Blackwell has reviewed the resolution. Commissioner Gary Kofford made motion to adopt Resolution 02-01-05B adopting the National Incident Management System (NIMS). The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**

**CONSIDERATION AND APPROVAL OF MOU'S REGARDING GENERAL BUILDING INSPECTOR SERVICES AND IMPLEMENTATION OF PROGRAM.**

Emery County has MOU's with all the municipalities except Clawson. Commissioner Gary Koffod made a motion to table this item until next Commission Meeting to allow time to resolve the issue with Clawson. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion begin the recruitment process for a building inspector. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)****CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

An ambulance write-off request was presented for Stephanie Penovich. Family members stated she was trying to enroll with Medicaid. However, she is still not eligible and Medicaid tells us they probably would not enroll retroactive back to May of 2004. When a previous request was made for write-off on behalf of Stephanie the Commissioners wanted to wait and see if she would get Medicaid. It appears that is not going to happen. The total bill is \$904.00. Commissioner Gary Kofford made a motion to abate the ambulance bill for Stephanie Penovich in the amount of \$904.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(17)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 167332 through and including #167468 for payment.

Requisitions were presented for the following:

Tag #7806, Fax Machine, Sheriff, to be sent to next auction.

Tag #8075, Cell Phone, Sheriff, to be sent to next auction.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, requisitions, except for the Communications Base Station, and the dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
FEBRUARY 1, 2005

Sheriff Guymon was directed to find out what line item in his budget the Communications Base Station will be coming from and then re-submit the requisition.

**(18)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director, presented the following personnel action:

Sheriff's Office

Sheriff LaMar Guymon requested approval to hire two individuals from the latest recruitment process. He recommended hiring Robert Riley and Kurt Price. They will be hired as dispatchers, full time with benefits, beginning February 2, 2005. Commissioner Drew Sitterud made a motion to approve the hiring of Kurt Price and Robert Riley at the Sheriff's Department as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

Tate Manzanaras will successfully complete his six month orientation on February 19, 2005. Rex Funk recommends that he receive a step increase which would be effective beginning the pay period of February 28, 2005. Commissioner Gary Kofford made a motion to approve the step increase for Tate Manzanaras as prescribed in the personnel policy. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Extension

Gaylene Conder is eligible for the routine progressive wage increase on February 4, 2005, which would be effective beginning the pay period of February 14, 2005. Commissioner Gary Kofford made a motion to approve a routine progressive wage increase as prescribed by the personnel policy for Gaylene Conder. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(19)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

COMMISSION MEETING MINUTES  
FEBRUARY 1, 2005

Commissioner Drew Sitterud made a motion to approve the minutes dated January 18, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(20)

**COMMISSION REPORTS.**

*Commissioner Drew Sitterud*

Commissioner Sitterud reported that he attended a State BLM RAC meeting in Kanab. They met as a BLM RAC with the Monument RAC from five different states most of which are scientists. They have received letters from two sportsman groups on OHV problems. They have listed the top ten problem areas in the state of Utah and number two was the San Rafael Desert. The letter indicated the problem as enforcement and education. The BLM RAC has published a letter indicating that there is a enforcement officer on the desert for enforcement of all state laws.

They also discussed the problems associated with RMP's. They are thick., big and confusing.

They are looking for ways to simplifying the RMP process.

Senator Bennett's office has contacted the Commission Office to have the county put together a list of places we think will be a flooding problem in the spring. Commissioner Sitterud suggested that all our drainages could be problem areas.

The E-911 system went down. It is very old. We were going to wait until the end of the year when we had enough money in the E-911 account to get a new one. We have \$83,000.00 in the account now. We need to find the money to upgrade the E-911 system as soon as possible.

Commissioner Gary Kofford made a motion to authorize the Sheriff's Office to go out to bid for E-911 upgrade. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

*Commissioner Kofford*

Economic Development will hold an Economic Summit in Green River on the 22<sup>nd</sup> of February, 2005 at the John Wesley Powell Museum from 10 a.m. until 4 p.m. The cost is \$10.00 per person. He invited everyone to participate.

*Commissioner Hatch*

COMMISSION MEETING MINUTES  
FEBRUARY 1, 2005

Commissioner Hatch and Commissioner Kofford recently attended a Division of Wildlife Resources meeting in Green River where emphasis was placed on the rehabilitation of sage brush habitat. The focus was slated to the wildlife side. It was suggested to broaden the focus and include other things.

He met with Phil Palmer, Engineer for Carbon Canal Company regarding putting a stock water system north of Elmo. The Canal Company will work out the details and come back to the Commission with a proposal and interlocal agreement for the County to review and approve. The system would not cost the county anything and may be of benefit to the ranchers and farmers in the area.

(21)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

(22)

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING OF  
THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 15, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford. Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**REQUEST FOR DONATION TO YOUTH CITY COUNCIL LEADERSHIP  
CONFERENCE.**

Alissa Cox, Danette Waite, Gaylee Jeffs and Suzanne Larsen were present representing the Youth City Council. Alissa Cox explained to the Commissioners that their Youth City Council will hold a conference on April 16, 2005 for all youth in Carbon and Emery Counties. They will have workshops and service activities. John Bytheway will be a speaker at the conference and the musical group T Minus Five will entertain them. They will have drawings for prizes one of which is a computer. They will hold the conference in the Ferron Stake Center in Ferron, Utah. Ms. Cox requested a donation from the Board of Commissioners to help with the funding of the conference. Commissioner Drew Sitterud made a motion to donate \$250.00 to the Youth City Council Leadership Conference. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND  
DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List for checks #167579 through and including #167744 for payment.

Upon review of the warrants, Bruce asked if the dumpster was still needed at the Huntington Airport, if not needed he asked to terminate the service. The county is paying a monthly fee for dumpsters not currently being used. He asked for permission to go out to bid for the garbage pickup service to see if the county could experience a savings with another provider. Sheriff Guymon indicated that the dumpster at the old Sheriff's office was no longer needed. Commissioner Hatch asked Bruce to terminate dumpster pickup at the airport and old sheriff's office and check and see if the county has any kind of contract or agreement with City Sanitation and if not to do what we need to do to advertise for bids for garbage/dumpster pickup service.

There were no requisitions or dispositions.

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**CITIZEN CONCERNS**

Connie Copenhagen, representing Green River Positive Action Community Team and the Green River Economic Action Team. Both are non-profit organizations serving the community. She reminded the Commissioners that Green River will hold their first Economic Action Summit on February 22, 2005 and she invited the Commissioners to attend. She told the Commissioners that the Chamber of Commerce would like the Commission to reconsider the restaurant tax. They felt it would be a good source of revenue. She also invited the Commission to join the Green River Chamber of Commerce. Dues are \$300.00 for the Commission Office, Sheriff's Office and Economic Development Office. Commissioner Gary Kofford made a motion to join the Green River Chamber of Commerce for \$300.00 which includes the Commission Office, Sheriff's Office and Economic Development Office. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Rex Funk, Road Department informed the Commissioners that his department sent out letters asking for bids on #2 low sulfur dye fuel. He missed getting this as an agenda item and asked to have the bids opened and considered at this time and ratified in the next meeting. Bids were sent to the Clerk/Auditor's office as indicated in the letter. Clerk/Auditor Bruce Funk opened the two bids that were received in his office. The two bids were from BK's/ Pierce Oil Co. and Castle Valley Co-Op. Commissioner Gary Kofford made a motion to table this matter until later in the meeting to allow Rex time to calculate the price and determine the low bidder. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Steve Barton, Treasurer informed the Commissioners that his office was in the process of notifying property owners whose property is in jeopardy of being placed on the May Tax Sale. These owners have been given until March 15, 2005 to clear their tax obligations before the process begins. He received a request for an extension from Garney L. Madsen. Mr. Barton asked for approval to enter into an agreement with Mr. Madsen for an extension until November 2005. Commissioner Drew Sitterud made a motion to grant an extension until November 2005 to pay back property taxes to Garney L. Madsen as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Supervisor Rex Funk completed his calculations on the bids for #2 low sulfur dye fuel. The low bidder was BK's/Pierce Oil Co. Commissioner Gary Kofford made a motion to award the bid for #2 low sulfur dye fuel to BK's/Pierce Oil Co. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

Mark H. Williams informed the Commissioners that the Arapeen ATV Jamboree received some national attention through an article written by Corey Bluemel and featured in 'Dirt Wheels Magazine'. The editor of the magazine called him and needed information about local businesses and what to expect when coming to Emery County. He congratulated Corey on having an article put in a national magazine. Mr. Williams has been invited to participate in an hour long show with Doug Miller. He will be discussing the Arapeen ATV Jamboree. He discussed ATV permits and where they can be purchased in the county. Currently Maverick Country Stores sell the permits. He was asked by the Commissioners to check into what is required to be an outlet for selling the ATV permits. The Commissioners complimented Mr. Williams for his efforts on the Arapeen ATV Jamboree event.

Reed Martin asked for any information regarding the vandalism on the Buckhorn Wash Panel. Sheriff Guymon indicated that one of the individuals has been arrested and is in the system going through the judicial process. The other individual has not been caught yet. Reed indicated that he goes out to the Buckhorn Panel on a regular basis to check on it and service the area. Each time he drives out there he drives out to the Swinging Bridge. He noticed how damaged the bridge has become. The San Rafael Swinging Bridge is such a unique thing. There are very few of these types of bridges left in the state. He asked if there have been any plans to restore or repair the bridge. Commissioner Hatch explained that there has been some preliminary planning done on the preservation of the bridge. The original plan was to re-deck the bridge. The Historic Preservation Committee has \$1,000.00 to go towards the project. The Emery County Historic Preservation Committee, which will be re-established today with the appointment of new board members will be working on this and other preservation projects in the county. However, there are limitations to what can be done to the bridge. Reed suggested that holding a Public Lands day event at the bridge with volunteers helping to do the restoration work would be a good thing. Public Lands Director, Ray Petersen suggested that Reed come to Public Lands Meeting and suggest that.

Public Lands Director, Ray Petersen reported on the efforts of the Public Lands Safety Subcommittee to compile and complete a proposed OHV Designation Ordinance. He suggested the Commissioners set a public hearing to receive public input on the proposed ordinance. Commissioner Drew Sitterud made a motion to set April 5, 2005 at 5:30 p.m. to receive public comment on a proposed OHV Designation Ordinance. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud reported that the Small Business Development Center (SBDC) would like to house a SBDC office in Emery County and have asked if there is an office available in the courthouse that they can use for two days a week. Currently they are housed in the AOG office in Price. The SBDC felt that the training and counseling they can provide for small business owners and potential small business owners would be of benefit to the County. Commissioner Drew Sitterud made a motion to provide office space in the courthouse to the SBDC for two days a week for the purpose of training and counseling small business owners.

The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF AGREEMENT WITH UTAH DIVISION OF FORESTRY, FIRE, AND STATE LANDS FOR WILD LAND FIRE PREVENTION, PRE-SUPPRESSION, DETECTIONS, AND SUPPRESSION OF WILD LAND FIRES WITHIN EMERY COUNTY.**

Commissioner Kofford discussed the agreement with the Utah Division of Forestry, Fire and, State Lands for wild land fire prevention, pre-suppression, detections, and suppression of wild land fires withing Emery County. The agreement is basically the same as in prior years. The agreement is a co-operative agreement with the state to provide a Carbon/Emery Fire Warden. Commissioner Gary Kofford made a motion to approve the agreement with Utah Division of Forestry, Fire, and State Lands for Wild Land Fire as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**RATIFICATION OF COOPERATIVE AGREEMENT WITH UDOT FOR SOUTH MOORE PHASE II CONSTRUCTION.**

Commissioner Ira Hatch explained that in order to expedite the bidding process on the construction phase of the project the agreement it had to be signed and sent off. The signing of that agreement must now be ratified. Commissioner Gary Kofford made a motion to ratify the signing of a cooperative agreement with UDOT for South Moore Phase II construction. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**RATIFICATION OF AGREEMENT BETWEEN ECSSD#1 FOR FUNDING SOUTH MOORE PHASE II CONSTRUCTION.**

Commissioner Drew Sitterud made a motion to ratify the signing of an agreement between Emery County and ECSSD#1 for funding and administering the South Moore Phase II construction project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF ADDRESSING ORDINANCE FOR EMERY COUNTY.**

IT Director, Jeff Guymon reported that as per the Commissioner's recommendation the committee has gone back and applied the changes suggested at the public hearing. He is now returning the ordinance to the Commission as requested. Attorney David Blackwell has

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

reviewed the ordinance and he recommends signing it. If there are any discrepancies found at the remaining towns still to hold public hearings on the addressing ordinance he will bring the ordinance back to the Commission to be amended. Commissioner Gary Kofford made a motion to adopt the addressing ordinance for Emery County as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**

**APPOINTMENT TO EMERY COUNTY PUBLIC LANDS COUNCIL.**

Commissioner Drew Sitterud made a motion to appoint Dixon Huntington, Eric Luke, Gary Petty and Tory Killian to the Public Lands Council. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**APPOINTMENT TO PLANNING COMMISSION.**

Commissioner Hatch explained that Mac Huntington and Kathy Cowley were appointed to the Planning Commission in the February 1, 2005 Commission meeting. Upon contacting Kathy Cowley she indicated that she would have to decline due to the meetings being held on Wednesday. Commissioner Gary Kofford made a motion to appoint William Dellos to the Planning Commission. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**APPOINTMENT TO EMERY COUNTY PRESERVATION COMMISSION.**

Commissioner Hatch explained that the five member board has lost several people and the board needs to be reconstituted. There are a couple of projects coming up that the board needs to coordinate. He recommended appointing Ray Petersen, Evelyn Huntsman, and Shirley Spears to the Emery County Preservation Commission. Commissioner Gary Kofford made a motion to appoint to the Emery County Preservation Commission Ray Petersen, Evelyn Huntsman, Shirley Spears and adding a fourth person to the board by appointing Reed Martin. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Gary Kofford made a motion to appoint Commissioner Ira Hatch to the Emery County Preservation Commission. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**APPOINTMENT TO EMERY COUNTY WATER CONSERVANCY DISTRICT BOARD OF DIRECTORS.**

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

Commissioner Gary Kofford made a motion to appoint Morris Sorensen to a two year term on the Emery County Water Conservancy District Board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**APPOINTMENT TO CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Gary Kofford made a motion to appoint Tom Humphrey and Paul Crawford to the Castle Valley Special Service District. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**BOB GREENBERG, FOUR CORNER BEHAVIORAL HEALTH AUDIT REVIEW.**

Bob Greenberg, Four Corner Behavioral Health, brought an annual audit to the Commissioners for review as required by state statute. The audit was found to be clean with adequate controls. Commissioner Gary Kofford made a motion to accept the annual audit review from Four Corner Behavioral Health. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Mr. Greenberg asked the Commissioners to set a public hearing date and time for the collection of comments regarding Four Corner Behavioral Health - Mental Health Plan for Emery County. Commissioner Gary Kofford made a motion to set a public hearing for April 5, 2005 at 5:00 pm. for the receiving of comments regarding the county's mental health plan. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(14)

**PAT SNOWBALL, PERSONNEL DIRECTOR, PERSONNEL ACTION.**

A. Consideration and approval of policy for EMT's.

In order to maintain a more current listing of EMT's not only for payroll but for liability and workers compensation the following procedure is submitted for consideration and approval:

*Individual EMT's who elect not be placed on regular schedules to accept calls for emergency medical assistance for six (6) months or longer shall be removed from the payroll listing at the beginning of six (6) months of inactivity. In order to reactivate the EMT must complete the appropriate payroll paperwork.*

Commissioner Drew Sitterud made a motion to approve of the EMT payroll procedure. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Consideration and approval of EEO for FY2005.

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

Pat Snowball submitted for review and approval the annual update of the county's Equal Employment Opportunity Plan for 2005. Commissioner Drew Sitterud made a motion to approve the 2005 EEO plan. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

C. IT request.

IT Director, Jeff Guymon requested permission to begin the recruitment process for a full time IT/GIS Technician. Commissioner Drew Sitterud made a motion to approve the recruitment process for a full time IT/GIS Technician. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Library requests

Mickie Carter, branch librarian in Cleveland, has submitted her notice to retire on March 1, 2005. Her termination date is February 25, 2005. Vickie Hansen, janitor at the Cleveland Library has submitted her resignation effective February 25, 2005. Jerilyn Mathis requested approval to take the following actions:

Carolyn Atwood, janitor at the Elmo Library working 10 hrs/wk will also clean the Cleveland Library. This will continue to be part time, less than 20 hours per week, not eligible for benefits. Her wage will not change. If approved this would be effective February 28, 2005. Commissioner Gary Kofford made a motion to approve Carolyn Atwood increase in hours to clean the Cleveland and Elmo Libraries as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Loyette Holdaway, branch librarian at the Elmo Library will transfer to the Cleveland Library as the branch librarian. No change in her status will occur. Commissioner Gary Kofford made a motion to approve Loyette Holdaway moving from the Elmo Library to the Cleveland Library as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Bonnie Day, assistant branch librarian at the Elmo Library if approved will be promoted to branch librarian for the Elmo Librarian. She will be full time, eligible for benefits, at a new rate of 11 entry. If approved this would be effective February 28, 2005.

Commissioner Gary Kofford made a motion to approve the promotion for Bonnie Day as proposed. The motion was seconded by Commissioner Drew Sitterud and approved

by

all members present.

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

Request was made to recruit for two assistant librarians for Elmo and Cleveland, part time less than 20hrs/wk, no benefits. Commissioner Gary Kofford made a motion to approve the recruitment process for two assistant librarians as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

E. Road Department requests

Rex Funk, Road Supervisor request approval to recruit for an equipment operator/driver, temporary up to 9 months at 12 Entry not eligible for benefits. Commissioner Gary Kofford made a motion to approve the recruitment for an equipment operator/driver, temporary up to 9 months for \$10.50/hr depending on the qualifications of the applicant. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

F. Approval of employment contracts for Brent Langston and Teresa Manzanares.

Attorney, David Blackwell has updated the employment contracts for Brent Langston and Teresa Manzanares, and requested approval of said contracts. Commissioner Gary Kofford made a motion to approve employment contracts for Brent Langston and Teresa Manzanares as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

G. Museum

Request was made to hire Jan Petersen, as the Museum Administrator. Jan is currently holding this position and is being paid by contract amount \$280.00 every two weeks. If approved Jan would be a new employee, paid \$12.01/hr, under 20 hrs/wk. no benefits. Commissioner Gary Kofford made a motion to approve hiring Jan Petersen as the Museum Administrator as proposed to be effective immediately. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Jan Petersen has not been paid for the last two contract amounts which is \$560.00. Therefore, Commissioner Gary Kofford made a motion to pay Jan Petersen the contract amount still owing amounting to \$560.00 and to begin immediately on the new hire of Jan Petersen. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

H. Sheriff's Office

Rory Bradley has completed Corrections Officer training and is eligible for a wage increase. If approved he will go from Dispatch to Corrections Officer effective

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

February 28, 2005. Commissioner Drew Sitterud made a motion to approve the wage increase for Rory Bradley and move to Corrections Officer as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated February 1, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**

**COMMISSION REPORTS.**

*Commissioner Sitterud*

Commissioner Sitterud reported on proposed closures of Huntington North State Park and Green River Golf Course State Park . He met with state senators who indicated that the division of parks is looking to save approximately \$300,000.00 and have slated eleven parks to close down. The senators assured Commissioner Sitterud that the two parks in Emery County that were listed will not be closed.

The Commission wrote a letter of opposition regarding the changing of the make-up of the CIB Board. Apparently Senator Bush from Uintah County is pushing for that change.

*Commissioner Kofford*

There will be a retirement party for Cleveland Branch Librarian, Mickie Carter on February 25, 2005.

He attended LEPC meeting where he met with Division of Forestry, Fire and State Lands Director, Gary Cornell. They discussed developing a county fire plan. The up side of a plan would be to put pressure on the Forestry people to address and treat water shed conditions and timber conditions. It is to the county's advantage to come up with a fire plan. He will be talking with the Planning Commission to coordinate development of the plan.

*Commissioner Hatch*

He recently attended Elected Official Day at the Legislature. Good contacts were made. He

COMMISSION MEETING MINUTES  
FEBRUARY 15, 2005

commended Commissioner Kofford and Commissioner Sitterud for keeping on top of what is of interest to our county that is going on in the legislature. Our legislators know who we are and that we are here and that we care about things that affect our area and people.

Sheriff Guymon reported that he will be sending twelve members that make up the Hazmat Entry Team to Gunsite, Arizona for training.

(17)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An Executive Session was not needed.

(18)

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 1, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**JODY PORTER, 4-H TEEN COUNCIL VOLUNTEER LEADER, PRESENTATION OF APPRECIATION TO THE EMERY COUNTY BOARD OF COMMISSIONERS FOR SUPPORT AND DISCUSSION OF PROPOSED SERVICE PROJECT.**

Jody Porter, 4-H Group Teen Council Volunteer Leader, presented the Board of Commissioners with a treat made by the volunteer group in attendance who were: Beverly Gilpin, Reporter, Tawnie Conder, Representative, John Conder, Representative, Sarah Jensen, Secretary. The youth members provided a report of recent activity. Jody reported on a service project the group has proposed for this year. The service project is to put up welcome signs in communities welcoming visitors and acknowledging that the county has a functioning 4-H program. They will be combining with Carbon County 4-H leaders to hold their annual 4-H camp in July at Little Bear Campground. Commissioner Hatch thanked Jody and the teen 4-H leaders. He also acknowledged and thanked Christine Jensen, our area Extension Agent for leadership opportunities she provides to the youth of Emery County.

(2)

**DELENA FISH, WFS, QUARTERLY REPORT**

Delena Fish, Workforce Services reviewed with the Commissioners the activity of the Workforce Service Office. Dale Roper recently retired. Wayne Tuttle has assumed Dale's duties within the department. They have hired an employment counselor, Barbara Petersen. Delena reviewed future training opportunities in the mining and medical field. There has been an increased need for nurses in our area. The energy field is looking for better trained workers for the mines.

(3)

**LARRY SALAZAR, EMERY TELCOM, QUARTERLY REPORT.**

Larry did not attend the meeting.

(4)

**RATIFICATION OF NATIONAL FFA WEEK PROCLAMATION AND REQUEST FOR DONATION FOR EMERY CHAPTER FFA ANNUAL BANQUET.**

On Friday, February 25, 2005 the Board of Commissioners met with Emery Chapter FFA members. They provided a treat for the Commissioners and reported on FFA activity. They requested the Board of Commissioners support for National FFA Week and requested a donation for the Emery Chapter FFA Annual Banquet. Because of scheduling problems the students were not able to attend the regular Commission Meeting. Therefore, they asked that the proclamation declaring National FFA Week, February 28 through March 5, 2005 be signed. Commissioner Gary Kofford made a motion to ratify a proclamation declaring the week of February 28, through March 5, 2005 as National FFA Week in Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The request for donation will be considered at another time.

(5)

**CITIZEN CONCERNS**

Commissioner Gary Kofford under a directive from the Commissioners and Public Lands Council has directed a letter to five congressmen asking for their support regarding the Price BLM Resource Management Plan. It was suggested that the Commission letter be separate from the letter from the Public Lands Council. Commissioner Gary Kofford made a motion to authorize the Emery County Board of Commissioners to sign letters to the five congressmen regarding the Price BLM RMP and to authorize Dennis Worwood to sign a letter from the Emery County Public Lands Council for the same purpose. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**RATIFICATION OF BID AWARD FOR ROAD DEPARTMENT DIESEL FUEL.**

As directed in the last Commission Meeting, the bids for diesel fuel have been calculated and were awarded to the lowest bidder, Pierce Oil/BK's. The bid award needs to be ratified. Commissioner Drew Sitterud made a motion to ratify the bid award for Road Department diesel fuel to Pierce Oil/BK's. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List #167914 through and including #168024 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
17-05	Color Laser Printer and scanner Library-Donation	2,465.25	Approved
18-05	Gas Monitor with sensors Landfill	1,645.00	Approved
19-05	Light Fixtures and bulbs Weed/Mosquito	911.72	Approved

Dispositions were presented for the following:

580-5494 Hoover Vacuum, 580-7218, Hoover Vacuum, 580-6268, Hoover Vacuum.  
All approved.

Commissioner Drew Sitterud made a motion to approve the Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Treasurer

Chris Hansen, Deputy Treasurer, is eligible for his routine grade increase in compliance with the policy and is recommended by Treasurer, Steve Barton. If approved the increase will be effective the pay period of March 14, 2005. Commissioner Gary Kofford made a motion to approve the grade increase for Chris Hansen as per policy. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

4

COMMISSION MEETING MINUTES  
MARCH 1, 2005

(9)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated February 15, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(10)

**COMMISSION REPORTS**

Commissioner Kofford

Commissioner Kofford reported on a meeting with WildLand Urban Fire Interface. Last year House Bill 146 was passed that requires training sessions for certification. The training will be either March 11, or 18, 2005.

Commissioner Sitterud

Commissioner Sitterud met with the committee working on the television grant. The grant will be for three million to be used for equipment only. The equipment will become the property of the county and will be maintained and insured by the county. Funds will be dispersed in trimesters at approximately \$650,000.00 per trimester. The group will meet with the CIB in April to begin the process.

He reported on a RS2477 meeting. Emery County has currently one road in quiet title and are in notice of intent to sue.

He attended the Green River Economic Summit. It was well attended.

Emery County Recreation Special Service District will be going to CIB for funding of future Recreation District projects.

He reported on recent discussion to close some state parks in the state two of which are in Emery County. The parks will not be closed they are now fully funded.

Commissioner Hatch

Commissioner Hatch reported on a recent visit by delegation from the Emery High FFA Chapter.

5

COMMISSION MEETING MINUTES  
MARCH 1, 2005

He attended an information meeting with UPL representatives on Electric Lake regarding resolving the problems there.

He attended a meeting with Pat Gubbins and Sally Wisely, BLM Price Field Office where he received an update on the RMP process and solicited the County's concerns regarding the RMP.

He attended a UCIP board meeting in Salt Lake City and also a SITLA Board open house for past and present board members. They had a rural caucus where he was able to make some good contact with legislators.

He attended a Weed Conference in Cedar City with James Nielsen.

(11)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

(11)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 15, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF INCLUDING DAGGETT COUNTY IN THE EASTERN UTAH TELEVISION AND TECHNOLOGY ASSOCIATION.**

Commissioner Sitterud explained that the Eastern Utah Television and Technology Association was created by five counties, Emery, Carbon, Duchesne, Uintah, and San Juan. The association was created to more efficiently provide television and related technology services for their citizens. With the association in place they can prepare and submit applications for loans or grants to funding organizations or sources such as the federal government, state of Utah and CIFB. Funds may be used for equipment only. The maintenance of the system and equipment will be the responsibility of the county where located in accordance with maintenance agreements. The Inter local Cooperative Agreement which has been signed by each of the counties affected provides for adding other counties to the association by a majority vote of the association representatives. Daggett County has expressed a desire to participate in the association. Each of the counties must vote on whether to add Daggett County to the group. Adding Daggett County will add \$200,000.00 to the three million dollar request already made to the PCIB. It will not affect the status of the request. Commissioner Gary Kofford made a motion to allow Daggett County to join the association and be under the same requirements as the other counties in the association. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**DISCUSSION OF DISPOSITION OF SCALES LOCATED AT THE PUBLIC SAFETY COMPLEX.**

Road Supervisor, Rex Funk explained that the old Morris scales located at the Public Safety Complex are no longer needed and are in the way. He has talked with two interested parties regarding removing the scales. The cost to remove the scales would be more than they are worth. He asked for approval to advertise in the paper to sell the scales. He did not anticipate any takers but maybe they could sell them for salvage. Commissioner Gary Kofford made a motion to advertise in the paper to sell the scales at the Public Safety Complex and if there is no one interested in buying them then to authorize Rex to remove the scales and haul to the landfill or salvage if possible. The motion was seconded by Commissioner Drew Sitterud and approved

by all members present.

(3)

**CONSIDERATION AND APPROVAL OF INTERLOCAL AGREEMENT BETWEEN EMERY COUNTY AND CITIES IN REGARD TO ADDRESSING.**

Jeff Guymon, IT discussed an inter local agreement between Emery County and the incorporated cities in the county in regard to addressing. Ferron, Orangeville and Emery are ready to sign the agreement. Other cities are close to being ready. He was in Green River recently where the city officials were very supportive of the change. They discussed changing wording in the contract as follows: under County's Obligations, number 3, add- "through the Emery County IT

Department". Under Participant's Obligations, number 5, add "within thirty days of the signing of this agreement". The signature page needs to have a signature line for each city official's signature. Commissioner Gary Kofford made a motion to approve an inter local agreement between Emery County and the cities in Emery County with the changes discussed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**APPROVAL TO ADVERTISE ROOF REPAIR FOR ROAD DEPARTMENT BUILDING.**

Road Supervisor, Rex Funk discussed a problem with a leaking roof at the Road Shop. Runoff from snow melting on the roof is leaking onto the power board system in the middle bay of the building. The Board of Commissioners discussed the need to replace the roof rather than fix the problem. Commissioner Gary Kofford made a motion to solicit bids to replace the roof at the Road Shop. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CITIZEN CONCERNS**

Commissioner Ira Hatch presented the Permanent Community Impact Board Local Capital Improvement List- short term and medium term for Castle Valley Special Service District. The list has gone to the Council of Governments for prioritizing and is now ready to be sent to the AOG to be submitted to PCIB for possible funding. Commissioner Drew Sitterud made a motion to approve the PCIB Local Capital Improvement List- short term and medium term for Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AGREEMENT FOR PUBLIC DEFENDER SERVICES.**

Commissioner Drew Sitterud made a motion to table this matter to allow for future information. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**SETTING OF MAY TAX SALE.**

Commissioner Drew Sitterud made a motion to set the May Tax Sale date and time for May 26, 2005 at 10:00 A.M. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #168142 through and including #168302 for payment.

One requisition was presented from the Sheriff's Department for Laptop Computer for Bill Downard in the amount of \$1,806.02.

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisition as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Pat Snowball presented the following Personnel action:

**Library**

Recruitment for two assistant librarians has been completed. There were 26 applicants and 7 were interviewed. Request was made to hire the following:

Marilyn Olsen- Elmo Library at 4A, part time, 16 hours/wk, no benefits, effective March 16, 2005.

Natalie Gardner- Cleveland Library at 4A, part time, 16 hours/wk, no benefits,

COMMISSION MEETING MINUTES  
MARCH 15, 2005

effective March 16, 2005.

Commissioner Gary Kofford made a motion to approve to hire Marilyn Olsen and Natalie Gardner as assistant librarians in the Elmo and Cleveland Libraries as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Economic Development

Mike McCandless will complete his six-month orientation period on March 22, 2005. It is recommended that he receive a 2% wage increase effective the next pay period, March 28, 2005. Mike will also assume the duties of the Planning and Zoning Administrator effective immediately. If approved he will receive a 2% wage increase for the additional responsibility effective the next pay period March 28, 2005. If approved Mike will have to step down as board member on the Planning and Zoning Board. Therefore, you will need to advertise for a replacement board member. Commissioner Gary Kofford made a motion to approve a 2% wage increase for Mike McCandless for completing his six-month orientation period and receive a 2% wage increase for the added responsibility of assuming Planning and Zoning Administrator. Also to advertise for a replacement Planning and Zoning Board Member. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

IT Department

Two temporary, up to 90-days technicians have been hired, effective March 14, 2005, ending June 11, 2005. They are Tyrell Jewkes and Cody Powell. Commissioner Drew Sitterud made a motion to approve hiring Tyrell Jewkes and Cody Powell for up 90-days as technicians in the IT Department. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Request was made to give Mick Robinson a merit increase effective March 28, 2005. Commissioner Drew Sitterud made a motion to approve a merit increase for Mick Robinson effective March 28, 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Rex Funk, Road Supervisor discussed a problem he is having finding the temporary backup help he needs as landfill screener. He asked if it was possible to have a category designed for this type of temporary help. The person may only be needed occasionally, like when Mark Hymas or Ken Anderson need vacation or sick time. The person would have to be trained and willing to work on a call-in basis. Commissioner Gary Kofford made a motion to allow Pat Snowball to check into various temporary employee/job situations and to come back to the Commissioners with some suggestions. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

COMMISSION MEETING MINUTES  
MARCH 15, 2005

Pat Snowball asked for approval to fill-out a questionnaire for Utah County's Insurance Pool (UCIP) to aid in their putting together a health insurance bid package. She assured the Commissioners that UCIP is not asking for personal information about employees, just demographics to get an idea of the insurance needs of the county employees. Commissioner Gary Kofford made a motion to allow Pat to fill-out the questionnaire for UCIP. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve Commission Meeting minutes dated March 1, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**COMMISSION REPORTS.**

***Commissioner Kofford***

On March 29<sup>th</sup> at the Green River Senior Citizen Center, Congressman Jim Matheson's staff members will be available to answer questions regarding veteran affairs, medicare, social security, and other concerns.

On the 30<sup>th</sup> of March there will be a county fire plan progress meeting at 9:00 am.

Red Rock CERT (County Emergency Response Team) exercise in Moab on the 8<sup>th</sup> and 9<sup>th</sup> of April. Emery County will be sending participants to that exercise.

Recently Representative Matheson asked if Emery County had any road projects to put on a highway appropriation funding bill. We submitted two. One was for the road off Highway 24 from Hanksville Road up to Temple Mountain or the Goblin Valley turnoff. That was for 3 million dollars. The other was for the Moore Cut-Off Road which is under construction. We have done Phase 1 of that project. We have funding and will be working on Phase 2 in the near future. This would be for Phase 3 and 4 and to blacktop the whole seventeen miles of road. They did obtain funding for the Moore Cut-Off Road. Emery County's share would be \$500,000.00. It did pass through the House. It still has to go through the Senate. He asked for approval to write a letter of thanks to Representative Matheson for his consideration. And a letter of request for support to Senators Hatch and Bennett as that funding bill moves into the Senate for approval. Commissioner Drew Sitterud made a motion to approve writing a letter of thanks to Representative Matheson for his consideration and letters of request for support to Senators Hatch and Bennett as the funding bill moves into the Senate. The motion was seconded by

6

COMMISSION MEETING MINUTES  
MARCH 15, 2005

Commissioner Gary Kofford and approved by all members present.

*Commissioner Sitterud*

He and Jeff Guymon went to Green River and proposed the new addressing. They anticipated some flack because Green River will have to be changed a lot. We were received very well. No problems. They were in full support of the changes.

He, along with LaMar Guymon, Patsy Stoddard and Jan Petersen went to the Green River Museum to the opening of the Range Creek exhibition. The exhibit does not have a lot of items at this time but what is there is very interesting. This is just the start there will be more. It will tour the museums. The talks were interesting. Waldo Wilcox, Derris Jones and Duncan Metcalf spoke. KUED will air a program featuring Waldo Wilcox and the exhibition on March 31, 2005 at 8:30 pm.

He attended an open house at the horse ranch on Saturday. A woman who also works with horses purchased the property across the street. She has hunters jumping horses. They are interested in putting in a horse arena. They are waiting to see what Castle Dale City does with their plans to build an arena.

DWR Regional R.A.C. Bucks and Bulls will meet in Green River on Wednesday, March 16, 2005. It gets pretty wild. They have the ranchers on one side and the sportsmen on the other and it gets a little crazy.

*Commissioner Hatch*

We had a Employee Benefits Fair on Tuesday March 8, 2005. It was well attended. We had defensive driving certification, workshops from retirement, safety, workers comprehension and drug free work place. There were demonstrations in the parking lot. He thanked the Risk Management Team for putting the benefits fair together.

He attended a UDOT planning meeting for our specific area. They heard from Bret Hadley, Local Government UDOT representative who went over proposed projects to get on the state transportation improvement projects list.

He, LaMar Guymon and Mike McCandless met with Emery County Travel Council in Green River on Wednesday, March 16, 2005.

(12)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

COMMISSION MEETING MINUTES  
MARCH 15, 2005

Commissioner Drew Sitterud made a motion to move into an Executive Session to discuss possible litigation and personnel matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Present at Executive Session was Commissioner Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Public Lands Director Ray Petersen and Deputy Clerk/Auditor Carol Cox.

Discussed was pending litigation matters.

Ray Petersen left the meeting.

Discussed pending personnel matters.

**(13)**

**ADJOURNMENT**

Upon returning to the regular Commission Meeting, Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 5, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Sheriff LaMar Guymon, Deputy Attorney Allen Thorpe, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION OF SALE OF COUNTY OWNED PROPERTY PARCEL # 1-50B-6.**

Commissioner Hatch read a letter from the Lee and Hazel McMullin Trust. Mr. McMullin recently passed away and the family is in the process of preparing the estate to sell the property. There is a piece of property owned by the county that the family would like to purchase. It is 1.08 acres on the corner of a hayfield that they own. Emery County acquired the property from a tax sale a few years back. There is a discrepancy with the property description that needs to be corrected. A title search will need to be done to determine the county's clear title on the property then we will need to advertise and place the property up for bid. Other adjoining property owners will need to be notified that the property will be up for bid to be sold. All interested persons can then bid on the property. Commissioner Drew Sitterud made a motion to advise adjoining property owners of the county's intent to dispose of the property. To advertise that the property will be sold to the highest bidder. The minimum acceptable bid will include all expenses incurred to prepare the property to be sold. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**SHARON EARL, EMERY COUNTY CHAMBER OF COMMERCE, DISCUSSION OF CHAMBER ACTIVITIES AND REQUEST FOR COUNTY SUPPORT.**

Sharon Earl, Emery County Chamber of Commerce, came before the Board of Commissioners to request county support for chamber activities.

\*\* Emery County Chamber of Commerce's Business Directory and Information Guide was presented to the Commissioners. The guide is just in a draft form for now. They are hoping to find the funds to have the directories printed. The directories will be available in various locations in the county and mailed to individuals requesting information on Emery County. Mike McCandles stated that there are Small Business Development funds available from the Association of Governments through the Applied Technology College that could possibly be used to print the directories.

\*\* Senior Citizen Christmas Dinner. The Chamber did not spend all of the allocated \$800.00 due to the fact that the weather was bad and Green River senior citizens were not able to attend.

The

COMMISSION MEETING MINUTES  
APRIL 5, 2005

Chamber requested using the remainder of the allocated funds to host a BBQ sometime in May for the Green River Senior Citizens and any senior citizens from the rest of the county who would like to attend. Commissioner Gary Kofford made a motion to approve the Chamber's request to use the remaining allocated funds to host a BBQ in Green River for all Senior Citizens. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

\*\* Use of Channel 26. Channel 26 is owned and operated by Emery County. Advertising for a non-profit, community event is free. Advertising for businesses is \$30.00 a month. The Chamber would like to promote/spotlight businesses in the county but cannot afford to pay the \$30.00 a month. They asked to utilize Channel 26 for promoting/spotlighting businesses in the county. The Commissioners pointed out that the fee for business advertising is according to county policy.

If the Chamber were to list several businesses on one ad that could be considered as one business ad for \$30.00. Multiple ads would have to be looked at in the policy and the Commissioners will take their request under advisement. The Chamber's other option for the promotion of businesses in the county is to use displays to spotlight businesses and place the displays in high traffic areas in the county such as the courthouse lobby. They intend to spotlight every business in the county throughout the year. Commissioner Gary Kofford made a motion to allow the Chamber to place a display in the courthouse lobby with the request that the display be maintained on a regular basis. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Sitterud requested to have the Chamber use their displays in the County's booth during the County Fair also.

\*\* Lamb Fry. The Chamber of Commerce does the Lamb Fry during the Pageant/Fair Days. This year there have been some changes in that the fair has been pulled back to three days. The chamber is considering moving the lamb fry to an area near the pageant site. They would like to construct a village like atmosphere with vendors, attractions, the lamb fry, etc. Last year they served 4,000 people at the lamb fry. There were over 25,000 people who attended the pageant. They feel that the lamb fry will do much better if it is in the traffic flow of the pageant attendees. She felt that they were not coming anywhere close to what the lamb fry could do. This pageant is one of three in the United States and she feels personally that Emery County is doing a very bad job of supporting that event. She felt that pageant attendees were not being given anything. She was told that last year we went without and nobody cared. The ramifications of not having a lamb fry will be shown this year and next year. She felt that people will go home and say that they had no fun here, that we had nothing to offer them. Commissioner Hatch disagreed with her stating that the LDS church came to the Commissioners and asked them to have the fair dates coincide with the pageant dates. Emery County has supported the fair. It is not the County's fault if the lamb fry is going kabunk. For several years the county bank rolled the lamb fry. Commissioner Hatch felt it would enhance the lamb fry by having it in conjunction with the fair. Sharon asked if the Commissioners could explain why the lamb fry is not attracting more of the people attending the pageant. Commissioner Hatch answered that he felt it was because people cannot afford to pay the \$7.00 or \$8.00 a plate to take their whole family to the lamb fry. Commissioner Sitterud commented that the fair is more than three days. The rodeo runs for two

COMMISSION MEETING MINUTES  
APRIL 5, 2005

days. The pageant does not run on Monday, Tuesday there is nothing, Wednesday the fair begins.

When the lamb fry was held at the Castle Dale City they served 10,000 people and when they moved the lamb fry to the rodeo grounds those numbers dropped significantly. Commissioner Hatch explained that the fair was moved to the rodeo grounds because the board of health told us we had to. You would be facing the same problem up at the pageant site. You have to have facilities to serve the public. Sharon asked what the county is doing to accommodate the 20,000 people who come into our community for eight days. Commissioner Hatch stated that the pageant is the drawing card for the fair. If the fair committee has some things that they want the commission to look at to support activities going on during the fair then they need to make those recommendations. Commissioner Hatch feels personally that the county has improved the fair considerably. We all want to see Emery County grow. If the Chamber has something specific that they want the county to do then they need to get with us.

**(3)**

**CITIZEN CONCERNS.**

Ray Petersen, Public Lands Director informed the Commissioners that State Parks will be advertising for a Season OHV Volunteer Coordinator.

Commissioner Hatch read a letter from Royce Gillins who is working on his Scout merit badge. Royce asked to have a copy of the current county budget e-mailed to him and he will be attending the public hearing to witness the working of local government.

Commissioner Drew Sitterud made a motion to come out of regular commission meeting and move into a scheduled public hearing to receive comment of mental health and substance abuse needs in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)**

**5:00 P.M.- PUBLIC HEARING- To receive public comment on mental health/substance abuse needs in Emery County.**

Commissioner Hatch turned the time over to Bob Greenburg, Director of Four Corners Behavioral Health. Mr. Greenburg explained that as part of their annual planning process they must bring their plan for meeting mental health and substance abuse needs in Emery County before the local body of government for review in a public setting. He reviewed statistics and programs available to the citizens of the county. He talked about prevention programs and

COMMISSION MEETING MINUTES  
APRIL 5, 2005

problems associated with funding shortages. He introduced Jennifer Thomas who replaced Emery Jones. Jennifer introduced staff members who were in attendance. Also in attendance were board members Kent Wilson and Glen Johnson. Comments and questions were received by the public. Steve Barton asked if the statistics quoted were averages, state wide, per capita. Mr. Greenburg indicated that they were averages state wide. He commented that Emery County is well ahead of the game compared to the rest of the state. Over time funds have shifted to other parts of the state. His department provides more services per capita because they have more resources. Sharon Earl asked if funding is based on the number of patients that they see. Mr. Greenburg indicated that funding is not based on patients but is assessed evaluations and population. Commissioner Kofford read a letter the Commissioners received. The letter was from a mother with ADD/HD and how the Wrap Around Program has helped her and her family. Mrs. Bob Hill commented on how the programs offered by Four Corners has helped their son. They especially praised their family advocate and asked for continued support of the programs offered there.

In Mr. Greenburg's final comments he praised his staff for their amazing ability to provide more services with less staff. He hopes that they will be able to keep that up and they will continue to find ways to keep providing these services. There have been some tragic years in the number of young people who have taken their lives. They are working to provide better prevention programs. There will be enormous challenges ahead. Government is cutting into mental health. They are already seeing the beginning of these cuts. He hopes that they will be able to continue to provide the quality of services that the county and its citizens have come to know and expect. Commissioner Sitterud commended Mr. Greenburg and his department for the Drug Court program which has been a very successful program in the county. Commissioner Hatch stated that Emery County will continue to support the Four Corners Mental Health/Substance Abuse Program. He thanked Mr. Greenburg and his staff members for attending the meeting.

Commissioner Drew Sitterud made a motion to come out of the Public Hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to come out of the regular meeting and into a public hearing to receive public comment on proposed ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and establishing regulations. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**5:30 P.M.- PUBLIC HEARING- To receive public comment on proposed Ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and establishing regulations related thereto.**

COMMISSION MEETING MINUTES  
APRIL 5, 2005

Commissioner Hatch presented opening comments. We have been involved in this process for several years. We have had some good people working on this project through the Access Management Council and Emery County Public Lands Council. Bruce Wilson, Chairman of the Public Lands Council, is here tonight as well as several over lay council members. The purpose of this public hearing is to receive public comment on the proposed ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and establishing regulations. This is the document that will be the governing document to the specifics. Of most interest to many of you here will be the routes that will be designated closed or open by Emery County. These are county roads and routes. The BLM has routes and roads that they have jurisdiction on. We are working diligently to receive ownership and ROW to the bulk of the roads that we feel are included. We will discuss the ordinance first and if there is time we will discuss particular routes.

He turned the time over to Ray Petersen, Public Lands Director. Mr. Petersen reviewed the draft ordinance. The draft was generated by the Public Lands Council and Safety Review Committee who has taken recommendations and incorporated them into the proposed draft ordinance. He referred to Utah Code 41-22-10.5 regarding to vehicles-local ordinances. Utah State code allows Emery County or cities to adopt ordinances that designate open routes for specific purposes. These routes may not be along, across, or within the boundaries of an interstate freeway or limited access highway. Highway 10 is a limited access highway. A person may not operate an off-highway vehicle on any street or highway for any other purpose than to gain direct access to or from a private or public area open for off-highway vehicle use. Sub section three does not apply to off-highway implements of husbandry when used in accordance with said section. This would mean farm equipment. It was the recommendation of the Public Lands Council and Safety Review Committee that a valid Utah drivers' license be in possession of operators operating on county roads.

Comments relating to the draft ordinance were from the following:

James Nelson, asked about pushing snow from driveways and parking lots with an ATV in the city.

Fred Hays, recommended that age limits as specified in section two should not be split out. This breakout is inconsistent with Utah Code.

Owen Olsen, cautioned that ordinances are destroying our freedoms.

Scott Wheeler voiced his concern for age restrictions.

Boyd Wilson felt that we should stay with state law regarding age restrictions and supervision because of safety issues.

COMMISSION MEETING MINUTES  
APRIL 5, 2005

Eric Luke expressed concern for age restrictions and the need for supervision.

Mike McCandless suggested determining the surface of the road when determining age restrictions.

Commissioner Hatch asked if there were anymore comments regarding the ordinance itself. After which, comments were received regarding recommended county roads which do not provide access to private or public areas open for off-highway vehicle use, and as such, do not comply with state law. These were the county roads suggested by the Public Lands Council and Safety Review Committee:

111 Victor Cemetery  
113 Day Spur  
302 Mohrland Rd. From SR-10 to Ferron State Park  
316 North Huntington Bus Loop  
317 Sherman/Larsen  
318 Wilson/Brown  
319 Sherman  
321 West Huntington Lake  
328 Lawrence/Cleveland from junction with 202 to junction with 332  
330 Buffalo Bench Loop  
Des Bee Dove from SR 29 to BLM boundary above 417  
422 Hunter Plant Bypass  
423 Jeffs Spur  
425 Fish and Game Farm  
504 Orangeville Cemetery route on private land?  
510 Justesen Farm  
602 Clawson Bench  
606 Ralphs Spur  
612 Muddy Lane from Molen Road to the northern end  
801 Moore Old State Rd. From downtown Moore, north to end.  
906 Emery Old State  
910 Twist Spur  
926 Little Black Mountain Not open. Park policy is "Licenced vehicles with licensed driver only within Capital Reef National Park"

Randal Stilson reported that Orangeville City received a lot of input from all types of users before the city considered a city ordinance. He thinks, personally, that all roads can be open through law enforcement. He encouraged the Commission to make a decision on a county ordinance and not use any more committees.

COMMISSION MEETING MINUTES  
APRIL 5, 2005

Tom Lloyd read a comment from Mesia Nyman, USFS, who urged the Commissioners to complete the connecting of communities to public lands. The connecting of BLM and Forest land can be imperative to attracting recreation visitors and customers to our area. Connecting communities to communities is vital.

Mark H. Williams, SEUOHV Club commented on the growth of the ATV population in Emery County. He suggested keeping Bott Lane open to connect users to Orangeville and the well trails and rock canyon. Buckhorn Wash is a very popular area for campers and ATV users as well as provides access to the Swell. Ferron Canyon road connects to the Arapeen Trail. He felt education and appropriate signing is the best way to enhance safety.

Dixon Huntington commented from the cattle grazers perspective. He is opposed to the ordinance. He expressed concern for age restrictions and the criteria used for safety issues. He also had concerns for the damage to natural resources.

James Nelson recommended a staging area near the golf course in Ferron Canyon.

Ramal Jones would like to see the Buckhorn Wash road be left open. Bott Lane may be a busy road but not too busy for users to access communities. He doesn't want the county to ignore the recreation opportunity that the ATV users can benefit from.

Richard Beardall, USALL, commented on the suggested closing of Buckhorn Wash, Bott Lane and Ferron Canyon Road. These roads provide access to popular areas of use.

Mike McCandless, Economic Development, recently had an opportunity to show Emery County Travel literature to over 1000 visitors at an outdoor recreation show in Salt Lake City. He had many inquiries regarding recreation in our area. Like it or not we will see an impact as a result of recreation in our county. He expressed the need for county roads to tie into the BLM Price Field Office Resource Management Plan. He also expressed the importance for staging areas.

Glenys Sitterud, Emery, stated that tourism and recreation is the biggest money market in America today. Emery County has got to get on board. She urged the Commissioners to have trails and routes usable and the shortest route possible to access areas of use.

Merlin Christensen urged the Commissioners to not drag their feet and get these roads accessible for ATV use. Tourism is growing. He would like to see access to Link Canyon, Muddy Creek and Miller Canyon.

Wade Allinson urged the Commissioners to not close roads without data to substantiate the closure. He suggested leaving the roads open for a year and do a study to see what safety issues arise. He encouraged the Commissioners to look further into the implement husbandry law as it is not as liberal as it come across to be.

COMMISSION MEETING MINUTES  
APRIL 5, 2005

Reed Martin commented that he was one of the few people in the county who does not own an ATV, but he does have a jeep and hikes and bike rides a great deal on the Buckhorn. He wants to see the roads left open. He felt it was dumb to have to roads closed in certain areas because of having to load the equipment onto a trailer to move down the trail/road and unload again. He also expressed concern for safety issues.

Scott Wheeler expressed concern for the level of supervision as suggested in the ordinance. He suggested keeping with state law requirements. He also suggested removing the words ' trail and Class D Roads' from the ordinance.

Dale Bartholomew, Equal Access Alliance, suggested not creating a quagmire of which roads are open. He is a advocate for access to public land. As a tour guide he took tourist up Ferron Canyon and spent approximately \$2,200.00 for the amount of people that he had in the group. He estimated that the average person coming into this county as a tourist spends around \$200.00.

Jack Fielder expressed concern that if we close some of these roads we are locking out elderly people from access to these areas.

Glen Johnson, Mayor, Green River City, encouraged the Commissioners to pass the ordinance. He expressed concern for age restrictions and restoring family recreation.

Jerry Jones, Utah State Parks, Millsite State Park is open for OHV travel and access to trails and county roads and he hopes it stays that way. He felt that children need to be riding with adults/parents to foster safety issues. Parents and adults teach children by example.

Eric Luke had mixed emotions. Economically he sees the need to keep roads open. However, safety is an issue. It is written the draft document. Posted speed limits must be observed. He would like to see roads left open for family recreation use. Drivers not licensed must be supervised by adults. Closing roads will make outlaws out of otherwise outstanding citizens.

Gil Bowden, Mayor, Ferron City, does not see safety as a factor if the law is obeyed regarding posted speed limits. We need to educate children to not be on the roads without adult supervision. Unsupervised children destroy property. Educate local people and deal with the real issues and not close roads.

Jackie Wilson, Mayor, Huntington, has talked with Sheriff Guymon a great deal about this issue. Huntington City did pass an OHV ordinance contingent upon the county passing their ordinance. She agrees that there is still the issue of safety and law enforcement.

Randy VanBuren asked if there was a route from Castle Dale to the San Rafael desert.

There is not a route at this time.

Eric Luke ATV use is a big issue, there is no getting around it. He hates to see people doing things that they shouldn't. We need to police ourselves and not disobey the law.

After exhausting all public input at this time, Commissioner Drew Sitterud made a motion to return the to regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF ORDINANCE DESIGNATING EMERY COUNTY ROADS, STREETS, OR HIGHWAYS OPEN FOR OFF-HIGHWAY VEHICLES AND ESTABLISHING REGULATIONS RELATED THERETO.**

Tabled.

(7)

**CONSIDERATION AND APPROVAL OF GREEN RIVER CITY'S REQUEST FOR REIMBURSEMENT OF ANNEXATION COSTS.**

Mayor Glen Johnson of Green River was present to request reimbursement of annexation costs. According to Mayor Johnson \$18,500.00 needs to be reimbursed to Green River for the costs associated with the annexation. Commissioner Hatch pointed out that the county has paid Green River City over half, \$25,000.00, of the \$40,000.00 annexation costs. In the opinion of the Commissioners, the county's obligation has been more than met. Mayor Johnson contends that the county agreed to pay the costs associated with the annexation. The Commissioners contend that Emery County did not agree to pay all the costs. There are costs associated with the annexation that were not paid by Green River City, such as the costs to the Recorder's office for data and maps from Grand County and other costs associated with converting data.

Commissioner Gary Kofford made a motion to pay one half of the amount requested which is \$9,250.00. The motion died for lack of a second as Commissioner Sitterud felt that the county does not owe Green River City the money.

(8)

**CONSIDERATION AND APPROVAL OF FINAL PAYMENT TO TALON RESOURCES FOR EMPLOYEE CREDITS AS PER AGREEMENT.**

Commissioner Drew Sitterud made a motion to pay Talon Resources the final payment of \$15,731.00 as per agreement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for McKette Allred DBA: 6M Furniture. The business involves ordering furniture and having it delivered at the customers premise. The application has been reviewed and approved by Zoning Administrator, Bryant Anderson. Commissioner Drew Sitterud made a motion to approve a business license for McKette Allred DBA: 6M Furniture. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Commissioner Kofford discussed an ambulance write-off request from Cowlshaw. The ambulance bill was for her husband Bert Cowlshaw who was transported to and from the nursing home. Mr. Cowlshaw later died. Mrs. Cowlshaw used all their savings to bury her husband. She has paid \$437.67 of the bill and asks that the remaining \$345.50 be written-off by Emery County. Commissioner Gary Kofford made a motion to write-off the balance of the ambulance bill for Bert Cowlshaw. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**  
**DISCUSSION OF COUNTY AUCTION**

Commissioner Sitterud will come back to the next Commission Meeting with a proposed date and auctioneer for a spring county auction.

**(12)**  
**DISCUSSION OF MUSEUM OF SAN RAFAEL BOARD OF DIRECTORS**

This item was tabled to obtain more information.

**(13)**  
**RE-APPOINTMENT OF EMERY COUNTY HISTORIC PRESERVATION COMMISSION MEMBERS.**

Commissioner Drew Sitterud made a motion to re-appoint LaMar Guymon, Jan Petersen and Montel Seely to the Historic Preservation Commission. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Ray Petersen, Evelyn

11  
COMMISSION MEETING MINUTES  
APRIL 5, 2005

Huntsman, Shirley Spears and Reed Martin were appointed earlier this year to the Historic Preservation Commission. This action makes the board complete.

**(14)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #168552 through and including #168734 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
21-05	Electrical for ChemPak Rm Sheriff/Homeland Security Grant	2,625.00	Approved
22-05	Infocus Overhead Projector Sheriff/Homeland Security Grant	3,353.40	Approved
23-05	Infocus LP815-portable projector Sheriff/Homeland Security Grant	2,567.65	Approved
24-05	Cassette Recorder ,mic mixer, wiring Sheriff/Homeland Security Grant	6,623.80	Approved
25-05	Computer Sheriff/Homeland Security Grant	3,183.84	Approved
26-05	(3) Dodge Durangos @ 25,592. Sheriff	76,776.00	Appro ved
27-05	ImageRunner 1310 copier Justice Court	727.78	Approved
28-05	Dispatch Command Post Sheriff/Homeland Security	1,395.00	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford

12  
COMMISSION MEETING MINUTES  
APRIL 5, 2005

and approved by all members present.

**(15)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director, presented the following personnel action.

Road Department

Request was made to hire Dustin Deto, temporary up to nine months beginning April 6, 2005 and ending on or before December 31, 2005. He will not be eligible for benefits. Commissioner Gary Kofford made a motion to hire Dustin Deto, temporary up to nine months as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Economic Development

Commissioner Kofford explained that after consideration of action taken on March 15, 2005 to turn the duties of the Planning and Zoning Director over to Michael McCandless it was determined that Mike had his plate full and requested that action be rescinded. Bryant Anderson will remain the Planning and Zoning Director. Mike was given a 2% wage increase as compensation for the added responsibility. Commissioner Kofford suggested that Mike's wage remain the same as that approved in the March 15, 2005 meeting. Also, at that time Mike stepped down as a member of the Planning and Zoning Board. Commissioner Gary Kofford made a motion to rescind the action taken March 15, 2005 and for Michael's wage to remain the same, also Michael will be reinstated to the Planning Commission Board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated January 18, 2005 a Public Hearing for the Huntington Airport Improvement Plan as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve the Commission Meeting minutes dated March 15, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(17)**

13  
COMMISSION MEETING MINUTES  
APRIL 5, 2005

**COMMISSION REPORTS**

No reports.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(19)**  
**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 19, 2005

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Hatch was in Murray, Utah attending Utah Counties' Insurance Pool Coordinator's Workshop. Commissioner Drew Sitterud conducted the meeting and stepped down throughout the meeting to execute motions as needed.

(1)  
**CHUCK SEMBORSKI, ENERGY WEST, DISCUSSION OF REQUEST FOR OHV TRAIL THROUGH DES BEE DOVE MINE AREA.**

Tabled.

(2)  
**APPOINTMENT TO THE EMERY CARE AND REHABILITATION BOARD OF DIRECTORS.**

Commissioner Gary Kofford made a motion to appoint Connie Nelson to replace Louise Funk on the Emery Care and Rehabilitation Board of Directors. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)  
**CITIZEN CONCERNS.**

Commissioner Gary Kofford reported that PacifiCorp has presented a working design for the Hunter Plant coal yard road interchange to UDOT and the Planning Commission. The Planning Commission recommended adopting the plan. Hunter Plant Manager, Mark Mansfield and Engineer Kyle Singleton, reviewed the plans with the public. Mark indicated that everything now depends on State approval. They hope to begin work on June 1, 2005 and have the interchange completed in the fall. Commissioner Gary Kofford made a motion to accept the Hunter Plant coal yard interchange working design. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**DISCUSSION OF STORM DRAIN DISCHARGE AND PERMITTING FOR COUNTY FACILITIES AND ROADS.**

Road Supervisor, Rex Funk discussed a letter he received from the Department of Environmental Quality dated April 1, 2005. In a memo to the Commissioners dated April 12, 2005 Rex explained that the county is to obtain a plan and permit for storm water discharges from roads, properties and sites conducting industrial activities such as landfills and vehicles maintenance facilities. He indicated that this is another overwhelming mandate from the State and will require specific site plans and permits signed by a State registered professional engineer. He envisioned having site specific plans and permits for the landfill, Castle Dale Road Shop, Weed and Mosquito, plus Green River Road Shop. He cited references from an earlier letter dated March 21, 2005 from Michael Fazio, State Hydraulics Manager. This letter seems to follow the "theme" of storm water discharges except his policy focuses on effects from offsite discharges into state storm water collector systems targeting roads and structures transmitting storm waters. This of course means that we (the county) will need extensive engineering assistance. He asked for advise on how to proceed with this latest State development.

Commissioner Gary Kofford made a motion to allow Rex to look into the cost and procedures for this latest state development. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(5)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Chief Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #168902 through and including #169036 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
29-05	P4 512M Computer Library/Donation	1,061.28	Approved
30-05	(7) HP 5590 Scanners Library	2,402.75	Approved
31-05	Alignment apparatus for lift system Highway	12,000.00	Approved

3

COMMISSION MEETING MINUTES  
APRIL 19, 2005

32-05	Lift System Highway	43,500.00	Approved
-------	------------------------	-----------	----------

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball attended the UCIP Coordinator's Conference with Commissioner Hatch. Commissioner Drew Sitterud presented personnel items for review by the Commissioners.

Sheriff's Office

The Sheriff is recommending that Dusty Butler be promoted to the Jail Sergeant, the position vacated by Steve Stream. Dusty would go from Corrections "corporal" 12K \$14.49/hr to Jail Sergeant grade 17 and the Sheriff's recommended step is I \$17.25/hr., which would be effective the pay period beginning April 25, 2005.

Nicole Deabenderfer is eligible for her routine wage increase from 6F \$9.78/hr. To 7F \$10.21/hr. Effective the pay period beginning April 25, 2005,

Commissioner Gary Kofford made a motion approve proposed personnel action for Dusty Butler and Nicole Deabenderfer as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present

(7)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve Commission Meeting minutes dated April 5, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**COMMISSION REPORTS**

Commissioner Gary Kofford

COMMISSION MEETING MINUTES  
APRIL 19, 2005

Commissioner Kofford reported that there will continue to be fire planning meetings. The next meeting is scheduled for April 27, 2005 at 10 a.m.

*Commissioner Drew Sitterud*

Commissioner Sitterud reported that the Range Creek exhibit held recently at the Museum of the San Rafael was well attended. There were approximately 150 people who attended. He heard many good comments.

(9)

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

(10)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 3, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RATIFICATION OF APPROVAL FOR PACIFICORP'S WORKING DESIGN FOR THE HUNTER PLANT COAL YARD ROAD INTERCHANGE WHICH WILL BE SUBMITTED TO UDOT.**

Commissioner Gary Kofford made a motion to ratify the signing of the working design for the Hunter Plant Coal Yard Road Interchange to be submitted to UDOT. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF ORDINANCE DESIGNATING EMERY COUNTY ROADS, STREETS, OR HIGHWAYS OPEN FOR OFF-HIGHWAY VEHICLES AND ESTABLISHING REGULATIONS RELATED THERETO.**

Commissioner Gary Kofford made a motion to adopt an ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and establishing regulations related thereto with a disclaimer in section seven that states that all roads are closed unless designated as open through mapping or signs. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**PATRICK GUBBINS, BLM, QUARTERLY UPDATE.**

Patrick Gubbins, BLM, provided the following update of BLM activity:

- + Their Resource Management Plan is in the public comment phase.
- + The Wedge Overlook EA is not complete. There will be an open house to gather public comments. The process is on schedule for the end of May.
- + They will be hiring a Lead Coal, Mining Engineer position. This position will be shared with the Forest Service on a 75% BLM and 25% FS basis. They will also be hiring a geologist. This will be a BLM position.
- + They will hold a State Resource Advisory Council meeting on June 13-14, 2005 in Castle Dale. They are putting together a half day field trip somewhere in the

county.

(4)

**MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Mesia did not attend the meeting.

(5)

**DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR, provided the following update of division activity:

- + They have a new director, Jim Karpowitz.
- + Drew Sitterud will re-apply to the Southeastern Resource Advisory Council for another two year term.
- + Currently the access road to Range Creek is closed for another two to three weeks. Even after the road is accessible the water may be too high to allow access until at least June. Those citizens wishing to visit Range Creek may obtain a day use permit by accessing the DWR website. Sales of day use permits shut off at twenty eight for that particular day. They are looking into involving the three local museums by providing computers at the museums to allow access to the website to purchase the day use permits.
- + Habitat projects are in full swing.
- + Range conditions are improving daily.

(6)

**CITIZEN CONCERNS.**

Road Supervisor, Rex Funk discussed a need to replace windows and a new door at the landfill facility. They have a problem with glare on the screening equipment. Therefore, they need glare proof windows. Rex received bids from two vendors to install the windows and door. The bids were from Stilson and Sons for \$1,553.00 and Robert Allen and Sons for \$1,350.00. Rex indicated that he has \$2,000.00 in his budget for this project. Commissioner Gary Kofford made a motion to award the bid for the window and door replacement to the low bidder, Robert Allen and Sons for \$1,350.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Sitterud discussed a situation with the radio translators. Bret Mills indicated that

COMMISSION MEETING MINUTES  
MAY 3, 2005

KSOP is no longer on the air as the translator is down. The translators are all over 25 years old and the parts are no longer available. The next translator failure could possibly be the FM 100 translator. To replace the translators would cost about \$4,500.00 for each translator.

Commissioner Hatch suggested that Bret put together a proposal for replacing the translators to present to the Commission for consideration.

(7)

**APPROVAL OF AMENDING EMERY COUNTY PERMANENT COMMUNITY  
IMPACT BOARD LOCAL CAPITAL IMPROVEMENT LIST.**

Commissioner Sitterud indicated that the TV Communications group is going before the PCIB Board next week asking for a 2.9 million dollar grant to replace all the TV stations with digital signal. They did not realize that the request was not on the Community Impact Board request list. A request from the MBA was on the high priority list so the TV Communications request could be moved to that spot on the list. Therefore, they need to move the TV Communications request from the medium term list to the high priority list. He will need a letter from the Commission to take to the PCIB Board stating that the grant request has been moved to the high priority list. Commissioner Sitterud made a motion to move the TV Communications grant request from the medium term list to the high priority list and have the Commission write a letter to the PCIB Board stating that the Commission has done the process. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**DISCUSSION AND APPROVAL OF MUSEUM OF THE SAN RAFAEL BYLAWS AND  
APPOINTMENT OF BOARD MEMBERS.**

Tabled

(9)

**DISCUSSION OF SUPPORT FOR NEW SWIMMING POOL.**

Commissioner Sitterud relayed a discussion with Castle Dale Mayor Neal Peacock. At the end of this swim season Castle Dale City will close the swimming pool and tear down the building. Castle Dale City and Commissioner Sitterud approached the Recreation Special Service District to see if they would be interested in taking on a new swimming pool. The district voted unanimously to look into the process. Castle Dale City will give the district \$10,000.00 a year for fifteen years to help with the project. The city also felt that the donation be based on the School District's willingness to donate land near the High School for a new swimming pool so it could also be used for school activities such as a swim team. They approached the School Board with the proposal. However, the School Board did not say no, but they were not in high favor

COMMISSION MEETING MINUTES  
MAY 3, 2005

of the proposal. The School Board will let them use the parking lot if the land adjacent to the parking lot could be obtained. The School District is willing to put up property to negotiate a trade to get the land needed. Commissioner Sitterud asked for support to look into the process further. If everything falls into place the Recreation District hopes to go to the PCIB for help with funding in January 2006 for April 2006 funding.

Commissioner Drew Sitterud made a motion to support the concept of constructing a new pool. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**BID OPENING AND CONSIDERATION AND APPROVAL OF BID AWARD FOR REPLACEMENT ROOF AT THE EMERY COUNTY ROAD DEPARTMENT BUILDING.**

Commissioner Gary Kofford indicated that advertising was done to compile bids for replacement roof at the Emery County Road Department building. Five contractors were present at a mandatory site showing. Three contractors submitted bids as follow:

Stilson and Sons for \$28,119.00

Summit Roofing for \$28,800.00

Bob Harvey Roofing, Inc. for \$35,654.00

Commissioner Kofford indicated that re-roofing the building had been budgeted for in a two year phase, \$20,000.00 for this year and \$15,000.00 for a new cool/fan system. So there is \$35,000.00 in capital replacements for the replacement of roofing for that building.

Commissioner Kofford felt it was in the best interest of the county to replace the whole roof this year. Commissioner Gary Kofford made a motion to award the bid to Stilson and Sons with the low bid of \$28,119.00 replacing the whole roof at the Road Department building. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF REQUEST.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented a request for an ambulance write-off. This was a non transport. Usually the insurance company will deny the charge if the patient was not transported. This was a husband and wife who were treated by the ambulance but not transported. The insurance paid for all the supplies used. The patient has paid some on the bill. Commissioner Sitterud made a motion to abate one of the transport rates \$243.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

COMMISSION MEETING MINUTES  
MAY 3, 2005

Business licence applications were presented for the following:

Jordan Jay Leonard DBA: Millsite Golf Course Pro Shop

Gerald D. Stotter DBA: The Ole' Millsite Restaurant

Blaine Luke DBA: Trail Mountain Resort

Zoning Administrator, Bryant Anderson has reviewed and signed the applications.

Commissioner Drew Sitterud made a motion to approve the business license applications as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF 2005 CHARITABLE AND RELIGIOUS PROPERTY TAX EXEMPTIONS.**

The 2005 Charitable and Religious Property Tax Exemption List was presented for review and approval. Commissioner Gary Kofford made a motion to approve the 2005 Charitable and Religious Property Tax Exemption List as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Copy of list attached.

(14)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 169154 through and including #169261 for payment.

Requisitions were presented for the following:

<u>REQUISITION#</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
33-05	Refrigerator Sheriff	\$498.95	Approved
34-05	Software for Deed Plotter Recorder	689.00	Approved
35-05	(3) Computers IT	3,183.89	Approved
36-05	Windows and Door replacement Highway	1350.00	Approved

6

COMMISSION MEETING MINUTES  
MAY 3, 2005

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following personnel action:

Request was made to recruit for a building inspector with ICC residential and commercial certification. This is a full time job eligible for benefits. The wage will be based on experience and certification. Commissioner Gary Kofford made a motion to proceed to advertise for a full time building inspector. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated April 19, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(17)**

**OTHER BUSINESS**

Commissioner Kofford discussed the mandate by the State Department of Environmental Quality to plan and permit sites in the county with storm water discharges. Rex figures there are four identified sites in the county. Emery County Landfill, Castle Dale Road Shop, Weed and Mosquito Shop Yard and Green River Road Shop need to be identified and send in the \$500.00 per site to register the sites. Failure to register a site is a \$10,000.00 per day penalty. Commissioner Gary Kofford made a motion to send in the \$2,000.00 to register the four identified sites in the county and allow Rex to proceed with this process. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(18)**

**COMMISSION REPORTS.**

*Commissioner Sitterud*

COMMISSION MEETING MINUTES  
MAY 3, 2005

Commissioner Sitterud reported on his recent attendance at UAC meetings. He was made aware of an opportunity to obtain funds to finish the corner markers in the county. Randy Jensen has purchased property in Huntington to put in a call center that will employ approximately twenty people. The landfill in Green River has had some interest again. They have a road way right-of-way from the BLM. They are just waiting for a railroad access right-of-way. The AOG had a loan out to a company in Blanding that defaulted on the loan. They put their equipment out to bid and Guymon's Machining in Cleveland got the bid on that equipment. He was glad to see the equipment go to a local company.

Carbon County had a manufacturing company that wanted to locate there. However, they were not able to locate there because Utah Power and Light was not able to provide enough power to them. It would have been very costly. They would have provided about two hundred jobs to the area. They needed as much power as Salt Lake International Airport would need.

*Commissioner Gary Kofford*

The Economic Development Council has put together an education council to address areas that traditional schooling does not address such as paleontology. Several camps will be held this summer for Emery County students in several different subjects and age groups.

A Sub RAC group made a recommendation to the BLM regarding the campground at the Wedge. It was suggested to invite interested citizens to spend a Saturday out on the Wedge helping with projects.

*Commissioner Ira Hatch*

He recently meet with Sally Wisely and Pat Gubbins as well as other state people to start the Title V process.

He and Pat Snowball recently attended an Insurance Coordinators Conference.

He reported on the funding progress for projects in the county through the Joint Highway Committee and State Parks Commission.

**(18)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 17, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DENNIS OAKLEY, ENERGY WEST, DISCUSSION AND APPROVAL OF AGREEMENT TO TEMPORARY SUSPENSION OF THE RILDA CANYON ROAD.**

Dennis Oakley and Scott Childs, Energy West discussed plans for suspending Rilda Canyon Road. While the suspension is under construction they will limit road access to county officials, emergency responders, and state and federal officials. They expect the NEPA to be completed by July 15, 2005. Dependent upon permitting completion they hope to begin shortly afterwards. Commissioner Ira Hatch asked that a clause be included in the agreement stating that Energy West will contact Emery County Commissioners by letter to notify them of intent to begin construction. The Commissioners suggested modifications to the agreement as follows: adding a statement that will lift the restricted access in the event that Energy West delays construction, maintenance of the road all the way to the gate, the Trail Head parking area may be retained at the option of Emery County, said road re-establishment shall follow the reconstruction plans outlined in PacifiCorps mining and reclamation plans as approved by the Utah Division of Oil, Gas & Mining subject to the discretion of Emery County Upon review and discussion of the agreement Commissioner Gary Kofford made a motion to accept the agreement with Energy West for temporary suspension of the Rilda Canyon Road with the discussed modifications to the agreement. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF FOUR CORNERS REQUEST FOR SCHOLARSHIP DONATION TO ATTEND UNIVERSITY OF UTAH SCHOOL OF ALCOHOLISM.**

Commissioner Gary Kofford discussed a letter the Commissioners received. The letter was from Jennifer Thomas, Four Corners Community Behavioral Health. Jennifer requested a donation to send four individuals to University of Utah's School of Alcoholism June 19<sup>th</sup> through 24<sup>th</sup>. The classes cost \$188.00 per person at a total cost of \$752.00. Lieutenant Bill Downard from the Emery County Sheriff's Department commented that anything that the County can do to help would be of great benefit to their program especially for female needs in the county.

Commissioner Gary Kofford made a motion to donate \$752.00 to Four Corners to send four individuals to University of Utah's School of Alcoholism. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(3)**  
**RATIFICATION OF APPROVAL OF LANDFILL TRAILER DOOR AND WINDOWS.**

Commissioner Gary Kofford made a motion to ratify action taken in Commission meeting two weeks ago that awarded a bid to Bob Allen and Sons to replace windows and a door in the Landfill facility. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(4)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Bruce Funk, Clerk/Auditor presented the Warrant Check Edit List #169419 through and including #169567 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
37-05	Translator Communications	\$4,340.00	Approved
38-05	1000 Gallon Fuel Containment System/Highway- Green River	380.00	Approved

Dispositions:

Magnetic calendars #1192 from the Attorney's Office will be transferred to the Sheriff's Department for the jail.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to negotiate with North Emery Water Users to abate the water bill for Lawrence Cemetery. The motion was seconded by Commissioner Gary

3

Commission Meeting Minutes  
May 17, 2005

Kofford and approved by all members present.

(5)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

James Nielsen, Weed and Mosquito requested to hire two temporary up to 90 day workers as follows: Shaun Taylor beginning May 9, 2005 and ending August 5, 2005 at a rate of \$10.26/hr.

Dane Worwood beginning June 1, 2005 and ending August 29, 2005 at a rate of \$10.26/hr.

Commissioner Drew Sitterud made a motion to approve the up to 90 day temporary hires at Weed and Mosquito as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Mike McCandless, Economic Development requested to hire temporary up to 90 day help at the same rate as late year. The temporary help would begin on Monday, May 23, 2005.

Commissioner Gary Kofford made a motion to approve the up to 90 day temporary help for Economic Development as requested. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Rex Funk, Road Department proposed expanding the Road secretary job description to include intermittent assignments as Landfill Screener and approval is requested to have Brooke Riley, who is now 3/4 time, fill this position on a full time basis. She would be eligible for full benefits. Upon approval this would begin the next pay period of May 23, 2005. Brooke's wage would remain the same. Commissioner Gary Kofford made a motion to approve the expansion of Brooke's job description to include landfill screener and move her to full time with benefits as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Drew Sitterud made a motion to accept the minutes dated May 3, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**COMMISSION REPORTS**

*Commissioner Drew Sitterud*

Commissioner Sitterud reported that the TV group made up six counties, Carbon, Emery, met with the CIB Board last Thursday where they requested a 3.2 million dollar grant to replace the television analog signal with digital signal. The group was granted immediate funding for all funding needed to complete the project. The grant is over an above any prior or future funding requests by any of the six counties. The project will take a year to complete. Gand County was asked to join in on the group but at time declined to join because they do not have a facility for television. They now wish they had joined in the group. The federal government has told us that as of 2006 will not be able to broadcast the analogy signal. Older television sets that do not have the digital capability will not be able to pick up the digital signal without a converter. The television group will remain together for fifty years and will maintain the backbone of the system. The county must budget to set aside \$1,000.00 a month to contribute to the \$20,000.00 that must be held in reserve to maintain the backbone.

Public meetings were recently held in Cleveland and Clawson for the new addressing system. Clawson has signed the agreement. We are waiting for Cleveland's approval.

He recently met with Representative Johnson regarding a bill he is sponsoring. The bill will make the county of origin have the say in where items of historical value are placed. This will be of great interest to Emery County regarding the items recently found in Range Creek.

The Recreation Special Service District is in negotiations with Castle Dale City regarding the recreation building at the rodeo grounds. The Recreation District would like to extend the twenty-five year agreement with the City to fifty years with an automatic renewable twenty-five year extension.

The Recreation District recently gave Clawson Town a donation to construct a baseball field.

*Commissioner Gary Kofford*

Commissioner Kofford recently met with staff from Four Corners Behavioral Health regarding several of their projects. Staff leaders are going after several grants that will help keep the much needed programs going for another year.

He also recently attended Utah Division of Western Coal Miners Conference.

*Commissioner Ira Hatch*

Commissioner Hatch recently met with the county's health insurance advisor Jeff Kelsey. They discussed options for health insurance packages for employees.

5

Commission Meeting Minutes

May 17, 2005

He met with the Forest Service staff on their Forest Planning Directives and changes to the planning process.

**(8)**

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

**(9)ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER : \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 7, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk./Auditor Carol Cox, other elected officials and citizens. Commissioner Gary Kofford was out of town. Therefore, Commission Chairman Ira Hatch will step down throughout the meeting to execute motions as needed.

**(1)**  
**DELENA FISH, WFS, QUARTERLY UPDATE.**

Delena Fish, Work Force Services provided a quarterly update.

She reported that the department is at the end of their fiscal year and are in the process of conducting surveys on how the departments are meeting their goals that they set out at the beginning of the year. A review of the department surveys thus far were given to the Commissioners for review. The number of people entering the job market and retaining jobs is on the increase. They are receiving a good number of job orders from area businesses. Overall the job market is improving in Emery County. Truck drivers are in high demand at this time. She informed the Commissioners that changes are coming for youth programs. She may soon be asking for assistance from the Commission for worksites for participants in the youth programs.

**(2)**  
**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull, Utah Power provided and overview of quarterly activity.

On May 24, 2004 Scottish Power sold PacifiCorp to Mid-American Energy Holdings Company for 9.4 billion dollars. Mid-American is a privately owned global provider of energy services based in Des Moines, Iowa. They expect the necessary approval from the regulatory commission to be completed by 2006. Mid-American plans to leave PacifiCorp as a stand alone business with few changes and minimal impact on the employees. The leadership of PacifiCorp will remain with Judy Johansen, CEO in Portland and Rich Walje as vice president in Salt Lake City. All other departments will remain as they are. Mid-American is experienced in the energy field and is an environmentally responsible company. They have numerous energy holdings in other states.

This transaction is good for PacifiCorp for several reasons. Mid-American has a proven track record of buying a business for the long term, investing in it and allowing it to operate relatively independently. Mid-American has shown itself to be a long-term investor in capital intensive

COMMISSION MEETING MINUTES  
JUNE 7, 2005

energy businesses, a good match at a time when PacifiCorp is making significant investment in its business. Mid-American understands the US regulatory environment and provides a stable financing platform, with access to capital. Mid-American and PacifiCorp share similar values in the areas of customer service, safety, operational excellence, and a commitment to responsible environmental stewardship. Mid-American fully supports PacifiCorp's strategy of maintaining a local presence in the areas they serve.

(3)

**JANA ABRAM, BYWAYS COORDINATOR, UPDATE OF HUNTINGTON CANYON BYWAY ACTIVITIES.**

Jana Abram was not able to attend the meeting. However, Pam Juliano reported that United Way is looking for 150 volunteers to help with scenic by-way energy loop community clean-up day on June 25, 2005. They will host a BBQ the night before and hand out water bottles and garbage bags at the rest stop at skyline drive road at the top of Huntington Canyon. She invited everyone to participate.

(4)

**PAM JULIANO, CONGRESSMAN MATHESON REPRESENTATIVE, INTRODUCTION AND SERVICES PROVIDED.**

Pam Juliano, Congressman Matheson representative made a presentation to the Commissioners. She said that they have worked very hard and long for a field office in this area. She will be based in the basement of the Carbon County Courthouse in Price. The liaison office plans to be the eyes and ears of the communities. If you have any concerns that you wish Congressman Matheson to investigate or need help with anything she invites you to stop by or call. Ms. Juliano was previously the director of United Way in this area. Her replacement for that position, Kim Zollinger was introduced to the Commissioners. Commissioner Hatch reported that Congressman Matheson was instrumental in trying to get a bill passed that will get Emery County \$7 million dollars in highway funds to finish the Moore Cutoff road. He commented that it hasn't passed yet, but we are hopeful that it will.

Kim Zollinger, United Way introduced herself and provided phone numbers and office hours for the Commissioners. She talked about the efforts of the United Way to continue to provide assistance to the communities.

(5)

**CITIZEN CONCERNS**

Insurance Coordinator, Jeff Kelsey informed the Commissioners of the county's upcoming July 1, 2005 insurance renewal date. He presented proposals from insurance companies for the Commissioners to consider. He had reviewed the insurance market and felt good about the county continuing with our current underwriter Novia and Excess Health which is an organ transplant carrier. The cost has gone up approximately 11% while the trend in the market has the increase at around 16%. Clerk/Auditor Bruce Funk commented that the county's premiums for these two policies have not greatly increased. Emery County is a self-insured county and as long as employee costs do not go up, then he feels good about staying where we have been. Commissioner Drew Sitterud made a motion to accept the proposal from Novia and Excess Health for employee's insurance. The motion was seconded by Commissioner Ira Hatch and approved by all members present. Mr. Kelsey informed the Commissioners that there needed to be binder checks cut for Novia and Excess Health. This item was not on the agenda and will need to be ratified in the next Commission Meeting.

Castle Dale City Mayor, Neal Peacock was present to request Emery County forgive the taxes on a piece of property that was recently acquired by the city for the expansion of Castle Dale Cemetery. The property was previously receiving the Greenbelt benefit. It will no longer be used as Greenbelt. If the land changes usage or does not meet acreage requirement, then a rollback of the saved tax dollars is due. The rollback tax due is \$195.97. Commissioner Drew Sitterud made a motion to abate the rollback tax due of \$195.97 on this piece of property. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Economic Development Director, Mike McCandless discussed options for how to handle the information center in Green River. He along with Commissioner Hatch and other members of the Travel Council met recently with Green River City Mayor Glen Johnson and Council member Tom Burr to discuss options. As a result of recent discussion the Travel Council proposes negotiating an inter-local agreement with Green River City to place employees at the information center. The employee would be less than twenty hours a week. Mr. McCandless wanted the Commissioners to know that the Travel Council has exhausted all avenues for having an individual at the information center especially during the heavy tourist season. Commissioner Drew Sitterud made a motion to approve having the Emery County Travel Council enter into negotiations with Green River City to place two part time less that twenty hours a week employees at the information center in Green River City. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(6)****DISCUSSION OF NORTH EMERY WATER USER'S SPECIAL SERVICE DISTRICT**

**BOARD MEMBER TERM EXPIRATIONS.**

The North Emery Water User's Special Service District has four board members whose terms will end in August. The four board members whose terms will end in August are: Randy Bell, Ray Quinn, Carl Fillmore and William Coyne. Commissioner Drew Sitterud made a motion to begin the process to gather applications to serve on the North Emery Water User's Special Service District board. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF CAREER SERVICE COUNCIL APPOINTMENTS.**

Appointments to the Council are due June 30, 2005. Judy Ann Scott, Keith Ware and Randy Jensen have said they will accept reappointment. Commissioner Drew Sitterud made a motion to re-appoint Judy Ann Scott, Keith Ware and Randy Jensen to the Career Service Council for another term. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF DONATION TO VOLUNTEERS OF AMERICA SENIOR AFFAIRS FAIR.**

Jon Gilbert, RSVP representative reported that the first annual Volunteers of America Senior Affairs Fair was well received and attended. They will be hold their second annual Affairs Fair on June 16, 2005 from noon to 4:00 p.m. with the co-operative efforts of Kelli Nelson and the Senior Citizen program. He requested the Commissioners consider a \$250.00 donation to the Senior Affairs Fair. Commissioner Drew Sitterud made a motion to donate \$250.00 to the 2<sup>nd</sup> Annual Volunteers of America Senior Affairs Fair. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF MEMBERSHIP DUES TO THE EMERY COUNTY CHAMBER OF COMMERCE.**

Tabled

(10)

**CONSIDERATION AND APPROVAL OF REQUEST FOR AUTHORITY TO**

**TRANSMIT DIGITAL TELEVISION SIGNALS.**

Bret Mills requested a letter from the Commissioners to the FCC asking for temporary license to broadcast the digital service. There are no licensing windows at this time and this request will give the county the ability to do temporary experimental transmitting. Hopefully the window for licensing will open up soon. Commissioner Drew Sitterud made a motion to sign the letter and send it to the FCC to gain temporary licensing permit. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF MOU BETWEEN EMERY COUNTY/EASTERN UTAH TELEVISION AND TECHNOLOGIES ASSOCIATION FOR INSTALLATION OF EQUIPMENT USING BUILDING RACK AND TOWER SPACE AT THE HORN MOUNTAIN AND CEDAR MOUNTAIN COMMUNICATIONS SITES.**

This Memorandum of Understanding serves as an agreement between Emery County and the Eastern Utah Television And Technologies Association. The MOU is for the installation of equipment installed by the Association using building rack and tower space at the Horn Mountain, Cedar Mountain and other county communications sites. The MOU has been reviewed by Attorney David Blackwell and he recommends signing the document.

Commissioner Drew Sitterud made a motion to accept the MOU between Emery County and the Eastern Utah Television and Technologies Association as written. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF AMENDED INTERLOCAL COOPERATIVE AGREEMENT CREATING THE EASTERN UTAH TELEVISION TECHNOLOGIES ASSOCIATION.**

This Interlocal Cooperative Agreement creating the Eastern Utah Television Technologies Association has already been approved by Emery County. However, at the time that the agreement was signed Daggett County was not a member of the Association, the amendment will include Daggett County in the Association. Another amendment, originally the Clerk/Auditor's office was to be the recipient of the funds. That has been changed. Association of Governments (AOG) will now be the recipient of the funds for the Association. Also, originally the agreement stated that the Association would pay for microwave system between Ford Ridge and Lake Mountain. That has been changed to state that the Association would be over all microwaves all the way through the system. Commissioner Drew Sitterud made a motion to accept the amendments to the Interlocal Cooperative Agreement creating the Eastern Utah Television and

Technologies Association. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(13)**  
**RATIFICATION OF NOMINATION TO NATIONAL ADVISORY COMMITTEE FOR THE PROTECTION OF INVENTORIED ROADLESS AREAS.**

Commissioner Drew Sitterud made a motion to ratify the nomination to appoint Ira Hatch to the National Advisory Committee for the Protection of Inventoried Roadless Areas and to send a letter to the National Forest Service with that nomination application. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(14)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims #169723 through and including #169867 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
39-05	Moving wall mount 2 ton Air conditioner from old green Building to TV building on Cedar Mtn. Television/Sheriff	\$866.00	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisition as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(15)**  
**PAT SNOWBALL, PERSONNEL DIRECTOR, PERSONNEL ACTION.**

Personnel Director, Pat Snowball presented the following Personnel action:

COMMISSION MEETING MINUTES  
JUNE 7, 2005

Road Department

Request was made to hire Michael Mortensen, temporary up to 90 days beginning May 23, 2005 and ending August 13, 2005. Commissioner Ira Hatch made a motion to approve hiring Michael Mortensen temporary up to 90 days as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Brooke Riley completes her six-month orientation period on June 8, 2005. Road Supervisor, Rex Funk recommended that she receive the wage increase per personnel policy effective the pay period of June 20, 2005. Commissioner Ira Hatch made a motion to approve the six-month wage increase as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Communications

Request was made to hire Morgan Oveson, temporary up to 90 days beginning May 23, 2005 and ending August 13, 2005. Commissioner Dew Sitterud made a motion to approve the temporary hire of Morgan Oveson as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Extension

Request was made to hire Cassie Jensen, temporary up to 90 days beginning May 27, 2005 and ending August 24, 2005. Commissioner Ira Hatch made a motion to approve the temporary up to 90 day hire of Cassie Jensen as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Recorder

Doris Quinn is eligible for the routine wage increase on June 9, 2005. Recorder, Dixie Swasey recommends the increase which will be effective the pay period of June 20, 2005. Commissioner Drew Sitterud made a motion to approve the routine wage increase for Doris Quinn as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Shirley Spears, Archivist, has submitted her resignation effective June 30, 2005. Request was made to begin the recruitment process to fill her position. Commissioner Drew Sitterud made a motion to begin the recruitment process to fill the Archivist position as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Sheriff's Office

COMMISSION MEETING MINUTES  
JUNE 7, 2005

Jennifer Jensen is eligible for the routine wage increase on June 21, 2005. Sheriff Guymon recommends the increase which will be effective the pay period of July 4, 2005. Commissioner Drew Sitterud made a motion to approve the routine wage increase for Jennifer Jensen as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Ira Hatch made a motion to approve the minutes dated May 23, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(17)**

**COMMISSION REPORTS.**

Commissioner Sitterud

Commissioner Sitterud and Commissioners Hatch attended a luncheon sponsored by XTO, a new gas well company in the area. The Sheriff's Department sponsored their annual Friendship Cruise on the Green River. The BLM will hold their regional RAC meeting here in the courthouse on Monday, June 13, 2005 at 1:00 p.m. They will tour the San Rafael Swell on Tuesday, June 13, 2005. A BLM subgroup will meet on Wednesday at the museum to discuss plans to reconstruct the Wedge camping spots.

Commissioner Hatch

Historic Preservation Committee has elected Ray Petersen as chairman of that committee. They have two projects they are working on at this time. At the Muddy Creek Bridge they will put together a kiosk. They applied for and received an extension on the restoration of the San Rafael Swinging Bridge. Construction on Rilda Canyon U-31 intersection will begin right away. He attended Congressman Matheson's open house on May 31<sup>st</sup>. He visited Pam Juliano's office in the Carbon County Courthouse. He recently met with UCIP insurance board in Moab where they discussed some things that we will need to look at on risk management. He also recently met with Rex Funk and other Road Department staff where it was reported that as of yet there has been very little road damage due to flooding in the county. There will be meeting next week on the Joe's Valley switchback road that has sloughed off. Representatives from the Federal Highway Administration and Bureau of Reclamation will be here to look at the project plans. He will be meeting next week with the BLM on RMP alternatives.

(2)

**JANA ADAMS, BYWAYS COORDINATOR, UPDATE OF HUNTINGTON CANYON BYWAYS ACTIVITIES.**

Jana Adams, Byway Coordinator provided a review of tourism projects planned for Huntington Canyon and Eccles Canyon. They will hold a clean-up day on Saturday, June 25, 2005 in conjunction with United Way in Huntington Canyon. They are developing information kiosks at the site of the mammoth find in Huntington Canyon. They are working with the USFS to get a grant to construct a kiosk next to the site. They will be clearing the land this year and work towards the 2006 tourist season for completion. They plan to have five information panels at the site featuring hands-on learning displays and activities for children. They also will have a low wattage radio station in the canyon. Another project in the works is a 5K or 10K run planned for 2006. September is senior travel tourism month and they are working on putting together a scenic driving tour through the canyons. They plan to construct a sign with a map to place in Fairview that will direct travelers through the scenic by-way in the Huntington Canyon and Eccles Canyon areas then down into Emery County towns for gas, shopping and information on what to do in our communities. The governor has dedicated \$10 million dollars to develop tourism in Utah.

(3)

**JOHN SPENDLOVE, DISCUSSION/APPROVAL OF HUNTINGTON AIRPORT LAYOUT PLAN**

John Spendlove, Engineer from Jones and DeMille was present to present the final airport plan to the Commissioners. Commissioner Hatch explained that the plan is essential to qualifying for any federal funding for airport improvements. The plan is the same as was presented, with a few

COMMISSION MEETING MINUTES  
JUNE 21, 2005

additions, at a public hearing held back in January. Mr. Spendlove indicated that after the public hearing he sent out letters to all the various agencies to gather comments on any environmental concerns they might have. He said the BLM indicated that a cultural resource survey should be conducted before any future development projects are done at the airport. The DWR sent a standard letter indicating the threatened and endangered species normally encountered in the county. The Army Corp. of Engineers sent a letter asking about the potential for wetlands. Mr. Spendlove indicated that he has added an environmental overview to the final plan to address those areas of concern and added \$20,000.00 to the project list to provide for the cost of the environmental reviews. Commissioner Gary Kofford pointed out that if the BLM gives a patent to the county for the airport land, then a resource survey would be needed before the BLM would issue the patent. The BLM wanted to address the patent issue in the RMP they are now finalizing. Emery County owns thirteen acres of the airport land with the rest owned by BLM with some state trustland included. The projects on the priority list do not have to be done in any special order. The county can pick and choose which projects to do first. Commissioner Drew Sitterud made a motion to approve and authorize Commissioner Ira Hatch to sign the Huntington Airport Layout Plan as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)**

**RATIFICATION OF RENEWAL FOR COUNTY HEALTH INSURANCE FOR 2005-06.**

Christie Hillier was present to provide the proper documents to be signed for renewal of county employee health insurance for 2005-2006. Two weeks ago Jeff Kelsey discussed with the Commissioners health insurance bid proposals. The Commissioners and those involved with the health insurance reviews felt good about remaining with the county's current provider. A motion was passed at that time to accept the proposal from Novia and Excess Health for Emery County employee's health insurance. Since the item was not on the agenda the action needs to be ratified at this time. Commissioner Gary Kofford made a motion to ratify the action taken two weeks ago to accept the proposal from Novia and Excess Health for Emery County employees' health insurance and to authorize Commissioner Hatch to sign the needed documents. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(5)**

**RATIFICATION OF TAX ABATEMENT FOR CASTLE DALE CITY.**

Commissioner Drew Sitterud made a motion to ratify the action taken two weeks ago to grant a tax abatement for Castle Dale City in the amount of \$195.97. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)****CONSIDERATION AND APPROVAL OF MEMBERSHIP DUES TO THE EMERY COUNTY CHAMBER OF COMMERCE**

The Board of Commissioners discussed membership dues to the Emery County Chamber of Commerce. They all agreed that the dues should include payment for all county departments and that the county not pay any additional dues for the Sheriff's Department or any other department funded by the county. Commissioner Gary Kofford made a motion to pay \$300.00 dues to the Emery County Chamber of Commerce to include all County departments. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(7)****CITIZEN CONCERNS.**

Mary Walmarth, Green River City Community Action Team asked if anything had been decided about staffing at the Information Center in the John Wesley Powell Museum. The Commissioners filled her in on the recent decision to have the Emery County Travel Council negotiate with Green River City to provide two part time employees at the Information Center. Emery County will pay the employees. Green River City will provide the space.

Economic Development Director, Mike McCandless asked for approval to draft a letter to the State of Utah requesting to create additional zones in the county. He indicated that adding zones such as Aeronautical Zones and Recycling Zones would encourage commercial development and growth as well as provide a healthy tax credit for any prospective businesses. Creation of such additional zones requires approval letter from the governing board of the County. Clerk/Auditor Bruce Funk cautioned that items involving zoning must be noticed up in the local newspaper for public review. Mr. McCandless indicated that the request was simply a recruiting tool for Economic Development that offers tax incentives to prospective businesses to locate in the county.

**(8)****CONSIDERATION AND APPROVAL OF RETIREMENT CONTRIBUTION RATES FOR JULY 1, 2005 TO JUNE 30, 2006.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Retirement Contribution Rates for July 1, 2005 to June 30, 2006 as follows:

Contributory rate:	13.08
Non-Contributory rate:	13.08
Public Safety Rate:	19.34

COMMISSION MEETING MINUTES  
JUNE 21, 2005

Commissioner Gary Kofford made a motion to approve the Retirement Contribution Rates as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF PROPOSED TAX RATE FOR 2005.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the proposed tax rate for 2005 as follows:

County General Fund-	.003627
Library Fund-	.000419
State Assessing/Collecting	.000228

Commissioner Drew Sitterud made a motion to approve the proposed tax rates for 2005 and authorize Commissioner Ira Hatch to sign any additional changes that may come in from the State with regard to the Tax Rates and have these changes confirmed with the other Commissioners. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF DATES/TIMES OF 2005 BOARD OF EQUALIZATION.**

Senior Deputy Clerk/Auditor, Brenda Dugmore requested finalizing the date and time for 2005 Board of Equalization. Recommended dates and times are as follows: Green River, August 16, 2005 from 12:20 p.m. until 3:30 p.m. Castle Dale, August 17, 2005 from 9:00 a.m. until 3:00 p.m.. Commissioner Gary Kofford made a motion to approve the proposed dates and times for 2005 Board of Equalization. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**CONSIDERATION AND APPROVAL OF ROAD EASEMENT WITH SCHOOL AND INSTITUTIONAL TRUST LANDS ADMINISTRATION.**

Emery County received an easement from SITLA for Emery County to repair the road alignment on the South Flat Road, south of Huntington. The Bureau of Reclamation changed the location of bridge a few years back and the road needs to be realigned to meet the bridge. This work has been completed. The state kept sending a bill to the county to charge a use fee on the road

COMMISSION MEETING MINUTES  
JUNE 21, 2005

changes. We kept sending the bills back to them. Now an easement has been sent without a bill but with the road number incorrectly listed. The road was listed as #308. The correct road number is #504. Also the date needed to be changed on the last page of the document. Commissioner Gary Kofford made a motion to authorize Rex Funk, Road Supervisor to sign the necessary papers with the changes as noted. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(12)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Victor H. and Karen Kay Ewell DBA: VK Tractors & Implements. They have been before the Planning Commission and have been granted a conditional use permit. Zoning Administrator Bryant Anderson has approved and signed the application. Commissioner Gary Kofford made a motion to approve a business license for Victor H. and Karen Kay Ewell DBA: VK Tractors & Implements as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)**

**DISCUSSION OF BOUNDARY CHANGES FOR JUSTICE COURT.**

Commissioner Drew Sitterud discussed possible boundary changes for the Justice Court system. He said Utah Highway Patrol Troopers are not writing enough tickets on I-70. On average they would write about four tickets a day. When the county deputies patrolled I-70 they were writing three times that many tickets. Commissioner Sitterud has asked Sheriff LaMar Guymon to put together a proposal on what it would cost to add deputies to patrol I-70. Lt. Bill Downard remarked that one deputy on I-70 will not be good as it would be too far and take too long for a back up deputy to provide assistance if needed. Two deputies are needed on I-70 at a time. The UHP also loses radio contact around the Ghost Rock area. UHP does not send troopers where they are out of radio contact. The county's radios still work out there. Commissioner Sitterud said in meeting with the UHP he was told that it was not their job to write tickets, but to prevent accidents. It was also noted that tickets given in Judge Stream's precinct, have to attend court in Castle Dale and with the troopers coming from Green River that is time consuming. Commissioner Sitterud will continue to check into the matter and keep the Commissioners advised as to the progress of this issue.

**(14)**

**CONSIDERATION AND APPROVAL OF CONTRACT EMPLOYEE FOR LEPC COORDINATOR.**

Commissioner Gary Kofford made a motion to approve the employee contract with Cynthia Grant as Local Emergency Preparedness Coordinator(LEPC) to help Martin Wilson with bookkeeping and other office help. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)****APPOINTMENT/DISCUSSION OF LIBRARY TRUSTEES.**

Natalie Gardner, representing the Cleveland/Elmo area, has submitted her resignation from the Library Board with eighteen months remaining on her term. The Library Board recommended Annette Wells to serve the remainder of Natalie's term. According to the Library Board by-laws a person can serve on the board for two, consecutive four year terms. Therefore, the Library Board also recommended re-appointing Bill Luce, Ferron, to serve for another four year term. Commissioner Gary Kofford made a motion appoint Annette Wells to fulfill Natalie's unexpired term and re-appoint Bill Luce for another four year term to the Library Board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)****APPOINTMENT TO FOUR CORNERS MENTAL HEALTH BOARD OF DIRECTORS.**

Commissioner Hatch explained that State Legislation has changed regarding mental health board of directors. A county commissioner representative is now allowed on the board of directors. The term is for five years. Commissioner Drew Sitterud made a motion to appoint Commissioner Gary Kofford to serve as Emery County's representative to Four Corners Mental Health Board of Directors. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)****CONSIDERATION AND APPROVAL OF CONTRACT AMENDMENT WITH DIVISION OF STATE HISTORY.**

Ray Petersen explained that the contract with the Division of State History is for the San Rafael Swinging Bridge deck resurfacing project. They are working with local saw mill owners to get the rough cut lumber needed for the project. The original contract had July as the project completion date. The contract amendment would extend the date to September for completion. Commissioner Drew Sitterud made a motion to accept the contract amendment with Division of

COMMISSION MEETING MINUTES  
JUNE 21, 2005

State History. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(18)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 170004 through and including #170099 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
40-05	Light bars/sirens/speaker kits Sheriff- New Durangos	\$6,070.20	Approved
41-05	Intoxilyzer S-D5 Sheriff/Drug Court	494.98	Approved
42-05	Motor for spray rig Weed/Mosquito	464.99	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, and requisitions as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(19)

**PAT SNOWBALL, PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Pat Snowball, Personnel Director presented the following Personnel action:

Economic Development

Request was made to hire Libby Rasmussen temporary up to 90 days beginning June 20, 2005

COMMISSION MEETING MINUTES  
JUNE 21, 2005

and ending September 17, 2005. Commissioner Gary Kofford made a motion to approve hiring Libby Rasmussen temporary up to 90 days as proposed. The motion was seconded by Drew Sitterud and approved by all members present. Libby will be helping Mike in the Economic Development office and with the economic summit planned for September.

Road Department

Mark Hymas has completed the required training and is now certified to perform the duties of Manager of Landfill Operations (MOLO). Rex Funk requests approval to give Mark a merit increase effective the pay period of July 4, 2005. Commissioner Gary Kofford made a motion to approve the merit increase for Mark Hymas as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Sheriff's Office

Deputy Paul Simmons has submitted his resignation effective June 30, 2005. Sheriff Guymon requests approval to begin recruitment at the entry level of Dispatcher Grade 10 Step A \$10.88/hr. Commissioner Drew Sitterud made a motion to approve beginning the recruitment process for a Dispatcher as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Planning and Zoning and Building Inspection

Recruitment for a building inspector has been completed. Robert Bennett is recommended for the position, full time, with benefits. He would begin approximately the second week of July, 2005. Robert has all the required licenses for the position including a fire marshal certificate. Commissioner Gary Kofford made a motion to approve hiring Robert Bennett as building inspector as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(20)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Drew Sitterud made a motion to approve the minutes dated June 7, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(21)

**COMMISSION REPORTS.**

COMMISSION MEETING MINUTES  
JUNE 21, 2005

*Commissioner Kofford*

Commissioner Kofford recently attended an Energy Producers Conference in Price. They had breakout discussion panels with representatives from several department heads. Lt. Governor Gary Herbert spoke along with CEO of Consol Bret Harvey. They will hold another conference in November.

The roofing project at the Road Department building is in progress.

He met with the Federal Highway Commission regarding repairs to the switchback road in Joe's Valley. A letter was sent to the Federal Highway Administration addressing concerns for drainage and waste disposal sites for the above project.

*Commissioner Sitterud*

He attended a meeting at the Museum of the San Rafael along with Ray Petersen, Mike McCandless and LaMar Guymon regarding camping at the Wedge. The meeting got ugly because the BLM wants to do away with camping sites and make a parking area. Emery County protested that. When the BLM RAC people were here for their annual meeting Sheriff Guymon and Drew took them out to the Wedge. They felt it was wrong to eliminate camping at the Wedge. He indicated that they would be asking the RAC people for a letter of support for this cause. Ray Petersen suggested drafting a letter to the BLM and make a stand with regard to this issue. Ray will draft a letter for the Commissioners to consider.

He talked about the White Sand Missile Base in Green River. The base, which is 90% in Grand County has had nearly all the contaminants removed except at one site. A study was done and it was found to be safe. Most of the building structures are in Emery County. There needs to be an asbestos study on the buildings. The BLM owns most of the land. White Sands owns some of the property. State land owns a portion of the land and Grand County opposes Emery County or Green River City doing anything with the property. Part of the property has been annexed into Green River City. They have plans to make a recreation park there.

An access road has been constructed to Emery County's Cedar Mountain TV site. A new tower will be installed.

The county's E911 system is on its last leg. One phase has already gone down. He met with a person from the state who indicated that there are grants available. Emery County is on the agenda to be considered for a grant. Bids to put in a new system are around \$214,000.00 to which the county has only \$90,000.00 to put towards the new system. He indicated that at this time we are running on a breath and a prayer.

COMMISSION MEETING MINUTES  
JUNE 21, 2005

He reported on a Centrally Assessed meeting at the Tax Commission Office in Salt Lake City. Emery County got beat up pretty bad. Centrally assessed properties is way out of line. Utah's new governor is very supportive of big business. He is for giving them all the breaks they can get. He is not going to do much to help us.

UAC and UCIP are sharing a building at this time. They propose that UAC is upstairs and UCIP is in the basement after remodeling. They are arguing the issue ownership of the building. UCIP may build their own building.

At RC& D meeting the Navajo nation from San Juan asked to have a booth at the Emery County Fair to sell rugs. It would be a silent auction. We would not charge them a fee because RC&D is a non-profit organization. The proceeds would go back to government agencies. However, they will not be selling rugs this year, but may in the future.

(22)

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION  
AND PERSONNEL MATTERS.**

Commissioner Drew Sitterud made a motion to move into an executive session to discuss possible litigation and personnel matters.

Present at executive session was Commissioner Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, and Deputy Clerk/Auditor Carol Cox.

Attorney David Blackwell provided the an update of pending litigation and personnel matters.

(23)

**ADJOURNMENT**

Upon returning to the regular meeting Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

11  
COMMISSION MEETING MINUTES  
JUNE 21, 2005

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 5, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF SECOND ADDENDUM TO AGREEMENT WITH ECSSD#1.**

Commissioner Drew Sitterud explained that the cost of the boat ramp project in Joe's Valley was increased to allow for putting barricades up around the restrooms. The second addendum to agreement dated July 12, 2004 by and between Emery County and Emery County Special Service District #1 amends the amount of the project and supersedes and replaces the Addendum dated December 13, 2004. Commissioner Gary Kofford made a motion to approve the Second Addendum to Agreement dated July 12, 2004 by and between Emery County and Emery County Special Service District #1. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Sitterud indicated that he received a call from DWR reporting on the many appreciative letters they have received regarding the new boat ramp. Everyone is very pleased with the new ramp. The DWR asked to put up a sign at the site identifying the many agencies co-ordinating efforts for getting the new boat ramp up and going.

(2)

**KAY KIMBALL, PRESENTATION/DISCUSSION OF FY2004 INDEPENDENT AUDIT.**

Kay Kimball, Kimball & Roberts, Independent Auditors presented the FY2004 Independent Audit report to the Commissioners. He reviewed the report which was combined with all the Special Service Districts. The management analysis highlights all the things that have happened in the county that may be of interest to the public. Emery County did not receive a management letter this year which is very good. This means that all of the departments were within the guidelines set out by the state. He commended Bruce Funk and Senior Deputy Clerk/Auditor, Brenda Dugmore and his staff for the great job they do for the county. He also commended Treasurer, Steven Barton and his staff. Emery County had a clean audit. Commissioner Drew Sitterud made a motion to accept the FY2004 Independent Audit Review as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(3)****CITIZEN CONCERNS**

Commissioner Drew Sitterud stated that two years ago Sharp and Sereta Snow paid a fee, \$100.00 for two booths during the fair. Sharp became ill and they were not able to use the booth. They were told they could use the fee for next year's booth. The next year the same thing happened and they were not able to use the booth. Commissioner Sitterud asked to have the \$100.00 refunded to the Snow's. Commissioner Gary Kofford made a motion to refund the \$100.00 fee back to Sharp and Sereta Snow to be taken from the fair budget. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Generally the Commissioners purchase a full page ad for the Fair Guide. A full page, color ad, with pictures is \$500.00. Commissioner Gary Kofford made a motion to do a full page color ad with pictures for the 2005 Fair Guide. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Ira Hatch discussed the process to write a management plan for the Lawrence Cemetery. The plan is in rough draft at this time. The Lawrence Cemetery is the only county owned cemetery in the county. We need to consider the governing of the cemetery. Do we create a Special Service District with a board and by-laws? Do we set up a governing committee? Do we continue as we have been with the Commission making the decisions? We need to look at making some decisions as to what direction to go.

Commissioner Hatch discussed with the other Commissioners that as the Commission approved in last Commission Meeting, the Travel Council was directed to get with Green River City and work out an Inter-local Agreement for staffing of the Information Center in Green River City. The Travel Council has put together a rough draft to be considered. It has not been reviewed by Attorney David Blackwell. When the document has been reviewed by legal council then it will be sent to Green River City for their approval. Then it will go back to the travel council for final review. The Commission will then take action on the agreement. Commissioner Sitterud asked if we had to wait for the final review to take action on the agreement. Commissioner Drew Sitterud made a motion to approve the authorization for the Emery County Travel Council to sign the inter-local agreement with Green River City pending approval of our legal council and the Green River City Council. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #170223 through and including #170343 for payment.

Requisitions were presented for the following:

<b>REQUISITION</b>	<b>DESCRIPTION</b>	<b>AMOUNT</b>	<b>ACTION</b>
43-05	3800 xch Livescan-Fingerprint Sheriff	37,643.00	Approved
44-05	Internet for ambulance garages Ambulance EMS Grant	3,330.38	Approved
45-05	GPS Units (3) IT	7,485.00	Approved

Commissioner Sitterud asked for approval to have Jeff Guymon, IT clean up three computers that are traded out of the departments to donate to the fair to use for drawings for teenager day. They will be drawing for a four-wheeler donated from Sportsmen for Wildlife and other prizes donated from other places. Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, requisitions and authorize Jeff Guymon to prepare three computers for a donation to the fair for prize drawings. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(5)**  
**APPROVAL OF PERSONNEL ACTION**

Pat Snowball has retired. A new Personnel Director has not been hired yet. Commissioner Ira Hatch presented the following Personnel action:

**Recorder's Office- Archivist**

Advertising was posted for the position of Archivist after the resignation of Shirley Spears. Six individuals applied for the position, three were interviewed. Dottie Grimes was recommended for the part time position starting July 6, 2005 at less than 20/hrs per week. Commissioner Drew Sitterud made a motion to hire Dottie Grimes as Archivist, part time, less than 20/hrs per week as proposed. The motion was seconded by Commissioner Gary Kofford

COMMISSION MEETING MINUTES  
JULY 5, 2005

and approved by all members present.

**(6)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated June 21, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on a recent Joint and Non-Urban Highway Committee where they toured Moore Road.

He met with Utah Power and Light and discussed the schedule of construction of a scrubber and bag house on Huntington Unit 2. Construction will start July 2005 and be completed winter of 2006 at an approximate cost of \$140,000,000.00. The company doing the construction for UPL will be bringing construction workers into the area as well as working with Work Force Services to utilize available local labor as construction goes on.

*Commissioner Sitterud*

Commissioner Sitterud and Sgt. Bill Downard recently met with State E-911 Project Manager. Sgt. Downard has written a grant to help Emery County get funds to get a new E-911 system.

Canyon Country Partnership recently met at the Museum of the San Rafael. IT Director Jeff Guymon made an addressing presentation for the group. The CCP has committed to trying to match up the numbering process for the BLM, Forest Service and Emery County road numbers so that they all conform to the same numbering.

Commissioner Sitterud attended a RS2477 litigation meeting. Emery County has filed a lawsuit on June 29, 2005 asking a judge to reopen seven public roads that were shut down by the federal government. The lawsuit claims that the Bureau of Land Management illegally closed seven roads in Emery County. Emery County will hold no interviews for the media or anyone else until the matter has been mitigated.

*Commissioner Hatch*

COMMISSION MEETING MINUTES  
JULY 5, 2005

Commissioner Hatch reported that he and Commissioner Kofford attended UAC Commissioner Council person meeting in Richfield. They discussed trade out of federal funds for state funds on road projects and the process for getting projects on the state transportation improvement list. They were treated to a High Definition Television demonstration by all the broadcasting stations in the state. Emery County will hold a similar demonstration during the 2005 Emery County Fair. They also discussed county's involvement with Special Service Districts and the legal aspects of that. Also the counties's desire to have more local representation on the Wildlife Reserve Board.

Commissioner Hatch and Rex Funk attended a meeting in Salt Lake City hosted by the Jurisdictional Task Force Committee. The state, for matters of economy and efficiency, wants to give selected state transportation routes back to the local government. Then they will take the county and city transportation routes that we want.

**(8)**  
**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not necessary.

**(9)**  
**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 19, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor, other elected officials and citizens.

(1)  
**BOB GREENBERG, DISCUSSION/APPROVAL OF PURCHASE OF REMOTE  
CONTINUOUS ALCOHOL MONITORING EQUIPMENT.**

Bob Greenberg, Four Corners Behavior Health discussed an ongoing problem with participants in the drug/alcohol monitoring program. Alcohol moves out of the system quickly and the participants have figured this out. New technology has developed a device to monitor the participants continually. SCRAM, Secure Continuous Remote Alcohol Monitor, is a bracelet monitor that allows early intervention when a problem occurs and gives you the ability to deal quickly and reliably with violations. The bracelet is worn on the ankle and samples the subject's perspiration at least every hour, 24 hrs a day. It is water-resistant, tamper-resistant and wear resistant and guaranteed for three years. All offender data and testing results are accessed via the Internet, from any location, using a standard Web browser. The cost for a bracelet is approximately \$1,500.00 with a fee of \$4.25 a day for the monitoring software. Users of the bracelet would be assessed a fee to help compensate the county for the cost associated with the use. Under the drug program, the court would order the use of the device which would be monitored and assessed the use fee by drug court officer, Shaun Bell. At this time there is no available funds to purchase the units. The drug court grant has been fully exhausted. He proposed the county purchase fourteen units and the county would be reimbursed by the user over a period of time. Commissioner Hatch stated that he had no problem with looking for available funds to purchase a portion of the units. Commissioner Drew Sitterud made a motion to search for funds to fund a portion of the request to purchase remote continuous alcohol monitoring equipment for the drug court program and authorize the purchase pending the availability of funds. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)  
**APPOINTMENT TO NORTH EMERY WATER USERS SPECIAL SERVICE DISTRICT  
BOARD OF DIRECTORS.**

There are four positions open for appointment to the NEWUSSD board of directors. Those

COMMISSION MEETING MINUTES  
JULY 19, 2005

individuals whose terms expire this year are: Randy Bell, William Coyne, Carl Fillmore, and

Raymond Quinn. Advertising was done for interested individuals to serve on the board. Commissioner Gary Kofford made a motion to re-appoint Randy Bell, William Coyne, Carl Fillmore and Raymond Quinn to the North Emery Water Users Special Service District Board of Directors. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**SOUTHEASTERN UTAH JR. LIVESTOCK REPRESENTATIVES TO THANK THE COUNTY FOR SUPPORT OF THE SHOW.**

USU Extension Agent, Dennis Worwood came before the Board of Commissioner to thank the county for support of the 2005 livestock show. He indicated that the show was essentially the same as last year. They had approximately 250 exhibitors of which about half were local participants. The sale brought about \$100,000.00 which was slightly higher than normal. Approximately sixty to seventy youth and adults volunteered to participate in the preparation process. He again thanked the County and County Commissioners for their support of the Southeastern Utah Jr. Livestock Show.

(4)

**CITIZEN CONCERNS**

Dan Hunter expressed concern for a county road that goes up Mohrland Canyon and on top of Gentry Mountain that goes through a large block of private land that belongs to Co-op Mine Organization. He has this land leased for grazing. He has arranged a hunting lease for some people that are leasing the hunting privileges from them. He is having some issues with access and trouble keeping the general public on the county road. He has had that area put into a CWMU Cooperative Wildlife Management Unit. He asked the Commissioners to consider letting him fence the east side of the county road across the top. This would make it so the public could not drive in the property, they would have to cut the fence. Since putting in the first fence on the south at the top of Morhland Canyon they have had success with the reappearance of game on the south end. Fencing slows down vehicle access, it does not prevent it. They have had the fence cut several times during the hunting season. Basically, fencing keeps the relatively honest people out. It is a fairly large piece of roadway and they do not want to violate the County's interpretation of where their right of way and access is. They do not want to diminish the county's access to maintain that important access through that property. He has been asked by the owners to come to the county and talk about this aspect. They do have a fencing crew. They do not want to do anything differently than what the county would like done. They would like to proceed with the fencing of the right of way. They hope to get the fencing done before

COMMISSION MEETING MINUTES  
JULY 19, 2005

the hunting season begins. They will also be looking at putting in a cattle guard at Morhland. Would the county like to view the line and help him do preliminary staking? Commissioner Hatch expressed concern that the fencing not be in the right of way or intrude on the maintenance of the road. Commissioner Hatch recommended Mr. Hunter get with Rex Funk and Morris Sorensen and review the project proceeding with fencing the county right-of-way and installation of cattle guard and improvements are to comply with county standards and specifications.

(5)

**CONSIDERATION AND APPROVAL OF JUSTICE ASSISTANCE AND BUFFER ZONE GRANTS.**

Sheriff LaMar Guymon explained that the Buffer Zone Grant is a grant to provide a vehicle to transport the hazmat team. The grant is in the amount of \$47,580.00. He requested a line item be created within his department to allow for receiving and expending the funds. Commissioner Drew Sitterud made a motion to approve the Buffer Zone Grant and authorize the Clerk/Auditor to create a line item to allow for the pass through of the funds. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

The Justice Assistance Grant is for the Drug Task Force. The signature page needs to be corrected. Commissioner Drew Sitterud made a motion to approve the Justice Assistance Grant for the Drug Task Force as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented a request for an ambulance write-off from Thomas Rusenberg. The insurance company has paid all they are going to pay on this account. The balance owing is \$445.10. Mr. Rusenberg sent a check for \$200.00 in hopes that the Emery County Commission would consider the account paid in full. After reading the letter from Mr. Rosenberg and the notes from JCI Billing Commissioner Gary Kofford made a motion to return the check for \$200.00 to Mr. Rosenberg and bill him for the entire amount of \$445.10. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

COMMISSION MEETING MINUTES  
JULY 19, 2005

Business license applications were presented as follows:

Ben Grimes, DBA: Bagrimes Photography, an Internet photography and fine art service.

Clay and Carolyn Wright, DBA: CC Ranch, a horsemanship training school.

Commissioner Gary Kofford made a motion to approve business licenses for Ben Grimes and Clay and Carolyn Wright as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**

**SETTING OF PUBLIC HEARING TO AMEND THE ORDINANCE DESIGNATING EMERY COUNTY ROADS, STREETS, OR HIGHWAYS OPEN FOR OFF-HIGHWAY VEHICLES AND FINALIZATION/APPROVAL OF MAP.**

Commissioner Drew Sitterud made a motion to set a Public Hearing for August 16, 2005 at 5:00 pm. in Green River and September 6, 2005 at 5:30 pm. in Castle Dale to amend the ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and finalization/approval of route designation. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**

**DISCUSSION/APPROVAL OF PETTY CASH AT LANDFILL**

Commissioner Kofford stated that the Landfill office needs to keep petty cash on hand to provide change for contractors. Commissioner Gary Kofford made a motion to approve \$100.00 petty cash account for the Landfill. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Mark Hymas, Manager of Landfill Operations will get with Brenda in the Clerk/Auditor's office to set up the procedures.

**(10)**

**DISCUSSION OF MANAGEMENT OPTION FOR LAWRENCE CEMETERY.**

Commissioner Gary Kofford made a motion to authorize Commissioner Ira Hatch to put together a core group to look into the options for management of the Lawrence Cemetery and to bring a recommendation to the Commissioners for approval. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #170514 through #170670 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
46-05	Rescue Chain Saws (10) Sheriff	8,729.72	Appro ved
47-05	SPAM Filter Appliance IT	1,120.32	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit list, additional claims and requisitions for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford informed the Clerk/Auditor's office that the roof replacement project at the Road Department is complete. The company will have their final inspection and then issue a fifteen year warranty certificate to the county.

**(12)**  
**APPROVAL OF PERSONNEL ACTION**

**A. Appointment of Drug Task Force agent.**

Request was made to move Brooke Smith from Drug Task Force to Patrol Deputy and reduce his pay back to the respective wage. Request was made to move John Barnett from Patrol Deputy to Drug Task Force with an increase in his salary of one grade and three steps, as well as on call pay. Commissioner Drew Sitterud made a motion to approve moving Brooke Smith back to Patrol Deputy with the respective decrease in salary, and move John Barnett from Patrol Deputy to Drug Task Force at the proposed rate with on call pay. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
JULY 19, 2005

B. Personnel Director

Commissioner Hatch explained that advertising was done for a Personnel Director. They received many applications. Interviews were conducted. Commissioner Hatch recommended hiring Mary Huntington as Personnel Director at a grade 18. Mary will be available to begin work on July 26, 2005. Pat Snowball will spend some time with her to get her up to speed. Commissioner Drew Sitterud made a motion to hire Mary Huntington as Personnel Director at grade 18 beginning July 26, 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

C. Travel Bureau

Commissioner Drew Sitterud made a motion to advertise for two part-time, less than 20/hrs. positions and one 90 day temporary position to operate the information center at the John Wesley Powell Museum in Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Event Insurance for Rodeo, Pageant and Fair

Commissioner Gary Kofford indicated that Recreation Special Service District Director Shannon Hiatt had contacted him regarding event insurance for the Desertview Pro Rodeo, Emery County Fair and parking during the Castle Valley Pageant. With the Recreation District coordinating the fair for the first time this year and Pat Snowball retiring, acquiring the needed insurance certificate was lost in the shuffle. The Board of commissioners asked that Senior Deputy Clerk/Auditor Brenda Dugmore look into getting the needed certificate for these coming events.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated July 5, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

COMMISSION MEETING MINUTES  
JULY 19, 2005

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on the Miss Emery Scholarship Pageant. Shayla Pitchforth , was crowned Queen, Christine Johansen, 1<sup>st</sup> Attendant, Shawna Rogers, 2<sup>nd</sup> Attendant. There were eight girls involved in the pageant this year.

The Museum board met at Range Creek this past week.

Gordon Topham retired from State Parks.

Four names have been submitted to the governor for consideration to the Wildlife board. We will not know anything on that appointment until September.

He reported on the progress of putting up the new digital television tower at Cedar Mountain. He stated that Bret Mills is doing a great job on the project.

*Commissioner Kofford*

Commissioner Kofford reported that he and Ray Petersen attended a training session with the Forest Service and BLM regarding RMP'S with government entities. They received good ideas on working through documents.

*Commissioner Hatch*

Commissioner Hatch reported that on July 14, 2005 he, Gary Kofford, Drew Sitterud, Ray Petersen and LaMar Guymon joined Kathleen Clark, Sally Wisely and others from the Department of the Interior on the Wedge.

He met with Bruce Hilliard from Florida along with Leon Defriez and Mark Johansen regarding Huntington Airport and getting things going again out there.

(15)

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION**

8  
COMMISSION MEETING MINUTES  
JULY 19, 2005

**AND PERSONNEL MATTERS.**

An Executive Session was not needed.

**(16)**  
**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 2, 2005

Present at the meeting was Commissioner Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DONNA SACKETT, UPDATE ON SENATOR BENNETT ACTIVITIES.**

Donna Sackett, Central Utah Area Director for Senator Bennett's office introduced her staff members Bruce Richeson, senior advisor and Kylene Brooks, constituent liaison. She provided an overview of Senator Bob Bennett's activities. She reported on transportation appropriations, PILT or payment in lieu taxes, oil development and also hazardous fuel reduction on the forest and public lands. She made herself as well as her staff available for questions and offers of assistance with constituent problems with other agencies. Ray Petersen, Public Lands thanked Senator Bennett and his staff for their support for the County's position regarding Wild and Scenic Rivers.

(2)

**CONSIDERATION AND APPROVAL OF DISTRIBUTION OF 2004 MISS EMERY SCHOLARSHIPS.**

Commissioner Sitterud explained that Allison Wells, Miss Emery County 2004 does not want to return to school this year. Allison would like to serve a mission for the Church of Jesus Christ of Latter-Day Saints. Allison asked to have her scholarship award of \$500.00 sent to her Ward Bishop for her mission. Miss Utah Scholarship Pageant was contacted to confirm that this would meet with their approval. Commissioner Drew Sitterud made a motion to forward her \$500.00 scholarship award to her home ward bishop for her mission. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**APPROVAL OF REVISION TO PCIFB LOCAL CAPITAL IMPROVEMENT LIST.**

Commissioner Drew Sitterud discussed the need to place the drainage improvement project for the museum of the San Rafael on the Public Community Impact Funding Board priority list. The project will cost \$110,000.00 of which the county is asking for one half in grant funds and the county will pay the remainder. Commissioner Drew Sitterud made a motion to put the museum project as top priority on the PCIFB improvement list. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CITIZEN CONCERNS**

Sheriff LaMar Guymon informed the Commissioners that the Emery County EMT Association submitted a request to PacifiCorp to fund the purchase of a training monitor manikin at a cost of approximately \$8,000.00. PacifiCorp granted the request and presented the EMT Association with a check for \$5,000.00 to be used toward that purchase.

(5)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING FOR BAILIFF SERVICES TO THE SEVENTH JUDICIAL DISTRICT.**

Commissioner Gary Kofford made a motion to approve the MOU for Bailiff services to the Seventh Judicial District. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION OF SALE OF COUNTY OWNED PROPERTY 4-54-6.**

Commissioner Hatch explained that this is a piece of property located at approximately 1350 East 2000 South in Lawrence. He read the policy and procedures for disposal of county property.

Commissioner Gary Kofford made a motion to get with Leslie Bolinder to begin the disposal of county property process, establish a value for the land and sell the property. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**RE-ADDRESS CONSIDERATION OF SALE OF COUNTY OWNED PROPERTY 1-50B-6**

Commissioner Hatch explained that this is a piece of property located at approximately 500 West 40 North in Cleveland. Commissioner Gary Kofford made a motion to get with Leslie Bolinder to begin the disposal of county property process, establish a value for the land and sell the property. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF RIGHT-OF-WAY UTU-0144416  
AMENDMENT (GREEN RIVER COMMUNICATION SITE)**

Commissioner Drew Sitterud made a motion to approve Right-of-Way UTU-0144416 Amendment which allows the use of public land for construction of a communications tower. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR  
STEWART/WALSH.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented a request for ambulance write-off from Nathan Stewart. His insurance has paid all that they will pay. Mr. Stewart is not able to work as a result of his accident and as a result is not able to pay the remaining \$118.60. Commissioner Drew Sitterud made a motion to write-off the remaining \$118.60 of his ambulance bill. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

A second request was presented for Kathleen Walsh. Ms. Walsh has made no attempt to pay any amount on the bill. Commissioner Gary Kofford made a motion to deny the request at this time. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**  
**DISCUSSION OF PAY RAISES FOR SHERIFF DEPARTMENT EMPLOYEES.**

Sheriff LaMar Guymon presented the Commissioners with an in-house study comparing law enforcement salaries in Carbon and Emery Counties as well as Utah Highway Patrol. The study particularly looked at beginning salaries of experienced, certified and uncertified employees. The study also included average wages of employees in the private sector such as coal miners and truck drivers. This comparison was to show what the average worker can make in the private sector compared to public service. Several deputies were present to express their support for a proposed ten percent salary increase. Sheriff Guymon commented that even with a ten percent increase in wages they would still not meet the wages of other agencies. That would take a twenty percent increase. He indicated that he is in jeopardy of losing one of his deputies now to UHP. These officers are costly to replace. It takes a year to send an officer to POST to certify. These men have a hard time raising a family on these wages. One deputy indicated that his brother, who is not POST certified was just hired by UHP and is making more than a dollar more and hour than he is with POST certification and five years experience. Another deputy expressed concern that many of the deputies, based on their income, qualify for food stamps and

COMMISSION MEETING MINUTES  
AUGUST 2, 2005

WIC programs. The deputies asked that the Commissioners take a look at the comparison study and consider their request.

Commissioner Gary Kofford reminded the deputies of their benefit package. Insurance premiums have increased eleven percent this year. The county pays \$10,000.00 to \$15,000.00 per year, per employee for benefits. Some employees take home less money than what their insurance package costs per month. Because we live in a rural area insurance rates are higher. If we lived on the Wasatch front we would have lower rates due to the competition. Wages are one of the things we trade off to live in this area. At this time employees do not pay any of their premium, the county pays it as your benefit package. He suggested that they take a look at the insurance packages of these other agencies. Many have to pay a percentage of their benefit package as well as higher deductibles.

Road Supervisor, Rex Funk stated that he is having similar problems within his department. He recently lost an employee to the private sector. He is finding it increasingly difficult to find people willing to work for the wage the county offers.

All three Commissioners indicated they would work on a solution as they move into the budget process this fall.

(11)

**CONSIDERATION AND APPROVAL OF DRUG COURT AGREEMENT**

Commissioner Gary Kofford made a motion to approve the Drug Court Agreement. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF CELL PHONE REIMBURSEMENT FOR BUILDING INSPECTOR.**

Commissioner Gary Kofford made a motion to approve \$45.00 a month cell phone reimbursement for Bob Bennett, Building Inspector. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF PAYMENT IN LIEU OF TAXES REQUEST BY EMERY COUNTY HOUSING AUTHORITY.**

Commissioner Drew Sitterud made a motion to deny the request of Emery County Housing Authority for payment in lieu of taxes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit list and additional claims #170799 through #170932 for payment.

There were no requisitions.

Dispositions were presented as follows:

#160-6327 1996 Chrysler Concorde to be sold at the next auction, 146-7231, 144-6582, 580-7323, and 138-7191 computers to used at the county fair for prize drawings.

Commissioner Drew Sitterud made a motion to approve payment of the Warrant Check Edit List and additional claims and the dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF PERSONNEL ACTION**

Personnel Director, Mary Huntington presented the following Personnel action:

Planning & Zoning

Request was made to give Margaret McMullin her routine progressive increase effective August 6, 2005. Commissioner Gary Kofford made a motion to approve a routine progressive increase for Margaret McMullin as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Museum of the San Rafael

Jan Pettersen will have completed her six month orientation period on August 15, 2005. Request was made to give her a one step increase as prescribed by policy. Commissioner Drew Sitterud made a motion to allow a one step increase for Jan Petersen as of August 15, 2005 as described in the personnel policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Department

COMMISSION MEETING MINUTES  
AUGUST 2, 2005

Michael Van Wagoner reached his one year anniversary employment date on July 26, 2005 and is now eligible for a routine progressive wage increase. Clayton Bell has completed POST certification and is now eligible to move into public safety with the appropriate routine wage increase. Commissioner Drew Sitterud made a motion to approve the routine wage increases for Michael Van Wagoner and Clayton Bell as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

Duston Tucker has terminated his employment with Emery County as of August 5, 2005. Rex Funk requested approval to hire two people as full time employees with a salary grade 12. He would like to post in house for five days for an Equipment Operator to fill Duston's position and post in house and outside for an Equipment/Driver Operator 1 after Duston's vacated position has been filled. Commissioner Gary Kofford made a motion to approve posting in house to fill the equipment operator position and table posting in house and outside for equipment/driver operator. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

HIPPA Privacy Officer

Mary Huntington asked to have Pat Snowball's name removed as the HIPPA Privacy Officer. She asked to have her name submitted as the new HIPPA Privacy Officer for Emery County. Commissioner Drew Sitterud made a motion to appoint Mary Huntington as Emery County's HIPPA Privacy Officer. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated July 19, 2005 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(17)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on the Miss Emery Pageant. He reported on the success of the Desertview Pro Rodeo.

He has been appointed to the CIB Board.

7

COMMISSION MEETING MINUTES  
AUGUST 2, 2005

He spent a week with the BLM RAC at Factory Butte. This area has been open for OHV travel for ten years. Sierra club has put a court order in to stop the OHV travel.

He thanked Morris Sorensen, Sheriff Guymon, Kyle Ekker for their help during the Fair preparations.

Camping will remain as is for now at the Wedge.

*Commissioner Kofford*

Commissioner Kofford reported that the new Building Inspector, Bob Bennett started work last week.

*Commissioner Hatch*

He welcomed Mary Huntington as the county's new Human Resource/Personnel Director.

He reported on the meeting with Congressional Representative Jim Matheson. Elected officials and other county and city officials were in attendance. It was a good meeting.

He reminded the other Commissioners of the upcoming Jurisdictional Transfer of Roads Committee meeting.

Also there will be a Help Vote America meeting in Richfield. Bruce Funk and Gary Kofford will be attending that meeting.

Risk Management met recently to begin working on the county's point record to improve the county's rebate on insurance premiums.

**(18)**

**ATTORNEY CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An Executive Session was not needed.

**(19)**

**ADJOURNMENT**

8

COMMISSION MEETING MINUTES  
AUGUST 2, 2005

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY SHERIFF'S COMPLEX IN GREEN RIVER, UTAH

AUGUST 16, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Sr. Deputy Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

The meeting was called to order at 4:00 p.m.

(1)

**RATIFICATION/APPROVAL OF RIGHT-OF-WAY GRANT AND TEMPORARY USE PERMIT FOR THE TEMPLE MOUNTAIN ROAD (UTU-79524).**

The right-of-way extends from U-24 to Temple Mountain Road/Goblin Valley Junction. This right-of-way is from the BLM. Documents have been signed in preparation of a temporary use permit. Commissioner Drew Sitterud made a motion to accept the right-of-way temporary use permit. Funding for this project is a 50/50 grant/match. The Emery County Special Service District #1 has set aside the matching funds. Commissioner Gary Kofford seconded the motion and it was approved by all members present. It was also mentioned that the Utah State Parks has set aside \$300,000 to build a visitor's center at Goblin Valley.

(2)

**DISCUSSION OF GRAND COUNTY CONSOLIDATION OF SPECIAL SERVICE DISTRICTS WHICH WOULD INCLUDE PART OF EMERY COUNTY.**

Emery County received notification from Grand County their intent to consolidate their special service districts. A portion of the district would include Emery County. Mr. Bill Love was present to voice his concern over the proposal. Mr. Love is a member of a committee of 500 citizens who are working to stop this reorganization. Mr. Love stated that Grand County wants to add the services of water and sewer. All citizens within the proposed boundaries would be liable for any future bonds. The district is looking at a multimillion dollar water project. There are already concerns of water shortages and the district is looking at adding another 2,000 acres to their boundaries. Mr. Love is asking all those concerned to voice their disagreement and ask to be exempted from this district. Mr. Love stated a lot of people in Grand County are against this proposal. Attorney David Blackwell has been in discussions with the Special Service District's attorney. This proposal would be deemed rejected if we do not approve it within 30 days. Mr. Blackwell is looking into getting a written agreement with the District stating that the portion in Emery County would not be taxed for the new projects since Emery County will not be receiving any services. Individuals may file written requests of protest. Mike Suarez urged the Commission to take their time on this issue. His concern is when the District needs additional money all prior promises may be off. Commissioner Gary Kofford made a motion to

table this item and instructed Attorney David Blackwell to continue to work with Grand County's Attorney understanding if we do not submit a letter of support it is the same as rejecting the proposal. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN STATE OF UTAH AND EMERY COUNTY - HELP AMERICA VOTE ACT OF 2002 VOTING SYSTEM.**

This agenda item is in relation to the Help America Vote Act of 2002 enacted by the Federal government. The election in Florida created a stir and the government has taken a mass approach to a localized problem. The federal government allocated funds to the State to help counties comply with the law. A meeting has been set up on August 29, 2005 with Lt. Governor Gary Herbert to discuss our options. Commissioner Gary Kofford made a motion table this item until they have a chance to meet with the Lt. Governor. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF FY2006 CONTRACT BETWEEN EMERY COUNTY AND THE SOUTHEASTERN UTAH AREA AGENCY ON AGING.**

Emery County has an agreement with the Southeastern Utah Area Agency on Aging (SEUAAA) to operate the Senior Citizen program. The AOG operates on money received from the State and Federal government and Emery County contributes local funds. Commissioner Drew Sitterud made a motion to approve the contract with SEUAAA. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF RESOLUTIONS FOR EXTENSION OF CULINARY WATER LINES IN NORTHERN EMERY COUNTY.**

Attorney David Blackwell explained that the Price River Water Improvement District has proposed a sample resolution that would extend its water lines further into Emery County. The County would not oppose this proposal because Price River Water would be providing services. The resolution is not ready to be approved at this time. It would first have to be approved by Carbon County. Any future developments would have to be approved by the Emery County Planning and Zoning department. Mike McCandless voiced his concern over whether the two districts would have overlapping boundaries. Commissioner Drew Sitterud made a motion to have Attorney David Blackwell continue to work with the Price River Water Improvement District to work out the details. The motion included approving the concept of the extension of

water lines. The motion was seconded by Commissioner Gary Kofford and approved by all

3  
Commission Meeting  
August 16, 2005

members present.

**(6)**  
**CONSIDERATION AND APPROVAL OF AGREEMENT WITH UTAH POWER & LIGHT ON THE HUNTER/SR 10 INTERCHANGE.**

This item was tabled.

**(7)**  
**CONSIDERATION AND APPROVAL OF ACCESS AGREEMENT WITH UDOT FOR COUNTY ROAD #426 NEAR THE HUNTER/SR10 INTERCHANGE.**

Emery County has been working with Utah Power & Light and the Utah Department of Transportation (UDOT) to come up with a safer intersection for the traffic at the Hunter/SR10 interchange. UDOT is requesting an agreement with Emery County that should the accident severity rate increase after the new interchange is in place, the County will work with UDOT to come up with a solution to make the County Road intersection safer. A last resort would be to move the intersection.

Commissioner Gary Kofford made a motion to approve the access agreement with UDOT for county road #426. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**  
**5:00 P.M. - PUBLIC HEARING - TO RECEIVE PUBLIC COMMENT ON AMENDMENT TO THE ORDINANCE DESIGNATING EMERY COUNTY ROADS, STREETS, OR HIGHWAYS OPEN FOR OFF-HIGHWAY VEHICLES AND FINALIZATION/APPROVAL OF MAP.**

Public Lands Director Ray Petersen stated that an ordinance was adopted in May designating OHV routes. Mr. Petersen read the proposed amendment to the ordinance and showed a map of the county road system. The roads on the map shown in green are designated to be open. The roads on the map shown in red are designated to be closed. Any change to a road designation would be done by amendment to the ordinance. The following comments and questions were addressed:

*Connie Copenhaver:* As part of the Green River Chamber of Commerce they are encouraging Green River to become an OHV destination place. If a road is developed as an OHV route how difficult would it be to get the road designated open for OHV travel? Mr. Petersen stated it would have to go through the same amendment process that is being done today.

*Mayor Johnson:* Is it possible to go from Green River, San Rafael Road, Goblin Valley Temple Mountain across I-70 to Buckhorn Draw. There is a round about route that would get you to all of those places. Upon adoption of the County OHV system each City can re-enact their own ordinances designating OHV routes on city streets.

Mr. Petersen stated that the intent of this ordinance is to accommodate use. The only reason you can access a county road by an OHV is to get to other trail designated systems.

Patsy Stoddard: There were three roads in question when the original ordinance was adopted. What is the status of those roads?

Mr. Petersen stated the three roads in question were Buckhorn Draw, Bott Lane and Ferron Canyon. Buckhorn Draw is proposed to be closed. A portion of Bott Lane is proposed to be open. A portion of Ferron Canyon road is also proposed to be open.

With no further comment the public hearing was closed.

**(9)**

**REQUEST SUPPORT/FUNDING OF GREEN RIVER COMMUNITY CENTER.**

Mayor Johnson read a letter from Zina Willard in support of building a community center. Mr. Johnson requested any help the Commission can give to the community center. Kristine Monroe has collected letters from those that are willing to pay rent for space. Joni Pace stated that the community center has created 23 jobs. There are 13 youth mentors and recently have used 10 Americorp workers for projects in Green River. The community center builds economic growth.

Commissioner Hatch stated the Commission receives many requests for community projects. The Commission has been supportive of these projects but does not have the means for monetary support. Commissioner Sitterud suggested getting the project on the Community Impact Board (CIB) requests. The reason that the project did not get through the Association of Governments last time was it was on the wrong forms. Commissioner Sitterud stated that there would be a good chance that the CIB would fund the project.

**(10)**

**CITIZEN CONCERNS.**

*Sheriff LaMar Guymon:* Sheriff Guymon thanked the road department and especially Morris Sorensen for his help with the fair.

*Connie Copenhaver:* Ms. Copenhaver expressed her support for the community center. Getting

educated employees business is a major concern in the community. Members of the Chamber of Commerce are looking at ways to diversify Green River through other economic opportunities.

**Mayor Johnson:** Mr. Johnson submitted to the Commission a request for reimbursement of attorney fees for the Green River Annexation. Mr. Johnson read a letter from the city's attorney. Mayor Johnson feels that the County still owes \$14,000 in legal fees. He proposed that the fees come out of the attorney's budget. Commissioner Hatch stated that this subject has been hashed over several times. The initial annexation was instigated by Green River City. He feels that County has been more than fair by paying over half of the legal costs.

Mayor Johnson stated that melon days will be held September 16<sup>th</sup> and 17<sup>th</sup>.

**Dale Adams:** Mr. Adams moved from Santa Barbara California to Green River fourteen years ago. Mr. Adams has been asked to chair the revitalization committee. The entire subject of revitalization revolves around money. Mr. Adams has taken many pictures of Green River and feels it has been neglected for many years. According to Mr. Adams "There needs to be a plan for the future. Green River is on the verge of becoming a ghost town. One way to improve funding is to increase tourism but there has to be more than just gas stations, restaurants and motels. The downtown area needs to be developed. The time has come to do something instead of just talking about it. Green River needs to adopt the motto 'Just Get it Done' and work with the Commissioners and the other cities in Emery County to make this revitalization work."

(11)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 171108 through and including #171274 for payment.

Requisitions were presented for the following:

<b><u>REQUISITION</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AMOUNT</u></b>	<b><u>ACTION</u></b>
48-05	Marker and Tack Board for Command Center	5,250.00	Approved

Dispositions were presented for the following:

6

Commission Meeting  
August 16, 2005

<u>ASSET</u>	<u>DESCRIPTION</u>	<u>HOW DISPOSED</u>	<u>ACTION</u>
143-6534	HP Printer Laserjet	Auction	Approved
216-8005	Minolta Camera	Auction	Approved

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, Additional Claims and Requisitions as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members presented.

(12)

**APPROVAL OF PERSONNEL ACTION.**

Personnel Director Mary Huntington presented the following personnel action requests:

***Road Department***

Rex Funk has requested Dustin Deto be promoted from 9 month temporary hire to full time Equipment Operator/Driver with benefits. The job was posted in house for five days and Dustin is the only person who applied. He would start at grade 12 entry. This action would be effective August 29, 2005. Commissioner Gary Kofford made a motion to hire Dustin Deto as a full time employee. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

***Travel Council***

Mike McCandless has requested that Donna Hatfield be hired for the Information Center Specialist position in Green River. This position is a 90 day temp with no benefits. Commissioner Drew Sitterud made a motion to hire Donna Hatfield. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated August 2 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(14)

**COMMISSIONER REPORTS**

7

Commission Meeting  
August 16, 2005

***Commissioner Sitterud***

Commissioner Sitterud thanked Morris Sorensen and the rest of the Road Department for their help at the fair. Commissioner Sitterud also thanked the Sheriff and his deputies for their help in making the fair successful. Friday morning the park was opened for the special needs kids. Commissioner Sitterud stated it was a touching event to be a part of.

***Commissioner Hatch***

Commissioner Hatch reported that Commissioner Kofford and Clerk/Auditor Bruce Funk attended a HAVA meeting in Richfield with Lt. Governor Gary Herbert. Commissioner Kofford also attended a road jurisdictional transfer meeting.

**(15)**

**EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

There was no executive session.

**(16)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting at 6:30 p.m.. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF A PUBLIC MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 29, 2005

Commission Chairman Ira Hatch called the meeting to order at 10:30 a.m. He stated the purpose of the meeting was to hear information from the Lieutenant Governor's office regarding the Help America Vote Act of 2002 and the state's proposal to purchase new voting equipment.

Commission Chairman Ira Hatch welcomed Lieutenant Governor Gary R. Herbert and staff member Joseph Demma.

Lt. Governor Gary Herbert summarized the state's desire to become compliant with the Help America Vote Act enacted in 2002. For more than eight months he and his staff has worked with election officials statewide to modernize the way we vote. Utah has implemented major election reforms such as provisional ballot voting, the statewide voter database and the selection of revolutionary voting equipment. The Help America Vote Act of 2002 (HAVA) is a landmark federal law drafted after the 2000 presidential election to improve voting system technology and election administration procedures. HAVA gives the states responsibility for fulfilling a long list of mandates. The deadline for implementing two of the most notable ones—statewide voter registration databases and disabled-accessible voting equipment— is January 1, 2006.

The Help America Vote Act gives states until January 1, 2006 to implement voting systems that meet the following requirements:

- \* Notify a voter if he/she over-votes, or selects more than one candidate for the same race, and gives him or her the opportunity to correct the ballot;
- \* Produce a permanent paper record with a manual audit capacity;
- \* Provide levels of access, privacy and independence to disabled voters that are equal to those available to other voters; and
- \* Provide alternative language accessibility in accordance with the requirements of the Voting Rights Act.

Utah, like most other states, has been precluded from moving ahead as quickly as election officials here had hoped. Even though HAVA was enacted in 2002, the states did not receive federal funding until June 2004, and the law has still not been fully-funded. Guidance expected from the U.S. Election Assistance Commission, created by HAVA to help the states implement the law, was not received until mid 2005.

Unfortunately, promised federal guidelines for voting systems were not released until mid-2005. Facing deadlines just months away, Utah was forced to move ahead with equipment purchases without the updated guidelines. Utah has required contractors to retrofit the equipment to ensure it meets voluntary federal standards.

A request for proposals was issued. We received responses from Diebold Elections Systems, Inc. and ES&S. A winner was selected after unanimous support by Utah's Voting Equipment Selection Committee. The Lieutenant Governor's office is currently in negotiations with all of Utah's twenty-nine counties as well as with Diebold Election Systems, Inc., the winning vendor. Utah will spend about 92% of our HAVA dollars on new voting equipment purchases. The breakdown of Utah's voting equipment in 2006 will be a mix of Direct Recorded Electronic Equipment (DRE Touchscreens) and optical scan for absentee ballots. The Lieutenant Governor and the Voting Equipment Selection Committee selected Diebold Election Systems, Inc. because their proposal received the highest scores in technical evaluations, security demonstrations, cost comparisons, and overall. Diebold's system produces a permanent paper record as required by Utah law and improves accessibility to voters with disabilities.

Under the state statute the Lieutenant Governor is the chief elections officer. He has the ability to mandate what system the counties use for elections. He would like the counties to make their own choice. However, the state will buy the equipment, and give to you at no cost to the county, if they choose to use the DRE's. The recommended number of DRE's is 1 per 119 voters for Emery County. He stipulated that there will be challenges as far as the Americans with Disabilities Act. He stated he realizes that there will be other costs associated with the election. However, you will not have to buy the equipment if you go with Diebold.

Diebold will have support persons assigned to each county to support and train personnel. Also Lloyd Carr is working on a storage, set-up and testing service. Maintenance of the DRE's will require the machines to be stored in a climate controlled area where they can be plugged in every three months for a couple of hours to recharge the batteries.

Commissioner Hatch asked about the paper trail in the event that someone wants a recount or to be assured that their vote was counted. Mr. Herbert answered that as per state legislation there must be an audit-able paper trail. There will be a paper receipt that will need to be counted by hand. It will be labor intensive and can be done. The Diebold people are working to develop a scan type of apparatus to count for you the barcode that is on the receipt. They hope to have this technology ready by June of 2006. This new technology will be part of the upgrade package that will be available to the county as part of the contract as technology progresses.

What kind of warrantee is on the machine?

The machines are warranted through 2009. The machine may be replaced or shipped back to Diebold for correction.

Commissioner Sitterud asked what recourse the County has if the machines fail? If the machines are not working you are not out anything because the state has provided the machines. The state has taken the risk out of it for the taxpayer as far as the machines are concerned. If you have to replace it down the road you will have to pay for it. If you do not choose to go with Diebold you will have to pay for it yourself. Whatever you choose you will have to be HAVA compliant.

Commissioner Hatch asked about multiple entities using the DRE's. Will our IT people be able to make the necessary changes to be used for say a special election or special precinct needs?

Mr. Herbert stated he did not see a problem with the machines being programed for our special

needs.

Commissioner Kofford asked about the encoder. It has not been shown at any of the showings. Mr. Herbert explained that it allows the judge to encode a card with your specific code that will tell the machine what ballot you need. Once that code is used you can not use it again.

Clerk/Auditor Bruce Funk asked how will provisional ballots be handled? Herbert indicated that provisional ballots will be handled as absentee ballots using the optical scan reader.

Mr. Funk expressed concern for the printer that Diebold presented and asked if ES&S's AutoMark will be certified by his office. Mr. Herbert indicated that ES&S has not submitted application to have the AutoMark certified as of yet. He did not foresee a reason to not certify the AutoMark.

A mock election testing was held in California using 96 DRE machines. The machines were set up in a warehouse with people rapid fire voting through the election process until they had done 10,000 ballots. They had twelve paper jams. On one of the papers the print was smudged. One machine had screen freezes. There were no votes lost. He expects that California will

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 6, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**INTRODUCTION OF MISS EMERY COUNTY AND ATTENDANTS.**

Newly crowned Miss Emery County, Shala Pitchforth, was introduced to the Commissioners. She presented her goals and plans for the year. She is working on a Keys to Success program at Emery High School that encourages students to do their best. Huntsman's Motor has donated a car that will be drawn for at the end of the school year. Students who earn tickets for positive actions will be entered into the drawing. She thanked the Commissioners for the opportunity given to entrants to present their talents that the Miss Emery County Pageant offers to young women in the county. She thanked them for their support.

(2)

**DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR presented the following quarterly update:

- \* Duck Fork Reservoir fish trap will be completed in the next couple of weeks. They will be removing spawning from the trap to check for disease. Will be ready for Spring of 2006.
- \* They have found another source for Colorado Cutthroat in Scad Valley.
- \* Elk classification is complete for 2005. They anticipate a good hunting season.
- \* They will continue to cut back on Elk tags in an effort to build up the herds.
- \* They will present an Antelope transplant plan through the RAC board process.
- \* Chronic Wasting Disease, they will be running a check station in Helper during the muzzle loader hunt to check for the disease.
- \* Bighorn Sheep hunt begins next week.
- \* Mitigation for gas wells in the Poison Springs area has been completed.
- \* Co-Op Mine has agreed to work with the DWR to mitigate eagle nest problems.

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

(3)

**MESIA NYMAN, FS- QUARTERLY UPDATE.**

Bill Broadbear, Ferron-Price Ranger District presented the following update:

- \* Range/Wildlife conducted a weed survey around Electric Lake. They surveyed 10,000 acres for noxious weeds.
- \* Grazing EIS has reached the end of its comment period. A decision will be announced soon on 31 sheep allotments on Skyline Drive.
- \* They have put in guzzlers for Sage Grouse in the Pines area.
- \* Sportsmen for Fish and Wildlife and SUFCO volunteers worked on 90 miles of motorized and non-motorized trails this season.
- \* Scout and dedicated hunter groups worked on projects in the Duck Fork area, Potters Pond, and Seely Guard Station. They are renovating the Seely Guard Station. The goal is to have the station be reserve-able by the public for a fee.
- \* Joe's Valley received fuels treatment of approximately 960 acres of pinion juniper in the Orange Olsen area, around the guard station and campground. They burned over 1500 acres in the Pines area as fuels reduction.
- \* They suppressed 15 wild fires this season, the longest in the Pines and White Knolls areas.
- \* They are leading the region in fire use acreage.
- \* They will be looking at potential boat ramps at Ferron Reservoir and Huntington Lake.
- \* They are getting good comments regarding the new boat ramp in Joe's Valley.

(4)

**PATRICK GUBBINS, BLM- QUARTERLY UPDATE.**

Mr. Gubbins was not able to attend the meeting.

(5)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING  
FOR PERIMETER SECURITY SERVICES TO THE SEVENTH JUDICIAL DISTRICT.**

This is the same MOU as last year. Commissioner Drew Sitterud made a motion to accept the Memorandum of Understanding for perimeter security services to the Seventh Judicial District as written. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN STATE OF UTAH AND EMERY COUNTY FOR VOTING EQUIPMENT TO COMPLY WITH THE HELP AMERICA VOTE ACT OF 2002 VOTING SYSTEM.**

Commissioner Ira Hatch explained that they have before them an agreement between the State of Utah and Emery County for voting equipment to comply with the Help America Vote Act (HAVA) of 2002. This is something that was mandated by the federal government in reaction to the voting problems that surfaced in Florida's last election. There was great wisdom used by Congress in putting together guidelines and money to help fund this effort. This is an effort to hopefully get everyone on line and in compliance with helping people vote. There has been much talk about this effort. There are pluses and minuses associated with this agreement. Lieutenant Governor Gary Herbert is the Chief Election Officer for the State of Utah over the election process. His office sent out for bids for proposals for election equipment. The State of Utah awarded the bid for the election equipment to Diebold Election Systems, Inc.. The agreement that is before the Commissioners today is whether the county will buy into the state's program. The state would provide some of the equipment needed to comply with the HAVA requirements. We would still have some considerable expense involved with the election. We have the option of not going with the state's program but upgrading our present system. This would mean we, the county would bear all the expense of the election with no help from the state.

Commissioner Hatch opened the meeting up for comment or discussion on this matter.

Clerk/Auditor Bruce Funk stated that he has spent more time on this issue than anyone. He has been actively involved with the election process for over twenty years. He has looked at the pros and cons of this issue. Elections is the most critical aspect of his office. It is one of the things he takes most pride in; in assuring the voter that every vote is counted. There are those who make accusations about him and his office and he says to them they are unfounded. He has removed situations that were questionable, he has put people in positions to add credibility. The election process is important to him. One of the great rights we have is the right to vote. The other is the right to free speech. In September of 1996 he made the decision to go to the optical scan ballot, which is what we are using now, realizing that Emery County would be the only county using it and we would have to fend for ourselves. The majority of the state was using the punch card system. He would not have the support that the other counties would have. He had seen the problems with the human error factor and was not comfortable with the punch card system. He was not comfortable with the ability for a recount. He felt it was important to have a paper trail. He felt it was important that the voter have a paper ballot that they could hold in their hand and deposit in a ballot box. After HAVA was implemented, we, as county clerks set up a election committee made up of county clerks, people from the disability group, legal people, etc. He chose not to be on this group because he wanted to wait and see if there was something in future

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

election technology. At that time Lt. Olene Walker indicated to him that all we would have to do is become HAVA compliant and she would fund us for that mechanism. In the time since then we now have a new Lt. Governor. Mr. Funk's insistence for being there was if there was a new technology and if it was he felt was right for the voter he would support it, endorse it and implement it. We now have a new Lt. Governor who has tied up the purse strings to the HAVA money. It has put us in a precarious position because in order to become HAVA compliant we have two choices; we have to do it under their vendor, Diebold who won the state contract, or we stay with our vendor, Election Systems and Software, (ES&S). We would have to purchase the Automark to take care of the handicapped and hearing impaired. The Automark would also check for over-votes and those other things required under HAVA. To stay with our vendor that cost is a fixed cost of \$5,000.00 per precinct. It gives the voter the opportunity to have their ballot scanned, at their option, to see if they over or under-voted. Or it gives the voter the opportunity to go in and use the touch screen and mark their ballot. The same ballot that we use for every voter that passes through that polling place. The other thing is that we have one technology, one vendor. We have an optically scanned paper ballot that you can deposit securely on file and know that it is accountable. The law says that a vote must have an auditable paper trail. A paper ballot has integrity. As he tried to get pricing for touch screen, he cannot find a firm number. He can't give the Commissioners a firm number. He has gone back to the numbers he has read in the paper. He talked about the cost to Wayne County which is close to \$40,000.00 to go with Diebold's DRE's (Digital recording Equipment). Utah County will have to put up an additional \$300,000.00 mostly due to growth. Salt Lake County is talking millions of dollars. Mr. Funk projects that to stay with the state plan will cost the county over the \$45,000.00 required for the Automark in each of the polling locations. He cannot guarantee that number. Lloyd Carr, who is coordinating the programming, set-up and storage service cannot even come up with a price that he is comfortable with. We are going off into an unknown that none of us as county clerks are comfortable with. We are locked in. The state is holding the purse strings and there is no other direction for counties to go. Except for Emery County. We do have a structure in place. We have a ballot system with a ballot that you take to a voting booth then deposit into a ballot box and is counted by a optically scanned machine. They do not know what they are going to do with provisional ballots, whether they will be computerized or paper. Paper ballots for provisional ballots cannot have a number attached to them. We were promised that we would put in all Diebold optically scanned equipment. We would put in a central counter and have precinct counters for the handicapped and a touch screen that mark an optical scanned ballot. That machine is not out there. After all his work and effort he feels that, for the voter and the taxpayer, the only right decision would be to go with the optically scan ballot. Stay with ES&S and add the Automark that we know the cost of. We are going to have substantial cost with the other vendor. Just as we are with ES&S, but he knows what that amount would be. He can live with that amount and can take you through a presidential election with that amount. He talked about the recount of the roll of tape from the DRE if a recount is needed. It will be a laborious task. If he has to have a recount now on the optically scan he just runs it back through the machine. He can lock-up and secure the ballots and they do not have a climate controlled environment. He has kept quiet somewhat on this to the public up until now.

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

He needs to let the public know where he stands. The Lt. Governor is the election official of Utah and he, Bruce Funk is the election official of Emery County. He doesn't like that responsibility. That puts a great burden on somebody. He takes this responsibility very seriously, just as the Lt. Governor does. The Lt. Governor has given us the option to opt out. He doesn't think that the Lt. Governor should be able to go back on his word and punish us for staying with ES&S. And yet the Commissioners feel this pressure. And others feel that might happen. Remember when we voted down the monument and we gave tens of thousands of dollars back to the state because we were afraid of them. At some point we need to stand up and say what we believe. If the Commissioners want to go with Diebold and the touch screen, he will support them. If he can't support them at some time, then he will step aside. They are making decisions and are saying who will do what and where. There are people here who are afraid to go against the state because of political appointments. He told the Commissioners's that their responsibility is to the citizens of Emery County, just as his is. It is not to the Lt. Governor. He, Bruce Funk needs to comply with state requirements. The ES&S optical scan equipment is 2002 certified. He believes that even though it is not the prettiest or most up to date it is the most trustworthy especially if we need a recount. If Diebold would have put the recount provision on the touch screen he could have bought into it. If activist groups challenge the election and we have to do a recount it can cost thousands of dollars and very laborious. He goes back on his experience of running an election for over twenty years.

Emery County Progress Editor, Patsy Stoddard asked in twenty years how many times have you had to have a recount?

Bruce Funk stated that it is not a frequent thing. Sometimes it is done a local level, we have had some on a state level.

Commissioner Gary Kofford commented that the Diebold (DRE) has three computer chips that records the votes. If something happens to one you still have the others. Legislature, under pressure from the people, did not want a paper ballot. So you cast your ballot on the DRE machine. If you under vote it won't let you cast your ballot if you over vote it won't let you cast your ballot. It still has some ways to go. If you wanted a recount on the present system you will be manually recounting a paper ballot. If you wanted a recount on the DRE you will be manually recounting the tape roll.

The law states that it must be counted from that portion of the ballot or the reel that the voter can read. It does not say that the line has to be manually recounted. This is House Bill #1005 John McDougal wrote that bill. As Lloyd Carr and Bruce Funk and Utah County Clerk met with McDougal in Utah Legislative session said what is they were trying to do, he said he wanted the voter to see how he voted. As they worked through the process and tried to get clarification, Bruce brought out a ballot that he used and showed it to Mr. McDougal and Mr. McDougal said that is exactly what he had in mind.

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

There are several provisions in line if things were to go down. If the power goes out I have provisions in line to keep the election process going. If a machine goes down in Green River I have provisions in line to handle that.

Commissioner Kofford, if we stay on the ES&S system it will cost the county \$45,000.00 and the county is on our own provided we don't need additional machines in each precinct. If you go with the Diebold System as the state recommends, we will be entirely funded minus the operation and maintenance. This is the unknown. How much will that operation and maintenance cost on the machines in the future?

Bruce Funk, under HAVA you are required to provide the opportunity to the voter to check their ballot for over votes.

Commissioner Sitterud, when you cast your vote on the computer and you get to the end, the computer tells you if you have over or under voted and it tells you what you have to fix. When you finish it prints out who you voted for on a tape. The machine comes with a five hour back-up battery. During the mock election the state held at South Towne in Salt Lake City where the two machines were set up for the mock election both systems had a machine go down.

Patsy Stoddard asked if we stay where we are it will cost at the minimum \$45,000.00? If we go with the state's recommendation it will be funded entirely except for operation and maintenance by the state?

Commissioner Hatch indicated that there are some things we will have to pay for. The contract outlined the things the state will not pay for. We will need additional staff, additional training, supplies, transportation, we will have to have additional storage space, and other things as outlined in the contract. There are going to be additional cost involved. We don't know if these costs will exceed the minimum to stay with what we have.

Patsy Stoddard asked if the Diebold system will satisfy the handicap requirements?

Both systems will accommodate this requirement.

Commissioner Hatch stated that we all realize that we are going to have to become HAVA compliant. How we get there will be determined by the Lt. Governor. If we make some modifications to our existing system hopefully that will make us HAVA compliant. If we go with the complete Diebold Systems proposed by the state we would be compliant as that is what they are touting.

Bruce asked how they would propose he conduct a public testing of logic and accuracy? How can he test all forty machines for this public testing? This was an unknown.

Patsy asked what kind of cost are involved with the operation and maintenance on the machines

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

we currently have?

Commissioner Hatch answered that we store the machines ourselves and the operation and maintenance is mostly done by Jeff Guymon, IT Technician. There are benefits both direction.

Commissioner Sitterud commented that if we do go with the Diebold and it doesn't work, we can drop it at anytime.

Commissioner Hatch commented that there is the possibility that If we don't go with Diebold at this time and later it is mandated it could cost us. We may not get help to get into the system.

Commissioner Hatch called for any additional comments. There were no more comments.

Commissioner Drew Sitterud made a motion to go with the state's recommendation and to approve the agreement to comply with the Help American Vote Act. The motion was seconded by Commissioner Gary Kofford. Commissioner Ira Hatch voted NAY on the motion. The motion passed with two for and one against.

(7)

**DISCUSSION OF BUILDING CODE BOOKS FOR CONTRACTOR PURCHASE.**

Building Inspector, Bob Bennett discussed the need to have building code books available for contractors to review in the office, check-out or buy at member price. Planning and Zoning has enough money in their budget to pay for two residential and 2 commercial code books. Commissioner Gary Kofford made a motion to approve the purchase of code books to be made available to contractors to purchase. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Sales tax will need to be charged to the sale price.

(8)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND MUNICIPALITIES FOR GENERAL BUILDING INSPECTOR SERVICES.**

Commissioner Gary Kofford explained that all the municipalities have now signed the agreement with Emery County for general building inspector services. Commissioner Gary Kofford made a motion to accept the contract as written. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF GRANT APPLICATION FOR BUSINESS DEVELOPMENT FOR DISADVANTAGED RURAL COMMUNITIES GRANT**

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

**PROGRAM.**

Economic Development Director, Mike McCandless explained that the State Legislature this year approved \$250,000.00 through legislative action to set aside money for disadvantaged rural communities grant program. The new administration staff in the Lt. Governor's office had the task of determining how the money will be spent. They determined that they would develop a grant proposal program wherein the counties could apply for grants to receive the benefits. One prerequisite to filing for the application is to have the county commission approve of the process. He asked for authorization to work on a grant proposal to make application to receive funds for business development. He has not determined just what they are going to work towards at this time but will keep the Commissioners advised of the progress. Commissioner Gary Kofford made a motion to approve moving ahead with making application to participate in a disadvantaged rural communities grant program. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Ira Hatch asked that the grant proposal be brought before the Commissioners again before it is submitted.

Commissioner Gary Kofford made a motion to take a break for a few minutes. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to leave the regular Commission Meeting and move into a public hearing to receive public comment on amendments to the ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and finalization of the map. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**5:30 P.M.- PUBLIC HEARING- To receive public comment on amendments to the ordinance designating Emery County roads, streets, or highways open for off-highway vehicles and finalization/approval of map.**

Ray Petersen, Public Lands Director provided a brief review of the process preceding the approval of the amendments being presented today. He read the proposed amendment and reviewed the proposed map.

Comments were received as follows:

Mike Swensen, Executive Director of USA-ALL provided written comment in support of the ordinance in its entirety with the exception of closing Buckhorn Wash Road. Stating that if there was a parallel route to the Buckhorn Wash Road worked out then he would be in support of closing the road. He also asked for a noise ordinance.

Ruth McCour, BLM Price Field Office was in support of the overall ordinance. She looks

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

forward to working with the county and working on the process. She applauded the various clubs that assisted with the work.

Pete Jones, OHV Club member, asked about the young four wheelers who are driving. Ray pointed out the section in the ordinance that addresses the operation of OHV's by underage drivers. He also asked what prompted the decision to close the Buckhorn Wash.

Commissioner Hatch explained that the committee could not come to a consensus. There were safety issues involved.

Boyd Wilson agrees with the ordinance with the exception of closing the Buckhorn Wash. To his knowledge there have been very few accidents on that section. He feels it bottlenecks the system from the bridge to the rest of the system. If you are not going to open it then close it and begin patrolling it more and issuing citations for misuse. His recommendation is to keep it open and take a look at what happens there. Then if we need to we can close it.

Wade Allinson was a member of the committee and thinks it was nice to see things get done. He is happy with what was done in Ferron. He proposed a six month trial period of keeping the Buckhorn Wash open. The patrol office that is already out there can collect the data needed to make a decision.

Ramal Jones can understand the reason for the safety issues on the Buckhorn Wash. He is concerned that the people who camp along the Buckhorn Wash will be impacted by having to move to a staging area to access the system. He feels the dirt bikes should be under the same scrutiny as the ATV's?

Richard Beardall felt the ordinance was an overkill in regards to the term 'safe and reasonable speed'. The deputies can determine what a safe and reasonable speed is. Doesn't having the speed clause in the ordinance address the safety issue concern stated as a reason for closing Buckhorn Wash? He doesn't see the problem. He thinks that Wade's idea is great. Let's study it. You take away the Buckhorn Wash and you take away a loop opportunity.

Reed Martin doesn't own an ATV but would like to go along with what has been said about the Buckhorn Wash. He sees it as only practical to leave that connection in there. Let's leave it open to begin with let's not start out with closing it. Let's give people an opportunity to prove they will be responsible and then if we need to close it.

Bryant Anderson stated he like the statement in the ordinance about noise. He thinks this is an important thing to look at.

Commissioner Sitterud commented that user groups do their own enforcing. They enforce themselves. He thinks the plan is good. It is not perfect, but we can't get it perfect the first time.

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

Buckhorn Wash does have a lot of camping there and he likes the idea of looking at it for a while.

Commissioner Kofford agrees with Commissioner Sitterud and thinks we need to leave the road open we can always close it later.

Sheriff Guymon thinks the plan is a fairly decent plan. He appreciates the work that has gone into getting us to where we are now. If you read the law it effectively opens nearly every road the county to somebody to get to the access that they need.. Anytime you mix two kinds of travel together you are going to have problems. This ordinance addresses access. He agrees with Boyd Wilson as far as the Buckhorn Wash is concerned that limits the route. You will have irresponsible people that is a given. They are going to enforce it as best they can whether is it open or closed.

Ray Petersen thanked everyone who has been involved in this work. The Sheriff is right this ordinance is all about access. The public process make this ordinance work. The intent is to accommodate the use. It is a workable system. If we need to make changes down the road we can make changes.

Commissioner Hatch was one of the committee members that was concerned for the safety issue on the Buckhorn Wash. They looked at all the routes and the liability involved. The plan is a workable plan. He commended the committee and Ray for all their work on the ordinance. There was a lot of effort put into the plan. He has safety concerns with regards to some of these roads. He is not in favor of opening Buckhorn Wash for that reason.

Commissioner Gary Kofford made a motion to come out of the public hearing. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to return to the regular Commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by alle member present.

**(11)**

**CONSIDERATION AND APPROVAL OF OHV ORDINANCE AMENDMENTS AND MAP.**

Commissioner Drew Sitterud made a motion to approve the OHV Ordinance with the proposed amendments. The motion was seconded by Commissioner Gary Kofford and approved by all

members present.

Commissioner Gary Kofford made a motion to accept the map as presented with the addition of opening Buckhorn Wash Road from the bridge to the junction of Green River cut-off. The motion was seconded by Commissioner Drew Sitterud. Commissioner Ira Hatch voted “nay” to the motion. The motion passed with two for and one against.

**(12)**  
**CITIZEN CONCERNS**

None

**(13)**  
**DISCUSSION AND APPROVAL OF PROPOSAL TO CHANGE MERCHANT CREDIT CARD PROCESSING SERVICE PROVIDERS.**

Treasurer, Steven Barton discussed merchant credit card processing service providers with the Commissioners. He was contacted by Eliot Management Group who offered a 30% reduction in the card processing service charge. The current contracts are for three years. The Museum of the San Rafael is at the end of their contract. Mr. Barton asked to allow the change to Eliot Management Group for credit card processing service. Commissioner Gary Kofford made a motion to authorize the change in merchant credit card processing service provider to Eliot Management Group. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Justice Court still has two more years on their contract and it would be too costly to get out of the contract with the current provider. Mr. Barton will continue to monitor the providers and alert the Commissioners when it would be a good time to switch providers.

**(14)**  
**DISCUSSION OF MARRIED EMPLOYEES INSURANCE BENEFITS.**

Commissioner Gary Kofford discussed a situation wherein the county has two employees with spouses that are also employed with the county. Commissioner Kofford indicated he checked with a few other counties to find out how they handled the insurance benefits package for the spouse employee. In Emery County’s case one employee carries the insurance, usually the one

12  
COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

whose birthday comes first in the year. The non-participating spouse is covered under participating spouse's plan. The employees: Shaun Bell and Kris Bell, John Barnett and Tasha Barnett requested some kind of payment to the non- participating spouse stating that the benefit which would normally be available to that employee is not being realized by him/her. The cost for a single coverage insurance premium is \$543.00 a month. The cost for a family insurance premium is \$1,500.00 per month. Commissioner Kofford suggested that the non-participating employee be compensated with the amount of a single coverage premium, \$543.00 per month. He suggested changing the policy to reflect the procedure for compensating married employees for their insurance benefit. Commissioner Gary Kofford made a motion to change the personnel policy to reflect that in the case of married employees one employee will carry the family premium and the spouse will receive the amount of a single insurance premium, effective October 1, 2005. The motion was seconded by Commissioner Drew Sitterud. Commissioner Ira Hatch voted "nay". Any non-participating employee who has opted out of the plan due to the fact that their spouse, working elsewhere, carries their insurance will not be subject to the above. The motion passed with two voting for and one voting against.

**(15)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #171532 through and including #171692 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
49-05	Wacker LT\$ Light Tower Homeland Security/Sheriff	8,200.00	Approved
50-02	2006 Dodge Ram Truck Homeland Security/Sheriff	27,670.00	Approved
51-02	3- Latitude Notebook Computers Homeland Security/Sheriff	5,902.83	Approved
52-05	20- Ballistic Vests Homeland Security/Sheriff	22,980.00	Approved
53-05	Honda Generator Homeland Security/Sheriff	3,599.15	Approved

13

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

Dispositions were presented for the following:

#150-20838 a 1981 Dodge Van from Sr. Citizen and #150-4477 a 1082 Ford Van from Sr. Citizen. The vehicles are being stored at the Road Department until the next county auction.

The purchase of the 2006 Dodge Ram truck was discussed. There were three bids from Community Motors for \$28,456.00, Hinckley Dodge for \$27,670.00 and Ken Garff for \$29,517. Sheriff Guymon wanted to purchase the

**(16)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

IT Department

Jeff Guymon, IT Department Head, has requested approval to start the hiring process for one IT Technician. This would be a full time position with benefits at salary grade 12.

Commissioner Drew Sitterud made a motion to approve the hiring process for an IT Technician as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to advertise to fill a position on the Emery County Travel Council vacated by Jackie Ungerman's resignation. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner made a motion to approve the minutes dated August 16, 2005 as corrected. The motion was seconded by Commissioner and approved by all members present.

**(18)**

**COMMISSION REPORTS**

*Commissioner Gary Kofford*

Commissioner Kofford reported on the Arapeen OHV Jamboree in process. There are some fifty-five people in the county for the jamboree of only five are from the state of Utah. There about thirty local citizens acting as guides and organizers.

COMMISSION MEETING MINUTES  
SEPTEMBER 6, 2005

He led a group on a tour of Reeder Canyon over Skyline Drive and to Potter's Pond. The people appreciated the scenery and what we have here in Emery County.

He talked with Randy Jensen regarding his San Rafael Research Survey Calling Center in Huntington. He has twenty-seven employees and will be adding more people soon.

Green River refinery in still is progress. Two related business opportunities are possible in surrounding area.

October 13, 2005 the next level will begin for small business development. The Small Business Development Center is housed in the Emery County Courthouse two days a week.

*Commissioner Hatch*

He received a petition for annexation from Ferron City. He asked if the county was to have this on file. The petition will be sent tot he Clerk/Auditor's office to be on file.

**(19)**

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An Executive Session was not needed.

**(20)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. Commissioner Hatch stepped down to second the motion. Commissioner Drew Sitterud had left the meeting.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 20, 2005

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Ira Hatch was not able to be there when the meeting started. Therefore, Commissioner Drew Sitterud was acting chairman until Commissioner Ira Hatch arrived and will step down to execute motions as needed.

Attorney David Blackwell had to leave the meeting early so agenda items #4 and 6 were moved up to #1 and 2.

(1)

**CONSIDERATION AND APPROVAL OF RESOLUTION CREATING A BOARD FOR THE MUSEUM OF THE SAN RAFAEL.**

Commissioner Drew Sitterud discussed the need to create an Administrative Control Board for the Museum of the San Rafael. The board shall have the power to act as the governing authority of the museum and exercise all powers necessary to operate and maintain the museum. The board shall be subject to the policies and procedures established and adopted by Emery County and be directly responsible to the Commissioners of Emery County. The board shall consist of nine members, all of whom shall be appointed by the Emery County Board of Commissioners. Four initial members will each serve for two years and the remaining five members will serve for one four year term each. The determination of who shall serve in each category is to be made by lot. One of the Emery County Commissioners will serve on the board, for a four year term and be counted as one of the nine member board. Dixon Peacock, who is a long time supporter and originator of the museum shall be appointed as a non-voting, ex officio member of the board in recognition of his long service to the museum. Commissioner Gary Kofford made a motion to accept Resolution 092005 creating a board for the Museum of the San Rafael. Commissioner Drew Sitterud seconded the motion and the motion was approved by all members present.

(2)

**DISCUSSION REGARDING FORMATION OF EMERY COUNTY BOUNDARY COMMISSION.**

The Emery County Commission received a protest to petitioned annexation into Ferron City. Pursuant to section 10-2-409 (1) (b), this triggers the creation of a boundary commission. Since this is the first protest received by Emery County for a number of years, a boundary commission is not currently in place. Under the statute, the county must appoint two elected officials from the county, and the mayors of the municipalities in the county are to appoint two elected officials

from the cities. These four members would then meet and select three more members who are residents of the county, none of whom is a county or municipal officer. This would constitute the boundary commission. The boundary commission would be responsible for reviewing, determining guidelines and making recommendations to the Emery County Commission. Commissioner Drew Sitterud made a motion to begin the process to bring forth a boundary commission. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Drew Sitterud nominated Gary Kofford and Steven Barton as the two elected officials for the county to serve on the boundary commission. There were no other nominations. Therefore, Commissioner Ira Hatch made a motion to accept Gary Kofford and Steven Barton as the two elected officials to serve on the boundary commission. Commissioner Drew Sitterud stepped down to second the motion and the motion was approved by all members present. When the Council of Governments meets they will choose two elected municipal officers to serve. One of first things the boundary commission must do is review Ferron City's annexation policy plan. A letter will be sent to Ferron City requesting a copy of the plan.

Commission Ira Hatch assumed Chairmanship of the meeting.

**(3)**  
**OPENING OF BIDS FOR COUNTY OWNED PROPERTY PARCEL NO. 01-050B-006 AND PARCEL NO. 04-0054-0006. CONSIDERATION AND APPROVAL OF BID AWARD.**

Deputy Clerk/Auditor Carol Cox opened the sealed bids received by the Clerk/Auditor's office for county owned property parcel no. 01-050b-006. This is a piece of property in Cleveland, containing approximately 1.08 acres. Bids were received as follows:

Susan Ward	\$216.00
Kaleb Sitterud	400.00
Hazel McMullin	220.00
Clifton Carter	250.00

Commissioner Drew Sitterud made a motion to accept the bid for county owned property parcel no. 01-050b-006 from Kaleb Sitterud for \$400.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

One received, sealed bid was opened for the county owned property parcel no. 04-0054-0006. This piece of property is in Lawrence, containing approximately 1.13 acres. The bid was from Paul Gilbert for \$501.00. Commissioner Gary Kofford made a motion to accept the bid for county owned property parcel no. 04-0054-0006 from Paul Gilbert for \$501.00. The motion was seconded by Commission Drew Sitterud and approved by all members present.

(4)

**SHANNON HIATT, REPORT ON 2005 EMERY COUNTY FAIR.**

Gaylee Jeffs and Dannette Waite presented the Commissioners with a plaque presented to Emery County during the Utah State Fair. Emery County's booth won the Best County Representation Award. The five women responsible for overseeing many aspects of the Emery County Fair also attended the Utah State Fair and manned the Emery County Fair booth. These five women were, Gaylee Jeffs, Dannette Waite, Michelle Scovill, Nancy Jensen, and Margaret Keller. Gaylee stated she has received many accolades through the Recreation Department office for the success of the 2005 Emery County Fair. The Emery County Commissioners thanked all the people who worked so diligently on making the 2005 Emery County Fair a success. The Commissioners especially thanked Gaylee Jeffs, Shannon Hiatt and the Emery County Recreation Special Service District for taking on the task of the fair. They were very pleased with the outcome. Shannon Hiatt was not able to attend the meeting to give a report.

(5)

**APPROVAL OF AMENDMENT TO THE PERSONNEL POLICY ALLOWING INSURANCE BENEFITS FOR MARRIED EMPLOYEES.**

Commissioner Gary Kofford explained that in the September 6, 2005 commission meeting a motion was made to change the personnel policy to reflect that in the case of married employees one employee will carry the family premium and the spouse will receive the amount of a single insurance premium. Since the action taken was not on the agenda it is necessary to ratify that motion. Commissioner Gary Kofford made a motion to ratify the decision to amend the personnel policy allowing insurance benefits for married employees as stipulated in the motion. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CITIZEN CONCERNS**

There were no citizen concerns.

(7)

**CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER, VETERAN, BLIND AND OTHER ABATEMENT.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented a list of those who have filed 2005 Property Tax Indigent Abatement and Property Tax Credit(Circuit Breaker), Disabled Veterans and Blind Exemption applications with Emery County. The state reimburses the county for the circuit breakers. There is an income cap of \$25,369.00. The veteran and blind are a reduced tax.

## COMMISSION MEETING MINUTES

The veteran's exemption requires at least a ten percent service related disability. A blind exemption requires a letter from an ophthalmologist certifying that there is no more than 20/200 visual in the better eye when corrected or have a restriction in the field of vision of the better eye which subtends an angle of vision no greater than 20 degrees. All of the applicants have met these requirements. Commissioner Gary Kofford made a motion to approve the list of Circuit Breaker, Veteran and Blind abatements. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

The Indigent Abatement is totally at the discretion of the Commissioners. The Commissioners may abate up to fifty percent of the property tax. The applicant must be under 65 and have an attached statement from their doctor and a letter from the applicant with an explanation of hardship. The income cap of \$25,369.00 also applies to the indigent abatement. Applications were received by the Clerk/Auditor's office from the following:

Verne Hinton  
John Adams  
Gina Dyches  
Maryann Rizzuto

Commissioner Gary Kofford made a motion to approve a fifty percent abatement for Verne Hinton, John Adams and Gina Dykes and to arrange an interview with Maryann Rizzuto to verify her status and bring back to commission meeting at another time for consideration. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**

**CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CLOSURE.**

Senior Deputy Clerk/Auditor Brenda Dugmore reported that required meetings have been held and the required waiting time has past for Board of Equalization. There was one request to which there has been no response. It is now time to close Board of Equalization. If the request does come in it can be addressed as a commissioner adjustment in a later meeting.

Commissioner Gary Kofford made a motion to approve closing Board of Equalization with the approved adjustments and any further request will be addressed as a commissioner adjustment. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF- JACOBSON**

Senior Deputy Clerk/Auditor Brenda Dugmore discussed a request for ambulance write-off from

## COMMISSION MEETING MINUTES

Moyal Jacobson. The request was from Ms. Jacobson. Their insurance paid for the disposable supplies on both their bills. The Commissioners previously approved a write-off on Ms. Jacobson's non-transport rate (\$243.00). This left a balance on Mr. Jacobson's service which is \$212.00. As of yet the bill has not been resolved with the insurance company. Commissioner Gary Kofford made a motion to decline the request for now until the insurance company has resolved the bill. If the bill still has not been resolved in a reasonable amount of time, then the Commissioners will look at the request again. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #171805 through and including #171953 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
54-05	Enclosed Trailer Homeland Security	\$6,249.00	Approved
55-05	Christmas Cards, EC Employees	400.00	Approved
56-05	Carpet- pre-pmt Museum of San Rafael	4,000.00	Approved
57-05	Water Heater-Emergency Sheriff- GR Detention	395.39	Approved

There were no dispositions.

Commissioner Sitterud asked to have the carpet pre-payment for the Museum of the San Rafael added to the add ons so the carpet can get ordered. Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and adding the carpet pre-payment to the additional claims. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director Mary Huntington presented the following personnel action:

**Library**

Jerilyn Mathis requested that Marilyn Olsen receive a one step increase. She has completed her six month orientation period successfully. If approved the increase would take effect with the pay period beginning September 26, 2005.

Jerilyn also requested that Natalie Gardner receive a one step increase. She has completed her six month orientation period successfully. If approved the increase would take effect with the pay period beginning September 26, 2005.

Commissioner Gary Kofford made a motion to approve a one step increase for Marilyn Olsen and Natalie Gardner as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Charlene Oviatt has given her resignation and her last day of work will be October 14, 2005. Jerilyn Mathis requested approval to begin the hiring process for a part time assistant librarian in Huntington. This would be a level Grade 4A position. Commissioner Gary Kofford made a motion to approve beginning the hiring process for part time assistant librarian in Huntington at a Grade 4A. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**Road Department**

Gordon Nielsen has resigned for the Road Department effective September 19, 2005. Rex Funk requested approval to begin the hiring process. He would like to hire one Equipment Operator/Driver, entry level Grade 12. Commissioner Gary Kofford made a motion to approve beginning the hiring process for a Equipment Operator/Driver at entry level Grade 12. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated September 6, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**COMMISSION REPORTS**

## COMMISSION MEETING MINUTES

*Commissioner Sitterud*

Commissioner Sitterud, along with Bret Mills, Bill Downard and Sheriff Guymon traveled to Salt Lake City as part of the grant application process for a new 9-11 system for Emery County. The project will cost \$214,000.00 of which Emery County received a grant for \$124,000.00. The county's match of \$84,000.00 will come from the franchise fees collected by Emery TelCom for Emery County. Emery County is running on the oldest 9-11 system in the state. This will be a big step for the county. Bret will begin immediately on the project.

He recently attended a BLM RAC meeting. Sally Wisely will be retiring at the end of September.

Melon Days in Green River was great. There were six very talented girls who competed for Melon Days queen. He hoped to see them at the Miss Emery County Pageant next year.

Peach Days went well also. They had a nice long parade. The go cart regatta went very well. The horse races were down from previous years. There was a big turnout for the demolition derby.

*Commissioner Kofford*

Commissioner Kofford reported that Randy Jensen's new business, San Rafael Surveys will hold an open house today.

State Parks Division is working on a campaign to promote state parks in Emery County for recreation.

He reported that Public Lands Director, Ray Petersen and the heritage group will work on the San Rafael Swing Bridge deck refinishing project on Saturday from 9:00am until 3:00pm.

*Commissioner Hatch*

Commissioner Hatch attended a Joint Highway committee meeting in Provo. He reported on the Moore Cut-off Road project. They have scheduled a meeting to get instructions on how to access the funds for the project.

Sheriff Guymon reminded the Commissioners of the San Rafael Bike Ride on September 23, 24 and 25, 2005. On Sunday everyone will meet at the Wedge.

The Emergency Preparedness Fair will be Saturday, September 24, 2005 from 9:00am until 2:00pm.

## COMMISSION MEETING MINUTES

Shannon Hiatt arrived at the meeting to give a brief report of the Emery County Fair for the Commissioners. He reported that the free dinner in the park worked out very well. The concert was a huge success and hopes that with the help of the Emery County Travel Bureau to do a better job of promoting it and the rodeo next year. He has received many positive comments with regards to the fair and the rodeo. He expressed his gratitude to all those volunteers who helped out in so many areas. Castle Dale City workers helped out a lot also. The Sheriff's office helped with preparation, set-up and clean-up. The success of the Fair would not have been possible without all the many people who carried out their assignments. He does not have all the figures yet because bills are still trickling in. He hoped to have the final figures to report to the Commissioners by the next Commission meeting. He thanked Patsy and the staff of the Emery County Progress for the coverage of fair and rodeo events. They were a great help. He especially commended the five ladies who helped pull the whole thing together, Gaylee Jeffs, Dannette Waite, Michelle Scovill, Nancy Jensen and Margaret Keller.

The Commissioners thanked Shannon, the Recreation Special Service District and all those who helped make the Fair a success. They were very satisfied with the outcome. The fair was focused towards the local citizens which is right where they wanted it to be.

(14)

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION AND PERSONNEL MATTERS.**

An executive session was not needed.

(15)

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 4, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DELENA FISH, WFS, QUARTERLY UPDATE.**

Delena Fish, WFS provided the following update:

- \* July started their physical performance review. The department set goals for the year as well as each individual office set goals also.
- \* She reviewed the TANIF assistance program with a review of participation requirements and activity.
- \* The department had three victims of hurricane Katrina looking to find employment and locate in our area. One couple settled in the Price area and the other individual was sent to inquire at CEU as he has a geology background.
- \* The department is in the process of implementing new policy.
- \* A group of youth were recently involved in landscaping the heritage house in Castle Dale. The group made a book on the project and presented it at the State Fair. The book received an award and is available to review at the heritage house.
- \* The department has been challenged to have two apprenticeships in the county this year. They are working on that.
- \* They have many job orders out at this time. They are still needing truck drivers. The mining industry has leveled off for now.

(2)

**DEB DULL, UTAH POWER, QUARTERLY UPDATE.**

Deb Dull was not able to attend the meeting today. Commissioner Hatch did report that UPL has received approval to move ahead with the intersection/interchange. The earth work will begin as soon as possible. They do not anticipate any disruption in traffic during the construction this year.

(3)

**RATIFICATION OF EMERY COUNTY BOUNDARY COMMISSION.**

Commissioner Gary Kofford made a motion to ratify the action taken in the last commission meeting to create the boundary commission and to appoint Steven Barton and Gary Kofford as

COMMISSION MEETING MINUTES  
OCTOBER 4, 2005

elected officials to serve on the board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The Council of Governments met on October 11, 2005 at which time they appointed two municipal elected officials, Jackie Wilson and Jeff Horrocks to the board. The four elected official board members will now meet and select three at large board members who are citizens of the county but are not county or municipal officers. After the selection process is complete, the group will draw lots for terms to be served. After the board is complete they can function as a boundary commission and begin review of annexation issues.

(4)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE**

A business license application was presented for Joseph Clark DBA: Clark's Custom Jewelry. The application has been reviewed and signed by Zoning Administrator, Bryant Anderson. Commissioner Drew Sitterud made a motion to approve a business license application for Joseph Clark DBA: Clark's Custom Jewelry. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF LAW ENFORCEMENT AGREEMENT NO. 06-LE-11041000-001 BETWEEN EMERY COUNTY AND THE FOREST SERVICE.**

Commissioner Gary Kofford made a motion to approve agreement #06-LE-11041000-001 between Emery County and the Forest Service. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CITIZEN CONCERNS**

Commissioner Gary Kofford discussed an issue regarding a parcel of property in Castle Dale. This parcel of property # 01-0019-0027 approximately 75 ft by 7.2 ft is property that was acquired by the County from a past delinquent tax sale. Edward Rasbold purchased property that he thought included the piece of property in question. Evidently there was an error in recording and the property in question was not included in his property. Mr. Rasbold felt the property should be given to him. Commissioner Kofford felt it was best to follow procedures to dispose of the property. Therefore, Commissioner Kofford made a motion to advertise the property for sale to all the adjacent property owners at a minimum amount of \$250.00 . The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Sealed bids are to be turned in to the Clerk/Auditor's office.

(7)  
**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and Additional Claims #172118 through and including 172246 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
58-05	Decontamination Sprayer/Water Tank Sheriff- HLS	5525.00	Approved
59-05	2006 Arctic Cat Prowler Sheriff- HLS	11946.15	Approved
60-05	Pro-1000 DS Radar Sheriff- HLS	1319.00	Approved
61-05	Siren and Switch Controller Sheriff- HLS	440.40	Approved
62-05	Shell for 06 Dodge Truck-HLS Sheriff- HLS	1149.51	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Personnel Director, Mary Huntington presented the following Personnel action.

Clerk/Auditor

Bruce Funk requested approval for Jan Luke to receive a one step increase. Jan is eligible for a

COMMISSION MEETING MINUTES  
OCTOBER 4, 2005

progressive routine increase. This would move her from 6A to 7A effective October 10, 2005. Commissioner Gary Kofford made a motion to approve a progressive routine increase for Jan Luke as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated September 20, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**COMMISSION REPORTS**

*Commissioner Drew Sitterud*

Commissioner Sitterud reported on a meeting with the Recreation Sub Committee /State Parks where they discussed some ideas for parks projects and events.

He reported on UAC meetings in Midway, Utah. Recording of RS 2477 Emery County owned roads will now begin.

Emery County's television microwave system is now transmitting several channels in high definition. We will continue to transmit in both analog and digital until the analog signal is shut off sometime in 2006.

*Commissioner Gary Kofford*

Commissioner Kofford reported that Emery County Library is celebrating its 60<sup>th</sup> birthday. The week of October 3<sup>rd</sup> through 7<sup>th</sup>, libraries throughout the county will be having various activities and recap the last 60 years.

Commissioner Kofford recently met as a board member with the Mental Health and Substance Abuse Board. They are lobbying the legislature for more funding.

*Commissioner Ira Hatch*

Commissioner Hatch, Commissioner Sitterud and Commissioner Kofford attended an open house for San Rafael Research, a call center in Huntington managed by Randy Jensen. Several

5

COMMISSION MEETING MINUTES  
OCTOBER 4, 2005

individuals from the parent company located in Logan, Utah attended the open house. They thanked Work Force Services for their help in staffing and getting things up and going.

Sheriff LaMar Guymon reported on the San Rafael Bike Ride. They had approximately thirty people participate. They added something new this year, a moonlight ride around the Wedge.

(11)

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION  
AND PERSONNEL MATTERS.**

An Executive Session was not needed.

(12)

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 18, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)  
**APPROVAL OF APPLICATION TO RENEW A PERMIT TO OPERATE A CLASS I LANDFILL.**

Rex Funk, Road Department, explained the process of application to renew a permit to operate a Class II Landfill. The renewal process takes place every five years. The department is in the process of updating the requirements. They worked with a company IGES to come up with an alternative design for the Landfill and as a result are the first in the state to go to a alternative natural design. The permit has been approved by the state. Rex recommended signing the application. Commissioner Gary Kofford made a motion to approve signing an application to renew a permit to operate a Class II Landfill in Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)  
**CONSIDERATION AND APPROVAL OF MODIFIED ESCROW AGREEMENT #2576 TO MEET THE FINANCIAL ASSURANCE REQUIREMENTS FOR THE EMERY COUNTY LANDFILL.**

Rex Funk explained that the state treasurer felt that there needed to be a modification to escrow agreement #2576 to meet the financial assurance requirements for the Emery County Landfill. This is dynamic fund established by the state as an assurance in the event that the county defaults on the landfill. The funds are used for reclamation of the landfill site. The fund is not for the benefit of the county, but for the benefit of the state. The funds are in a growing trust that should be growing at a minimum rate of at least three percent a year. An engineer consultant provides an estimate of cost to close the landfill concurrent with estimated increases in costs. The fund is reviewed every year to assure that the cost are meeting what the state has determined is needed to cover reclamation. Commissioner Gary Kofford made a motion to approve the modified escrow agreement #2576 to meet the financial assurance requirement for the Emery County Landfill. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(3)****REQUEST FOR DONATION FOR 4-H NATIONAL HORSE BOWL TEAM.**

Gaylene Conder, Extension reported that Emery County has had state 4-H winners for the last three years. Emery County has a wonderful 4-H horse club, one of the best in the state. We are fortunate for our children to have the opportunity to participate in this program. The 4-H horse club is raising funds to go to Denver to participate in National 4-H competition. The participants are required to bring fifty tokens to share with other participants. There will be other expenses incurred as well. Because this is a family oriented state, the participants families will be traveling with them. Burns Saddlery in Richfield has offered to help sponsor two participants. The 4-H budget is shot so she was asking for a donation to the 4-H National Horse Bowl Team.

Commissioner Sitterud explained that the Commissioner's must be careful who and what the county donates money to. The donation cannot be specific to one group. However, he suggested that this could be directed to the Emery County Recreation Special Service District. This type of donation is recreation and is a legal donation for them. He suggested that Gaylene approach the Recreation District for a donation. If that does not happen then they can come back to the Commission and they will look at putting more funds into the 4-H budget when the budget is opened later this year.

Commissioner Gary Kofford commended Gaylene and the 4-H program for all of their accomplishments this year.

**(4)****CONSIDERATION AND APPROVAL OF ROAD AGREEMENT WITH UTAH POWER.**

Kyle Singleton, Utah Power (PacifiCorp) reviewed the right-of-way agreement for Emery County Road #426 near the Hunter Power Plant. There is currently a high volume of coal truck traffic that provides coal to the Hunter Power Plant near Castle Dale, Utah. All of the coal truck traffic currently accessed the Power Plant via Emery County road #426 from SR-10. The coal truck and other traffic has resulted in congestion and had a negative impact on the safety of SR-10 at the intersection. The Utah Department of Transportation (UDOT) would like to improve safety for the traveling public and the coal truck drivers. PacifiCorp would like to partner with UDOT in an effort to mitigate for the current situation by constructing an interchange at the intersection of State Road 10 and State Road 57 for the coal truck traffic to use as the access point to the power plant. Upon completion of the new interchange, existing County Road #426 will remain in service. Emery County has entered into an agreement with UDOT to relocate the access of County Road #426 onto SR-10 should there be an increase in the accident rate at this intersection after the construction of the new interchange at SR-10 and SR-57 is completed. PacifiCorp owns property to the west of County Road #426 that would be needed to relocate the access of County Road #426 onto SR-10. Energy West is under obligation to complete asphalt overlay on section

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

of County Road #426 due to roadway relocation completed in 2004.

In exchange for mutual promises, PacifiCorp agrees to convey that certain real property required for the relocation of County Road #426 to Emery County as more particularly described in Exhibit "A" attached hereto and by this reference made a part of this reference made a part of this agreement in the event conditions outlined in the agreement between UDOT and Emery County dictate that County Road #426 must be relocated. Emery County agrees to relieve Energy West of the obligation to install asphalt surfacing to the section of County Road #426 relocated in 2004 and transfer the obligation in an equivalent amount toward the new section of #426 only in the event of relocation as per the agreement between Emery County and UDOT. The equivalent amount will be determined by the current market price of purchasing and installing 42,210 sq.ft. of 4 inch thick HMA asphalt at the time of relocation.

Commissioner Sitterud had a question about the statement *described in Exhibit "A"* and suggested that the statement should describe the property rather than refer to Exhibit "A". The "land west of county road #426" is the preferred wording. The Commissioners will agree to the agreement as written with the understanding that the land west of county road #426 is the description of the location of a re-located road should the need arise.

After discussion on this issue Commissioner Gary Kofford made a motion to approve a right-of-way agreement for Emery County Road #426 near the Hunter Power Plant with the understanding that an attachment be added to include a description of the property west of county road #426 as discussed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**RATIFICATION OF RECOMMENDATION TO AWARD SO. MOORE PHASE II ROAD PROJECT.**

Commissioner Drew Sitterud made a motion to ratify the recommendation to award the contract for the So. Moore Phase II Road Project to Nielson Construction. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF U.S. FOREST SERVICE PAYMENT OPTION.**

Commissioner Drew Sitterud made a motion to continue with the 100% payment option from the U.S. Forest Service as in the past. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF COMMISSION ADJUSTMENTS ON PROPERTY ASSESSMENT.**

Assessor, Kris Bell recommended adjustments for the following properties:

**Lamar Kummer**- the charts stuck together and parcel 01-050C-0028 was missed during BOE. The previous market value was \$179.00. The new market value would be \$16.00. Previous taxes were \$2.67. New taxes would be \$.22. A tax difference of \$2.45. Commissioner Drew Sitterud made a motion to approve a commission adjustment for Lamar Kummer as recommended by the Assessor's Office. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**Joan Healy**- the owner called and told us the salvaged home on parcel 01-113A-0004 has been gone for a year. The previous market value was \$20,206.00. The new market value would be \$17,706.00. Previous taxes were \$310.93. New taxes would be \$272.23. A tax difference of \$38.70. Commissioner Drew Sitterud made a motion to approve a commission adjustment for Joan Healy as recommended by the Assessor's Office. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**Michael Dunwoody**- parcel 01-0153-0007, the Assessor's Office was not able to reach the owner before we closed BOE. This was a home we received from the annexation. The owner told us it was a modular home for the previous appraisal. We did a walk through of the home and found it is a Manufactured home not a modular. The previous market value was \$59,275.00. New market value would be \$32,038.00. Previous taxes were \$622.62. New taxes would be \$392.02. A tax difference of \$230.60. Commissioner Drew Sitterud made a motion to approve a commission adjustment for Michael Dunwoody as recommended by the Assessor's Office. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**Book Cliff Lodge-BCL&R LLC**- parcel 01-0151-0042, the Assessor's Office was not able to reach the manager of the Book Cliff Lodge until after BOE was closed. He sent us the expense statements and I found that an adjustment should be made. I used the income approach instead of the cost approach. Previous market value was \$813,524.00. New market value would be \$666,140.00. Previous taxes were \$10,125.94. New taxes would be \$8,150.89. A tax difference

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

of \$1,975.05. Commissioner Gary Kofford made a motion to approve a commission adjustment for Book Cliff Lodge as recommended by the Assessor's Office. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**FAF Management & Consulting, Inc.**-parcel 01-151G-0012, the Assessor's Office was not able to reach the new owner of the old Mancos Rose Motel in Green River until after BOE was closed. The motel is in very poor condition, they are trying to fix it up. Previous market value was \$59,275.00. New market value would be \$32,038.00. Previous taxes were \$622.62. New taxes would be \$392.02. A tax difference of \$230.60. Commissioner Gary Kofford made a motion to approve a commission adjustment for FAF Management & Consulting, Inc. as recommended by the Assessor's Office. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**

**CITIZEN CONCERNS**

Commissioner Sitterud asked for approval to hire thirty day, part-time help for Bret Mills while he installs the antennas on Horn Mountain and Cedar Mountain. You need two people to put the antennas up. Morgan Oveson has been helping Bret with the installation process for the new digital television system and he would like to continue using Morgan to help him with the antennas. We may need to find the money from somewhere and may need to shift funds around to cover the cost of paying Morgan. Commissioner Gary Kofford made a motion to approve hiring a part time person for thirty-days while Bret puts up the antennas. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The Commissioners will address the money to pay for the part time person when they open the budget next month.

Darrell Leamaster, Castle Valley Special Service District asked to move Cleveland's equipment request on the PCIB capital improvement medium term list to the short term list. They have had some equipment go down and need to move that request up on the priority list to try and get funding for in 2006. Commissioner Gary Kofford made a motion to approve moving Cleveland's request from medium term to short term on the PCIB priority list subject to the approval of Council of Government board members. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF ASSIGNING WATER SHARE TO WASH STATION.**

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

Rex Funk discussed assigning water share to wash station. They needed to create a pad area for washing down the trucks. In looking for a resource for water and water pressure they approached Castle Valley Special Service District and were told they could hook into their line near the pad. They estimated the cost for the water service would be approximately \$200.00 for the year. The Road Department has a requisition going before the Commissioners today for the tank to hold the water. A water share will need to be transferred to Castle Dale City for the water use. Commissioner Gary Kofford made a motion to assign one water share for the use of the Road Department in obtaining water for the wash station. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**DISCUSSION AND APPROVAL OF REQUEST TO BURY CISTERN.**

Rex Funk explained that they need to bury the cistern, poly tank on the property located behind the Road Shop where they are locating the wash station. There will be a man hole for maintaining the tank. Commissioner Drew Sitterud made a motion to approve burying the cistern on the Road Shop property. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**CONSIDERATION AND APPROVAL OF FY2006 TENTATIVE BUDGET FOR EMERY COUNTY, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND OTHER ENTITIES AS REQUIRED BY LAW. SETTING OF BUDGET WORK MEETINGS.**

Senior Deputy Clerk/Auditor Brenda Dugmore stated that by law the Auditor's Office is required to submit a tentative budget for 2006 by November 1. The tentative budget includes a five percent increase on insurance depending on how it goes. Budget meetings were discussed. Suggested dates were October 24, from 9 to 3, October 25, from 9 to 12, November 4, from 9 until as long as they need to go.

Darrell Leamaster discussed the budget for Castle Valley Special Service District.

Commissioner Drew Sitterud made a motion to approve the 2006 tentative budget for Emery County, Castle Valley Special Service District and other entities as required by law and to set budget work meetings for October 24, 25 and November 4, 2005 as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

A business license application was presented for Blair and Maryann Fillmore DBA: TJ & B Mantrip Repair. The application has been reviewed by the Planning Commission, signed by Bryant Anderson, Zoning Administrator and they have paid the fee for a Conditional Use Permit. Commissioner Gary Kofford made a motion to approve a business license for Blair and Maryann Fillmore DBA: TJ & B Mantrip Repair. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List # 172359 through and including #172487 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
63-05	1,700 Gallon Cistern Road Department	1,200.00	Approved
64-02	Storage building electrical Road Department	900.00	Approved

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

Museum of San Rafael

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

Commissioner Sitterud asked to discuss the possibility of increasing Jan Petersen's hours from a part-time employee, under twenty hours a week to part-time working up to thirty-nine hours a week (3/4 time). Commissioner Sitterud explained that there has been a problem with Jan's time card. By policy Jan should not incur overtime without Commission approval. He has spoke with Jan about this problem. The problem came up again. Jan feels she cannot get the job done in twenty hours a week. He talked to her about maybe hiring another part-time person to help out. Jan was not comfortable with that. Commissioner Gary Kofford suggested taking the issue to the newly created Museum board for them to make a recommendation. In the meantime all overtime for Jan must be pre-approved by e-mail or a phone message to either Drew or Mary before hand.

Commissioner Drew Sitterud made a motion to put Mary Huntington on the cell phone reimbursement plan effective November 1, 2005. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Department

Sheriff Guymon requested that Dusty Butler receive a one step increase. Dusty received a promotion six months ago and has completed his six month orientation period successfully. If approved this would become effective October 24, 2005. Commissioner Drew Sitterud made a motion to approve the one step increase for Dusty Butler as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Nicole Deabenderfer has requested FMLA from October 11, 2005 through November 28, 2005 for the birth of her baby. Upon returning to work she may need intermittent leave also. Commissioner Drew Sitterud made a motion to approve FMLA for Nicole Deabenderfer as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Library

Jerilyn Mathis proposed hiring Stephanie Oviatt as the new assistant librarian for the Huntington Library. Interviews were held October 17, 2005 and six candidates were interviewed. Commissioner Gary Kofford made a motion to hire Stephanie Oviatt as the new assistant librarian in Huntington. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(15)

APPROVAL OF COMMISSION MEETING MINUTES.

Commissioner Drew Sitterud made a motion to approve the minutes dated October 4, 2005 as

COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**  
**COMMISSION REPORTS.**

*Commissioner Sitterud*

Commissioner Sitterud discussed some of the projects being considered by the State Parks Committee to help promote state parks in Emery County. The Wake Board Association is considering a wake board competition. Millsite Golf Course is planning a Archery/Golf Tournament. An ATV Golf tourney is in the works for Palisades to Millsite to Green River. A Christmas lights display is in the planning for Green River. The Boys Scouts of America have been contacted to encourage them to come early in the spring to Goblin Valley State Park for activities. The committee is to encourage everyone to come up with ways to promote the state parks in any way that they can.

He met with rural legislators on Richfield. They discussed centrally assessed property taxes and the possible shift of money to the homeowners. They also discussed salaries of sheriff departments and jail reimbursements.

He reported on the new skeet shoot which is 99% completed. Nielson Construction has donated three light poles. The grand opening will be on Saturday, November 4, 2005. We will now be able to join the skeet shoot circuit.

*Commissioner Kofford*

Commissioner Kofford reported on the success of the 2<sup>nd</sup> Annual Emery County Economic Summit. They estimated about 140 participants. They received very good comments. He expressed his thanks to the committee that pulled the summit together.

*Commissioner Hatch*

Commissioner Hatch attended a Mosquito Abatement board members meeting in Layton. West Nile cases are down from last year. There was one human case in Carbon County.

He met with the Road District recently. They discussed funds earmarked for UDOT projects. A UDOT representative will be here in November to detail how the money will come in.

10  
COMMISSION MEETING MINUTES  
OCTOBER 18, 2005

(17)  
**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION  
AND PERSONNEL MATTERS.**

An executive session was not needed.

(18)  
**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 1, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DESIGNATION OF COUNTY REPRESENTATIVE TO ANNUAL UCIP MEETING.**

Commissioner Gary Kofford made a motion to designate Ira Hatch as county representative and Mary Huntington as alternate for UCIP's annual meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**RATIFICATION OF MARY HUNTINGTON CELL PHONE REIMBURSEMENT.**

Commissioner Drew Sitterud made a motion to ratify the decision made in last Commission Meeting to add Mary Huntington to the cell phone reimbursement program. The motion was seconded by Commissioner Gary Kofford and approved by all members present. This action will be effective November 1, 2005 for \$45.00 per month reimbursement.

(3)

**RATIFY INTENT TO SELL COUNTY OWNED PARCEL 01-0019-0027 AND SETTING OF MINIMUM BID PRICE.**

Commissioner Gary Kofford explained that this is a piece of property that the county obtained through a delinquent tax sale a few years back. This property is approximately 75 feet long by 7.2 feet wide between Edward Rasbold and Bernice Anderson. In the October 4, 2005 Commission Meeting the Commissioners made this property available for sale. The motion set the minimum bid at \$250.00.00. The Assessor's Office shows the property value at \$22.00. The Commission needs to ratify what was done at that time and make this property available to sell. Commissioner Gary Kofford made a motion to ratify the motion made on October 4, 2005 to make parcel #01-0019-0027 available to sell. The motion was seconded by Commissioner Drew Sitterud. Commissioner Ira Hatch asked for questions on the motion. Attorney David Blackwell asked how the county acquired this piece of property. Commissioner Gary Kofford explained

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

that originally the piece of property was part of the property that Mr. Rasbold purchased. The deed was recorded improperly and this small section was left out of the deed. The taxes were never paid on the parcel so in 1993 it went up for delinquent tax sale and reverted back to the county. He wondered why at that time there wasn't a corrected deed done. He felt it could cost more to advertise to sell the property than it is worth. He asked that we go ahead with the sale pending doing some research. Commissioner Gary Kofford made a motion to advertise to sell parcel #01-0019-0027, set the minimum bid at \$22.00 and to research the property and if after researching the circumstances feel like it was an oversight then to convey the property to Mr. Rasbold through a corrected deed, if not go ahead with the sale of the property. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF LOW INCOME PROPERTY TAX ABATEMENT.**

The Board of Emery County Commissioners considered a low income abatement and homeowner's tax credit application from Mary Ann Rizzuto. Ms. Rizzuto applied under the low income abatement as she is under sixty-five. Based on the requirements set out by the county and the state, the county may deny an application if the applicant is the owner of income-producing assets which could be liquidated to pay the tax. Also, any assets transferred to relatives in the preceding three-year period are to be considered by the county in making its determination. Based on this requirement Commissioner Drew Sitterud made a motion to deny Ms. Rizzuto's application for a low income abatement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Monique Stoddard DBA: Monique's Daycare. Zoning Administrator, Bryant Anderson has completed inspections and signed the application. Commissioner Drew Sitterud made a motion to approve a business license for Monique Stoddard DBA: Monique's Daycare. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CITIZEN CONCERNS**

Assessor, Kris Bell discussed a problem associated with Singer program during the rollback of green belt properties. The program did not calculate the rollback correctly resulting in many green belt property owners being under charged and over charged on their taxes.

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

Treasurer, Steven Barton explained that the problem was brought to their attention when a green belt property owner came in to his office to pay his taxes and the tax notice did not match what the program indicated the tax should be. In considering how to correct the problem, Mr. Barton felt it was in the best interest of the tax payers to not re-send the tax notices for these properties. The amounts are minimal. He estimated that there was a total of \$676.70 in tax revenue that was not billed to these taxpayers. Sending out another notice, in some cases would cost more than the amount of the corrected tax. Mr. Barton suggested abating the total amount of the under billed taxes and have the over billed taxes carry over to the next years tax. He also asked for approval to look into ways to save on sending out the tax notices. Commissioner Drew Sitterud made a motion to abate the under billed green belt taxes and allow the over billed green belt taxes to carry over to the next year. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Steven Barton and Kris Bell were assigned to come up with a proposal for saving money on the billing of property taxes for Emery County.

Commissioner Drew Sitterud discussed a proposal by the Natural Resource Conservation Service (NRCS) to reduce the cost share rate for salinity control in the near future. They propose to reduce the rate up to as much as fifty percent. The current rate stands at seventy-five percent. This would have a major impact on individuals and local irrigation companies with regard to financial commitments they are asked to bear. A change to this proposition could bankrupt local irrigation companies. Ray Petersen, Public Lands Director has drafted a letter to be sent to government entities stating Emery County's position on this proposal. He asked for approval to produce the letter on Emery County letterhead and send to the various government entities as quickly as possible. Commissioner Gary Kofford made a motion to approve sending a letter from Emery County to the various government entities regarding a proposed reduction of share rate for salinity control. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Deputy Clerk/Auditor, Carol Cox presented the Warrant Check Edit List and additional claims #172655 through and including #172767 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
65-05	Service Awards	2,000.00	Approved
66-05	Sprayer Engine		

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

	Weed/Mosquito	498.00	Approved
67-05	4X4 (ATV) Weed/Mosquito	5,789.00	Approved
68-05	Bean Pump Weed/Mosquito	2,450.00	Approved
69-05	Axils, brakes, tires (3) Weed/Mosquito	2,177.90	Approved
70-05	Spray gun, hose, reel Weed/Mosquito	697.00	Approved
71-05	Radio and software Weed/Mosquito	485.00	Approved
72-05	Flow control for fogger Weed/Mosquito	1,000.00	Approved
73-05	LTO-2 auto loader IT Department	3,879.27	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisitions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to set December 6, 2005 as the last date to accept large purchases and requisitions by departments unless approved by the Commissioners. The motion was seconded by Commissioner Gary Kofford and approved by all members present. The Clerk/Auditor's office was assigned to draft a memo to all departments regarding this motion.

**(8)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following Personnel action:

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

IT/GIS

IT Director, Jeff Guymon has hired Lowell Gardner as a 90 day temporary employee to assist with the ongoing addressing project. Commissioner Drew Sitterud made a motion to approve the hire of Lowell Gardner as a 90 day temporary employee. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Jeff Guymon also requested approval to hire Clinton Olsen as a full time IT/GIS Technician at Grade 12F with benefits. Commissioner Drew Sitterud made a motion to approve the hire of Clinton Olsen as IT/GIS Technician as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

The Road Department asked approval to hire Wayne Russell Dull as a full time Equipment Operator/Driver at Grade 12A with benefits. Commissioner Gary Kofford made a motion to hire Wayne Russell Dull as a full time Equipment Operator/Driver as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated October 18, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud and Jeff Guymon met with Forest Service, BLM, State Lands, State of Utah regarding renaming of connecting roads for Phase II of the E911 system. E911 will not trace and give addresses to calls from a cell phone. Phase II will take cell calls and get a longitude and latitude point and change it to an address in the county. It was proposed to hyphenate the addresses to a common name because the Forest Service was not willing to change names of roads. The state would like to change names because of tourist reasons as well as sign the roads.

He went to Moab last week to meet with the Canyon Country Partnership where they discussed fee demo areas.

*Commissioner Kofford*

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

Commissioner Kofford and Rex Funk met with Jeff Emmons from Environmental Quality and toured the Emery County Landfill. Emery County received favorable comments. He will be back in the near future for an inspection.

Commissioner Hatch and Commissioner Kofford attended a hearing in Price with the Legislative Tax Reform Forum. They are looking at the way we pay and collect taxes. It is something we need to keep a watchful eye on. It is important that we keep involved with this. This is something that may greatly effect county government greatly.

*Commissioner Hatch*

Commissioner Hatch attended UCIP Board meeting where they made plans for the annual meeting. Emery County is one of the highest payers in Worker's Comp. claims. We need to see what we can do about this.

He met with Floyd Johnson and Ruth McCourd regarding the Forest Service PMP final. He gave credit to Ray Petersen who has been very diligent to attend these meetings and looking out for the county's interest.

He attended the council on aging meeting. They are still concerned about funding proposals. The fuel price increase has been of great concern. They are very supportive of the Green River Senior Citizen Center that the county has planned for 2006.

Commissioner Hatch proposed finishing up the budget process with these dates:  
November 14, at 9:00 AM to meet with Sheriff Guymon and pull together any loose ends  
November 22, to pull together all the departments and requests.  
December 13, Brenda will have a tentative budget ready for review.  
December 20, to adopt the final budget.

Commissioner Drew Sitterud made a motion to approve the proposed dates for finishing up the budget process. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**ATTORNEY/CLIENT EXECUTIVE SESSION TO DISCUSS POSSIBLE LITIGATION**

7

COMMISSION MEETING MINUTES  
NOVEMBER 1, 2005

**AND PERSONNEL MATTERS.**

An executive session was not needed.

**(12)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 15, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RATIFY ACTION TAKEN ON NOVEMBER 1, 2005 TO RECTIFY PROBLEM ON 2005 TAX NOTICES.**

Commissioner Drew Sitterud made a motion to ratify action taken on November 1, 2005 to rectify a problem on 2005 tax notices. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF AGREEMENTS WITH ECSSD#1 FOR HUNTINGTON AIRPORT IMPROVEMENTS.**

Commissioner Hatch explained that there were two agreements between Emery County and Emery County Special Service District #1 to be considered at this time. He explained that the County owns and manages the Huntington Airport. The County has made application to UDOT/Utah Division of Aeronautics (UDA) for a grant to make improvements to the airport. Emery County leases the majority of the property the airport is located on from the BLM. BLM informed the county that an archaeological survey has not be conducted on the location and that needed to be completed. Therefore the first agreement to be considered is for SSD#1 to provide for the archaeological survey to be done prior to approval of airport improvements.

Commissioner Gary Kofford made a motion to approve an agreement between Emery County and Emery County Special Service District #1 to provide said archaeological survey for the Huntington Airport site. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The second agreement provides surface improvements, crack seal, seal coat and painting of all asphalt surfaces at the Huntington Airport pursuant to receiving a grant from UDOT/UDA and provides for SSD#1 to oversee the project. The county shall reimburse the District with up to \$70,000.00 in grant funds as said funds are awarded to the county from UDOT/UDA. Commissioner Gary Kofford made a motion to approve an agreement with SSD#1 to oversee the Huntington Airport surface improvements as outlined in the agreement. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**EMERY COUNTY CHAMBER OF COMMERCE, DISCUSSION AND REQUEST FOR DONATION TO THE SENIOR CITIZEN CHRISTMAS PARTY.**

Sharon Earl, Emery County Chamber of Commerce reported on the success of last years Senior Citizen Christmas Party. In the past the Emery County Commission has agreed to pay for the food for the dinner. She requested a donation for the Senior Citizen Christmas Party as in the past. Commissioner Gary Kofford made a motion to donate \$700.00 to the Chamber of Commerce to pay for the for the Senior Citizen Christmas Party. Commissioner Drew Sitterud amended the motion to include paying for all the food for the party, even if it goes over \$700.00. Commissioner Gary Kofford agreed with the amendment and Commissioner Drew Sitterud seconded the motion. The motion was approved by all members present.

(4)

**AMENDMENT TO RESOLUTION CREATING THE BOARD OF DIRECTORS FOR THE MUSEUM OF THE SAN RAFAEL.**

Now that the Board of Directors for the Museum of the San Rafael is in place, the terms that the board members will serve needs to be identified by way of an amendment to the original Resolution No. 9-20-05. It was proposed that the initial membership of the Museum Board be as follows:

Ramal Jones	4-year
Clyde Thompson	2-year
Kent Petersen	4-year
Vicky Jensen	2-year
Randy Jensen	4-year
Dawnette Tuttle	2-year
Pete Jones	4-year
Cliff Oviatt	2-year
Drew Sitterud	4-year

Dixon Peacock shall be appointed as a non-voting, ex officio member of the Board, in recognition of his long service to the Museum.

Commissioner Drew Sitterud made a motion to accept an amendment to Resolution 9-20-05 that identifies terms for members on the board of directors for the Museum of the San Rafael. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**DISCUSSION OF ROAD ABANDONMENT AND SETTING OF PUBLIC HEARING.**

Road Supervisor, Rex Funk discussed a proposal to abandon road #321 in Huntington. The adjacent property owner is having problems with vandalism. The road is an access road to the west side of Huntington Lake. He met with Jay Mark Humphrey, Emery Water Conservancy District, who indicated that the reservoir is under the jurisdiction of the Bureau of Reclamation. In 2004 the bureau had some meetings regarding a finding of no significant impact as a result of an environmental assessment that had been done there. They had talked about the southwest cove as an alternative that existing vehicle access to the southwest cove would be maintained as presently provided until such time as liability, maintenance, safety and or security concerns require closure. He looked at the feasibility of the county abandoning the road. He wanted to be sure so he asked Jay Mark if there were other opportunities for fisherman at the lake. Jay Mark indicated that there were on the extreme north end and northeast side of the lake. Jay Mark showed him a plan that the bureau had developed for the northeast side of the lake for those purposes. Rex was in favor of eliminating the road. The grade of the road makes it difficult to maintain. He indicated he has no problem recommending abandoning the road because there are other opportunities for fishing for the general public at no cost. He recommended holding a public hearing to define the use of the road and perhaps eliminate the road from our system. Ray Petersen, Public Lands suggested that there will be a lot of interest in this issue and the Commissioners should be prepared. Progress Editor, Patsy Stoddard indicated that she sees two issues, one regarding property concerns, being vandalism and the other as public use and access. Commissioner Sitterud suggested holding a public hearing in Huntington City to discuss the issue. Attorney David Blackwell indicated that a public hearing requires four weeks of advertising in the local newspaper. January 3, 2006 Commission meeting would be the soonest that a public hearing could be held. Commissioner Gary Kofford made a motion to set the date of January 3, 2006 at 7:00 p.m. in the Huntington City Hall chambers to hold a public hearing to receive public input on proposed abandonment of road #321. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(6)****CONSIDERATION AND APPROVAL OF BULLETPROOF VEST PARTNERSHIP PROGRAM.**

Sheriff LaMar Guymon explained that the bulletproof vest partnership program helps deputies obtain a bulletproof vest. Half of the cost of the vest is paid with a grant, half is paid by the deputy through their monthly uniform allowance. Commissioner Drew Sitterud made a motion to approve the bulletproof vest partnership program. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**

COMMISSION MEETING MINUTES  
NOVEMBER 15, 2005

**CITIZEN CONCERNS**

Attorney David Blackwell presented an employment contract between Wade Allinson, or his designated agent, an agent with the Department of Adult Probation & Parole in the State of Utah and Emery County Drug Task Force. Commissioner Gary Kofford made a motion to approve an employment contract between Wade Allinson, or his designated agent and Emery County Drug Task Force. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

The Board of Commissioners received a letter from Deb Dull, PacifiCorp requesting a letter of support for the purchase of PacifiCorp by Midland American Energy Holdings Company to the public service commission of Utah. Commissioner Gary Kofford made a motion to write a letter of support on Emery County Commission letter head and signed by each commissioner for the acquisition of PacifiCorp by Midland American Energy Holdings Company. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud informed the Commissioners that the Green River Museum is pursuing a grant and asked for a letter of support from Emery County Commission. Commissioner Drew Sitterud made a motion to write a letter of support from the Emery County Commission in support of a grant for the John Wesley Powell Museum in Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**  
**CONSIDERATION OF PROPERTY TAX ABATEMENT FOR ELIZABETH TERRILL.**

Property tax abatement for Elizabeth Terrill was tabled.

A disabled veterans abatement was discussed for Doug Taylor. Mr. Taylor owns other parcels of land other than his residence. He already receives an abatement on his residence and requested an abatement on his other parcels. Senior Deputy Clerk/Auditor Brenda Dugmore indicated that the disabled veteran program does allow for an abatement on all parcels owned by the disabled veteran. Commissioner Drew Sitterud made a motion to abate the taxes allowed by the disabled veteran program for Doug Taylor. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND**

**DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims # 172875 through and including #173030 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
74-05	Wash Station Electrical Work	\$2,465.65	Approved

A disposition was presented for #410-4681 a 35mm Cannon Camera from the Road Department. The camera will be stored until the next surplus sale.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisition and disposition as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following Personnel action:

**FMLA Leave requests**

A request was made to place Doris Quinn on FMLA leave from October 25, 2005 until January 17, 2006. Commissioner Drew Sitterud made a motion to approve FMLA leave for Doris Quinn as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

A request was made to place James Nielsen on FMLA leave from November 9, 2005 until February 1, 2006. Commissioner Gary Kofford made a motion to approve FMLA leave for James Nielsen as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Ira Hatch reported on the recent UCIP audit. He solicited every ones input to help bring the county into compliance with regard to the county's insurance. Emery county receives credit toward its insurance premium based on compliance with guidelines set out by UCIP.

**(11)**

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
NOVEMBER 15, 2005

Commissioner Drew Sitterud made a motion to approve the Commission Meeting minutes dated November 1, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on a RAC meeting on bucks and bulls. The meeting was not well attended. On the agenda was to raise the deer hunt to nine days with two weekends. That was defeated and left at five days. Also on the agenda was to lower the age limit for small game to the ability to pass hunter safety course and parents permission. 12 years of age was proposed for the big game hunt. This passed in our area but was defeated in the southern region. We will have to wait and see what the big game board approves.

The trap range opened for the first time on Saturday. It was open from one o'clock until dark. There was a big interest. It is available for rent by groups. Nielson Construction donated the lights.

Castle Valley Pageant has moved their dates to the first Thursday, Friday and Saturday in August and the second week into August. Now the fair does not match the pageant. We will have to make a decision on what to do with the dates of our Emery County Fair.

*Commissioner Kofford*

Commissioner Kofford reported that Nielson Construction has started work on the Hunter Plant interchange.

He attended USFS' open house on their management plan. That is moving forward.

He and Mike McCandless attended a Board of Directors for Rural Utah Economic Development. They talked about Lila Canyon.

*Commissioner Hatch*

Commissioner Hatch reported that sometime back, Commissioner Kofford met with Congressman Matheson where they discussed putting together a possible funding proposal for our area. Commissioner Kofford at that time suggested funding for finishing up the South Moore Road Cut-Off Project. That came to fruition through a transportation bill. There were two line items, one for seven and a half million dollars and one for eight million dollars. We

COMMISSION MEETING MINUTES  
NOVEMBER 15, 2005

thought that was a mistake and they doubled the request. UDOT came and met with us and outlined the procedure to activate that funding. We will get the whole fifteen and a half million dollars that was allocated to go to the South Moore Cut-Off Road. Johansen and Tuttle has put together a plan to spend the money. The plan outlines the allocated amount almost to the dollar. We are into the project for the second phase. The new money will be used to do the earth work and asphalt the whole road. We have to have the money spent in five years. We anticipating the project taking three years to complete.

**(13)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATION**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(14)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 6, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**PATRICK GUBBINS, BLM, QUARTERLY UPDATE**

Patrick Gubbins, BLM provided the following update:

✦ He thanked the County for their positive working relationship. They are in the process of remodeling the Cleveland-Lloyd Dinosaur Quarry. They are increasing the size of the visitor center. They will have the project completed and have a ribbon cutting ceremony in the summer. He asked that the Commissioners plan on attending.

✦ He thanked Ray Petersen and Commissioner Sitterud for on site meetings at the Wedge. The road has been graveled to the second overlook, the number of sites remain the same but have added several picnic sites. They have had some vandalism that required some minor repairs.

✦ He thanked the OHV Club for their over 500 clocked volunteer hours. The group has been helpful with off-highway trail projects.

✦ Ray Petersen and Mark H. Williams have been working on refining maps and numbering Class B roads for OHV routes on the Swell to help manage Search and Rescue. Mark H. thanked them for arranging for the use of a trail cat on the dangerous areas.

✦ They have found evidence of people burning wire near the mounds area. It is a hassle to enforce, clean-up and monitor.

✦ Their RMP is still in the process.

✦ Natural gas development has taken off. He talked about NEPA requirements regarding gas well production.

(2)

## **MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE**

Ms. Nyman did not attend the meeting.

(3)

## **DERRIS JONES, DWR, QUARTERLY UPDATE.**

Derris Jones, DWR provided the following update:

✦ Rocky Mountain Bighorn Sheep production is doing very well on the Rattlesnake and Buzzard Bench areas.

✦ They planted 96 head of antelope in Carbon and Emery counties.

✦ Post season deer classification is in process. Preliminary numbers show great fawn production and getting more deer on the benches.

✦ Spring bear hunt is in the experimental stage. Fewer female bear are harvested in the spring.

✦ Bison survey was conducted in July. The count is not good. They will experiment and do a survey in the winter with snow conditions.

✦ In Aquatics - ice fishing began at Huntington Reservoir. Ice thickness at 2.5 inches is the safest. Scofield is just beginning to ice over due to the wind conditions.

✦ They have found a pure strain of Colorado Cutthroat Trout in Scad Valley but were found to have Whirling Disease.

✦ Duck Fork Creek fish traps testing is being conducted to test eggs for disease.

✦ They are working on getting creel numbers in Huntington Creek and Huntington North Creek.

✦ Fuels mitigation projects were conducted in Poison Springs, the mouth of the Muddy Creek, Cunningham Ranch and Henry Mountains with some 36,000 acres identified.

✦ They are conducting impact analysis on gas well sites.

✦ Range Creek, they began meeting with partners in Price where they aired things. They will begin comprehensive management planning in January.

✦ In law enforcement, they had a bear shot on the LaSalles. They arrested the guy in San Juan County and charged him with a wildlife violation.

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

✦ On going investigations are proceeding on a bison kill, a deer was shot in Coal Springs, a three point buck was shot in Dry Valley.

✦ In their outreach Program they had over 100 people attend the Bighorn Sheep Festival where people listened to a lecture and attended a field trip.

✦ Angler license fees are down so they will be advertising on the Doug Miller Outdoors Show to stimulate purchase of licenses.

✦ Regarding Chronic Wasting Disease, there was one possible diagnosis in the LaSalles.

**(4)**

**CITIZEN CONCERNS**

Public Lands Director, Ray Petersen informed the Commissioners that there are four Public Lands board members whose terms will expire on December 31, 2005. Advertising for interested individuals to serve on the board will be in the Emery County Progress this week.

Emery County Treasurer, Steven Barton informed the Commissioners of a request from Canyon Fuel. They missed paying property taxes on one of their parcels. As soon as it was noticed they contacted the County Treasurer's office. The request was to forgive the penalty amounting to roughly \$1,400.00. Mr. Barton was directed to put the request on the agenda for the next Commission Meeting.

**(5)**

**APPOINTMENT TO EMERY COUNTY TRAVEL BOARD.**

It was requested to hold off on making an appointment for now.

**(6)**

**RATIFY COMMISSION TAX ADJUSTMENT.**

Emery County Assessor, Kris Bell discussed a Commissioner's adjustment request from Danny and Sandra Curtis. Parcel # 01-236A-0013. The percentage for different kinds of exterior was different than previously disclosed in appraisal. The previous market value was \$80,234.00. The new market value would be \$70,779.00. The new taxes would be \$647.54 which is a difference of \$79.33. Commissioner Drew Sitterud made a motion to ratify the decision for a tax adjustment on parcel #01-236A-0013 for Danny and Sandy Curtis. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

Ms. Bell discussed a systems data error that had occurred on Jon Downard. Mr. Downard's home burned down last year and it was removed from the system. The home has re-appeared on the records for 2005.

She also discussed a problem with Jon Healy's home. She will do some more checking into the situation and place it on the next commission meeting agenda.

(7)

**CONSIDERATION AND APPROVAL OF FINANCIAL AND OPERATING PLAN UNDER THE PROVISIONS OF COOPERATIVE AGREEMENT #06-LE-11041000-001 FOR SPECIAL ENFORCEMENT ACTIVITIES ON FOREST SERVICE PROPERTY.**

This is the same contract amount as last year. However, the Commissioners would like to negotiate the mileage rate for next year. Commissioner Drew Sitterud made a motion to approve of financial and operating plan under the provision of cooperative agreement #06-LE-11041000-001 for special enforcement activities with a note that Emery County wants to negotiate the mileage reimbursement for next year. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**RATIFICATION OF EMPLOYMENT CONTRACT WITH EMERY COUNTY DRUG TASK FORCE.**

Commissioner Gary Kofford made a motion to ratify an employment contract with Emery County Drug Task Force as previously approved. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION OF PROPERTY TAX ABATEMENT FOR ELIZABETH TERRILL.**

Elizabeth Terrill came before the Board of Commissioners to request a low income property tax abatement. Her physical limitations are such that she is not able to work. She lives off of a meager income. Her property taxes are \$650.93. Commissioner Gary Kofford made a motion to abate fifty percent (\$325.47) of Elizabeth Terrill's property tax. Commissioner Ira Hatch stepped down to second the motion as Commissioner Sitterud was not present at that time. The motion was approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF CONTRACT 030845, AMENDMENT #6 BETWEEN EMERY COUNTY AND UTAH DEPARTMENT OF WORKFORCE SERVICES.**

This is a contract between Emery County and Utah Department of Workforce Services to conduct an employee survey. Emery County sub-contracts with Emery Telcom to conduct the survey. Commissioner Hatch suggested that before Emery County considers this contract another year that a request for bids go out for the work as there is now another company in the county that could possibly bid into this work. Commissioner Gary Kofford made a motion to approve contract 030845, Amendment #6 between Emery County and WFS. Commissioner Ira Hatch stepped down to second the motion was Commissioner Drew Sitterud was not present at that time. The motion was approved by all members present.

**(11)**  
**DISCUSSION OF USE OF COURTHOUSE CONFERENCE ROOM FOR MINE TRAINING CLASSES.**

The Commissioner's received a request from CEU's Applied Technology Center requesting to use two rooms in the courthouse for mine training classes. They requested to use the rooms for three months. The Commissioners discussed that rather than take action on this matter they will work on finding an alternate location for the ATC to use. If that is not possible then they will come back to commission meeting with another recommendation.

**(12)**  
**APPROVAL OF BUSINESS LICENSES.**

Two business licenses were presented for consideration. The licenses were from Donna LeRoy DBA: DCL Outsource Payroll and Kevin "Andy" Wall DBA: Awall Arms & Ammunition. Both licenses have been reviewed and approved by Zoning Administrator Bryant Anderson. Commissioner Gary Kofford made a motion to approve the two business licenses as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #173234 through and including #173417 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
76-05	100 Gallon Per Minute Pump Highway/Wash Station	1,796.00	Approved
77-06	Shop Diagnostic Software Highway	711.95	Approved
78-05	Plasma Cutter Highway	2,000.00	Approved
79-05	Hydraulic Bottle Jack Highway	349.99	Approved
80-05	Polaris Ranger 6X6 Weed/Mosquito	9,919.00	Approved
81-05	Entry Team Vehicle Buffer Zone Grant Sheriff's Department	46,242.00	Approved
82-05	Receipt/Validator Printer Treasurer/Recorder	619.10	Approved

A disposition was presented for a 1990 Ford Van from the Nursing Home.

Bids were opened for a new furnace at the Huntington Airport. Also included in the bid was winterizing the house at the Huntington Airport. There were two bids submitted. Ram's Industries submitted a bid of \$1,100.00 for a new furnace and winterizing the house. There was no indication of the size of furnace that would be installed. Dugmore Heating and Appliance submitted a bid of \$1,295 for a 100,000 BTU furnace and \$1,995 for a 750,000 BTU furnace and winterizing the house. Commissioner Kofford suggested tabling for review. After discussion, Commissioner Ira Hatch stepped down to make a motion to consider the bids, compare by following up with the two vendors, comparing apples to apples, and award the bid to the lowest bidder. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Gary Kofford added that if the bids are not adequate that they may need to re-bid the job.

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

Clerk/Auditor Bruce Funk advised the Commissioners that a claim from Tracy's was submitted for repair of two Sheriff's Department Durangos. However, the claim was for advance payment for the work to be done on the Durangos. It was Mr. Funk's recommendation to not pay for any work in advance. Nevertheless, the Commissioners can authorize the pre-payment.

Commissioner Drew Sitterud made a motion to pay the Warrant Check Edit List, additional claims, approve the requisitions and disposition as presented, and to approve the pre-payment to Tracy's for the Durangos repairs. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following Personnel action:

Museum of the San Rafael

Commissioner Sitterud went before the Museum Board, as requested in a previous commission meeting, to discuss the possibility of increasing Jan Petersen's hours from part time employee working under twenty hours per week, to a part time employee working up to 39 hours per week. Commissioner Kofford suggested it may be best to look at the budget for the Museum of the San Rafael first before taking any action on this matter. Commissioner Drew Sitterud made a motion to take a look at this matter during the budget process then to re-visit this matter after it has been identified in the 2006 budget for the Museum of the San Rafael. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Discuss and approve action of buying "Years of Service" from URS to make an employee whole.

Mary noted that if this is something the Commission chooses to do then they will need to adopt a purchase policy to avoid discrimination and to be fair to all across the board. This is a URS rule.

Attorney, David Blackwell asked if this is concerning Deputy Attorney Alan Thorpe. He indicated he has been informed that his budget is going to be cut by \$63,000.00 which is Alan's part-time job. His suggestion was that as a separation agreement with Alan we pay the \$30,800.00 which is the amount to buy out his retirement. He indicated he felt that this is not a situation where an individual is retiring. He is being let go. He has concern for this. A man works for the county nearly twenty-seven years and is let go three years short of retirement. He doesn't think this is good policy. He thinks this will set a precedent. He has three other employees with identical contracts to Alan's. If this same thing going to happen to them? Mr.

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

Blackwell indicated he is not happy with the way this is being done. If we have to follow some policy then lets get a policy in place and do it. It was his understanding that this is not being done to anyone else.

Commissioner Ira Hatch indicated that we are terminating other peoples employment.

Mr. Blackwell indicated that these other employees have maxed out their retirement.

Commissioner Ira Hatch said he did not know if that was true.

Commissioner Drew Sitterud commented that if we did this, there are several who will be in line to be bought out. If we do this for one employee will we have to do this for other employees.

Mr. Blackwell said that there is a difference. Those employees still have the opportunity to work.

If they want to voluntarily retire that is a whole different matter. Alan is involuntarily being let go. The thing that concerns him is that his department is giving up \$63,000.00 which is Alan's wages and benefits for the three years, totaling some approximately \$ 200,000.00 and the county cannot come up with \$30,800.00 to buy out an employee's retirement. The way it is now he has to wait until he is sixty-two before he can start getting any retirement.

Commissioner Sitterud asked if Alan can buy up his years? Does the county have to buy it? Mr. Blackwell indicated yes, if he has \$30,000.00 in his pocket. He has to pay five percent of that. The other thing is we have done these separation agreements with other employees when those people have left the county's employment under a lot less rosy situations than Alan's.

Commissioner Gary Kofford had concerns for the contract itself. The contract does not go into any of this matter. He suggested that if this is the way that all of his contracts read then the contracts need to be redone. The contract simply states that either party can terminate with ninety days notice. We have operated under different guidelines than what the contract spells out. Professional employees can be exempt from guidelines due to hours spent during trial situations. Mr. Blackwell indicated that he inherited these contracts from previous years. He has changed them a little over the years. His department is going to have to absorb Alan's work load. He does not feel good about that, but understands that the budget is shrinking. He would feel a lot better about that if the county could do something about Alan.

Commissioner Gary Kofford asked if the County paid a lump sum to Alan to buy out his retirement would it have to be taxed? Bruce indicated that retirement funds are tax deferred and taxed as paid. Commissioner Kofford made a motion to make up to \$31,000.00 available to buy out Alan's retirement.

Commissioner Drew Sitterud stated that he did not see how the county could do that until we are finished going through the budget process. The money is not in this years budget.

COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

Commissioner Ira Hatch stated that he felt that we would be setting a precedent.

Commissioner Ira Hatch ruled that the motion died for lack of a second.

Attorney David Blackwell stated his disappointment.

Commissioner Ira Hatch stepped down and made a motion to not approve the action of buying out years of service. The motion was seconded by Commissioner Drew Sitterud. Commissioner Gary Kofford voted nay on the motion. Motion passed two for and one against.

Highway Department

Rex Funk prior to retiring conducted a performance appraisal on Brooke Riley and is requesting a routine progressive step increase from 5A to 6A, effective December 19, 2005. Commissioner Drew Sitterud made a motion to approve a progressive step increase for Brooke Riley as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Recorder

Recorder, Dixie Swasey is requesting approval to allow employees to contribute time to Doris Quinn who is out of vacation and sick leave due to her own serious medical condition. Commissioner Drew Sitterud made a motion to approve allowing employees to donate sick time to Doris Quinn. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff's Department

Sheriff Guymon and Captain Ekker are requesting approval to allow employees to contribute to Michael Van Wagoner who will soon be out of vacation and sick leave due to serious medical condition which his wife has. Commissioner Drew Sitterud made a motion to allow employees to donate to Michael Van Wagoner as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated November 15, 2005 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**  
**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud along with several other counties met with Senator Bramble on tax reform. He was not very receptive to our concerns.

He discussed the power and gas bill for Horn Mountain tower. It is on hold for now until things get straightened out. They need to look at charging Cellular One for rent.

He reported on the progress of the television group and how things were going.

He attended an addressing meeting where they discussed Class B Roads crossing county lines and working on getting emergency services lined up. They will be moving across the state in getting this project completed.

*Commissioner Kofford*

Commissioner Kofford reminded everyone of the county employee party Thursday night.

*Commissioner Hatch*

Commissioner Hatch attended SITLA Road policy meeting where they suggested changes to their road policy statement.

Commissioner Hatch, Commissioner Kofford and Mary Huntington attended UCIP annual meeting at Thanksgiving Point on December 1<sup>st</sup> where they discussed a proposed health insurance program. A representative from UCIP will come and explain the program and give the County an opportunity to climb on board or decline.

He attended a Utah State Board of Regents meeting where they discussed funding feasibility for going to a four year program at CEU. They were able to hear ideas regarding the Applied Technology Center and other areas of concern.

**(17)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An Executive Session was not necessary at this time.

11  
COMMISSION MEETING MINUTES  
DECEMBER 6, 2005

**(18)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 20, 2005

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**REQUEST FROM CANYON FUEL COMPANY, LLC FOR ABATEMENT OF TAX PENALTY.**

Treasurer, Steven Barton presented a request from Canyon Fuel Company, LLC. Canyon Fuel realized they had missed paying taxes on one of their parcels they immediately contacted the treasurer's office and overnighted the payment. Their taxes are all paid in full now. Canyon Fuel is formally requesting that the penalty, \$1,367.41 be abated by the County Commissioners. Commissioner Drew Sitterud made a motion to abate the penalty imposed to Canyon Fuel Company, LLC for the late payment of property taxes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(2)**  
**RATIFICATION OF CONTRACT WITH STATE OF UTAH FOR PUBLIC LIBRARY DEVELOPMENT GRANT.**

Commissioner Gary Kofford explained that there was a time constraint for having the grant application turned in to the state. It was necessary for Commissioner Kofford to sign the application to expedite the process. It is now necessary to ratify that action taken. Commissioner Gary Kofford made a motion to ratify the action taken to sign the Public Library Development Grant application. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(3)**  
**OPENING OF BIDS FOR PURCHASE OF COUNTY OWNED PARCEL NO. 01-0019-0027. CONSIDERATION AND APPROVAL OF BID AWARD AND OTHER REQUIRED PAPERWORK.**

A couple of meetings ago there was a request from Ed Rasbold for a piece of property that was

COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

not properly recorded at the time of purchase to be transferred to him. In order to follow the process for disposing of county property, the property was put up for bid. The minimum bid was set at \$22.00. One bid was received. Ed Rasbold made a bid of \$25.00. Commissioner Gary Kofford made a motion to declare the property be sold to Ed Rasbold for \$25.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Attorney David Blackwell will prepare the quit claim deed.

(4)

**APPOINTMENT TO EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT.**

Commissioner Hatch suggested it would be best to table this until the first of the year in order to give the newly elected city councils time to make recommendations.

(5)

**LANCE WRIGHT, REQUEST FOR DONATION TO THE ENCORE THEATRE COMPANY.**

Lance Wright requested a donation to the Encore Theatre Company. Commissioner Drew Sitterud made a motion to donate \$250.00 to the Encore Theatre Company. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CITIZEN CONCERNS**

Sharon Earl, Emery County Chamber of Commerce thanked the County Commissioners for their support of the Senior Citizen Christmas Party. It was a success. They served 225 guest. Maughn Guymon, Area Agency on Aging expressed his appreciation to the Commissioners for their continued support of programs for the Senior Citizens of Emery County and complimented the Chamber for the party's success.

She also expressed the Chamber's concern for the date change for the Castle Valley Pageant.

Clerk/Auditor Bruce Funk informed the County Commissioners that the voting machines will be delivered on December 27<sup>th</sup>. We will need to accept delivery of the machines and have a secure place to store the machines. Diabold will send two of their people to go through the operation and testing of the voting machines. The integrity of the election now entirely deals with security and access. He discussed the possibility of storing the machines in the law library. Once we have accepted and tested the machines they are the County's responsibility.

(7)

COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

**CONSIDERATION AND APPROVAL OF 2006 COMMISSION MEETING SCHEDULE**

Commissioner Hatch proposed changing the 2006 Commission Meeting schedule to hold both monthly meetings in the morning at 9 a.m. There seems to be a better attendance at the morning meetings. The only exception to the morning meeting would be the August 15<sup>th</sup> meeting in Green River in conjunction with Board of Equalization. This meeting will be held at 4 p.m. with BOE from 2 p.m. until 4 p.m. Another exception would be to have one meeting in July, due to the 4<sup>th</sup> of July holiday, and November due to Election Day. The Commissioners discussed the need to hold public hearings in the evenings. They determined that public hearings can be an extension of the morning meeting and held in the evening. Commissioner Drew Sitterud made a motion to adopt the following 2006 Commission Meeting schedule noting the exception of the August meeting wherein BOE in Green River will be held from 2 p.m. until 4 p.m. with Commission Meeting to follow at 4 p.m. in Green River, Utah. The motion was amended to include one meeting in July and November. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Christmas	Friday	12-22-06 (1/2 day)
Christmas	Monday	12-25-06

Commissioner Gary Kofford made a motion to approve the 2006 holiday schedule as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)****DISCUSSION AND APPROVAL OF MILEAGE RATE FOR 2006.**

The IRS mileage reimbursement rate for 2006 is 44.5 cents. Emery County Commissioners voted in 2004 to set the mileage reimbursement rate at 37.5 cents a mile. Commissioner Gary Kofford made a motion to retain a mileage reimbursement rate of 37.5 cents a mile for 2006. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF CONTRACT WITH JCI BILLING SERVICES, INC. FOR AMBULANCE BILLING SERVICES.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented a contract agreement with JCI Billing Services, Inc. for ambulance services for 2006. The contract reflects a \$3.00 per claim increase. Commissioner Drew Sitterud made a motion to approve the contract agreement with JCI Billing Services, Inc.. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**  
**APPROVAL OF BUSINESS LICENSE.**

A business license application was presented from Adam Robison DBA: D & A Airport Service. Commissioner Gary Kofford made a motion to table the business license application for now. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford made a motion to come out of the regular commission meeting and enter into a public hearing to receive public comment on amendments to the 2005 budget. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(12)**  
**5:30 PM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON AMENDMENTS TO FY2005 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Senior Deputy Clerk/Auditor Brenda Dugmore explained that this is an annual thing that we must do to bring into line everything that has gone on throughout the year that we have not planned for in advance. The difference between this budget and the one that was adopted last year will reflect things like grants and additional revenue to cover any overages that were unforeseen. Most of the departments were right in line. Very few went over their budget.

Darrell Leamaster, Castle Valley Special Service District presented his amended FY2005 budget for Capital Project Fund and General Fund.

Commissioner Gary Kofford made a motion to end the public hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF AMENDMENTS FOR EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Gary Kofford made a motion to approve Resolution 12-20-05A amending the 2005 budget for Emery County General Fund, Special Revenue Funds and Capital Projects. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to approve Resolution 12-20-05B amending the 2005 budget for Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to recess the meeting until 6 pm. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to reconvene the regular commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to move into a public hearing to receive comments on the proposed 2006 budget and a 2% increase for all elected officials and county employees. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**6:00 PM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON FY2006 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND A 2% INCREASE FOR ELECTED OFFICIALS AND COUNTY EMPLOYEES.**

Commissioner Hatch read from the state code regarding budgets. Each year the county must prepare a budget or financial plan. In preparation for that, on or before the first day of the next to the last month of every fiscal period, which is November, the budget officer shall prepare for the next budget period and file with the governing body a tentative budget for each fund for which the budget is required. That tentative budget has been done and has been available for review in the Clerk/Auditor's office for some time. The tentative budget and all supportive schedules and data shall be a public record available for inspection during business hours at the office of the Clerk/Auditor for at least 10 days prior to the public hearing on the adoption of the final budget. That has been done. The governing body shall determine the time and place for the public hearing on the adoption of the budget. Notice of such hearing shall be published at least seven days before the hearing in at least one news paper of general circulation within the county. At the specified time and place or at anytime and place at which such public hearing may be

COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

adjourned the governing body shall hold a public hearing on the budget where all interested persons shall have an opportunity to be heard for or against the estimates of revenue and expenditures and any performance data or any item in any fund. On or before the last day of each fiscal period the governing body by resolution shall adopt the budget which subject to further amendment shall thereafter shall be in affect throughout the next fiscal period. A copy of the final budget and any subsequent amendments thereof shall be certified by the budget officer and filed with the state auditor no later than thirty days after its adoption. A copy similarly certified shall be filed in the office of the budget officer for review by the public during regular business hours. This is the process that we need to go through for adoption of the 2006 budget. This is the public's opportunity to comment on the 2006 budget.

Senior Deputy Clerk/Auditor Brenda Dugmore reviewed the 2006 budget with the public. The budget does not include a tax increase. It is based on last year's revenue. The 2% merit increase will move employees up one step and a 2% increase for elected officials.

Attorney David Blackwell asked if that 2% includes the contract employees also. It does include the contract employees and EMTS.

They moved the Emery County Fair and Museum of the San Rafael into the Special Revenue Funds.

Commissioner Hatch opened the meeting for questions or public comment.

There was no comment.

Darrell Leamaster, Castle Valley Special Service District presented his 2006 budget. He commented that it has been very helpful to have Commissioner Sitterud on the CIB Board.

Commissioner Drew Sitterud made a motion to come of the public hearing and return the regular commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**CONSIDERATION AND APPROVAL OF FY2006 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND A 2% INCREASE FOR ELECTED OFFICIALS AND COUNTY EMPLOYEES.**

Upon returning to the regular commission meeting Commissioner Drew Sitterud made a motion to approve Resolution 12-20-05C adopting the 2006 budget for the Emery County General Fund, Special Revenue Funds and Capital Project Funds and also a 2% increase for elected officials

COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

and county employees. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve Resolution 12-20-05D adopting the 2006 budget for Castle Valley Special Service District. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(16)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #173494 through and including 173633 for payment.

Two dispositions were presented. 210-7848, HP Deskjet printer from the Sheriff's Department that was junked and 234-6096 a television translator from Communications that was junked. Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following personnel action:

**Road Department**

Brooke Riley has submitted her resignation effective December 16, 2005. Interim supervisor Morris Sorensen requests approval to begin the recruitment process at the entry level for a secretary, grade 4A, \$8.12 per hour. Commissioner Drew Sitterud made a motion to approve the recruitment process for a secretary for the Road Department as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Morris Sorensen also requested approval to begin the recruitment process for an Equipment/Operator Driver. The grade would be either 11 or 12 based on experience and qualifications. Commissioner Gary Kofford made a motion to approve the recruitment process for a Equipment/Operator Driver as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Interviews for the Road Supervisor position were held December 19, 2005 and Morris Sorensen was presented for approval as the new Road Department Supervisor. If approved this would be

COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

effective January 2, 2006 at Grade 23 H. Commissioner Gary Kofford made a motion to approve Morris Sorensen as the new Road Department Supervisor effective January 2, 2006 at Grade 23 H. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford requested approval to make the existing janitor/custodian “contract” position a full time career service position. With approval the recruitment process will begin and will be posted for one week. Commissioner Gary Kofford made a motion to begin the recruitment process to fill the janitor/custodian position. The motion was seconded by Commissioner Drew Sitterud. Commissioner Hatch asked if there were any questions on the motion. Attorney David Blackwell asked if the county was doing away with the contract position? Commissioner Hatch indicated that they were. Mr. Blackwell asked if we could just move the existing person into that position? Commissioner Kofford indicated that the personnel policy states we must post the position. Mr. Blackwell stated that we have had a person in that position for twenty-five years who has been pretty much treated as an employee. Why not just change his status? Commissioner Hatch stated that Mr. Blackwell is the county’s legal council and if he says that we can do it then we can. Mr. Blackwell stated to make the change and he will stand by his opinion. Commissioner Gary Kofford made a motion to hire Dennis Fuller as Janitor/Custodian effective the closest pay period in February to allow for the thirty-day notification to terminate the current contract with Dennis. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. A letter will be sent to Dennis Fuller indicating the termination of his current contract with the county and changing his status to full time career service employee.

(18)

**CONSIDERATION AND APPROVAL OF MOA WITH ROBERT K. WEIDNER AS GOVERNMENT RELATION’S ADVISOR TO EMERY COUNTY THROUGH THE RURAL PUBLIC LANDS COUNTY COUNCIL.**

Commissioner Drew Sitterud made a motion to approve an MOA with Robert K. Weidner as Government Relations Advisor to Emery County and agree to pay Mr. Weidner \$15,000.00 for his services as provided for in the MOA. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(19)

**CONSIDERATION AND APPROVAL OF GRANT APPLICATION AND AGREEMENT WITH UTAH DEPARTMENT OF TRANSPORTATION FOR HUNTINGTON**

**AIRPORT CRACK SEAL, FOG COAT, AND PAINT.**

Commissioner Ira Hatch explained that Emery County received a grant last year for improvements to the Huntington Airport that included widening the runway and adding new lights. This new grant from UDOT will provide crack seal, fog coat and paint at the airport. The grant is a 90/10 ratio. Emery County has contracted with Special Service District to accomplish the work for this new project. The estimated cost of the project is \$35,300.00 of which Emery County will defray its share of the project cost in the amount of \$3,530.00. Commissioner Hatch proposed the Commission approve the grant application and agreement with UDOT for this improvement project at the Huntington Airport. Commissioner Gary Kofford made a motion to accept the grant application with UDOT for the Huntington Airport Project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(20)****DISCUSSION OF LETTER TO UDOT IN SUPPORT OF ATV ROUTE NEAR EMERY.**

Commissioner Sitterud explained that Glynis Sitterud has been working on an ATV route in Emery that would go up Hole Trail around and down to Leap Canyon, go out the old highway of Emery to SR10, along SR10 across the Muddy River and back up the Muddy to make a full loop. She has been working with UDOT. She has been given approval if she can procure a river crossing. She needs a formal letter of support from the county on letterhead. Commissioner Drew Sitterud made a motion to write a letter of support to UDOT in support of Emery Town's effort to make this ATV route. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(21)****APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the commission meeting minutes dated December 6, 2005 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(22)****COMMISSION REPORTS***Commissioner Sitterud*

11  
COMMISSION MEETING MINUTES  
DECEMBER 20, 2005

Commissioner Sitterud commented on the Employee Christmas Party.

He attended an RS2477 client meeting. This is still moving forward and looking better all the time.

*Commissioner Kofford*

Commissioner Kofford recently met with DOGM and other state agencies regarding water matters.

Commissioner Kofford asked for the approval to recruit for a part time, less than twenty hours a week janitorial position to assist with the janitorial services at the courthouse. Commissioner Ira Hatch stepped down to make a motion to approve the recruitment of a part-time, less than twenty hours a week janitorial position. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

*Commissioner Hatch*

Commissioner Hatch recently attended Work Force Services regional council meeting in Moab. He expressed his appreciation to Delena Fish and her attitude regarding our local Work Force Service for what they do for our area.

He reported on a recent Risk Management Committee Meeting where it was discussed to hold employee participation day. A defensive driving course will be offered as well as other informative instruction and aid. Tentative dates have been set and we will be finalizing things soon and getting that information out to the employees.

He has been trying to work with the Forest Service and the road district. There are some projects that are dragging along. They are ready to begin the engineering phase of the Rilda Canyon project. Another project is Reeder Canyon subdivision road from Highway 29 that takes off by Lowry Water and goes up to the Reeder Subdivision. Currently we have an easement on that road we are looking to improve that road by putting a hard surface on it. There is an opportunity for us to cooperate with the Forest Service to get a few things done there.

**(23)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Executive session was not needed at this time.

Tabled

**(5)**  
**KRIS BELL, RATIFICATION OF PROPERTY TAX ABATEMENTS**

Assessor, Kris Bell asked to have ratified the action taken earlier to abate the taxes on parcel #01-0128-0005 the home of Johnnie Downard. The home burned down in 2004 and the home value reappeared on the Singer program. The previous market value was \$31,259, taxes were \$298.93. The new market value is \$17,000.00, new taxes are \$178.36, with a tax difference of \$120.57. Commissioner Drew Sitterud made a motion to ratify action taken earlier to abate \$120.57 in taxes for Johnnie Downard. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

In an earlier Commission Meeting a Commission adjustment was made on parcel #01-113A-004 belonging to John Healy because the salvaged home was removed. The Assessor's Office was told November 29, 2005 by the owner that the water is capped off, the power and gas has been removed. Therefore, the land should be valued as backage and not with a lot value. The previous market value was \$17,706.00, with taxes \$271.97. The new market value would be \$4,458.00, with taxes \$68.54.00. A tax difference of \$203.43. The Commissioners discussed this and decided that the services are still there and should be considered a building lot. Therefore, Commissioner Gary Kofford made a motion to deny the request and leave the value at \$17,706.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(6)**  
**CITIZEN CONCERNS**

Commissioner Sitterud discussed a phone call from Southeast Applied Technology College requesting to use two rooms for mine training and re-certification classes. This would save Emery County coal miners money and time in not having to travel to Price for the training. The classes would run for eleven weeks through January, February and March. They would need to be able to leave equipment in the room and lock it up at night. They need an answer as soon as possible or they will need to arrange to hold the classes in Price. Commissioner Gary Kofford

COMMISSION MEETING MINUTES

JANUARY 3, 2006

3

made a motion to authorize the ATC to use two rooms for three months and to authorize Commissioner Kofford, Dennis Fuller and Mike McCandless to negotiate with ATC on the terms. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The room where the election equipment is being stored will not be available. They discussed the possible parking concerns. The Commission will ask that the attendees park in the church parking lot or street parking spaces and not use the Courthouse parking.

(7)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #173844 through and including #173860 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
01-06	(20) P4 Computers Capital Replacements	\$20, 475.00	Approved

One disposition was presented from the Library for a IBM typewriter that will be sent to the next surplus property auction.

Bruce Funk requested to increase James Nielsen's cell phone reimbursement from \$19.00 to \$45.00.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions and also the request to increase the cell phone reimbursement for James Nielsen. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following personnel action:

Effective February 1, 2006 Dennis Fuller will be the Custodian/Maintenance Lead as a full time career service employee. Commissioner Gary Kofford requested that his starting rate of pay be Grade 19J. (\$18.31 per hour or \$38,084.80 per year) Commissioner Gary Kofford made a motion to pay Dennis Fuller at the starting rate of Grade 19J as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

COMMISSION MEETING MINUTES  
JANUARY 3, 2006

4

Commissioner Gary Kofford made a motion to begin the recruitment process for two part time, less than twenty hours a week custodians for the courthouse here and at the Courts building. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Tabled

**(10)**  
**COMMISSION REPORTS**

*Commission Kofford*

Commissioner Kofford discussed the need to terminate the current employee contract with Dennis Fuller DBA: Castle Valley Maintenance prior to the beginning of his new employment status. Therefore, Commissioner Gary Kofford made a motion to terminate the contract with Castle Valley Maintenance effective January 31, 2006. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. This will be ratified in the next commission meeting.

Ramal Jones from the San Rafael Museum board recently made a proposal to the museum board to put up three scale size dinosaurs at the museum. He estimated the cost would be around \$100,000.00. He is looking into getting grants. The Commissioners discussed the fact that he would hard pressed to even get the dinosaurs at the \$100,000.00 each. They felt the price would be much higher.

*Commissioner Sitterud*

Commissioner Sitterud thanked everyone for their help with the budget process.

*Commissioner Hatch*

Commissioner Hatch reminded everyone of the Public Hearing being held at Huntington City Hall tonight at 7:00 p.m..

Commissioner Gary Kofford made a motion to recess the meeting until Mr. Gardner arrives. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

At 10:30 a.m. Commissioner Drew Sitterud made a motion to reconvene the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**  
**BRENT GARDNER, UPDATE OF UAC ISSUES.**

Executive Director of UAC, Brent Gardner discussed with the Commissioners legislative issues related to non-Wasatch front legislative and appropriation items. He talked about the need to get a commitment from Representative Brad Johnson in areas of growth in jail funding and core funding. He answered questions regarding personal property, centrally assessed property and problems related to such.

Commissioner Drew Sitterud made a motion to leave the regular Commission meeting and move into an executive session to discuss attorney/client communications regarding litigation and other related matters allowed by law. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Those attending executive session were: Commissioner Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, UAC Executive Director Brent Gardner, and Deputy Clerk/Auditor Carol Cox.

Discussed was matters related to UAC.

**(13)**  
**RECESS**

Upon returning to regular meeting Commissioner Gary Kofford made a motion to recess the meeting until 7:00 p.m. at which time Commission meeting will reconvene at Huntington City Hall to hold a Public Hearing. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

COMMISSION MEETING MINUTES  
JANUARY 3, 2006  
6

JANUARY 3, 2006

Purpose of the meeting: To receive public comment on proposal to vacate Emery County Road #321, known as the West Huntington Lake Road, also known as the Southwest Cove Road.  
Property description as published in the Emery County Progress December 6, 13, 20 and 27, 2005.

Present at said public hearing were as follows:

Mac Mills, Dan Pulli, Bob Mills, Corey Bluemel, Ralph Bluemel, Morris Sorensen, Ray Petersen, Mark H. Williams, Cody Patton, Sharon K. Earl, Kim Earl, Cathy Cowley, Jay Mark Humphrey, Judy Truman, Michael McCandless, Commissioner Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Clerk/Auditor Bruce Funk.

Commission reconvened at Huntington City Hall at 7:00 p.m. with all members present for the purpose of holding a public hearing on a proposal to vacate Emery County Road #321 known as West Huntington Lake Road also known as Southwest Cove Road.

Motion was made by Commissioner Drew Sitterud to reconvene the Commission meeting and open the meeting for a public hearing for the purpose as outlined. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Ray Petersen, Public Lands Director oriented those present as to the road being considered including boundaries and names of adjoining property owners.

Bob Mills, property owner, indicated that the road is on their property and that their request to vacate the road is to stop vandalism on their property. They don't want to cut out fishermen, but to control vandalism and damage by limiting access when users would have to receive permission to access.

Cody Patton, Assistant Park Ranger, recognized problem but vast majority of people behave properly. It serves as a very important free access and resource to the lake providing fishing, swimming and other activities. His department would be willing to increase patrol in the area and litter patrol to make it work.

Jay Mark Humphrey, Emery County Water Conservancy District, pointed out that the purpose of the ground was for a reservoir not recreation. He pointed out the intended parking situation. He pointed out that a study and plan had been adopted for the lake by the Bureau of Reclamation. If there is a security issue for the Bureau they would close the area. The Bureau does not allow parking when blind spots exist. Discussed with Mr. Humphrey was the possibility of making trail access.

Cathy Cowley uses the road being considered for youth activities such as fishing and riding bikes. Closure of the road would force the kids to travel along side Highway 10 to the east side for

COMMISSION MEETING MINUTES  
JANUARY 3, 2006

7

access. This would be very dangerous.

Michael McCandless echoed Cathy Cowley's concern and comment. He does not like putting kids on the highway. To make a trail access would not resolve the vandalism problems. There are times such as holidays that the road receives significant use, about 10 to 20 vehicles. He would not like the county to establish a precedent of closing a road because of reported vandalism. He also emphasized the road has an established historical use.

The Commission indicated that the road belongs to the county by right-of-way or prescriptive use.

Commissioner Kofford inquired if the Park Service could provide chain link fencing on the east side of the property for the owners and would keep the road access open. Cody Patton indicated that the Parks would want to keep away from development which would necessitate fees.

Commission Chairman Ira Hatch noted that the best option at this time would be to meet further with all parties. The Commission is not in the position tonight as to whether to abandon the road or not. Discussion has pointed out that the County look at fencing, new trail or cut the road down.

A meeting was set for Friday January 13, 2006 at 10:00 a.m. at the site for all interested parties.

Motion to come out of the public hearing was made by Commissioner Gary Kofford, seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to reconvene the regular commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JANUARY 17, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DISCUSSION OF EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT'S PORTABLE BLEACHER TRANSFER OF OWNERSHIP.**

Commissioner Sitterud explained that a year ago the Recreation Special Service district went to the C.I.B. board to ask for funds to purchase three portable bleachers. At that time they were granted funds to purchase two bleachers. Last year the portable bleachers were used in the county for a number of events. At the first of this year as the Recreation District went to obtain insurance they found out it would be approximately \$1,600.00 a year for the district to insure them. Commissioner Sitterud asked Personnel Director Mary Huntington to look into what it would take to put the portable bleachers under the county's insurance umbrella. Mary reported that UCIP said it would not add to our premium, but they advised that the county needs to maintain control over the bleachers. Commissioner Sitterud looked at the contract with C.I.B wherein it said that if the C.I.B. granted funds for the purchase then the Recreation Special Service District must maintain them for five years. He explained that a letter could be written and signed by the Recreation Special Service District to take to the C.I.B. Board asking to exchange ownership or control of the bleachers to Emery County. He asked that the Board of Emery County Commissioners write a letter of support for transferring ownership of the bleachers to Emery County. If the C.I.B. board approves the request then we will transfer the ownership of the bleachers from the Recreation District to Emery County and be insured under the county's insurance. Commissioner Gary Kofford made a motion to write a letter of support to submit to the C.I.B board for transfer of ownership of the portable bleachers. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Hatch asked that Attorney David Blackwell be involved in the drafting of the letter to the C.I.B. Board.

(2)

**CONSIDERATION AND APPROVAL OF AMENDMENT #7 TO CONTRACT #030845 BETWEEN EMERY COUNTY ECONOMIC DEVELOPMENT AND DEPARTMENT OF WORKFORCE SERVICES.**

Economic Development Director, Mike McCandles explained that this is a continuation of the original contract signed two and half years ago to provide two scopes of Workforce Services surveys. Any time WFS has a change to the number of surveys there needs to be an amendment

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

to the original contract. Emery County processes the proposals and the check. Emery TelCom is the service provider for the contract. Emery TelCom won they bid after a state wide bid process. Commissioner Hatch felt that there is now another local vendor in the county capable of doing the work. He asked for an explanation of the bid process and when that bid process will come around again. Commissioner Gary Kofford made a motion to approve amendment #7 to contract #030845 between Emery County Economic Development and Department of Workforce Services. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND FOUR CORNERS MENTAL HEALTH AMS, ALCOHOL MONITORING BRACELET SERVICE AGREEMENT.**

Commissioner Hatch explained that some time back the county was approached by some concerned citizens and also Four Corners to get involved with some kind of alcohol monitoring program. Shaun Bell, Drug Court officer explained a program for monitoring alcohol use of a participant. The program uses a monitoring bracelet that is placed on the participant. The bracelet checks and sends data on the participant every hour. The monitor also reports if the bracelet is tampered with, damaged, altered or removed. Because alcohol leaves a persons body within eight hours it is difficult to monitor on a regular basis. Justice Court and APP would like to see the county come up with a better alcohol monitoring system. Jennifer Thomas, Four Corners explained the cost associated with the use of the monitoring bracelet. The bracelets cost \$ which the county would agree to purchase. Four Corners will administer the service agreement with the user. The user will sign a service agreement with Four Corners and pay a minimum monthly amount of \$4.25 a day. Sheriff Guymon wanted to know how the county will re-coup their money for the bracelets. Shaun and Jennifer indicated that the \$4.25 is a minimal amount to be charged, the plan is to add additional charge to that amount to pay back the county for the purchase of the bracelets. Four Corners asked that the bracelets be de-activated after each use and the cost for failure to de-activate a bracelet would be the responsibility of the Sheriff's Department. The user would keep the bracelet on for as long as the judge has sentenced him/her to wear them or be monitored. Commissioner Kofford expressed concern for the fact that most of the people using these bracelets do not have money. He was concerned for where the individual will come up with the funds to pay for the use. He was concerned for Clause C in the agreement with Four Corners that states that the county will hold Four Corners harmless from any claims. He wanted to know why the county would want to indemnify Four Corners? Each party should be responsible for the acts of their own employees. Commissioner Kofford was not comfortable with signing the agreement until the wording was changed. Commissioner Sitterud felt he could approve the agreement as long as the wording could be changed on Clause C. Commissioner Kofford stated he would rather have Four Corners come back to the next Commission Meeting with the wording changed in Clause C. and then they would look at the agreement again. Therefore, approval of the agreement between Emery County and Four

Corners Mental Health AMS, Alcohol Monitoring Bracelet Service was tabled.

(4)

**CONSIDERATION AND APPROVAL OF “RELEASE OF LIABILITY FORM” FOR USE OF COUNTY ACTIVITY.**

Personnel Director, Mary Huntington presented a “release of liability form” for the Board of Commissioners to consider. As part of the Risk Management, UCIP suggested it would be of benefit to the county to have the release of liability form available for any citizen renting county owned facilities. If a group or individual is renting a county owned facility, paying for the use for personal use of that facility, the form would need to be signed by the renter. Attorney David Blackwell prepared the form. He misunderstood what the form would be used for. The form presented for consideration addresses county activities. After discussion of the wording needed for the form, Commissioner Gary Kofford made a motion to table approval of the form until Mary and Dave have had an opportunity to work on the wording needed for the two types of “release of liability form” that the county needs. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. It was the preference of the Commissioners to have one form if possible.

(5)

**CONSIDERATION AND APPROVAL OF EASEMENT BETWEEN CARBON CANAL AND EMERY COUNTY.**

Brad Petersen, PSD Engineering from Salt Lake has contracted with Carbon Canal Company to design and install a secondary water system at the end of their canal. They have an individual, Hansen that is land locked. In order to get water to them they have to have an easement across Emery County property. He has been working with Attorney, David Blackwell on the legal description needed for the easement. The easement will cross three county roads, #113, 114, and 115. Commissioner Gary Kofford made a motion to approve the agreement between Carbon Canal Company and Emery County for an easement across three county roads as identified subject to the granting of encroachment permit from the Emery County Road Department. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF GRANT APPLICATIONS TO UTAH E.M.S. GRANTS PROGRAM, AND HAZARDOUS MATERIAL EMERGENCY PREPAREDNESS GRANT.**

Commissioner Drew Sitterud explained that grant applications for Utah Emergency Medical Services and also Hazardous Material Emergency Preparedness with Homeland Security were brought to him last week by Sergeant Wilson. The applications needed to be signed and sent off by a specific date. Commissioner Sitterud signed the grants. That action now needs to be

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

ratified. Commissioner Gary Kofford made a motion to ratify the signing of the two grant applications, Utah E.M.S. and Hazardous Material Emergency Preparedness. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF CONTRACT TO SUPPLY AND INSTALL SOUND SYSTEM IN THE MUSEUM OF THE SAN RAFAEL.**

Commissioner Sitterud explained that the sound system at the Museum does not work very well if not at all. He contacted to vendors to give bids on installing a new sound system. One vendor was not interested. The other vendor came to the museum and determined that the building has the worst acoustics of any building in the state of Utah he has been in. He did a sound check of the building and came up with a sound system for the building. In November this vendor gave a bid of \$13,296.00 for a new sound system. \$13,300.00 was approved in the 2006 budget for a new sound system at the Museum of the San Rafael. Commissioner Sitterud called the vendor the other day and now his bid is up to \$13,306.00. Commissioner Sitterud asked for approval to approve the installation of a new sound system at the Museum of the San Rafael for the bid of \$13,306.00. Commissioner Gary Kofford made a motion to approve moving forward with the contract to install a new sound system at the Museum of the San Rafael pending approval of the contract by Attorney David Blackwell. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL TO PURCHASE USED CLEANING EQUIPMENT FROM DENNIS FULLER, DOING BUSINESS AS CASTLE VALLEY MAINTENANCE.**

Commissioner Gary Kofford explained that the county is in the process of changing the maintenance of county facilities. Currently we contract with Castle Valley Maintenance, Dennis Fuller. As of February, Dennis Fuller will be under the employment of Emery County for that maintenance. The county will need cleaning equipment for Dennis to use. Dennis has provided a list of equipment he currently uses. It was Commissioner Kofford's recommendation to purchase Dennis Fuller's equipment at a price of \$1,825.00. He would like to personally look at the equipment before acceptance of the equipment. Commissioner Drew Sitterud made a motion to give Commissioner Kofford the latitude to go look at the equipment and if it meets with his approval to proceed with the purchase the equipment. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**APPOINTMENTS TO THE PUBLIC LANDS COUNCIL**

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

Commissioner Drew Sitterud commented that the applications for individuals interested in appointments to the Public Lands Council were reviewed and they have been given recommendations from the Public Lands Council. There were three top picks and three ties. He was concerned that several of the applications had only their name on the application. There was no other information on the application to give us any indication of that persons ability, interest or desire to serve on the council. He preferred not to put any of the persons on the council that only handed in a name on the application. He has had several comments made to him that only agricultural people get appointed to the Public Lands Council. As he looked at the board it is heavily weighted with agricultural people. There is nothing wrong agricultural people, they do a great job and have the time to serve. One of the applicants is in agriculture. One of the applicants was a new move into the county that works with Division of Oil, Gas and Mining. Personally, he felt having someone from DOGM on the board would be great. He recommended appointing Sherral Ward, Vernel Rowley, Bruce Wilson and Pricilla Burton to the Public Lands Council. Commissioner Drew Sitterud made a motion to appoint Sherral Ward, Vernel Rowley, Bruce Wilson and Priscilla Burton to the Public Lands Council. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**CITIZEN CONCERNS**

Commissioner Hatch requested increasing Morris Sorensen's cell phone stipend to \$45.00. He is currently receiving \$25.00 and with his new position as Road Supervisor feels he needs the increase. Commissioner Drew Sitterud made a motion to increase the cell phone stipend for Morris Sorensen to \$45.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Emery County Youth Leadership Council representatives, Dannette Waite, Pauline Jensen and were present to propose the Commissioners consider letting the youth councils of the cities of Emery County take over the Lamb Fry. They feel they could involve the businesses in the county and more of the youth of the county. They have been serving and participating with the Lamb Fry for several years. The compensation that they did receive in the past helped with their scholarship program and youth council summit. They feel that they can do this. They thanked the Commissioners for their support of the Youth Leadership Summit which has been well attended. They had many beneficial workshops with fun service projects. They reviewed the youth leadership council program with the Commissioners. The Commissioners thanked them for coming. They will have to get with the Fair Board and the Chamber of Commerce and see what they can work out.

Commissioner Drew Sitterud received a call from Mary Ann Wright regarding Lila Canyon Mine. They need an extension with DOGM of the information gathering period. Commissioner Gary Kofford made a motion to sign the extension with DOGM for the extension of the information gathering period for Lila Canyon Mine. The motion was seconded by

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

Commissioner Drew Sitterud and approved by all members present.

(10)

**RATIFY DECISION TO TERMINATE CLEANING CONTRACT WITH DENNIS FULLER dba CASTLE VALLEY MAINTENANCE.**

Commissioner Gary Kofford made a motion to ratify the decision made earlier to terminate the contract with Dennis Fuller dba: Castle Valley Maintenance. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List, additional claims #173966 through and including #174131 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
02-06	Oil containment system Landfill	\$464.50	Approved
03-06	Spillman software/installation Sheriff	91,830.00	Approved
04-06	Sound system Museum of San Rafael	13,306.00	Approved

Dispositions were presented for three printers from the Sheriff's office tag #'s 6724, 7995 and 6306. The printers will be sent to storage to be sold at the next county auction.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional Claims requisitions and dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

Mary Huntington, Personnel Director presented the following personnel action:

Recorder

Dixie Swasey is requesting a one step increase for Dottie Grimes who has completed her 6 month orientation period successfully. She would move from Grade 10 entry to Grade 10A effective January 30, 2006. Commissioner Drew Sitterud made a motion to approve a one step increase for Dottie Grimes as prescribed in the Emery County Personnel Policy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Planning & Zoning-Building Inspector

Bryant Anderson is requesting a one step increase for Bob Bennett who has completed his six month orientation period successfully. He would move from Grade 18Q to 18R effective January 30, 2006. Commissioner Gary Kofford made a motion to approve a one step increase for Bob Bennett as prescribed in the Emery County Personnel Policy. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Sheriff's Department

Sheriff Guymon and Captain Kyle Ekker requested approval to start the recruitment process to find three qualified employees. Greg Funk and Rory Bradley have resigned and they are still in the process of trying to replace Paul Simmons. Commissioner Drew Sitterud made a motion to approve the recruitment process for three employees at the Sheriff's Department. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

Interviews have been completed for a secretary at the Road Department. They still have to go through the selection process. Commissioner Hatch asked for approval to hire a secretary for the Road Department and have the action ratified in the next Commission Meeting. Commissioner Drew Sitterud made a motion to approve the hiring of a secretary at the Road Department and have that action ratified in the next Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**APPROVAL OF COMMISSION MEETING MINUTES DATED DECEMBER 20, 2005  
AND JANUARY 3, 2006.**

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

Commissioner Gary Kofford made a motion to approve the minutes dated December 20, 2005 and January 3, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**  
**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud and Ray Petersen met at Range Creek regarding the finalizing of the RMP. They have requested that the Emery County Travel Bureau maintain the concessionaire at Range Creek. The county will need to present a proposal to DWR for concessionaire. They will need to meet with the Travel Council to come up with a proposal.

He provided a C.I.B. update. The C.I.B. has granted 4.5 million in no interest loans and 35 million in low interest loans. There is a lot of interest in C.I.B. this year. The C.I.B. cannot loan money to a non-contributing entity. There is a big move to change C.I.B. and the make-up of the board.

Ramal Jones, who is interested in getting dinosaur model at the Museum of the San Rafael, is working on getting a grant to fund that project.

State Parks has granted permission to hold fishing tournaments at two state parks in the county, Huntington and Millsite. The water skiing and wake board association has us on the calendar to hold competitions in the county. We will find out more when the State Parks holds their meeting on the 23<sup>rd</sup> of this month.

He will meet tomorrow with the Governor on RS2477. Drew and Ray met with the Trails Committee on putting number on signs.

*Commissioner Kofford*

Commissioner Kofford went to a meeting with Southeastern Utah oil producers and Division of Oil, Gas and Mining. They are opening six pilot offices in the state that will be working with oil and gas permits and leases.

He reminded the other Commissioners of the meeting Thursday at 7:00 pm with the Economic Development working on their yearly plan.

*Commissioner Hatch*

COMMISSION MEETING MINUTES  
JANUARY 17, 2006

Commission Hatch reported on the public hearing held in Huntington regarding the proposed closure of CR # 321. They met with land owners, state parks, EC Road Department to discuss the alternatives. He felt that all were pleased with the outcome of the meeting. Putting up a fence will meet the needs of the land owners and others concerned.

Commissioner Hatch and anyone else who would like to go will be going to look at the overlooks at Eagle Canyon that the county wants to keep in conjunction with the Moore Cut-Off road.

Commissioner Drew Sitterud made a motion to move into an executive session. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Public Lands Director Ray Petersen, Deputy Clerk/Auditor Carol Cox.

The Board of Commissioners discussed pending litigation regarding a GRAMA request.

**(17)**

**ADJOURNMENT**

Upon returning to the regular meeting Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

10  
COMMISSION MEETING MINUTES  
JANUARY 17, 2006

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 7, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND FOUR CORNERS MENTAL HEALTH AMS, ALCOHOL MONITORING BRACELET SERVICE AGREEMENT.**

Tabled

(2)

**CONSIDERATION AND APPROVAL OF "RELEASE OF LIABILITY AGREEMENT" FOR CITIZENS WHO RENT COUNTY OWNED FACILITIES.**

In the last commission meeting Mary Huntington, Personnel discussed a "release of liability agreement" form with the Commissioners. At that time it was determined to rewrite the agreement to better fit the need intended. Attorney David Blackwell worked with Mary to reword the agreement and it was presented to the Commissioners for approval. UCIP requires the county to have a release of liability agreement signed by anyone renting county facilities. After review of the agreement Commissioner Drew Sitterud made a motion to approve the "release of liability agreement". The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**RATIFICATION OF MORRIS SORENSEN CELL PHONE REIMBURSEMENT. APPROVAL OF CELL PHONE REIMBURSEMENT FOR DENNIS FULLER.**

In the last commission meeting a cell phone reimbursement was approved for Morris Sorensen. Commissioner Gary Kofford made a motion to ratify approval of a cell phone reimbursement for Morris Sorensen. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford made a motion to approve the standard \$45.00 a month cell phone reimbursement for Dennis Fuller. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**RATIFICATION OF STIPULATION TO AMEND ORDER IN THE MATTER OF LILA CANYON EXTENSION TO THE HORSE CANYON MINE.**

In the last commission meeting approval was given to the stipulation to amend order in the matter of Lila Canyon extension to the Horse Canyon Mine due to time constraints. Commissioner Gary Kofford made a motion to ratify the approval of stipulation to amend order in the matter of Lila Canyon extension to the Horse Canyon Mine. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND ADOPTION OF A RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF \$1,228,000 AGGREGATE PRINCIPAL AMOUNT OF GENERAL OBLIGATION PUBLIC PURPOSE BONDS; APPROVING AND AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS IN CONNECTION WITH THE ISSUANCE OF THE BONDS; AND RELATED MATTERS.**

Darrell Leamaster, Castle Valley Special Service District and Alex Buxton, Zions Finance were present to ask for consideration of a resolution authorizing the issuance and sale of \$1,228,000.00 aggregate principal amount of general obligation public purpose bonds. Darrel explained that the \$1,228,000.00 is part of the 2001 voter approved 12 million dollars. They have now spent 6.8 million leaving 2.2 million of the voter approved funds left to use. These funds will be used for summer projects throughout the county, including streets, drainage, sewer and water, curb and gutter. Mr. Buxton explained the parameters of the bond and payment schedule. The closing is scheduled for March 17, 2006. Mr. Buxton and Mr. Leamaster recommended adoption of the resolution. Commissioner Drew Sitterud made a motion to adopt Resolution 2-07-06A a resolution authorizing the issuance and sale of \$1,228,000.00 aggregate principal amount of general obligation public purpose bonds and authorizing the execution and delivery of certain document in connection with the issuance of the bonds for Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF STANDARD COOPERATIVE AGREEMENT FOR UTAH STATE UNIVERSITY EXTENSION EDUCATIONAL WORK-2006**

Commissioner Drew Sitterud made a motion to approve a standard cooperative agreement for Utah State University Extension Educational work for 2006. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**DISCUSSION OF ASSESSING A MINIMUM REAL PROPERTY TAX.**

Treasurer, Steven Barton discussed with the Commissioners the possibility of assessing a minimum real property tax. There are 257 properties with various assessed taxes of from nine cents to ninety-nine cents. The bulk of the properties are in green belt or agriculture. In just the Treasurer's office the cost to mail out the tax notice and other notices and mailings amounts to fifty-one cents per parcel. He would like to eliminate the small amounts or bill at a minimum amount. He estimates the total dollar amount of real property taxes for parcels under a dollar would amount to \$123.00. The Commissioners felt that this needed to be looked into some more. Therefore, Commissioner Drew Sitterud made a motion to have a committee made of a representative from the Treasurer's Office, Assessor's Office, Recorder's Office and Attorney's Office get together and do some research on the matter and bring the request back to the Commission to look at again. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF RESOLUTION APPROVING THE RESOLUTION OF THE BOARD OF CARBON COUNTY COMMISSIONERS FOR THE ANNEXATION OF CERTAIN PROPERTIES IN EMERY COUNTY, UTAH INTO THE PRICE RIVER WATER IMPROVEMENT DISTRICT.**

Commissioner Gary Kofford made a motion to approve Resolution 2-07-06B approving the resolution of the Board of Carbon County Commissioners for the annexation of certain properties in Emery County, Utah into the Price River Water Improvement District, with the stipulation that the boundaries for annexation into the PRWID be reviewed and verified by Dixie Swasey and Recorder's Office. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF FRANCHISE AGREEMENT BETWEEN EMERY COUNTY COMMISSION, CARBON COUNTY COMMISSION, AND PROWID.**

Commissioner Gary Kofford made a motion to approve a franchise agreement between Emery County Commission, Carbon County Commissioner, and PROWID. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(10)

**CITIZEN CONCERNS**

Commissioner Drew Sitterud reported that Emery County has received a GRAMA request for parcel information. He informed the other Commissioners that there is a bill in the legislation at this time that will change, dramatically, what information can be given out.

Commissioner Gary Kofford discussed the bid by Ernie Jensen Construction to remove the scales and scale house. He would like to proceed with the demolition as soon as possible. Mr. Jensen would remove all of the concrete flooring under the building and under the scales from the property and then backfill the existing holes. He will use fill material located in the southeast corner of the property where the scale house is located. There is no cost involved. Commissioner Gary Kofford made a motion to approve a contract and award the bid to Ernie Jensen Construction for the removal of the scales and scale house and fill in the holes. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(11)

**RATIFICATION OF LEPC COORDINATOR AGREEMENT.**

In an October 2005 Commission Meeting action was taken to approve LEPC Coordinator Cynthia Grant. That action needs to be ratified. The agreement is between Cynthia Grant and Emery County. Commissioner Gary Kofford made a motion to approve an agreement between Cynthia Grant as LEPC Coordinator and Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF TAX ABATEMENT FOR JOHNNIE/VIRGINIA BLOOMER.**

Recorder, Dixie Swasey requested to abate taxes on parcel 01-116B-0040 . This parcel of land has been double assessed for several years. The description for this parcel is actually a part of parcels 1-116B-18 and 1-116B-41. The description first came about in a 1931 Tax Sale . It then was a part of a description that was deeded out in 1941. That description was carried forth until 1971 when for some reason it reappeared on a deed that contained both the description on the Tax Sale and the description which included the description for 1-116b-40. That is how it has remained through other conveyances throughout the years. She indicated that Jim Bartorelli has been working on parcel 1-116B-18 and that he and Dixie had discussed this problem a few times. It is apparent that 1-116B-40 does not need to exist due to the facts that she has stated. Therefore, Dixie asked for the taxes for the years of 2001, 2002, 2003, 2004 be abated. Mr. Noonan who owns 1-116B-18 has paid the 2005 taxes in order to keep it from going to tax sale. Commissioner Drew Sitterud made a motion to abate the taxes on parcel 01-116B-0040 and

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

direct Dixie Swasey to purge the parcels to make them correct. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL FOR ASSESSOR TO ABATE  
PENALTY/INTEREST ON PERSONAL PROPERTY/MOBILE HOMES FOR CITIZENS  
WHO QUALIFY FOR CIRCUIT BREAKER.**

Assessor, Kris Bell requested approval to abate penalty and interest for those personal property owners who qualify for circuit breaker. It was decided to wait and see if there were any taxes to abate rather than make a blanket abatement.

(14)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license was presented for Kyle Fox dba: JK Tack Shop. Kyle will be rebuilding and making horse tack. Commissioner Gary Kofford made a motion to approve a business license for Kyle Fox dba: JK Tack Shop. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(15)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND  
DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #174354 through and including #174539 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
05-06	Dispatch Console Dispatch/SO- Grant	137,756.00	Approved
06-06	1 ton Dodge Diesel (Landfill) 3/4 ton Dodge Diesel (Road) Road Department	48,419.00	Approved
07-06	2006 Caterpillar Grader		

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

Trade-In 1990 JD Grader Road Department	160,616.00	Approved
--	------------	----------

Dispositions were presented for the following:

IBM Typewriter, Library, (no tag), 580-4769 Television, Library, 210-7240, Canon Faxphone, Sheriff, 210-7224, 17 in monitor, Sheriff. All will be sent to the next county surplus auction.

Bruce updated the Commissioners on the recent testing of the Diabold Voting Machines. 40 machines were tested. 6 failed the test. Two were repaired then retested and passed. He recently attended a meeting with other county clerks in the state where concerns were voiced regarding the machines and the upcoming election. Many of the machines were not holding battery charge as anticipated as well as many other concerns regarding functionality, security and integrity. He discussed the cost associated with the training that will need to be done prior to the training of the election judges. Election judges are being paid more in other counties because of the amount of training and responsibility. He indicated that he will need a trailer with which to transport the voting machines to the various precincts and the integrity of the security once the machines have been delivered.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following personnel action:

IT

Erik Nelson, Senior at Emery High School is doing an internship in the IT Department. He started January 17, 2006. He comes each day from 8:30-10:10 a.m. and will be here until the end of the school year.

Extension

Dennis Worwood is requesting Gayleen Conder receive a routine progressive step increase from 6B \$9.02 to 7B \$9.38 effective February 2, 2006. Commissioner Drew Sitterud made a motion to approve a one step increase for Gayleen Conder as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Personnel

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

Commissioner Hatch requested a one step increase for Mary Huntington who has completed her 6 month orientation period successfully. She would move from Grade 18F to 18G. Commissioner Gary Kofford made a motion to approve a one step increase for Mary Huntington as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Road Department

Interviews were held for the Equipment Driver/Operator position January 24, 2006. Mark Seely, current Lube Mechanic at the Road Department applied, and Morris Sorensen would like approval to move Mark into this position. Mark will remain as Lube Mechanic until that position can be filled. Commissioner Drew Sitterud made a motion to approve Mark Seely as Equipment Driver/Operator at the Road Department. Mark will continue in the Lube mechanic position until that position is filled. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Interviews for the Road Department Secretarial position were held January 12, 2006. In the last commission meeting that approval was given to fill the position. However, the candidate to fill the position had not been determined. Gayleen Cox has been selected to fill that position. Her grade will be 4A at \$8.12 per hour.

Eric Nielsen has been hired as a 90 day temporary employee at the Road Department.

Maintenance

Interviews were held for two part time custodial positions January 25, 2006. The names of Kimble and Anne Larsen (they will work as a team) and Nanette Harrison are being presented for approval. Their grade will be 4A at \$8.12 per hour. The Larsens will be at the Sheriff's Office and Nanette will be at the main courthouse building. Commissioner Gary Kofford made a motion to approve the hiring of Kimble and Anne Larsen and Nanette Harrison as part time custodians as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Risk Management

The Risk Management Committee met on January 30, 2006. Discussed was implementing an Employee Safety Incentive Program. \$20.00 would be given to each employee who has been determined by the Accident Review Board as a safe driver and worker. All information would be submitted to Mary by November 30 of each year. The monetary award would be presented at the annual Christmas Party. Upon motion of Captain Kyle Ekker and second by Morris Sorensen the Risk Management Committee voted to implement the program for 2006. After some discussion on this matter, Commissioner Gary Kofford made a motion to approve implementing

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

an Employee Safety Incentive Program. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Other

Mary submitted the Equal Employment Opportunity Plan for Emery County for the Commissioners to review.

She asked for approval of CBSA's Amendment #5 to the county's insurance plan for durable medical equipment. This would allow the participant to go to either Praxair or Lincare for medical equipment. Commissioner Drew Sitterud made a motion to approve Amendment #5- Durable Medical Equipment to Emery County's health plan. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**DERRIS JONES, DWR, QUARTERLY UPDATE**

Derris Jones, DWR presented the following update:

- Mr. Jones presented the Commissioners with a check for \$2,751.32 which was the DWR 2005 contractual payment in lieu of tax payment on land DWR owns in Emery County. These funds are generated by the hunters and anglers.
- DWR is in the process of redoing their deer management plan. They will be discussing this in the March RAC meeting. They will look at deer objectives and tie them into vegetative transects and try to get more than just a best guess of what should be out there. They will have to go through the public process to demonstrate how they came up with the numbers.
- They are on a three year rotation to get aerial elk counts on the ranges. They flew Range Creek this year. The objective was for 1,000 head of elk. They physically counted 1,900 head of elk. Well over the objective. Private land is a big portion of that unit.
- Manti- Management of bull herd to an age objective. For a while it was six to seven. They lowered that to four to five. They are adding bull tags every year much to the dismay of the hunters. Age data this year is inconclusive because late bull hunt counts are not back yet.
- Bison-Statewide Management Plan. They have started the process on the Book Cliffs Initiative area. If the plan gets approved there will be more than one herd transplanted on the north side of the Book Cliffs. This is in response to the Hill Creek extension where bison have started to venture out of the area. Some landowners feel comfortable letting the bison on their land.
- Range Creek- he stated he appreciated working with Drew Sitterud and Ray Petersen to help in development of a comprehensive management plan for Range Creek. They have put out a request for proposal for those interested in commercial use of the canyon. They

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

will review the proposals and base on merit and dates requested. It will be mandatory to have a DWR representative with them. Carbon County Recreation Department is having to go through the same process. Emery County will have the same process. Last year sixty percent of the visitors to Range Creek were from out of state and bought day use passes. Five percent were Carbon and Emery, the rest were from the Wasatch Front or other areas.

- He has had some communication with Patsy at the Emery County Progress to look into getting some educational camps into the canyon.
- The Division is looking at construction of a Natural Resources Office in Price. Their lease will be up next year where they are currently housed. They have gone to the CIB to try and get funds to assist in that construction.

(18)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated January 17, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(19)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud informed the Commissioners that Marc Stilson has been named to take Mark Paige's place on the State Division of Water Rights. He will be housed in the Price office.

Commissioner Sitterud attended an addressing committee meeting with six counties AOG. They will meet in Richfield in March to begin the process of addressing roads going outside of Emery County into Sanpete and Sevier County side. After that the State AGRC will take over and address the rest of the B Roads in the state.

He met with the State Parks recently. The wake board contest will be the first week in June. The Scouts Troops will be in Goblin Valley in July for night games.

The Fair Board has met a couple of times now. They are getting underway with the plans for this year.

The Commissioners recently attended Legislature Day at the Capitol in Salt Lake. Commissioner Sitterud discussed a bill before the legislature that will change the make-up of the CIB board.

COMMISSION MEETING MINUTES  
FEBRUARY 7, 2006

This would grant funds to any non-contributing county that comes and request them. UAC voted not to support the bill. We need to contact Brad King and get him on our side.

They had a TV meeting recently in Price. The 2006 deadline to be ready to switch off the analog signal has been pushed back to 2009. Emery County is broadcasting in both analog and digital now. Ferron and Huntington Canyons will be up soon. All of Emery County will be broadcasting in digital by summer.

Drawings have been sent to an architect in Moab to begin the draft drawings for a new Senior Center in Green River. Preliminary plans will go the CIB soon.

Commissioner Hatch

Commissioner Hatch, along with Commissioner Kofford met with BLM on Eagle Canyon overlook and Temple Mountain overlook.

He talked about the Emery County Historical Preservation Committee regarding Muddy Creek and the information kiosk. They are considering moving it closer to the overlook to actually see the bridge.

Emery County recently hosted a Defensive Driving Course. Fifty-six people attended two sessions. This meets a safety requirement for the county's insurance program.

**(20)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 21, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Hatch informed all present that Commission Secretary, Leslie Bolinder was involved in an automobile accident on Thursday, February 16, 2006. She continues to improve and will be home from the hospital on Wednesday, February 22, 2006. She will be out of the office for an indeterminate amount of time.

This morning, before Commission Meeting, the Emery High School FFA local chapter members along with their leader, Corine Dalton met with the Commissioners and other elected officials to review the chapter's activity and accomplishments for this school year. They presented the Commissioners with their Commendation of Service and declared the week of February 18 through 26, 2006 as service week. They thanked the Commissioners and elected officials for their continued support for the program.

(1)

**PUBLIC HEARING- FOUR CORNERS MENTAL HEALTH- TO RECEIVE PUBLIC COMMENT ON MENTAL HEALTH AND SUBSTANCE ABUSE FOR EMERY COUNTY.**

Robert Greenburg, Director of Four Corners Behavioral Health, Inc. directed his comments to the Commissioners and those in attendance. He stated that Utah Law makes the County Commissioners the authority for mental health services in the county. Last year legislation was passed that allowed a commissioner to sit on the board of directors. Commissioner Gary Kofford is now a voting member of the board of trustees. He indicated that rural areas are under severe strain for funds. State funds are allotted by population so they have lost money. Drug Court in Emery County has had the best success in the state, so he was confident that the funding will continue for that program. The purpose of this public hearing is to receive public comment to begin the planning process to build this years work plan.

Commissioner Hatch opened the meeting to comments and questions from the public.

Delena Fish, DWFS commented on the lack of funds for those single adults and married without children. Many of these people are in desperate need of assistance. They need drug counseling and help with mental health issues. DWFS's hands are tied when it comes to being able to provide for those needs. Many do not qualify for Medicaid programs. She asked that money be set aside specifically for this group of people's needs.

Susan Austin, Castle Dale, commented that she appreciates the work that Four Corner's is doing to help her son. She asked that the agencies begin to work together to help provide these needs of the young people in our area.

Diane Butler, representing the LDS church, commented that the LDS church has a program available in Emery County and Carbon County that follows a program similar to the programs available through Four Corners that she hoped would enrich the programs already being provided.

They meet every Thursday night at the LDS Seminary building in Castle Dale. The meetings are not very well attended in Emery County, but are well attended in Carbon County. A few Emery County people attend the meetings in Carbon County. She asked that the agencies consider sending people to these meetings for bolstering of their programs. Regarding court fines imposed on offenders, she commented that she feels the fines are way to high and cause the offender to become discouraged about being able to pay them. She asked if there had ever been a study done to see if the fines are a deterrent to the progress of an offender.

Mr. Greengurg commented that the criminalization of drug abuse is a scandal. It limits the ability to force people into treatment.

Charity Burnside, Department of Children and Family Services commented that offenders have a short period of time to get on the ball. Many times they have had to send children back to the homes they removed them from. In Green River they have had to send people to other areas to receive the services they need because these services are not available in Green River.

Mr. Greenburg indicated that there are some services available in Green River.

Jacob Barnett, DCFS, felt that the monitoring bracelets for monitoring alcoholic offenders was a good idea. He understood that the reason they were not using them was the funding constraints.

Commissioner Kofford explained that the funding of the bracelets was not the problem it was the cost of the use to the offender that caused a problem. The Commission did not see how an offender can afford to pay to use the bracelet. It would cost the user \$4.25 a day to have the bracelet on as well as what ever the county was to add on to that to recover their investment. The user was to be expected to pay the cost up front. We just could not see that was going to work. The problem being that the offender is usually not working and would not be able to come up with the funds. We need to come up with an alternative way to fund the program.

Attorney Blackwell commented regarding fines imposed by the courts. He suggested that usually the fines can be reduced depending on the circumstances and the judge who imposed the fines.

Commissioner Hatch asked if there were any more questions or comments.

Having no more comments the public hearing was closed.

(2)

**ROBERT GREENBURG, PRESENTATION AND ACCEPTANCE OF FY2005 AUDIT FOR FOUR CORNERS BEHAVIORAL HEALTH, INC.**

Mr. Greenburg presented the 2005 audit performed by Smuin, Rich and Marsing. Mr. Greenburg reviewed the audit with the Commissioners. Upon review of the audit report, Commissioner Gary Kofford made a motion to accept the FY2005 Audit for Four Corners Behavioral Health, Inc. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(3)**  
**MELANIE STEELE, HELPER ARTS & MUSIC FESTIVAL, REQUEST FOR SPONSORSHIP.**

Tabled

**(4)**  
**REQUEST FOR DONATION TO EMERY COUNTY COMMUNITY THEATER.**

Tabled

**(5)**  
**APPOINTMENT OF AT-LARGE BOARD MEMBERS ON THE EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT.**

Commissioner Drew Sitterud reported that there are two at-large board members on the Emery County Recreation Special Service District. Ross Gordon's term has expired. Jimmy Jones has served one term. Historically members have stayed on the board for two terms or eight years. This is Ross's second term. Applications were received from four individuals interested in serving on the board. Commissioner Drew Sitterud made a motion to appoint Jimmy Jones and Johnny Nielson to serve four terms as at-large board members on the Emery County Recreation Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**

**RATIFICATION OF BID AWARD TO ERNIE JENSEN FOR REMOVAL OF SCALE AND SCALE HOUSE.**

Commissioner Gary Kofford made a motion to ratify the action taken the last commission meeting to award the bid for the removal of the scale and scale house located at the justice complex to Ernie Jensen. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CITIZEN CONCERNS**

There were no citizen concerns.

(8)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH FOR FUNDING REIMBURSEMENT FOR COLLECTION AND DELIVERY OF CORNER COORDINATES, AND/OR CONSTRUCTION OF DIGITAL PARCEL DATABASE.**

In a continuation of Utah's Cadastral Funding assistance program for rural counties, there is once again grant money available for use by rural counties to focus on their cadastral data collection and parcel automation efforts. As an extension to last year's funding, Emery County will be granted \$27,900.00 for this purpose. There is a July 31, 2006 deadline agreed upon for work to be completed, or to have the funding obligated. Commissioner Gary Kofford made a motion to approve the contract with the State of Utah, Department of Technology Services Automated Geographic Reference Center (AGRC) for funding reimbursement for the collection and delivery of corner coordinates, and/or construction of digital parcel database upon review and approval of the contract document by Attorney David Blackwell. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF EASEMENT NO. 1053 WITH SITLA.**

Public Lands Director, Ray Petersen explained that easement No. 1053 is a short section of road on a trail that is on SITLA land that is going up for sale. Sheriff Guymon has indicated that it would be beneficial to have this short section of road left open to facilitate search and rescue efforts in the area. Attorney David Blackwell had some questions regarding the easement description and consent to sue issues. As the Commissioners discussed the description as written in the easement, they felt that the description of the road should extend all the way to the Green River to have access to the river for search and rescue efforts as well as public use. They

COMMISSION MEETING MINUTES  
FEBRUARY 21, 2006

discussed other issues with the easement as it was written. Ray indicated that they had sixty days to get back with SITLA. The Commissioners felt the issues and questions should be looked at and addressed before going any further. Ray will contact SITLA and let them know. The Commissioners will put this issue on the next Commission meeting agenda for consideration.

(10)

**CONSIDERATION AND APPROVAL OF STARTING A SALE OF LAND PARCEL NEXT TO THE LANDFILL.**

Ken Nielson, Nielson Construction was present to request starting the process for the county to sell a 100 feet parcel of land next to the landfill. The property will have to be declared surplus and noticed in the paper. Adjacent land owners will have to be notified. Anyone will be allowed to bid on the parcel. The Emery County Assessor's office has set a minimum price of \$200.00 an acre. Commissioner Drew Sitterud made a motion to start the process for the county to dispose of a 100 feet parcel of land next to the Emery County Landfill. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF STARTING THE PROCESS TO TRANSFER OF OWNERSHIP OF THE CULINARY WATER LINE SUPPLING THE EMERY COUNTY LANDFILL TO CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Kofford discussed the need to transfer ownership of the culinary waterline suppling the Emery County Landfill to Castle Valley Special Service District in order to accommodate adjacent land owner, Nielson Construction to obtain a water connection. The water line has to belong to CVSSD in order for Nielson's to get a water connection to their property. Nielson's will have to apply with Castle Dale City for the water connection. After discussion of the transfer issue Commissioner Gary Kofford made a motion to start the process to transfer ownership of the culinary water line to CVSSD. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS, AND DISPOSITIONS.**

COMMISSION MEETING MINUTES  
FEBRUARY 21, 2006

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List #174695 through and including #174802 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
8-06	T111 siding and construction materials Weed/Mosquito complete building	1,061.32	Approved
9-06	Used Inspiron 8000 laptop motherboard Martin Wilson/ Sheriff's Office	569.00	Approved
10-06	2006 Ford F-350 Ambulance Ambulance	104,500.00	Approved

Dispositions were presented for #410-4681 a 35mm Canon Camera from the Highway Department that will go to the next auction and a blue executive chair from the Commission Office (no number could be found).

It was questioned whether to purchase a used laptop motherboard. Jeff Guymon, IT suggested that a new motherboard would be not much more and would come with a year warranty. Jeff will look into the matter and get back with the Commissioners.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

Economic Development

Mike McCandless is going to hire Donna Hatfield who will work in the museum in Green River as a 90 day temporary employee. She will work March 13, 2006 to June 10, 2006 , take two weeks off, then back to work June 26, 2006 until September 29, 2006 at \$7.00 per hour.

COMMISSION MEETING MINUTES  
FEBRUARY 21, 2006

Commissioner Gary Kofford made a motion to approve the hire of Donna Hatfield as a 90 day temporary employee in the Green River museum as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

FMLA request

Mary Huntington, Personnel Director requested FMLA for Bryant Anderson due to his own serious medical condition. The requested leave will be from January 20, 2006 to April 14, 2006. Commissioner Gary Kofford made a motion to approve FMLA leave for Bryant Anderson as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Highway

Morris Sorensen is requesting a one step increase for Dustin Deto who has completed his six month orientation period successfully. Effective February 27, 2006 he will move from 12 entry at \$11.00 per hour to 12A \$11.33 per hour. Commissioner Gary Kofford made a motion to approve a one step increase for Dustin Deto as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(14)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated February 7, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on a meeting he recently attended where they discussed the Old Spanish Trail. There will be a convention held in Green River in June where discussion will commence on the management of the Old Spanish Trail. There is concern for the fact that there are more people from all over the U.S. trying to tell us how to manage the trail than people in Utah. We need to get people involved. He talked about maybe putting up a sign at various locations along the trail identifying the Old Spanish Trail. It is something that the county needs to look at.

8  
COMMISSION MEETING MINUTES  
FEBRUARY 21, 2006

Commissioner Sitterud made a motion to move into an executive session. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell and Deputy Clerk/Auditor Carol Cox.

**(17)**  
**ADJOURNMENT.**

Upon returning to the regular Commission Meeting, Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 7, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DONNA SACKETT, SENATOR BENNETT'S OFFICE REPORT.**

Donna Sackett, Senator Bennett's office was present to inform the County of issues of importance to the rural areas of the state and be available for questions. She reminded the Commissioners of the April 19, 2006, Rural Business Conference in Vernal, Utah. Senator Bennett has an expressed interest in the conference and will be in attendance.

There will be a remote office held at the Castle Dale Senior Center on April 11, 2006 to help seniors understand the new Medicare D program.

The Commissioners suggested that it would be good to meet with representatives from PacifiCorp and local canal companies regarding salinity projects. The Bureau of Reclamation is looking at silt problems at Millsite Reservoir and especially the integrity of the dam.

(2)

**MELANIE STEELE, HELPER ARTS & MUSIC FESTIVAL, REQUEST FOR SPONSORSHIP.**

Tabled

(3)

**REQUEST FOR DONATION TO EMERY COUNTY COMMUNITY THEATER.**

(4)

**CONSIDERATION AND APPROVAL OF AGREEMENT WITH CELLULAR INC.**

Commissioner Sitterud explained that Communications Director, Bret Mills inquired into the yearly payments from Cellular Inc. He found that Cellular Inc. owes Emery County \$18,000.00 for the last two years. The agreement with Cellular Inc. was re-written to reflect the past due amount and future payments to the county. Commissioner Drew Sitterud made a motion to approve amendment to the agreement with Cellular Inc. to reflect the changes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF WRITE-OFF REQUEST FOR NANCY BRAMWELL.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented an ambulance write-off request from Nancy Bramwell. Ms. Bramwell requested writing off \$286.20 which is the remainder of her bill after the insurance company has paid their part. She cited a hardship due to many medical bills as the reason for the request. Commissioner Gary Kofford made a motion to approve the write-off of \$286.20 for Nancy Bramwell. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF WRITE-OFF REQUEST FOR KELLY C. ROBERTSON.**

Senior Deputy Clerk/Auditor, Brenda Dugmore presented an ambulance write-off request from Kelly C. Robertson. The ambulance bill totals \$1,186.93. After some discussion regarding this request, Commissioner Drew Sitterud made a motion to reduce the bill by fifty percent. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Jeri Goddard dba: Sweet Creations. The application has been approved by the Zoning Department pending proof of food handlers' certificate. Commissioner Drew Sitterud made a motion to approve a business license for Jeri Goddard dba: Sweet Creations pending receipt of Jeri's food handlers certificate. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF TENTATIVE AGREEMENT HUNTINGTON AIRPORT MAINTENANCE AND OPERATION.**

Commissioner Hatch indicated that the county has advertised for proposals for the operation and maintenance of the Huntington Airport and have ongoing negotiations with several individuals regarding their proposal. A tentative agreement has been worked out with Leon Defriez, Genco Mining Repair Operations and Mark Johansen, Duchesne, who has an agricultural spraying and maintenance operation in the area. Commissioner Hatch proposed having Attorney David Blackwell work out an agreement with Leon Defriez and Mark Johansen for the operation and maintenance of the Huntington Airport. Commissioner Sitterud made a motion to move forward

COMMISSION MEETING MINUTES  
MARCH 7, 2006

to have Attorney David Blackwell work out an agreement for the operation and maintenance of the Huntington Airport. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**CITIZEN CONCERNS**

Derris Jones, Regional Director, DWR, was present to update the Commissioners of the ongoing efforts of DWR activity. He reported about a six to eight pound splake that was caught in Joe's Valley Reservoir. He also reported on upcoming RAC meetings. They have received a CIB loan for the construction of a building in Carbon County that will house several state agencies including theirs. He also discussed management plans for the planting of bison to the Book Cliffs area. He talked about a comprehensive management plan for Range Creek

(10)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Bruce Funk presented the Warrant Check Edit List and additional claims #174909 through and including #175011 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
11-06	80 Gallon Air Compressor Landfill	577.77	Approved
12-06	Honda Generator Sheriff / Posee	1099.00	Appro ved
13-06	Doors-installed Landfill	2588.00	Approved
14-06	Print board for copier Capital Replacement/Assessor	800.00	Approved

There were no dispositions.

Bruce Funk discussed a bid for electrical work at the Weed and Mosquito building addition. Dean Allen was awarded the bid. However, Mr. Allen has not completed a project for the

COMMISSION MEETING MINUTES  
MARCH 7, 2006

Sheriff's Department that he was awarded last year. Mr. Funk indicated that the current bid for work at the Weed and Mosquito shop was dated February 6, 2006 and questioned if the bid was still valid. Commissioner Drew Sitterud made a motion to approve awarding the bid to Mr. Allen pending the completion of other jobs awarded to him. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Sitterud questioned a claim to pay unemployment benefits for an employee still working for the county. Senior Deputy Clerk/Auditor Brenda Dugmore told the Commissioners that Emery County does not pay unemployment premiums, we are on a reimbursement, case by case basis. She reported that she has questioned this with the state and been told that the county is responsible for a percentage of wages an employee receives even though the employee is still employed by the county because that person has lost employment elsewhere.

Commissioner Kofford questioned billings from Questar for the old Sheriff's Office building. He will look into why there are separate billings at the building when there should not be any fuel usage at the building other than that portion that is still being used by Bret Mills.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit list, additional claims and requisitions. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington was absent from the meeting today. Commissioner Hatch presented a request from the Treasurer's office to give Chris Hansen a one step increase as he has successfully completed his first year. The increase would be from 7D to 8D and begin with the next pay period. Commissioner Gary Kofford made a motion to approve a one step increase for Chris Hansen as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Hatch suggested that Leslie Bolinder, Commission Secretary who is recovering at home from a recent automobile accident, may be running out of sick leave before she is released to return to work.. He asked for approval for employees to donate hours to Leslie should the need arise. Commissioner Gary Kofford made a motion to allow employees to donate hours to Leslie Bolinder. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. A memo will be directed to the departments to request for donated hours for Leslie.

**(12)**

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
MARCH 7, 2006

Commissioner Gary Kofford made a motion to approve the minutes dated February 21, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported that the boards from the three local museums recently met to discuss combining efforts for grant writing purposes.

The newly installed sound system at the Museum of the San Rafael sounds great. This will be a great new addition to the museum.

The state has begun the process of recording roads. They will begin with Class B roads and then move on the RS-2477 roads currently in litigation.

Commissioner Sitterud met with a six-county constituency on addressing and attaching common road names to roads with common county boundaries. Other counties like what Emery County is doing with addressing and plat overlying of the 911 systems.

*Commissioner Kofford*

Commissioner recently met with Jim Dressler, Architect for the Green River Senior Citizen Center. He will have plans ready to present soon.

All three Commissioners met recently with Richard Walje regarding Utah Power and Light's future plans.

*Commissioner Hatch*

Commissioner Hatch reported that the Historical Preservation Committee is moving ahead with finalizing of the Muddy Creek oral history project. The state has asked the committee to back off on putting up a kiosk at this time to incorporate the kiosk into the SR-10 project. Left-over funds from the project may be used to construct an information kiosk at the San Rafael Swinging Bridge.

The Risk Management Committee will hold a Benefits Fair on March 29, 2006 from 7:30 a.m. until 4:30 p.m. He encouraged all the elected officials and department heads to arrange time for employees to attend at least some of the agenda items. Itineraries have been sent out the employees and their spouses.

COMMISSION MEETING MINUTES  
MARCH 7, 2006

Mark Justice from the Castle Valley Pageant Committee met recently with Commissioner Hatch and inquired as the county's intentions for the lamb fry. Commissioner Hatch told him that there will be a meal at the fair for the three days that the fair will run and whether or not it was a lamb fry would be determined by the Fair Committee.

Commissioner Hatch met with a delegation from Ferron City regarding the Millsite Golf Course and the problems related to the overflow from Millsite Reservoir. The process is moving forward. They are getting input from each available resource to see what they can put into alleviating the problem

**(14)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(15)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 21, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DELENA FISH, WFS- QUARTERLY REPORT**

Delena Fish, WFS, provided a first quarter update of performance outcomes for WFS Eastern Region. She informed the Commissioners that UPL will have a shutdown to overhaul in June. There will be approximately 400 contractors in the area working during the overhaul. They will hire some local workers, but labor unions are having a hard time picking up skilled labor. WFS will hold a flagging re-certification class. There will be an MSHA class sponsored by CEU's Applied Technology Center. There will be a Communications class held at the ATC in Price for two hours on Mondays, Wednesdays and Fridays for two months. The class will focus on developing communication skills needed to be successful in the work place. The cost for the class will be \$65.00 to cover the cost of the teacher and manual. An article will soon be published in the Emery County Progress outlining resources available through Work Force Services. She talked about the youth programs available in the county. One program is the Entrepreneur Camp that will be held in the summer in coordination with the Economic Development Department. Unemployment in Emery County is relatively low at this time. She stated that anyone who wants to work can generally find a job if they are willing to do the work.

(2)

**PATRICK GUBBINS, BLM, QUARTERLY REPORT.**

Mr. Gubbins was not present at the meeting.

(3)

**CONSIDERATION AND APPROVAL OF CANCELING 99 YEAR LEASE WITH ORANGEVILLE CITY ON THE PROPERTY THE ANIMAL SHELTER IS LOCATED ON.**

Orangeville City Mayor, Bart Cox discussed the lease with Emery County for the property which the animal control building is located on. In 1977 a lease began with Emery County for the purpose of providing a facility for animal control. There is an 18 x 36 building as well as fencing

COMMISSION MEETING MINUTES  
MARCH 21, 2006

around the facility which is located on 1.16 acres of land in Orangeville City. Emery County ceased using the building for animal control a number of years ago. Orangeville City would like to acquire the building to use for a restroom facility for the new ballfields adjacent to the animal control building. Commissioner Sitterud commented that the county is short of ballfields and is grateful that Orangeville City has been able to relieve some of that shortage.

Commissioner Gary Kofford made a motion to cancel the lease with Orangeville City and turn over the responsibility of the building and fencing located on the property to Orangeville City with the stipulation that the City receive the property "as is". Emery County will not provide any clean-up of the facility. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF DONATION TO EMERY COUNTY  
COMMUNITY THEATER.**

Karen Truman and Linda Daley, Emery County Community Theater were present the request a donation to assist in their productions. Karen commented that the group relies on donations from the community for their funding. She added that the Community Theater has been in existence for twenty years. The origination goes back to 1980 when the Emery County Commissioners requested a community theater be organized. Since then the Emery County Theater has been able to file under the 501C and receive grant funding. On behalf of the Emery County Community Theater, Karen Truman expressed appreciation for continued support from the Emery County Commission. She explained the difficulty the group has had in paying the exorbitant price that the Emery County School District charges to use the theater at the Spartan Center. They are looking for land to construct a community theater. They have been told that they can get funding for the building if they can get the land donated to use as in-kind towards the acquisition. Commissioner Hatch commented that it is too bad that Emery County School District has a quality building that could be used for this purpose that we cannot afford to use. The biggest share of taxes collected in this county goes to the Emery County School District to be used for education and we are then turned around and charged such an exorbitant price to use the facility. Karen Truman indicated that people just cannot afford to use the facility for productions or any other type of arts. A building for the purpose of productions in the arts in Emery County would be of great benefit to the community. Commissioner Drew Sitterud made a motion to donate \$500.00 to the Emery County Community Theater. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF BUYING OLD SPANISH TRAIL SIGNS AND POSTS.**

Commissioner Gary Kofford explained that in the 1950's signs were erected throughout the desert to identify the Old Spanish Trail. Since then the signs have slowly been taken down or disappeared. He proposed re-establishing the Old Spanish Trail by purchasing signs to be placed on the sites throughout the desert. He estimated the signs and posts would be approximately \$1,200.00. Commissioner Gary Kofford made a motion to approve up to \$1,200.00 to purchase signs and posts for the Old Spanish Trail. Commissioner Hatch felt that this purchase should come through the Emery County Travel Bureau. Commissioner Drew Sitterud agreed that this proposal should go before the Emery County Travel Bureau. Economic Development Director, Mike McCandless indicated that the Travel Council could reimburse the county if it is presented to them and approved. Commissioner Drew Sitterud seconded the motion and the motion was approved by all members present.

**(6)****CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Emily Albrecht dba: 4 Pete's SAKE. The application has been approved and signed by the Planning and Zoning office. Commissioner Gary Kofford made a motion to approve a business license for Emily Albrecht dba: 4 Pete's SAKE. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(7)****PRESENTATION AND APPROVAL OF THE EMERY COUNTY LOCAL CAPITAL IMPROVEMENT LIST FOR THE PCIFB.**

Darrell Leamaster, Castle Valley Special Service District presented the Permanent Community Impact Fund Board Local Capital Improvement List short and medium term for submission to the AOG for screening and forwarding on to the PCIFB. Commissioner Gary Kofford made a motion to approve the PCIFB Local Capital Improvement Short and Medium Term List for possible funding. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)****CONSIDERATION AND APPROVAL OF CONTRACTS RELATING TO THE**

**COMMUNICATIONS DEPARTMENT, BRET MILLS.**

Bret Mills, Communications Department, explained the two contracts to be considered related to the Communications Department. Bret indicated that Emery County is well ahead of the state with respect to the E 9-1-1 system. The Qwest Enhanced 9-1-1 Service Agreement is for providing service that routes 9-1-1 dialed calls to a customer designated Public Safety Answering Point (PSAP). The number "9-1-1" is intended as a universal emergency telephone number that provides direct access to a PSAP. The PSAP is an agency authorized to receive and respond to emergency calls. One or more PSAPs may be required for any given municipality or metropolitan area. Qwest does not answer and forward 9-1-1 calls, but furnishes the use of its facilities to enable the customer's E 9-1-1 personnel to respond to such calls. The Wireless Enhanced 911 Service Agreement will provide emergency telephone service whereby the public has the exclusive use of the telephone number "911" for universal emergency service. The wireless E911 network is a telecommunications service whereby one or more Public Safety Answering Point (PSAP) locations designated may receive wireless telephone calls dialed to the telephone number 9-1-1. This service will be provided on a month-by-month basis until the state has their system up and ready to go. Attorney David Blackwell reviewed the agreement documents and suggested changes in the wording of the indemnity clause #6 on the 1<sup>st</sup> agreement and #12 in the 2<sup>nd</sup> agreement by adding the words, "unless due to negligence on the part of Qwest". Commissioner Drew Sitterud made a motion to approve the agreements with the changes suggested by Attorney David Blackwell. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Bret also presented an application for a Forest Service permit for Boardinghouse Ridge Site previously held by J. Kelly Vining. Bret has been overseeing this site for Mr. Vining on a personal basis for several years. The Forest Service permit is due in December of 2006. He has been working with the Forest Service for procedure to take over the site. He feels that now would be a good time to take over the site. The site sits just above Electric Lake Dam and covers Huntington Canyon area due west to Clear Creek, Old Folks Flat, Miller's Flat up to point of the mountain. This is the area Cedar Mountain takes over. It is a good radio site for the back country area. Mr. Vining would like to retain one rack space in the building on the site. The County will need post public notice of intent to acquire the site to see if there are any other users intrusted to the site. Ray Petersen will work with Bret Mills and be the point person to follow through with the noticing process. Commissioner Gary Kofford made a motion to approve the application with the U.S. Forest Service for a utility housing facility at Boardinghouse Ridge Site. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF AGREEMENT CONCERNING THE NEXT**

**PHASE OF SOUTH MOORE ROAD.**

Commissioner Gary Kofford explained that the agreement being considered will complete the next work phase of the South Moore Road. The county has a contract through UDOT for the pre-construction design of the twelve miles that will connect Phase 1 and Phase 2 of the project. This is part of the add on earmarked funds from the Department of Transportation through Congressman Matheson. Commissioner Gary Kofford made a motion to approve the pre-construction design engineering cooperative agreement for the next phase of South Moore Road and let J&T begin the design of the road. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)****CITIZEN CONCERNS**

Sheriff Guymon informed the Commissioners of a problem regarding wrecker service in the county. In the past the Sheriff's Department has used wrecker and impound service split county wide using Wilberg Wash as the mid point. Accidents north of Wilberg Wash went to service in Huntington, Cleveland or Elmo. Accidents south went to Ferron or Emery. The wrecker services fight constantly over who is getting more service. So they started rotating the service which meant someone in Huntington may have to go clear to Emery to pick up their vehicle and vice versa. His office is taking the heat for impounds spread all over the county. He recommended putting the dividing line back in place. The Commission will take his recommendation under advisement.

Ray Petersen, Public Lands Director, informed the Commissioners that with the creation of the OHV ordinance designating county roads open for OHV use, he is beginning the process of developing an application for a grant to facilitate the signing of the roads. He is working with Steve Kemple on the design of a sign. He just wanted to let the Commissioners know he is working on the process.

Clerk/Auditor Bruce Funk addressed the Commissioners. He, as the County Clerk has the duty and responsibility to make recommendations and provide direction for the election process. It has not been an easy task. He showed the Commissioners a file folder that contained over a years worth of research much of which was on his own time trying to determine what is right for the citizens of Emery County as far as the election. Late last year the Commissioners signed the Diebold agreement accepting the equipment which included 40 electronic voting machines. Out of those nine were to be equipped for the handicapped to be HAVA compliant. He stated that he has worked very positively with the Diebold people out of Utah and they in turn have worked positively with him. They were a little reluctant in the beginning thinking I was going to be down on the machines. He stated he went ahead with full intentions that this will be the way to go. This thing first came about in the Olene Walker era. where they developed a state plan. He was contacted and asked to be a part of the state plan to look at voting election equipment as

COMMISSION MEETING MINUTES  
MARCH 21, 2006

mandated by HAVA. She said he did not have to be part of the plan. He agreed that he wanted to be part of the plan just in case there was technology out there that he felt was appropriate and good for the citizens here. It was always left with the option to be a part of the state plan or go on his own. With her, either way I would be equipped the HAVA in mind. With the new administration they committed everything to Diebold and locked it up to a statewide thing. He stated he has followed this for well over a year. Gleaming out those things that he thought were pertinent. He stated that he took a position, even as far as removing himself from filing as clerk/auditor to be free from someone accusing him of some political antic that would benefit himself. Getting to the current situation. On January 31, 2006 we accepted and tested the voting equipment. Present at the testing was myself, Brenda, Carol, Jan, Jeff, Mick, Clinton and Diebold had four people there. We went through and tested each of the 40 machines making sure that everything entered in ok. That day we rejected six machines. Diebold began to repair some of the machines that day. Bruce stated that he told them that before they began repairing them that he wanted to know exactly what they planned to do and he, Bruce, would say if it was ok. They told him what they planned to do to two of the machines which were minor things and he gave the ok. Those two machines were put back into the testing. So, at the end of the day, Diebold took back four rejected machines into their possession. Throughout this process they were throwing paper rolls in the trash. They had a very detailed outline of the steps and procedures that we had to go through. There was one machine that particularly concerned Bruce. He showed the problem to the Commissioners. The printer had problems with paper jams. The paper came off the track on this particular printer. His concern was that the paper trail is the official intent of the voter by state law. State law defines the electronic ballot as that ballot which is cast on the machine and resides there. He cited old House Bill 211, which was later amended by House Bill 1005 which he paraphrased to be, in a discrepancy between the paper and the machine the paper is the official thing. In November he went to county clerk's meetings in St. George where he heard a county clerk from another county say out his thirty-five machines he had seven paper jams. He took one of the machines to his office where he instructed his staff to become familiar with the machine. A representative from Diebold came through the county and came to visit with Bruce. Bruce told the representative that he had a machine upstairs that he was concerned about, referring to the machine that he was showing the Commissioners. The representative used the machine that was set up in the office to show him what to look for. He opened it up and looked at the printer and said that Bruce needed to reject this machine as well as the one upstairs. We are now up to six machines that needed to be rejected. He said he decided that the machines upstairs have been unplugged for a couple of weeks. It would be good to fire them up and check the battery packs, to see what the battery level looks like after sitting for a period of time. The battery pack should not have gone down significantly. That was his main purpose for going back and putting stickers on them. He went through the process of checking the battery storage and various other things of the thirty-six machines that were left. Things were progressing fine until he noticed that the backup storage was low. One machine had 7 megabits of backup storage. He found eight machines with eight megabits or less of storage left on them. Typical range is 25 to 28 megabits. He asked Jeff what this could mean. Bruce felt that it could mean that the machines were not new. There could be other elections or

COMMISSION MEETING MINUTES  
MARCH 21, 2006

things residing on the machine. They cleared out what they could and it freed up megabits from 7 up to 11 megabits. At this point he became very concerned as to what was there. From watching organizations and determining which ones are really legit, which ones have axes to grind, which thinks elections are sabotaged he decided to look at what was done in Florida in which Black Box Voting had brought in two computer experts, Harry Hershey and Security Innovations, Inc. He asked Black Box Voting what their role would be. Are you going to dictate anything? What do you do? Black Box Voting indicated that they would bring in people who would look at stuff, handle it, video tape and check for accuracy to determine, with an accurate record, if anything malicious has been done with the machines inside and out. Another thing that came out in February, when California re-certified Diebold after de-certifying them previously, was that the Berkley report (as he refers to it) indicated that they looked at the software and basically said ok we don't see any problems. He asked why doesn't anyone look at the hardware? So, Black Box Voting outlined what was required of him. Bruce would have to be present at all times. Which he said he was. They basically worked with two machines. He stated that what they found was extremely alarming to him. In fact they didn't fully get to the bottom of my concerns, because what they were finding necessitated that they were going to have to go to an agency called CERTS, an agency of Homeland Security. They looked at whether the operating system could be breached or tampered with? They said yes. This can be done by a poll worker, election official and or activated by voter ID card. These things can contain or have placed on them macros which can reside there and can be date activated or election activated. We live in an era where people take delight in causing problems. While in this testing phase Bruce looked at the monitors. He found that the monitors had lines going through the monitors and the colors changed or dimmed. He handed a file folder to the Commissioners that contained over 1000 e-mails from individuals and groups who have the same concerns.

At this point Bruce indicated that he, as the election official for Emery County feels that with all the knowledge and background that he has and knowing what he needs to do to run an election, he needs to stay with the ES&S optically scanned ballots and that he needs to go with the ES&S AutoMark machines for the handicapped. He does not feel comfortable on any level with the integrity of these machine. However, he continued, he would like his successor to have that option to go through with the training and possibly use them for municipal election in 2007. But as election official for 2006 he cannot and will not accept or use these machines. By the time the November election roles around many of these holes and bugs may be worked out. He stated he has an election coming up that he has to start sending out information. He stated he has to begin the layout of ballot formats. If he stays with ES&S he has one vendor with one type of ballot. He has to proceed with judge of election training. If he combines Diebold and ES&S he is fiddling with two technologies, two vendors to supply things to. We are still going to have to go through a lengthy training, which is almost overwhelming when you look at it. He stated that he does not have the staff. He still does not know all that is involved there. One of his paper vendors that provides elections supplies for years, Carr Printing says he cannot provide the ballots for Diebold. He has to buy a special machine that cost \$250,000.00 because of Diebold's

COMMISSION MEETING MINUTES  
MARCH 21, 2006

requirements. He stated that at this time, as tough as it is, he has to bite the bullet and present a requisition for equipment, 9 ES&S voter assist terminals for a total of \$44,550.00, another \$8,435.00 for miscellaneous services and training. He asked that the Commissioners consider a five year lease purchase which means that after one year, in November when you do the budget, if things have gone fine, if you want to go the direction with the Diebold machines, you cut out the spending on these and send them back. Then you can move on with a new elected official. Therefore, he officially presented the request. He again expressed his concerns regarding the problems with the machines. Many of the failures were based on one touch screen ballot and one audio as if you were a blind person voting. Most counties are reporting in the 10 % to 19 % failure rate. Others are much higher. Daggett County who had four machines had a 50 % failure rate. The concern I have is that these machines are machines that have been used in previous elections. Can Diebold certify that these machines are clean of any residing thing that may be out there? He did not think that they could. The security can be breached. He stated he could name a whole bunch of things that bother him. He stated that this is his recommendation, that he will not proceed any further than this. This is his HAVA compliant request. If the Commission denies this then he will proceed just as he has in other years as that is the only logical, safe and accurate way of reflecting the true intent of the voter. He stated that he had no problem putting the optically scanned ballots, which would come out of the AutoMark like any other ballots on the side and if people want to stay up all night and count how many votes LaMar got out of one precinct that is all great and good. He stated he is that comfortable (meaning with what he has done in the past and that he can not do that with this (meaning the Diebold machines). He does not blame Diebold and he does not blame ES&S. ES&S has their own problems with touch screens. He blames the mandated January 1, 2006 that forced the state into and forced the county into it. Technology is moving at such a fast rate. He asked one of the computer experts what it would take to make a touch screen that was totally secure what would it require? The expert said it would take a hundred scientists about a year or two. They did tell him what things might be happening that might be causing the shortage of memory. The flash memory might have dates that they expire on. They may have passed the expiration date. They have basically died or there may be other things out there. They can not look to deep until they can get approval for complete access and investigate it. Their test result proved accurate in Florida. He talked to Mr. Sancho personally, himself from his home. He asked him what it was like and what did you go through? He indicated that there are already repercussions. He stated he has to be worried about that. He has left the county basically out as much as he could, so if there was any liability it was strictly on his shoulders. He stated he did not have anyone to talk to about this. He indicated he would set the machine outside the door so that they could look at it further. He indicated that he needed action on the requisition he presented for the voting equipment today. The AutoMarks have been oversold. However, they will, through the people he knows and the people in the manufacturing facility in California commit nine machines to him through today. After that then he will have to stay with what he has. Lt. Gary Herbert has indicated to us that if the county is not HAVA compliant they will sue you.

Commissioner Hatch said that going back to where we were that is not HAVA compliant.

COMMISSION MEETING MINUTES  
MARCH 21, 2006

Bruce stated he is asking you, the Commissioners, to make him HAVA compliant with the approval of this requisition.

Commissioner Hatch said that you would be HAVA compliant with the Diebold system. You say that these machines were rejected, that they do not measure up. Have you sent those machines back or has Diebold come and got the machines to get them up to snuff.

Bruce indicated that they did return two of the four machines that they took up. Immediately he opened up the returned machines and checked the bracket, the battery life and backup storage, but the storage was down again on one of the machines. It was at 7% or 8% again. So, now eight machines that are really questionable. He had lost track of where number four was in the pile. The only safe way it was to show that these things were in there was to fire them up, video tape the serial number scan across the screen to also verify that was the serial number. And I have record of all of those machines.

Commissioner Hatch stated we know what is deficiencies. Has Diebold had a chance to fix them, other than the two that you are talking about.

Bruce stated that he looked at one county that was storing at Carr Printing. He looked at their rack that they store the machines on. They hold five machines on each rack . There was as many holes in some as full ones in others. Which puts me much higher than 20%.

Commissioner Hatch asked Bruce again if he had given Diebold the opportunity to fix the deficient machines?

Bruce stated that where he is at is that he has tested the machines. He said it comes to the point in the process of acceptance and he does not accept the machines as the official voting equipment for the 2006 election. What Diebold does from herewith, if you want to hold on to them for another election, that is up to you. He said, as the election official for Emery County, in fulfilling my duties, I am not comfortable.

Commissioner Hatch stated that he knows that he is not comfortable with the deficiencies. But, have we given Diebold the opportunity to get us some equipment that is acceptable? I don't think we have.

Bruce indicated that we have. They have not sent the other two machines back.

Commissioner Hatch stated that you have not sent the other two machines back to Diebold.

Bruce indicated that he was not going to send the two machines back to Diebold.

Commissioner Hatch stated that we need to get Diebold down here and say ok, we have these

COMMISSION MEETING MINUTES  
MARCH 21, 2006

two machines that we are not going to accept and you need to get us the amount of machines we need. If they don't then we need to go to Lt. Gary Herbert and say we do not have the amount of machines that we need so we are going to do like we did it before.

Commissioner Kofford addressed his concerns. He stated his first concern was that we did enter into a contract with the state of Utah. We need to have David Blackwell check the contract and see if we are required by the contract to use the machines in the election. We did sign it and we did accept the machines. We need to check the contract to see if there is a penalty for not using the machines.

Commissioner Hatch said we accepted the machines based on the fact that they were workable machines.

Bruce indicated that there will not be a penalty. The machines were given to us on the basis that we used them in the first election. The option he sees is, if we do not use them they will come and take them. If you convince them that you want to see the problems out, look at them for another year and convince them to leave them here then they will need to come here and take possession, upgrade and certify the machines.

Commissioner Kofford addressed his second concern. As Commissioner Hatch indicated Diebold needs the opportunity to look at the concerns and if there is a fix at least try to satisfy the problems that you have. As he as tried to track what you have told us, in essence he comes up with at least thirteen machines that you do not accept.

Bruce stated that he is not going to accept any of them.

Commissioner Hatch asked how is he going to decide if it is a workable deal if you have not used them.

Bruce stated that he has used them.

Commissioner Hatch stated that the public has not had the opportunity to use them. You have not gone through the election process. He felt we need to give them a try. Even if we go with the AutoMark system and go off without a glitch this year we are still not going to be able to go back to the state or Diebold and say, hey, we gave the machines a try. They are not any good.

Bruce said he did not accept them based on what he has tested and reviewed.

Commissioner Hatch stated that you just stated a few minutes ago that when we get through with this election, you will be gone, some else will be in the office. Then that person will have the option to say whether the machines operable and ready to go for another election process.

COMMISSION MEETING MINUTES  
MARCH 21, 2006

Bruce stated that by that time you will have a general election behind you.

Commissioner Hatch said, not with these machines.

Bruce said you will state wide. There will be some clear indicators come out of that election. Even scarier than that is the presidential election in 2008.

Commissioner Sitterud asked who the Black Box Voting Group was.

Bruce stated that they are a non-profit organization whose main interest is watching the election process and research the process. Are the votes in the election open and public? They are opposed to people who take election tallying to the back room and hide it. They research all kinds of things in the best interest of the voter. They are completely funded by donations. They are not obligated to any special interest group. The two men who came here were Harry Hershey, and Herbert Thompson. They both work in federal security areas. The ladies were Bev Harris and Kathleen (unknown).

Commissioner Sitterud asked if they were anti-electronic voting?

Bruce indicated that no they were not. They wanted a paper trail. In that respect that is the first things that they look at.

Commissioner Sitterud stated that he attended the mock election at the South Town Mall where the held a special election and ES&S hauled as many machines out as Diebold did.

Bruce what they had a special election that he went through and tested the Diebold machines. The thing he notice in the machine will not take an under vote. Each company brought a touch screen for testing. He talked of the problems related to the machines ability to retain the votes cast and the problems with the printers. The experts tell him that these machines can fail but two or three voter later.

Commissioner Sitterud stated that you have requested 9 AutoMark machines, by law you have to have one in each precinct, what would happen if one of the AutoMark machines were to go down in one of the polling places during the election process. Do you have to close down that polling place?

Bruce said there will be 9 ADA machines.

Commissioner Sitterud and Bruce talked about the problems that were possible if one of the ADA machines go down.

Bruce stated that from this point, Dave will have to advise him differently, as election official

12

COMMISSION MEETING MINUTES  
MARCH 21, 2006

this is where I need to be in the best interest of the voters in Emery County. This requisition needs to be considered at this time.

Commissioner Hatch stated that as far as he is concerned we need to make sure that what we do have is not acceptable. He did not think we have done that yet.

Commissioner Sitterud agreed with Commissioner Hatch.

Bruce asked whose responsibility is that.

Commissioner Hatch stated that it was Bruce's responsibility. But you have not gone back to Diebold with the machines. It is your responsibility to do that.

Bruce stated that he did not need Diebold.

Commissioner Hatch stated that he does need Diebold.

Bruce said that Diebold will be the heavy hand in this thing. They are a multi-million dollar company who will come down and squash us.

Commissioner Hatch stated that we have their machines and a contract with them. We can put David Blackwell to work to get them off your back. We still have not given them the opportunity to provide us with workable machines.

Bruce stated that you have two choices. One is to become HAVA compliant the other is to be non- HAVA compliant for this election.

Commissioner Hatch stated that we are HAVA compliant with Diebold.

Bruce expressed that he will not accept Diebold.

Commissioner Hatch said we need to meet with Diebold and Lt. Gary Herbert.

Bruce stated you can meet with them, but this deal will be gone tomorrow.

Commissioner Hatch stated that if the deal is only good for one day you better take a good look at it. Bruce stated that is not the problem. New York went with the AutoMark, Idaho went the AutoMark. They have oversold the machines. Because of my past customer connection with them, these people have bent over backwards to make this deal with us. The report will be coming out soon that will take three weeks for the people to come up with recommendation as to what has to happen.

COMMISSION MEETING MINUTES  
MARCH 21, 2006

Commissioner Hatch stated that he is concerned about the report but more concerned about Diebold coming down and provide us with a machines that will work. If they will do that he thinks we can pull off an election.

Bruce stated that they do know about the problems with the machines. He said they have received the same e-mails sent to you naming the problems.

Commissioner Hatch stated he has not received any e-mails on what you have found wrong with that machine. He asked what is the acceptable threshold of memory to carry out an election.

Bruce discussed the problems with memory that he has found on the machines. He received unverified word that some of the machines we have been sent were rejects from California. If that is so they can have other elections residing on the machines. On that basis he would reject all of the machines.

Commissioner Hatch stated that if that is the case we can use the contract to reject the machines but you have to have a basis to base the rejection on.

Commissioner Kofford interjected with discussion on the amount of machines and type of training that is required to pull off the election. Their training does not train for anyone to load the election on the machines. They have not addressed any of the voice part of the ADA machine. You have to send that portion of the election to another place to get programmed. Another concern that enters into this is that we are less than ninety days before an election. As you get to that time that Emery County still has not been trained on the Diebold system. We are sending three or four people to that training this week. Then those people come back and train more people who will train the election judges for the polling places. How far can we stretch the resources for training and servicing the judges of the election. You can run into mega bucks trying to get everyone trained. If you should come up a bad machine. If you determined that you have had a bad day at the polls what are you going to do. It is a problem. I don't think that the state has even addressed any of the problems. If the polls are short by twelve votes, as a candidate in this election as far as I am concerned those twelve votes are mine. He talked about the possibility of hacking in on the voter access cards. What Bruce is saying is the safe way is to let the state go through this this year and with the \$54,000.00 he is requesting we can run the election, be HAVA compliant and at the end of the election, if Diebold proves to be as efficient as they say they are, we can return the AutoMark machines at no cost and use the Diebold next time.

Commissioner Hatch stated that last December we sat here in these chairs and voted two to one to go with Diebold systems. We entered into a contract with the state of Utah. We need to find out if the state of Utah will come through with their part of the agreement.

Commissioner Kofford stated that secondly he felt that we need to give Diebold an opportunity

COMMISSION MEETING MINUTES  
MARCH 21, 2006

to address the concerns with the machines.

Bruce talked about all the training that is required for this system. Currently he can train the judges in one morning. He has had a clerk from another county who expressed concern and wished she could go back to the paper ballot. Sherry Swenson in talking to Bruce indicated that she has had to allocate an additional \$10,000,000.00 to implement this system for training and other cost associated with this system. Her hope was that this year to go with the punch card and use the Diebold or AutoMark for handicap. Lt. Herbert has closed the door on that. As he did on a big percentage of the counties. I have something still in place, if I can meet HAVA requirement.

Commissioner Hatch stated that the AutoMark is not any more certified that the others.

Bruce stated that the AutoMark is certified.

Commissioner Sitterud indicated that Diebold is going to be here to make sure the election goes well. If we wait until next year we will not have any help. They are going to make sure it works.

Sherry Swenson asked Bruce to keep her informed of the results of the report as soon as it comes out.

Attorney David Blackwell asked why she would not get a copy of the report?

Bruce indicated that the report will go to the CERT group first. It is a data handling situation under the Homeland Security.

David stated concern that he (Bruce) has tapped into a group that is anti-electronic voting or anti-Diebold group, but it seems that we should have Diebold here to answer to your concerns. He will need to look at the contract. It seems as though you have pushed the Commissioners into a corner. He stated that he did not know what our options are. He was concerned that we have not heard the other side of the issue.

Bruce asked David, as an election official, if I have the funds in my budget and I have the responsibility, who is to run the election? Am I to run the election or are the Commissioners to micro-manage the election? As the county attorney representing all of us am I wrong in my request? Is it the Commissioners responsibility?

David stated that he did not think he has reasonably given Diebold an opportunity to come in and fix the problems. We are not hearing what Diebold's response would be.

Sheriff Guymon commented that Lt. Gary Herbert knows your concerns. Why would he not see

15  
COMMISSION MEETING MINUTES  
MARCH 21, 2006

that you had the very best machines.

Commissioner Hatch ended the discussion. He asked if the requisition needs to stand by itself or be a part of the Clerk/Auditor business.

Commissioner Hatch asked if there were any more comments on this matter. Hearing none he moved on to other citizen concerns. No action was taken on this matter.

Commissioner Sitterud reported that Emery Telcom has contacted the County to let them know that Emery Telcom has voted to not allow the county to use their tents this year for the Fair or borrow them out to anyone. With that Commissioner Sitterud requested to purchase our own tents at a cost of \$3,000.00. Several cities have indicated that they would like to use them. Commissioner Drew Sitterud made a motion to purchase four tents at a cost of \$3,000.00. Commissioner Gary Kofford said he would like to see that this be taken to the Fair Committee through the Recreation Special Service District. Commissioner Sitterud indicated that they did not have any funds in the budget. Commissioner Ira Hatch agreed with Commissioner Gary Kofford that is where the purchase should come from. He indicated that if they do not have enough funds because of the purchase the county can help make them whole.

**(11)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Bruce Funk presented the Warrant Check Edit List and additional claims # 175169 through and including #175343 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
15-06	Satellite Internet Command Post-SO	4,922.20	Approved
16-06	2002 Kenworth Tractor/Truck Highway	69,200.00	Approved
17-06	500 Gallon Fuel Tank Landfill	545.00	Approved
18-06	Repeater/Base Station-Cedar Mtn. Communications	10,940.00	Approved

16

COMMISSION MEETING MINUTES  
MARCH 21, 2006

19-06	Advance 14" Vacuum Courthouse	505.00	Approved
20-06	Dishwasher/Booster Heater Sheriff/Detention	5,602.80	Approved
21-06	Archeological Study-BLM land Landfill	2,640.00	Approved

There were 2 dispositions presented for approval. 410-4701, a 1986 John Deere 772BH Grader to be traded in on the 2006 Cat Grader Requisition #07-06, and 410-6111, a 1991 Peterbuilt Tractor to be traded in on the 2002 Kenworth Tractor Requisition #16-06.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, Additional Claims, Requisitions and Dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following Personnel action:

Mary requested FMLA for Leslie Bolinder due to her own serious medical condition. The requested leave will be from February 14, 2006 to May 9, 2006, however she may come back sooner with a doctor's release. Commissioner Drew Sitterud made a motion to approve FMLA for Leslie Bolinder. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Assessor Kris Bell has hired a part-time temporary student, Tawna Merrill in her office. Tawna will be working on some files and will work until the task is completed. Commissioner Drew Sitterud made a motion to approve the hiring of Tawna Merrill as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated March 7, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**COMMISSION REPORTS**

*Commissioner Hatch*

Commissioner Hatch encouraged elected officials and department heads to arrange for employees to be able to attend the Employee's Benefits Fair on Wednesday, March 29, 2006.

He reminded elected officials and department heads to read over the compensatory time policy and provide input to the Commissioners.

He met with UDOT where he received an update on Muddy Creek to Ferron

The Commissioners will be meeting soon with UCIP to review proposals on health care options.

On Friday, March 17, 2006 he attended WFS Regional Council in Moab.

*Commissioner Sitterud*

Commissioner Sitterud met on the Wedge with BLM on campsites they are trying to take away from us.

The Quitchenpah EIS is now available for review.

Commissioner Hatch asked if there was anything else that anyone they would like to bring forth.

Bruce Funk stated he wanted to go on record as turning over his stewardship to Diebold Equipment to you as Commissioners. He handed the keys to the room where the Diebold Election equipment is stored to the Commissioners. He will go through Jeff to get anything out of the room that might pertain to his office. Commissioner Sitterud told him to give the keys to Brenda, she is next in line. Bruce indicated that Brenda would not want them. He indicated that Brenda still works for him. If you have the keys this will allow you to keep things secure and you will know who goes in and out. Commissioner Hatch asked Bruce is he wanted to be involved in the meetings with Diebold? To which Bruce answered, No. Commissioner hatch asked Bruce to provide them with the deficiencies that he found in the machines. To which Bruce indicated that he can provide the serial numbers. Commissioner Hatch indicated that he was disappointed with Bruce because he would not even meet with Diebold to find out what it is we are going to do. Bruce stated that for him to meet with Diebold would be a little hostile. Commissioner Hatch stated that they will probably be screaming mad at me, but we still have a responsibility to meet with them. Bruce stated that he felt they could do it on a more positive tone. Commissioner Hatch stated that if Bruce bows out now we will have to go back through all the machines again. As far as Commissioner Hatch was concerned he did not know if he could turn the machines over to the Commissioners. It is his responsibility. He indicated that

until we get this resolved that Bruce was still responsible. Bruce stated that he is not responsible to Diebold. He is responsible for the election. Commissioner Hatch stated that he was responsible because we signed the contract as a county and that he was the county election official. Bruce indicated that the contract was signed by the Commissioners. Bruce indicated that he has to proceed with the election the best way that he deems in the best interest of the citizens. Commissioner Hatch stated that as far as he was concerned the key could be put in the safe and nobody has access into that room, nobody, until we get somebody down here and get this resolved.

Commissioner Sitterud took possession of the keys to the room where the Diabold machines are stored.

**(15)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(16)**  
**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 4, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSES.**

A business license application was presented for Cowley Precision Rebuild. Business license applications were also presented for Castle Valley Outdoors Food and Beverage Supply Inc. and Castle Valley Outdoors, LLC. A Class A license to sell alcoholic beverages was also presented for Frank D. Johnson and James W. Fauver / Castle Valley Outdoors. The licenses have all been approved through the Planning Commission and the Zoning Administrator. The Alcohol license has been through the Sheriff's Department's screening process. Commissioner Drew Sitterud made a motion to approve the business license applications as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF RESOLUTION TO UAC**

Commissioner Hatch explained that UAC used to have an insurance entity that they have restructured into the Utah County Insurance Pool. Before the separation they were housed in one building. UCIP is in the process of moving into a new location. They are looking to split the equity in the existing building. Emery County is one of the founding counties of UAC and as such will lose all interest that they have paid up to this time if they do not participate in this bond resolution. Attorney David Blackwell has reviewed the document and recommended participation in the bond refinancing resolution. Commissioner Gary Kofford made a motion to approve authorizing Resolution 4-4-06 . the motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CITIZEN CONCERNS**

There were no citizen concerns at this time.

2

(4)

**APPROVAL OF APPOINTMENT TO TRAVEL COUNCIL BOARD.**

Historically the Travel Council has board members in equal numbers from the east and the west side of the county. The purpose of the Travel Council is to approve and disperse transient room tax generated and collected in Emery County for the promotion of tourism in Emery County. There are currently several board members whose terms are expiring. Commissioner Hatch proposed the following individuals be appointed and or re-appointed to the Emery County Travel Council Board.: Susan Sitterud, Kathy Gardner, Kerry Bigelow, Mark H. Williams, Mary Huntington, and Olive Anderson. Commissioner Drew Sitterud made a motion to approve the proposed individuals for appointment to the Emery County Travel Council Board. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**APPROVAL OF APPOINTMENT TO PLANNING COMMISSION BOARD.**

Commissioner Gary Kofford explained that there were two openings on the Planning Commission Board. Four applications were received for consideration. Commissioner Gary Kofford made a motion to appoint Judy Ann Scott and Merrill Duncan to the Planning Commission Board. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF.**

Commissioner Drew Sitterud explained that the Commission received a request from JCI Billing, the company that Emery County is contracted with to service ambulance billings for the county. The request was for several suspected illegal aliens from an accident on I-70, whom JCI has not been able to contact. It was JCI's request to abate the bills. Commissioner Drew Sitterud made a motion to abate the ambulance bills for the individuals as contained on the request from JCI Billing. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Sheriff Guymon wanted to go on record as this being an approximately \$10,000.00 loss to the county.

(7)

**CONSIDERATION AND APPROVAL TO ADVERTISE FOR LAWN AND GROUND CARE FOR COUNTY FACILITIES.**

Commissioner Gary Kofford explained that the county changed the way the maintenance service is provided to the county. Dennis Fuller provided the grounds maintenance for the courthouse and libraries under several contracts and that has been changed. He proposed advertising for individuals interested in providing lawn and ground care for the

county courthouse building, the libraries, and the road shop. Commissioner Gary Kofford made a motion to solicit for bids to provide lawn care and grounds maintenance for the courthouse, libraries and road shop. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**INFORMATION OF APPOINTMENT TO THE BOARD OF THE EMERY COUNTY CARE AND REHABILITATION CENTER.**

Clyde Conover has stepped down from the board of the Emery County Care and Rehabilitation Center. Gil Conover has been appointed to fill the remainder of Clyde's term.

(9)

**CONSIDERATION AND APPROVAL OF RESOLUTION TO PLACE THE QUESTION OF SUPPORT FOR A PUBLIC SWIMMING POOL ON THE JUNE BALLOT.**

Commissioner Drew Sitterud explained that for some time now the County has been looking into the possibility of constructing a public swimming pool. The Emery County Recreation Special Service District took on the cause last year. The Castle Dale Swimming Pool will not be open next year. Castle Dale City has dedicated ten thousand dollars a year for the next ten years toward the maintenance of a new pool. The high school will donate the land to locate the pool so it could be used by the school for a swim and dive team as well as the public. It was decided that instead of using mineral lease funds for construction of the pool that it would be best to go to the public to ask for support to put in the pool. At first it was felt they could put the question on the June ballot, however, it looks as though there will only be one contested position in the primary election. As they looked at the wording for the resolution to place on the ballot they found that there was not enough time to get the resolution ready for the June ballot. CIB has told Commissioner Sitterud that he could come before the board before the November vote and procure the funds ahead of time with the stipulation that the vote is positive. By doing this everything could be pre-approved so that when the vote goes we can be ready to go. As we went through this process we found out that we need a bond attorney to help write the bond. Zion's Bank has agreed to provide a bond attorney. Attorney David Blackwell explained that there are four bond attorneys in the state and Zion's will go out to bid to these bond attorneys to provide this service for us. Commissioner Sitterud explained that by law the parameters set for the bond of the pool and that will be on the ballot will be set at the highest cost for construction of a swimming pool. Commissioner Gary Kofford made a motion to procure Zion's Bank and a bond attorney and move forward with preparing a resolution to place the question of a public swimming pool on the November ballot. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Commissioner Hatch explained that it is important to ask the people for their input on this project as it is ultimately the public who will pay for the facility. We can use mineral lease funds and CIB funds to construct things but the operation and maintenance will fall on the tax

payer. We will need the participation of the schools and other entities to make this a viable project.

Emery County Progress Editor Patsy Stoddard asked if CIB allows the funds needed for the construction of the facility would there be a way to pay for the operation and maintenance on the facility. Commissioner Kofford explained that the CIB funds will probably come in the form of a grant and a low interest loan that will have to be paid back. Bill Dellos asked if the Commissioners had a cost of a facility of this type. Commissioner Sitterud indicated that the facility could be anywhere from 1.5 million to 2 million dollars. The parameters will probably be set at 2.5 million dollars. Commissioner Hatch pointed out that there will be public hearings and several decisions to be made that they would like to get input and ideas from the public about. If fifty percent of the public does not want it then we will not do it. Cathy Cowley asked how much of the maintenance would come from the school since it will be used by the school. Commissioner Sitterud indicated that the facility will be owned and maintained by Emery County. The school district will maintain the parking lot and the maintenance of lighting as well as maintaining the facility while in their use. Commissioner Hatch felt that this is still in the beginning stages and many decisions will be need to be made down the road.

**(10)**

**CONSIDERATION AND APPROVAL OF INTERIM CLERK/AUDITOR**

Commissioner Hatch explained that the Commissioners have been involved in some lengthy discussion during the last few weeks relative to the election process. Part of that is that the Clerk/Auditor, Bruce Funk has resigned his position. The Commission received a letter from him asking to discuss the matter further. The nature of the situation is that we need to move forward with the operation of the Clerk/Auditor's office. Commissioner Hatch felt he could work out an agreement with Senior Deputy Clerk/Auditor, Brenda Dugmore to assume the responsibilities and duties of the office through the transition period until an appointment has been made. There are some things that need to transpire to keep things moving. He stated that this in no way should be taken, that they are rescinding the resignation of Mr. Funk. But, it is an avenue that they still need some legal council on proper procedure. The Attorney General and Lt. Governor's Office is working on providing them with a definitive course of action. What ever action we take we want to make sure it is legal and lawful and will stand up in court.

Commissioner Hatch will work out an agreement with Brenda to assume those Clerk/Auditor duties during this interim period. There are things that need to continue to keep the checks and balances operating between the Clerk/Auditor's office and the Treasurer's Office. The county has a double signature check system and that needs to keep moving. He expressed concern that we are already behind the curve on the election process. We need to get that process up and running again to be ready for the June Primary election.

Attorney David Blackwell explained that the process for filling the balance of the

resigned Clerk/Auditor's office has been started. There are some legal things regarding that appointment that need to be looked at. He is relying on procedure which is used for replacing an attorney. When there is a vacancy there, the deputy functions in the office until the replacement is found. He is relying on that in allowing Brenda to assume the duties until a replacement is found to fill the balance of the resigned Clerk/Auditor's position.

Patsy Stoddard asked if Diebold will come back to re-certify the election equipment? Commissioner Hatch stated that they have made contact with Diebold and they will come back and re-certify the machines if Bruce is not involved in the process and the cost for doing the work can be negotiated. The Clerk/Auditor is the Election Officer for the county. There will have to be considerable re-structuring done before they will come back to do the re-certifying. As per contract with the state we will be using the Diebold machines for the election and they will have a representative in the county to help with any unforeseen problems.

(11)

**CONSIDERATION AND APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITION AND DISPOSITIONS.**

Senior Deputy Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #175456 through and including #175568 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
22-06	Level A Hazmat Suit Sheriff	5,070.00	Approved
24-06	FM Radio Translator for FM100		
24-07	EMR FM7340 Isolators		
24-08	Television	8,490.00	Approved
25-06	Chevy Trailblazer		
25-07	Assessor Office	21,089.85	Approved
26-06	Chevy Impala (2)		
26-07	Courthouse	29,998.60	Approved

There were no dispositions.

Bids were received in the Clerk/Auditor's office for filters for the Road Department. After review of the bids, Commissioner Gary Kofford made a motion to award the filter

bid to Wheeler Machinery. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Brenda presented bids for vehicles for the courthouse fleet and one for the Assessor. State deadline for receiving state bids on vehicles is April 13, 2006. After review of the bids Commissioner Gary Kofford made a motion to purchase two Chevrolet Impalas at a cost of \$29,998.60 and a Chevrolet TrailBlazer for the Assessor's office at a cost of \$21,089.85. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, Additional Claims and Requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Mary Huntington, Personnel Director presented the following Personnel action:

Library

Jerilyn Mathis is requesting a one step increase for Stephanie Oviatt who has completed her 6 month orientation period successfully. Effective April 24, 2006, she will move from 4A at \$8.12 per hour to 5A at \$8.39 per hour. Commissioner Gary Kofford made a motion to approve a one step increase for Stephanie Oviatt as per the Emery County Personnel Policy. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Jerilyn Mathis is requesting approval to start the recruitment process for a part time less than 20 hours per week employee with no benefits. Hourly rate will be 4A @ \$8.12 per hour. Kelly Dunham has resigned and her last day of work will be April 28, 2006. Commissioner Gary Kofford made a motion to approve beginning the recruitment process for a part time less than 20 hours per week employee as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Nathan and Marcy Thayn have been providing janitorial services at the Green River library. They have given notification to cancel their contract with Emery County. Jerilyn Mathis is requesting approval to advertise for janitorial services for the Green River Library on a contract basis. Commissioner Gary Kofford made a motion to approve advertising for janitorial services at the Green River Library. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

### Travel Specialist

Mike McCandless is requesting approval to start the recruitment process for a 90 day temporary Information Travel Specialist in green River. This person would work 40 hours per week @ \$7.00 per hour, with no benefits. Donna Hatfield has given her resignation and will work until April 17, 2006. Commissioner Drew Sitterud made a motion to begin the recruitment process for a 90 day temporary Information Travel Specialist as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Hatch informed those in attendance that the county's insurance benefits are renewable again in July and they are in the process of actively pursuing insurance companies to ensure that Emery County employees get the best service.

### **(13)**

#### **APPROVAL OF COMMISSION MEETING MINUTES**

The minutes for the March 21, 2006 meeting were tabled at this time. Commissioner Gary Kofford made a motion to approve the special meeting minutes dated March 27, 2006 as corrections were given to Teresa Manzanares. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

### **(14)**

#### **COMMISSION REPORTS**

##### *Commissioner Sitterud*

Commissioner Sitterud reported on a recent Public Lands meeting in Richfield where discussed was the July 25, 2006 beginning of the recording process for roads. They will begin with the B Roads for now. The seven roads Emery County currently has in litigation will be moved into the process.

He talked about the Factory Butte dispute. SUWA brought action for not protecting it. It is frequently used by motorcyclist. There is no vegetation growing out there.

The Range Creek comment period is going on now.

He reported on the sub-committee currently looking into putting three full size dinosaurs and one mammoth on the lawn of the museum. They are hoping to get donations from the community and local businesses and corporations. They are also starting the grant process. Ramal Jones is heading up the project for the Museum of the San Rafael.

Commissioner Kofford

The Municipal Building Authority of Emery County is currently in the process of advertising for bids to do some drainage work at the Museum of the San Rafael.

Economic Development will have some summer camps available to students this summer. The information is available on the Emery County website.

Commissioner Hatch

Commissioner Hatch reflected on the recent Benefits Fair held on March 29, 2006. The fair was attended by about fifty employees and spouses. There was good information given at the fair regarding benefits the employees receive and encouragement to live a healthy lifestyle. He applauded the effort that went into putting the event together.

He met with the Historical Preservation Committee recently to try and get the Muddy Creek Bridge project into fruition. He and the Emery County Historical Preservation Committee met with a UDOT representative regarding the funding of the project. She gave insightful information to help get the project going. The state provided a grant to help document the oral history of the bridge and the area. They are moving ahead with finalizing the plans.

Huntington/Cleveland Irrigation Project is moving ahead.

(15)

**OTHER BUSINESS**

Sheriff Guymon asked for approval to purchase five vehicles before the April 13, 2006 state bid deadline and bring to the April 18<sup>th</sup> meeting for ratification. Commissioner Drew Sitterud made a motion to approve the purchase of five vehicles for the Sheriff's Department pursuant to the bids coming in under the parameters set out to meet the April 13, 2006 deadline and have the purchase ratified in the April 17, 2006 Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(16)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Commissioner Drew Sitterud made a motion to move into executive session. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Those present at executive session was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff Lamar Guymon and Deputy Clerk/Auditor Carol Cox.

The Commissioners discussed pending litigation matters with Attorney David Blackwell.

(17)

**ADJOURNMENT**

Upon returning to regular Commission Meeting, Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE SPECIAL MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 10, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Sr. Deputy Clerk/Auditor Brenda Dugmore.

The meeting was called to order at 9:18 a.m.

**1. DISCUSSION AND POSSIBLE ACTION REGARDING EMPLOYEE CONCERNS.**

A request was received by an employee to meet with the Commissioner's. The request has now been withdrawn.

**2. DISCUSSION AND ACTION REGARDING BRENDA DUGMORE'S REQUEST FOR LEAVE OF ABSENCE AND APPOINTMENT OF INTERIM EMERY COUNTY CLERK/AUDITOR.**

Chairman Ira Hatch informed the public that Attorney David Blackwell, Lt. Governor Gary Herbert, the Attorney General's Office and UAC Attorney's Council had been consulted as to how to proceed with filling the vacancy of the Clerk/Auditor. The Republican Central Committee was notified of the vacancy. The Central Committee submitted the names of three individuals. As a result of the submission, Sr. Deputy Clerk/Auditor Brenda Dugmore was selected to fill the balance of the term of Clerk/Auditor. Chairman Ira Hatch read the following letter from Brenda Dugmore:

"I am requesting a temporary leave of absence from my current position as Sr. Deputy Clerk/Auditor effective Monday, April 10, 2006 until December 29, 2006 to accept the interim appointment as Emery County Clerk/Auditor. If circumstances warrant, I retain the right to resign as the interim Clerk/Auditor and resume my career service position as the Sr. Deputy Clerk/Auditor."

Commissioner Drew Sitterud made a motion to appoint Brenda Dugmore as the Clerk/Auditor for the remainder of the term including the above request for leave of absence. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
APRIL 10, 2006

**3. CITIZEN CONCERN'S.**

Personnel Director Mary Huntington informed the Commissioners that Eric Nielsen, 90 Day Temp at the Road Dept., was at the end of his temporary assignment. Ms. Huntington requested approval to advertise for a lube mechanic. Commissioner Drew Sitterud informed the Commission that a 90 Day Temp was needed in the Public Lands Department to gather information on the roads. Commissioner Kofford made a motion to advertise for a lube mechanic and a 90 Day Temp for Public Lands. The motion was seconded by Commissioner Sitterud and approved by all members present.

Sheriff LaMar Guymon as solicited bids for five Dodge Durangos. Ken Garff has three vehicles on the lot. They are priced below state bid at \$25,613.00. Commissioner Sitterud made a motion to purchase the three vehicles from Ken Garff for \$25,613.00. Sheriff Guymon has received one bid from Hinkley Dodge for the other two Durangos. Commissioner Kofford made a motion to purchase two Durangos at \$25,782. If Community Motors comes in with a lower bid Sheriff Guymon may purchase the vehicles from them if he works with Interim Clerk/Auditor Brenda Dugmore before the ordering deadline of Friday. The motion was seconded by Commissioner Sitterud and approved by all members present.

Sheriff Guymon presented to the Commission the need to purchase three 42" computer video displays for the new E-911 system. The pricing is from state bid. Commissioner Sitterud made a motion to approve the purchase of the three monitors. The motion was seconded by Commissioner Kofford and approved by all members present.

Commission Chairman Ira Hatch swore in Brenda Dugmore as the interim Clerk/Auditor.

**4. EXECUTIVE SESSION TO DISCUSS PENDING OR REASONABLY IMMINENT LITIGATION AND TO DISCUSS THE CHARACTER, PROFESSIONAL COMPETENCE, OR PHYSICAL OR MENTAL HEALTH OF AN INDIVIDUAL, AND ANY OTHER MATTERS ALLOWED BY LAW.**

Commissioner Gary Kofford made a motion to move into executive session. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

3

COMMISSION MEETING MINUTES  
APRIL 10, 2006

**5. ADJOURN.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 18, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DISCUSSION AND ACCEPTANCE OF RADIO SYSTEM EASEMENT FOR SCENIC BYWAY/TRAVEL REGION.**

Mike McCandless told the Commissioners that three years ago the Castle County Travel Region and Scenic By-way put together a grant to do two projects. The projects were to erect a kiosk and shelter near Huntington Reservoir. The shelter was started last fall the shelter is underway. The other part of the grant is to put together a series of low power radio stations to inform people of the scenic by-way. This process takes a long time. They hope to put one in the Huntington Canyon, Scofield, and Fairview areas. The one radio station that is ready to get going is the one in the Huntington Canyon area. This will be basically an information station telling people about the scenic by-way and the Huntington area. Listeners will receive a seven to nine minute loop providing information on some of things they can see and about the energy loop. There will be a sign on the highway telling people what station to tune to. As a part of that process they need a location for the radio transmitter which has been determined to be located on the old water tanks in Huntington. That property is owned by Huntington City. What they are asking for is Emery County to accept the necessary easements for the power and the phone to get access for the utility companies. They need an entity to receive the easements. Dave has been working Jana Abrams, Coordinator for the Scenic By-Way to put together the easement. They need an entity to accept the easement for that right-of-way for power and phone.

Commissioner Hatch questioned why Huntington City, as an entity and a partner in the Castle County Travel Region and Scenic By-way is not accepting the easement. It is in Huntington City.

Mike explained that Huntington City has not been a participating partner recently. They have accepted easements in the past. They are granting this one but requested another entity accept the easement.

Commissioner Hatch could not see why Huntington City could not accept the easement just as easy as the County could.

Mike explained that the travel region administering the grant wanted someone associated with the travel region to accept the easement. He did not know how it would work to get the description.

Commissioner Hatch felt that since there was not going to be any particular liability and the

COMMISSION MEETING MINUTES  
APRIL 18, 2006

water

tanks are in Huntington City, he suggested that they go back to Huntington City to have them accept the easement and if they won't do it then come back to the county. Dave wondered if maybe the city was trying to save money. If that is the case he said he could write up the easement without any cost to them. Commissioner Hatch suggested that they get with Bret Mills also.

(2)

**DISCUSSION OF PROPOSED SWIMMING POOL PROJECT.**

Commissioner Sitterud said he contacted Zions Bank they will help us get the bond attorney. He contacted Blain Evans the architect who will draw the plans for the swimming pool and take us all the way through the CIB funding phase on his nickel. If we do not win the vote or get CIB funding then he will just say he did it. If we do then he will give us a contract to sign for the architect side of the plan. We need drawings to get preliminary costs to move forward. Commissioner Sitterud asked to retain Blain Evans to move forward on the project. There will be no expenditure of funds to retain Blain Evans. This will be on the November ballot. We will go to CIB in August. We should retain the funds in August with a stipulation pending approval of the general public. If things go well we could be building this fall. The plan he will draw will have an Olympic size pool with diving on one end and a small child pool and computerized spouts. We need to set up an appointment to meet with the school district to set up what their part will be and what our part will be. This will all be contingent upon the outcome of the election.

(3)

**RATIFICATION OF FIELD ELECTION SUPPORT SERVICES AGREEMENT WITH DIEBOLD ELECTION SYSTEMS.**

Commissioner Hatch reported that they have contacted Diebold to come and re-certify the election equipment. We have been working with them on a contract. We need to ratify that contract. The contract dates are April 12 through completion of the job. They will send technician to do the job. It will cost the county \$1,260.00 per day for each DESI technician. We have entered into discussion with them to use some of our people like we originally certified them. It would cut down on the time they will be required to be here. As soon as they get their technicians and equipment lined up they will be here in the county to accomplish that work. The fees are our responsibility. We are working with the state to see if we can get some assistance to do the work through the HAVA grant. If not it will be our responsibility. We need to ratify the agreement we entered into on April 11, 2006 to get that work done. Commissioner Drew Sitterud made a motion to ratify the signing on the agreement for Diebold technicians to come and re-certify our electronic voting machines. Commissioner Gary Kofford seconded the motion and it was approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF LOW INCOME ABATEMENT FOR BURT BECKSTEAD.**

Clerk/Auditor Brenda Dugmore discussed an application from Burt Beckstead for a low income abatement. The abatement is on his mobile home. He rents the park space that the mobile home sits on. He has a statement from his physician and a letter from himself to the Commissioners. The Commissioners may abate up to fifty percent of his taxes. Commissioner Gary Kofford made a motion to abate fifty percent of the taxes owing for Burt Beckstead. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF DONATION TO FOUR CORNERS COMMUNITY BEHAVIORAL HEALTH.**

Lance Wright, Four Corners Community Behavioral Health came before the Commissioners to request a donation to send two employees to the University of Utah School on Alcohol and Drugs/Substance Abuse Workshop. The cost per employee is \$256.00. Commissioner Gary Kofford made a motion to pay \$512.00 to assist in sending two employees to the University of Utah Substance Abuse Workshop. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CITIZEN CONCERNS**

Tom Anderson, owner KOAL Eastern Utah Broadcasting and Shonie Christensen, KRPX were present to inform the Commissioners of a new radio station to the area. Mr. Anderson told the Commissioners that Eastern Utah Broadcasting KOAL has been around for seventy years. They are happy that they are putting on a new FM radio station and wanted to make Emery County a big part of this new radio station. Shonie is station manager. They will be doing stepped up Emery County news. They requested consideration for getting this station in Emery County's translator network. Shonie explained the concept for the station. She said they will be marketing towards women. They will take a top forty with a mix of light rock, combining 80's and 90's and now with a softer side to it so it will be office friendly. They will have a morning program. They will go to advertisers to market more towards women. They have some new ideas for promotions to involve the residents and listeners. Their numbers will be 95.3 FM KRPX. Mr. Anderson suggested that they could help with the tourism feed also.

Commissioner Hatch suggested they work through Commissioner Sitterud and Bret Mills, Communications to see what they will can do to make it compatible to our network. Commissioner Hatch explained that there was a problem with the land description on a parcel of land at the landfill that Emery County put up for bid to sell. The request for bids was amended

COMMISSION MEETING MINUTES  
APRIL 18, 2006

and re-advertised with the correction. He explained that Nielson Construction approached the Commissioners with a proposal to purchase property along the landfill fence. Nielson Construction owns property to the south and east of the landfill fence line. They have a road on our property that goes down our fence line to access their property. They are in the process of making application to change their storage options there. Currently they are doing a lot of work for the coal-bed methane/gas fields and other entities that the waste disposal has to be taken to the approved one in the Duchesne area. This was quite an expense. You have to jump through a lot of regulatory hoops to store and dispose of this type of waste. They are now in the process of doing that. As part of this process they need a dedicated roadway plus an entry way at the beginning of the project to serve as a weigh station and acceptance point for materials going in. To that end Nielson's has come forth with a proposal to buy a strip of land adjacent to our landfill to accomplish that and tie it into their proposed system. We had the property appraised and advertised for bids to sell this 3.43 acres along the landfill fence line for a minimum bid of \$686.00. Nielson Construction is the only bid that we received. Their bid was \$701.00. Commissioner Gary Kofford made a motion to award the bid to purchase land adjacent to the landfill fence line to Nielson Construction for \$701.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. Because Nielson's needed to move forward on this project it was approved today and will be ratified in the next Commission meeting.

(7)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #175720 through and including #175861 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
27-06	Portable feeder belt/screen Landfill	14,700.00	Approved
28-06	GPS Analyst for ArcPad IT	2,620.00	Approved
29-06	Installation of lights Weed/Mosquito	475.00	Approved
30-06	13 Vest Sheriff-Federal Vest Program	5,996.25	Appro

ved

½ paid by deputies  
½ paid by program

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, and requisitions as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Personnel Director, Mary Huntington presented the following Personnel action:

Sheriff Guymon requested a routine progressive, one step, increase for Nicole Deabenderfer. She would move from 7G, \$10.41 to 8G, \$10.86 effective April 24, 2006. Commissioner Drew Sitterud made a motion to approve a routine progressive, one step, increase for Nicole Deabenderfer as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sheriff Guymon is requesting Kurt Price be moved into Public Safety. He has completed his POST certification and therefore should be moved from grade 10B, \$11.12 per hour to 12A, \$11.84 per hour effective April 24, 2006. Commissioner Drew Sitterud made a motion to approve moving Kurt Price into Public Safety with the appropriate move in pay as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated April 4, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present

**(10)**  
**CONSIDERATION AND APPROVAL OF A RESOLUTION AUTHORIZING THE EXECUTION AND DELIVERY OF A FIRST SUPPLEMENTAL TRUST INDENTURE RELATING TO THE EMERY COUNTY, UTAH POLLUTION CONTROL REVENUE REFUNDING BONDS (PACIFICORP PROJECT), SERIES 1994; AND RELATED**

**MATTERS.**

Ryan Bjerke, Chapman and Cutler, Bond Counsel for PacifiCorp was present to present a resolution relating to the Emery County, Utah Pollution Control Revenue Refunding Bonds (PacifiCorp Project), Series 1994 and relating matters. They asked that the County authorize the execution and delivery of a first supplemental trust indenture. Attorney David Blackwell explained that there is a clause that requires the county's permission to make even little adjustments in how they are negotiating with lenders. Ryan explained that the bonds are in a variable rate mode which means that every week or so the bond holders have the option to sell back their bonds. To provide some additional security PacifiCorp has entered into a security agreement with the bank where the bank says that if the bond holder tenders their bond at the end of any week and there is not enough money there they will buy it. PacifiCorp wants to make some changes to the document they have with the bank. Pacificorp is making minimal, minor changes to the agreement with the bank which is triggering the bond holder to have to tender the bonds even if they do not want to. We are trying to is to get PacifiCorp and the bank the flexibility they need to make these minor modifications to their agreement without forcing the bond holders to tender the bonds. Attorney David Blackwell has reviewed the resolution. The resolution that they are proposing today just authorizes the chairman, county attorney and county clerk to execute various documents in the form of a first supplemental trust indenture relating to the Emery County, Utah Pollution Control Revenue Refunding Bonds Series 1994 and related documents as presented. Commissioner Gary Kofford made a motion to approve Resolution 0417806 authorizing the execution and delivery of a First Supplemental Trust Indenture relating to the Emery County, Utah Pollution Control Revenue Refunding Bonds ( PacifiCorp Project), Series 1994,and related documents. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)****COMMISSION REPORTS***Commissioner Hatch*

Commissioner Hatch reported that there was a Special Commission Meeting on April 10, 2006 where Brenda Dugmore was sworn in as Clerk/Auditor.

We have had an OSHA inspector here visiting the various departments to give an informal inspection to give the county a heads up on things we need to work on.

He will be attending an insurance co-ordinator meeting in Provo today. The rest of the week he will be involved UAC Management Conference. Concurrent with that is Senator Bennett's Rural Conference in Vernal.

COMMISSION MEETING MINUTES  
APRIL 18, 2006

Next week Commissioner Hatch and Wayde Nielsen will attend Road School in St. George. Also as a member of the Joint Highway Committee he will sit in on the planning meeting held in conjunction with the road school. With UDOT this is where the money is dolled out for federal aid and special state projects . We are making another push to get on going money for the Temple Mountain Road. We have constructed a road from Temple Mountain Road into Goblin Valley. We are now beginning work from Highway 24 over to the Goblin Valley Road. We have one million dollars allocated this year for one section of the road that will take us into 2007. He will make another push to get funds for another million for another section that will take us into 2008 and 2009.

*Commissioner Kofford*

Commissioner Kofford reported that he and Ray Petersen put a letter together that he felt like should be presented to the BLM at the scoping meeting in Green River tomorrow night. The letter is about the Old Spanish Trail and addresses the County's support. It was his intent to put it on the Emery County Commission letterhead and have all three commissioners sign it.

Last Friday Commissioner Hatch and Commissioner Kofford met with Maughn Guymon , AOG and gave the county's proposal for the Sr. Citizen Center in Green River. Jim Dresler is the architect for this project. They have a meeting set with Green River City to work on getting a variance for the parking lot. This project is moving ahead. They have asked Maughn Guymon to go over the proposal with Bill Howell and other staff members and give us any suggestions. The building is projected to cost \$232.00 per square foot (1.1 million dollars).

*Commissioner Sitterud*

Commissioner Sitterud met with the CIB board last Thursday . They came here to Emery County to meet with applicants in the county that will be putting in applications in May. Elmo Town will be re-negotiating the terms of their application. Castle Valley Special Service District's road projects have gone sky high this year. the money that they have received will not cover half of the projects as fast as the oil and gas is going up. They talked about some supplemental things that they can do. They met with Emery Town on their building. Because they had already purchased the building they have to let them go ahead and get the building in place. They can look at granting them funds to put things in the building. They looked at the Millsite Golf Course and some of the things they can do there.

Tonight will be the RAC meeting in Green River to set the proclamation for this year. This will be all big game, everything except bucks and bulls.

Commissioner Drew Sitterud made a motion to move into an executive session. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was: Commissioner Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, and Deputy Clerk/Auditor Carol Cox.

Pending litigation matters were discussed.

**(13)**

**OTHER BUSINESS**

Commissioner Gary Kofford made a motion to set the date and time for the May Tax Sale as Thursday, June 1, 2006 at 10:00 A.M. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Sheriff Guymon presented a requisition from the Sheriff's office for one decon shelter at a cost of \$10,275.00 to be paid from a Homeland Security Grant 2004. This is the last of the 2004 grant funds. Commissioner Drew Sitterud made a motion to approve a requisition for a decon shelter as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 2, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Hatch opened the meeting by explaining new law governing open public meetings. House Bill #14 and #16 went into effect on May 1, 2006. The bill defines recording of public meetings as audio or video recording and encourages the use of media for posting agenda items to be discussed in the meeting. Audio and written minutes are to be kept for all public meetings. The final approved written form becomes the official minutes of the meeting.

(1)

**DISCUSSION OF 2006 MAY TAX SALE AND SETTING OF DATE.**

In the April 18, 2006 Commission Meeting the date of June 1, 2006 was set for the 2006 tax sale. There is a conflict with that date. The Clerk Conference will be that week. Therefore, a request was made to re-set the date to May 25, 2006 at 10:00 a.m. Commissioner Gary Kofford made a motion to re-set the date and time for the 2006 May Tax Sale to May 25, 2006 at 10:00 a.m. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**RATIFY SALE OF COUNTY PROPERTY, AS ADVERTISED, TO NIELSON CONSTRUCTION FOR \$701.00.**

In the April 18, 2006 Commission Meeting a sale of county property was awarded to Nielson Construction and approved as a non-agenda item. This was done to expedite the process for Nielson Construction in their efforts to make application to change their storage option on their property south and east of the Emery County Landfill fence line. Ratification of this action is needed at this time. Commissioner Drew Sitterud made a motion to ratify the sale of county owned property to Nielson Construction for \$701.00. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**EMERY HIGH SCHOOL STUDENTS REQUESTING DONATION TO ATTEND NATIONAL HISTORY FAIR.**

The Commissioners received a letter from Emery High School teacher Wendy Whittle asking for a donation for three students to attend the National History Fair in Washington, D.C. in June. The three students are Kiyomi MacDonald, Teresa Collard, and Laci McArthur. Commissioner Gary Kofford made a motion to donate \$50.00 per student to attend the National History Fair in Washington, D.C. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(4)****CONSIDERATION AND APPROVAL OF DRUG TASK FORCE GRANT.**

Sergeant Bill Downard explained that this is the standard Drug Task Force grant application. The funds from this grant will keep the program going for this year. He pointed out that the grant amount allowed is much lower this year. He said that the state is running out of money earmarked for this program. Commissioner Drew Sitterud made a motion to approve the Drug Task Force Grant application. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(5)****CONSIDERATION AND APPROVAL OF INTERLOCAL COOPERATION AND CONTRACT AGREEMENT AMENDMENT #2 BETWEEN ALG AAA AND EMERY COUNTY.**

Commissioner Hatch explained that this the standard cooperation agreement between Area Agency on Aging and Emery County. The funds have been approved in the 2006 budget and will be paid out quarterly to the Association of Local Governments for the implementing of the Aging programs in Emery County. Commissioner Drew Sitterud made a motion to approve the inter-local cooperation and contract agreement amendment #2 between ALG AAA and Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
MAY 2, 2006

Commissioner Gary Kofford made a motion to approve the 2006 Property Tax Exemption List. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR NOXIOUS WEED MANAGEMENT BETWEEN UTAH DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY WEED DEPARTMENT.**

Commissioner Hatch explained that Utah Division of Forestry, Fire and State Lands would like to enter into a cooperative agreement with the Emery County Weed Department to manage noxious weeds along the Green River. They have allocated \$10,000.00 this year for an ongoing program that will be negotiated and approved each year contingent upon available funds. James Nielsen has worked out with the UDFFSL to mostly buy the equipment needed this year. Commissioner Hatch recommended we sign the agreement. Attorney David Blackwell has reviewed the cooperative agreement document. Commissioner Drew Sitterud made a motion to sign the cooperative agreement for noxious weed management between Utah Division of Forestry, Fire, and State Lands and Emery County Weed Department. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**OPEN AND AWARD BIDS FOR LAWN CARE OF SOME COUNTY OWNED FACILITIES.**

Four bids for lawn care were received in the Clerk/Auditor's office. The bids were as follows:

Sunshine Enterprises	\$2,100.00 per month
Castle Valley Landscaping	\$ 400.00 per week
LD Landscaping	\$2,000.00 per month
Jeff Hill	\$1,982.00 per month

Commissioner Kofford asked for the latitude to contact the bidders to be sure they are all bidding on the same thing. He asked to award the bid based on the lowest bid after contacting them. Commissioner Drew Sitterud made a motion to allow Commissioner Kofford to look over the bids and award the bid based on the lowest bid and budgeted amount for this contract. Commissioner Ira Hatch stepped down to second the motion. The motion was approved by all members present.

(9)

**DISCUSSION AND DECISION REGARDING SERVICE AGREEMENT BETWEEN EMERY COUNTY AND EMERY ANIMAL HEALTH.**

Dr. Glen Jensen approached the Commissioners to discuss the service agreement between Emery County and Emery Animal Health. He stated he contracted with the county in 1998 to provide housing for all animals impounded by Emery County animal control officers. At that time he wanted to be certain that he would not lose money so he had worked into the contract a cost of living increase as given to county employees. He stated that he has not received the cost of living increase and can no longer function without it. The original contract amount is \$1,720.00 per month. Based on cost of living increases given to Emery County employees since 1999 he estimates the amount owed to him is \$11,649.14 to bring him current through May of this year. The new amount per month beginning in June of this year would be \$2,052.00.

Commissioner Hatch felt that there were two issues. First, the amount that Dr. Jensen feels that the county owes him. Second, the re-issue of a new contract based on the new monthly rate. Where we are changing the terms of the contract, we need to either issue a new contract or amend the current one.

Commissioner Kofford did not think that we needed a new contract. What he is asking for is to have the new rate reflect the cost of living increase for 2006.

Dr. Jensen said that his understanding of the contract was that the increase should have been given all along. He should basically receive that increase just the same as everyone else has. His employees deserve a raise also. The cost of keeping the animals continues to go up.

Commissioner Gary Kofford made a motion to pay Dr. Jensen the \$11,649.14 that the county owes him to bring him current through May of this year and take him up to \$2,052.62 per month beginning in June 2006.

Commissioner Hatch felt that there were some things in the contract that need to be addressed such as identifying holding facilities for large animals. He knows he has boarded large animals, but the contract does not specify that.

Commissioner Kofford indicated that we can notify him that we want to re-do the contract within thirty days. At the same time he felt that what was owed should be paid to him.

Commissioner Hatch stated that is why he wanted to address this issue in two parts. He agreed that Dr. Jensen deserves to be paid what is owed him. The new rate would be negotiable. Things that may or may not need to be changed in the contract.

Commissioner Kofford indicated that the conversation between David Blackwell and Dr.

COMMISSION MEETING MINUTES  
MAY 2, 2006

Jensen's lawyer suggested that maybe the county would want to re-word Section 8, part a.) of the contract. We may go ahead and re-submit the contract or re-advertise the contract. In the interim my motion was pay his what we owe him and take him up to the \$2,052.64 effective June 1, 2006.

Commissioner Drew Sitterud seconded Commissioner Kofford's motion. Commissioner Ira Hatch voted nay on the motion. The motion was approved by two for and one against.

Commissioner Kofford made a motion to instruct David Blackwell, Martin Wilson, Commissioner Kofford and Commissioner Sitterud to get with Dr. Jensen to clarify the contract, addressing Commissioner Hatch's concerns and move from there to re-negotiate the contract with Dr. Jensen for animal control holding facilities. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF ELECTION JUDGES FOR 2006.**

Clerk/Auditor Brenda Dugmore presented a list of names to be considered for election judges for the 2006 election. She indicated that parties recommended people from their caucus meetings for election judges. These recommended people were selected with the exception of Roddy Anderson from Emery as his son is on the ballot. The recommended list was as follows:

Emery #1, Partick Sundstrom, Mistie Christiansen, Shonna Petersen  
Ferron #2, Mary Kava, Katherine Singleton, Laurie Pitchforth, Evelyn Huntsman  
Ferron #3, Nancy Jensen, Lynette Withers, JoAnn Behling, Paula Lucas  
Clawson #4, Lisa Jones, Barbara Workman, Sue Simmons, Trudy Waddoups  
Orangeville#5, Sandra Oman, Jennifer Fauver, Dwayne Story, Melanie Thompson  
Castle Dale #6, Marianne Judi, Susan Keele, Kenneth Kay, Carolyn Booker  
Castle Dale #7, Eileen Lofthouse, Lori Rogers, Larry Harrington, Margaret Fielding  
Huntington #8, Loyette Holdaway, Gail Kay, Linda Daley, Tammy Tucker  
Huntington #9, JoAnn Shannon, Amy Hill, Michelle Anderson, Jenene Hansen  
Cleveland #10, Evelyn Bird, Annette Wells, Linda Jensen  
Elmo #11, Deanna Hansen, Mary Lofley, Venice Golden, Lucille Willson  
Green River #12, Vicki Bayles, Karen Smith, Gladys May, Iona Ekker

Commissioner Drew Sitterud made a motion to approve the Election Judges for 2006 as submitted as needed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**DISCUSSION OF VOTING ABSENTEE BY-MAIL ONLY FOR THE TOWNS OF**

**CLAWSON AND EMERY. SETTING OF PUBLIC HEARING DATES TO RECEIVE PUBLIC COMMENT ON THIS PROPOSAL.**

Jeff Guymon, IT entered into a discussion with the Commissioners regarding the possibility of voting absentee by-mail only for the towns of Clawson and Emery. He started by saying that state election code says that if within sixty days of an election a precinct has less than 500 registered voters, the governing body may elect to conduct the election for that precinct entirely by absentee by-mail only. He pointed out that Clawson Town has 138 registered voter amounting to 2% of the votes in Emery County. Emery Town has 258 registered voters amounting to 4% of the votes in Emery County. Elmo has 450 registered voters but could possibly have more registered voters to bring them up to 500 before the election. He pointed out the cost to have judges at these precincts verses the cost to send out the necessary mailers for by-mail voting. The pros for conducting absentee by-mail voting as follows: this would give us two more machines for other locations. The cost, less delivery time and less handicap locations to deal with. The cons were: not advantageous for voter turnout, voter verification and voter apprehension or a since of exclusion. It is for this reason that he suggested holding public hearings in Clawson and Emery to get the public's input on the possibility of doing this. The law does not require a public hearing but we need to see if the public is going to be receptive to this. The Commissioners suggested getting on the respective town agendas to set up public information meetings. Notice can be sent to each registered voter in that precinct informing them of the public hearing and inviting them to attend to discuss the possibility of changing their precinct to a absentee by-mail only precinct.

Commissioner Gary Kofford made a motion to contact the towns and get on the agendas for May and hold public hearings in each town to see if the voters are receptive to this. After the public hearings this will be brought back to the next Commission Meeting as an agenda item to act on. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Clerk/Auditor Brenda Dugmore stated that if the majority of the registered voters are opposed to it then we would not do it.

**(12)**  
**CITIZEN CONCERNS**

There were no citizen concerns.

**(13)**

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE.**

A business license application was presented for Jeff Sagers dba: Castle Valley Stone. This is a conditional use permit also and has gone through the Planning Commission's process and has been signed by the Zoning Administrator. Commissioner Drew Sitterud made a motion to approve a business license for Jeff Sager dba: Castle Valley Stone. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #175974 through and including #176085 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
35-06	Complete wiring for Emergency Operation Center- Sheriff	1,350.00	Approved
36-06	Laptop Computer Sheriff- Investigations	2,081.86	Approved
37-06	5-sets of Lightbars/Sirens, etc Sheriff - new vehicles	13,101.00	Approved
38-06	Computer Cabinet 2 Network Cameras Election	1,417.31	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(15)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

**A. Public Lands.**

Public Lands Director, Ray Petersen is going to hire Bethany Toomer as a 90 temporary employee. Bethany will schedule and conduct interviews with Emery County citizens and generate affidavits concerning the history of Emery County RS2477 roads. She will be paid \$7.00 per hour.

**B. Weed/Mosquito and Road Department requests.**

James Nielsen, Weed and Mosquito Supervisor is ready to begin the recruitment process for a 90 day temporary employee.

Eric Nielsen's 90 day temporary service at the Road Department ended on April 13, 2006. Morris Sorensen, Road Department Supervisor has asked to begin the recruitment process for a 90 day temporary employee.

The Road Department advertised for a Lube/Mechanic. Morris Sorensen requested approval to hire Eric Nielsen as Lube/Mechanic at grade 12 entry level, \$11.00 per hour beginning May 3, 2006. This is a full time position with benefits. Commissioner Gary Kofford made a motion to approve hiring Eric Nielsen as Lube/Mechanic at the Road Department as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Russ Dull has submitted his resignation. His last day of work will be June 16, 2006. Morris Sorensen requested approval to begin the recruitment process for an Equipment/ Operator Driver.

Commissioner Gary Kofford made a motion to approve the recruitment process for an Equipment/Operator Driver at the Road Department. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**C. Museum of the San Rafael**

Kimble Larsen has been hired for less than 10 hours per week, as a 90 day temporary employee, for the lawn/maintenance care at the museum. Due to Willard Young's own personal medical condition he is unable to perform some of the functions of his job.

**D. Sheriff's request.**

10  
COMMISSION MEETING MINUTES  
MAY 2, 2006

Nothing at this time.

E. Library request.

Jerilyn Mathis, Library Supervisor requested approval to hire Darcie Quist as the Green River Assistant Librarian. If approved Darcie will begin work on May 3, 2006 at grade 4A \$8.12 per hour. This is a part time position with no benefits. Commissioner Gary Kofford made a motion to approve hiring Darcie Quist as the Green River Assistant Librarian as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Jerilyn Mathis requested approval to hire Denise Hoffman, under contract, to supply the janitorial services for the Green River Library. The amount of the contract would be \$350.00 per month. The library board recommended approval to contract with Denise Hoffman for this service. Commissioner Gary Kofford made a motion to approve contracting with Denise Hoffman for \$350.00 per month for janitorial services at the Green River Library. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

F. Risk Management/Workers Compensation Program.

The county participated in a Risk Management and Workers Compensation Program sponsored through Utah Counties Insurance Pool (UCIP) in 2005. Recently we were awarded \$7,570.00 as a result of complying with UCIP's requirements to help reduce the county's risk liability and workers compensation claims. She thanked the Risk Management Committee and each department for helping with these programs.

(16)

APPROVAL OF COMMISSION MEETING MINUTES.

Commissioner Gary Kofford made a motion to approve the minutes dated March 21, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to approve the minutes dated April 10, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve the minutes dated April 18, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(17)

**COMMISSION REPORTS***Commissioner Sitterud*

Commissioner Sitterud report on a recent meeting regarding Millsite Dam and the sedimentation problems with the reservoir. Millsite is listed as one of the top three worst dams in the state. They talked about possible ways to work out the problems hoping to get funding to fix the problems. It looks as though it may be a year from now before anything can be repaired.

He recently met with the CCP group where it was stated that the water going into Skyline Mine is probably coming from Electric Lake. While in the county for their meeting the CCP group went on tours of the mine sites and power plants.

He attended an addressing meeting in Richfield. The Forest Service and BLM and other entities were also in attendance. A lot of the addressing work has already been done.

He attended a RAC meeting in Green River on the cows/does proclamation. The meeting was not very well attended.

*Commissioner Kofford*

Commissioner Kofford reported on a meeting regarding the Forest Service Management Plan. All decisions have been made. The comment period will soon begin.

He met with BLM regarding archeological study on the landfill and gun range.

He attended Senator Bennett's Rural Economic Summit in Vernal. There were many very good breakout sessions and speakers. Several people were there from Emery County.

He reported on the Old Spanish Trail scoping meetings. A letter was sent from the Commissioners regarding the county's desire for the trail to follow established ROW.

*Commissioner Hatch*

Commissioner Hatch reported on his attendance at UAC Conference.

He reported on the Joint Highway Committee meeting in St. George. He reported that Emery County was able to acquire an added \$500,000.00 to continue out to 2009 on the state park access road to Temple Mountain. This will be added to the already committed \$450,000.00 for this project. Emery County will match the funds to complete the project.

Commissioner Drew Sitterud made a motion to move into an Executive Session to discuss

12  
COMMISSION MEETING MINUTES  
MAY 2, 2006

pending litigation matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at the Executive Session was Commissioner Hatch, Commissioner Sitterud, Commissioner Kofford, Attorney David Blackwell and Deputy Clerk/Auditor Carol Cox.

**(19)**  
**ADJOURNMENT**

Upon returning to regular Commission Meeting Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF PUBLIC HEARING  
HELD IN EMERY TOWN

MAY 9, 2006

A public hearing was held on May 9, 2006 in Emery Town at 6:00 p.m. to provide information to the public regarding voting absentee by-mail for the Emery County election. Commissioner Ira Hatch provided information to the citizens in attendance. Basically Utah Code 20A-3-302 states that whenever, on the 60<sup>th</sup> day before an election, there are 500 or fewer persons registered to vote in a voting precinct, the county legislative body of the county in which the voting precinct is located may elect to administer an election entirely by absentee ballot. The code then spells out the procedures for administering the absentee ballot. Emery Town, Emery Precinct #1, has 259 registered active voters. He provided a history of how the county has arrived to the point of using the Diebold electronic voting machines for the 2006 election and associated, newly legislated HAVA requirements. A handout was provided to all citizens in attendance showing a cost comparison for using the new machines and by-mail absentee voting. The pros and cons for by-mail absentee voting and electronic voting was reviewed with the public. He stated that the Commissioners felt it was important to provide the citizens of Emery with an opportunity to respond to a possibility of changing the Emery #1 precinct to an absentee by-mail voting only precinct.

The public hearing was opened up to comments and questions from the public.

Numerous questions and comments were directed to the Commissioners.

Comments were received from the following:

Mayor Michael Williams, Mariam Mangum, Patrick Sundstrom, Gary Hansen, Carol Riddle, Don Riddle, Randy Lake, Loye Hansen, Derek Beagley, Tammie Beagley, Gary Petty, Amy Sundstrom, Dorothy Pulley, Kenneth Christiansen, Bruce Funk, Glynis Sitterud, Corrine Dalton, Eric Anderson, Heather Sundstrom, Corey Blumel.

The Commissioners responded to all questions and comments.

Commissioner Hatch closed the public hearing and thanked the public for their questions and comments. He stated that a decision has not been made. The question will be on the Commission Meeting agenda for the May 16, 2006 Commission Meeting to determine what course of action the Commission will take. He invited any interested citizens to attend the meeting.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF PUBLIC HEARING  
HELD IN CLAWSON TOWN

MAY 11, 2006

A public hearing was held on May 11, 2006 in Clawson Town at 6:00 p.m. to provide information to the public regarding voting absentee by-mail for the Emery County election. Commissioner Ira Hatch provided information to the citizens in attendance. Basically Utah Code 20A-3-302 states that whenever, on the 60<sup>th</sup> day before an election, there are 500 or fewer persons registered to vote in a voting precinct, the county legislative body of the county in which the voting precinct is located may elect to administer an election entirely by absentee ballot. The code then spells out the procedures for administering the absentee ballot. Clawson Town, Clawson Precinct #4, has 138 registered active voters. He provided a history of how the county has arrived to the point of using the Diebold electronic voting machines for the 2006 election and associated, newly legislated HAVA requirements. A handout was provided to all citizens in attendance showing a cost comparison for using the new machines and by-mail absentee voting. The pros and cons for by-mail absentee voting and electronic voting was reviewed with the public. He stated that the Commissioners felt it was important to provide the citizens of Clawson with an opportunity to respond to a possibility of changing the Clawson #4 precinct to an absentee by-mail voting only precinct.

The public hearing was opened up to comments and questions from the public.

Numerous questions and comments were directed to the Commissioners.

Comments were received from the following:

Bruce Funk, Bruce Roundy, Glade Nelson, Betty Hatch, Doug Sorensen, Cheryl Sorensen, Corey Blumel, Ralph Blumel, Gary Price.

The Commissioners responded to all questions and comments.

Commissioner Hatch closed the public hearing and thanked the public for their questions and comments. He stated that a decision has not been made. The question will be on the Commission Meeting agenda for the May 16, 2006 Commission Meeting to determine what course of action the Commission will take. He invited any interested citizens to attend the meeting.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 16, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DISCUSSION AND APPROVAL OF VOTING ABSENTEE BY MAIL ONLY FOR THE TOWNS OF CLAWSON AND EMERY.**

A. Patrick Sundstrom, Emery City Council would like to address the issue.

Mr. Sundstrom thanked the Commissioners for coming to Emery to talk to the citizens. He stated that he is not happy about closing any polling place in Emery County. The idea of voting is a way of validating ourselves as Americans. It is important to us. Our young people need a sense of duty associated with walking into a polling place to vote. He added that as elected officials of the citizens of Emery County, he will personally see that they are held accountable to the citizens of Emery County.

Eric Anderson, Emery City Council member addressed the Commissioners on behalf of Mayor Williams. As the Emery Town council they, unanimously, by resolution, voted to support the use of voting machines at a designated polling place for the casting of ballots. They unanimously object to the changing the Emery Town precinct to a by-mail absentee only precinct.

Lou Sansevero, Ferron citizen advised the Commissioners to govern with the advise and consent of the people who elect them. The Commissioners have a moral responsibility to do what is in the citizen's best interest. He stated he understood the reason for the changes in the voting for Emery and Clawson was due to the cost associated with the election. He said he did not feel that was a good reason for the change. He stated that he was personally against any changes to polling places.

Commissioner Hatch stated that he wanted to set the record straight. The cost was not the reason for the looking at the changes.

Gary Petty, Emery, talked about the article in the Salt Lake Tribune wherein it was indicated that it may be wise to consider the mail voting option. He stated that in his opinion that was wrong. Voting at the polling place makes you feel like an American.

Commissioner Hatch stated that the code says that as the governing body the Commissioners can

COMMISSION MEETING MINUTES  
MAY 16, 2006

make that decision. But, that is not the way that this Commission operates. That is why they went to the Clawson and Emery to find out how the people felt. We did receive many comments both verbal and written. Sometimes the legislature enacts laws that are not necessarily good for everyone. Commissioner Hatch asked if anyone else would like to say anything about this matter?

Commissioner Sitterud indicated that he personally received many letters. He got responses from citizens in towns that were not given the option of voting by-mail absentee. At least Clawson and Emery were given the opportunity to choose to vote paper ballots.

Commissioner Drew Sitterud made a motion to leave Clawson and Emery as polling places and let them vote with the machines. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Ballot proposition for Emery County School Board.

The Commissioners received a letter back in February from the Emery County School District stating their intent to ask the voters, in the next general election, to authorize an increase in the voted leeway of .0008. It was also the intent of this entity to offset the voted leeway with a corresponding reduction in the capital outlay tax rate resulting in no net increase in tax rate to the taxpayer. They are required to advertise as if this were a tax increase. The Commissioners assumed since they scheduled a public hearing for August that the school district wanted the question on the general ballot in November. However, the school district's intention was to put the proposition on the Primary Ballot. Attorney David Blackwell spoke with Ross Huntington, Emery County School District Business Administrator who indicated that it was the intent of the school district to put the proposition on the Primary Ballot in June. Since neither Ross Huntington or Superintendent Kirk Sitterud were present at the meeting the Commissioners asked that they be called and asked to come to the meeting to address the issue. The Commissioners moved on to other business until Kirk and Ross could be present.

After returning to this issue the Commissioners discussed with Superintendent Kirk Sitterud and Business Administrator Ross Huntington the reason for having the proposition on the June Primary Ballot. Kirk Sitterud stated that if they wait until November to receive the voted leeway it will be too late to help the school district with the much needed funds to operate for this coming school year. They would have to wait another whole year to receive the funds and would thus have to lay off teachers and other critical employees.

Democratic Party Chairman Gary Petty was opposed to having the proposition on the Primary Ballot because the Primary election is a Republican election. The Democrats will not be voting in this election.

Progress Editor, Patsy Stoddard wondered if this wasn't an education issue. Do we need to

COMMISSION MEETING MINUTES  
MAY 16, 2006

educate the voters on this issue?

Commissioner Gary Kofford stated that Democrats will be able to vote on this issue., but he felt that there was not adequate time to advertise and educate the public.

Republican Party Chairman Bill Dellos stated he felt that it was not fair to the citizens. A hearing should be held before voting on the issue.

Commissioner Ira Hatch felt that the school district should at least hold information meetings before the election.

Kirk Sitterud informed the Commissioners that as a school board they are meeting with as many groups of citizens as possible and are scheduling information meetings as well as sending out information pamphlets to the citizens before the election. He stated that it is critical for the students and the school district to get the proposition on the June Primary Ballot. It cannot wait an additional year. He asked to have the Commissioners work with them on this issue. He added that if they have to help pay for any additional cost for the election.

After more discussion, Commissioner Gary Kofford made a motion to put the requested proposition on the June Primary Ballot. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)

**RATIFY BID AWARD AND APPROVAL OF CONTRACT FOR LAWN CARE OF SOME COUNTY OWNED FACILITIES.**

Commissioner Gary Kofford reported on the outcome of the bid opening for lawn care at the courthouse, libraries and road department. After contacting the bidders, Castle Valley Landscaping, as low bidder, was awarded the bid. Commissioner Gary Kofford made a motion to ratify the signing of a contract for lawn care for some county owned facilities to Castle Valley Landscaping. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF SOFTWARE LICENSE AGREEMENT WITH SINGER SOFTWARE, INC.**

Commissioner Hatch indicated that the county has looked at other companies to provide tax roll maintenance but they were pricey. The county has contracted with Singer Software Inc. for several years now. The elected officials who work with Singer's programs recommended

COMMISSION MEETING MINUTES  
MAY 16, 2006

staying with the Singer. Commissioner Drew Sitterud made a motion to approve the software license agreement with Singer Software, Inc. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)**  
**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND ECSSD#1 ON SOUTH MOORE CUTOFF ROAD, PHASES III AND IV FUNDING.**

Attorney David Blackwell reviewed an agreement between Emery County and ECSSD#1 to receive the funds and administer the projects for phase III and phase IV on the South Moore Cut-off Road. Commissioner Gary Kofford made a motion to ratify the signing of an agreement between Emery County and ECSSD#1 for administration of funding for South Moore Cut-off Road Phase III and Phase IV. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(5)**  
**CONSIDERATION AND APPROVAL OF FEDERAL EQUITABLE SHARING AGREEMENT.**

This agreement deals with the sharing with the federal government of assets seized by the Emery County Sheriff's Department. Commissioner Drew Sitterud made a motion to approve the Equitable Sharing Agreement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**  
**CONSIDERATION AND APPROVAL OF AGREEMENT FOR FINANCIAL ADVISORY SERVICES WITH ZIONS BANK PUBLIC FINANCE FOR THE MUNICIPAL SWIMMING POOL PROJECT.**

Commissioner Drew Sitterud reviewed an agreement for financial advisory services with Zions Bank Public Finance for the Municipal Swimming Pool Project. Attorney David Blackwell suggested a change in wording on Attachment A from "city" to "county". Commissioner Drew Sitterud made a motion to approve an agreement for financial advisory services with Zions Public Finance for the Municipal Swimming Pool Project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(7)**  
**EMERY TOWN, REQUEST AND APPROVAL OF WAIVER FOR BUILDING PERMIT**

**FEE FOR RECREATION CENTER.**

Commissioner Gary Kofford made a motion to waive the \$1,643.00 building permit fee for the recreation center in Emery Town. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)****CITIZEN CONCERNS. (RAY QUINN- PRESENTATION OF AWARD).**

Ray Quinn, American Legion Post 73 presented Commissioner Ira Hatch with an award for fifty continual years of membership in the American Legion. He also petitioned the Commissioners to erect a memorial to the Emery County veterans who have been in the armed forces. Emery County is the only county who has not erected such a memorial for our veterans. He urged the Commissioners to remedy this mistake and erect a memorial for veterans. Commissioner Hatch suggested that the American Legion put together a committee to formulate ideas and report back to the Commissioners with their ideas for a memorial.

In other citizen concerns, It Director, Jeff Guymon informed the Commissioners of the Voter Outreach Program. Voting machine demos have been scheduled for June 5, 2006 in Huntington and Ferron at the Senior Citizen Centers from 11 a.m. until 2 p.m. June 6, 2006 will be all the libraries in the county from 9:30 a.m. until 7 p.m. June 7, 2006 will be in Emery at the Senior Center from 11 a.m. until 2 p.m.

Pam Juliano, contact person from Senator Jim Matheson's office was present to listen and be a part of the process.

**(9)****DISCUSSION OF SELECTION PROCESS AND APPROVAL OF ENGINEER OF RECORD BASED ON STATEMENT OF QUALIFICATIONS.**

As part of receiving federal highway funding Emery County needs to designate an engineer of record. A request for proposals was submitted to several engineering firms. Two engineering firms replied to the RFP. Johansen and Tuttle Engineering, Castle Dale and Simpco Engineering, Vernal. An evaluation panel screened the qualifications and came up with an overall successful applicant. The successful applicant was Johansen and Tuttle Engineering. Commissioner Gary Kofford made a motion to appoint Johansen and Tuttle Engineering as Engineer of Record for Emery County for federal and state funded projects. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)****DISCUSSION AND APPROVAL OF ASSESSING A MINIMUM REAL PROPERTY TAX.**

Treasurer, Steven Barton reminded the Commissioners of an earlier request to consider assessing a minimum real property tax. At that time he was asked to meet with Kris Bell, Assessor, Dixie Swasey, Recorder and Brenda Dugmore, Clerk/Auditor to come up with a proposal. He has done that and now proposed assessing a minimum real property tax of \$1.00 and under. Many of the properties that were considered were green belt properties. Out of the \$123.00 we would collect it would cost \$108.00 to pay for the notices and other mailers for these properties. Commissioner Gary Kofford made a motion to take the committee's recommendation and assess a minimum real property tax, abating \$1.00 and under. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)****CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application from Consolidated Coal Company was presented for consideration. The Clerk/Auditor's office received word from the ATF that as a part of the application process for Consolidated Coal Company to receive a permit from them they must have complied with the local permitting process. ATF felt that they needed to have a local business license. Commissioner Drew Sitterud made a motion to approve a business license for Consolidated Coal Company. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)****CONSIDERATION AND APPROVAL OF TERMS OF AGREEMENT DATED MAY 8, 1006 WITH KIMBALL AND ROBERTS, P.C.**

Commissioner Gary Kofford made a motion to approve the terms of an agreement dated May 8, 2006 with Kimball and Roberts, P.C. to conduct the county audit. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Hatch commented that due to the recent changes in the Clerk/Auditor's office this audit will be conducted as if it was an outgoing auditor. Any discrepancies would be brought out in the audit.

**(13)****DISCUSSION AND APPROVAL OF LETTER OF EMERY COUNTY'S POSITION ON BLM RMP PROCESS.**

COMMISSION MEETING MINUTES  
MAY 16, 2006

The Emery County Commissioners and Public Lands Director Ray Petersen attended the May 11, 2006 AOG meeting in Price where John Keith presented the Utah State University study of Community Socio-economic Linkages with Public Lands. Mr. Keith also began a data gathering process at that time and presented the time table for the study. It was the Commissions understanding that the study was to be completed in December of 2007. As a result of attending this meeting the Commissioners and Ray felt that it would be beneficial to the county to send a letter to key individuals to present the county's position regarding the BLM/Price Field Office Resource Management Plan/Environmental Impact Statement Socio-Economic Report. It is the County's desire to see the process continue as scheduled. They stated in the letter that the USU study may provide some useful data for some of the other RMP's throughout the state and possibly as activity level planning follows, but they felt any delay to implement the plan jeopardizes important decisions already made by the Price Field Office. It was decided to send the letter to the Lt. Governor Gary Herbert's Office, Mark Ward, Utah Attorney General's Office, John Harja, Val Payne, Carbon County Commission, Utah State BLM Office, Price Field Office, Rural Public Lands County Council (Ralph Okerlund) Utah Congressional Delegation. Commissioner Sitterud suggested adding UAC to the list. Commissioner Gary Kofford made a motion to forward the letter to the respective individuals and get on record the county's position regarding this issue. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(14)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit list #176242 through and including #176399 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
39-06	Tasers & Bladetch Holster Sheriff	\$4,857.65	Appro ved

There were no dispositions.

Sheriff Guymon presented a check from XTO Energy for \$5,000.00 to pay for the tasers.

COMMISSION MEETING MINUTES  
MAY 16, 2006

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, and requisition. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

The \$5,000.00 check was turned over to the Clerk/Auditor.

**(15)**

**PERSONNEL DIRECTOR, PRESENTATION OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following personnel action:

A. Commissioner Gary Kofford made a motion to ratify the action taken on May 2, 2006 to hire Denise Hoffman, under contract, to supply the janitorial services for the Green River Library. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Commissioner Gary Kofford made a motion to ratify the action taken on May 2, 2006 to start the recruitment process for an Equipment/Operator. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

C. Commissioner Gary Kofford made a motion to ratify the action taken on May 2, 2006 to hire Eric Nielsen as a Lube/Mechanic. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

D. Russ Dull has completed his 6 month orientation period successfully and Morris Sorensen is requesting he receive a one step increase effective May 22, 2006. He would move from 12 entry @\$11.00 per hour to 12 A @\$11.33 per hour. Commissioner Gary Kofford made a motion to approve a one step increase for Russ Dull as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

E. Mike McCandless is going to hire two 90 day temporary employees to work the information center in Green River. Judy Smalley will work 40 hours per week @ \$7.00 per hour effective May 11, 2006. Nancy Mitchell will work twenty hours per week @ \$7.00 per hour effective June 19, 2006. No action was needed.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes of Public Hearings held in

9

COMMISSION MEETING MINUTES  
MAY 16, 2006

Clawson and Emery and dated May 9 and 11, 2006. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to approve the Commission meeting minutes dated May 2, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on the progress of posting the Old Spanish Trail signs.

*Commissioner Sitterud*

Commissioner Sitterud reported that the new radio station KRSP is broadcasting over the top of FM 100.

He reported on CIB activity involving two emergency applications from Ferron City to repair the spillway and extend Millsite Golf Course.

*Commissioner Hatch*

Commissioner Hatch reported that it is that time once again to look at the county's insurance. Jeff Kelsey from CBSA and others are in line to come and make their presentations.

He reminded everyone that the May Tax Sale will be on Thursday May 25, 2006.

Commissioner Gary Kofford made a motion to move into an executive session to discuss pending litigation regarding personnel issues. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(18)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION, SALES/PURCHASE OF REAL ESTATE OR OTHER  
MATTERS ALLOWED BY LAW.**

10

COMMISSION MEETING MINUTES

MAY 16, 2006

Present at the executive session was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox.

Upon returning to the regular meeting Commissioner Gary Kofford made a motion to authorize Attorney David Blackwell to proceed with the land acquisition as discussed in executive session. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(19)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 6, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Drew Sitterud was out of town for other important matters.

Commissioner Ira Hatch will step down throughout the meeting to execute motions as needed.

(1)

**BOB GREENBERG, FOUR CORNERS BEHAVIORAL HEALTH, SEEKING APPROVAL FOR SUBSTANCE ABUSE AND MENTAL HEALTH PLAN FOR 2007.**

Bob Greenberg, FCBH presented the Substance Abuse and Mental Health Plan for 2007 for review and approval. The plan represents a 2% increase from last year which is based on assessed evaluation and population. Drug Court funding is continuing to go down but he stated that he is confident that the funding will continue and does not project any changes in the Drug Court program in Emery County. Commissioner Gary Kofford made a motion to approve and accept Four Corners Behavioral Health's Substance Abuse and Mental Health Plan for 2007. Commissioner Ira Hatch seconded the motion and amended the motion to include authorizing Commissioner Kofford to sign the plan as Emery County's representative on the FCBH board. The motion was approved by all member present.

(2)

**RATIFY BLM RIGHT-OF-WAY GRANT UTU-83306 FOR EAGLE CANYON VIEW AREA ACCESS ROAD.**

Commissioner Hatch and Commissioner Kofford met with BLM regarding granting a right-of-way for Eagle Canyon view area access road. This is to keep the access from the Moore Cut-off Road. A right-of-way was granted for 3,500 feet. They will meet again to negotiate for another right-of-way to establish a loop. Commissioner Gary Kofford made a motion to ratify an agreement signed on May 17, 2006 with BLM to accept a 3,500 feet right-of-way. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(3)

**APPOINTMENT TO LIBRARY BOARD.**

Commissioner Gary Kofford explained that the Library Board met recently to consider a replacement for Glenna Sasser who has served on the library board for the maximum term allowed by the library by-laws. Glenna has served for two four year terms representing the Castle Dale/Orangeville area. It was recommended to appoint Robyn Reynolds, Orangeville to fill that vacancy. Commissioner Gary Kofford made a motion to accept the Library boards recommendation and appoint Robyn Reynolds to the Library Board. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF AN AGREEMENT BETWEEN EMERY COUNTY AND NAYLOR WENTWORTH LUND ARCHITECTS, PC FOR EMERY COUNTY POOL COMPLEX.**

Attorney, David Blackwell stated that the agreement is a standard agreement between Emery County and the architects hired to design the swimming pool complex. The county is not bound to pay for their services if the bond proposal is not approved by the voters in the November election. Commissioner Ira Hatch made a motion to approve an agreement between Emery County and Naylor Wentworth Lund Architects, PC to proceed with the bond election for the Emery County Pool Complex. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**SETTING OF A PUBLIC HEARING FOR ENERGY WEST LEVEL III CONDITIONAL USE PERMIT FOR MINE PORTAL AND FAN IN RILDA CANYON.**

Commissioner Gary Kofford made a motion to set a public hearing for Tuesday, June 20, 2006 at 10:00 a.m. during the regular scheduled Commission Meeting for Energy West Level III Conditional Use Permit for mine portal and fan in Rilda Canyon. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**CITIZEN CONCERNS**

Clerk/Auditor Brenda Dugmore presented to the Commissioners a request from Brionne Thompson to write-off an ambulance bill for her husband David Gentry Thompson, who since the time of the ambulance call has passed away. She indicated that she is attending school full-time, is unemployed, has no insurance and very little income. She requested any assistance

COMMISSION MEETING MINUTES  
JUNE 6, 2006

possible in handling the balance of the ambulance bill. Commissioner Ira Hatch made a motion to write-off one half of the bill and work with her on the balance if it is impossible to resolve then invite her back to resolve the balance. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND ECSSD#1 FOR THE TEMPLE MOUNTAIN ROAD.**

Commissioner Gary Kofford made a motion to approve an agreement between Emery County and Emery County Special Service District #1 for the Temple Mountain Road Project for administration of funds received for the project as well as engineering and construction of the project. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(8)

**RATIFY ACTION OF ADDING EMERY COUNTY SCHOOL DISTRICT'S LEEWAY PETITION ON THE JUNE 27, 2006 PRIMARY ELECTION BALLOT.**

Commissioner Ira Hatch made a motion to ratify action taken in the June 6, 2006 meeting to add Emery County School District's Leeway Petition on the June 27, 2006 Primary Election Ballot. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF ELECTION JUDGES FOR THE RESOLUTION BOARD.'**

Clerk/Auditor Brenda Dugmore proposed the names of Stacie Decker, Shonnie Price and George Stucki to serve as a Resolution Board on election night. These individuals will open and verify signatures on absentee ballots on election night. Brenda also proposed a list of election judges as follows:

Patrick Sundstrom, Mistie Christiansen, Shonna Petersen, Mary Kava, Laurie Pitchforth, Katherine Singleton, Evelyn Huntsman, JoAnn Behling, Nancy Jensen, Paula Lucas, Lynette Withers Lisa Jones, Barbara Workman, Sue Simmons, Trudy Waddoups, Jennifer Fauver, Dwayne Story, Sandra Oman, Melanie Thompson, Marianne Judi, Kenneth Kay, Susan Keele, Carolyn Booker, Eileen Lofthouse, Larry Harrington, Lori Rogers, Margaret Fielding, Loyette Holdaway, Gail Kay Linda Daley, Tammy Tucker, JoAnn Shannon, Jenene Hansen, Amy Hill, Michelle Anderson, Evelyn Bird, Annette Wells, Linda Jensen, Deanna Hansen, Venice Golden, Mary Lofley, Lucille Willson, Vicki Bayles, Karen Smith, Gladys May, Iona Ekker

Commissioner Gary Kofford made a motion to approve the list of election judges and the

COMMISSION MEETING MINUTES  
JUNE 6, 2006

Resolution Board as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF DATES/TIMES OF 2006 BOARD OF EQUALIZATION.**

Clerk/Auditor Brenda Dugmore proposed the dates and times for Board of Equalization as August 15, 2006 from 12:30 p.m. until 3:30 p.m. in Green River and August 16, 2006 from 9:00 a.m. until 3:00 p.m. in Castle Dale. Commissioner Gary Kofford made a motion to approve the dates and times proposed for Board of Equalization. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(11)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor, Brenda Dugmore presented the Warrant Check Edit List #176510 through and including #176658 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
40-06	(5) 6-S Partition Cages SO- for new Durangos	1,699.95	Approved
41-06	(10) Encoders-for voter access cards Elections	3,950.00	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(12)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

COMMISSION MEETING MINUTES  
JUNE 6, 2006

Personnel Director, Mary Huntington presented the following Personnel action:

A. Discussion and approval of 90 day temporary employee for Road Department and Recorder's Office.

Road Supervisor, Morris Sorensen has hired Otto Tonne as a 90 day temporary employee to help with signs. Otto began working on June 6, 2006.

Recorder, Dixie Swasey is going to hire Holly Damron as a 90 temporary employee to work in the Recorder's Office effective June 12, 2006 to September 12, 2006.

B. Approval of Step increase for Clinton Olsen and Doris Quinn.

IT Director, Jeff Guymon requested a one step increase for Clinton Olsen. Clinton has successfully completed his six month orientation period. He would move from 12 F \$12.59 to 12 G \$12.84 effective June 12, 2006. Commissioner Gary Kofford made a motion to approve a one step increase for Clinton Olsen as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

Recorder, Dixie Swasey requested a routine progressive step increase for Doris Quinn. She would move from 7D \$9.81 per hour to 8D \$10.22 per hour. This would put Doris at the "working level" on our existing pay structure. Commissioner Gary Kofford made a motion to approve a routine progressive step increase for Doris Quinn as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

C. Approval for appointment of Equipment Operator/Driver at the Road Department.

On May 26, 2006 interviews were held for the full time position of Road Department Equipment Operator/Driver. Morris Sorensen requested approval to hire Gary Mitcheson as 12 Entry at \$11.00 per hour with benefits. Commissioner Ira Hatch made a motion to approve hiring Gary Mitcheson as Equipment Operator/Driver as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Approval for appointment of Dispatch positions at the Sheriff's Office.

Interviews and background checks were conducted and Sheriff LaMar Guymon requested approval to hire four people as Civilian Dispatchers to fill the vacancies of Paul Simmons, Greg Funk, Rory Bradley, and Jeff Cowley. They are Maureen Copatch, Koni Quayle Liston, A.J. O'Niel and Devin Seely. These are full time positions with benefits, grade 10A at \$10.88 per hour. Hire dates will be staggered based upon completion of training. Commissioner Gary Kofford made a motion to approve the hiring of Maureen Copatch, Koni Quayle Liston, A.J. O'Niel and Devin Seely as proposed. The motion was seconded by Commissioner Ira Hatch and

6

COMMISSION MEETING MINUTES  
JUNE 6, 2006

approved by all members present.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the Commission Meeting minutes dated May 16, 2006 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(14)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that the Old Spanish Trail signs have all been put up.

Democratic Representative Jim Matheseon will be in town on Friday, June 9, 2006 at 7pm for a short meeting for anyone who has anything they would like to discuss with him.

There was a Library Recognition presentation by the Library Board on June 5, 2006. Bryant Anderson has officially retired. There was a going away luncheon on May 31, 2006.

*Commissioner Hatch*

Commissioner Hatch reported on a recent meeting with JUB engineers on the Salinity Project for Huntington/Cleveland Irrigation Company. They resolved some misconceptions which were handled without problems.

He attended a planning meeting with UDOT regarding their transportation outlined program for this year.

Meetings with health insurance companies interested in contracting for employee health insurance are continuing. The commission will discuss which direction they will go and have it on the next commission meeting agenda.

There will be a Ferron Salinity Project celebration on June 8, 2006 from 3pm until 9pm.

He reported on the progress of ongoing road projects in the county.

Legislative representatives will in the county on June 16<sup>th</sup> for a tour and dinner.

7

COMMISSION MEETING MINUTES  
JUNE 6, 2006

Sheriff Guymon reported on this year's annual Friendship Cruise.

**(15)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was needed.

**(16)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 20, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**APPOINTMENTS TO THE BOARD OF THE MUSEUM OF THE SAN RAFAEL.**

Commissioner Sitterud made a motion to appoint Mervin Miles and Christine Jensen to the board of the Museum of the San Rafael as recommended by the museum board. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Mervin and Christine will fulfill the terms vacated by Randy Jensen (4 year term) and Vicky Jensen (2 year term).

(2)

**RATIFY AMBULANCE ABATEMENT FOR GENTRY THOMPSON.**

Commissioner Gary Kofford made a motion to ratify the motion made on June 6, 2006 to abate one half of an ambulance bill for Gentry Thompson. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF RENEWAL OF COUNTY HEALTH INSURANCE FOR 2006-2007.**

Jeff Kelsey, discussed the results of bids for county health insurance for 2006-2007. CBSA is Emery County's current carrier. CBSA's renewal bid reflected a 2% decrease. He reviewed the re-insurance bid and organ transplant carrier bid. The renewal date is July 1, 2006.

Commissioner Drew Sitterud made a motion to accept the proposal for health insurance from the county's current carrier and authorize the Commission Chairman to sign the documents to facilitate getting the county on line by July 1, 2006. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Hatch expressed the desire of the Commission to ensure the wellness of county employees and their families.

Jeff also discussed the current life insurance policy. Currently the county provides a \$10,000.00 life insurance policy to all Emery County employees and their families in the event of a tragedy. Jeff was asked to look into finding the county an increased life insurance policy. He reported that Jefferson Pilot offers a \$50,000.00 life insurance policy for a similar cost that the county was paying for the \$10,000.00 policy. This policy is in addition to the \$100,000.00 Accidental Death and Dismemberment policy the county provides for employees. Commissioner Drew

COMMISSION MEETING MINUTES  
JUNE 20, 2006

Sitterud made a motion to amend the motion made earlier to include the increased insurance policy to the health insurance package for Emery County employees. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF GOBLIN VALLEY STATE PARK (TEMPLE MOUNTAIN) ROAD IMPROVEMENT COOPERATIVE AGREEMENT BETWEEN EMERY COUNTY AND UDOT.**

Attorney David Blackwell addressed the agreement and suggested a few minor changes to the document. Commissioner Hatch expressed his concerns regarding some wording in section 1B of the document. Commissioner Drew Sitterud made a motion to approve the agreement subject to David Blackwell working out the changes to section 1B regarding UDOT's responsibilities. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF INTERLOCAL COOPERATION AND CONTRACT AGREEMENT BETWEEN EMERY COUNTY AND SOUTHEASTERN UTAH ASSOCIATION OF LOCAL GOVERNMENTS, AREA AGENCY ON AGING.**

Commissioner Gary Kofford made a motion to approve an Inter-local Cooperation and Contract Agreement between Emery County and Southeastern Utah Association of Local Governments, area Agency on Aging as approved in the 2006 budget. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**10:00 a.m.- PUBLIC HEARING- To receive public comments on Energy West Level III Conditional Use Permit for mine portal and fan in Rilda Canyon.**

Commissioner Drew Sitterud made a motion to come out of the regular commission meeting and move into a public hearing to receive comments on Energy West Level III Conditional Use Permit for mine portal and fan in Rilda Canyon as advertised. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Mac Huntington, Planning Commission stated that Energy West has gone through the process with the Planning Commission staff and they have approved the project. He recommended the Board of Commissioners approve the project and grant the conditional use permit. Energy West has obtained all the necessary permits from other agencies as needed. He indicated that Energy West has satisfied all the concerns of the Planning board, answered the concerns of the NEWUSSD and the county's concerns for road use.

Energy West representatives, Dennis Oakley and Doug Johnson provided a slide presentation

COMMISSION MEETING MINUTES  
JUNE 20, 2006

and reviewed the project's plans with those in attendance. They made a request for temporary suspension of a portion of Rilda Canyon Road until the completion of the project. The bath house, office and shop are not part of this conditional use permit, but they will return at a later time to start the process over again for that project. The current project of mine portal and fan are needed to continue operations at the mine. Without installation of the fan they would have to curtail operations at the mine.

Commissioner Gary Kofford made a motion to come out of the public hearing and return to the regular commission meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF LEVEL III CONDITIONAL USE PERMIT FOR ENERGY WEST.**

Commissioner Gary Kofford made a motion to approve a Level III Conditional Use Permit for Energy West. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF AMENDMENT TO RILDA CANYON ROAD TEMPORARY SUSPENSION AGREEMENT.**

Energy West requested an amendment to the Rilda Canyon Road (#306) Temporary Suspension Agreement between Energy West and Emery County. Use of the road will be strictly for administrative and regulatory purposes only into the left fork of the canyon and will continue through the life of the project. The road will be reestablished following the completion of the project. A trail will be made that connects the established trail on the south side of the project directing users away from the work of the project. Commissioner Gary Kofford made a motion to approve an amendment to the Rilda Canyon Road Temporary Suspension Agreement as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF CONTRACT BETWEEN EMERY COUNTY AND THE STATE OF UTAH FOR SUMMER INTERNS TO COMPILE EVIDENCE FOR AFFIDAVITS TO SUBSTANTIATE THE RS-2477 RECORDING PROCESS.**

Commissioner Gary Kofford made a motion to approve a contract between Emery County and the State of Utah for summer interns to compile evidence for affidavits to substantiate the RS-2477 recording process and give Ray Petersen, Public Lands, as Emery County's representative for the RS-2477 recording process, the authority to sign the grant application.

COMMISSION MEETING MINUTES  
JUNE 20, 2006

The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The interns will work in the Recorder's Office. The application amount was for \$10,000.00 but may only get \$5,000.00 depending on how much money is left.

(10)

**CITIZEN CONCERNS**

Commissioner Hatch made everyone aware of a letter he received from the State Tax Commission's that the Revenue and Taxation Interim Committee put together a program that has been passed through the legislature which is relative to property tax treatment of tangible personal property. SB 23 changed the property taxation of boats and all terrain vehicles from a 1.5 % uniform fee to an age based fee or in the case of boats, an age and length based fee. This changed the methodology of determining the tax on this type of personal property has lead to erogenous tax increases for some tax payers. Utah Code 59-2-1347 provides the county legislative body the power to defer or adjust property taxes. If any person comes in and applies to the county legislative body for an adjustment or deferral of taxes levied against property assessed by the county assessor, a sum less than the full amount due may be accepted or the full amount may be deferred. Wherein, the judgement of the county legislative body, the best human interest and the interest of the state and county are served. They will be going back to the legislature and get the legislature to fix the problem. In the meantime, people under those two categories can come in and the county will take those into consideration and hear cases on a site specific basis to make an adjustment.

(11)

**SETTING OF PUBLIC HEARING TO DISCUSS SWIMMING POOL COMPLEX BOND ELECTION IN NOVEMBER.**

Commissioner Drew Sitterud made a motion to set a public hearing for July 18, 2006 at 10:00 am to hear pubic comment on having the swimming pool complex bond on the election in November. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF RETIREMENT CONTRIBUTION RATES**

**FOR JULY 1, 2006 THROUGH JUNE 30, 2007.**

Clerk/Auditor Brenda Dugmore presented the retirement contribution rates for July 1, 2006 through June 30, 2007 for consideration and approval as follows:

	<u>2006</u>	<u>2005</u>	<u>Increase</u>
Non-contributory	13.58%	13.08%	.5%
Public Safety	22.38%	19.34%	3.04%

Commissioner Gary Kofford made a motion to accept the retirement contribution rates for July 1, 2006 through June 30, 2007 as presented. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF THE PROPOSED TAX RATE FOR 2006.**

Clerk/Auditor Brenda Dugmore presented the proposed tax rate for 2006 as follows:

Emery County	.003569
Library	.000412

Ms. Dugmore requested to have the Commission Chairman sign the Centrally Assessed list as soon as all the information is received in her office. Commissioner Drew Sitterud made a motion to accept the proposed tax rate for 2006 and authorize the Chairman to sign the centrally assessed list when completed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Laura and Wayne Fillmore DBA: L&W Leather & Cows. The application has been signed by the Zoning Department. Commissioner Gary Kofford made a motion to approve a business license for Laura and Wayne Fillmore DBA: L&W Leather & Cows. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(15)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

COMMISSION MEETING MINUTES  
JUNE 20, 2006

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims for check#177213 through and including check #177341 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
43-06	Swarovski Binoculars Sheriff-Meth Grant	1,339.00	Approved
44-06	Box Trailer Sheriff- Meth Grant	5,524.00	Approved

Dispositions were presented for the following:

400-8365, hot water heater from the Huntington Airport was junked. 253-3687, Animal Control Building in Orangeville was transferred to Orangeville City. A chair and small desk were transferred from Planning /Zoning to Weed/Mosquito.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, Additional Claims, Requisitions and Dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve the purchase of a water heater for the Huntington Airport. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Morris Sorensen, Road Department Supervisor reported that the Road Department advertised for bulk oil bids. There were two bidders. The bids were opened and the apparent low bidder was Pierce Oil. Commissioner Gary Kofford made a motion to award the bid for bulk oil at the Road Department to Pierce Oil contingent upon the price of oil. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(16)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Mary Huntington, Personnel Director presented the following personnel action:

COMMISSION MEETING MINUTES  
JUNE 20, 2006

Extension Office

Dennis Worwood, Extension Office, has hired Cassie Jo Thatcher as a 90 day temporary employee. This would be effective June 5, 2006 to September 5, 2006 at \$7.50 per hour.

Weed and Mosquito Department

James Nielsen, Weed and Mosquito Supervisor, has hired two 60 day temporary employees, Eldon Carbine and Brady Worwood. This would be effective June 12, 2006 to the middle of August at \$10.26 per hour.

Sheriff's Department

Asa Wright has been hired as 90 day temporary employee to help in Communications effective June 9, 2006 to September 6, 2006 at \$8.00 per hour.

Sheriff Guymon requested a routine progressive step increase for Jennifer Jensen. She would move from 6B \$9.02 per hour to 7B \$9.38 per hour. This would be effective June 26, 2006. Commissioner Drew Sitterud made a motion to approve a routine progressive increase for Jennifer Jensen as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Road Department

Morris Sorensen has successfully completed his 6 month orientation period as the Road Department Supervisor. Commissioner Ira Hatch requested a one step increase from 23 H at \$20.90 per hour (\$1672.00 per pay period) to 23 I at \$21.29 per hour (\$1703.20 per pay period). This would be effective June 26, 2006. Commissioner Gary Kofford made a motion to approve a one step increase for Morris Sorensen as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Planning and Zoning

Discussion and approval to begin the recruitment process for a Planning and Zoning Coordinator. Commissioner Gary Kofford made a motion to table any discussion on this matter at this time. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(17)

APPROVAL OF COMMISSION MEETING MINUTES

Commissioner Gary Kofford made a motion to approve the minutes dated June 6, 2006 as

COMMISSION MEETING MINUTES  
JUNE 20, 2006

corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(18)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on CIB activity. He attended a policy retreat for CIB where they reviewed their rules. They have an extraction group that the governor has put together looking at CIB's money. Mineral lease funding could be changing. Questar has asked that all mineral lease funds be used for roads that are roads going to drilling rigs or oil or gas producing industries.

There may be some big changes coming.

He reported on a meeting with Alex Buxton and the progress for funding of the swimming pool project.

He attended a BLM RAC meeting where he met the new interim director for the Price BLM office. He will stay until the plan is complete. Also, environmentalist were successful at getting a motion to re-look at Factory Butte. He thinks the ATV people will loose out on that.

The Wake Board contest at Huntington Park with the State Parks Department. It went well. They did not have the turn out that they expected, but they will be back again next year.

The CCP group is going to be meeting in Price on Thursday, June 22, 2006 at the new Energy Center.

*Commissioner Kofford*

Commissioner Kofford reported on a fam group that toured the Dinosaur Quarry, Price Museum and San Rafael. They were writers from various magazines.

Forest Service Plan Meeting was last Thursday. It is out for public comment now.

About fifty people were here in the county on Sunday, June 18, 2006 for an Old Spanish Trail tour.

(19)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

COMMISSION MEETING MINUTES  
JUNE 20, 2006

An executive session was not needed.

**(20)**

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE BOARD OF CANVASSERS  
FOR THE JUNE 27, 2006 PRIMARY ELECTION

JULY 11, 2006

Present at the canvass was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Clerk/Auditor Brenda Dugmore, IT Director, Jeff Guymon, and Deputy Clerk/Auditor Carol Cox.

Commission Chairman Ira Hatch called the canvas to order at 11:00 am. Clerk Brenda Dugmore presented one ballot for consideration:

Absentee ballots received after the date of the primary election were verified and counted.

The total count after the canvas is as indicated on the attached spreadsheet.

Motion to accept the results of the canvas was made by Commissioner Drew Sitterud and seconded by Commissioner Gary Kofford and approved by all members present.

Motion to adjourn the meeting was made by Commissioner Drew Sitterud, seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 18, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DELENA FISH, WFS- QUARTERLY REPORT**

Delena Fish, Work Force Services provided a quarterly report of activity for the second quarter. She reported on comparisons of performance outcomes for the Eastern Region. Her staff has been successful in meeting 83% of all their goals. The unemployment rate as of the end of May was 3.8%. She stated that most anyone who wants to be employed can be employed at this time. DWS is going through a lot of changes at this time. What you see today may not be the same in the future.

(2)

**PRESENTATION OF THE FY 2005 INDEPENDENT AUDIT.**

Kay Kimball, Kimball and Roberts, Independent Auditors for Emery County presented the FY2005 independent audit. He reviewed the audit and reported that he has reviewed the internal controls of the county to be sure all recording is as it should be. He reviewed the budget process and found no indication of fraud in the county. Emery County is in compliance with state requirements. All recommendations that have been made in the past have been complied with. He reported that the Nursing Home and Special Service Districts were all reviewed and are in compliance also. He indicated that he feels comfortable about the controls in Emery County. Commissioner Drew Sitterud made a motion to accept the FY2005 Independent audit. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**RATIFY GRANT AGREEMENT MODIFICATION WITH UDOT AERONAUTICAL OPERATIONS DIVISION FOR HUNTINGTON AIRPORT CRACK SEAL/FOG COAT PROJECT.**

Because the bids came in higher due to the increase in fuel costs and a change order to use GSB-88 rejuvenation the original grant amount had to be modified to increase the state portion of the authorized limit of \$50,000.00 from the original amount of \$31,770.00. A commission meeting was not held in early July and the modification to the agreement had to be signed to meet the

constraints of the state. Commissioner Gary Kofford made a motion to ratify the signing of the grant agreement modification with UDOT for Huntington Airport Crack Seal/Fog Coat Project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**HUNTINGTON CITY REQUEST WAIVER OF BUILDING PERMIT FEE FOR A BLEACHER CANOPY AT THE LION'S PARK AND STREET LIGHTING PROJECT.**

Huntington City Mayor, Jackie Wilson, and Council member, Cathy Cowley came before the Commissioners to request the waiving of permit fees for two projects in Huntington City. She requested that the Commissioners look at making the cities exempt from having to pay building permit fees. Commissioner Hatch suggested that it is good tracking to have the cities make the formal request. He suggested that the request be on the Commission Meeting agenda. Commissioner Gary Kofford made a motion to waive the building permit fees for the bleacher canopy and street lighting projects in Huntington City. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**MELANIE STEELE, HELPER ARTS AND MUSIC FESTIVAL, DISCUSSION OF FESTIVAL ACTIVITIES AND OPPORTUNITIES. REQUEST FOR DONATION.**

Melanie Steele, Helper Arts and Music Festival came before the Commissioners to touch base with the county regarding unique art opportunities for our area. Art has the potential to improve our area. She indicated that many Emery County citizens attend the festival. She reviewed the festival's activities for this year. She requested a donation to assist with the festival. Commissioner Gary Kofford made a motion to donate \$250.00 to the Helper Arts and Music Festival. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to move out of regular Commission Meeting and into a public hearing to receive comment regarding the CIB application for funding a swimming pool complex project to be located in Castle Dale. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**10:00 PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT REGARDING THE CIB APPLICATION FOR FUNDING A SWIMMING POOL COMPLEX PROJECT TO BE LOCATED IN CASTLE DALE.**

Commissioner Sitterud introduced Alex Buxton, Financial Assistant for the project. Commissioner Sitterud provided opening comments. He began by informing those interested

COMMISSION MEETING  
JULY 18, 2006

citizens in attendance that about a year and a half ago Castle Dale City Mayor, Neal Peacock informed the Commissioners that the Castle Dale Swimming Pool was in disrepair and would be closing at the end of the year. The city could no longer afford to maintain the pool. The building will need to be torn down. Mayor Peacock indicated that Castle Dale City did not have the funds to build a new swimming pool. At that time Commissioner Sitterud approached the Recreation Special Service District. They voted to support the project of building a new pool and to take the idea to the public to see if there is public interest in constructing a new swimming pool. In the mean time the Commission has contracted with Alex Buxton, through Zions Bank to be the County's financial advisor on the project. Mr. Buxton will help get the municipal bond set up and work on the CIB application. They have also signed with an architect to help to get the design for the pool. They have toured several schools that have pools to get an idea of what to propose. At this time the project is just in the planning stages. There is no drawing of the proposed pool at this time. Until we get the CIB go ahead the architect is not willing to put in the time to produce the drawing. We applied through the CIB application for \$2,000,000.00. The architect tells us that with the rise in concrete the cost would be closer to \$4 million dollars to build the pool. We originally asked for an Olympic size pool with six lanes to which the architect told us to forget that and to go with a 20 meter, six lane competition pool with an outdoor pool with sprinklers. The reason behind that is that in the winter you will only be heating the competition pool. The lap pool would have a lift for the handicapped, lockers and showers. The floor would be colored cement, nothing really fancy. The pool would have a lot of glass windows to bring in the light. The sprinklers would be plumbed for but not installed for now. He is asking for permission to put in a CIB application for either \$3.5 or \$4 million dollars for this project. This would be loan through municipal bonds which would be a question on the ballot in November. The Commission is hoping for a 0 percent loan with some grant. Is the public willing to step up and pay for a swimming pool. The most we can hope for is a \$500,000.00 grant. The rest would be loan. Originally the proposal was for the pool to be next to the high school, but with the size of the building it will not fit on the land the high school. The school district has land by the elementary in Castle Dale. He said that we may have to purchase land. None of that has been decided yet. We want to keep the pool as close to the school as possible. Commissioner Sitterud discussed the maintenance of the facility and the cost associated with maintaining the facility year round. He explained that as a part of the CIB application process we have to have the "ok" of the people during a public hearing. We would go the CIB in October before the vote in November so we would know up front, before the vote the amount of the municipal bond. The CIB loan would say 'contingent upon the vote of the citizens of Emery County in the "yes" affirmative to go forward. If the vote is a "no" we will not go forward with the plans. It is important for the people to know that there are two different levies. We would ask the taxpayers for a \$100,000.00 tax levy for maintenance and the municipal bond for the pool. The maintenance of the facility will be by the Recreation Special Service District. Castle Dale City has dedicated \$10,000.00 a year for the next ten years towards the pool. Alex Buxton explained the application process and provided numbers as an example for paying back the bond. The bond would be paid back over a thirty year period. The yearly payment could possibly be \$190,000.00 per year with a 2.5% interest rate. If Commissioner Sitterud is

COMMISSION MEETING  
JULY 18, 2006

successful in getting a 0 percent interest rate then the payment would be \$134,000.00 per year. If the bond is passed in November then the bonds would be issued in late December or early January with pool construction beginning in the spring. This means we will probably go without a pool for a year unless Castle Dale is willing to keep the pool open for one more year. They are in a liability situation now as it is. Commissioner Sitterud discussed the proposed sprinklers for the outside pool. It was suggested by Kent Wilson that it might be best to go after all funds we need to do the whole project including the sprinklers. The reason for that is we have two Emery County people on the CIB board at this time. This may be the only chance we have. Commissioner Sitterud stated that he anticipates a fight from the Utah Taxpayers Association, which is a watchdog organization for taxpayers. They may contend that the addition of sprinklers leads to a water park atmosphere and should be reserved for private business. Sharon Earl wondered if Utah Power and Light as the largest taxpayer in the County has voiced an opinion on the proposal for a tax levy. Commissioner Sitterud asked for a group of people to go throughout the county talking this up to people. Mayor Peacock has volunteered to chair the group. If these tax groups get the sense that the people are for this maybe they will back off. We know we are not going to get the support of the citizens of Green River. This does nothing for them. A citizen asked about the questions that will be on the ballot in November. What happens if the bond for the pool passes and the bond for the \$100,000.00 doesn't pass? Commissioner Sitterud indicated that this could kill the deal. Another citizen asked if the voter will know what the \$100,000.00 will be used for? Will the voter understand that? Mr. Buxton indicated that a voter brochure will be produced and sent out to the people to fully explain the plan. Prior to the election the people will be informed of all the particulars involved. Another citizen asked if the other cities have been approached to pledge funding to help with the operation and maintenance of the pool? Other possible sites for the pool were discussed. Mayor Peacock indicated that if the school district is involved in the process it would be a bonus for the County in the CIB process. Another citizen suggested that having the support of the other cities would help also. One citizen felt that if you are going to do this think about a place where you could expand and add ball fields and courts and facilities for the communities to use that could appeal to more than one recreation. A citizen asked if water was going to be a problem? Mayor Peacock indicated that Castle Dale City owns about a third of the water on Cottonwood Irrigation and would have more than enough water. Mayor Wilson suggested that a good location is very important. Stacy Moss stressed the importance of teaching children a life saving skill which having a pool would afford the children and citizens of Emery County. Some children may never have that opportunity and through a swim program in the schools they may get that. Kent Wilson asked if Castle Dale City would be willing to commit to the support of the pool for the life of the pool. Ferron City has the golf course that cost them between \$10 and \$30,000.00 a year for Emery County entertainment. He felt that it should be bid out to all the cities and whomever bid the highest that is where the pool would go, but for the citizens of Emery County, Castle Dale is the best location because it is centrally located in the county. Commissioner Sitterud indicated that it was discussed in the beginning to place it in another city but it was decided to locate it near the high school to allow for the opportunity to have a swim team. Mayor Peacock added that for 42 years Castle Dale City has lost money on the pool and

COMMISSION MEETING  
JULY 18, 2006

made that commitment just operating it as a service to the citizens of Emery County. He indicated that it is his feeling that we are at an advantage to have the school district donate the property. It looks better to the CIB Board. It is a partnership then. The schools will be able to use the pool at no cost other than clean-up and to have a life guard on duty. He liked the idea that the county, the school district and the cities would all be locked into every child in the county having an opportunity to use the pool. Patsy Stoddard, Emery County Progress said that the Progress recently ran a web-poll regarding support of a new swimming pool. The question asked was, "Would you support the construction of a new Olympic size swimming pool at Emery High School?" The results were 24% voted "no", 4% were "unsure", and 72% voted "yes". Patsy felt that there is good support from the people of Emery County for the construction of a new pool. Marilyn Collard stated that because of the many lakes around Emery County one of the biggest recreation sports we have is boating, water sports and fishing. If we do not have a swimming pool where children can learn these life saving skills we are going to start seeing more incidents of drowning in the county. She is impressed with the swimmers we have here in Emery County. She has done junior lifeguard classes and is impressed with the level of skill we have in our area. She has worked at the swimming pool for eight years and feels that we are ready for a bigger pool and swim team in Emery County.

Kent Wilson suggested to the Commissioners that when they produce the information brochure to educate the public be sure to not only include the cost to the homeowner but also the cost to the business owner because they ultimately pay taxes on 100% of their value.

Alex Buxton provided closing remarks. It was brought up earlier that if you were going to do this project why not include other sports such as basketball, baseball, etc. He stated that CIB has a cap which used to be \$2.5 million dollars and was recently raised to \$5 million dollars. The funds generally go to new fire station, water needs, etc. Swimming pool is not usually on the top of their priority list. But because Emery County is such a large producer of the mineral revenue that make up the CIB, Emery County of all the counties deserves to have a some of the CIB funds to be used for a swimming pool. He felt that the larger you go and the more you try to add to the project the tougher it is going to be to sell to the CIB Board. We have seen some exceptions to the cap and they are usually for a hospital or something like that. Trying to get \$3.5 million, \$4 and hopefully \$5 million dollars for a swimming pool is going a first through the CIB. This will be first time that they have spent that much money on a swimming pool. He thinks it can be done and that Emery County deserves to have this swimming pool.

Mayor Peacock asked for any volunteers to be on the committee to help get the word out to the public.

Commissioner Drew Sitterud made a motion to come out of the public hearing and return to the regular meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present

(7)

**SHELLY WRIGHT, CARBON/EMERY CHILDREN'S JUSTICE CENTER, PRESENTATION OF PROGRAM OBJECTIVES AND NEEDS. REQUEST FOR DONATION.**

Shelly Wright, Director of Carbon/Emery Justice Center and Kizie Ellington, Coordinator, Carbon/Emery Children's Justice Center. Ms. Wright reviewed the center's program objectives and needs. Ms. Wright told the Commissioners that the Carbon/Emery Center has had a satellite center in Emery County for six years. The center provides a safe and comfortable place for child abuse/neglect interviews. On June 30, 2006 their lease ran out and the owner will not renew the lease. They want to sell the property. Several children enter that center to talk about very intimate encounters of abuse. Now they don't have a center so they have to travel to Carbon County. The legislature requires that children who are sexually and severe, physically abused have to be interviewed in a children's justice center. Transporting families to Carbon County is hard. Six years ago the Carbon County Children's Justice Center came up with the idea of opening up satellite center in Emery County. This has been well know to the community. It was a great center. It was a child friendly like atmosphere. The rooms are set up child friendly like. When law enforcement and child protective services comes to interview these children they are not in uniform. They do not have guns on them. It is very friendly and the children are comfortable. Ms. Wright indicated that they have potentially found a new site for a center in Emery County, but they would like to have a permanent center. They are asking Emery County to help support a new center in Emery County by purchasing a place to house the center. The would like a center that is more permanent. This would be Emery County's Center and one that they could not get kicked out of. They receive grant money to pay for salaries, benefits, utilities and equipment but not for space rent. They have fundraisers and donations to help pay for space rent and have some money put aside for that purpose. Sheriff Guymon stated that his department uses the center weekly. Other agencies such as child protective services, guardian ad litem and mental health services all utilize the center. This facility is set with video and audio ability so the children are interviewed just one time. Ms. Wright stated that the center served approximately 75 families in Emery County. Commissioner Gary Kofford made a motion to table any decision for now to allow time to work with Ms. Wright to find funding and if possible take this to the MBA for possible purchase of a building suitable for a center. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**GAYLEE JEFFS, EMERY COUNTY YOUTH LEADERSHIP, REQUEST DONATION FOR 3<sup>RD</sup> ANNUAL CASTLE VALLEY YOUTH LEADERSHIP SUMMIT AND**

**ASSISTANCE WITH FUND RAISER.**

Gaylee Jeffs, Emery County Youth Leadership report that on September 23, 2006 they will hold their annual youth leadership summit. They are working on fundraisers and getting sponsors for the various activities that they have planned. The speaker that they hope to have is Commander Matt Wadles. They asked for a donation to the youth summit. Commissioner Drew Sitterud made a motion to donate \$250.00 to the Castle Valley Youth Leadership Summit. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**PERCY MOUNTEER, CONCERNS REGARDING BUILDING/ZONING CODES, POLICIES AND PROCEDURES.**

Percy Munteer, Huntington business owner, came before the board of Commissioners to address concerns for having to hire a contractor to make improvements to his small business in Huntington. He felt he should be able to make improvements without a contractor as long as the work meets with the building inspector's approval. Commissioner Kofford stated that the county has adopted the state building code. The code spells out that improvements must be completed by a licensed contractor. The only way you can get around it is to go through the process to change the code. Percy indicated that the governor's office told him to start with your local government in that process. Commissioner Hatch has no problem with writing a letter to start the ball rolling in getting this looked at. Lobby the legislature to make changes. Jackie Wilson, Mayor of Huntington said that no matter what you do in your home or business you have to buy a building permit. Percy said he did not have a problem with the building permit. It is having to have a licenced contractor to do any improvements that is a problem. As a small business owner he can not afford to use a licensed contractor to do work he can do to the acceptance of the Building Inspector. Mayor Wilson of Huntington said that what is on the books is the law for now and we have to live with it. Commissioner Kofford stated that he can appreciate what he is trying to do. For the record, as you do your own work and as you bypass the code you are setting up a situation where someone needs to take a stand. Commissioner Hatch said someone needs to start the process to make the change. He feels that the code needs to be changed. Kent Wilson asked if the board was legally qualified to make exemptions from the need for a contractor. At this time it is only allowable for a residential. This is what we need to get changed. It is not allowable in business at this time. Commissioner Drew Sitterud made a motion to proceed on getting with the legislature to look at changing the code and see if we can legally change this ourselves to suit our needs. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**UPDATE FROM REPRESENTATIVES FROM SENATOR ROBERT BENNETT'S OFFICE**

Brad Schaffer, Representative from Senator Robert Bennett's office was present to see if there was anything the County needed help with. Commissioner Hatch asked for an update on the Washington County Southern Utah Wilderness Bill. Brad reported that the bill was introduced last week and they hope to have the house version two days later. There will be a hearing in September in the legislature. They are working with the national environmental groups to get them to buy off on some the acreage part of the bill. There is concern for the direction the land sale is going. The bill designates wild and scenic river segments. Majority of which are in the boundaries of Management at Zions National Park Utility corridor. There is controversy over the Northern Transportation Corridor which cuts through the desert tortoise wildlife habitat preserve. Commissioner Hatch asked that the Senator put a little heat on the Forest Service regarding salvage sales. With regard to the Healthy Forest Initiative, he feels that there is a problem regarding the potential for catastrophic fires in the forest and the after effects that such a fire will leave to our water quality and systems. He also asked for the heat to be kept on the NRCS on the participation rates on the salinity projects that we have here.

**(11)****CONSIDERATION AND APPROVAL OF USING PROPOSED AMENDED LANGUAGE (FEES) TO SB 23 FOR PROPERTY TAXATION FEE ADJUSTMENT OF BOATS AND ALL TERRAIN VEHICLES FOR 2006.**

SB23 changed the property taxation of boats and all terrain vehicles from a 1.5% uniform fee to an aged based fee or in the case of boats, an age and length based fee. This type of methodology of determining the tax on this type of personal property has lead to erogenous tax increases for some taxpayers. It was the judgement of the commission, that in the best interest of the county and it citizens that people under those two categories can come in and the county will take those into consideration and hear cases on a site specific basis to make an adjustment. The legislature is looking into fixing the problem. In the meantime, we need to give the Assessor's office the authority to use a new recommended fee schedule. Commissioner Drew Sitterud made a motion to authorize the Assessor's office to use the new fee schedule as provided by the state until the legislature can look at the problem and get it fixed. At that point the Assessor's office can come back and determine the fee for the future. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**APPROVAL OF SUPPORT LETTER FOR DES BEE DOVE RECLAMATION PHASE I BOND RELEASE.**

On July 14, 2006, Public Lands Director, Ray Petersen attended an on site inspection of Des Bee Dove Reclamation Phase I. Ray prepared a letter to Energy West and others in response to the inspection and release of the bond. He requested the Commission to support the letter by placing on Emery County Commission letterhead, signing the letter to be sent to those individuals as listed in the letter. Commissioner Gary Kofford made a motion to copy the letter on Emery County Commission letterhead, sign the letter and send to the individuals as listed in the letter in support for Des Bee Dove Reclamation Phase I Bond Release. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR NOXIOUS WEED MANAGEMENT BETWEEN THE UTAH DIVISION OF FORESTRY, FIRE & STATE LANDS AND EMERY COUNTY WEED AND MOSQUITO DEPARTMENT.**

Commissioner Drew Sitterud made a motion to approve cooperative agreement for noxious weed management between the Utah Division of Forestry, Fire & State Lands and Emery County Weed and Mosquito Department in the amount of \$10,000.00 for noxious weed control along the Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**CONSIDERATION AND APPROVAL FOR ABANDONMENT FOR TUCKER ROAD AND LAWRENCE FARNSWORTH.**

Commissioner Drew Sitterud made a motion to set a public hearing for September 5, 2006 at 10:00 a.m. to hear public comment on abandonment of Tucker Road and Lawrence Farnsworth easement. Commissioner Ira Hatch amended the motion to include a portion of Road #929 Hidden Valley Mine Road. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(16)

**CONSIDERATION AND APPROVAL OF IMAGERY AGREEMENT BETWEEN AGRC AND EMERY COUNTY.**

10  
COMMISSION MEETING  
JULY 18, 2006

Commissioner Drew Sitterud made a motion to approve an agreement between AGRC and Emery County for Imagery to produce digital imagery for Emery County municipalities, the Highway 10 corridor and Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)  
**REVIEW AND APPROVE REVISION FOR EMERY COUNTY PERMANENT COMMUNITY IMPACT FUND BOARD LOCAL CAPITAL IMPROVEMENT LIST TO ADD SWIMMING POOL COMPLEX AND ASPHALT FOR SO. MOORE CUT-OFF ROAD.**

Commissioner Gary Kofford made a motion to accept revision to the Emery County Permanent Community Impact Fund Board Local Capital Improvement List to include a project for CVSSD swimming pool complex and match money for the asphalt for So. Moore Cut-off Road and the MBA 's Green River Senior Center/Justice Court Center for a 50/50 grant and loan. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(18)  
**RATIFY AND APPROVE BUSINESS LICENSES.**

A business license application was presented for Filomena Faye Lee and Mary Lee DBA: Lee's Gifts and Party. Motion to approve a business license for Lee's Gifts and Party was made by Commissioner Drew Sitterud and seconded Commissioner Gary Kofford. Motion was approved by all members present.

(19)  
**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #177630 through and including #177672 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
47-06	Key Pad for VIBS Election	\$ 624.00	Approved
48-06	Resuscitation/Suction Unit Ambulance	598.92	Approved

11  
COMMISSION MEETING  
JULY 18, 2006

Dispositions- a printer from the Clerk/Auditor's office and a list of computers, printers and fax machines that have been taken from various offices by IT for parts or to be sold at the next auction.

Commissioner Hatch thanked the Clerk/Auditor's office and the IT Department for the excellent way the election went.

**(20)**

**RATIFY PERSONNEL ACTION TAKEN ON JUNE 20, 2006.**

A. Cassie Thatcher, Brady Worwood, Eldon Carbine, and Asa Wright as temporary employees.

Commissioner Gary Kofford made a motion to ratify the action taken on June 6, 2006 with regards to Cassie Thatcher, Brady Worwood, Eldon Carbine and Asa Wright as temporary employees. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Step increase for Jennifer Jensen and Morris Sorensen and Gayleen Cox.

Step increases were requested and approved for Jennifer Jensen at the Sheriff's Office and Morris Sorensen, Road Supervisor. Commissioner Gary Kofford made a motion to ratify action taken earlier to approve step increases for Jennifer Jensen and Morris Sorensen. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(21)**

**APPROVAL OF PERSONNEL ACTION**

A. Approval of 90-day temporary for landfill due to Val Anderson's re-assignment as an Equipment Operator/Driver.

Val Anderson has been assigned as Equipment Operator/Driver and because of his vacancy at the Landfill they have hired Brad Early as temporary up to 90 day employee for that position. Commissioner Gary Kofford made a motion to approve the re-assignment of Val Anderson from the Landfill to the Road Department and the up to 90 day hire of Brad Early at the Landfill. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Approval of step increase for Gayleen Cox.

Gayleen Cox has completed her six-month orientation period. Morris Sorensen requested a step

12

COMMISSION MEETING  
JULY 18, 2006

increase to go into effect July 31, 2006. Commissioner Gary Kofford made a motion to approve a step increase for Gayleen Cox. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(22)

**APPROVAL OF COMMISSION MEETING MINUTES OF MARCH 31, 2006, JUNE 20, 2006 AND JULY 11, 2006.**

Commissioner Gary Kofford made a motion to approve the Special Commission Meeting minutes dated March 31, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Drew Sitterud made a motion to approve the regular Commission Meeting minutes dated June 20, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to approve the Canvass of Election minutes dated July 11, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(23)

**COMMISSION REPORTS**

None

(24)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

(25)

**ADJOURNMENT.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

13  
COMMISSION MEETING  
JULY 18, 2006

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 1, 2006

Present at the meeting was Commission chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**ECONOMIC DEVELOPMENT COUNCIL UPDATE AND REQUEST FOR DONATION.**

Jo Sansevero, Economic Development Council came before the Board of Commissioners to provide an update of summer camp programs. They are currently working on a program that encourages past graduates of Emery County High School, who have gone on to do greater things, to return to the county to foster new business or expand upon their business in Emery County. So far they have heard from two of the individuals to whom they have sent out requests. She reminded the Commissioners of their upcoming Rural Summit scheduled for September 21-22, 2006. She asked for support of the Commissioners in using the building for break-out sessions. She also asked for the use of the IT Department to print the brochures and signs. Sponsorship for the summit is \$500.00 and she also requested a donation towards the expenses of the summit. Commissioner Drew Sitterud made a motion to approve \$500.00 for sponsorship, \$250.00 donation and allow the use of the IT Department for printing and use of the building. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**KRISTINE JOHANSEN, INTRODUCTION OF MISS EMERY COUNTY.**

2006 Miss Emery County, Kristine Johansen introduced herself and her First Attendant, Tawny Conder to the Commissioners. She thanked the Commissioners for the opportunity to represent the citizens of Emery County for the year. Commissioner Drew Sitterud thanked the pageant committee members for their dedication and hard work in putting the pageant together. Pageant committee member Patsy Stoddard extended congratulations to Kristine and Tawny.

(3)

**CONSIDERATION AND APPROVAL OF CHANGE IN GENERAL FUND SWEEP ACCOUNT INVESTMENTS.**

Treasurer, Steve Barton discussed with the Commissioners the county's sweep account. \$150,000.00 is kept in a sweep account to cover balance transfers for payroll and warrants. The money in this account earns interest. He has become aware of another option for this sweep account that earns higher interest. This option is called the Grand Cayman Sweep Account. It is approved by the State Treasurer's office and is backed by Zions National Bank. It is not FDIC insured. By being backed by a bank and not the federal government it produces better earnings. Mr. Barton asked for the authority to make the change. See item #4.

(4)

**CONSIDERATION AND APPROVAL TO AUTHORIZE TREASURER TO NEGOTIATE/ENTER INTO AGREEMENTS WITH BANKS TO PROVIDE STATEMENTS IN PAPERLESS FORMAT.**

Treasurer, Steve Barton asked for authority to negotiate with the county's various banks to provide statements in paperless format. Commissioner Gary Kofford made a motion to give Steve Barton the authority to make the change in the general fund sweep account and to negotiate with the county's various banks to provide statements in paperless format. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**REVIEW AND APPROVE REVISION OF EMERY COUNTY PERMANENT COMMUNITY IMPACT FUND BOARD LOCAL CAPITAL IMPROVEMENT LIST TO BUILD NEW FOOD BANK IN EMERY COUNTY.**

Commissioner Sitterud discussed the condition of the current Food Bank building. The building is falling apart. The floors are rotting out. He discussed plans to construct a new building for the food bank on the same lot behind the current building. He noted that the CDBG funds from 2005 went to Grand County and are to come to Emery County for 2006. The funds from CDBG will not be enough to construct the building. Commissioner Sitterud requested revising the PCIB capital improvement list to include construction of a new food bank building. Commissioner Drew Sitterud made a motion to revise the PCIB local capital improvement list include a food bank building. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**DISCUSSION AND SETTING OF DATE FOR INFORMATION MEETING ON THE MK TUNNELS**

During Public Lands Council meeting the board discussed a proposal from BLM and DOGM to either make safe and accessible or obliterate the Morrison/Knudsen Tunnels. During war times the tunnels were to be used for underground storage. Over the years the tunnels have deteriorated. It was suggested to hold an information meeting or open house to give the public an opportunity to express concerns and offer suggestions. Commissioner Gary Kofford made a motion to let the Public Lands Administrator work with DOGM to come up with a date and clear it with the Museum of the San Rafael to hold a public informational meeting to explain DOGM's proposal for the MK Tunnels and to get an informational article in the Emery County Progress. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**DISCUSSION OF PUBLIC LANDS COUNCIL REQUEST FOR COUNTY TO ACCEPT ROW ON POKER RIDE TRAIL ACROSS SITLA LAND.**

Public Lands Administrator, Ray Petersen reported that the Public Lands Council voted to recommend to the Commission to purchase an easement to what is called poker ride trail across SITLA land. This follows along the rim of Buckhorn Draw. Portions of this road involves county roads. Some portions may be RS2477. He felt it was unwise to purchase an easement on what is potentially a county right-of-way anyway. Mark H. Williams indicated that the OHV Club hosts an annual event on this trail every year for the last seven years. The OHV club collects fees from participants and pays \$150.00 a year to use the trail. Liability is a concern of Commissioner Hatch. The entry fee is covering the cost of the use fee. There is not a demonstrated need to preclude use of the trail. We can have the benefits and use of the trail and the county not have to assume the responsibility. Commissioner Kofford felt that the avenue was there to purchase the ROW. Commissioner Gary Kofford made a motion to proceed with the purchase of ROW on Poker Ride Trail. Commissioner Drew Sitterud asked what kind of signage would be needed on this trail? Ray stated that the road would not be under the responsibility of the Road Department as they only deal with Class B roads. This is new territory that we are entering into. If Emery County assumes easement, what goes along with it? Liability, to a certain extent for the safety of the citizens and users. What signage does need to take place? What about maintenance of the trail? It is all new territory. Commissioner Hatch agreed. He felt that as long as we are able to use the trail and the participant fees that are collected cover the yearly fee then lets not jump into the unknown. Commissioner Kofford felt that right now we have an avenue to buy the easement. We may not have that later. Ray indicated that SITLA is obligated to contact us if they plan to sell it. Commissioner Drew Sitterud would like to persue it a little more find out who will take responsibility? There a plenty of questions that need to be answered. Let's address the problems and not grab something

COMMISSION MEETING MINUTES  
AUGUST 1, 2006

and wonder what to do with it. He liked the proposal but he wants questions answered first. He is willing to persue and get some of these answers. Ray suggested it would be best to have the Public Lands Council or a sub committee look into the questions asked today. The RS2477 issue needs to be looked at some more. Commissioner Hatch refered to Commissioner Kofford's earlier motion to proceed with the purchase of the ROW. There was no second to the motion. Commissioner Drew Sitterud made a motion to look at this as a positive thing and go back to Lands Council and get these questions answered and come back to the commission with these questions answered and then look at it again. He wants to be pro-active and proceed with the purchase of the ROW but after the questions have been answered. Commissioner Kofford asked to have incorporated into the motion having a committee made up of representatives from the Road Department, Sheriff's Department, Attorney and others to make recommendations that the Lands Council can approve. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Mike McCandless suggested adding Travel Council to the committee and he would volunteer as a member of that board. He added that we need to come up with a plan that says this is how we will handle trails and routes. Make sure it is a good strong group. Then you need to follow the recommendations as much as possible. Like Commissioner Kofford said we are going to get left behind if we do not start taking action on these trails. Mark H. Williams asked that they set a date to have this done and not let it linger on.

**(8)**

**CITIZEN CONCERNS**

None.

**(9)**

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #177673 through and including #177804 for payment.

There were no requisitions or dispositions for consideration.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List and additional claims for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
AUGUST 1, 2006

**(10)**

**APPROVAL OF PERSONNEL ACTION**

A. Approval of step increase for successfully completing their six month orientation period- Dennis Fuller, Nanette Harrison, Kimball and Ann Larsen.

Commissioner Gary Kofford made a motion to approve a step increase for Dennis Fuller, Nanette Harrison and Kimball and Ann Larsen as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Routine progressive increase for Maggie McMullin.

Commissioner Gary Kofford made a motion to approve a progressive increase for Maggie McMullin as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

C. Discussion of Planning/Zoning Department.

Commissioner Gary Kofford recommended two more weeks of discussion on this matter. Ongoing negotiations are in the works with Mike McCandless as to how to set up the department and have him assume some of the duties for Planning and Zoning. This will be discussed more in two weeks in Green River.

Commission Chairman Ira Hatch made a recommendation to give \$1,000.00 each to Brenda Dugmore and Jeff Guymon for their extra effort during this past Primary Election and to have Jeff and Brenda come back with a recommendation of a merit pay for a job well done for their staff. Commissioner Drew Sitterud made a motion to follow Commissioner Hatch's recommendation to give Brenda and Jeff \$1,000.00 each and have them give a recommendation for a merit pay for their staff. The county did not get hit with a bill from Diebold and they stepped into this election way behind other counties. Attorney David Blackwell suggested putting this on the next Commission Meeting agenda. Commissioner Gary Kofford stated he felt that other employees do extra ordinary jobs also. The motion died for lack of a second. This will be on the next Commission Meeting agenda.

**(11)**

**APPROVAL OF COMMISSION MEETING MINUTES OF JULY 18, 2006.**

Commissioner Gary Kofford made a motion to approve that portion of the Commission Meeting minutes that have been completed as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on the Miss Emery County Pageant and thanked those who put in the time to make it a success. He stated that he hopes that they will have more girls interested in the competition next year.

The Emery County Fair begins tomorrow with the free dinner in the park kicking things off. The Folk Art Festival runs through the 12<sup>th</sup>.

He reported on the progress of the new swimming pool project. He met with the architect again and put together a rough draft of the project.

He reported on the life size dinosaur project for the Museum of the San Rafael. Mr. Ramal Jones is working on getting funding through donations. Other plans for the Museum of the San Rafael include a possible monument for veterans. Ernest Jensen is currently working on a drainage project at the museum. He will be putting things on hold during the fair and resume work on the project afterwards.

He reported on the success of the Desertview Pro Rodeo. There were record numbers attending on Saturday night.

The recordation of county roads process will begin soon and take the rest of the year to complete.

*Commissioner Kofford*

Commissioner Kofford reported on plans to cover cells at the landfill.

*Commissioner Hatch*

Commissioner Hatch reported that Congressman Matheson will be here on Thursday, August 3, 2006.

Mark Ward will be here on August 8 and 9 to go over RS2477.

Utah Rural Summit in Cedar City is fast approaching.

COMMISSION MEETING MINUTES  
AUGUST 1, 2006

Commissioner Gary Kofford made a motion to move into an executive session to discuss litigation matters. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(13)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at the executive session was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, and Deputy Clerk/Auditor Carol Cox.

**(14)**

**ADJOURNMENT**

Upon motion by Commissioner Gary Kofford the regular meeting continued. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD AT THE EMERY COUNTY SHERIFF'S COMPLEX  
IN GREEN RIVER, UTAH  
AT 4:00 P.M.

AUGUST 15, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

(1)

**APPROVAL TO ACCEPT IGES'S PROPOSAL TO DEVELOP A QUALITY ASSURANCE/QUALITY CONTROL PLAN FOR THE LANDFILL.**

Commissioner Kofford discussed the contract with Brett Mickelson from IGES to cover the first cell at the landfill. The cell will be covered with blue shale. Johansen & Tuttle Engineering will monitor the actual covering and send the results to IGES for overseeing. Chairman Hatch made the comment that the original plan was much more enormous. The State has waived the water monitoring requirement and has agreed that we can have a couple of years instead of three months to get the cell covered. Commissioner Kofford made a motion to approve the contract with IGES for \$6,710.00. The motion was seconded by Commissioner Sitterud and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF RESOLUTION PROVIDING FOR THE HOLDING OF A SPECIAL BOND ELECTION ON NOVEMBER 7, 2006 FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF THE COUNTY THE QUESTION OF THE ISSUANCE AND SALE OF GENERAL OBLIGATION BONDS OF THE COUNTY IN THE AMOUNT NOT TO EXCEED \$5,000,000; DECLARING OFFICIAL INTENT WITH RESPECT TO CERTAIN EXPENDITURES; AND PROVIDING FOR RELATED MATTERS.**

Alex Buxton, Zions Public Finance, was present to address the bond issue for the November ballot. The resolution is authorizing the County to put the question of issuing GOB bonds to be repayable over twenty-one years. If the GOB bonds are approved there would also be a \$100,000 tax increase for operation and maintenance of the pool. The tax increase was going to also be placed on the ballot but it was determined that the process for it would be to go through truth in taxation. The County held a public hearing on July 18, 2006 in accordance with the Community Impact Board (CIB) funding procedures. An application has been submitted to the CIB. A resolution must be adopted 75 days prior to the date of the election. Mr. Buxton

COMMISSION MEETING MINUTES  
AUGUST 15, 2006

explained that he had been asked to prepare the implication of the tax increase if the County was given a \$500,000 grant and a \$4.5 million zero percent interest loan. A home valued at \$100,000 would receive an increase in taxes of \$7.83. The Commissioners also discussed whether it would be best to have the payoff schedule be 20 or 30 years. It was determined that the tax difference was not significant to the homeowners if the County stayed with the 21 year payoff schedule. Castle Dale City has committed 10 years and possibly 15 years of payments of \$10,000. The bond council will send a copy of the resolution to the Lt. Governor's office. Commissioner Kofford made a motion to approve Resolution 08-15-06A as outlined above. The motion was seconded by Commissioner Sitterud and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR LIFELINE PREGNANCY CENTER.**

Commissioner Kofford explained that the Lifeline Pregnancy Center has offices in Price and Huntington. They operate as a 503(c) corporation. They have made a request of a \$50.00 building permit fee waiver. Commissioner Sitterud made a motion to approve the building permit fee waiver. The motion was seconded by Commissioner Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF RESOLUTION AUTHORIZING EMERY COUNTY TO ENTER INTO AN AMENDED INTERLOCAL COOPERATION AGREEMENT WITH OTHER MEMBERS OF UTAH COUNTIES INSURANCE POOL, RELATING TO THE ESTABLISHMENT, FUNDING, AND OPERATION OF UTAH COUNTIES INSURANCE POOL.**

Chairman Ira Hatch gave some background information on the Utah Counties Insurance Pool. In 1995 or 1996 the Utah Association of Counties formed the Utah Association of Counties Insurance Mutual. The Association has since changed its name to the Utah Counties Insurance Pool. All of the bylaws and documents still reflect the old name. This resolution changes the name and allows us to continue to operate. Commissioner Kofford made a motion to approve Resolution 08-15-06B subject to Attorney David Blackwell's approval. The motion was seconded by Commissioner Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF ROAD DEPARTMENT CHANGING TO NEXTEL CELL PHONE SERVICE.**

Morris Sorensen , Road Dept. Supervisor, gave the Commission a breakdown of the costs associated with switching to Nextel. The current Verizon Wireless bill is \$174.47 per month. The road department would like to add two additional lines. If they were added to the current Verizon account the monthly bill would be \$224.47. If the County switched to Nextel including the additional two lines the monthly bill would be \$161.96. The County would also have to purchase new phones at \$50.00 each for a total of \$400.00. Commissioner Sitterud made a motion to allow the Road Dept. to switch their cell phone service to Nextel. The motion was seconded by Commissioner Kofford and approved by all members present.

**(6)****DISCUSSION OF COMPLIMENTARY OSHA REVIEW SUMMARY.**

Mary Huntington, Personnel Director, informed the Commission that in April the County conducted a walk through of County owned facilities. The walk through was under the direction of the Utah Counties Insurance Pool along with an employee of OSHA. The County received a written summary of deficiencies three weeks ago. Some issues were minor. The departments need to get back to Mary by the September 1<sup>st</sup> because we have to send in our corrective action plan to OSHA by September 15<sup>th</sup>. If we get back the reports from the departments and it doesn't appear that the department is trying to comply with the changes then the Risk Management Committee and the Commissioners will have to decide what to do to correct the deficiencies.

**(7)****CITIZEN CONCERNS.**

There were no citizen concerns.

**(8)****APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #177968 through and including #178116 for payment.

The following requisitions were presented:

COMMISSION MEETING MINUTES  
AUGUST 15, 2006

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
49-06	Red Job Electrical	\$2,853.00	Approved
50-06	(4) Boats/Sheriff	5,532.21	Approved
51-06	Color Laser Printer/Road	2,245.00	Approved

Commissioner Sitterud made a motion to approve the Warrant Check Edit List and additional claims and requisitions for payment. The motion was seconded by Commissioner Kofford and approved by all members present.

**(10)****APPROVAL OF PERSONNEL ACTION****1. Discussion and approval of Planning/Zoning Department re-organization.**

Commissioner Kofford has discussed with Mike McCandless taking over the Planning & Zoning Department. It will be more of an administrative job than a hands on day to day operation. Mr. McCandless was concerned over the \$50 per month stipend he would lose from being on the Planning Commission. He is also requesting a vehicle and a 2 percent increase. Chairman Hatch discussed that about a year ago Mr. McCandless was assigned the responsibility of Planning & Zoning and given a 2 percent increase at that time. When the assignment was taken back, the 2 percent increase was not taken back. Commissioner Kofford stated that he would step down if someone else would like to make a motion concerning the pay increase.

Commissioner Sitterud made a motion to put Mike McCandless over Planning & Zoning at his current salary and work out the details of a vehicle. The motion was seconded by Commissioner Kofford and approved by all members present.

**2. Discussion and approval of a compensation analysis and review.**

Mary Huntington reviewed with the Commissioners that the last salary plan was adopted in 1998 and not much movement has taken place on that plan. Ms. Huntington is suggesting that the County do a comprehensive review and analysis that is all inclusive of salary and benefits. Ms. Huntington would like the Commission if they approve a review and analysis to be committed to implementing it and making it work. Commissioner Sitterud made a motion to get bids and quotes and start the process for a comprehensive review and analysis of the salary plan. The motion was seconded by Commissioner Kofford and approved by all members present.

**3. Approval of FML for Maggie McMullen.**

It was determined that this item did not need to be on the agenda.

**(10)**

COMMISSION MEETING MINUTES  
AUGUST 15, 2006

**APPROVAL OF COMMISSION MEETING MINUTES OF AUGUST 1, 2006.**

Commissioner Sitterud made a motion to approve the minutes dated July 18, 2006 as corrected. The motion was seconded by Commissioner Kofford and approved by all members present.

Commissioner Sitterud made a motion to approve the minutes dated August 1, 2006 as corrected. The motion was seconded by Commissioner Kofford and approved by all members present.

**(11)**

**COMMISSION REPORTS**

***Commissioner Sitterud***

Commissioner Sitterud reported on the fair activities. He thanked Sheriff Guymon and his crew for their help as well as the help from the Road Department. The fair was a success with a few problems that need to be fixed for next year. There were a little over 5,000 people at the concert. The Youth City Council ran the lamb fry this year and did a good job.

The attorney's from the AG's office were in Emery County to begin the process of recording roads in Emery County.

The Community Impact Board awarded Green River City a \$200,000 grant to finish their water project and Elmo Town \$466,000 grant and a \$100,000 loan for a new fire station and city building.

***Commissioner Kofford***

Commissioner Kofford reported that the Cleveland Lloyd Dinosaur Quarry was mentioned in the Washington Times. Commissioner Kofford also reported that the Planning & Zoning Commission has approved a Level III conditional use permit for Wood for Fords/Fordwood. This company makes frames for roadsters and vehicles and ships parts all over the world. The company searched locations in Idaho, Wyoming and Utah before deciding to move to Emery County. The owners name is Chuck Cubel.

There was an Economic Development camp held at Castle Valley Ranch. Past graduates from Emery High were invited in hopes that they would promote and sell Emery County. Commissioner Kofford thanked Castle Valley Ranch for their hospitality.

***Commissioner Hatch***

Commissioner Hatch indicated that Congressman Matheson had been in Emery County. Mr.

COMMISSION MEETING MINUTES  
AUGUST 15, 2006

Matheson has been instrumental in getting the money for the Moore cut off. The County is trying to set up the funding so that it can all be received next year. Emery County Special Service District #1 will go to the CIB to get a no interest \$2.5 million loan to help cover our match. The Moore cut off could be completely surfaced by next fall.

Commissioner Hatch also discussed the wellness program that was adopted as part of our insurance renewal. The program offers employees a chance to get their blood work done and have a confidential report sent to them. The Insurance Committee thought it was a good idea, and Commissioner Hatch feels that there is a short sided nature on the employees who have voiced opposition to the program. The County sent out bid packages to five insurance carriers. Three of the five companies declined to bid on the County insurance policy because of our high incident record. Commissioner Kofford stated that the County has tried to hold down the cost of insurance to the employees and the County is currently paying 100% of the premium. Other companies have raised their deductibles or passed on a portion of the premium to the employees. Insurance is at a point where the County can't continue to provide the benefits if the employees don't start taking charge of their own health and help to lower the cost of insurance. The Commissioners will have to assess if it is worth it to move forward with the wellness program. Sheriff Guymon stated that the objections from his department were over taking \$175 from the employee's pay if they did not participate. Commissioner Kofford stated that if elected officials would like to sit down with their employees and have the program explained in more detail to them he would be willing to meet with them. Personnel Director Mary Huntington stated that the program should be continued at least for those employees who want to take part. Action will be taken to implement the program on a volunteer basis.

Commissioner Kofford suggested that the County hold an auction to get rid of excess vehicles. On the next agenda an item will be added for setting the date and time for a county auction.

**(12)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting at 5:50 p.m. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 5, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)  
**GARY REIMER, BLM- QUARTERLY REPORT**

Mr. Reimer did not attend the meeting.

(2)  
**DERRIS JONES, DWR- QUARTERLY REPORT**

Mr. Jones did not attend the meeting.

(3)  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVERS AS FOLLOWS:**

**a. Emery High School house project.**

Commissioner Gary Kofford made a motion to waive the building permit fee for the Emery High School for their house project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**b. Castle Dale City restrooms at Cheddar Field**

Commissioner Gary Kofford made a motion to waive the building permit fee for Castle Dale City to construct restrooms at Cheddar Field. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**c. Emery Care and Rehabilitation heating/air conditioning system and fire sprinkler system.**

Commissioner Gary Kofford made a motion to waive the building permit fee for Emery Care and Rehabilitation Center to install a new heating and air conditioning system and a fire sprinkler system. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF DANA MONTGOMERY AS AN ELECTION JUDGE.**

Clerk/Auditor, Brenda Dugmore presented the name of Dana Montgomery for consideration as an Election Judge for the November election. Commissioner Gary Kofford made a motion to approve Dana Montgomery as an election judge. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF EASEMENT ACROSS SITLA PROPERTY TO THE GREEN RIVER.**

Commissioner Ira Hatch explained that Road #1010 in Green River continues to the Green River across state property. SITLA has put this land up for sale. The MOU that the county has with SITLA says that they (SITLA) will notify the county and offer the opportunity to purchase the land before it goes up for sale. This property provides access to the Green River for the Sheriff's Department/Posse- Search and Rescue efforts. A document has been drawn up to accept the easement across SITLA property to the Green River. Attorney David Blackwell has reviewed the document and recommends signing the document. Payment for the easement will come from the OHV line item. Mr. Blackwell indicated that the document is the shortened version and may or may not be accepted by SITLA. Commissioner Drew Sitterud made a motion to accept the easement across SITLA property to the Green River. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF WAIVER OF LANDFILL FEE FOR LORI HANCOCK.**

Lori Hancock, Big Moma's Pizza will soon begin the process of tearing down their building as well as the old house next door to them. They will then begin construction of a building to house a bowling alley, café and office spaces. Lori has requested waiving the landfill fee for the demolition of the buildings. Commissioner Gary Kofford made a motion to approve waving of the Landfill fees for Lori Hancock. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR LINDA MAYFIELD.**

Clerk/Auditor Brenda Dugmore presented an ambulance write-off request from Linda Mayfield. Ms. Mayfield indicated that she was made aware that EMT's have had their ambulance run written off. She requested to have her ambulance run written off. The Commissioners discussed this and asked Sheriff Guymon if he was aware of any EMT's having their ambulance run written off? Sheriff indicated that he was not aware of any EMT's having their personal ambulance run written off. Commissioner Drew Sitterud made a motion to send back a denial to write-off the ambulance run unless she can show hardship. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Commissioner Hatch suggested sending her a letter telling her that the county cannot verify that any employee's ambulance run has been abated.

**(8)**  
**CITIZEN CONCERNS**

Sheriff Guymon discussed problems associated with speeding in Lawrence. He has had deputies patrolling through communities during non-emergency drive thru patrols. He suggested adding more signs indicating the speed limit changes along routes. Commissioner Kofford suggested placing a four way stop sign at the intersection may slow people down. It was decided to resolve the matter administratively having Sheriff Guymon work with Morris Sorensen and Steve Kemple to get more signs on the road in Lawrence.

Deb Dull, Rocky Mountain Power, provided a brief update. Utah Power and Light has changed its name to Rocky Mountain Power. Hunter Plant received a safety award for going one year without experiencing any accidents. There is a new plant manager at the Huntington Plant. She will bring him to Commission meeting to get acquainted with everyone as soon as he has settled in to the area. Everyone is very pleased with the Hunter Plant Exchange. It seems to have greatly increased the driving safety of the area.

**(9)**  
**DISCUSSION AND SETTING OF PUBLIC HEARING ON COUNTY ROAD ABANDONMENTS.**

Commissioner Drew Sitterud made a motion to set a public hearing for October 17, 2006 at 10:00 a.m. to hear comments on abandonment of certain roads in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)****DISCUSSION ON MK TUNNEL PROJECT RECOMMENDATIONS FROM DOGM AND BLM.**

Public Lands Director, Ray Petersen discussed responses from the information meeting regarding the MK Tunnels that was held on August 31, 2006. About thirty people attended the public information meeting. The BLM Land Administration asked the Department of Defense and Division of Oil, Gas and Mining to come up with a proposal for mitigation or closure of the MK tunnels. The BLM's proposal was first brought before the Public Lands Council. DOGM's proposal was the most favored by the Public Lands Council. Whether their project is implemented or not, something will be done to mitigate the situation there. Ray Petersen and the Public Lands Council recommended that the Commissioners endorse the DOGM proposal. Ray stated that the tunnels will be closed for access to people entering them. Another option is to doze them over. Another option offered was to give money to provide a kiosk and interpretive area with restrooms. Use is increasing out there and an interpretive area is a good way to let the public know what we have there. Commissioner Drew Sitterud made a motion to write a letter to BLM in support of DOGM's proposal with an added comment regarding adding more money for the interpretive area purposes and having the opening left open as far back as possible. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)****APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #178364 through and including #178527 for payment.

Requisitions were presented for the following:

<b><u>REQUISITION</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AMOUNT</u></b>	<b><u>ACTION</u></b>
52-06	(6) 18x5 tables Courthouse	720.00	Approved
53-06	Parts Washer Road Department	4,295.00	Approved
54-06	Tire Inflation Cage Road Department	994.50	Approved

There were no dispositions.

COMMISSION MEETING MINUTES  
SEPTEMBER 5, 2006

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims, and requisitions for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Approval of pay increase for Michael Van Wagoner who has completed his POST certification.

Sheriff Guymon requested a pay increase for Michael Van Wagoner who has completed POST certification. He would move from 10C @ \$11.36 per hour to 12A @ \$11.86 per hour. Effective September 10, 2006. Commissioner Drew Sitterud made a motion to approve a pay increase for Michael Van Wagoner as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated August 15, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported on the progress regarding the swimming pool. He attended school district meeting where he pitched the idea of the swimming pool to the board. He asked the board to fund the parking lot. He has asked Johansen and Tuttle to get cost estimates to take back to the board. The school board did agree to donate the land behind the Castle Dale Elementary for the swimming pool.

Ramal Jones is heading up the committee to place three dinosaurs and a mammoth on the lawn of the Museum of the San Rafael. Rocky Mountain Power has donated money to the project. The committee will move forward and place the dinosaurs as the funds allow.

*Commissioner Kofford*

COMMISSION MEETING MINUTES  
SEPTEMBER 5, 2006

Commissioner Kofford reminded everyone of the upcoming Economic Development Rural Summit on September 21 and 22.

He recently met with Deb Dull, Rocky Mountain Power regarding the power line from the Justice Center to the Landfill. The line was put in in 1996 and is owned by Emery County. There has been minimal maintenance on the line since 1996. Nielson Construction has expressed a desire to add on to the line for their facility located near the landfill. Emery County cannot sell power from the line. Commissioner Kofford asked Rocky Mountain Power if they would be willing to take on the line. RMP indicated that they would. The ROW is transferrable but will need some upgrading. RMP indicated that they would want approximately \$17,000 to take the line off our hands.

He and Commissioner Hatch attended water meetings where representatives from local canal companies in the county discussed the use of water in the county. Local legislators have scheduled a meeting to look into the county's water problems.

Castle Dale City owns part of the lawn on which the Museum of the San Rafael is located. City officials would like to discuss the possibility of exchanging the property ownership with property at the old sheriff's building site.

*Commissioner Hatch*

Commissioner Hatch reported on Commission Meeting in Green River on August 15, 2006. Board of Equalization was held in Green River on the same day. College of Eastern Utah Director, Brad King requested an adjustment on taxes for Horse Canyon Mine. He discussed meeting with DOGM on reclamation efforts at the mine site. Recommendations have been made to DOGM.

He reported on the recent attendance at a Risk Management Conference in Cedar City. Others who attended were Mary Huntington, Brenda Dugmore, Carol Cox, David Blackwell and Gary Kofford. They also received Workers' Compensation training. He also attended UCIP board meeting while in Cedar City. The county's Risk Management Committee recently met and discussed the Employee's Benefit/Health and Fitness Fair that was held in March. They went over some items to bring to the Commission for consideration regarding the Employee Wellness Program.

**(15)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**

7

COMMISSION MEETING MINUTES  
SEPTEMBER 5, 2006

**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Commissioner Gary Kofford made a motion to move into an executive session. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Discussed was pending litigation regarding personnel matters.

**(16)**

**ADJOURNMENT**

Upon returning to the regular meeting Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST \_\_\_\_\_ COMMISSIONER \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 19, 2006

Present at the meeting was Commissioner Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RAY QUINN, PRESENTATION OF PLANNED MONUMENT FOR EMERY COUNTY VETERANS. DISCUSSION OF FUNDING OF PROJECT.**

Commander Ray Quinn of American Legion Post 73 presented a plan for a memorial to honor veterans. He presented a scale model of a proposed plan which was made by Owen Olsen. The plan included representation from the five post of military conflicts notably World War I, World War II, Korean War, Viet Nam War, Desert Storm and present conflicts. He reviewed the plan with the Commissioners and answered questions. Commissioner Hatch asked if they had considered including a plaque with the names of those local veterans in the County. Commander Quinn indicated that those involved in the planning process had discussed this and decided that in the best interest of anyone who may be omitted that they not list those veterans from the county. They would rather have the memorial be a tribute to all, deceased and living who serve in the armed forces. Commander Quinn discussed the cost associated with the memorial. They have talked to Gary Prazen about working on the statue for the memorial. He would usually procure \$120,000.00 for a statue the size proposed. However, Mr. Prazen indicated he would do the statue for half that cost at \$60,000.00 with the understanding that he could recoup some of the cost for materials. They hope to get Mr. Prazen going on the project over the winter while things are slow. They have been successful in finding, for free, a .765 Howlitzer Canon for the memorial. However, it weighs approximately 5,000 lbs., so freight will not be cheap. The Commander indicated that excluding freight, flagpoles and concrete work the memorial would cost approximately \$90,000.00. Commissioner Hatch indicated that the county is looking to go to CIB for possible funding of the project. He opened the meeting up to any questions or comments from the public. Commissioner Sitterud expressed approval of the plan and indicated that he appreciated all the work that they have put into the plan. Commissioner Hatch indicated that a possible site for the memorial would be the land next to the Senior Citizen Center in Castle Dale. This site would be centrally located in the county and near the Museum of the San Rafael. Commissioner Kofford expressed his approval and felt it was a fitting tribute to our veterans. Commissioner Hatch indicated that we could put an article in the Progress to get input from people and see if any part of the plan is not suitable for the public. The Commissioners will explore funding possibilities.

Commissioner Drew Sitterud made a motion to move forward to see if we can procure the funds

2

COMMISSION MEETING MINUTES  
SEPTEMBER 19, 2006

to erect a veteran memorial located in Emery County and to finalize that location. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT BETWEEN EMERY COUNTY AND UDOT FOR DESIGN ENGINEERING REIMBURSEMENT ON THE SOUTH MOORE CUT-OFF ROAD (PROJECT NUMBER HPP-1612(3)0.**

Commissioner Gary Kofford made a motion to approve a cooperative agreement between Emery County and UDOT for design engineering on the South Moore Cut-Off Road. The motion was seconded by Commissioner Drew Sitterud and approved by all members present. The document has been reviewed by Attorney David Blackwell. This will Phase V of the project and will finalize the project including the asphalt for the South Moore Cut-Off Road Project Number HPP-1612 (3) 0 from U-10 to I-70.

(3)

**CITIZEN CONCERNS**

None

(4)

**CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CLOSURE.**

Clerk/Auditor Brenda Dugmore reported that Board of Equalization has been held open for the legal amount of time and requested that it now be formally closed. Commissioner Drew Sitterud made a motion to close Board of Equalization for 2006 as of September 19, 2006. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR KIM WEIGHT**

Clerk/Auditor Brenda Dugmore presented a letter from Kim Weight. After review of the circumstances Commissioner Gary Kofford made a motion to abate the full amount of the ambulance bill. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF LINDA WILBERG AS AN ELECTION**

COMMISSION MEETING MINUTES  
SEPTEMBER 19, 2006

**JUDGE.**

Clerk/Auditor Brenda Dugmore presented the name of Linda Wilberg as an election judge in Castle Dale for the November 2006 election. Commissioner Gary Kofford made a motion to approve Linda Wilberg as an election judge as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #178627 through and including #178774 for payment.

One requisition was presented.

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
55-06	Air support high back chair Personnel	\$471.42	Approved

There were no dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List, additional claims and requisition for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL TO ACCEPT COMPENSATION REVIEW AND ANALYSIS PROPOSAL.**

Personnel Director, Mary Huntington reported that she was asked by the Commissioners to solicit bids for a Compensation Review and Analysis Proposal. She contacted three agencies that perform this kind of work. She received bids as follows:

Mike Swallow, Personnel Systems bid, \$16,184.00.

Public Sector out of Scottsdale, Arizona bid, not to exceed \$30,000.00.

Koff and Associates out of Emeryville, California declined to bid due to time constraints.

She indicated that the two bids in hand are comparative as far as services they will provide. However, the bid from Mike Swallow outlined the work to be done and provided a set price for that work. She felt uneasy about the bid from Public Sector as far as the pricing was concerned.

COMMISSION MEETING MINUTES  
SEPTEMBER 19, 2006

She felt competent about having Mike Swallow do the work. Mr. Swallow is somewhat local, being from Utah and is familiar with rural Utah. Commissioner Hatch indicated that the Commission is committed to giving this some consideration. The analysis may or may not be ready by the time they complete the budget process. Commissioner Gary Kofford made a motion to award the bid to Mike Swallow, Personnel Systems for \$16,184.00. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Approval to begin recruitment process for full time landfill technician

Mark Hymas is no longer at the Landfill. Road Supervisor, Morris Sorensen requested approval to start the recruitment process for a full time, with benefits, Solid Waste Technician at Grade 12 entry at \$11.00 per hour. Commissioner Gary Kofford made a motion to begin the recruitment process for a Solid Waste Technician for the Landfill as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. 90 day temporary employee at the landfill

Otto Tonne has been working as a 90 day temporary employee at the landfill during employee transition stage. He began work at the Landfill on September 7, 2006.

C. Approval of routine progressive increase for Janalee Luke

Clerk/Auditor Brenda Dugmore requested a routine progressive increase for Janalee Luke. She would move from 7B, \$9.38 per hour to 8B, \$9.80 per hour effective September 25, 2006. Commissioner Drew Sitterud made a motion to approve a routine progressive increase for Janalee Luke as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**APPROVAL OF COMMISSION MEETING MINUTES FOR SEPTEMBER 5, 2006.**

Commissioner Gary Kofford made a motion to approve the Commission Meeting Minutes dated September 5, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(11)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

COMMISSION MEETING MINUTES  
SEPTEMBER 19, 2006

Commissioner Sitterud reported on Melon Days in Green River. He also reported on two new programs being offered by the Recreation Special Service District.

He also indicated that CIB ran out of money in their last session. Therefore the next trimester may find the CIB to be a little tight with available funds.

The men's association held a golf tourney to raise funds for plan to add to the Millsite Golf Course. They are in the feasibility study process at this time. They will have come up with a match for the funds.

*Commissioner Kofford*

Commissioner Kofford reminded everyone of the upcoming Economic Development Rural Summit on Thursday and Friday.

*Commissioner Hatch*

Commissioner Hatch attended a Joint Highway Committee meeting where funds were firmed up for the completion of the Goblin Valley Road.

He and Attorney David Blackwell attended a records hearing where access to record of a closed meeting was denied.

The dedication for the Dinosaur Quarry has been put off for now.

(12)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Commissioner Drew Sitterud made a motion to move into an executive session to discuss attorney/client personnel and litigation matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Those present at the Executive session were Commissioner Hatch, Commissioner Kofford, Commissioner Sitterud, Attorney David Blackwell, Personnel Director, Mary Huntington and Deputy Clerk/Auditor Carol Cox.

Commissioner Gary Kofford made a motion to come out of and Executive Session and return to the regular Commission Meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

6

COMMISSION MEETING MINUTES  
SEPTEMBER 19, 2006

(13)

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 3, 2006

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Ira Hatch was out of town. Commissioner Drew Sitterud was acting chairman for the meeting and stepped down throughout the meeting to execute motions as needed.

(1)  
**CONSIDERATION AND APPROVAL OF AMENDED INTERLOCAL COOPERATIVE AGREEMENT BETWEEN CARBON, EMERY, GRAND, AND SAN JUAN COUNTY AND SOUTHEASTERN UTAH DISTRICT HEALTH DEPARTMENT.**

The agreement is an updated, amended agreement to the original agreement mandated by the State of Utah in 1970. Attorney David Blackwell had reviewed the agreement and recommended approval. Commissioner Gary Kofford made a motion to sign an amended interlocal cooperative agreement between Emery, as one of the four participating counties and Southeastern Utah District Health Department. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(2)  
**CONSIDERATION AND APPROVAL OF RESOLUTION ADOPTING A CONFIDENTIAL INFORMATION AND CODE OF ETHICS POLICY.**

Personnel Director, Mary Huntington, acting upon a request by the Emery County Commissioners presented a resolution adopting a confidential information and code of ethics policy for consideration and approval. Commissioner Gary Kofford made a motion to adopt Resolution 10-03-06 adopting a confidential information and code of ethics policy for Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(3)  
**APPROVE RESPONSIBILITY FOR UPKEEP AND SAFETY OF CANNON FOR MEMORIAL AS PER APPLICATION FOR DONATIONS OF COMBAT MATERIAL FOR MUNICIPALITIES.**

In the last commission meeting, representatives of American Legion Post 73 presented a plan for a memorial to honor veterans to the commissioners. The plan included the acceptance and placement of a .765 Howitzer Cannon. The county will be able to acquire such a cannon. As a requirement to acquiring the cannon the county must assume responsibility for the upkeep and

COMMISSION MEETING MINUTES  
OCTOBER 3, 2006

safety of the cannon. The county will have to assume responsibility to have the cannon de-militarized and shipped to the site for the memorial. Commissioner Gary Kofford made a motion to approve the responsibility for the upkeep and care of the .765 Howitzer Cannon. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CITIZEN CONCERNS**

Sheriff Guymon discussed the possibility of transferring a vehicle to the Green River Clinic. They currently have a Ford Crown Victoria that was retired from the sheriff's fleet that has logged over 200,000 miles. The sheriff indicated that he has another vehicle that he could possibly transfer to them. Commissioner Gary Kofford recommended the sheriff get the transfer request on the next commission meeting agenda.

(5)

**CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER, VETERAN, BLIND, AND OTHER ABATEMENTS.**

Clerk/Auditor Brenda Dugmore presented the list of Circuit Breaker, Veteran and Blind applicants who have filed for an abatement on their 2006 property taxes. The applicants have met the requirements as defined by the state. Commissioner Gary Kofford made a motion to approve the 2006 Circuit Breaker, Veteran and Blind abatement list. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Also presented for consideration was tax abatements for individuals who applied under the Indigent Abatement. These are applicants who are under 65 years of age and are either disabled or under extreme hardship. A signed statement from a physician is required indicating the hardship. The Commission can consider up to one half the tax due. Applications were received from the following: John Adams, taxes owed \$631.17 and eligible for a \$315.59 abatement. Verne Hinton, taxes owed \$353.62 and eligible for a \$176.81 abatement. Judy Visser, taxes owed \$488.14 and eligible for a \$244.07 abatement. Commissioner Gary Kofford made a motion to accept abatements for Johns Adams, Verne Hinton, and Judy Visser. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CHANGES.**

Assessor, Kris Bell presented the Board of Equalization changes for 2006. Commissioner Gary Kofford made a motion to approve the Board of Equalization changes for 2006 as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR KIRAN ARISE.**

Clerk/Auditor Brenda Dugmore requested an ambulance write-off for Kiran Arise. Kiran is a graduate student at Tulane University in New Orleans. As a result of the hurricane she was displaced in Utah. She met with an accident on October 9, 2005 while traveling through Emery County. She had an active student health insurance which only paid for \$125.00 of her \$1,025 ambulance bill leaving her with a \$900.00 bill. Kiran asked for any reduction in her billed charges.

Commissioner Gary Kofford made a motion to abate fifty percent of the billed services for Kiran Arise. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #178930 through and including #179072 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
56-06	Handheld Barcode Scanner Elections	316.78	Approved
57-06	2006 Building Code Books/Tabs Building Inspector- P/Z	473.63	Approved
58-06	OHD Fit Tester 3000 Homeland Security Grant 04-SO	7,395.00	Approved
59-06	Gigabit 48 port switch (2) GPS Units IT Department	5,761.45	Approved

Dispositions were presented for #610-6836 Office Chair from Personnel, #580-6087 Bissell Big Green Clean Machine from the Library.

Commissioner Gary Kofford made a motion to approve the Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Drew

COMMISSION MEETING MINUTES  
OCTOBER 3, 2006

Sitterud and approved by all members present.

(9)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Approval to begin recruitment for part-time Assistant Librarian in Green River.

Jerilyn Mathis requested approval to begin the recruitment process for an Assistant Librarian in Green River. Darci Quist resigned effective September 22, 2006. Commissioner Gary Kofford made a motion to start the recruitment process for an assistant librarian in Green River. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(10)

**APPROVAL OF SEPTEMBER 19, 2006 COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated September 19, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(11)

**APPROVAL OF AMENDED MARCH 27, 2006 SPECIAL MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the amended minutes of the special meeting held on March 27, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on the success of the recent Economic Development Conference.

He attended the Western Energy Training Center grand opening. The center is located at the old Willow Creek Mine site.

*Commissioner Sitterud*

Commissioner Sitterud reported on his attendance at a UCAC Public Lands meeting. The main topic of discussion was on roads. Commissioner Ira Hatch was voted as Outstanding Commissioner of the year.

5

COMMISSION MEETING MINUTES  
OCTOBER 3, 2006

He reported on progress regarding Mineral Lease Funds.

He attended a transportation meeting on September 25<sup>th</sup> where they discussed common names for roads and the E 911 system roads. Most of eastern Utah is complete down to Kane County.

Emery County has completed B Roads.

The IT Department is re-doing the county's web page. Departments need to contact Jeff at the IT Department to update their department information.

Sheriff Guymon reported on the recent MECCA Fall Bike Festival.

**(13)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An Executive Session was not needed.

**(14)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:\_\_\_\_\_ COMMISSIONER:\_\_\_\_\_**

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 17, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF FY2007 TENTATIVE BUDGET FOR EMERY COUNTY, CASTLE VALLEY SPECIAL SERVICE DISTRICT AND OTHER ENTITIES AS REQUIRED BY LAW.**

Clerk/Auditor Brenda Dugmore presented the 2007 tentative budget for Emery County. She explained that the budget included a 4%, two step increase for all county employees. Commissioner Gary Kofford made a motion to approve the 2007 tentative budget for Emery County. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Darrell Leamaster, Castle Valley Special Service District presented their tentative budget for 2007. The budget is separated into three parts. First is the debt service fund, second is the capital project fund, third is the general operating fund. Commissioner Drew Sitterud made a motion to approve the FY2007 tentative budget for Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**SETTING OF BUDGET WORK MEETINGS.**

Commissioner Drew Sitterud made a motion to set budget meetings as follows: October 24, at 1:00 pm., October 31, at 9:00 am, November 20, at 9:00 am, November 27, at 9:00 am, November 28, at 9:00 am. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**DELENA FISH, WFS, QUARTERLY REPORT**

Ms. Fish did not attend the meeting.

**(4)****GREEN RIVER MEDICAL CENTER, DISCUSSION OF THEIR SERVICES AND REQUEST FOR BUDGET CONSIDERATION.**

Representatives from the Green River Medical Center came before the Board of County Commissioners to discuss the services offered by the center. The Green River Medical Center is the one of the smallest federally funded facilities in the state. They have one full-time physician assistant on staff and a physician comes to the facility twice a month from Price. Emery County contributed \$20,000.00 in 2006 to the facility. They said that their funding has been cut by \$7,000.00 due to the recent annexation of that portion of Green River that was in Grand County into Emery County. Grand County will not help support the center. They feel that they have saved the county money due to the fact that the ambulance has not had to transport patients to Price. They also asked that the county consider donating a vehicle to the center. The previously contributed vehicle has logged over 210,000 miles. Sheriff Guymon indicated that he has a vehicle that could be turned over to them. Glen Baxter, Green River Medical Center board member stated that they are more and more becoming a charity facility. Last year they wrote of nearly \$75,000.00. Federal funding is down and they hope to change the downward trend. The center does serve citizens from Grand County as well as those from off of I-70 and they will be approaching Grand County again for possible assistance. The commissioners asked for a copy of the Green River Medical Center's budget breakdown for consideration in the upcoming budget process.

**(5)****SOUTHEASTERN REGION WILDFIRE PROTECTION PLAN PRESENTATION.**

Ray Petersen introduced Bill Canotti, from State Fire, Forestry and State Lands, the funding agency for the Southeastern Region Wildfire Protection Plan, Emily Geary from SWCA, the contracting agency writing the plan and Rudy Sandoval, Carbon/Emery Fire Warden. Emery County has been working on a Wildlife Protection Plan for two years and is near completion. Today, a Regional Wildfire Protection Plan will be discussed. Ray indicated that the County's plan will be incorporated into the regional plan as either a chapter or appendix to the plan. He indicated that the county's boundary as indicated in the county's plan is cause for concern. As a county, we are concerned with watershed, timber and resources clear to the skyline. The boundary as described in the Southeastern Regional Plan, which incorporates four counties, Carbon, Emery, San Juan and Grand, is the county boundary. Our County's boundary, as described in the county plan, went as far as the skyline to include the entire watershed. Beyond the county boundary will be addressed in the Central Region Plan which is in the works at this same time. It is important that we have public input regarding these two plans at upcoming public meetings scheduled for here at the Museum of the San Rafael and in Manti. Emily Geary reviewed the Southeastern Region Wildfire Protection Plan for the Commissioners and those in attendance. She explained that the plan is an umbrella plan written at a landscape level. It will be general enough not to limit the flexibility of the counties to identify areas and values that are

at risk. It will address areas that need mitigation measures in each county and will prioritize those areas. But at the county level the local plan will identify how those areas will be mitigated. Communities at risk will be addressed in the Regional Plan and further addressed in the County Plan. A list of communities at risk was compiled by the State and BLM using the national wildfire planning guidelines. She added that an important component of the planning process is public involvement. The qualitative information about community values will be acquired at the public meetings. A public meeting will be held November 9, 2006 at the Museum of the San Rafael. It is important to receive input from the public regarding what areas are most at risk. Areas identified by the public that are critical for community values that can be incorporated into the plan. Commissioner Hatch indicated that watershed value is at foremost of the county's concern as it affects all the county.

Commissioner Gary Kofford made a motion to move into a Public Hearing to receive comment regarding the abandonment certain county roads as indicated. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**10:AM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT REGARDING THE ABANDONMENT OF COUNTY ROADS #327 COWBOY WEST, #116 PAPPAS SPUR, AND #112 JENSEN SPUR.**

Morris Sorensen identified each of the roads for consideration and discussed each identified problem with each road. Comments were heard from Commissioner Hatch, Commissioner Kofford, Commissioner Sitterud, and Dixie Swasey. Commissioner Hatch asked if the surrounding property owners had been notified. Morris indicated that they had not been notified. Morris will send out letters to the property owners.

Motion to come out of a public hearing and return to the regular Commission Meeting was made by Commissioner Drew Sitterud, seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF ABANDONMENT OF COUNTY ROADS #327 COWBOY WEST, #116 HANSEN SPUR, #117 PAPPAS SPUR, AND #112 JENSEN SPUR.**

Commissioner Gary Kofford made a motion to #7 and put it on the November 21, 2006 Commission Meeting agenda so as to allow the Road Department time to send a letter to the surrounding property owners who may be affected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**REQUEST FOR DONATION TO GREEN RIVER CLOSE-UP WASHINGTON DC PROGRAM.**

Several students from Green River High School will be participating in the Close-Up program. The cost per student is \$1,400.00. Green River High School has requested a donation to assist the participating students in the program. Commissioner Gary Kofford made a motion to contribute \$250.00 to Green River High School for the Close-Up program. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR FERRON CITY GOLF COURSE.**

Ferron City Mayor, Gil Bowden requested a building permit fee waiver for the Ferron City Golf Course. He explained that hole # 7 was washing away and the city was able to secure a CIB grant to build a retaining wall. According to the County Building Inspector putting up a retaining wall requires a building permit. Therefore, he asked for a waive of the fee. Commissioner Gary Kofford made a motion to waive the building permit fee for Ferron City Golf Course. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Sitterud discussed news that Emery County School District will be constructing a new gymnasium in Green River. It will have to be inspected. Commissioner Kofford indicated that he has recently visited with Ross Huntington who informed him that because of new legislation the school district has to have a building inspector on all new construction projects over \$100,000.00. Previously they did not have to have a building inspector. Commissioner Kofford indicated that in discussing this with Bob Bennett, Emery County Building Inspector, he asked Mr. Bennett what the fee would be on a 2 million dollar project. Mr. Bennett indicated it would be approximately \$16,000.00 in fees. Commissioner Kofford indicated that the Commission needs to make a determination whether or not we are going to collect that fee. Do we set up a policy for determining how to handle building permit fees for the school district in the future? One thing that will need to be looked at is the time and expense involved in having Mr. Bennett in Green River throughout the duration of the project. Mr. Bennett was concerned for the time it take from his other inspections. The school district has looked into Sunrise Engineering but has not signed a contract with them as of yet. Mr. Huntington was hoping that the county would look at waiving the fee. Commissioner Kofford continued by discussing the fees associated with building permits. He indicated that built into the fee schedule was a percentage increase each year for recouping the expenses associated with the building permitting process. There will be expenses associated with traveling to Green River on a regular basis to over see the building project. He felt that we should be able to recoup some of that expense,

somehow. Commissioner Hatch felt that we should charge them something to recoup our expenses, not be a total fee waiver. Commissioner Sitterud pointed out that the school district lets us use their facilities except for the Spartan Center for our youth. He thinks we could charge them a minimal charge. However, this is for our kids. Commissioner Hatch thinks we could look at working something out, but not do it for free. Mike McCandless had concern for the time associated with the project. This will take away from time Bob will have for other building that is going on in the county. The Commission discussed the possibility of hiring another building inspector.

(10)

**CITIZEN CONCERNS**

Leslie Bolinder thinks that the school district should pay the same fees as a private person. As she has filled in a little bit in the building inspector's office she has found that Bob's calendar is very booked. For a non-paying customer to take time away from a paying person she feels that is not right. There are a couple of businesses in the county that are looking at these very same kind of fees and they will not be waived. To make it fair everybody should get inspected and everybody should pay the same.

(11)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR ROBERT ZUFELD.**

Brenda Dugmore presented an ambulance write-off request from Robert Zufeld. He was billed \$391.00, which is the non-transport rate, for oxygen, pulse ox, etc. He did not call the ambulance and was not treated. He requested to have the bill written off. Commissioner Gary Kofford made a motion to write-off the ambulance bill for Robert Zufeld. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF CHANGE IN JUDGE OF ELECTION FROM TRUDY WADDOUPS TO JAY WADDOUPS.**

Brenda Dugmore requested approval to exchange Trudy Waddoups for Jay Waddoups as election judges in Clawson. Commissioner Drew Sitterud made a motion to approve exchanging judges in Clawson. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND**

**DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 179137 through and including #179323 for payment.

There were no requisitions or dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF RESOLUTION OF APPOINTMENT OF AN EMERY COUNTY REPRESENTATIVE AND AN ALTERNATE REPRESENTATIVE FOR THE UTAH COUNTIES INSURANCE POOL ANNUAL MEMBERSHIP MEETING.**

Commissioner Drew Sitterud made a motion to approve Resolution 101706 appointing Ira Hatch as Emery County representative and Mary Huntington as alternate representative for the Utah Counties Insurance Pool Annual Membership meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following personnel action:

A. Discussion and approval of a wage increase for the library janitors.

The library custodians currently are not on a pay grade. It was Mary's proposal to put them on the same grade as the courthouse and sheriff's office custodians. Many of the library custodians have been here for years and currently earn \$6.34 per hour and those recently hired earn \$5.25 per hour. She suggested moving those at \$6.34 to Grade 4B at \$8.30 per hour and those at \$5.52 to Grade 4A at \$8.12 per hour. The custodians at the courthouse and sheriff's office perform the same functions as the custodians at the library and should be on the same grade. Commissioner Gary Kofford made a motion to approve moving the library custodians to their respective grade as recommended. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Approval of Brad Earley as full time Solid Waste Technician.

Brad Earley will be the new full time Solid Waste Technician. During the summer he worked for the landfill as a 90 day temporary employee.

C. Approval to begin the recruitment process for an Equipment Operator/Driver.

Morris Sorensen requested approval to start the recruitment process for a full time with benefits Equipment Operator/Driver. Val Anderson has been moved back up to the landfill leaving a vacancy. Commissioner Gary Kofford made a motion to approve the process to recruit an Equipment Operator/Driver. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

## **(16)**

### **APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated October 3, 2006 as corrected. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

## **(17)**

### **COMMISSION REPORTS**

#### *Commissioner Kofford*

Commissioner Kofford reported on discussions at a UAC meeting regarding Utah Behavioral UBAN board.

#### *Commissioner Sitterud*

Commissioner Sitterud reported that UAC has hired Mark Ward as Public Lands Director starting November 14, 2006.

He met with Alex Buxton regarding an information flyer about the proposed swimming pool to be sent to all Emery County resident.

#### *Commissioner Hatch*

Commissioner Hatch recently met with representatives from Lila Canyon Fuel. Utah American Energy is interested in starting that mine up again.

8

Commission Meeting Minutes  
October 17, 2006

Emery County held a Wellness Screening for Emery County employees and spouses last Wednesday. Participation was good and it went well. A defensive driving course will be held on the 23<sup>rd</sup> of October.

Bids were opened for the furnace replacement at the Museum of the San Rafael. They received bids from Dugmore Appliance for \$53,995.00, Bob Moore Construction for \$55,300.00, and Rams Industries for \$53,480.00. The low bidder was Ram's Industries. Commissioner Gary Kofford made a motion to award the bid for replacing the furnace at the Museum of the San Rafael to Ram's Industries. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(18)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An Executive Session was not needed.

**(19)**

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE SPECIAL MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 31, 2006

(1)

**CONSIDERATION AND APPROVAL OF RESOLUTION REQUESTING RE-CERTIFICATION OF EMERY COUNTY JUSTICE COURTS.**

Emery County has been informed that they need to re-certify the Justice Courts. Attorney David Blackwell has prepared a resolution to be approved by the Commissioners that affirms the county Commissioner's willingness to continue to meet all the requirements set forth by the Judicial Council. The resolution requests the re-certification of the Emery County Justice Court, First Precinct (Castle Dale, Utah) and Second Precinct (Green River, Utah) for the next four years. Commissioner Drew Sitterud made a motion to approve Resolution 10-31-06 requesting re-certification of Emery County Justice Court, First Precinct and Second Precinct. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**PRIORITIZE SHORT/LONG TERM PROJECTS TO BE INCLUDED ON EMERY COUNTY'S LOCAL CAPITAL IMPROVEMENT LIST FOR THE PCIFB. SETTING OF PUBLIC HEARING TO RECEIVE PUBLIC COMMENT ON LIST.**

The Emery County Commissioners took a look at the local capital improvement list for PCIFB that was put together on July 17, 2006. The list is a compilation of all the communities project requests. A public hearing needs to be set to hear public comment on Emery County's Local Capital Improvement List for the PCIB. The Commissioners discussed adding the Veteran's Memorial project, a building at the gun range, an airport project, additional portable bleachers, a kitchen at the museum and other items to the list. They will prioritize the list after they have heard public comment. Commissioner Drew Sitterud made a motion to set a public hearing for November 21, 2006 at 10:00 am to receive public comment on the short/long term projects to be included on Emery County's local capital improvement list for the PCIFB. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT/DESIGN ENGINEERING REIMBURSEMENT BETWEEN EMERY COUNTY AND UDOT ON PHASES V & VI OF THE SOUTH MOORE ROAD PROJECT.**

Commissioner Hatch presented cooperative agreement HP16121030 with UDOT for Phase V &

VI of South Moore Cut-Off Road. The contract provides for \$25,600.00 for the design and engineering of South Moore Cut-Off Road. Commissioner Gary Kofford made a motion to approve a cooperative agreement/design engineering reimbursement between Emery County and UDOT on Phase V & VI of the South Moore Road Project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF INTER-LOCAL AGREEMENT BETWEEN EMERY COUNTY AND ECSSD#1 TO PROVIDE FUNDING FOR LOCAL AUTHORITY MATCH ON PHASES V & VI OF THE SOUTH MOORE ROAD PROJECT.**

Commissioner Gary Kofford made a motion to approve an inter-local agreement between Emery County and ECSSD#1 to provide funding for local authority match on Phases V & Phase VI of the South Moore Road Project. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF METAL BIDS FOR LANDFILL.**

Bids were received for the collection of scrap metal from the landfill. Ron Barney bid \$37.00 per ton and Price Metal bid \$20.00 per ton. Commissioner Gary Kofford made a motion to accept the bid from Ron Barney for \$37.00 per ton. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(6)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS AND DISPOSITIONS.**

Clerk/Auditor, Brenda Dugmore asked for approval of the Warrant Check Edit list that will be run on November 7, 2006. The list will be given to the Commissioners beforehand. We will not have a Commission Meeting on that day due to Election Day.

One requisition was presented from the Sheriff's Office/Television for a 26 inch Sony Television to be used for testing the new digital television system and demonstration of digital TV at public meetings and the fair. The cost is \$1,143.72.

One disposition was presented for a 2006 Crown Victoria asset # 2107718. This is the vehicle that is to be transferred to Green River Medical Center. (See #8).

3

Special Commission Meeting  
October 31, 2006

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List and requisition and to approve the disposition of the vehicle from the Sheriff's office and transfer the vehicle to the Green River Medical Center. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington, Personnel Director presented the following personnel action:

A. Consideration and approval of Jolene Dalton as Green River Assistant Librarian. Jerlilyn Mathis requested approval to hire Jolene Dalton as Green River Assistant Librarian. If approved this would be effective November 1, 2006 at 4A \$8.12 per hour with no benefits. Commissioner Gary Kofford made a motion to approve hiring Jolene Dalton as Green River Assistant Librarian as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

B. Approval for step-increase for Eric Nelson who has completed his six-month orientation.

Road Supervisor, Morris Sorensen requested a one step increase for Eric Nelson whom has successfully completed his six month orientation period. If approved he would move from 12 entry at \$11.00 per hour to 12 A at \$11.33 per hour. This would be effective November 6, 2006. Commissioner Gary Kofford made a motion to approve a six month orientation step increase for Eric Nelson as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(8)

**APPROVAL OF VEHICLE TRANSFER TO GREEN RIVER MEDICAL CENTER.**

See # 6

(9)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Commissioner Gary Kofford made a motion to move into an executive session to discuss pending litigation matters. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Present at the executive session was Commissioner Hatch, Commissioner Kofford,

4

Special Commission Meeting  
October 31, 2006

Commissioner Sitterud, Attorney David Blackwell, and Deputy Clerk/Auditor Carol Cox.

Motion to return to the regular Commission Meeting was made by Commissioner Drew Sitterud, Seconded by Commissioner Gary Kofford and approved by all members present.

Upon returning the regular Commission Meeting Commissioner Gary Kofford made a motion to authorize Attorney David Blackwell to negotiate at the mediation hearing, negotiating to the amount discussed in executive session. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**ADJOURNMENT.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 21, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DAVE VICKERS, FORESTRY, FIRE, AND STATE LANDS, DISCUSSION  
PRESENTATION OF UTAH WILDLAND URBAN INTERFACE CODE- HB 146.**

Dave Vickers has been hired as a consultant to work with the counties in developing their Forestry, Fire and State Lands Plan to meet requirements identified in House Bill #146- Utah's Wildland Urban Interface Code. Commissioner Kofford has been working on this with Mr. Vickers. Rudy Sandoval, Carbon and Emery County's Fire Marshall was also available for questions and comments. The bill has certain stipulations that the county needs to adopt. Utah has been experiencing high incidence of wildland fire activity due to people moving into urban areas. So, the state enacted House Bill #146. The county has to do certain things as a medium to meet specific codes with certain provisions. The county has to identify areas where issues are and where and how the code will be applied. The plan will have provisions for access and supply of water. Emery County has a volunteer fire crew in each town. Training of the volunteer firemen takes about 40 to 80 hours of training. These men are all working men with families to support. Therefore, training will be very prohibitive. The plan is a work in progress. They hope to have something in place by January 2007 that will meet the county's needs and the new code.

(2)

**DELENA FISH, QUARTERLY UPDATE DWS.**

Delena Fish, DWS was present to provide a quarterly update of Work Force Service activity. She reviewed the TANIF Re-authorization. She also reviewed the Eastern Region performance outcomes for DWS. There is a lot of employment out there for anyone who wants to work. Emery County is experiencing a three percent unemployment rate at this time. Employers are still struggling with finding skilled workers. There is money out there for training people. People are not taking advantage of that at this time. Employers are utilizing the internet on-line listing more and more all the time. Commissioner Sitterud complemented Delena and her staff for leading the region again.

(3)

**GWENDOLYN ANDERSON, DISCUSSION OF PETERSEN LANE, ELMO, UTAH**

Gwendolyn Anderson, Elmo discussed problems associated with Petersen Lane in Elmo. She said the road has six inch potholes and very muddy when there is a storm. She asked if the county could do anything to improve the conditions of the road. She suggested maybe asphalt or chipping, anything to improve the road. Commissioner Hatch indicated that the county has done what they could to improve the road. They have removed the mag. chloride from the road and graded it as well. He asked that she put her plan for the road in writing and submit it to the Road Department.

(4)

**CITIZEN CONCERNS**

Randall Sitlson, Orangeville expressed concern for safety of homeowners along the road nearest to where hunters are during the hunting season. He relayed an incident where a homeowners home was struck by flying bullets during this last hunting season. He asked that the county take a look at the firearm ordinance and perhaps see what could be done to improve safety. After some discussion on this issue, Randall indicated that he will get with the other towns as well as the sportsman groups and landowners to come up with a plan and see how to proceed.

(5)

**RATIFICATION OF JUSTICE ASSISTANCE GRANT APPLICATION.**

Sheriff Guymon made application for a grant to get ten car videos. He was successful in getting two. The deadline for sending in the grant application was November 17, 2006. The grant application was signed by the Commissioners. Commissioner Drew Sitterud made a motion to ratify the signatures on the Justice Assistance Grant application. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF ABANDONMENT OF COUNTY ROADS #327 COWBOY WEST, #116 HANSEN SPUR, #117 PAPPAS SPUR, AND #112 JENSEN SPUR.**

(7)

**DISCUSSION/APPROVAL OF BUILDING PERMIT FEE WAIVER FOR EMERY COUNTY SCHOOL DISTRICT FOR GREEN RIVER HIGH SCHOOL GYMNASIUM.**

**(8)**

**10: 00 AM PUBLIC HEARING- To receive public comment on Emery County Local Capital Improvement List for PCIFB.**

Commissioner Drew Sitterud made a motion to leave regular Commission Meeting and enter into a scheduled Public Hearing to receive comment on Emery County's Local Capital Improvement List for PCIFB. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Darrell Leamaster, CVSSD and Michael Bryan, UAOG presented the local capital improvement short term and long term list for consideration. The short term list consisted of submitted projects to be considered for the coming year. The medium to long term list consisted of projects submitted by towns and other governmental agencies for consideration two to five years out. The list needed to be ranked in importance with A being the most imperative, B, and C. The list is required to be ranked and submitted to the PCIFB by December 1. Any governmental entity that wishes to have their project considered must be on the list. Commissioner Sitterud asked to add the Recreation SSD to the short term list for the swimming pool project as they have the right to come back and request up to \$500,000.00 additional grant funds if needed. He also suggested that the list be worked on earlier next year. Mike McCandless suggested adding NEWUSSD's 2 projects to the long term list. Commissioner Sitterud indicated that the medium to long term list is very important as it serves as an advisory list for the PCIFB to know what is coming in the future. Commissioner Gary Kofford made a motion to come out of the public hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF EMERY COUNTY LOCAL CAPITAL IMPROVEMENT LIST FOR FY2007.**

Commissioner Drew Sitterud made a motion to approve the short term and long term Local Capital Improvement List for 2007 for Emery County contingent upon adding the projects as discussed and to send the list to the AOG planner to be submitted to the PCIFB. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)**

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Brenda Dugmore, Clerk/Auditor presented the Warrant Check Edit List #179788 through and including #179994 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

(25)

**COMMISSION REPORTS**

(26)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

(27)  
**ADJOURNMENT**

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 5, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Commissioner Gary Kofford was out of town for another meeting. Commissioner Hatch stepped down throughout the meeting to execute motions as needed.

(1)

**FERRON CITY REQUEST FOR WAIVER OF BUILDING PERMIT FEE FOR RE-ROOF PROJECT AT FAIRGROUND PARK.**

Joe Trenery, Ferron City Councilman requested a building permit fee waiver for Ferron City's re-roof project at the fairground park. The city received CDBG funds for a new sprinkler system and re-roofing project at the fairground park. Commissioner Drew Sitterud made a motion to approve a fee waiver for Ferron City's re-roof project at the fairground park. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(2)

**ELMO TOWN REQUEST FOR WAIVER OF BUILDING PERMIT FEE FOR TOWN HALL AND FIRE STATION.**

The Commission received a letter from Delena Fish on behalf of Elmo Town requesting a fee waiver for their town hall and fire station. For three years they have worked on obtaining a grant from the CIB to fund a new town hall and fire station. They have awarded the bid and are ready to begin the project. Commissioner Drew Sitterud made a motion to waive the building permit fee for Elmo Town's town hall and fire station. The motion was amended and seconded by Commissioner Hatch to include having the project tracked and cleared by the building inspector's office. The motion was approved by all members present.

(3)

**CITIZEN CONCERNS**

No citizen concerns.

(4)

**RATIFY EMERY COUNTY APPLICATION FOR 2006/2007 HMEP PASS-THROUGH GRANT.**

Commissioner Drew Sitterud made a motion to ratify the signing of an application for 2006/2007 HMEP pass-through grant which was signed earlier to meet application deadline. The motion

was seconded by Commissioner Ira Hatch and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AMENDMENT TO NEXTEL SITE AGREEMENT**

Commissioner Sitterud explained that we have run out of space at the communications tower on Horn Mountain. This amendment to the Nextel Site Agreement will approve moving Nextel and Verizon into a larger room to share space. The site lease amount will increase to \$720.00 a month which will also be shared by Nextel and Verizon. Commissioner Drew Sitterud made a motion to approve an amendment to the Nextel Site Agreement upon Attorney Blackwell's approval of the document. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(6)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #180190 through and including #180324 for payment.

There were no requisitions or dispositions.

Commissioner Drew Sitterud made a motion to approve the Warrant Check Edit List and additional claims as presented. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

(7)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

A. Approval of merit increase for Wayde Nielsen, Road Department.

Morris Sorensen is requesting a merit increase for Wayde Nielsen. His job responsibilities have increased and his existing rate of pay is almost the same as the District Grader Operators. Wayde is currently at Grade 15Q @ \$17.46 per hour. Morris is requesting he move to 15T @ \$18.33 per hour. Commissioner Drew Sitterud made a motion to approve a merit increase for Wayde Nielsen as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

B. Approval to begin recruitment for Equipment Operator/Driver, Road Department.

Mark Seely has submitted his resignation effective December 31, 2006 and Morris Sorensen is requesting approval to start the recruitment process for a full time, Equipment Operator/Driver. Commissioner Drew Sitterud made a motion to approve the recruitment of an Equipment

COMMISSION MEETING  
DECEMBER 5, 2006

Operator/Driver for the Road Department as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

C. Approval of 6 month orientation merit increase for Maureen Copatch and Alexander O’Niel, Sheriff’s Department.

Maureen Copatch and Alexander O’Niel have completed their 6 month orientation period successfully and Sheriff Guymon is requesting that they each receive a one step increase effective December 18, 2006. If approved they would both move from 10A @\$10.88 per hour to 10B @\$11.12 per hour. This would become effective the beginning of next pay period. Commissioner Drew Sitterud made a motion to approve a one step increase for Maureen Copatch and Alexander O’Niel as proposed. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

D. Approval of Jennifer Jensen transfer to Dispatch position and begin recruitment for Corrections Secretary.

The dispatch position was offered in-house at the Sheriff’s Office and Sheriff Guymon would like to promote Jennifer Jensen to this position. Sheriff Guymon is requesting approval to start the recruitment process for a full time, Corrections Secretary. Commissioner Hatch recommended that the advertising needed to be done county wide and in-house for the dispatch position. Dispatch and Correction’s Secretary are two different positions and must be advertised as such. Commissioner Ira Hatch made a motion to advertise in-house and county wide for a dispatch position. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(8)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve the minutes dated November 21, 2006 as corrected. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**(9)**

**COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud reported that last Friday, he, along with the other two Commissioners met with SITLA, Brad King and Mike Dmitrich regarding trade out land and mineral lease payments on them.

He also met recently with the transportation group regarding the new state wide addressing on B roads for the E911 system. Southern Utah is done. They have run into a roadblock with the

4

COMMISSION MEETING  
DECEMBER 5, 2006

signage. The governor is working on getting funds to help pay for the cost of signing the roads.

*Commissioner Hatch*

Commissioner Hatch, Mary Huntington and Steven Barton attended UCIP Membership meeting last week at Thanksgiving Point.

He talked about the meeting with SITLA, Brad King and Mike Dmitrich regarding trade out land and mineral lease and how it will affect the special service districts and the PILT funds.

He talked about a meeting yesterday with Ray Petersen and the Road Department regarding the signs for OHV use on county roads. They hope to have the signs up before spring.

He reminded elected officials of the Senior Citizen Christmas Party at the Emery County Recreation Center on Thursday, December 7, 2006 at 6:00 pm. The county employee Christmas party is Thursday, December 14, 2006.

**(10)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(11)**

**ADJOURNMENT**

Commissioner Drew Sitterud made a motion to adjourn the meeting. The motion was seconded by Commissioner Ira Hatch and approved by all members present.

**ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_**

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 19, 2006

Present at the meeting was Commission Chairman Ira Hatch, Commissioner Gary Kofford, Commissioner Drew Sitterud, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**CONSIDERATION AND APPROVAL OF STANDARD COOPERATIVE AGREEMENT FOR UTAH STATE UNIVERSITY EXTENSION EDUCATIONAL WORK- 2007.**

Commissioner Hatch indicated that the agreement with USU Extension Service for 2007 has a change in that the amount budgeted for travel has been increased to allow for the extension personnel to use their own vehicles. The agreement is for a budgeted amount of \$58,900.00. Commissioner Gary Kofford made a motion to approve a standard cooperative agreement for Utah State University Extension Educational Work for 2007. Commissioner Ira Hatch stepped down to second the motion as Commissioner Sitterud had left the room momentarily. The motion was approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR RANDALL ARNOLD.**

The Emery County Board of Commissioners received an ambulance write-off request from Randolph Arnold. After discussion on his situation, Commissioner Drew Sitterud made a motion to abate \$2,137.00 which is the entire amount owing on the account. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**CLAWSON TOWN REPRESENTATIVE, REQUEST FOR DONATION OF GENERATOR LOCATED AT THE OLD SHERIFF'S OFFICE FOR THE TOWN'S EMERGENCY MANAGEMENT PLAN.**

Clawson Town Mayor, Carey Bloomer came before the Board of Commissioners to request a donation to the town of Clawson of a generator, no longer in use, from the old sheriff's office. Commissioner Hatch indicated that the county does have a need for the generator and that if that situation ever changes the county will contact them for consideration at another time. Mayor Bloomer asked about current EMT training classes on behalf of a citizen of Clawson. Sheriff Guymon said they should call Martin Wilson.

(4)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

**A. Approval to begin recruitment for two part time sales clerks for the Museum of the San Rafael.**

Commissioner Sitterud and Janet Petersen requested approval to start the recruitment process for two part time sales clerks at the museum at Grade 4A, \$8.12 per hour, with no benefits.

Commissioner Gary Kofford made a motion to begin recruitment for two part time sales clerks for the Museum of the San Rafael as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**B. Approval to begin recruitment for part time maintenance/grounds keeper for the Museum of the San Rafael.**

Willard Young is resigning effective December 31, 2006. Commissioner Sitterud and Janet Petersen requested approval to start the recruitment process for a part time custodian/Maintenance position at the museum, Grade 4A, \$8.12 per hour, with no benefits.

Commissioner Gary Kofford made a motion to begin recruitment for a part time maintenance/grounds keeper for the Museum of the San Rafael as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**C. Approval to hire Adam Wayman as full time Solid Waste Technician.**

Four applicants were interviewed for the position of Solid Waste Technician. Morris Sorensen requested approval to hire Adam Wayman. Adam would be a full time employee with benefits grade 12 entry \$11.00 per hour.

Commissioner Gary Kofford made a motion to approve the hiring of Adam Wayman as full time Solid Waste Technician as proposed. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF RESOLUTION AMENDING EMERY COUNTY RESOLUTION No. 4-06-99A PROVIDING FOR THE DISBURSEMENT OF MINERAL LEASE FUNDS TO THE SPECIAL SERVICE DISTRICTS IN EMERY COUNTY.**

Resolution No. 4-6-99A provides for the distribution of mineral lease funds that come into the county's special service districts. Commissioner Hatch pointed out that mineral lease funds for

COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

various identified purposes within the special district that receive them. PILT funds remain in the county general fund. The distribution of the mineral lease funds is adjusted periodically to accommodate the needs of the various districts now existing in the county. Commissioner Hatch proposed an amendment to Resolution 4-06-99A amending the distribution amount of these mineral lease funds be as follows:

Emery County Special Service District No.1	40%
Castle Valley Special Service District	13%
Emery County Recreation Special Service District	8%
Emery County Fire Protection Special Service District	8%
North Emery Water Users Special Service District	2%
Municipal Building Authority of Emery County	29%

Commissioner Drew Sitterud made a motion to approve Resolution 12-19-06A amending Resolution 4-06-99A providing for the distribution of mineral lease funds to the special service districts in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AGREEMENT WITH EMERY COUNTY SPECIAL SERVICE DISTRICT #1 FOR SNOW REMOVAL EQUIPMENT.**

Commissioner Hatch explained that one of the specified uses of Special Service District #1 is for snow removal. The Emery County Road Department requested assistance from SSD# in acquiring an additional snow plow and sander. Emery County Special Service District # 1 has purchased the equipment and now, through an inter-local agreement, the equipment needs to be turned back over to the county to maintain. Commissioner Gary Kofford made a motion to accept an agreement with Emery County Special Service District #1 for snow plow equipment. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF CONTRACT BETWEEN UTAH STATE HISTORY AND EMERY COUNTY ARCHIVES TO CREATE A DATABASE OF THE LOCAL CEMETERIES.**

Emery County Archives Director, Dottie Grimes explained that the county applied for a grant through the State History Humanity for the purpose of putting local county cemeteries on line. There are three cemeteries that need to have research work done on them. These three cemeteries are: Lawrence Cemetery, Desert Lake Cemetery and Victor Cemetery. The contract amount is \$6,000.00 with matching in-kind volunteers from the county. Commissioner Drew Sitterud made a motion to approve a contract between Utah State History and Emery County for

COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

\$6,000.00 to create a database of local cemeteries in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Dottie also informed the Commissioners of a grant for oral history of the San Rafael. She is looking for interested cattlemen, sheep herders, miners, etc. that know about the cultural history of the San Rafael. When she has received the documentation on this grant she will return to the Commissioners with more details and approval.

**(8)****CONSIDERATION AND APPROVAL OF 2007 HOLIDAY SCHEDULE.**

Commissioner Drew Sitterud made a motion to approve the 2007 holiday schedule as follows:

New Year's Day 2007	Monday	01-01-07
Human Rights Day	Monday	01-15-07
President's Day	Monday	02-19-07

November 20, 2007	9:00 a.m.
December 4, 2007	9:00 a.m.
December 18, 2007	4:00 p.m.

The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF WORKER'S COMPENSATION CARRIER.**

Personnel Director, Mary Huntington informed the Commissioners that the county's Worker's Compensation expires on December 31, 2006. Our current carrier is UCIP. She has contacted two other carriers to obtain additional bids. These bids were as follows:

UCIP	\$ 77,765.00
ULGT	\$ 73,899.38
WCU	\$103,303.01

Based on the three bids, ULGT is the lowest bid. She indicated that all three carriers were

COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

comparable as far as service and the programs that they offer to our employees. If we opt into ULGT now we can lock in the rate for the next three years. If we continue to decline in loses our worker's compensation premium can go down. Commissioner Drew Sitterud made a motion to accept the bid from Utah Local Governments Trust for Emery County's Worker's Compensation carrier at \$73,899.38 and lock in the rate for the next three years. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**

**CONSIDERATION AND APPROVAL OF MILEAGE RATE FOR 2007.**

Clerk/Auditor Brenda Dugmore indicated that currently Emery County compensates at 37.5 cents per mile for mileage reimbursement when employees use their own vehicle for county business. The IRS rate for 2007 is 48.5. Commissioner Drew Sitterud made a motion to set the reimbursable mileage rate for Emery County at 44.5 cents per mile. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Drew Sitterud made a motion to come out of the regular commission meeting and move into a scheduled public hearing to hear comments on amendments to the 2006 budget. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(12)**

**5:30 P.M. PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON AMENDMENTS TO THE 2006 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECTS FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Hatch explained that the amendment allows for opening the budget to allow for unexpected revenue to the county's general fund, special revenue fund, and capital projects funds.

Darrel Leamaster discussed amendments to the 2006 budget for Castle Valley Special Service District. He explained that CVSSD asked for and got a \$250,000.00 supplemental grant. This up the cost of the capital projects. All of the projects have been completed except for curb and gutter. They have an increase in appropriated fund balance to carry over into 2007. Their chip seal project came in over budget so they had to make an adjustment there.

Commissioner Gary Kofford made a motion to come out of the public hearing and return to the regular commission meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

Commissioner Gary Kofford made a motion to recess the meeting until 6:00 p.m. for the next

COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

scheduled Public Hearing. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

At 6:00 p.m. Commissioner Drew Sitterud made a motion to move into a Public Hearing to receive comment on the FY 2007 budgets as noticed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**6: 00 P.M.- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON THE 2007 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT, INCLUDING THE PROPOSED TAX INCREASE OF \$100,000.00 TO PAY FOR OPERATION AND MAINTENANCE OF THE SWIMMING POOL AND A 4% COST OF LIVING INCREASE FOR ELECTED OFFICIALS.**

Clerk/Auditor Brenda Dugmore presented those in attendance with a copy of the proposed FY 2007 budgets for the various funds.

Darrell Leamaster presented those in attendance with copies of the proposed Castle Valley Special Service Districts three budgets. He reviewed the Debt Service budget which was \$1,195,000.00, Capital Projects Funds which was \$2,680,100.00 and General Fund Budget which was \$2,461,500.00.

Commissioner Hatch indicated that the proposed budget includes a two step or 4% increase for all employees depending on the status of the employee. The county will continue to pay 100% of employees medical insurance premium. There was no increase on insurance this year. The meeting was opened up to the public for comment.

Sharon Earl directed questions as to the number of county employees there are. She asked about the \$5,000,000.00 CIB approved funds for the swimming pool. She asked questions regarding budgeted line items.

Bevan Wilson asked if the county would consider budgeting funds somewhere in the budget to complete the data collection on the Lawrence Cemetery. Research was done years ago but never completed. He asked that the county look at creating a committee to come up with a plan to do the data search and GPS mapping of the cemetery.

Commissioner Hatch indicated that the Commission has looked into doing the data search in the past. Lawrence Cemetery is county owned and in the past when the county has looked into adding additional space to the cemetery we have not been met receptively by those adjoining property owners. He hoped that by getting local involvement during the planning process and public process things may improve. He recommended reinstating the planning committee to set

COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

up a plan for the Lawrence Cemetery and set a fee for opening graves and set up a revenue and expenditure line item from dues and contributions for this purpose.

Kelly Alton, Assistant Principal at Emery County High School addressed the Commission as a member of the safety plan committee for the school. He commended the Sheriff's Deputies and Home Land Security Department of the Emery County Sheriff's Department for their part in helping to prepare students in the event of a school invasion. Many times these deputies come in on their off duty hours. He asked that the county consider some kind of compensation for the deputies who perform over and above what is asked of them. He asked if the Commission or the Sheriff's Department could look into grants to help fund a compensation program for deputies who respond to the needs of the schools on their off duty hours.

Sharon Earl asked questions regarding the collection of the \$100,000.00 for the operation and maintenance of the swimming pool.

As there were no more comments Commissioner Drew Sitterud made a motion to come out of the public hearing and return to the regular commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO FY2006 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECTS FUNDS, AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Drew Sitterud made a motion to approve Resolution 12-1906 B which amends the FY 2006 budget for the Emery County General Fund, Special Revenue Funds, Capital Projects Funds, and Resolution 12-19-06C which amends the FY 2006 budget for the Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**CONSIDERATION AND APPROVAL OF FY 2007 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECTS**

**FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT,  
INCLUDING THE PROPOSED TAX INCREASE OF \$100,000.00 TO PAY FOR  
OPERATION AND MAINTENANCE OF THE SWIMMING POOL AND A 4% COST  
OF LIVING INCREASE FOR ELECTED OFFICIALS.**

Commissioner Gary Kofford made a motion to approve Resolution 12-19-06 D approving the FY 2007 budgets for the Emery County General Fund, Special Revenue Funds, Capital Projects Funds including the proposed tax increase of \$100,000.00 to pay for operation and maintenance of the swimming pool and a 4% cost of living increase for elected officials, and Resolution 12-19-06E approving the FY 2007 budget for Castle Valley Special Service District. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

(16)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH AND  
EMERY COUNTY FOR CADASTRAL MAP FUNDING.**

Commissioner Sitterud explained that this is a State Information Technology grant that the county applies for each year to do corner monumentation in the county. Historically we have been getting about \$10,000.00 to \$20,000.00. The last couple of years there have been several counties who have applied for the funds but have not used them. The funds have been just sitting there unused. The state approached the counties that have used the funds and told them that if they can use the funds appropriated to them by the end of the year they may be granted another grant. We applied for the grant received the grant and got the work done. However, we have not received the contract from the state. The contract has to be signed by the end of the year. It has been mailed, but because of the holiday mail we have not received it. Commissioner Sitterud made a motion to approve the signing of the contract with the state for cadastral mapping upon the approval of Attorney Blackwell. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**CITIZEN CONCERNS**

Commissioner Gary Kofford presented a plaque to Commissioner Ira Hatch on behalf of the citizens of Emery County in recognition to his eight years of service to the people of Emery County.

Commissioner Hatch expressed his appreciation and thanks to all that he has had the privilege and honor to work with and serve over the last eight years.

Randall Stilson thanked all of the elected officials who have served and continue to serve on

10  
COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

behalf of the citizens of Emery County.

Commissioner Hatch informed everyone of the swearing in ceremony of the newly elected officials that will be held on January 2, 2007 at 9:00 am. He invited any and all to attend.

Commissioner Sitterud discussed a proposed boat dock at Joe's Valley Reservoir. A boat ramp was built about two years ago but without a dock. He approached the Parks Service to see if we could possibly get a boat dock at Joe's Valley. The Parks Service has agreed to get the boat dock through a grant the same as the county used to get the boat ramp. Attorney David Blackwell has drawn up an agreement between Emery County and the Forest Service that has to be in to the Forest Service office by Friday, December 22, 2006. Commissioner Sitterud asked for approval from the Commission for the county to take charge of the grant and be administrator of the grant. The agreement provides for the Forest Service to allow us to put the dock in and the Forest Service to manage of the dock for the next twenty years. This agreement is totally contingent upon approval of the grant. Commissioner Drew Sitterud made a motion to sign an agreement with the Forest Service for the construction of a boat dock at Joe s' Valley Reservoir as provided in the agreement and to place the approval of this agreement on the January 2, 2007 Commission Meeting agenda for ratification. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #180393 through and including #180520 for payment. Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and additional claims for payment. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**(19)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Drew Sitterud made a motion to approve Commissioner Meeting minutes dated December 5, 2006 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(20)**  
**COMMISSION REPORTS**

*Commissioner Sitterud*

11  
COMMISSION MEETING MINUTES  
DECEMBER 19, 2006

Commissioner Sitterud spoke about the success of the county employee Christmas party. He also reported on the recent meeting with the Emery County School Board regarding the swimming pool project. The process has started to work up an agreement to establish a parking lot for the swimming pool. He talked about the proposed use of the pool by the school district.

He reported on recent CIB activity. Emery County ended up this year with the largest amount of funds grant in grants and loans for county projects.

*Commissioner Kofford*

Commissioner Kofford expressed his appreciation to all those who helped with the Senior Citizen dinner.

He reported on attendance at UDOT training sessions. He also attended a Public Lands meeting in Richfield.

**(21)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(22)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Drew Sitterud and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

COMMISSION MEETING MINUTES  
JANUARY 2, 2007

The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #180737 through and including #180753 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
01-07	Xerox Copier Treasurer		Approved
02-07	Heavy Duty Shredder Courthouse	\$1,855.00	Approved
03-07	Fax/copy/scan WCP2636 Sheriff	\$12,400.00	Appro ved

One disposition was presented for an executive chair #160-3005.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington indicated that there was nothing to present at this time.

(5)

**APPOINTMENT OF VERNELL ROWLEY AND BERNICE PAYNE TO THE HISTORIC PRESERVATION COMMISSION.**

Commissioner Gary Kofford made a motion to appoint Vernell Rowley and Bernice Payne to the

COMMISSION MEETING MINUTES  
JANUARY 2, 2007

Historic Preservation Commission. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF ORAL HISTORY GRANT AGREEMENT.**

In the December 19, 2006 Commission Meeting, Emery County Archives Director, Dottie Grimes discussed application for a grant from the Utah Humanities Council Utah Division of State History in the amount of \$3,000.00 for an oral history project, the Cultural History of the San Rafael. The agreement provides for a \$3,000.00 in-kind match from Emery County for a total project cost of \$6,000.00. The agreement has been reviewed by Attorney, David Blackwell. Commissioner Gary Kofford made a motion to approve the oral history grant agreement with the Utah Humanities Council Utah Division of State History for an oral history project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL BETWEEN EMERY COUNTY AND FORESTRY SERVICE FOR MAINTENANCE ON JOE'S VALLEY BOAT RAMP.**

In the December 19, 2006 Commission Meeting Commissioner Sitterud discussed an agreement between Emery County and the US Forest Service for the enhancement of the boating facilities at Joe's Valley Reservoir. The agreement provides for Emery County to be the administrator of the grant and the Forest Service to manage the boat ramp. The grant application had to be handed in by December 22, 2006. It is mutually agreed and understood by and between both parties that the agreement is contingent upon the acceptance of a federal aid grant established for the project and approved by the United States Fish and Wildlife Service. Therefore, the agreement needed to be signed to meet the submission deadline. Commissioner Drew Sitterud made a motion to approve a cooperative agreement between USDA Forest Service, Manti-La Sal National Forest and Emery County for the enhancement of boating facilities at Joe's Valley Reservoir. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dates December 19, 2006 as corrected. Commissioner Drew Sitterud stepped down to second the motion. The motion was approved by all members present.

4

COMMISSION MEETING MINUTES  
JANUARY 2, 2007

(9)

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks expressed his appreciation to the voters and stated that he looks forward to working with everyone.

(10)

**CITIZEN CONCERNS**

James Davis, Editor of a new to the county newspaper the “Emery County Review” presented the Commissioners with a copy of the first issue and asked for their support.

(11)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

(12)

**ADJOURNMENT**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JANUARY 16, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**DERRIS JONES, DWR, QUARTERLY UPDATE AND PRESENTATION OF PILT PAYMENT.**

Derris Jones, DWR, presented a quarterly update of DWR activity as follows:

- Post season deer classification looks good. They estimate approximately fifteen does per 100 bucks. Last year the division recommended returning to a nine day hunt. However, hunters recommended staying with a five day hunt until deer have had a chance to recover. The division conducted a fly over on the south end of the Manti to count elk and found the count to be good in spite of the recent storms. Commissioner Sitterud asked that the division of the need to include cattlemen in their flights. The division is participating in sheep captures. Fifteen have been taken to Dirty Devil. They are currently working in the Escalante area.
- Mr. Jones reported that UPCD will be meeting in Green River to discuss the habitat initiative money and to rank the project that they will be working for this year.
- Legislation is being introduced to increase fees. If the fees are not increased they will be looking at a 3 million dollar deficit which means programs and personnel will have to be cut. The fee increase would affect those applying for big game permits. They are also proposing the \$5.00 application fee per hunt be increased to \$10.00 per hunt.
- Mr. Jones presented the Commission with a check for \$2,751.30. He explained that the check is representative of the payment- in- lieu taxes from hunters and anglers.

(2)  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #180859 through and including #180994 for payment.

Requisitions were presented for the following:

<b><u>REQUISITION</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AMOUNT</u></b>	<b><u>APPROVAL</u></b>
04-06	Installation-overhead door Ambulance Garage	926.00	Approved
05-06	(9) Tasers Sheriff	7,199.55	Approved
06-06	2007 Chevy Trailblazer Public Lands	22,758.63	Approved
07-06	2007 Dodge Durango Planning/Zoning	22,357.00	Approved
08-06	Capital Replacement Computers IT for various departments	26,235.69	Approved

Dispositions were presented for #146-7386, a printer/copier/scanner from the Assessor's office and #621-7531, a printer/copier/scanner from the Weed/Mosquito department.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Approval to move Jennifer Jensen into the dispatch position.  
The in-house job posting for a Dispatcher closed on December 19, 2006. There was only one employee who applied, Jennifer Jensen. Sheriff Guymon requested approval to move Jennifer Jensen into the Dispatch position. Commissioner Gary Kofford made a motion to approve moving Jennifer Jensen into the Dispatch position. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

COMMISSION MEETING MINUTES  
JANUARY 16, 2007

B. Approval to start recruitment for a full time cook for the corrections facility.

It was approved in the 2007 budget to hire a full time cook at the corrections facility. Sheriff Guymon requested approval to start the recruitment process for this full time position. Commissioner Jeff Horrocks made a motion to start the process of recruiting a full time cook at the corrections facility as approved in the 2007 budget. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

C. Approval of .30 per hour matron pay for the two correction secretaries.

When Lee Ann Scoggins and Tosha Huntington left or was promoted from Corrections Secretary their replacements did not receive the .30 cent per hour matron pay. Therefore, Sheriff Guymon requested this be adjusted and Jennifer Jensen and Nicole Deabenderfer begin receiving the .30 cents per hour matron pay. If approved this would become effective on January 29, 2007. Commissioner Jeff Horrocks made a motion to approve the .30 per hour matron pay for Jennifer Jensen and Nichole Deabenderfer as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Approval of one step increase (6 month orientation period) for Devin Seely.

Sheriff Guymon requested a one step increase for Devin Seely. Devin has successfully completed her six month orientation period. She would move from 10A at \$10.88 per hour to 10B at \$11.12 per hour. If approved this would be effective February 5, 2007. Commissioner Gary Kofford made a motion to approve a one step increase for Devin Seely as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF AGREEMENT  
BETWEEN EMERY COUNTY AND ROBERT K. WEIDNER AS ITS GOVERNMENT  
RELATIONS ADVISOR.**

A memorandum of agreement between Emery County and Robert K. Weidner was presented for approval. Mr. Weidner is a government relations advisor who has contracted with Emery County for several years. The agreement is for \$15,000.00 or \$250.00 per hour. Commissioner Gary Kofford made a motion to approve the agreement with Robert K. Weidner as Emery County's government relations advisor. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**REQUEST FROM ZIONS BANK FOR LIST OF EMPLOYEE ADDRESSES TO SEND**

**INFORMATION ON THE AFFINITY BANKING PROGRAM.**

The Commissioners indicated that they had a problem with having Emery County's logo and letterhead on the Zions Bank web page. Steve Barton suggested that the county should let other institutions have the same advantage. Commissioner Gary Kofford made a motion to approve giving the list of employee names out to Zions Bank but to ask them to remove Emery County's letterhead from their website and instructed Steve Barton to contact other banking institutions of the option to obtain a County employee list. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(6)**  
**CITIZEN CONCERNS**

Bill Dellos asked for an update of the swimming pool project. Commissioner Gary Kofford reported that on the 24<sup>th</sup> of January he will be meeting with the architect and other interested citizens to go over the plans. He talked about plans to hire a general contractor which will allow the use of local contractors on the project. Bids for the general contractor will, hopefully, go out in April.

Mike McCandless, representing the Emery County Travel Council informed the Commission of the Travel Council's desire to increase the transient room tax. He will make the request, formally, to the Commissioners in a future Commission Meeting and request public hearings be set to hear comment from the public.

**(7)**  
**RATIFICATION OF UTAH EMERGENCY MEDICAL SERVICES GRANTS PROGRAM FY2008 APPLICATION/GRANT.**

Commissioner Gary Kofford made a motion to approve the signing of Utah Emergency Medical Services Grants Program FY2008 application in the amount of \$37,000.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**  
**RATIFICATION OF SIGNING OF STIPULATION TO AMEND ORDER ON THE MATTER OF LILA CANYON EXTENSION.**

COMMISSION MEETING MINUTES  
JANUARY 16, 2007

Public Lands Director Ray Petersen explained that this is a complex issue. By stipulation to amend order executed on January 17, 2006 by UtahAmerican Energy, Inc. (UEI), SUWA and Emery County, and on January 18, 2006 by DOGM, the parties to the informal conference agreed that the December 2, 2005 order could be amended to allow the Division additional time to make its final decision on UEI's permit application as necessary to complete the tribal consultations and determinations required by the National Historic Preservation Act.

By letter dated November 21, 2006, UEI requested the Division to issue the mine permit and allow the US Department of the Interior to complete further tribal consultation, if any, as the Secretary of DOI may determine. By letter dated November 22, 2006, UEI withdrew its stipulation to amend order and requested the Division to perform its mandatory duty under Utah law to issue findings on the pending application within sixty days. The amendment dated January 19, 2006 is amended to provide that DOGM will review UEI's application for permit in this matter. Commissioner Gary Kofford made a motion to ratify his signature on the stipulation to amend order on the matter of Lila Canyon extension. Th motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(9)**

**APPOINTMENTS TO THE PUBLIC LANDS COUNCIL.**

Commissioner Jeff Horrocks made a motion to approve Richard Beardall, Randal Stilson, James Gilson, and Gary Petty to the Public Lands Council. Commissioner Gary Kofford amended the motion and added Jeff Horrocks to the list replacing Ira Hatch. He then seconded the motion and the motion was approved by all members present.

**(10)**

**CONSIDERATION AND APPROVAL OF RESOLUTION TO OBTAIN LAND FROM BLM FOR EXPANSION OF LANDFILL AND SHOOTING RANGE.**

Commissioner Kofford explained that the Emery County Landfill needs to be expanded. Purchasing land from the BLM will extend the life of the Landfill by forty years. As part of the application process to purchase the land, the Emery County Commission needs to, by resolution, request to purchase the land and provide to the BLM a copy of the landfill's management plan. As part of the land purchase request, the Commission will also request land to the west of the landfill for expansion of the gun range which currently has bunkers that straddle BLM property. Attorney David Blackwell drafted a Resolution to obtain land from the BLM for expansion of the landfill and shooting range for consideration by the Commissioners. Commissioner Gary Kofford made a motion to approve Resolution 01-16-07, a resolution to obtain land from BLM for the landfill and shooting range. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR GERALDINE SANDERS.**

Commissioner Sitterud asked to table this to obtain more information.

(12)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Jeff Horrocks made a motion to approve the Commission Meeting minutes dated January 2, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**COMMISSION REPORTS***Commissioner Kofford*

Commissioner Kofford reported on the courthouse roofing project. A new heating system for the Museum of the San Rafael is near completion. There will be a UDOT meeting on the 23<sup>rd</sup> of January in Richfield where they will review the South Moore Cut-Off Road Project. He reviewed the process in getting the earmarked funding for the next two phases of the project. He also reported on another problem at the Museum of the San Rafael regarding fuel lines for the heating units.

*Commissioner Horrocks*

Commissioner Horrocks reported on a problem at the Museum of the San Rafael regarding the need for a humidifier. In order for the museum to receive exhibits on loan from the state and other entities the humidifier must be functioning. He will look into what it will take to get the humidifier in working order.

*Commissioner Sitterud*

Commissioner Sitterud reported he and the extraction committee recently met with county legislator representative Brad King. Mineral lease funds were discussed and the fight to keep a bill from going through that would take mineral lease funds from the producing counties. The committee will oppose any bill that recommends opening up mineral lease funds.

COMMISSION MEETING MINUTES  
JANUARY 16, 2007

*Other Reports*

Commissioner Horrocks and Commissioner Kofford went to Green River City Council meeting recently to talk about the proposed Senior Citizen Center. The council went on record in support of constructing a new senior center wherever the county decides to put it as long as the county agrees to tear down the existing senior citizen building.

Sheriff Guymon discussed a meeting he had with Green River City Mayor and the State Corp of Engineers regarding the dikes in Green River. He talked about the past problems with flooding and the maintenance of the dikes. Green River City is still trying to get a handle on this problem and says that it is a County problem.

Commissioner Jeff Horrocks made a motion to move into an executive session to discuss attorney/client communications regarding litigation matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an Executive Session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon and Deputy Clerk/Auditor Carol Cox.

Pending litigation matters were discussed.

Commissioner Gary Kofford made a motion to come out of executive session. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Jeff Horrocks made a motion to return to the regular commission meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Dispositions were presented for: 7283, Xerox Copier from Treasurer's Office, 1420, Chair from Weed/Mosquito, 3825, Calculator, 5702, Adding Machine, 1171, Pencil Sharper, 7391, Calculator, 5703, Adding Machine and a Okidata Fax Machine, all from the Assessor's Office

Motion to approve payment of the Warrant Check Edit List, additional claims and the requisitions and dispositions as presented was made by Commissioner Gary Kofford, Seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**SETTING OF PUBLIC HEARING TO INCREASE TRANSIENT ROOM TAX RATE.**

Commissioner Gary Kofford made a motion to set a Public Hearing for March 6, 2007 at 10:00 am to receive public comment on a proposed rate increase for Transient Room Tax and to have Attorney David Blackwell draft an ordinance for a proposed rate increase from 3% to 4.25 % for review by the public before the public hearing. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF FEDERAL ANNUAL CERTIFICATION REPORT.**

Sheriff LaMar Guymon explained that the Federal Annual Certification will allow the Sheriff's Department to apply for and receive federal funds as a result of seizure and or forfeiture of assets.

Commissioner Jeff Horrocks made a motion to approve signing the Federal Annual Certification Report. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**APPOINTMENT OF EMERY COUNTY WATER CONSERVANCY DISTRICT BOARD MEMBERS.**

Commissioner Gary Kofford made a motion to re-appoint Craig Johansen and Earl Fillmore and appoint Roger Barton to replace Kash Winn on the Emery Water Conservancy District Board. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF ADVERTISEMENT FOR CARBON/EMERY COUNTY ENERGY EDITION.**

Commissioner Gary Kofford made a motion to approve advertising in the Carbon/Emery County Energy Edition using the same ad as last year with the exception of replacing Ira Hatch with Jeff Horrocks. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF CONTRACT FOR ENGINEERING SERVICES ON SOUTH MOORE CUT-OFF ROAD, PHASES 5&6 WITH JOHANSEN AND TUTTLE/UDOT/EMERY COUNTY.**

A contract for design engineering services on South Moore Cut-Off Road Phase 5 & 6 between Johansen and Tuttle Engineering/ UDOT was discussed. Emery County as the receiving entity must approve the contract. The amount of the contract is \$111,132.34. Commissioner Gary Kofford made a motion to approve the contract for design engineering services on South Moore Cut-Off Road Phases 5 & 6 with Johansen and Tuttle Engineering and UDOT. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF FY2007 CONTRACT AMENDMENT #1 BETWEEN EMERY COUNTY AND SOUTHEASTERN UTAH AREA AGENCY ON AGING.**

(9)

**DISCUSSION OF DISPOSITION OF SURPLUS SCALE AT ROAD SHOP**

The Board of Commissioners discussed prior attempts to try and sell the surplus scales from the Road Department. The scales were a part of the building when it was acquired from UPL. It is a small scale with a 6x8 foot deck. It will require a concrete base which will cost approximately \$3,000.00 to set up. Clyde Magnuson has approached Morris Sorensen about acquiring the scales to have available, at no fee, for stockmen to weigh stock before taking to market. It was Commissioner Kofford's recommendation to give the scales to Clyde Magnuson with the stipulation that he not charge a fee to citizens for the use of the scale. After much discussion on this matter Commissioner Jeff Horrocks made a motion to put the scale in the upcoming county surplus property auction. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF PROPOSAL FOR AUCTION FOR SURPLUS VEHICLES.**

The Board of Commissioners entered into discussion on a proposal for an auction for surplus vehicles and other equipment. Commissioner Kofford met with Danny Whiten, TNT Auctions to look over the road department's surplus equipment for sale. TNT Auctions sells out of Salt Lake City. They hold an auction every quarter with the first one of the year slated for March 31, 2007.

The contract is for ten percent of what is made from the auctioned items. The county would have to be responsible for getting the equipment to Salt Lake City. Commissioner Kofford recommended this would be of benefit to the county as we could send equipment to SL for the auction as it becomes available. Commissioner Sitterud had a bid from RMA Auctions, Randy Anderson from Emery. RMA conducted the last auction we had in 2003. He indicated that RMA bid eight percent of the profit from the sale which is the same as last time. RMA is local and they did a good job at getting us the best price for the vehicles and equipment the county had for sale. Commissioner Sitterud felt that the people of Emery County should have an opportunity to purchase the surplus vehicles. Morris Sorensen stated that he felt that there was a better market for the road equipment in Salt Lake City. Sheriff Guymon indicated that the ambulances could also get a better price if sold somewhere else. There is a market for this type of equipment in places like Old Mexico as well as small contractors. They discussed possibly

COMMISSION MEETING MINUTES  
FEBRUARY 6, 2007

selling equipment and vehicles as they become available. Commissioner Jeff Horrocks proposed that the county use TNT for the road equipment and ambulances and use RMA, the local seller to sell the vehicles with a minimum price set on them and sell them locally along with the other equipment the county has to sell. Commissioner Jeff Horrocks made a motion to send the road equipment and ambulance to TNT to sell and send the vehicles, with a minimum price set to them to RMA to sell locally. Commissioner Gary Kofford agreed to second the motion provided a date was set for the auction. Commissioner Jeff Horrocks set May 5, 2007 as the date for the county auction. Commissioner Gary Kofford then seconded the motion.

They discussed sending the vehicles to the Sheriff's Department for cleaning and preparation for the sale and then to transport to the Road Department for the sale. The keys are to be sent to the Clerk/Auditor's office to be put with the title and made ready for the auction. Commissioner Jeff Horrocks made a motion to send the vehicles to the Sheriff's Department for preparation, then transported to the Road Department yard and the keys delivered to the Clerk/Auditor's office. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to form a committee of Brenda Dugmore and LaMar Guymon to come up with a process for disposing of equipment as it comes available. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH THE STATE OF UTAH AND EMERY COUNTY LIBRARY FOR COMMUNITY LIBRARY ENHANCEMENT FUNDS.**

Commissioner Gary Kofford made a motion to approve a contract with the State of Utah and Emery County Library for Community Library Enhancement Funds in the amount of \$5,587.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF CELL PHONE REIMBURSEMENT FOR COMMISSIONER JEFF HORROCKS.**

Commissioner Gary Kofford made a motion to approve a cell phone reimbursement in the amount of \$45.00 a month for Commissioner Horrocks for the use of his cell phone for county business. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE.**

A business license application for Adam and Angi Bradley DBA: Roan River Ranch was presented for consideration. Planning/Zoning Director, Michael McCandles has reviewed and signed off on the application. Commissioner Jeff Horrocks made a motion to approve a business license application for Adam and Angi Bradley DBA: Roan River Ranch. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN PRICE CITY AND EMERY COUNTY FOR CENTRAL UTAH BUSINESS EXPANSION AND RETENTION PROGRAM.**

Price City is the fiscal agent for an EDA grant in which Emery County participates. Attorney David Blackwell explained that this agreement protects all parties and protects Price City from being left holding the bag on the program. Price City is the pass through for the program. Emery County's participation last year about \$1,300.00. Commissioner Gary Kofford made a motion to approve an agreement between Price City and Emery County for Central Utah Business Expansion and Retention Program. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(15)

**CITIZEN CONCERNS**

Sheriff Guymon relayed a concern regarding a rumor that a gypsum mine on the wedge was about to start up.

(16)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Consideration and approval of progressive routine step increase for Gaylene Cox. Morris Sorensen requested a routine progressive step increase for Gaylene Cox from 5C at \$8.87 per hour to 6C at \$9.23 per hour. If approved this would become effective February 12, 2007. Commissioner Jeff Horrocks made a motion to approve a routine progressive step increase for Gaylene Cox as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Consideration and approval of progressive routine step increase for Gaylene Conder. Dennis Worwood requested a routine progressive step increase for Gaylene Conder from 7D at \$9.81 to 8D at \$10.22 per hour. If approved this will become effective February 12, 2007. This

COMMISSION MEETING MINUTES  
FEBRUARY 6, 2007

increase will put Gaylene at the working level. Commissioner Gary Kofford made a motion to approve a routine progressive step increase for Gaylene Conder as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

C. Consideration and approval of updated EEO plan.

Commissioner Jeff Horrocks made a motion to approve the updated EEO plan for Emery County as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Approval to hire Kimball Larsen as part-time maintenance/grounds keeper at the museum.

Interviews were held for a part-time maintenance /grounds keeper at the Museum of the San Rafael. Jan Petersen requested to hire Kimball Larsen as the maintenance/grounds keeper. If approved this would be at Grade 4D at \$8.66 per hour. Ann Larsen would assume the duties at the Sheriff's Department. Commissioner Gary Kofford made a motion to approve hiring Kimball Larsen as part-time maintenance/grounds keeper at the Museum of the San Rafael as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

E. Approval to hire Doris Lamb and Zora Fielder as part-time sales clerks at the museum.

Interviews were held for sales clerks at the Museum of the San Rafael. Jan Petersen requested to hire Doris Lamb and Zora Fielder as part-time sales clerks at the museum. If approved this would be at Grade 4A at \$8.12 per hour. Commissioner Jeff Horrocks made a motion to hire Doris Lamb and Zora Fielder as part-time sales clerks at the Museum of the San Rafael. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

F. Approval to hire Kristin Robertson as a part-time Justice Court clerk in Green River. Interviews were held for a part-time Justice Court clerk in Green River. If approved this would be a six hour a week position at Grade 4A \$8.12 per hour. Commissioner Gary Kofford made a motion to approve hiring Kristin Robertson as a part-time (six hours a week) Justice Court clerk in Green River as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(17)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the meeting minutes dated January 16, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)****COMMISSION REPORTS***Commissioner Horrocks*

Commissioner Horrocks reported on a leaking problem at the Museum of the San Rafael. Currently the humidifier is being worked on at the museum. He recently attended a newly elected officials seminar.

*Commissioner Kofford*

Commissioner Kofford reported on the recent completion of courthouse roofing project. He talked about a replacement of a fuel line at the museum. The sizing was not adequate for the new gas heaters. He reported on upcoming UBAN and UAC meetings.

*Commissioner Sitterud*

Commissioner Sitterud reported on recent talks with State Parks who is putting together an ad campaign for Emery County. They will run radio spots with FM100 and KSL as well as a screen ad at the Gateway Theaters in Salt Lake City. He reported on planned projects such as tag sport fishing at Millsite Reservoir, a Bass fishing contest and a wake board contest at Huntington Lake. He talked about the Iron Man Competition that Emery County was successful in bidding for in 2008 to be held at Huntington Lake. Sheriff Guymon is working on the route for the Iron Man Competition. He talked about the Miss Emery Pageant. Jerilyn Spears will be the director of the pageant this year. Miss Emery Pageant will be July 14, 2007 with the Rodeo on the 26, 27, and 28 of July. The Emery County Fair will be the week of July 30 through August 4<sup>th</sup>. He reported that all the offices in the courthouse have a copy of the plan for the swimming pool. He asked for comments from everyone. He along with the other commissioners and the pool committee will be meeting on the site of the swimming pool with the architect today at 3:30 and invited anyone who would like to attend. They hope to get a general contractor on line by April. The Recreation District is planning a drawing for the first people to get to use the swimming pool. The first couple of days of the opening of the pool will be free, after that everyone will pay to use it. He talked about the lands trade out bill currently before the House.

Commissioner Gary Kofford made a motion to move into an executive session to discuss attorney/client litigation issues. Motion to approve was made by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Personnel Director Mary Huntington, and Deputy Clerk/Auditor Carol Cox.

Commissioner Jeff Horrocks made a motion to come out of Executive Session and return to the regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(20)**  
**ADJOURNMENT**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ROGER BANKERT, BLM, QUARTERLY UPDATE**

Roger Bankert, BLM provided the following update of BLM activity:

\* The BLM Resource Management Plan is moving forward. They are working toward completion by June 2008.

\* Cleveland Lloyd Dinosaur Quarry re-dedication or open house was to be in October 2007 has been re-scheduled for April 28, 2007.

\* BLM Law Enforcement contract with the county *may be* canceled for next year due to lack of funding.

\* Since Mr. Bankert has been with the Price office of BLM he has been working on mostly new issues. However, an old issue he is working on is the placement of the gate at Range Creek.

\* Since the weather was nice this last weekend people were out on the desert. They experienced one trespassing incident on the Devil's Race Track. The trail was maintained and cleaned up citizens.

\* BLM RAC meeting will in Emery County on May 2. They have planned a tour of Nine Mile Canyon on the 1<sup>st</sup>.

**(3)**

**MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Mesia Nyman, Forest Service, provided the following update of Forest Service activity:

\* They currently have six small timber sales. The harvest is approximately 7,760 hundred cubic feet.

\* She reported that they have scheduled two prescribed burns in the Pines and Presco areas. The burns are scheduled for every other year to accommodate grazing. Grazing may not be very good due to the lack of snow pack. However, they do not anticipate a reduction in grazing permits for this year. A wildlife and fuels project is planned for the Black Dragon area.

\* Regarding energy, she reported on gas wells and pipe lines.

\* Regarding recreation use, she reported on scheduled repair work on Lord's Trail and the old Dugway Trail on Ferron Creek. They are planning to construct a parking area in Huntington Canyon.

**(4)**

**ROBERT GILBERT, DWF, UPDATE OF THE SOUTHEAST REGIONAL COUNCIL.  
DISCUSSION OF APPOINTMENT OF MEMBER TO FILL VACANCY ON THIS  
COUNCIL.**

Robert Gilbert, DWF, reported on the efforts of past commissioner Ira Hatch who served on the Southeastern Regional Council for eight years. He was seeking an appointment from the Emery County Commissioners to fill the vacancy on this council. Commissioner Gary Kofford made a motion to appoint Jeff Horrocks to fill the vacancy on the Southeastern Regional Council.

Commissioner Drew Sitterud stepped down to second the motion. The motion was approved by all members present. Mr. Gilbert informed Commissioner Horrocks that the next meeting will

March 16<sup>th</sup> at 10:30 am in Moab.

(5)

**CONSIDERATION AND ADOPTION OF A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS, ACTING IN ITS CAPACITY AS THE GOVERNING AUTHORITY OF CASTLE VALLEY SPECIAL SERVICE DISTRICT, AUTHORIZING THE ISSUANCE AND SALE OF \$1,660,000.00 AGGREGATE PRINCIPAL AMOUNT OF GENERAL OBLIGATION PUBLIC PURPOSE BONDS OF THE DISTRICT; APPROVING AND AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS IN CONNECTION WITH THE ISSUANCE OF THE BONDS; AND RELATED MATTERS.**

Darrell Leamaster, Castle Valley Special Service District and Alex Buxton, Zions Public Finance were present to discuss authorizing the issuance and sale of \$1,660,000.00 aggregate principal amount of general obligation public purpose bonds for the CVSSD. In 2001 voters approved a 12 million dollar bond issue for CVSSD. To date the District has used up 8.5 million dollars of the voter approved funds. The first payment for re-payment of the bond begins in January of 2009 with the final payment in 2013. The funds will be used for curb/gutter and drainage projects in all of the Emery County communities. Alex Buxton spoke about the time frame for closing the bond and related documents that were presented for signing by the Commissioners. The closing is set for March 28, 2007 at Chapman and Cutler's office in Salt Lake City. Commissioner Jeff Horrocks made a motion to adopt Resolution 02-20-07A authorizing the issuance and sale of \$1,660,000.00 aggregate principal amount of general obligation public purpose bonds for the District and authorize the signing of related documents. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND ADOPTION OF A RESOLUTION AUTHORIZING THE ISSUANCE AND SALE OF \$5,000,000.00 AGGREGATE PRINCIPAL AMOUNT OF GENERAL OBLIGATION BONDS OF EMERY COUNTY; APPROVING AND AUTHORIZING THE EXECUTION AND DELIVERY OF CERTAIN DOCUMENTS IN CONNECTION WITH THE ISSUANCE OF THE BONDS; AND RELATED MATTERS.**

Alex Buxton, Zions Public Finance explained that Resolution 2-20-07B authorizes the issuance and sale of \$5,000,000.00 aggregate principal amount of general obligation bonds of Emery County. This is the voter approved \$5,000,000.00 general obligation bond for the new swimming pool. It is a 0% interest loan granted through the Community Impact Board. Payment on the bond will begin January 2009. The date for closing has not been set at this time. He recommended adopting the resolution and publish in the paper the notice of bonds to be released and work towards a closing date. Commissioner Gary Kofford made a motion to adopt

4

Commission Meeting Minutes  
February 20, 2007

Resolution 2-20-07B authorizing the issuance and sale of \$5,000,000.00 aggregate principal amount of general obligation bonds of Emery County and authorize the signing of related documents. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE FOR D.T.A. LUMBER.**

A business license application was presented for Danny and Tammy Allen DBA: D.T. A. Lumber.

Zoning Administrator Mike McCandles explained that this is a sawmill. The application has been approved by the Zoning Administrator and the Building Inspector. Commissioner Gary Kofford made a motion to approve a business license for Danny and Tammy Allen DBA: D.T.A. Lumber. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**CITIZEN CONCERNS**

Commissioner Kofford reported that the terms of two board members on the Planning and Zoning Committee have expired. Commissioner Gary Kofford made a motion to advertise for citizens interested in serving on the board of Planning and Zoning Committee. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**APPROVAL OF DONATION OF USED/REFURBISHED COUNTY COMPUTERS TO THE EMERY COUNTY FAIR BOARD.**

Commissioner Gary Kofford made a motion to approve the donation of four used and refurbished computers to the Emery County Fair Board to be used for drawings at the Fair and the Miss Emery Queen contest. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF RIGHT-OF-WAY EASEMENT  
AGREEMENT TO INSTALL RADIO TOWER.**

Economic Development Director, Mike McCandles explained that the Scenic Byway Committee has been working on a 2006 grant to put in information radio stations in several locations. They looked at putting one in Huntington Canyon, Fairview Canyon and eventually one in Scofield. Location that they found to be best in Huntington is located on Huntington City property where the old water tanks are located. The county has an existing tower there, they looked at locating it on the new tower that the county has put up. In order to keep the warranty on the radios that they have purchased, there has to be a specific amount of spacing away from the radios that are there. They have worked with Emery TelCom to install a pole to install the antennas on. This agreement is to acquire an easement from Huntington City to put the utilities to the pole. The scenic byway is not a physical entity in and of itself, so they are asking that Emery County to be the one to accept that easement from Huntington City so they can install the utilities on to the radio tower. The cost of the utilities is handled by Castle County Travel Region and Scenic By-Way, but they need a physical entity such as the county or Travel Bureau to accept the easement. David Blackwell has not had the opportunity to review the easement. His question is why is the County being asked to accept the easement? This is on Huntington City property. Mike explained that Emery County is a part of the Travel Region. He has tried to get Huntington City to accept the easement as part of their participation in the Travel Region but has not been successful. Mr. Blackwell had concern that there was no where for the county to even sign the document. Commissioner Kofford wondered why we are not utilizing the existing power source. Commissioner Kofford made a motion to have Mike McCandles go back to the Travel Region to talk to them about utilizing the existing power source with possibility of addition of tower fifty feet away from exiting tower. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF CORPORATE CREDIT APPLICATION FOR  
EMERY COUNTY LIBRARY WITH AMAZON.COM**

Commissioner Kofford explained that Jerilyn Mathis, Head Librarian requested approval of a corporate credit application for Emery County Library with Amazon.com to allow purchase of books and other materials by way of the internet. Attorney David Blackwell did not have an opportunity to review the application before the meeting. Commissioner Gary Kofford made a motion to approve the corporate credit application with Amazon.com pending review and approval from Attorney Blackwell. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**DISCUSSION OF SETTING A PUBLIC HEARING DATE FOR ADOPTION OF WILDLAND URBAN INTERFACE CODE ORDINANCE.**

Commissioner Gary Kofford made a motion to set March 20, 2007 at 10:00 am for a public hearing for adoption of Wildland Urban Interface Code Ordinance. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. Mike McCandless was assigned to publish notice in the paper for two weeks prior to the public hearing.

(13)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT BETWEEN UDOT AND EMERY COUNTY FOR PROJECT NUMBER HPP-1612 (3) 0- RECONSTRUCT SOUTH MOORE CUT-OFF ROAD PHASE III.**

Commissioner Gary Kofford made a motion to approve of a Cooperative Agreement between UDOT and Emery County for Project Number HPP-1612 (3) 0 the Reconstruction of South Moore Cut-Off Road Phase III. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR EMERY COUNTY RECREATION SPECIAL SERVICE DISTRICT.**

Shannon Hiatt, Recreation Special Service District requested approval to waive the building permit fee for the renovation of the concession stands at the Huntington Ball Complex. He has been working on bringing the concession stand up to code. The associated fee for the inspection is \$435.04. Commissioner Gary Kofford made a motion to waive the \$435.04 building inspection fee for the Recreation Special Service District. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(15)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington was absent from the meeting. Commissioner Drew Sitterud presented the following Personnel action:

**A. Discussion and approval to move Robby Riley to Corrections.**

Sheriff Guymon requested approval to move Robby Riley, who has completed POST Certification, to Corrections. If approved Robby's wage would go from 10D, \$11.63 per hour to

12D, \$12.60 per hour. Commissioner Jeff Horrocks made a motion to approve moving Robby Riley to Corrections with the associated wage increase. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated February 6, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(17)**

**COMMISSION REPORTS.**

*Commissioner Horrocks*

Commissioner Horrocks reported that the Weed and Mosquito Department will soon begin work on noxious weed control on BLM property in Green River. The county received a grant to do this work.

*Commissioner Kofford*

Commissioner Kofford reported that Special Service District is working on obtaining a right-of-way for road re-construction work on Rilda Canyon Road in Huntington Canyon. The road goes to the mine portal where they have installed a new fan. The portal is for taking equipment in and out of the mine. No miners will be using the portal for entrance to the mine. They will be advertising for bids for construction work on March 12, 2007. He also reported on the So. Moore Cut-Off Road time frame for completion of work.

*Commissioner Sitterud*

Commissioner Sitterud reported the school district allowed the Jr. Jazz to use the Spartan Center for their final tournament. There was a good crowd that attended. He expressed his gratitude to the Emery School District for allowing the use of the center. On the 7<sup>th</sup> of February he met with others from Uintah, Carbon, Daggett, Duchesne and Utah Counties regarding addressing. All of Eastern Utah is complete with providing common names to roads that are shared in common with other counties. He reported on a meeting he attended along with Commissioner Kofford and Mike McCandless regarding the proposed \$5 million dollar refinery in Green River. If Green River City does not approve it they will move to Carbon County. He also met with the BLM RAC. The RAC is involved with an assignment to look at all fee increases by BLM and Forest on any public land.

Commissioner Jeff Horrocks made a motion to leave the regular Commission Meeting and move into an Executive Session to discuss pending litigation matters. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Those present at an executive session were Commissioner Drew Sitterud, Commission Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Economic Development/Zoning Administrator Mike McCandles, and Deputy Clerk/Auditor Carol Cox.

Commissioner Gary Kofford made a motion to come out of an Executive Session and return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 6, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

A public hearing was scheduled for 10:00 am. Commission Chairman Drew Sitterud indicated he will skip item 2 and move through the agenda until 10:00 am at which time the meeting will adjourn and move into a public hearing.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/auditor Brenda Dugmore presented the Warrant Check Edit List #181787 through and including #181913 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
19-07	7 X 12 Tandem Axle Sheriff- HLS 05	2,450.00	Approved
20-07	2003 Kenworth Tractor Highway	65,000.00	Approved

There were no dispositions.

Brenda discussed a claim to pay Canyon Fuel \$19,174.86 which is the amount of their appeal.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**RETURN TO REGULAR MEETING SCHEDULE FOLLOWING A BRIEF RECESS.**

COMMISSION MEETING MINUTES  
MARCH 6, 2007

At 10:00 am Commissioner Jeff Horrocks made a motion to return to the regular Commission Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to move into a public hearing to receive comment on adoption of an ordinance to increase TRT rate from 3 % to 4.5 %. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**10:00 AM, PUBLIC HEARING- To receive public comment on adoption of ordinance to increase Transient Room Tax Rate from 3% to 4.5%.**

Commission Chairman Drew Sitterud opened the meeting up for public comment.

Comments were heard as follows:

Mike McCandless: Mr. McCandless, as the Economic Development Director for Emery County and also a member of the Ferron Golf Course Committee expressed his approval for a proposed TRT rate increase. The Utah state legislature has given counties the ability to raise the TRT rate. A number of counties have already enacted the rate change. It enables flexibility to do projects that otherwise would have stipulations on them.

Jo Sansevero: Ms. Sansevero, as a member of the Ferron City Council and Chairman of the Economic Development Council expressed her support for a proposed increase in the TRT rate. She felt that the tax is imposed on those people who visit Emery County and not the citizens of Emery County. Without the tax increase we cannot have the potential to get the dollars that we need to do the projects that attract people to our area.

Neal Peacock: Mr. Peacock as Mayor of Castle Dale was in favor of the proposed TRT tax increase. He felt that it was good to have people from out of the area help to offset the cost to provide the services. He felt that this tax has very little negative impact on the citizens of Emery County and is glad that the state legislature has allowed the increase.

LaMar Guymon: Sheriff Guymon asked how much is estimated to be generated by the proposed TRT increase.

Commissioner Sitterud indicated approximately \$30,000.00 annually.

Gil Bowden: Mr. Bowden, as Mayor of Ferron City stated support for the proposed TRT rate increase. As a motel owner he cannot see any negative effect to the citizens of Emery County as the tax is imposed on those who visit. The tax rate is still below the medium of other areas.

COMMISSION MEETING MINUTES  
MARCH 6, 2007

Jim Fauver: Mr. Fauver, as an employee of Castle Valley Ranch has no opposition to the TRT rate increase especially if funds are used to help improve Millsite Golf Course. Many of the visitors to the ranch use the golf course as part of their travel package.

LaMar Guymon: Sheriff Guymon, as member of the Emery County Travel Bureau stated that 90% of the TRT tax is generated in Green River City. The tax is here to benefit everyone. It is not a dedicated fund and should be used to improve infrastructure for improvement of an area. As a council they do what they can to be fair to everyone.

Commissioner Sitterud asked if there were anymore comments.

There were no more comments.

Motion to close the public hearing was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

Motion to return the regular Commission meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(3)**

**CONSIDERATION AND APPROVAL OF ORDINANCE INCREASING TRANSIENT ROOM TAX RATE TO 4.25%.**

Attorney David Blackwell indicated that if the ordinance passes it will become effective on July 1, 2007 following a 90 day notice from date of passage. This will allow time to contact the motel owners of the new ordinance.

Commissioner Jeff Horrocks, in taking into consideration the comments made this day, made a motion to adopt Ordinance #030607 increasing the Transient Room Tax Rate for Emery County from 3 % to 4.5 %. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(4)**

**CITIZEN CONCERNS**

None

(5)

**CONSIDERATION AND APPROVAL OF AGREEMENT NO. 05-PA-11041000-015-CY2007 FINANCIAL AND OPERATING PLAN INVOLVED IN MANAGEMENT OF THE CCRIC.**

Economic Development Director, Mike McCandless explained that agreement #05-PA-11041000-015 CY 2007 is a partnership with Emery County, Carbon County, BLM, Forest Service, State Parks, Canyon County NA, CEU, Price City, Castle Dale City and Green River City. The agreement will help the federal agencies continue with their portion of this partnership. Basically, it pays for the staff person at the CEU Museum who intercepts visitors to the museum and directs them to where to go when they come to the area. They distribute tourism information to visitors. All the partners in the partnership help contribute to the fund to pay for this staff person. Historically, Emery County has paid for this partnership once a year. Commissioner Gary Kofford made a motion to authorize Mike McCandless as Chairman of the Travel Bureau to sign the agreement. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF CELL PHONE REIMBURSEMENT FOR DUSTIN BUTLER.**

Commissioner Jeff Horrocks made a motion to approve a cell phone reimbursement for Dusty Butler beginning with February. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**SETTING OF MAY TAX SALE.**

Clerk/Auditor Brenda Dugmore recommended setting the May Tax Sale for May 24, 2007 at 10:00 am. Commissioner Gary Kofford made a motion to set the date of May 24, 2007 at 10:00 am for the May Tax Sale. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**RATIFICATION OF AMENDMENT TO COOPERATIVE AGREEMENT HPP-1612(3)0 WITH UDOT FOR SOUTH MOORE CUT-OFF ROAD PHASE III/IV.**

Commissioner Kofford explained that a mistake was made on the original agreement signed on

COMMISSION MEETING MINUTES  
MARCH 6, 2007

February 20, 2007. An amendment was needed to correct the mistake. The signature page had to be redone. Commissioner Gary Kofford, as the Authorizing Agent, signed the amendment and returned it to UDOT. A ratification of that signature was needed. Commissioner Jeff Horrocks made a motion to ratify the signature on the amendment to cooperative agreement HPP-1612(3)0 with UDOT for South Moore Cut-Off Road Phase III/IV. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(9)

**APPROVAL OF OUT-OF-STATE TRAVEL FOR ECONOMIC DEVELOPMENT.**

Commissioner Drew Sitterud explained that the Emery County Personnel Policy states that any out of state travel by an Emery County employee must be approved by the Commission beforehand. Economic Development Director, Mike McCandless requested approval to travel to Wyoming and or Idaho to visit refinery sites. During the last meeting on the proposed refinery in Green River City it was suggested by the Division of Air Quality that it would be beneficial to have key people from Green River City visit the sites of other refineries. Commissioner Gary Kofford made a motion to approve out of state travel for Mike McCandless and possibly a Commissioner. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL FOR SPECIAL USE PERMIT RENEWALS WITH FOREST SERVICE FOR A 6000 WATT KV TRANSMISSION LINE.**

Commissioner Sitterud explained that the agreement for consideration is renewal of a standard special use permit with the Forest Service for a 6000 watt KV transmission line on Horn Mountain. Commissioner Gary Kofford made a motion to approve a special use permit with the Forest Service for a 6000 watt KV transmission line on Horn Mountain. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF APPLICATION FOR LAND FOR PUBLIC PURPOSE FROM THE BLM FOR LANDFILL AND SHOOTING RANGE.**

Commissioner Sitterud explained that the application with BLM is for 40 acres north of the landfill for expanding the cells at the landfill and 40 acres for the trap shoot. Commissioner

COMMISSION MEETING MINUTES  
MARCH 6, 2007

Gary Kofford made a motion to approve signing the applications with BLM for land for public purpose for the landfill and trap shoot. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

Two business licenses were presented for consideration. The first one was from Henry and Ann Cubel DBA: Fordwood. They will making reproduction of wood frames for antique cars as well as selling other items for antique cars. Commissioner Gary Kofford made a motion to approve a business license application for Henry and Anna Cubel DBA: Fordwood.

The second application was form Bevan Dean Collard DBA: Bevan's Precision Alignment, LLC. He will be a mobile alignment service for big trucks and rigs. Commissioner Kofford expressed concern that the application indicated he would fix repairs anywhere. Commissioner Kofford wanted to make it clear to the applicant that repairs should be done on the customer's site and not on public parking lots, etc. Commissioner Gary Kofford made a motion to approve the application for Bevan Dean Collard DBA: Bevan's Precision Alignment, LLC upon notifying Mr. Collard to do repairs only on the customer's site and not on public parking lots and such. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Request approval to begin the recruitment process for a corrections secretary.

Sheriff Guymon is requesting approval to start the recruitment process for a full time corrections secretary at Grade 4A @ \$8.12 per hour. Jennifer Jensen moved into Dispatch and now her position needs to be filled. Commissioner Jeff Horrocks made a motion to approve beginning the recruitment process for a full time corrections secretary as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated February 20, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(15)****COMMISSION REPORTS***Commissioner Jeff Horrocks*

Commissioner Horrocks reported that he has been working with Weed and Mosquito regarding upgrading some of their equipment and preparing equipment for the up coming auction. He is still working on getting the vehicle list put together for the auction.

*Commissioner Gary Kofford*

Commissioner Kofford talked about the list of ambulances for the auction that he putting together to send off to TNT for their auction. He also reported on the trade show that he attended in SLC. Miss Emery and her attendant also attended the show. He indicated that there was much interest in the San Rafael Swell. Commissioner Kofford also reported on the progress on Lila Canyon's construction project.

*Commissioner Drew Sitterud*

Commissioner Sitterud provided an update on the digital television conversion. The analog signal is scheduled to be shut off in 2008. Most of the analog wave is being used by the GPS and cell phone signals. Emery County, as a part of the television group agreed to put \$1,000.00 a year into a fund that would be used for maintenance of the system may have to be raised to \$2,000.00 per year due to the rising cost of the equipment needed for the system.

**(16)****EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

With the time being 9:45 am Commissioner Jeff Horrocks made a motion to recess until 10:00 am for a scheduled Public Hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)****ADJOURNMENT**

8

COMMISSION MEETING MINUTES  
MARCH 6, 2007

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 20, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens. Attorney David Blackwell was not able to attend the meeting until 11:00 am. Therefore, Commissioner Jeff Horrocks made a motion to suspend the order of the agenda. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List #182035 through and including #182169 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
21-07	2007 Caterpillar 140 Grader Highway	228,514.00	Approved
22-07	Executive High-Back Chair Extension	675.99	Approved
23-07	(5) 2007 Dodge Durangos Sheriff	121,070.00	Approved

There were no dispositions.

Clerk/Auditor Brenda Dugmore indicated that requisition # 23-07 for the 5 Durangos was handed to her at the beginning of the meeting and she has not had an opportunity to review it. She asked that in the future requisitions be brought to her office in a timely manner to provide for review before the meeting.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional

COMMISSION MEETING MINUTES  
MARCH 20, 2007

claims and requisitions with the exception of the requisition for Durangos being subject to review by Brenda Dugmore. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**DONNA SACKETT, SENATOR BOB BENNETT'S OFFICE UPDATE**

Donna Sackett, Senator Bob Bennett's Office, provided information for the Emery County Board of Commissioners regarding Senator Bennett, his office and on going projects in the county. On April 17, 2006 there will be a remote office in Green River for anyone who wishes to visit and address any concerns that they may have. A remote office will be on May 8, 2007 in Castle Dale.

They will also be going into the schools to educated students on government.

(3)

**DELENA FISH, DWS, QUARTERLY UPDATE.**

Delena Fish, DWF provided the following update:

- \* Delena reviewed DWFS Eastern Region Performance Outcomes for January and February 2007.
- \* DWFS and Southeastern Utah District Health will join forces for medicaid eligibility and CHIP eligibility services.
- \* The legislature has approved a one time, 2.5 million dollar child care appropriation funding.
- \* The Castle Dale office is scheduled to receive the computer system and programs in March 2008.
- \* Unemployment rate is lowest it has ever been at 2.9.

(4)

**REPRESENTATIVES FROM ROCKY MOUNTAIN ENERGY, QUARTERLY UPDATE**

Deb Dull, Representative from Rocky Mountain Energy provided the following update:

- \* Rilda Canyon project progress.
- \* Huntington-Cleveland Irrigation Company worked through the winter on their project. All is going well.
- \* North Emery Water Users Special Service District is moving along on their project. They used local vendors such as Nielson Construction and Guymon Fabrication for their 13 million dollar project in 2006 and will spend another 13 million dollars on the project this year with funds provided from the federal government and PacifiCorp.

COMMISSION MEETING MINUTES  
MARCH 20, 2007

Reg Soepnel Strand, Managing Director of Plants for PacifiCorp provided an overview of the structure of PacifiCorp's holdings. He introduced site facility managers for Huntington Plant and Hunter Plant.

Darrel Cunningham, Hunter Plant, provided an overview of activity at that facility. He informed the Commissioners of a planned overhaul for Hunter #2 beginning on March 31, 2007 for six weeks. He told the Commissioners that they expect 300 to 400 contractors to be in the area for the 55 million dollar project. Finding skilled labor continues to be a problem for them. He talked about the new interchange for Hunter Plant. He thanked the Commissioners for their efforts working with UDOT to bring the new interchange about. The plant moves approximately 3,000,000 ton of coal a day with an average of 650 trucks a day going in and out of the interchange. Johansen / Tuttle Engineering and Nielson Construction worked on the much needed three million dollar project.

Gary Denhalter, Huntington Plant reported that in 2006 they installed a scrubber on Huntington # 2. A sulfur dioxide eliminator was not required when Hunter #2 was initially installed. They had 750 construction contractors on site during this project. He was happy to report there were no recordable accidents or loss time recorded during the project. There has been a marked improvement in sulfur dioxide emissions with the new scrubber. He expressed appreciation to Sheriff Guymon and his department for control of vehicle traffic in the canyon during that project.

Mr. Soepnel reported that in 2007 they will be working on people issues such as safety performance, human performance and reduction on human errors. There are no more scheduled overhauls for the plants until 2017.

With the time being 10:00 am Commissioner Jeff Horrocks made a motion to move into a advertised Public Hearing to hear comments on mental health and substance abuse needs for Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**10:00 AM- PUBLIC HEARING- FOUR CORNERS MENTAL HEALTH- To receive public comment on mental health and substance abuse needs for Emery County.**

Commissioner Gary Kofford opened the Public meeting and introduced Jan Bodily, Executive Director at Four Corners Behavioral Health. Ms. Bodily will fill the position previously held by Bob Greenberg who retired. Ms. Bodily stated that under state law Emery County Commission is the acting authority for mental health services in the communities. She introduced Jennifer Thomas, Program Supervisor for the Emery County Office.

The meeting was opened to the public for comment as follows:

COMMISSION MEETING MINUTES  
MARCH 20, 2007

Joni Pace, Green River: Green River is serviced by Four Corners, but because of the distance they do not receive all of the services that the rest of Emery County receives. They have a therapist who comes to Green River two days a week. She indicated that she would like to find a way for Green River to be better serviced. She thanked mental health for the services that they do provide and especially Jennifer for her help. She is always willing to help them.

Jennifer Thomas: Jennifer expressed gratitude to Sheriff Guymon and his department for their help with their programs. She expressed a desire to help provide Green River with better services. When she first started at Four Corners a therapist was going to Green River only one day a week so there has been some improvement. Many services are available at Four Corners. Child Services, substance abuse help, adolescence intensive out-patience service and Drug Court are just some of the services that they provide.

Gary Kofford: Mr. Kofford stated that the late Mayor Mike Williams was the Chairman for the Board of Four Corners and they are now looking to fill that position. Kent Wilson, Glen Johnson and Gary Kofford are also on the Four Corner's Board representing Emery County.

There were no other comments.

Motion to close the Public Hearing was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

Immediately after item #5 they moved into a Public Hearing for agenda item #7.

(6)

**JAN BODILY, PRESENTATION AND ACCEPTANCE OF FY2006 AUDIT FOR FOUR CORNERS BEHAVIORAL HEALTH, INC.**

Jan Bodily, Executive Director at Four Corners Behavioral Health presented the FY2006 Audit for Four Corners. The auditor's letter indicates that all is as it should be. There were no concerns. Four Corners is in good shape. Motion to sign the acceptance of FY 2006 Audit for Four Corners Behavioral Health, Inc. as presented, upon approval of Attorney David Blackwell was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

Motion to move into a scheduled Public Hearing to receive public comment on proposed Wildland Urban Interface Code Ordinance was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**10:00 AM- PUBLIC HEARING-To receive public comment on proposed Wildland Urban**

**Interface Code ordinance.**

Commissioner Gary Kofford addressed the public regarding a proposed ordinance for Wildland Urban Interface Code. He indicated that a committee has spent the last two years going through the code to come up with an international code so that the county is not held responsible for the cost of fires. This ordinance will help alleviate the cost for fighting fires. Adopting an ordinance is the final step. The ordinance will have an impact, cost and design wise for those people building in mountainous areas or what is called defensible space.

There were no comments.

Motion to move out of the Public Hearing and return to the regular meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF WILDLAND FIRE URBAN INTERFACE CODE ORDINANCE.**

Attorney David Blackwell suggested wording changes to Section 1, 3<sup>rd</sup> line down, add words:” as amended by the Utah Division of Fire, Forestry and Lands.” We are not adopting the full international code, we are adopting the recommended state version. Commissioner Gary Kofford made a motion to adopt Ordinance 03-20-07 Wildland Fire Urban Interface Code Ordinance as amended by the state with the wording change as recommended by Attorney David Blackwell. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**JONI PACE , PACT, REQUEST TO PARTNER WITH EMERY COUNTY ON A DRUG FREE COMMUNITIES GRANT.**

Joni Pace, and Zina Willard, Positive Action Community Team discussed a grant opportunity to provide a coalition and collaboration with Emery, Carbon and Grand Counties to get a \$100,000.00 grant. They asked the Commissioners to partner with PACT. Zina stated that she felt that not enough is being done to combat the drug problem in Emery County. Joni indicated that she hoped to get Commissioner Jeff Horrocks on board to utilize his expertise in law enforcement. Commissioner Gary Kofford stated that he would like to see the grant. Commissioner Horrocks reminded them of the other documents that they would need to have in place. Patsy Stoddard asked what they had planned to use the money for. Joni indicated the money would be used to form a coalition to help make things work better. Also to provide for things like public announcements. The Commissioners asked her to provide a copy of their audit report, the MOU and copy of the proposed grant.

**(10)****CITIZEN CONCERNS**

There were no concerns.

**(11)****CONSIDERATION AND APPROVAL OF INTERLOCAL AGREEMENT BETWEEN EMERY COUNTY AND ECSSD#1.**

Richard Jensen, Emery County Special Service District Board Member presented an agreement between Emery County and ECSSD#1 for services rendered. The agreement is for space rental, meeting room rental, the services of the Secretary to the County Commission, Clerk/Auditor, Treasurer and Public Lands department in the amount of \$95,000.00. It is a five year, board approved, contract signed by SSD#1 Chairman Merrill Swasey. Commissioner Drew Sitterud questioned paragraph 3 in the agreement addressing compensation individuals or county officials who performs work for the district. Mr. Blackwell indicated that it conforms to payments made to Leslie for mineral lease tracking and his services. Commissioner Sitterud asked if the previous agreement covered these specific services? It appears that the paragraph is specific for two people. It has been the practice for the previous agreement. He indicated that with the wage survey coming up he doesn't agree with the paragraph and asked to have it stricken from the agreement. David Blackwell indicated that this came up when the board asked Leslie Bolinder as the secretary for the SSD#1 to do the mineral lease tracking which also benefits the County. It was approved to pay her additional money to do that. Commissioner Sitterud ask Leslie if the Board of Commissioners has ever asked her to track mineral lease as part of her job as secretary for the Commission office. She indicated that the Commissioners have not asked her to do it as part of her job. Commissioner Sitterud asked if they could ask her to do it as part of her job. She indicated that they could. Commissioner Sitterud said if she tracked mineral lease as part of her job then the paragraph would not be needed. He indicated that the legislature has passed a bill that will send a chunk of the mineral lease funds into the general fund and the Districts funds are going to go down. Commissioner Gary Kofford made a motion to approve the interlocal agreement with SSD#1 as presented. Commissioner Jeff Horrocks amended the motion to strike paragraph 3 at this time and address it in the future, approve the contract without the paragraph. Reason being based on the wage survey which is currently going on and we can come back to that part of the agreement if we need to look at again. Commissioner Sitterud asked if Commissioner Kofford would accept the amendment to his motion. Commissioner Kofford asked Attorney David Blackwell how this will affect the agreement. Attorney Blackwell indicated that we would just continue to follow past practice until something else changes. Commissioner Kofford agreed to accept the amendment to the motion. Motion passed. Attorney David Blackwell stated that the agreement will have to go back to the District. Commissioner Sitterud indicated that there will not be an agreement until we have a meeting of

the minds.

(12)

**CONSIDERATION AND APPROVAL OF AMENDED AND RESTATED INTERLOCAL AGREEMENT CREATING THE UTAH LOCAL GOVERNMENTS TRUST.**

Commissioner Sitterud explained that the Utah Local Governments Trust has amended the Workers Compensation agreement and restated the number of board members that the city and county has to have. The other amendment was a provision in article 14.3 regarding workers compensation. Attorney David Blackwell indicated that it was mostly cleaning up the agreement. Commissioner Jeff Horrocks made a motion to approve and sign the amendments to the Interlocal Agreement Creating the Utah Local Governments Trust. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE FOR KFJ TRUCKING AND SNUGGLE BUGS PLAY & LEARN CENTER.**

A business license application was presented for Shirley Van Wagoner DBA: Snuggle Bugs Play & Learn Center. The application has been reviewed and signed by Zoning Administrator Mike McCandless. Commissioner Gary Kofford made a motion to approve a business license for Shirley VanWagoner DBA: Snuggle Bugs Play & Learn Center. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

The Commission received a call from Ty Jensen, KFJ Trucking. The company has never acquired a business license and they have been in business for many years. They are in the process of some activity at their business that requires them to have a business license. A zoning clearance would require some time. The matter was referred back to the Commission. Mack Huntington, as Chairman of the Planning Commission has signed the license realizing that there are some problems but for the time being and in the best interest of the County felt that signing the license was the right thing to do. Commissioner Gary Kofford made a motion to approve a business license for KFJ Trucking. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF APPLICATION FOR ELIGIBILITY FEDERAL SURPLUS PROPERTY PROGRAM.**

Commissioner Jeff Horrocks made a motion to add James Nielsen, Weed/Mosquito to the list on the application for eligibility to purchase federal surplus property. Commissioner Gary Kofford

had to leave the room for another matter. Therefore, Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(15)

**CONSIDERATION AND APPROVAL OF WARRANT DEED OF PROPERTY FROM EMERY COUNTY TO MUNICIPAL BUILDING AUTHORITY OF EMERY COUNTY.**

Commissioner Kofford indicated that the Warrant Deed is for property needed to build the Senior Citizen Center in Green River. The property needs to be in the name of Municipal Building Authority of Emery County to pursue a grant for the Sr. Center. Commissioner Gary Kofford made a motion to sign a Quit Claim Deed from Emery County to sign the property over to the Municipal Building Authority of Emery County. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(16)

**CONSIDERATION AND APPROVAL OF LAND EXCHANGE BETWEEN EMERY COUNTY AND CASTLE DALE CITY AND ASSOCIATED PAPERWORK.**

Commissioner Jeff Horrocks explained that Emery County has been in negotiation with Castle Dale City to exchange property by the Museum of the San Rafael and the Senior Citizen Center. Commissioner Jeff Horrocks made a motion to exchange portions of property numbers 01-3C-4 and 01-3C-13 for Castle Dale City property 1-14-39, 1-14-31. Emery County retains the right to use the old jail facility which is the property listed for storage for a period of up to two years at which time the county will be responsible of removing the facility from the hill. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**CONSIDERATION AND APPROVAL OF FINANCIAL AND OPERATING PLAN WITH FOREST SERVICE FOR LAW ENFORCEMENT SERVICES.**

Tabled

(18)

**CONSIDERATION AND APPROVAL OF RIGHT-OF-WAY GRANT UTU-79542 WITH BLM FOR LILA CANYON ROAD- COUNTY ROAD 126.**

Commissioner Kofford explained the history of the right-of way grant with BLM for Lila Canyon Road. The application has been sitting at the BLM waiting for American Energy Company to get their permit to mine. The BLM has approved the right-of-way with the stipulation that it is only to acquire design and not construction. He reviewed the two contracts

COMMISSION MEETING MINUTES  
MARCH 20, 2007

for consideration and recommended accepting contract #2 for perpetuity. Commissioner Gary Kofford made a motion to accept contract #2 UTU-79542 with BLM for Lila Canyon Road-County Road 126. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**APPROVAL OF APPOINTMENT TO EMERY CARE AND REHABILITATION BOARD AND STAFF.**

Commissioner Sitterud discussed the situation at the Emery Care and Rehabilitation Center regarding the appointment of a new director at the center. Only one application was received and the board of the Emery Care and Rehabilitation Center has voted to appoint Al Shakespeare as director. They received several applications for one board member. The board voted to appoint Randy Lake as a board member. Commissioner Jeff Horrocks made a motion to appoint Al Shakespeare as director at the Emery County Care and Rehabilitation Center and appoint Randy Lake as a board member as proposed by the Board of the Emery County Care and Rehabilitation Center. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(20)**

**APPOINTMENT OF BOARD MEMBERS TO PLANNING COMMISSION.**

When Mike McCandless was made the Zoning Administrator he was required to resign from the Planning Commission Board. Glenys Sitterud has indicated that she wants to be replaced on the board. Advertising went out for citizens interested in serving on the Planning Commission Board. The Planning Commission Board recommends Gary Arrington and Marie Anderson to serve on the board. Commissioner Gary Kofford made a motion to appoint Gary Arrington and Marie Anderson to the Planning Commission Board. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(21)**

**CONSIDERATION OF BUILDING PERMIT FEE WAIVER FOR VAL PAYNE.**

The Board of Commissioners received a letter from Val Payne requesting to waive the building permit fee to replace his carport that blew off a few years ago. Commissioner felt that this request should be brought before the Board of Commissioners. Commissioner Sitterud stated he

felt that the original footprint should be honored. Commissioner Kofford pointed out that there is a cost associated with sending the building inspector to inspect the project. Commissioner Gary Kofford made a motion to deny Val Payne's request to waive the building permit fee. The motion was seconded by Commissioner Jeff Horrocks. Commissioner Drew Sitterud voted in opposition to the motion. The motion carried. Commissioner Sitterud indicated he would support the other Commissioners decision.

(22)

**CONSIDERATION AND APPROVAL OF INCREASE IN DUES FOR SOUTHEASTERN UTAH ELECTRIC GROUP.**

Commissioner Sitterud explained that the Southeastern Utah Electric group is the group that went to the CIB for funding to get the work done on the television transfer from analog to digital. The analog signal will be shut off around the first of next year. The group had worked up in the agreement that each of the entities cooperating in the system would pay dues of \$1,000.00 a year into the group until there was \$20,000.00 to cover the cost to replace a microwave should one go down. The system has several microwave hops along the distance of the system. With inflation, the cost for one of those microwaves has gone up. The dues need to be increased to build up to \$40,000.00. The group is asking that the dues be raised to \$2,000.00 a year. Even with all the other counties and entities in the group paying into the group it will still take some time to build up to the \$40,000.00. Commissioner Gary Kofford made a motion to increase the amount of dues that Emery County pays to the Southeastern Utah Electric group to \$2,000.00 a year and agree to increase the amount that the group collects to \$40,000.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(23)

**DISCUSSION OF JD MOTOR GRADER TRADE IN.**

Morris Sorensen explained that he had intended to trade-in the 1985 John Deere Motor Grader until he was told he could only get \$25,000.00 as trade-in value. The other option was to send it to the auction with TNT. TNT indicated that they could sell it for \$30,000.00. Morris was approached by John Wickman, Sinbad Construction, who said he would buy the grader for \$35,000.00. Commissioner Gary Kofford made a motion to award sale of the JD motor grade to high bidder John Wickman, Sinbad Construction for \$35,000.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(24)

**DISCUSSION REGARDING COUNTY OPTION SALES AND USE TAX, SETTING OF PUBLIC HEARINGS AND ADVERTISEMENTS.**

COMMISSION MEETING MINUTES  
MARCH 20, 2007

Commissioner Sitterud explained that in 1998 the legislature passed the bill that allowed the counties to assess quarter cent sales tax within their counties. Every county in the State of Utah did this except Emery, Kane and Millard. The legislature this year passed a bill stating that if the counties do not enact the tax, the state will step in and collect the tax and they will take the money. It is not a huge amount of money. It is not new money. It has an offset on the property tax side. We have until May 25 to adopt the sales tax. We have to have two public hearings in two geographically diverse locations. One of the public hearings has to be held at 6:00 pm or later. The advertisements must be in the newspaper for two weeks and cannot be in the classified or notice section of the paper. Do we want to start the process to collect the quarter cent sales tax or do we want to sit back and let the state collect it? Commissioner Gary Kofford made a motion to start the process by setting public hearings for April 10, 2007 at 6:00 pm in Green River at the Green River Sheriff's Complex and April 17, 2007 at 10:00 am Castle Dale during the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(25)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington, presented the following Personnel action:

A. Approval to hire Aron Hansen as an Equipment Operator/Driver.

Morris Sorensen is requesting to hire Aron Hansen as an Equipment Operator/Driver. This is a full time position with benefits at Grade 12A at \$11.00 per hour. Commissioner Gary Kofford made a motion to approve the hiring of Aron Hansen as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(26)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated March 6, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(27)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on the recent ISO review which rates building and zoning

COMMISSION MEETING MINUTES  
MARCH 20, 2007

practices for the county. This is for insurance purposed. Emery county received the same rating that we received back in 2003 which was a 4. We have made some improvements in particular areas. According to their standards Emery County should have 2.5 Building Inspectors and we have one. He discussed a meeting he attended regarding Lila Canyon Road and the contract that was approved today. He along with Ray Petersen and Mike McCandless met with Jay Marshall regarding development funds. UDOT Commissioners met in Price and toured Southeastern Utah Region 4. In the next three to four years there may be a pavement overlay on Highway Six and Highway 10 from Ferron to Emery.

*Commissioner Horrocks*

Commissioner Horrocks reported on Weed and Mosquito's improvements to their facilities that are being done in house. He inquired regarding camper shells and other items on the W/M yard. He reported on the drainage problems that he is still working on a the Museum of the San Rafael. He recently met with Green River regarding flood control problems in Green River.

*Commissioner Sitterud*

Commissioner Sitterud reported information regarding the UAC litigation team who has instructed Mark Ward to write letter of friends of the Court regarding BLM closing roads in Grand County. They want closing roads to be a public process. Green River City voted to move forward on the oil refinery. He will meet at 3:30 pm today with the swimming pool committee regarding elevations, placement of building and review of the plans.

**(28)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(29)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

13  
COMMISSION MEETING MINUTES  
MARCH 20, 2007

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 3, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 182310 through and including # 182426 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
24-07	Drinking Fountain Highway	1,002.00	Approved
25-07	Autotest Charger Sheriff/Ambulance	396.00	Approved

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List, additional claims and requisitions for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(2)**  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

**A. Request approval to send Alexander O'Neil to POST.**

Sheriff Guymon is requesting approval to send Alexander O'Neil to POST. He was hired as a civilian dispatcher and now they would like him POST certified. Commissioner Gary Kofford made a motion to approve sending Alexander O'Neil to POST. The motion was seconded by

Commissioner Jeff Horrocks and approved by all members present.

(3)

**CITIZEN CONCERNS**

None

(4)

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE FOR STOKER WORX.**

A business license application for Annette Jensen DBA: Stoker Worx was presented for consideration. The license has been reviewed and passed by the Zoning Administrator. Commissioner Gary Kofford made a motion to approve a business license for Annette Jensen DBA: Stoker Worx as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF PERSONAL PROPERTY EXEMPTIONS.**

Assessor, Kris Bell explained that the legislature passed an exemption advantage for small business owners whose personal property values are under \$3,500.00. Her office has had 258 business owners apply for the exemption. The deadline for consideration of exemption of personal property is May 22, 2007. Kris asked for approval of the applications that she has thus far, who qualify for the exemption. Commissioner Gary Kofford made a motion to approve the personal property exemptions for those who qualify. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH FOR A HISTORIC PRESERVATION PROJECT.**

Emery County Historic Preservation Commission, Chairman Ray Petersen explained that the Commission applied for and received a \$3,000.00 grant with the Division of State History. The grant is a 50% matching grant to put a kiosk at the San Rafael Swinging Bridge. He met recently with the BLM at the Bridge where the site for the kiosk was mutually decided upon. The BLM has given their blessing for the project and is even helping with some of the fencing needed. Commissioner Gary Kofford made a motion to approve a contract with State of Utah for a Historic Preservation Project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF ANNUAL FINANCIAL AND OPERATING PLAN BETWEEN THE FOREST SERVICE AND EMERY COUNTY SHERIFF'S OFFICE FOR SPECIAL ENFORCEMENT ACTIVITIES FOR 2007.**

Commissioner Gary Kofford made a motion to table this matter until Sheriff Guymon can be present to discuss it. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)****ACKNOWLEDGMENT OF REQUEST FOR PROPOSALS RECEIVED FROM CONTRACTORS FOR SWIMMING POOL PROJECT.**

Commission Chairman Drew Sitterud acknowledged the receipt of five proposals from contractors for the swimming pool project. Advertisements were placed in the local paper and larger publication newspaper for general contractor RFP's. Proposals will be given points for having ties with local contractors. The five proposals received were from: Interwest Construction, Peck Orsmsby Construction Company, C & A Construction, Entelen Design Build, LLC and Hughes General Contractors, Inc.

The three Commissioners, a representative from the Emery County School Board and Castle Dale City, Mayor Neal Peacock will meet today at 3:30 to open the RFP's and review them to pick a contractor that will best meet the needs of Emery County. Also at the same meeting a representative from a pool consulting firm will be on hand to review the possibilities of toys available for the children's pool and the chemicals needed for the pool's filtering system.

**(9)****APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Jeff Horrocks made a motion to approve the minutes dated March 20, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(10)****COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford discussed the possibility of the Road Department entering into a three year leasing option through Wheeler Machinery for a backhoe . The first year the cost would be \$9,000.00/year, the second and third year \$8,500.00/year. Considering that a new back hoe cost approximately \$90,000.00 Morris Sorensen felt that it was an option he could better handle

COMMISSION MEETING MINUTES  
APRIL 3, 2007

through his budget and still have the equipment that he needs. They discussed the options for using the existing back hoe. They discussed possibly transferring it to the Recreation Department or Weed/Mosquito Department. He also has a loader that will be sent to May 5<sup>th</sup> county auction.

Commissioner Kofford also discussed with the other Commissioners what to do about the lawn care at the courthouse, libraries and road shop. They discussed going out to bid for another contractor. As Commissioner Kofford has talked with people here at the courthouse and the libraries it has been the consensus that people were not happy with the contractor from last year. They discussed possibly bidding out each library separately. Commissioner Sitterud expressed a need to have snow removal as part of the contract no matter what we go with. It was agreed that they need to proceed with something soon.

Commissioner Kofford also reported that TNT had an auction where equipment sent from Emery County was sold. The pay hauler went for \$4,250.00. The two ambulances went for \$4,500.00 and \$4,100.00.

*Commissioner Horrocks*

Commissioner Horrocks reported on the progress of the land transfer with Castle Dale City to acquire the necessary property for the Veteran's Monument.

*Commissioner Sitterud*

Commissioner Sitterud reported on the 2007 Emery County Fair plans thus far. He indicated that the fair committee has put together some new things for this years fair. The theme for this years fair will be "A New Adventure Awaits". The grand marshals for this years fair will be the special needs children from Emery County. The concert will be the finishing touch of the fair. Because there are fireworks at the concert we have to wait until the pageant gets over. Therefore, the concert will begin a little later this year. Ricochet and Charley Jenkins will perform for the concert. We are looking forward to a great fair.

He reported on the recent 2 day long, NIMS training that the Sheriff's Department and elected officials attended. The training was a requirement to receive Homeland Security money for the county. All who attended passed the test.

He reported on the recent Emery County Employee's Health Benefits Fair put on by Emery County's Risk Management Team. He thanked Mary Huntington and the other team members for their efforts to make the fair a success. Fifty-five employees attended the all day sessions. The Risk Management Team is looking for suggestions for next year's fair.

Mark Brady, UCIP was here recently to conduct a loss control training for elected officials.

COMMISSION MEETING MINUTES  
APRIL 3, 2007

Commissioner Sitterud asked Mike McCandless for an update on the oil refinery decision in Green River City. Mike indicated that the company has acquired more of the acreage that they need and have started the application process with the state to get their air quality permits in place.

Commissioner Gary Kofford made a motion to move out of the regular commission meeting and move into an executive session to discuss personnel litigation matters. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(11)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell and Deputy Clerk/Auditor Carol Cox.

Personnel and litigation matters were discussed.

Motion to leave executive session and return to the regular Commission Meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(12)**

**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

Minutes of the Swimming Pool Meeting  
held on April 3, 2007 at 3:30 p.m.  
in the Emery County Courthouse

Present were: Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Clerk/Auditor Brenda Dugmore and other swimming pool committee members and citizens.

Chairman Sitterud stated that the County had received five bids for the contractor on the swimming pool. The following bids were received:

Hughes General Contractors, Inc from North Salt Lake City, Utah  
Entelen Design Build, LLC from Sandy, Utah  
Peck Ormsby Construction Company from Lehi, Utah  
C&A Construction from Provo, Utah  
Interwest Construction from North Salt Lake, Utah

The meeting then broke into two groups, those selecting the contractor and those selecting the pool toys and designs.

Those selecting the contractor were Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Castle Dale Mayor Neal Peacock, School District Member JJ Grant, MBA Board Member Randy Jensen and Clerk/Auditor Brenda Dugmore.

The contractors were evaluated on the following:

- 1) Business status and history of company.
- 2) Specific experience with construction projects similar in scope and complexity.
- 3) Experience as a Construction Manager in providing pre-construction estimating, scheduling and value engineering.
- 4) Key personnel proposed to lead and manage this project.
- 5) Information unique to this project that would help the Commission successfully complete this project.
- 6) Reasonable fee and general conditions cost.

SWIMMING POOL MEETING  
APRIL 3, 2007

The results were as follows:

	<u>Fee</u>	<u>General Costs</u>	<u>Average Score</u>
C&A	5%	6.9%	33.375
Entelen	4.5%	5.15%	37.50
Hughes General Contractors	4.5%	4.98%	48.50
Interwest	3%	4.49%	35.50
Peck Ormsby	6%	7.5%	30.375

The next step in the process would be to sign a contract and make sure the selected contractor's estimates are correct.

The contractor will be selected during the regularly scheduled commission meeting on April 17, 2007 at 9:00 a.m.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

SPECIAL MEETING OF THE  
BOARD OF COUNTY COMMISSIONERS OF  
EMERY COUNTY, UTAH HELD AT THE  
COUNTY COMPLEX IN GREEN RIVER, UTAH

APRIL 10, 2007

Present at the meeting were Chairman Drew Sitterud, Gary Kofford, Jeff Horrocks, Clerk/Auditor Brenda Dugmore, Attorney David Blackwell and other citizens.

Chairman Drew Sitterud called the meeting to order at 6:05 p.m.

Motion to leave the regular meeting and move into a public hearing was made by Gary Kofford, seconded by Jeff Horrocks and approved by all members present.

**(1)**

**PUBLIC HEARING - TO RECEIVE PUBLIC COMMENT ON A PROPOSED COUNTY OPTION SALES AND USE TAX OF ONE-QUARTER (.25%) PURSUANT TO SECTION 59-12-1102, UTAH CODE ANNOTATED.**

Chairman Drew Sitterud gave the following information. Emery County is one of three counties in the State that did not impose a .25 percent sales tax when it was first authorized back in 1998. This year the Legislature enacted Section 59-12-1802 which authorizes the State to impose the tax if the County does not impose it, and any revenue would then go to the State until the County passed an ordinance to impose the tax. Thus, the State is forcing the County's hand, since the tax will be imposed no matter what. Therefore, it is in the County's best interest to pursue imposition of the tax prior to January 1, 2008. Two public hearings must be held on separate days in geographically diverse locations. This is the first public hearing. The next public hearing will be held on Tuesday, April 17, 2007 at 9:00 a.m.

Chairman Sitterud opened the public hearing for comment. Corey Bluemel stated that she felt it was a good thing for the county to adopt the sales tax.

Commissioner Jeff Horrocks made a motion to move out of the public hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(2)**

**CITIZEN CONCERNS.**

There were no citizen concerns.

2

COMMISSION MEETING MINUTES  
APRIL 10, 2007

(3)

**ADJOURN.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 17, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # through and including # for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
26-07	(2) Low Band Radios (1) Analyzer (1) TNC, Kenwood (1) 200 W Radio (2) 50W/35W Mobile Radios Homeland Security Communications Trailer Sheriff	4,219.65	Appro ved

There were no dispositions.

Motion to approve the Warrant Check Edit List, additional claims and requisition was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

Motion to leave the regular Commission Meeting and move into a scheduled Public Hearing was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
APRIL 17, 2007

(2)

**10:00 A.M. PUBLIC HEARING- To receive public comment on proposed county option sales and use tax of one-quarter (.25%) pursuant to Section 59-12-1102, Utah Code Annotated.**

Commissioner Drew Sitterud explained that the Utah State Legislature passed a bill in 1998 that allowed counties to collect a .25% sales and use tax. At that time all counties in Utah enacted the tax except for Kane, Millard and Emery. Now the state legislature has declared that all counties will enact the .25% sales and use tax and if we do not do it then the state will collect it and keep the money. May 24, 2007 is the deadline to adopt the .25% sales and use tax. This will not be new money to the county. It will be a shift in property tax. He indicated that the County Commissioners are required to have two public hearings. One has to be after 6p.m. A public hearing was held in Green River on April 10, 2007 at 6:00 pm. This is the second public hearing.

Commissioner Sitterud opened the meeting to the public for comment.

Sgt. Bill Downard: Go for it! It is better to keep the money in the county than to let the state take it.

The same sentiment was expressed by Bruce Wilson and Bill Dellos.

Motion to come out of the Public Hearing and return to the regular Commission Meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF ORDINANCE ENACTING THE OPTIONAL SALES AND USE TAX AS AUTHORIZED BY TITLE 59, CHAPTER 12, PART ELEVEN UTAH CODE ANNOTATED (1953), AS AMENDED.**

Motion to approve Ordinance 4-17-07, enacting a .25% sales and use tax as written and authorized by Title 59, Chapter 12, Part 11 of Utah Code Annotated (1953), as amended was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

**(4)****JANA ABRAMS, DISCUSSION/APPROVAL OF LOW WATTAGE RADIO TOWER EASEMENT.**

Jana Abrams, Castle County Travel Region requested the Commissioners discuss and consider an easement to place electrical hookups on the cinder block building next to the television towers. The easement has to be signed by a government entity. They felt that this was the best spot for the low wattage AM radio tower as there would be no interference from the radio tower or tanks. Richard VanWagoner is the contractor for the project. Castle Country Travel Region asked that the County Commissioners consider splitting the cost for the hookup with them. Ms. Abrams indicated that the yearly annual cost for the power and telephone will be around \$560.00. There was still some question as to why Huntington City would not sign the easement since it is in Huntington City boundaries and they are a government entity. Commissioner Gary Kofford made a motion to move forward with this request to split the cost of the \$903.00 with Castle County Travel Region and proceed with putting up the tower. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Sgt. Bill Downard commented that Communications Specialist Bret Mills expressed concern that the tower does not interfere with the Huntington TV tower.

Commissioner Jeff Horrocks also made a motion to turn off the tower if it interferes with the transmission from Huntington television tower. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to have Castle County Travel Region go back to Huntington City and see if they will sign the easement. If they still will not sign the easement then bring it back to the Commission and they will sign it. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(5)****DANIEL DAVIS, CONSIDERATION AND APPROVAL OF OIL AND GAS LEASE WITH EMERY COUNTY ON BEHALF OF SHELL.**

Daniel Davis, Independent Land Man contracted with Victors Oil & Gas, LLC, who is contracted with Shell Oil Company discussed an oil and gas lease with Emery County. They will pay \$175.00 per acre for five years with the option to add an additional five years to the lease. The proposed area is located in Township 16 south, Range 10 east, SM-Section 2: Sw1/4Nw1/4 which is above Elmo near the Emery County/Carbon County line. The lease covers forty acres. Attorney David Blackwell reviewed the lease agreement and did not have any problems with the document. Commissioner Jeff Horrocks made a motion to proceed with the oil and gas lease as written. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

4

COMMISSION MEETING MINUTES  
APRIL 17, 2007

**(6)**  
**CITIZEN CONCERNS**

None

**(7)**  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR EMERY COUNTY WATER CONSERVANCY DISTRICT.**

Motion to approve waiving the \$84.08 building permit fee for Emery County Water Conservancy District was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF QUIT CLAIM DEEDS TO CASTLE DALE CITY AS PART OF LAND EXCHANGE FOR PROPERTY ADJACENT TO THE MUSEUM OF THE SAN RAFAEL AND CASTLE DALE SENIOR CITIZENS BUILDING.**

Commissioner Jeff Horrocks discussed quit claim deeds for property proposed in a land exchange between Castle Dale City and Emery County. Emery County would acquire property between the Museum of the San Rafael and Wells Fargo Bank and property east of the Senior Citizens Center. Castle Dale City would acquire property where the old sheriff's building sits on the hill. Jeff Guymon and Bret Mills have expressed the need to maintain the pole that houses the microwave fiber that is located on the old sheriff's site. Commissioner Jeff Horrocks made a motion to approve quit claim deed to Castle Dale City for the properties as discussed so that both entities can proceed with planned projects. Commissioner Gary Kofford asked that the pole housing the microwave fiber be left at the site. When the building is torn down Castle Dale City needs to relocate the fiber pole. The motion was then seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Sitterud talked about the need to start planning on what to do with the things that are currently stored at the old sheriff's building. There is electronics, furniture and Planning and Zoning and Economic Development have files stored there rather than paying for a storage unit. They talked about purchasing a storage trailer unit for file storage. Discussions will continue on this matter.

**(9)**  
**AWARDING OF GENERAL CONTRACTOR FOR THE SWIMMING POOL PROJECT**

COMMISSION MEETING MINUTES  
APRIL 17, 2007

**AND RELATED PAPERWORK.**

On April 3, 2007 at 3:30 PM the Commissioners along with Castle Dale Mayor Neal Peacock, School District Member JJ Grant, MBA Board Member Randy Jensen and Clerk/Auditor Brenda Dugmore met to review the five bids for the contractor on the swimming pool project. The five bids were from:

Hughes General Contractors, Inc from North Salt Lake City, Utah  
Entelen Design Build, LLC from Sandy, Utah  
Peck Ormsby Construction Company from Lehi, Utah  
C&A Construction from Provo, Utah  
Interwest Construction from North Salt Lake, Utah

The meeting then broke into two groups, those selecting the contractor and those selecting the pool toys and designs.

The contractors were evaluated on several elements of the bid as follows:

- 1) Business status and history of company.
- 2) Specific experience with construction projects similar in scope and complexity.
- 3) Experience as a Construction Manager in providing pre-construction estimating, scheduling and value engineering.
- 4) Key personnel proposed to lead and manage this project.
- 5) Information unique to this project that would help the Commission successfully complete this project.
- 6) Reasonable fee and general conditions cost.

The contractor was given extra points if the key personnel proposed to lead the project was a local contractor.

One contractor came out ahead of the others, that being Hughes General Contractors, Inc. from North Salt Lake City. Ken Stilson was named as their key local contractor.

The committee recommended awarding the bid to Hughes General Contractors, Inc.

Commissioner Gary Kofford made a motion to award the bid for the general contractor on the Swimming Pool Project to Hughes General Contractors, Inc. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN THE UTAH  
DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY.**

Tabled

(11)

**CONSIDERATION AND APPROVAL OF FINANCIAL AND OPERATING PLAN FOR FY2007 WITH THE FOREST SERVICE FOR LAW ENFORCEMENT ACTIVITIES ON THE MANTI-LA SAL NATIONAL FOREST.**

Commissioner Horrocks indicated that the Commissioners and Sheriff Guymon has looked over the operating plan several times and made changes to it several times. Sheriff Guymon was not present to discuss the plan but made his preferences known to Commissioner Horrocks. Sheriff Guymon recommended changing Section II: Patrol Activities to include “ on all forest service lands” and not the high use areas as the plan states and identifies. He also recommended changing Dates of Patrol to read “ October 1, 2006 to September 30, 2007 rather than specific dates as outlined in the plan. Commissioner Jeff Horrocks made a motion to approve the contract as it has been amended by Sheriff Guymon. The motion was seconded by Commissioner Gary Kofford and approved by all members present. Per Sheriff Guymon’s request the contract will be sent on to the Forest Service to see if they will accept the amendments. If not then we will not have a contract for law enforcement on the forest.

(12)

**DISCUSSION AND APPROVAL FOR PARTICIPATION IN WHEELER BACKHOE LEASE PROGRAM FOR THE ROAD DEPARTMENT.**

The Board of Commissioners discussed participation in a Wheeler Backhoe Lease Program for the Road Department. Attorney David Blackwell has reviewed the lease agreement. Commissioner Gary Kofford made a motion to approve participation in a Wheeler Backhoe Lease Program for the Road Department to come out of the Road Department’s budget. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF OPERATIONAL GUIDELINES OF THE EMERY COUNTY PUBLIC LANDS COUNCIL.**

The Board of Commissioners discussed the operational guidelines of the Emery County Public Lands Council. Public Lands Council Board Member Bruce Wilson was present to go over any of the details with them. The Commission recommended changes to the last paragraph of page one. They indicated that any communication with state and federal agencies must meet with Commission approval first. Any communication to the press must go through the Commission first. Attorney David Blackwell has reviewed and noted the suggested changes. Suggested changes made to the policy were as follows: The Executive Committee shall define council policy and operation guidelines shall make recommendations to the Emery County Commission regarding matters affecting the management of Public Lands within Emery County’, then strike

COMMISSION MEETING MINUTES  
APRIL 17, 2007

the line that says, ‘ and to the federal and state management agencies.’ Commissioner Jeff Horrocks made a motion to accept the Operation Guidelines of the Emery County Public Lands Council noting the changes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF REQUEST TO LEASE OR PURCHASE  
PROPERTY NEAR GREEN RIVER, UTAH.**

Received a letter from a person interested in industrial development below the Green River City . The property of interest is 6-87-1, 83.95 acres and 83.96 acres. The letter requested that the county make the property available to purchase or lease. Assessor Kris Bell indicated that the property is of very little value with no water. There is a county road that goes through the property that we would have to assume a right-of-way for the road. Attorney David Blackwell indicated that the Commission could approve the process to dispose of the property.

Commissioner Sitterud indicated that in order to begin the process we would need to contact the adjacent property owners, those being the BLM and the Sillimans. We would have to advertise in Green River and here for three weeks. The ordinance states that we can take the best offer for Emery County not just the highest price. Commissioner Jeff Horrocks made a motion to begin the process to dispose of property 6-87-1 owned by Emery County following the ordinance for disposal of county property. A title search will need to be done. Commissioner Kofford asked that if the lease or sale does not go through or that this is not in the best interest of Emery County that the property reverts back to Emery County. Commissioner Kofford amended the motion to retain any mineral rights that may be attached to this property. Commissioner Kofford seconded the motion and the motion was approved by all members present.

(15)

**APPROVAL TO ORDER SIGNS.**

Commissioner Kofford discussed proposed signs for directing people to the Justice Center. Negotiations are in the works at this time with UDOT for easement to place a sign on SR 29 in front of Work Force Service’s Building. He also discussed the need to get more Spanish Trail signs as people keep stealing the signs. He asked if maybe we could order a few extra ST signs to have available at the Museum of the San Rafael for people to purchase and then maybe they would not steal them. It was also discussed that while we are in negotiations with UDOT that we look at putting a sign in Orangeville as you are going up the highway towards Joe’s Valley telling people that the road is not passable in the winter. Morris Sorensen indicated that there is ample signage for Joe’s Valley and that the road in question is barricaded to prevent passage. Commissioner Gary Kofford made a motion to make \$600.00 out of Commissioner’s budget available for signs. The motion was seconded by Commissioner Jeff Horrocks and approved by

all members present.

(16)

**CONSIDERATION AND APPROVAL OF PURCHASE OF DUMPSTER AND KIOSK FOR THE LAWRENCE CEMETERY.**

Lawrence Cemetery is owned by Emery County. There is a Lawrence Cemetery committee who manage the cemetery. In the past Emery County has made a available a dumpster at the cemetery through Memorial Day. The committee would like to do this again. The committee has been working on the history of the cemetery and trying to identify some of the unknown graves. Commissioner Sitterud asked for approval to purchase materials to place a kiosk at the cemetery where a map can be placed asking visitors to help with identifying the unknown graves. Commissioner Gary Kofford made a motion to approve the lease of a dumpster to be placed at the Lawrence Cemetery through Memorial Day and approve the purchase of the materials to construct a kiosk at the cemetery. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(17)

**CONSIDERATION AND APPROVAL OF PROPERTY TAX DEFERRAL CONTRACTS.**

Treasurer, Steven Barton indicated that on March 15, 2007 his office gave to the Clerk/Auditor's office a list of properties whose taxes are five years past due. Utah Code requires that those properties then be offered as a tax sale, which is scheduled for May 24, 2007. Utah Code also permits that the Commissioners be allowed to review any requests from the tax payer to defer the due date of the property tax. Your judgement should be based on the best human interest and the best interest of the county. He presented to the Commissioners request from three individuals. Gypsum Resources Development, Huntington. They owed \$34,00.00 back at the first of March and have since paid \$20,000 with approximately \$14, 500.00 still owing. This is industrial property. Donald and Brenda Cologie, Ferron. They owed \$3,700 back in March and have since paid \$3,000.00 with approximately \$750.00 still owing. This is their home. Kelly and Rachelle Mortensen, Elmo. They owe \$5,300.00 and are trying to work with their mortgage company. This is their home. The policy has been in the past to extend payment to November 30. If they do not pay by then we have two options. We can let it slide until the next May for a tax sale or we can have a special tax sale in December. He recommended that the Commission grant these three individuals the extension of November 30, 2007 to pay their property tax. Commissioner Sitterud asked the reasoning behind the extension to November 30. Steve indicated that the tax due at the November 30 deadline includes the current year taxes also which would have the taxpayer current at that time. Commissioner Gary Kofford made a motion to grant an extension to Gypsum Resources Development, Donald and Brenda Cologie, and Kelly and Rachelle Mortensen and if they have not paid the tax by November 30, 2007 then the

COMMISSION MEETING MINUTES  
APRIL 17, 2007

property will be added to the next May Tax Sale. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(18)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Clerk/Auditor Brenda Dugmore presented the following Personnel action:

The Road Department has hired Nick Kenzi as a 90 day temp as a laborer. He started April 9, 2007 at \$10.00 per hour. This is a temporary position and he is not eligible for benefits. He will work until July 9, 2007. Motion to approve hiring Nick Kenzi as a 90 temp as a laborer at the Road Department was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

Jerilyn Mathis is requesting approval to start the recruitment process for a part time custodian at the Castle Dale Library at \$8.12 per hour with no benefits. Laree Dye is leaving the middle of May. Motion to start the recruitment process for a part time custodian at the Castle Dale Library as proposed was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Motion to approve the Commissioner Meeting minutes dated April 3, 2007 as corrected was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

Motion to approve a special meeting on the swimming pool project was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

Motion to approve the minutes for a Public Hearing held on April 3, 2007 at 6:30 PM in Green River was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(20)**

**COMMISSION REPORTS.**

*Commissioner Gary Kofford*

10

COMMISSION MEETING MINUTES  
APRIL 17, 2007

Commissioner Kofford reported that the bid for the Rilda Canyon Project was given to Nielson Construction. Pre-Construction meeting will be today at 3:00 PM. They are waiting for the water control plan which should be coming in the next two weeks.

He reported that the mental health group UBAN formed back in 1995-1996 will now be under the direction of UAC.

*Commissioner Jeff Horrocks*

The Fire Protection Special Service District volunteer firemen are in the process of wildland fire training which is required to fight fires on forest property.

*Commissioner Drew Sitterud*

He recently met with the committee formed to manage the Lawrence Cemetery.

He reported on recent work on the swimming pool project. RGD Engineers recently dug test holes finding no gravel for 16 to 20 feet. They may have to bring in good base. He talked about the work on the access road to the swimming pool.

The fight has began again with a Wild and Scenic Rivers suitability study on the Huntington Canyon area.

Elected officials will be in Logan the rest of the week at UAC Conference.

**(21)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An Executive session was not needed.

**(22)**

**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

11

29-07	Lightbar, siren set-up(5 vehicles) Sheriff	\$ 21,955.45	Approved
30-07	Digital video recorder(5 vehicles) Sheriff	19,432.00	Approved
31-07	(3) Dell print/scan/fax Capital Replacement	3,696.00	Approved

Dispositions were presented for the following:

621-1656 Radio, 141-7226 Infoseal folder, 610-3484 chair, 620-6890 typewriter, 316-5934 1990 Ford Ambulance, 316-6280 1995 Ford Ambulance, 410-5420 1989 Dodge Ram Pickup, 410-5424 1989 Ford F-450 Pickup, 410-5412 1989 Ford F-350 Pickup, 410-6185 1981 Craftco Crack Seal Kettle, 410-4708 1986 Entyre Oil Distributor, 410-4862 1988 Gallion VOS2-66B Roller, 410-4177 Ingram Steel Tire 4.6 Roller, 410-3661 1981 Little Giant 100 Sweeper, 410-3660 1981 Ingram Rubber Tire Roller, 410-1667 Ford Tractor Mower, 410-1666 Ingersol compressor, 410-1587 Ingersol compressor, 410-1666 Rotary 60" Mower, 410-6388 1973 140 Payhauler International, 621-5164 John Deere AMT 600, 621- John Deere Gator 4X6, 621-2748 1981 GMC Pickup, 146-6960 1999 Ford Explorer, 160-6326 1995 Ford Contour, 181-6511 1996 Ford Bronco, 210-6999 1999 Dodge Durango, 210-6220 1995 Ford Explorer, 210-6313 1996

Ford Bronco, 210-6055 1994 Ford Explorer, 210-5522 1991 Dodge Ram, 211-5950 1994 Ford Crown Victoria, 410-4701 1986 John Deere 772BH Grader, 410-5881 1993 Ford Ranger, 410-6579 1996 Ford Bronco, 410-5890 1994 Ford Ranger 4x4, 138-6227 1995 Ford pickup, 210-7527 2001 Dodge Durango, 210-6315 1996 Ford Bronco, 210-6314 1996 Ford Bronco, 210-8086 1996 Ford Bronco, 210-7273 2000 Dodge Durango, 210-7274 2000 Dodge Durango, 210-7092 2000 Ford Crown Victoria, 316-5159 1990 Ford Ambulance, 210-6577 1996 Ford Bronco, 210-6312 1996 Ford Bronco, 210-5857 1993 Dodge Ram Utility, 210-6159 1984 Chevrolet Pickup, 150-6763 1988 Chevrolet Astro Van

Motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**EMERY TOWN, REQUEST FOR BUILDING PERMIT FEE WAIVER.**

The Board of Commissioners received a letter from Emery Town requesting a building permit fee waiver for the work to be done on the interior of their new recreation center. It was decided that no action was needed on this as it was approved last year.

(3)

**FERRON CITY, REQUEST FOR BUILDING PERMIT FEE WAIVER.**

Ferron City requested a building permit fee waiver for re-roofing the pavilion by the agriculture barn. The fees are \$129.08, \$218,41 and \$799.46. Commissioner Gary Kofford made a motion to waive the building permit fees for Ferron City. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN THE UTAH DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY.**

Tabled

(5)

**CITIZEN CONCERNS**

Commissioner Sitterud discussed a situation in Emery Town regarding Television reception. Emery residents who rely on the old analog signal are not able to receive two channels because the county tower has two transmitters that need to be replaced. The two transmitters that were struck by lightning would cost approximately \$3,000.00 each to replace. They discussed the cost effectiveness of replacing the transmitters when the analog signal will be turned off February 2009. Everyone will then be required to either have a television capable of receiving digital signal or a converter that will convert the digital to analog. The converter at approximately \$270.00 is still a little pricy for some people and about as much as you could get a new television for. He reminded everyone to be sure that any new televisions that you purchase come equipped with a digital receiver.

**(6)****SETTING OF PUBLIC HEARING TO AMEND ALL FY2007 BUDGETS FOR EMERY COUNTY.**

There has been a change in the law regarding assessing and collecting and as a result unexpected funds will be coming to the county. A public hearing is needed to amend the budget in order to spend the funds. Commissioner Gary Kofford made a motion to set a public hearing for May 15, 2007 at 10:00 am. to amend the 2007 budget for Emery County. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(7)****CONSIDERATION AND APPROVAL OF CONTRACT BETWEEN STATE OF UTAH AND EMERY COUNTY LIBRARY FOR LSTA MINI GRANT.**

Jerilyn Mathis, Emery County Library indicated that this is a standard, yearly grant between the state and Emery County Library to purchase computers, software, etc. This particular grant is for \$7,500.00 and will be used for wireless connections in the libraries. Motion to approve a contract between the State of Utah and Emery County Library for LSTA Mini Grant was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**

**CONSIDERATION AND APPROVAL OF INTERLOCAL AGREEMENT WITH EMERY COUNTY SCHOOL DISTRICT FOR SWIMMING POOL USE.**

Commissioner Sitterud explained that as the county started to look at putting in a new swimming pool it was decided to look at putting the pool close to the high school to allow for a swim team. They began meeting with the school board last year to work out details of acquiring property near the high school. The school board has agreed to donate eight acres behind Castle Dale Elementary to the county for the swimming pool project. The school district has also allocated \$87,000.00 to put in the parking lot. Attorney David Blackwell discussed the interlocal agreement between the Emery County School District and Emery County. The school district will share in the use but not the cost other than the district will assume responsibility for any damages as a result of use and provide maintenance during their use of the facility. They will be using the pool for P.E. classes and a swim team. A clocking system will need to be installed for the swim team and this will be the responsibility of the school district. They will also be using the pool for scheduled use times and incentives programs. All uses of the pool will be scheduled through the county. The Board of Commissioners discussed changes in the wording of paragraph 4, second sentence as so, "said use will be scheduled with the Emery County Commission or their appointee so as to not interfere.." Commissioner Gary Kofford made a motion to approve the inter-local agreement with Emery County School District with the change to paragraph 2, second sentence to say, said use will be scheduled with the Emery County Commission or their appointee so as not to interfere... The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

COMMISSION MEETING MINUTES  
MAY 1, 2007

Motion to approve the Property Tax Exemption list for 2007 was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**RATIFICATION OF APPLICATION FOR CAPITAL ASSISTANCE FOR A SENIOR CITIZENS ADA BUS.**

Commissioner Kofford discussed application for capital assistance for a Senior Citizens ADA bus. This is a 80/20 split with UDOT. The application needed to be signed earlier, therefore that action needs to be ratified. Motion to approve ratifying the signing of an application with UDOT for capital assistance for a Senior Citizen ADA bus was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF SERVICE LINE AGREEMENT WITH QUESTAR.**

Commissioner Kofford explained that the agreement is to remove the gas line at the old sheriff's building in Castle Dale. Castle Dale City owns the property now and they will be removing the building in the next two years. Commissioner Gary Kofford made a motion to approve a service line agreement with Questar. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**OPENING OF LAWN CARE BIDS. AWARDING OF BID.**

The Board of Commissioners advertised for request for proposals for lawn care at the courthouse, Road Department and all the libraries in the county.

RFP's were received from the following:

1. Gatlan Huntington
2. Christy Rasmussen
3. Castle Valley Landscaping
4. Kyler Edgehouse
5. Earl Rojas
6. Laura's Lawncare
7. Cassi Lake

Motion to accept the bids as written , to take the bids and put them into a format that can be evaluated and to award the bid to the bidder or bidders that best suits the needs of the county

COMMISSION MEETING MINUTES  
MAY 1, 2007

then to ratify that action in the next Commission Meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**DISCUSSION AND APPROVAL OF MUSEUM OF THE SAN RAFAEL ROOF PROBLEMS/SOLUTIONS.**

Commissioner Horrocks contacted Lewis Stilson regarding the roof problems at the museum of the San Rafael. Lewis brought in another roofer to look at the situation and between the two contractors have determined that the shingles are too far gone to be repaired and provided a proposal for repairing the problem. Commissioner Kofford felt that we should get other contractors proposal. Commissioner Horrocks agreed with that but felt that the county needed to pay Lewis for his time. Commissioner Gary Kofford made a motion to advertise for RFP's to repair the roof and drainage problem at the Museum of the San Rafael. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

A. Approval to hire Pauline Stilson as Corrections Cook.

Sheriff Guymon requested approval to hire Pauline Stilson as the corrections cook. She will be full time with benefits, Grade 10 entry at \$10.08 per hour. Motion to approve hiring Pauline Stilson as corrections cook at Grade 10 entry at \$10.08 per hour was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

B. Approval of one step increase for Jolene Dalton/Library.

Jerilyn Mathis requested approval to give Jolene Dalton a one step increase. Jolene has completed her six month orientation period successfully. She would move from 4A at \$8.12 per hour to 4B at \$8.30 per hour. Motion to approve a one step increase for Jolene Dalton as requested was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

C. Presentation/discussion of Risk Management Program refund check.

The county participated in a Risk Management Program sponsored through Utah Counties Insurance Pool (UCIP) in 2006 and recently we were awarded \$8,065.00, which means we obtained a 90% rating. Mary thanked the Risk Management Committee

COMMISSION MEETING MINUTES  
MAY 1, 2007

and each department for helping with this program. By complying with UCIP's requirements in these programs we helped reduce the county's risk liability.

**(15)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Motion to approve the minutes dated April 17, 2007, as corrected, was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**COMMISSION REPORTS.**

*Commissioner Kofford*

Commissioner Kofford reported UDOT has sent notice to contractors that sealed proposals will be received on the So. Moore Cut-Off Road until May 31, 2007. There will be a mandatory pre-bid conference on May 10, 2007 at Johansen and Tuttle Engineering.

He reported that Special Service District is looking into providing black top to the Reeder Subdivision Road. Comments were received by the Forest Service. Commissioner Kofford provided comments in support of this project.

He attended ULCT Road School in St. George last week. He received information regarding the Joint Highway Committee and Emery County's ongoing park access work into Goblin Valley.

*Commissioner Horrocks*

Commissioner Horrocks reported on the land swap with Castle Dale City. The deeds have been signed and recorded.

Ray Quinn attended Huntington City's Council meeting to acquire the cannon.

He talked about the Cleveland-Lloyd Dinosaur Quarry rededication. There was a good crowd who attended. BLM is working on new signage for the route to the quarry.

*Commissioner Sitterud*

Commissioner Sitterud talked some more about the cannon from Huntington City. Because we

COMMISSION MEETING MINUTES  
MAY 1, 2007

are not able to get a cannon in time to put it up for the Veteran's Monument, Ray Quinn asked Huntington City to allow the cannon at the old city hall to be used for the monument. Huntington City does want the cannon to be replaced.

BLM RAC board members will be here tomorrow. He encouraged everyone to come and provide input to the BLM State Director.

The visitor's center at Goblin Valley is now complete. The inside will not be done until fall. To local artists Ben Grimes and Cliff Oviatt have been contacted to display their art there for now until the interior can be completed.

He attended Public Lands meeting during UAC meetings last week in Logan. They discussed road re-inventory on the Red Rock area.

(17)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

(18)

**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF A SPECIAL MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 1, 2007

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Judge Betty Burns, Judge Steven Stream, Deputy Clerk/Auditor Carol Cox, and other citizens.

The meeting was brought to order by Commissioner Drew Sitterud. The meeting was turned over to Judge Stream and Judge Burns.

Judge Stream informed the Board of Commissioners of an announcement from Supreme Justice Nehring, Chairman of Justice Court Study Committee during the recent judges conference held last week. The committee was created by the Judicial Council in 2006. Their goal is for judicial independence. Judges need to be free from both the reality and perception that their decisions are influenced by fiscal or political concerns. Preserve the ability of local government to maintain a local court. Eliminate concurrent jurisdiction with the district courts. The committee's solution to some of the obstacles placed before them is to make the selection process more merit based. Uncouple the money and judge. If the judge has no interest in the revenue to the court, the concerns about inappropriate decisions, sentences and collection are lessened. Reduce the opportunity for inappropriate political influence in the retention process. Assure public confidence in the confidence of all justice court judges. Attract and retain good judges. The greater the pool of competent applicants, the better. Keeping them on the bench is also important. The committee plans to implement this process by making all justice court judges state employees by the year 2016. The justice court judges would be paid a fixed salary, established by statute, by the state of Utah. The total number of judges and the total cost of their salaries, benefits and education would be calculated, and a percentage of the statewide total fine revenue collected by Justice courts would be diverted to a state restricted account to fund these items. The rest of the staffing and support of the court would be the responsibility of the local government. Each judicial district would have a justice court selection committee, comprised of local officials, citizens, and the presiding justice court judge for that district. Implement retention elections for all justice court judges, and make the terms of office six years. They would require all new judges to have a four-year college degree. Moving to a full-time justice court judge would take place over a nine year process.

2

SPECIAL COMMISSION MEETING  
MAY 1, 2007

Judge Burns and Judge Stream both had questions for which they have tried to get answers. They have not been successful in getting those answers from the state. The reason for the meeting this day was mostly to inform the Commissioners of what is being proposed and to ask for the Commissioner's support, for as long as possible, in keeping this from happening.

Judge Burns announced that she will be retiring July 2008.

Motion to adjourn the meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MAY 15, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore discussed a claim for five Durangos from Price Auto Group. The claim was for \$685.00 over the amount authorized on Requisition #23 approved in an earlier meeting. According to policy she is not authorized to pay any amount over the amount of the requisition. The Commission must consider what to do about that. Commissioner Jeff Horrocks indicated that he met with Sheriff Guymon regarding the purchase of the vehicles and the discrepancy in the amount on the claim versus the amount authorized on the requisition. He indicated that Sheriff Guymon had something to say about that. Sheriff Guymon explained that he wanted to apologize for the discrepancy. It was a mistake that he made when filling out the paperwork. He declared that it will not happen again. Commissioner Jeff Horrocks indicated that he felt it was important to pay the vendor who delivered the vehicles to the county in good faith. Earlier, Sheriff Guymon turned in a new requisition reflecting the difference in the amount of the vehicles. Therefore, Commissioner Jeff Horrocks made a motion to authorize the Clerk/Auditor's office to cut a check to Price Auto Group for the amount of the approved requisition and to authorize payment of the additional amount. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

In other business, Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
33-07	(8) 16 Port Routers (8) Wireless Access point Library/LSTA Grant	5,975.52	Approved
34-07	Simrad Night Vision Device Training Night Vision Sheriff/Buffer Zone Grant	11,776.90	Approved
35-07	HP Spectrum Analyzer		

	Refurbished Unit/1 yr warranty Sheriff/Communications	19,385.00	Approved
36-07	(2) Microwave radios-Cedar Mtn. (2) Microwave radios-SO (8) Quad Interface Cards Sheriff/Communications	27,340.00	Approved
37-07	(5) Dodge Durangos Replaces-Requisition #23 Sheriff	121,755.00	Approved

One disposition was presented from the Clerk/Auditor's office for a vacuum.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit list and additional claims #183060 through and including #183194, the requisitions and dispositions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**  
**RICK LARSEN, DWR, QUARTERLY UPDATE.**

Rick Larsen, DWR is taking the place of Derris Jones, who has retired. Mr. Larsen provided a brief update of DWR activity.

- \* He reported on Migrating Bird Day at Desert Lake. It was a cold, blustery day and turnout was low.
- \* He also reported on the upcoming Community Fishing Day program and proposed reconstruction of Ferron ponds. Money will be available in July for the project and they expect to begin work on the ponds in September.

**(3)**  
**JEFF KELSEY, DISCUSSION AND APPROVAL OF INSURANCE RENEWAL**

Tabled until June 5, 2007.

**(4)**  
**JENNIFER THOMAS, REQUEST FOR FUNDING OF SCHOLARSHIPS FOR UNIVERSITY OF UTAH SCHOOL OF SUBSTANCE ABUSE.**

Jennifer Thomas, Four Corners Behavioral Health came before the Board of Commissioners to request funding of scholarships to send two individuals to the University of Utah School of Substance Abuse. So far she has one staff member, Melisa Huntington committed to attending school. Jennifer is working on getting one other staff member to go.

3

COMMISSION MEETING MINUTES  
MAY 15, 2007

Commissioner Gary Kofford made a motion to fund sending one staff member in the amount of \$254.00 to University of Utah School of Substance Abuse. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to come out of the regular Commission meeting and move into a Public Hearing to receive comment on amending the 2007 budgets for the Emery County General Fund, Special Revenue Funds, and Capital Project Funds. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**10:00 A.M.- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON AMENDING THE 2007 BUDGETS FOR THE EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, AND CAPITAL PROJECT FUNDS.**

Clerk/Auditor Brenda Dugmore explained that there has been a change in the law regulating the way Assessing & Collecting is accounted for. Therefore, the county needs to spend down the amount in the fund balance in order to bring the county into compliance. The Commissioners met earlier in a published meeting to discuss how to spend the funds.

Details of the budget amendment were distributed to the public in attendance.

Additions to the General Fund were \$672,600.00

Additions to the Capital Replacement Fund were \$5,872,600.00, which reflects the funds for the swimming pool project.

Additions to Drug Task Force Fund were \$75,000.00.

The meeting was opened to the public for comment on the amendments to the 2007 budget.

Commissioner Kofford asked to have the Museum budget increased to \$150,000.00 to reflect the cost of redoing the roof as earlier discussed.

There were no more comments.

Motion to come out of the Public Hearing and return to the regular meeting was made by Commissioner Jeff Horrocks, seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO THE EMERY COUNTY  
GENERAL FUND, SPECIAL REVENUE FUNDS, AND CAPITAL PROJECT FUNDS.**

Motion to approve Resolution 051507 amending the 2007 budget for Emery County General Fund, Special Revenue Funds, and Capital Project Funds with the correction of adding the revenue from the county auction to the revenue side of the Museum roofing project, was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CITIZEN CONCERNS**

Bell Dellos asked for a report of how the county auction went. Commissioner Gary Kofford reported that the auction went well. In spite of the cold the sale was very well attended. Everything was sold. The revenue from the sale is estimated to be in excess of \$58,000.00 before paying for advertising and RMA.

Attorney David Blackwell discussed changes in the agreement between Emery County School District and Emery County regarding the swimming pool project. After approval of the agreement with the school District in the last Commission Meeting the school district wanted to add a couple of words on page 2, paragraph 2 regarding the use of the parking lot. #9, an addendum was also added to the agreement which is an indemnity clause. They also did not want to call the agreement an inter-local agreement, because it is a one time only thing. Commissioner Jeff Horrocks made a motion to approve making the recommended word changes and adding the addendum clause to the agreement with the Emery County School District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN THE UTAH  
DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY.**

Tabled

(9)

**APPROVAL OF RFP PROPOSAL FROM STILSON CONSTRUCTION TO REDESIGN**

**ROOF AT THE MUSEUM OF THE SAN RAFAEL.**

Commissioner Jeff Horrocks discussed RFP proposal from Stilson Construction to redesign the roof at the Museum of the San Rafael. Stilson Construction was the only contractor who showed up at a mandatory site showing for the roof redesign project. His bid was \$124,808.00 for the project, \$11,800.00 for the heat tape, and \$10,509.00 for replacement materials and a fifteen year warranty on the membrane. The total bid for the project was for \$147,117.00. They discussed whether to use architectural shingles or wood shingles. It was decided that architectural shingles would be the best option. There has been \$100,000.00 set aside for the project. They discussed where to find the extra amount to put with the funds put aside to get the job done. Commissioner Gary Kofford made a motion to accept Stilson Construction's bid, choosing architectural shingles and look for extra funds to put with the \$100,000.00 put aside for the project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)****CONSIDERATION AND APPROVAL OF A BEER LICENSE FOR MILLSITE RESTAURANT/DREW LEROY.**

A Class A/Class B beer license application was presented for Drew LeRoy DBA: Millsite Restaurant. Sheriff Guymon has completed his background check and has signed the application.

Commissioner Gary Kofford made a motion to approve a Class A/Class B license to sell beer for Drew LeRoy DBA: Millsite Restaurant. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(11)****CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY AND HUGHES GENERAL CONTRACTORS, INC. FOR EMERY COUNTY POOL COMPLEX CONSTRUCTION MANAGER.**

Bids were opened and awarded in an earlier meeting for the general contractor on the swimming pool project. Hughes General Contractors, Inc. was awarded the bid for the project. Attorney David Blackwell discussed the agreement with Hughes General Contractors, Inc. He asked if we had the guaranteed maximum price for the project. Commissioner Sitterud indicated that we do not have that yet. They are still waiting for sub-contractors to bring prices. It could be up to a year from when they start building to get the guaranteed maximum price. Mr. Blackwell wondered if they wanted to wait until we have that price. Commissioner Sitterud asked if maybe we could approve the contract contingent upon getting that price. Mr. Blackwell talked about the sales tax that the Tax Commission says that we will be responsible for. The rules say that

COMMISSION MEETING MINUTES  
MAY 15, 2007

government is exempt from paying sales tax. However, a phone call to the Tax Commission office indicated, adamantly, that we would be responsible for paying sale tax on the materials for the project. He has not had much time to look into the rule regarding this issue. He will continue to look into it. This is the reason for the delay in getting the guaranteed maximum price. If the county has to pay sales tax on the materials this will add quite a bit to the price of the project. Motion to approve the contract with Hughes General Contractor, Inc contingent upon the guaranteed maximum price that meets the budget that the Commission agreed on was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF BILLING SERVICE AGREEMENT WITH JCI BILLING SERVICES, INC. FOR PROCESSING ALL AMBULANCE CLAIMS.**

Clerk/Auditor Brenda Dugmore presented a service agreement with JCI Billing Services, Inc. for processing all ambulance claims. The charge is \$20.00 per claim. The agreement is renewable each year. Attorney David Blackwell has reviewed the agreement and recommends signing it. Commissioner Gary Kofford made a motion to approve a billing service agreement with JCI Billing Services, Inc. as written. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**DISCUSSION OF DISPOSITION OF CHAIN LINK FENCE AT OLD SHERIFF'S OFFICE BUILDING.**

Commissioner Jeff Horrocks indicated that he has met with Castle Dale City Mayor, Neal Peacock regarding the fence surrounding the old Sheriff's building. Mayor Peacock would like to have the fence removed as soon as possible so that a curb and gutter project can get underway. James Nielsen, Weed and Mosquito spoke with Commissioner Horrocks and indicated that he would like to relocate the fence to the Weed/Mosquito yard to better secure their yard. Sheriff Guymon informed the Commissioners that the serpentine wire at the top of the fence will be very difficult and hazardous to remove. James indicated to Commissioner Horrocks that he and his crew can remove what they need. The county will need to remove the rest of the fencing as soon as possible. Commissioner Jeff Horrocks made a motion to allow James Nielsen and the Weed and Mosquito crew to remove the chain link fencing at the old sheriff's building. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**APPOINTMENT TO THE LIBRARY BOARD.**

COMMISSION MEETING MINUTES  
MAY 15, 2007

Commissioner Gary Kofford reported that the Library Board advertised for board members to represent Ferron and Elmo. The board recommended Bill Luce, Ferron, Tracy Urie, Ferron and Jackie Allred, Elmo. Commissioner Gary Kofford made a motion to appoint Bill Luce, Tracy Urie and Jackie Allred to the Library Board. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(15)

**APPOINTMENT TO THE EMERY COUNTY SPECIAL SERVICE DISTRICT #1.**

Commissioner Gary Kofford reported that the Special Service District #1 has three openings. Terms expired for Dean King, Bevan Wilson and Kent Petersen. Applications were received from the three whose terms have expired as well as two others. The SSD# 1 board recommended re-appointing Dean King, Bevan Wilson and Kent Petersen. Commissioner Gary Kofford made a motion to re-appoint Dean King, Bevan Wilson and Kent Petersen to the Special Service District #1 Board. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(16)

**DISCUSSION AND APPROVAL OF DISPOSAL OF LOADER AT THE ROAD SHOP.**

Road Department Supervisor, Morris Sorensen discussed disposal of a loader at the Road Shop. The loader has been in Green River for several years. It has been mostly used to transfer salt and sand. It has no brakes and has been red tagged for a year. He recommended moving towards disposing of the loader through closed bids. He indicated that the equipment is worth \$8,500.00. To repair the brakes will cost whomever gets it approximately \$6,000.00. Commissioner Gary Kofford made a motion to advertise for two weeks for sealed bids to buy the loader with a beginning bid of \$8,500.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(17)

**CONSIDERATION AND APPROVAL OF TAX DEFERRAL AGREEMENT FOR TONY LEMIEUX.**

There was no need to take action on this. It has been resolved.

(18)

**DISCUSSION REGARDING TITLE OF PROPERTY NEAR GREEN RIVER WHICH THE COUNTY ADVERTISED FOR REQUEST TO LEASE OR PURCHASE.**

COMMISSION MEETING MINUTES  
MAY 15, 2007

Commissioner Sitterud explained that Emery County had began the process to dispose of property below Green River. The Commissioners received a letter from the BLM director indicating that the property belongs to the BLM and not Emery County. We need to cancel any action we have taken regarding this property. Commissioner Jeff Horrocks made a motion to cancel all action taken to sale or lease property in Green River City as discussed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(19)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Approval to hire Owen Olsen as a part-time maintenance worker for the Library System.**

Motion to hire Owen Olsen as a part-time maintenance worker for the Library system was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present. Mr. Olsen will provide all the tools he needs for his job.

Commissioner Kofford discussed transportation options for Mr. Olsen. He will be going from Emery to Elmo and also spending one day a week in Green River. They talked about paying him mileage or providing him with a vehicle. If he is provided a vehicle, can he keep the vehicle at his home and travel to the various libraries from his home in Cleveland? Brenda Dugmore reminded the Commissioners that the Library is separate from the County and as such the use and maintenance of a vehicle will have to come out of the Library budget. Commissioner Horrocks asked Sheriff Guymon if Mr. Olsen could use the old Communications pickup truck that is currently behind the old sheriff's building. Sheriff Guymon indicated that the truck is usually used for Bret's temporary help in the summer. Bret does not have a temporary employee at this time so the truck is available to be used. Commissioner Jeff Horrocks made a motion to provide the Communications truck for Owen Olsen to use and allow him to keep the truck at his house to work from there. The cost of use and maintenance of the truck will come out of the Library budget. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**B. Approval to hire Casey Jo Reid as a part time janitor at the Castle Dale Library.**

Motion to hire Casey Jo Reid as a part time janitor at the Castle Dale Library was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(20)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Motion to approve the minutes of a special Commission Meeting held on May 1, 2007 as corrected was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks

COMMISSION MEETING MINUTES  
MAY 15, 2007

and approved by all members present.

Motion to approve the minutes of the regular Commission Meeting held on May 1, 2007 as corrected was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

(21)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford, Commissioner Horrocks and Leslie Bolinder attended the R.S.V.P. Banquet for the senior volunteers in the county that was held at the Museum of the San Rafael last Friday. Betty Hatch and Laurie Pitchforth do an excellent job.

He attended an Aging meeting recently. He discussed a van available through UDOT funding.

Regarding Planning and Zoning under Lands Council, the Commissioners recently met with Mark Ward, Attorney for UAC regarding dealing with the RMP issues in the various inventory areas that are under Kimball's ruling. These lands are lands that, under the Babbit inventory and BLM inventory may be suitable for Wilderness Study areas. There are twenty-seven specific areas that they are writing to. In order to make them part of the twenty-seven areas it was decided to make them an addendum to the county's general plan. In order to do that there is a process to move through. The Planning Commission has set a public hearing date for June 13, 2007 at 7 pm to address the addendum. Provided they receive a favorable vote then it would go to the county. The county's idea is that we would have a public hearing on the 3<sup>rd</sup> of July to get to the BLM. We need this in finish form right away to get moving on this. A lot of time is put into this effort.

Commissioner Kofford reported on the progress in the Senior Citizens Center in Green River and CIB funding.

Special Service District has completed another stretch of road to Goblin Valley in conjunction with State Parks Access.

There will be a site showing with the seven contractors who have bid on Moore Cut-Off Road. UDOT will be opening the bids on May 31, 2007 and notify Johansen & Tuttle Engineering then SSD#1 will award the bid.

*Commissioner Horrocks*

10

COMMISSION MEETING MINUTES

MAY 15, 2007

He met recently with the Lawrence Cemetery Preservation Committee regarding the need for a sexton, expansion, structure fees for items such as opening of graves, etc. They will meet again soon.

Travel Council met recently where they discussed the TRT funding. They also discussed the golf course in Ferron and Green River. Mike McCandless reported that on the applications received from Green River for assistance on the Green River Golf Course. They agreed to fund up to \$20,000.00 depending on the funding from CIB. There is great interest in the new TRT money and they hope to see some good things come out of it.

He recently with the state director from the BLM. Ray Petersen reported on that meeting.

Sheriff Guymon reported on the upcoming San Rafael Swell Bike Festival.

Commissioner Horrocks is currently in the process of looking at the purchasing policy and travel policy will be getting with the department heads and elected officials to get their input. He may by the end of the year suggest some changes.

*Commissioner Sitterud*

Commissioner Sitterud reported on the upcoming Miss Emery County Pageant. The winner of the Miss Emery County Pageant gets to take a young girl to the Miss Utah Pageant with her. Usually it is a family member . This year our Miss Emery County, Christine Johansen asked to have a Little Miss Emery County Pageant. The winner will accompany her for the day to the Miss Utah Pageant. There are 10 girls signed up for the pageant. The pageant will be held on June 2, 2007. We need people to support this pageant and the Miss Emery County Pageant.

He attended a meeting for the nominating committee of the Big Game Board. There are three positions open on the board. There was a huge list of people applicants. They spent the whole day going through the list. They have sent the final list to the governor.

He reported on the local artist who have art work in the visitor center at Goblin Valley.

He reported on the video clip of our area being shown at The Gateway.

He reported on the ATV ride from Millsite Golf Course to Green River Golf Course with the State Parks. They are promoting this ride which will be in June. They have a lot of interest in this ride.

(22)

COMMISSION MEETING MINUTES  
JUNE 5, 2007

66-07	(8) SMC Wireless Bridge	Buffer Zone Grant/Sheriff	4,332.91
67-07	Teleware UHF Duplexer	Buffer Zone Grant/Sheriff	5,619.68
68-07	(2) AR-15 Patrol Rifles With Eotech sights	Buffer Zone Grant/Sheriff	2,210.00
69-07	(4) PVS-14 Night Vision (5) Helmet Mounts for PVS-14	Buffer Zone Grant/Sheriff	14,625.60
70-07	80 Watt Solar Module	Buffer Zone Grant/Sheriff	370.31
71-07	LPT-827 Tower w/Powder Coating	Buffer Zone Grant/Sheriff	2,404.00
72-07	LMR 400 Cable 500 ft	Buffer Zone Grant/Sheriff	320.00
73-07	Air Conditioner-Orangeville	Library	1,795.00

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**

**JEFF KELSEY, DISCUSSION AND APPROVAL OF INSURANCE RENEWAL.**

Jeff Kelsey, Performax reviewed a summary of expenses for the period of July 1, 2006 through May 31, 2007. He also reviewed the offers from insurance carriers for re-insurance claim processor. Jeff recommending going with US Fire for re-insurance processor and retain CBSA. The renewal date is July 1, 2007. Commissioner Gary Kofford made a motion to accept Jeff Kelsey's recommendation to go with US Fire for re-insurance and retain CBSA as Emery County's insurance carrier for 2007-2008. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. Commissioner Gary Kofford made an amendment to his motion to approve allowing Jeff Kelsey to come back to the Commission if by chance he missed anything. The amendment to the motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(3)**

**JAN BODILY, FOUR CORNERS BEHAVIORAL HEALTH, PRESENTATION AND APPROVAL OF AREA ANNUAL PLAN.**

Jan Bodily, Four Corners Behavioral Health presented the Board of Commissioners with their FY 2008 Area Annual Plan. The plan defines and outlines what the plan should be. The plan defined a few new things for 2008, one of which is more funds for the Drug Court Program. Ms. Bodily had a signature page for the Board of Commissioners to sign and asked for their approval and signature to hand in to the Division. Each Commissioner acknowledged how great the Drug Court Program is and hope to see it continue to be funded. Commissioner Gary Kofford made a motion to approve and accept the FY2008 Area Annual Plan for Four Corners Behavioral Health

COMMISSION MEETING MINUTES  
JUNE 5, 2007

and approve the signing of the signature the page. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**DELYNN FIELDING/MIKE MCCANDLESS, PRESENTATION OF RESULTS FROM BEAR (BUSINESS EXPANSION AND RETENTION) PROGRAM AND DISCUSS PLANS FOR THE FUTURE.**

Delynn Fielding and Mike McCandless presented the results from BEAR, Business Expansion and Retention program and discussed plans for the future. There were 506 surveys completed and Emery and Carbon County. In Emery County 30% of the business owners were satisfied with municipal services. However, in Carbon County the percentage of satisfaction with municipal services was not as good. The plan is to offer to business owners classes such as marketing, capital sources, internal cash flow, strategic planning and internet use in business. They are working on expanding the program to other counties. If this works out they will be able to develop a data base for rural business trends that will be unparalleled to anything else in the state. They talked about tax savings through tax credits that go back to the businesses.

(5)

**CITIZEN CONCERNS**

None

(6)

**RATIFICATION OF AGREEMENT BETWEEN EMERY COUNTY AND EMERY COUNTY SCHOOL DISTRICT ON SWIMMING POOL.**

In the May 15, 2007 Commission Meeting an agreement between Emery County and the Emery County School District for the Swimming Pool Project was presented for consideration and approval. The School District requested an indemnity clause be added to the agreement. This was done and the document was signed. Commissioner Jeff Horrocks made a motion to ratify the signing of an agreement between Emery County and Emery County School District regarding property for the Swimming Pool Project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**RATIFICATION OF AGREEMENT BETWEEN THE UTAH DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY.**

Tabled

**(8)**  
**CONSIDERATION AND APPROVAL OF JUDGEMENT LEVY DUE TO CANYON FUEL TAX PROTEST.**

Clerk/Auditor Brenda Dugmore reported that the county, as a result of Canyon Fuel's tax protest, had to pay back approximately \$20,000.00. State code says we can only do a judgement levy on a protested amount over \$5,000.00. The pro to doing a judgement levy is that the company that protest, namely centrally assessed property owner ends up paying the majority of that \$20,000.00. If we do not do a judgement levy we are just out of the \$20,000.00 and you cannot go back and try to re-coop the money in future years. If you as the County Commissioners choose to do a judgement levy then we will have to go through the public process and the question will be placed on the August ballot with the School District's judgement levy. Commissioner Gary Kofford made a motion to move towards a judgement levy on Canyon Fuel. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(9)**  
**RATIFICATION OF BID AWARD TO LOFTHOUSE ELECTRIC FOR REMOVAL /INSTALLATION OF POWER LINE AT CEDAR MOUNTAIN COMMUNICATION TOWER.**

Two bids were received in the Clerk/Auditor's office for removal/installation of power line at Cedar Mountain Communication Tower. The bids were opened in the Clerk/Auditor's office by the Commissioners. The bids were as follows: Lofthouse Electric, \$2,650.00 and Dean Allen Electric, \$2,800.00. Lofthouse Electric was the low bid. Commissioner Gary Kofford made a motion to ratify the awarding of a bid to Loft House Electric in the amount of \$2,650.00 for removal/installation of power line at Cedar Mountain Communication Tower. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR NORTH EMERY WATER USERS SPECIAL SERVICE DISTRICT.**

North Emery Water Users Special Service District is doing some remodeling of their building and asked to have the \$281.00 building permit fee waived. Commissioner Gary Kofford made a motion to approve waiving the \$281.87 building permit fee

for North Emery Water Users Special Service District. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF DRUG TASK FORCE GRANT.**

The Drug Task Force Grant is an ongoing grant renewable each year. There is no match required. The State raised the amount of the grant which is now for up to \$75,000.00. Commissioner Jeff Horrocks made a motion to approve the signing of a Drug Task Force Grant. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF CONTRACT FOR THE ROOFING PROJECT AT THE MUSEUM OF THE SAN RAFAEL.**

The bids has been awarded to Stilson Construction as contractor for the roofing project at the Museum of the San Rafael. The bid was for \$142,117.00 to replace the shingles and membrane and refinish the louvers. An agreement with Stilson Construction was reviewed for consideration. Commissioner Jeff Horrocks made a motion to approve an agreement between Emery County and Stilson Construction for a roofing project at the Museum of the San Rafael. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR CALEB SITTERUD.**

Commissioner Sitterud read a letter from Caleb Sitterud asking for assistance by way of writing-off his ambulance bill in the amount of \$1,172.00. Caleb is still recovering from the accident and is not able to work. His schooling has been hampered due to his head trauma injuries. His father is not able to work due to his disability and his mother is working 2 jobs to keep the family going. Motion to write-off the ambulance bill in the amount of \$1,172.00 for Caleb Sitterud was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and the motion passed. Commissioner Sitterud stepped down from voting on this matter due to the fact that he is related to Caleb.

(14)

**CONSIDERATION AND APPROVAL OF RETIREMENT CONTRIBUTION RATES**

COMMISSION MEETING MINUTES  
JUNE 5, 2007

**FOR JULY 1, 2007 - JUNE 30, 2008.**

Clerk/Auditor Brenda Dugmore presented the retirement contribution rates for July 1, 2007 through June 30, 2008.

<b>July 1, 2006-June 30, 2007</b>		<b>July 1, 2007-June 30, 2008</b>		
Non-contributory	13.58%	Non-contributory	13.61%	.03% increase
Public Safety	22.38%	Public Safety	22.61%	.23% increase

Commissioner Jeff Horrocks made a motion to approve the state retirement contribution rates for July 1, 2007-June 30, 2008 as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**CONSIDERATION AND APPROVAL OF RESOLUTION AUTHORIZING COMMISSIONER JEFF HORROCKS TO SERVE ON THE BOARD OF THE UTAH LOCAL GOVERNMENT TRUST.**

Commissioner Jeff Horrocks has been elected to serve on the board of Utah Local Governments Trust. A resolution was presented for approval authorizing Commissioner Horrocks to serve on the ULGT board. During any actions taken by the Trust Commissioner Horrocks will take not action on any matters that involve Emery County due to conflict of interest. Commissioner Gary Kofford made a motion to approve Resolution 07-05-07A authorizing Commissioner Jeff Horrocks to serve on the board of Utah Local Governments Trust. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(16)

**CONSIDERATION AND APPROVAL OF RESOLUTION EXPRESSING DISAPPROVAL OF THE PROPOSED "VOTER CONFIDENCE AND INCREASED ACCESSIBILITY ACT OF 2007" (HR811)**

Commissioner Sitterud explained that House Resolution 811 would do away with using the DRE's for the election process. UAC has put together a resolution disapproving of HR811 and ask that each county sign the resolution. The majority of the twenty-nine counties in the state have already signed the resolution. It is Emery County's stand that we have invested several hundreds of dollars in additional funds to warehouse the 40 DRE electronic voting machines, as well as revamping the election process to accommodate the machines and train personnel. To change the new voting system would actually erode voter confidence in the election process and burden Emery County with additional expenses associated with a change to another voting

COMMISSION MEETING MINUTES  
JUNE 5, 2007

system. Commissioner Gary Kofford made a motion to approve Resolution 07-0507B expressing disapproval of the proposed HR811. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(17)

**CONSIDERATION AND APPROVAL OF SIGNATURE AUTHORIZATION FORM FOR JCI BILLING INC.**

The signature authorization for JCI Billing needs to be updated. The old one has Ira Hatch on it. Commissioner Jeff Horrocks made a motion to approve changing the signature authorization for JCI Billing, Inc. to Drew Sitterud, Emery County Commission Chairman. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(18)

**CONSIDERATION AND APPROVAL OF APPLICATION FOR ELIGIBILITY OF SURPLUS PROPERTY PROGRAM.**

After looking over the application it was noted that Morris Sorensen, Road Department Supervisor needed to be added to the eligibility list. Commissioner Gary Kofford made a motion to approve the application for eligibility of surplus property program and to add Morris Sorensen, Road Department to the eligibility list. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(19)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Morris Sorensen requested a one step increase for Thad Morris who has completed his six month orientation period successfully.**

He will move from 12A at \$11.00 per hour to 12B at \$11.33 per hour effective June 18, 2007. Motion to approve a one step increase for Thad Morris as proposed was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. Sheriff Guymon requested approval to hire Jan Luke as a full time corrections secretary with benefits.**

Interviews and background checks were conducted and Sheriff LaMar Guymon requested approval to hire Janalee Luke as a full time corrections secretary with benefits. Her existing

COMMISSION MEETING MINUTES  
JUNE 5, 2007

wage will remain the same at 8D, \$10.22 per hour. Commissioner Jeff Horrocks made a motion to approve hiring Janalee Luke as full time Corrections Secretary as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**C. Clerk/Auditor, Brenda Dugmore requested approval to start the recruitment process for a part time deputy clerk/auditor.**

Brenda Dugmore requested approval to start the hiring process for a part time deputy clerk/auditor to replace the vacancy left by Jan. Commissioner Jeff Horrocks made a motion to approve starting the hiring process for a part time deputy clerk/auditor. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**D. Morris Sorensen has hired Brandon Larsen as a 90 day temporary employee.**

No action was needed on this matter.

In other business, Mary reported that there was an accident involving a deputy's vehicle. The vehicle has been totaled. The deputy was not hurt. UCIP, Emery County's insurance carrier will reimburse the county \$22,042.00 to replace the vehicle. The cost to replace the 911 decals was not included in that cost. We will receive another check to replace the decals. UCIP will be picking up the vehicle to salvage it. We will need to get bids for a replacement vehicle.

(20)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated May 15, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(21)

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported on progress of the Lawrence Cemetery Committee. They have a grant to upgrade the road and locate graves.

The Fire District was scheduled to meet on the 14<sup>th</sup> of May. However, they did not meet due to illness of Fire Chief Garth Childs. He attended a Utah Tourism Conference in Price. We had unbelievably positive results and comments.

*Commissioner Kofford*

COMMISSION MEETING MINUTES  
JUNE 5, 2007

The road up to Rilda Canyon is now under construction and that project is moving along. The bidding process for South Moore was opened and completed last Thursday. Nielson Construction Company was the apparent low bidder. The process still needs to be reviewed by SSD #1. However, it appears that Nielson Construction will have that project for \$4,864,870.00 which is about \$200,000.00 under the engineers estimate.

Regarding the Green River Senior Citizen Center, Jim Dressler, Architect for the project will meet here with the commissioners and anyone else interested on Monday the 11<sup>th</sup> at 11 am. He has the plans put together and they expect advertising to begin shortly thereafter.

On the 13<sup>th</sup> at 7pm there is a hearing regarding Planning and Zoning Commission on amendments to the Emery County General Plan. Copies are in the Clerk/Auditor's office. On July 3 will be Commission hearing on this related item.

*Commissioner Sitterud*

He reported on the proposed boat dock for Joe's Valley Reservoir. It is sitting at the parks department until it has been paid for. The grant was written. The person that administered the grant has retired and has not been replaced. So, until there is a new administer over the project we are at a stand still. We probably will not get the dock until late fall.

He shared his experience with Reese Stein and the television broadcast of a tour on the San Rafael. They hope to be able to get Mr. Stein to come back again during the bike festival on the Swell.

The Little Miss Emery County Pageant had eleven girls competing to be crowned Little Miss Emery County. The winner was Allison Woolsey. She and her mother will accompany Miss Emery County, Christine Johansen to the Miss Utah Pageant. He thanked the Pageant Committee members for all their hard work.

Elected officials met with Mike Swallow regarding the salary wage survey that was recently conducted. They are moving forward on this matter and hope to have something in place soon.

Historic Preservation is looking at putting an information panel at the Emery City Park. UDOT will donate a flat rock to be used for a sign at the Swinging Bridge area.

Sheriff Guymon reported on MECCA's Bike Festival. They had approximately 150 people attend. Sheriff's Posse put on the dinner and had others who donated time to help.

(22)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

10  
COMMISSION MEETING MINUTES  
JUNE 5, 2007

An executive session was not needed.

**(23)**  
**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JUNE 19, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/auditor Brenda Dugmore, presented the Warrant Check Edit List #183633 through and including #183775 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
74-07	Truck bed for Peterbuilt Weed/Mosquito	3,800.00	Approved
75-07	Equipment/Hauler Trailer Weed/Mosquito	15,950.00	Approved

Motion to approve payment of the Warrant Check Edit List and requisitions was made by Commissioner Gary Kofford, Seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**  
**ROGER BANKERT, BLM, QUARTERLY UPDATE.**  
Mr. Bankert was not able to attend the meeting.

**(3)****MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE**

Mesia Nyman, Forest Service, provided the following update:

- \* Roads are now open from Ferron to Nine Mile. The snow has melted and the roads are passable. In Orangeville the roads are open to Ephraim. There are still snow drifts on the Skyline.
- \* Alice Carlson, Department Supervisor is leaving at the end of July. They expect to have a new supervisor in the next three months.
- \* They experienced successful fuel burn of approximately 1,900 acres of brush in the pines area.
- \* Public Lands Council, on the 28<sup>th</sup> of June will be touring the pest survey areas. She reported on the Spruce Beetle which is the only beetle in the state of Utah which is at epidemic proportions. They have reached as far as Electric Lake and are heading north. Other pest she reported on were the Anglim Bark Beetle and Mountain Pine Beetle which have increased slightly but not at an epidemic rate. There are other bugs working on tress and is to be expected especially in a dry year.
- \* also during the Public Lands Council tour they will be visiting the burn areas and looking at areas from two years ago do some comparisons.
- \* on the 29<sup>th</sup> of June there will be a ribbon cutting ceremony at Mammoth Lake to celebrate the recently installed information kiosk.
- \* they currently have 7 timber sales. They are all small, under 350 acres each and all in dead spruce.
- \* Dominion Gas Company is putting mag chloride on the road from Potters to the highway.

**(4)****MACK HUNTINGTON, CONSIDERATION OF MASTER PLAN AMENDMENTS AND SETTING OF PUBLIC HEARING TO RECEIVE PUBLIC COMMENT REGARDING PROPOSED AMENDMENTS**

Commissioner Gary Kofford made a motion to set a public hearing for July 3, 2007 at 10:00 am to receive comment on a proposed addendum to Emery County General Plan. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(5)**

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN THE UTAH  
DIVISION OF FORESTRY, FIRE, AND STATE LANDS AND EMERY COUNTY.**

Attorney David Blackwell has reviewed the agreement and recommended signing the document. Commissioner Gary Kofford made a motion to approve an agreement between the Utah Division of Forestry, Fire, and State Lands and Emery County. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(6)**  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR  
ORANGEVILLE CITY FOR COMMUNITY CENTER AND REMODELING OF CITY  
HALL.**

Commissioner Sitterud explained that Orangeville City is remodeling their community center and city hall. They have received CIB funding and they are ready to build. The city requested to have the building permit fees waived. The total for both fees is \$4,028.59. Commissioner Gary Kofford made a motion to waive the building permit fees totaling \$4,028.59 for Orangeville City. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(7)**  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR  
MUSEUM OF THE SAN RAFAEL NEW ROOF.**

Commissioner Jeff Horrocks made a motion to waive the building permit fee for the roofing project at the Museum of the San Rafael. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF LANDFILL FEE WAIVER FOR AL  
CHRISTENSEN'S HOUSE DEMOLITION.**

Commissioner Kofford discussed a request from Al Christensen to consider reducing or waiving the fee for receiving materials at the landfill from the demolition of his home in Cleveland. Currently the fee structure for receiving materials from commercial and residential demolition at the landfill is \$12.00 a ton. This makes his demo fee \$2,400.00 plus he has to pay \$900.00 for a state permit. Then, when he builds his home he has to pay a building permit adding to the cost. A few years ago the county opted to put into place a fee schedule charging contractors for material brought into the landfill and in most cases that may still be applicable. He discussed

COMMISSION MEETING MINUTES  
JUNE 19, 2007

possibly charging a flat fee. He asked for some input and discussion. Commissioner Horrocks wondered if we weren't stifling growth in the county by charging what we do charge. He recommended charging a flat fee of \$300.00 across the board. Commissioner Kofford wondered if, by charging such a exorbitant amount we would be encouraging people to haul the materials to remote areas instead of the landfill. After much discussion on this matter, Commissioner Gary Kofford made a motion to set the fee for materials brought into the landfill by commercial contractors at \$12.00 a ton up to a maximum amount of \$200.00, effective today June 19, 2007. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to waive the \$2,400.00 prior demo fee for Al Christensen and apply the new flat fee of \$200.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH TRADITIONS HEALTH CARE, INC. TO PROVIDE CONSULTING AND OPERATIONAL SERVICE TO EMERY CARE AND REHABILITATION.**

Traditions Health Care, Inc. is the current consulting and operational service for Emery Care and Rehabilitation and has been for the past nine years. It came the attention of the Board of Commissioners that there has not been a signed contract with Traditions Health Care, Inc. in place. The nursing home board, through an agreement that was not signed, has been paying \$1,500.00 a month to Traditions for operation of the nursing home. Recently, Traditions has brought in accounting services, IT services, billing of physical therapy services and other services. Traditions is asking for \$4,000.00 a month. There is not a lot of companies out there that operate nursing homes. The nursing home board has found that they could not get these kind of services for less than this amount. Commissioner Kofford wondered if this wasn't something for the Nursing Home Board to decide. The Nursing Home is owned by Emery County but is run by a board and is self sufficient at this time. Commissioner Sitterud asked that the Board of Commissioners support the nursing home board in their decision to contract with Traditions Health Care, Inc. Commissioner Gary Kofford made a motion to support the nursing home board in their decision to sign a contract with Traditions Health Care, Inc. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**CITIZEN CONCERNS**

None

(11)  
**CONSIDERATION AND APPROVAL OF RESOLUTION ADOPTING  
SOUTHEASTERN UTAH REGIONAL WILDFIRE PROTECTION PLAN.**

Public Lands Director, Ray Petersen explained that the Southeastern Utah Regional Wildfire has developed a regional plan providing guidelines for fire protection between agencies. The plan provides for the implementing of equipment, man power and other resources and is a cooperative with Carbon, Emery, Grand and San Juan Counties. Commissioner Gary Kofford made a motion to adopt and sign the Southeastern Utah Regional Wildfire Protection Plan. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)  
**CONSIDERATION AND APPROVAL OF INTERAGENCY AGREEMENT BETWEEN  
EMERY COUNTY AND DEPARTMENT OF WORKFORCE SERVICES FOR DWS  
EMPLOYEE TELEPHONE SURVEY.**

Ben Heaton, Emery TelCom explained that the survey has been placed on the fast tract as the work is to be completed by June 30, 2007. He explained that he thought that the agreement contained a provision for 2.5 % administration fee to be paid to Emery County as the administrator of the project but it is not in the agreement. The Board of Commissioners were in agreement that the county needs to cover the cost of administering the funds for the project. Mr. Heaton agreed and was willing to pay the 2.5 % administration fee. Commissioner Gary Kofford made a motion to approve the interagency agreement between Emery County and Department of Workforce Services with the stipulation of adding the 2.5 % administration fee to the agreement and if not able to get it in this agreement then to not accept another agreement without the clause in the document. Commissioner Jeff Horrocks amended the motion to charge the 2.5% fee for administration cost. Commissioner Gary Kofford accepted Commissioner Jeff Horrocks' amendment to his motion and the motion passed.

(13)  
**CONSIDERATION AND APPROVAL OF BOAT DOCK AT JOE'S VALLEY  
RESERVOIR.**

Commissioner Sitterud explained that there is no contract at this time. The Park Service administrator of the grant has retired and did not finish the grant before he left. The new administrator has put the grant on the fast track but is not experienced enough to know what to do. There are a few other problems associated with the dock and so the Board of Commissioners decided to table this until there is a contract to consider.

(14)

**DISCUSSION OF SLAUGHTER HOUSE DITCH.**

The slaughter house ditch is in Castle Dale City. It comes off the canal through Craig Johansen's property, past the slaughter house and along the property for the new swimming pool. There are actually two ditches. There is a head ditch on Bill Jorgensen's property and then the slaughter house ditch goes by and on to Olsen's and to Gary Adam's. The swimming pool will have problems with the ditch because of the subbing water underneath where the swimming pool will be built. He met with Castle Dale City who at that time decided to put it in the contract with the road to culvert the ditch. Even if they do that, Bill Jorgensen has a head ditch not five feet from there that will run six acre feet of water several times a year to water his field. The roadway is being built and the ditch has been cut out. It is gone. The road has been put in place. The money that the city, county and CVSSD would put into culvert that ditch is about \$50,000.00. The land owners came to them and said that if you would consider putting this money into putting in a pressure pipe system instead of a culvert then they would get the rest of the money from the NRCS. They would do away with all the ditches and sprinkle. They checked with NRCS and it would be next year before they can get funding and we did not think we could wait that long. In the meantime, the land owners came back to them with a plan to get water around the swimming pool property. We did talk to NRCS and they are actually drawing up the plan for this. They would not guarantee anything. But it looks very viable. NRCS would like have the county write a letter of support for this project and the \$50,000.00. Castle Dale City has agreed to give their portion to the project. CVSSD has agreed to do the same. Commissioner Jeff Horrocks made a motion to issue a letter of support to NRCS and allow our portion of funding towards the project contingent upon NRCS coming through with the project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**RATIFICATION OF LETTER TO UDOT RECOMMENDING NIELSON  
CONSTRUCTION BE AWARDED THE SOUTH MOORE PHASE 3 AND 4 PROJECT.**

Commissioner Gary Kofford read a letter written to UDOT recommending that Nielson

COMMISSION MEETING MINUTES  
JUNE 19, 2007

Construction, as low bidder on the South Moore Phase 3 and 4 Project be awarded the bid. At the request of UDOT the letter was drafted and sent. Approval is now needed to ratify the signing and sending of the letter to UDOT. Commissioner Gary Kofford made a motion to ratify the signing and sending of a letter to UDOT recommending the bid for the South Moore Phase 3 and 4 Project be awarded to Nielson Construction for \$4,865,870.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**DISCUSSION AND APPROVAL OF INERLOCAL AGREEMENT BETWEEN JUSTICE COURT AND CITIES FOR HANDLING CASES.**

Currently, bringing zoning ordinance and animal violations not covered by state regulations re going to Justice Court with the courts keeping all the money. The interlocal agreement being considered today would split the cost with the city. The city attorney and the city would benefit by the ability to use the Justice Court to try violations of municipal code. This particular agreement is with Castle Dale City. Commissioner Jeff Horrocks made a motion to accept an interlocal agreement between Justice Court and Castle Dale City and offer the same opportunity to the other cities in Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Notification of 90/60 day temporaries for Weed/Mosquito and IT Departments.**

James Nielsen, Weed and Mosquito Supervisor, has hired one 90 day temporary employee, Darin Worwood and two 60 day temporary employees, Kyle Hales and Andrew Blackwell. Hourly rate will be \$10.00 per hour.

Jeff Guymon hired Bradee Seely on June 13, 2007 as a 90 day temporary employee in the IT Department. Hourly rate will be \$8.00 per hour.

**B. Approval of matron fee for Janalee Luke.**

Sheriff Guymon is requesting a 30 cent per hour matron fee for Janalee Luke. If approved this would be effective July 2, 2007 and she would go from \$10.22 per hour to \$10.52 per hour. Commissioner Jeff Horrocks made a motion to approve a 30 per hour matron fee for Janalee Luke as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**C. Approval of Jimmy Blackburn as a full time Equipment Operator/Driver.**

Morris Sorensen requested approval to hire Jimmy Blackburn as a full time Equipment Driver/Operator. He has been a temporary employee. Full time status will begin the first of the next pay period which is July 2, 2007. His pay would be entry \$11.00 per hour. Commissioner

COMMISSION MEETING MINUTES  
JUNE 19, 2007

Gary Kofford made a motion to approve hiring Jimmy Blackburn full time as Equipment Driver/Operator as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**D. Approval to begin the recruitment process for a Museum Director.**

Janet Petersen is retiring June 28, 2007. Commissioner Horrocks made a motion to begin the recruitment process for a Museum Director. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(18)

**DISCUSSION OF DISPOSITION OF LOADER AT ROAD SHOP.**

Advertising was sent out for accepting bids to sell a loader at the Road Shop. Two days after the bid date closed and no bids were received, they received calls from two individuals interested in purchasing the loader. Morris Sorensen asked for approval to re-advertise for bids at a minimum price of \$8,500.00. Commissioner Gary Kofford made a motion to approve re-advertising for interested bidders to sell a loader for a minimum bid of \$8,500.00 at the Road Shop. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(19)

**DISCUSSION OF LIBRARY ROOFS AND REQUEST TO ADVERTISE PROJECT FOR BID.**

Commissioner Gary Kofford discussed roof problems at the Orangeville Library and the Green River Library. They have condensation problems that have built up on the roofs. Several of the other libraries have problems also. Because of the condensation problems the roof in these two libraries, especially, need to be repaired or replaced as soon as possible. They discussed where to get the funds to do the repairs. He asked to put out RFP's to contractors for ideas of what to do. Commissioner Gary Kofford made a motion to advertise for RFP's from contractors for repairs to the Orangeville and Green River Libraries. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(20)

**CONSIDERATION AND APPROVAL OF CERTIFIED TAX RATE FOR 2007**

Clerk/Auditor Brenda Dugmore presented the certified tax rate for 2007 for the Board of Commissioners review. The proposed tax rates for 2007 were as follows:

COMMISSION MEETING MINUTES  
JUNE 19, 2007

County General Purpose:	0.003569	For a budget revenue of	\$5,461,260.00
County Library:	0.000405	For a budget revenue of	\$ 630,325.00
Discharge of Judgement:	0.000013	For a budget revenue of	\$ 19,537.00
Swimming Pool:	0.000064	For a budget revenue of	\$ 100,000.00
Total Tax Rate:	0.004051	For a budget revenue of	\$6,211,122.00

Brenda informed the Commissioners of a possible tax appeal from Deseret Generation and asked for approval to add this to the judgement levy if by chance the appeal amount comes in at more than \$5,000.00.

Commissioner Gary Kofford made a motion to approve the certified tax rate for 2007 and approve adding Deseret Generation to the judgement levy if needed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(21)****APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated June 5, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(22)****COMMISSION REPORTS***Commissioner Horrocks*

Commissioner Horrocks reported on meetings he recently attended. In Moab he attended Work Force Services regional meeting where they discussed improving conditions in that area.

He also reported on a recent Risk Management Meeting where they discussed an accident involving a deputy patrol vehicle.

*Commissioner Gary Kofford*

Commissioner Kofford reported on progress of the Green River Senior Citizen Center. He recently met with the architect, Jim Dressler. Bidding will begin for the work in early July and call for the bids to be in by late July. He hopes to begin ground work in August. The Road Department will be doing the site preparations on the project.

*Commissioner Sitterud*

Commissioner Sitterud reported on UAC's position on road use. If the road has been used for ten years as such it is considered an open road.

He also reported on an upcoming professional volleyball tournament at Huntington State Park.

**(23)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(24)**  
**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 3, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)  
**APPROVAL OF CHECK EDIT LIST , ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

The Warrant Check Edit List and additional claims #183891 through and including #184039 was presented for approval.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
76-07	Camera System Jail/Sheriff	\$ 29,994.75	Approved
77-07	Truck Topper/Toolbox IT/Jeff Guymon	1,835.00	Approved

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)  
**BID OPENING FOR SCRAP METAL PURCHASE AT EMERY COUNTY LANDFILL.**

The Clerk/Auditor's office received one bid for scrap metal at the Emery County Landfill. The one bid received was from Ron Barney for \$37.00 per ton. Commissioner Kofford indicated that this is the amount that it has been in the past. Therefore, Commissioner Gary Kofford made a motion to award the bid for scrap metal at the Emery County Landfill to Ron Barney for \$37.00 per ton. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF COUNTY ROAD REPAIR AGREEMENT WITH CONSOLIDATION COAL COMPANY.**

The Emery County Road Department will be doing some road repair work for Consolidation Coal Company. They expect some subsidence and want a plan in place to mitigate any problems should they arise. The agreement has been reviewed by Attorney Blackwell. Commissioner Gary Kofford made a motion to approve an agreement with Consolidation Coal Company for road repair work. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**REQUEST DONATION FOR CASTLE VALLEY YOUTH LEADERSHIP SUMMIT.**

Gaylee Jeffs, Julie Jones and Tracy Urie were present to request a donation for the upcoming Castle Valley Youth Leadership Summit. The summit will be held on September 22, 2007 at the Emery County High School. They will have a keynote speaker, Rachel Nicole Norton who is a Columbine massacre survivor. They will have workshops as well as do a service project. They anticipate a large number of youth from Emery, Carbon and Sanpete Counties. Youth from 14 to 18 are encouraged to attend. There is a registration fee of \$30.00 per youth which includes a t-shirt or a hoody. Gaylee indicated that the registration fee is fairly minimal compared to what other youth councils charge and they would like to keep it that way. They asked for any donation that the Commissioners deemed appropriate. In the past the Commission has donated \$250.00. Commissioner Gary Kofford made a motion to donate \$250.00 to the Castle Valley Youth Leadership Summit. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Jeff Horrocks made a motion to move out of the regular Commission Meeting and into a Public Hearing as advertised. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**10:00 A.M. - PUBLIC HEARING- TO RECEIVE PUBLIC COMMENT ON GENERAL PLAN AMENDMENTS.**

Commissioner Sitterud stated that the reason for the Public Hearing is to receive public comment on amendments to Emery County's General Plan. The BLM's Resources Management Plan is in it's final comment period and Emery County wanted to state their alternatives to what the RMP may recommend. The Federal Government will recognize any local plans in decisions regarding

COMMISSION MEETING MINUTES  
JULY 3, 2007

the twenty-seven areas outlined in the amendment to the General Plan.

Public Lands Director, Ray Petersen stated that the Public Lands Council has reviewed the amendments and recommends that it be adopted by the Emery County Commission. A lot of work went into the 31 new amendments to the General Plan. Included in the plan is a map which identifies the existing WSA's in the county. Changing WSA's requires congressional approval. The BLM is re-inventing areas that may have characteristics of a WSA. The amendment goes through 61 areas and identifies resource by resource and stating the county's position for extracting that resource. It also identifies things such as motorized travel, hunting, camping, recreation, water and other areas and states the county's position for the use of these resources.

Commissioner Sitterud opened the meeting to public comment.

Steve Barton stated that it sounds like the plan essentially states that what the land is being used for now is the way we want it to stay, to retain the current or potential use of the land.

Bill Dellos commended the Planning Commission and IT Departments for their work on the amendments.

Mark H. Williams stated that it should have been done a long time ago and thanked them for their work on the amendments.

Mike McCandless commented that the next phase of the process is for the amendments to go through a Consistency Review where the Governor looks at the plan and gives approval.

There were no more comments.

Commissioner Gary Kofford made a motion to return to the regular meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(6)**  
**CONSIDERATION AND APPROVAL OF ADDENDUM AMENDING EMERY COUNTY GENERAL PLAN.**

Commissioner Gary Kofford made a motion to approve the addendum to the Emery County General Plan as prepared by the Planning Commission to be used in the RMP process. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(7)**  
**APPOINTMENT TO NORTH EMERY WATER USERS SPECIAL SERVICE DISTRICT**

**BOARD.**

Board member Mike McCandless indicated the NEWUSSD recommended re-appointing the three board members appointed six years ago when the board was created. They have several projects ongoing and to keep the continuity of those projects moving along recommended no changes be made at this time. The three board members are Mike McCandless, Joy Barton and Kevin Jensen. Commissioner Jeff Horrocks made a motion to re-appoint Mike McCandless, Joy Barton and Kevin Jensen to the NEWUSSD board. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)****APPOINTMENT TO THE MUSEUM OF THE SAN RAFAEL BOARD OF DIRECTORS.**

Tabled to allow time to advertise.

**(9)****CONSIDERATION AND APPROVAL OF BOAT DOCK AT JOE'S VALLEY RESERVOIR.**

There is no contract yet. Tabled.

**(10)****CITIZEN CONCERNS**

None.

**(11)****DISCUSSION OF ASSESSMENT OF LOT VALUES**

Assessor, Kris Bell explained that her office received a letter from the State Tax Commission telling the Assessor's office that they need to increase lot values in the county. They have looked at the sale ratio values and they wanted to raise property values by 33%. She indicated that she held them down to 18%. If we as a county do not raise the lot values, then the State will do it and we will not have a say. She asked the Tax Commission for another year to look at the sales ratio on lot values. Dixie Swasey asked if this pertains to vacant lots in city limits or agriculture. Kris indicated that it did not include agriculture lots only lots that are broken out from residential lots. If it has its own parcel number then it would receive the increase in value. The Commissioners talked about the centrally assessed values and the problem the county has had with the State Tax Commission. In order to change centrally assessed values the law needs to be changed. If we do not do something the cost will fall back on the homeowner. Attorney David Blackwell stated that this issue has been falling on deaf ears for years. However, it does

COMMISSION MEETING MINUTES  
JULY 3, 2007

not hurt to talk about it. It was the consensus of the Commissioners to try and get a meeting with the Tax Commission as soon as possible.

(12)

**DISCUSSION OF CHANGE OVER OF OWNERSHIP OF POWER LINE AT LANDFILL. APPROVAL TO ADVERTISE TO BID CONVERSION.**

The Commissioners discussed the changeover of ownership of a power line at the Emery County Landfill. It will cost \$17,000.00 for Rocky Mountain Power to take over the line which currently powers the shooting range and the landfill. Commissioner Gary Kofford made a motion to proceed with transferring the ownership of the power line to Rocky Mountain Power and approval to advertise for bid to do the conversion of the two lines. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**DISCUSSION OF BLM LAW ENFORCEMENT VEHICLE AGREEMENT.**

Sheriff Guymon explained an opportunity to get a newer vehicle for the deputy who patrols the BLM. Ray Jeff's vehicle is falling apart. It has well over 100,000 miles on it. His department has been putting an abundance of money into repairs each month. It has come to his attention that the BLM has a 2005 Jeep Rubicon that has acquired around 80,000 miles. The vehicle has just been refurbished with new equipment and tires. He has been told it could be used for BLM law enforcement on loan to the county. There would be no expense needed from the county. The Sheriff's Department would have to keep the maintenance up on the vehicle, reporting it to the BLM. The county will insure the vehicle and be responsible to replace the vehicle if it were destroyed. The vehicle that is currently being used needs to be taken out of service. The agreement with the BLM is to use the vehicle into 2008 and re-negotiate at that time. Commissioner Jeff Horrocks made a motion to allow the 2005 Jeep Rubicon to be put into service by the Sheriff's Department into 2008 as proposed in the agreement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF DOOR HARDWARE CONSULTANT FOR THE POOL PROJECT.**

Commissioner Gary Kofford made a motion to approve Beacon Metals as the door hardware consultant for the pool project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(15)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

None

**(16)****APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated June 19, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)****COMMISSION REPORTS***Commissioner Horrocks*

Commissioner Horrocks was recently appointed to the Utah Local Government Trust board of directors. In a training session he attended he was in on discussions on how to receive dividends back to the county for compliance with regulations.

The Museum of the San Rafael roofing project is coming along. The cost of the project is estimated to come in under or at the estimated cost.

*Commissioner Kofford*

Commissioner Kofford reported he will be attending a meeting on the 11<sup>th</sup> of July with UDOT regarding the design of the asphalt for the South Moore Cut-Off Road. Advertising will go out in August. They hope to award the bid in the fall and begin the work in the spring of 2008.

He attended Public Lands tour on Thursday along with Commissioner Sitterud and Ray Petersen in the Pines area. They talked about a proposed pipeline for game on the Muddy.

The Road Department did some earth work on the site for the Green River Senior Citizen Center. They hauled in 2 feet of dirt, compacting it, building up the base and preparing it for the project.

*Commissioner Sitterud*

Commissioner Sitterud reported that the E-911 cost has gone up considerably. They have applied for a grant to make up the difference. The problem is that the state maintains the data base and charge us for mileage on the call. The county is looking into other avenues to make this cheaper.

The Emery County Historical Society has moved to put a kiosk in place at the Emery Park for the San Rafael Swinging Bridge.

Janet Petersen has retired as the Museum of the San Rafael Director.

COMMISSION MEETING MINUTES  
JULY 3, 2007

The swimming pool project is moving along. The road has been completed. The sub-contractor bids have gone out for advertising. They should be awarded soon.

Commissioner Jeff Horrocks made a motion to move into an executive session to discuss attorney/client communications regarding litigation or other matters and to return the regular meeting at the conclusion of that discussion. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commissioner Sitterud, Commissioner Kofford, Commissioner Horrocks, Attorney David Blackwell, Personnel Director Mary Huntington, and Deputy Clerk/Auditor Carol Cox.

Personnel matters were discussed.

**(19)**  
**ADJOURNMENT**

Upon returning to regular Commission Meeting, Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JULY 17, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore, presented the Warrant Check Edit List and additional claims #184165 through and including #184360 for payment.

There were no requisitions.

A list of orange chairs, assets assigned to the courthouse was presented for disposition.

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List, additional claims and dispositions. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(2)**  
**KAY KIMBALL, PRESENTATION AND APPROVAL OF FY2006 INDEPENDENT AUDIT.**

Kay Kimball, Kimball and Roberts, reviewed the FY2006 Independent Audit for Emery County. Mr. Kimball indicated that the final statements reflect a clean opinion. There were no exceptions or subjects of opinion. They did not audit two of the five Emery County component entities. They audited the Fire Protection Special Service District, Recreation Special Service District and the Special Service District #1. Castle Valley Special Service and North Emery Water Users Special Service District were audited by another independent auditor. However, the five component entities were included in the final audit report. There was one management letter item. Emery County had an excess of fund balance due to the change in assessing and collecting practices. This was taken care of this year when the county advertised a public hearing to spend the excess balance. Mr. Kimball indicated that Emery County is in compliance with state and federal regulations with regards to how those funds are received and expended by the county. One of the things that Kimball and Roberts looks at each year is fraud. They performed a detail fraud investigation. They did test work on accounts payable and cash receipting and found everything to be in order.

COMMISSION MEETING MINUTES  
JULY 17, 2007

They checked all deposits and confirmed the cash flow. They looked at the net assets of Emery County as well as the capital assets. The last thing he reported on was the long term debt of Emery County which indicated long term stability. Emery County's long term stability comes from the fact that 60% of Emery County's property taxes comes from Rocky Mountain Power and 87% comes from state centrally assessed properties. Overall he felt very comfortable with the way the funds are being handled in Emery County.

Commissioner Jeff Horrocks made a motion to accept the FY2006 Independent Audit Report from Kimball and Roberts. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(3)**  
**DELENA FISH, DWS, QUARTERLY UPDATE.**

Delena Fish, DWS provided a quarterly update of activity. She provided a matrix comparing DFS worker's caseloads. Emery County continues to lead the region in caseloads. The growth rate in Emery County is 4.5% and unemployment rate is at 3.4%. July is the 10 year anniversary for DWS. As she reported last quarter DWS was in transition to take over the health workers cases. This has increased caseworkers loads by 50%. She discussed an employer training program and grant opportunity.

**(4)**  
**REQUEST FOR BUILDING PERMIT FEE WAIVER FOR EMERY TOWN FOR BALL PARK LIGHTS.**

Mistie Christiansen reported that the youth in Emery Town have worked had to raise \$9,000.00 to put lights up at the Emery Ball Park. She requested that the Commissioners consider waiving the \$227.35 building permit fee. Commissioner Gary Kofford made a motion to approve waiving the building permit fee for Emery Town's ball park lights. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(5)**  
**OPEN PROPOSALS FOR HUNTINGTON AIRPORT MANAGEMENT.**  
**CONSIDERATION AND APPROVAL OF PROPOSAL AND ASSOCIATED PAPERWORK.**

One proposal was received for management at the Huntington Airport. The proposal was from Leon Defriez and Mark Johansen. Commissioner Gary Kofford made a motion to take the proposal under consideration, meet with the individuals to discuss their proposal and to bring this issue back to Commission Meeting at a later time. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(6)****APPROVAL OF BUSINESS LICENSE FOR APRIL PRATT.**

A business license application from April Pratt DBA: Bubbly Surprises and Other Surprises was presented for consideration and approval. The application has been approved by Planning Zoning as a Home Occupation. Commissioner Gary Kofford made a motion to approve a business license for April Pratt DBA: Bubbly Surprises and Other Surprises. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(7)****APPROVAL OF BUSINESS LICENSE FOR WILLIAM AND SHIRLEY COYNE.**

A business license application from William and Shirley Coyne DBA: Coyne Enterprises, LLC. was presented for consideration and approval. The application has been approved by the Planning Zoning Committee as a Level II Conditional Use Permit and is contingent upon the Coyne's getting state licensed. Commissioner Gary Kofford made a motion to approve a business license for William and Shirley Coyne DBA: Coyne Enterprises, LLC contingent upon the Coyne's receiving state license.

**(8)****CITIZEN CONCERNS**

Julie Johansen Love requested the Commissioners grant a variance to allow her to construct a cabin on her property in Joe's Valley. She has contacted the State Attorney General's Office, spoken with AOG Director Bill Howell and has been told that in the absence of a county Board of Adjustments the Commissioners may consider a variance. Attorney David Blackwell commented that the county has a policy in place that the Commissioners would have to follow. He expressed the need to re-appoint the Board of Adjustments and meet with them regarding this issue. Mrs. Love stated that she made the original request for a variance back in March. Her cabin kit is scheduled to arrive on July 20, 2007 and she will be out of town next week. She requested the Commissioners act as an appellate board and grant her a variance at this time. Commissioner Kofford was in favor of acting as an appellate board and granting the variance. He discussed the Zoning Committee's recent decision to lower the requirements for building in the un-incorporated areas of Emery County from 80 acres to 40 acres. He explained that Mrs. Love needs a variance because she was required to turn over some of the property to the Forest Service for a road leaving her with 78.2 acres instead of the 80 acres required to build. She has had her plans reviewed by the building inspector, the septic tank has passed inspection as well as had the drinking water evaluated by the state. Commissioner Gary Kofford made a motion to grant a variance for Julie Johansen Love to build a cabin on her property in Joe's Valley. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF ROW AGREEMENT WITH WILLIAM MARSHING LIVESTOCK, INC.**

Commissioner Kofford made a motion to approve a Right-of-Way agreement with William Marshing Livestock, Inc.. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN QUESTAR AND EMERY COUNTY FOR SERVICE AT THE SWIMMING POOL.**

This agreement will authorize Questar to put in a service line to the swimming pool. Commissioner Gary Kofford made a motion to approve an agreement between Questar and Emery County for service at the swimming pool. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**SETTING OF AUCTION DATE FOR OLD SHERIFF BUILDING AND APPROVAL OF AUCTIONEER.**

Commissioner Gary Kofford made a motion to set November 10, 2007 as the date to hold a county auction to sell the old sheriff's building and other surplus property and to get with auctioneer, Randy Anderson to confirm the date or the date that would best suit the auctioneers and the county's need. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**APPOINTMENT OF MEMBERS TO THE EMERY COUNTY BOARD OF ADJUSTMENTS.**

Commissioner Gary Kofford made a motion to appoint Glynis Sitterud, Dennis Worwood, Nathan Johansen, Kent Wilson and Glen Don Johnson to the Emery County Board of Adjustments, with alternates Cathy Cowley and Randy Jensen. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. They will hold their first meeting sometime in September and elect a chairman.

(13)

**SETTING OF DATE/TIME OF PUBLIC HEARING FOR TAX INCREASE FOR SWIMMING POOL OPERATION AND MAINTENANCE AND JUDGEMENT LEVY.**

Clerk/Auditor Brenda Dugmore recommended setting the date and time of August 22, 2007 at 6:00 p.m. for a public hearing to receive public comment regarding a tax increase for the swimming pool operation and maintenance and judgement levy. Commissioner Jeff Horrocks made a motion to set August 22, 2007 at 6:00 p.m. as a date and time for a public hearing for a tax increase for the swimming pool operation and maintenance and judgement levy. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)****SETTING OF DATES FOR BOARD OF EQUALIZATION.**

Clerk/Auditor Brenda Dugmore recommended setting the following dates for BOE:

Green River August 21, 2007 from 12:30 p.m. to 3:30 p.m.  
Castle Dale August 22, 2007 from 9:30 a.m. to 3:00 p.m.

Commissioner Gary Kofford made a motion to set Board of Equalization dates and times as August 21, 2007 from 12:30 p.m. to 3:30 p.m. in Green River and August 22, 2007 from 9:30 a.m. to 3:00 p.m. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(15)****CONSIDERATION AND APPROVAL OF RESOLUTION PROVIDING FOR THE DISBURSEMENT OF MINERAL LEASE FUNDS EMERY COUNTY RECEIVES FROM STATE TRUST LANDS ADMINISTRATION TO THE SPECIAL SERVICE DISTRICTS IN EMERY COUNTY.**

The Utah State Legislature during the 2007 General Session altered the way in which State mineral development revenues are dispersed. Funds distributed from SITLA will go directly into the Emery County General Fund. The County Commissioners deemed it appropriate to disperse a portion, 15%, of the said funds to the Special Service Districts in Emery County to accommodate the needs of those districts. Attorney David Blackwell drafted a resolution authorizing the disbursement of SITLA funds to SSDs in Emery County. Commissioner Gary Kofford made a motion to approve Resolution 07-17-07 authorizing the disbursement of mineral lease funds that Emery County receives from SITLA to the Special Service Districts in Emery County. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**DISCUSSION DESIGNATING A CENTRAL LOCATION TO RECEIVE BIDS  
REQUESTED BY COUNTY DEPARTMENTS OR EMPLOYEES.**

Commissioner Jeff Horrocks made a motion to designate the Clerk/Auditor's office as the location to receive bids requested by county departments or employees. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)****PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.****A. Approval of one-step increase Jennifer Jensen for completing orientation period.**

Jennifer Jensen has successfully completed her orientation period since she moved into the dispatch position. A one step increase is being proposed. She would move from 10A at \$10.88 per hour to 10B at \$11.12 per hour effective July 29, 2007. Commissioner Jeff Horrocks made a motion to approve a one-step increase for Jennifer Jensen as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**B. Arlynda Zamora has been hired as a 90-day temporary for Weed/Mosquito.**

James Nielsen has hired Arlynda Zamora as a temporary Weed & Mosquito employee in Green River to help bleed chickens. She will be paid \$8.00 per hour.

**(18)****APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approved the minutes dated July 3, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(19)****COMMISSION REPORTS**

*Commissioner Sitterud*

Commissioner Sitterud thanked the Miss Emery County Pageant director and her committee for the work that they put into the Miss Emery Pageant. There five girls who competed. Karrie Johansen, who is the sister of 2006 Miss Emery, Kristine Johansen.

COMMISSION MEETING MINUTES  
JULY 17, 2007

Commissioner Sitterud along with Commissioner Horrocks and Mike McCandless traveled to Green River to meet with Transload Landfill. Transload Landfill is a company who has been moving forward to open a landfill 4 miles due east of Green River City. The company bails the material and buries it in the landfill to be used later as a fuel for industrial plants. The company will be accepting municipal landfill bails through railway. Commissioner Sitterud took representatives from Nielson Construction and Brown Brothers Construction as there will be a lot of construction work going on over the next couple of years to things ready. They expect to have about 10 employees, mostly equipment operators. Transload has their state permits in place and everything looks good.

The County is preparing for the Desertview Pro Rodeo next week.

The CIB Board will be in the County on Wednesday, Thursday and Friday of next week. They will meet in the courthouse on Wednesday at 9:00 a.m. They will later go on a tour of the power plants and participate in golf at Millsite Golf Course. Meals will be provided for them sponsored by Zions Bank and Arch Coal Company. They will be given a presentation by Castle Valley Special Service District on the projects that have been made possible here in the county thanks to the funds made available through the CIB. The wives of members of the Board have activities provided for them. The board members will attend the Pro Rodeo on Thursday night. Commissioner Sitterud indicated that Mayors of the cities in Emery County have been invited to attend sessions and that State Legislators and Senate Representatives will also be here.

*Commissioner Horrocks*

Commissioner Horrocks met with Tim and Greg Vetere recently regarding the property in Green River for the Senior Citizen Center. A survey is being done to determine the property boundaries.

The Weed and Mosquito Department is currently doing a lot of work to eradicate noxious weeds and mosquitos in the County.

*Commissioner Kofford*

Commissioner Kofford reported that the bid for the construction manager on the Green River Senior Citizen Center is currently out to bid. There will be a mandatory site showing on July 19, 2007 at 9:00 a.m. for those interested in bidding on the project.

Advertising is going in the paper on the 25<sup>th</sup> of July for bids for the library roof repair projects. Also on the 25<sup>th</sup> there will be a site showing for contractors interested in bidding on the power changeover project at the landfill.

8  
COMMISSION MEETING MINUTES  
JULY 17, 2007

**(20)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(21)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 7, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #184635 through and including #184811 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
80-07	(3) 40' Storage containers Capital Projects	\$10,050.00	Approved

Commissioner Gary Kofford asked Brenda if she had some requisitions for vehicles for the Sheriff's Department. Brenda stated that she did have requisitions for two vehicles for the Sheriff's Department but there was a discrepancy in the purchase price and vendor and would like more time to look into the matter before they are presented.

Dispositions were presented for the following:

136-8109, Fuji 2800 Digital Camera, 146-8113, P4 OptiPlex 03 Computer, 145-7630, PC2100 Computer, 144-7636, PC 2100 Computer, 143-7635, PC 2100 Computer.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**  
**BID OPENING FOR CONVERSION FOR POWER LINE AT LANDFILL.**  
**CONSIDERATION AND APPROVAL OF BID AWARD.**

The Clerk/Auditor's office received two bids for conversion of the power line at the Landfill.

COMMISSION MEETING MINUTES  
AUGUST 7, 2007

The two bids received were as follows:

Lofthouse Electric- \$5,311.00  
Dean Allen Electric- \$6,510.00

The low bid is Lofthouse Electric for \$5,311.00.

Commissioner Gary Kofford made a motion to compare the bids and after determining the bids are for the same service, then award the bid to the low bidder Lofthouse Electric for \$5,311.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**BID OPENING FOR ORANGEVILLE AND GREEN RIVER LIBRARIES ROOF REPAIRS. CONSIDERATION AND APPROVAL OF BID.**

Commissioner Gary Kofford indicated that there was a site showing for the roof repairs at the Orangeville and Green River libraries. Only one construction company attended. Stilson and Sons Construction submitted a bid of \$20,000.00 for 30 year shingles, \$23,000.00 for 40 year shingles and \$25,000.00 for limited lifetime warranty shingles for the Orangeville Library and indicated that the bid for the Green River Library would be \$3,000.00 more to compensate for travel, room and meals. The bid included the demolition of existing shingles on the buildings. Commissioner Gary Kofford made a motion to accept the bid from Stilson and Sons Construction for the 40 year shingles at a total bid of \$49,000.00 for the roofing repairs at the Orangeville and Green River Libraries. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**DEBRA DULL/REPRESENTATIVE OF ROCKY MOUNTAIN POWER/PACIFICORP- QUARTERLY UPDATE.**

Deb Dull, Representative of Rocky Mountain Power brought with her Reg Soepnel Strand, Managing Director of Plants for PacifiCorp, Darrel Cunningham, Hunter Plant, Gary Denhalter, Huntington Plant, and Cody Allred Water Resources Engineer. Deb Dull reported that in 2007 PacifiCorp has provided \$17,000.00 in contributions to various organizations and entities in Emery County mainly to communities for their city celebrations. He indicated that Congressman Matheson will be visiting the Huntington Plant and Governor Huntsman will be vising at the end of the month. The next cycle for overhauls will be in 2010.

Darrel Cunningham, Hunter Plant reported on the recent Hunter 3 overhaul. He indicated that the project was completed on May 20, 2007, eight days late due to some extra turbin work as well as other significant projects. They estimate that a least 700 contractors worked on the project. Overall it was a safe overhaul. They experienced a minimal amount of accidents or incidents associated with the overhaul. PacifiCorp plans to donate the old system to WETC for

COMMISSION MEETING MINUTES  
AUGUST 7, 2007

training purposes. Overall, PacifiCorp has spent 55 million dollars on capital projects and 8.5 million dollars on operation and maintenance projects.

Cody Allred, Water Resources Engineer reported on the water situation. He indicated that they have a comfortable amount of water supply to cover the coming season. They will more than likely draw down their storage of water. This year is projected to go down as one of the driest years. There is not a lot of river flow. There is not enough water to go through the entire irrigation cycle. He is working with Huntington and Cottonwood Irrigation to try and make the water last. They are continuing with their fish studies. The fishery seems to be very healthy at this time. They are finding a lot of moss and silt build-up in the streams which is affecting the flow for fish. He ask that everyone pray for a good snow pack this coming season. He stated that we need to replenish the water storage. He indicated that PacifiCorp continues to support the salinity project that is still moving forward. The federal funds are in place and phase 1 is working to be ready for the next irrigation season and a notice to proceed has been initiated for phase 2. .

**(5)**

**CONSIDERATION AND APPROVAL OF BUSINESS LICENSE.**

A business license application was presented for Don Sjogren DBA: S.K. Storage. His application has been considered by the Planning and Zoning Committee and signed by Mike McCandless. Commissioner Jeff Horrocks made a motion to approve a business license for Don Sjogren DBA: S.K. Storage as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)**

**DISCUSSION AND POSSIBLE DECISION REGARDING OIL/GAS LEASES.**

Scott Elery, Energy West discussed a dual ownership problem regarding oil/gas leases in Emery. In going over oil/gas leases on the south side of Emery, Scott came across some leases that were dual owned. Scot explained that when he was researching mineral holding for this land he came across several quit claim deeds. He interpreted the quit claim deed to hold all the mineral rights that were associated with the land at that time. He thinks the intention was to get the coal rights but due to the wording they took everything. In 1912 Emery Coal & Coke Company went to the property owners to obtain the mineral rights for the property in question. Emery County took the coal rights away from Emery Coal & Coke and gave them to Ira Browning leaving the mineral rights with Emery County. In 1923 Emery County took the property from Ira Browning in a tax sale. Scott assumed that the county was not aware they had the mineral rights with this property, just the coal rights. This raises an issue because the county does not tax severed minerals, so he was not sure why the county took Ira Browning's interest away or Emery Coal & Coke's interest in the beginning. Researching some of this land, Scott found that the last time most of this land was leased was in the early 1950's. At that time, he noticed that there were leases taken with the

COMMISSION MEETING MINUTES  
AUGUST 7, 2007

current surface owner at the time as well as the county covering the same lands. Scott assumed they were not really sure who owned the mineral rights so they took two leases and figured out if any drilling was ever going to happen there. Today, Mr. Elery is trying to lease the land and he is not sure who owns the mineral rights. He has taken current leases with the people that he believes currently owns the mineral rights but he cannot prove that they own it due to what he sees in the quit claim deeds. His company has been willing to pay the current owners \$5.00 per acre until the matter is resolved at which time his company will pay them the remainder of what they owe them. He indicated that he does not know how the Commission wants to handle this matter. Commissioner Sitterud indicated that he, Attorney David Blackwell and Recorder Dixie Swasey have met previously with Mr. Elery regarding this matter. Commissioner Sitterud pointed out that the county does not tax on underground rights so he does not know how the county could have taken it on a tax sale. Attorney Blackwell indicated that the problem he sees is that the likely-hood that the company will develop the property goes way down if there is a dispute over who owns the mineral rights. Mr. Elery indicated there is a few ways that oil/gas companies deal with situations like this. One is to drill it and put the money in an escrow account until the issue is resolved. Another way is for all the parties that may have an interest in it to get together and sign some kind of stipulation of interest and everybody agrees that this is the way it is. Or, they can do nothing. Energy West has chosen to do nothing until the issue of ownership of mineral rights has been resolved. Attorney Blackwell recommended that the best option for the county would be to relinquish the county's right, whatever that may be, to the surface owners. The theory being, that if there is any development we would get mineral lease money anyway. Scott indicated that the other side this is that the coal rights have been clouded as well. He did find that there was a quit claim deed from Emery County for the coal rights deeded over to Consolidated Coal sometime around 1992 or 1993. Attorney David Blackwell indicated that the cleanest way to resale this matter would be for the county to relinquish any rights that we may or may not have to this property to the surface owners. Commissioner Gary Kofford made a motion to start the process to relinquish any rights that Emery County may have to the property in question. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. Recorder Dixie Swasey indicated that she has seen several other Auditor's Tax Deeds that were in error. Therefore, she thinks that relinquishing the County's rights to the property is the best thing to do for all involved.

(7)

**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR  
EMERY HIGH SCHOOL CARPENTRY PROGRAM**

Commissioner Gary Kofford made a motion to waive the \$1,000.00 building permit fee for the Emery High School Carpentry Program. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)****CONSIDERATION AND APPROVAL OF STANDARD FORM OF AGREEMENT BETWEEN HUGHES GENERAL CONTRACTORS, INC. AND EMERY COUNTY POOL COMPLEX.**

Attorney David Blackwell explained that this is a standard AIA agreement. We have been waiting for the amount which is now in the agreement. The amount in the agreement is \$5,790,479.00. Hughes will back out \$372,599.00 to make the total \$5,417,880.00. We have been pretty much guaranteed by CIB to come back for an additional \$500,000.00 if needed. He asked for approval draft a letter to take to CIB to request \$1,000,000.00 because we need furnishings. It is not 100% guaranteed to receive this money. We have been told we can come back for additional money, but it is not guaranteed. David Blackwell requested changing the wording in the document from Emery County Commission to just Emery County.

Commissioner Jeff Horrocks made a motion to approve the contract with Hughes General Contractors with the noted changes and approve Commissioner Sitterud to go to CIB for \$1,000,000.00 in additional funds and to send a letter to proceed to Hughes General Contractors, Inc. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH AND EMERY COUNTY FOR 2007 STATEWIDE SPECIAL ELECTION FUNDING AGREEMENT.**

Clerk/Auditor Brenda Dugmore presented a contract with the State of Utah for statewide special election funding. The state will fund the statewide special election in the amount of \$6,738.00. The plan is to have the cities turn over their budgeted election funds to the county. Brenda indicated that the funded amount will not be enough to run the election but that she will do what she can to make it work with the funds that the county gets.

**(10)****CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH AND EMERY COUNTY FOR 2008 WESTERN STATES PRESIDENTIAL PRIMARY ELECTION FUNDING AGREEMENT.**

The State will fund the 2008 Western States Presidential Primary Election in the amount of \$22,000.00. Commissioner Gary Kofford made a motion to approve the two contracts with the State of Utah for funding of the 2007 statewide special election and the 2008 Western States Presidential Primary election. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT WITH UDOT AND EMERY COUNTY FOR PHASES 5 & 6 SOUTH MOORE CUT-OFF ROAD.**

Commissioner Gary Kofford made a motion to approve a cooperative agreement between UDOT and Emery County for Phases 5 & 6 of South Moore Cut-Off Road and send it to the Special Service District. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. Commissioner Kofford explained that this is the asphalt phase of the project. Bids will go out late August with the contract in place by October 15 which is the end of the window for asphaltting. They will begin asphaltting in spring of 2008.

(12)

**CITIZEN CONCERNS**

None.

(13)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION****A. Approval to hire Tamra Humphrey as a Deputy/Clerk Auditor II.**

Clerk/Auditor, Brenda Dugmore requested approval to hire Tamra Humphrey as a part-time Deputy Clerk/Auditor II with pro rated benefits, grade 14 @10.36 per hour. If approved she would begin work on August 8, 2007. Commissioner Jeff Horrocks made a motion to approve hiring Tamra Humphrey as a part-time Deputy Clerk/Auditor II as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**B. Approval to begin the recruitment process for a full time Solid Waste Technician.**

Road Supervisor, Morris Sorensen requested approval to begin the recruitment process for a full time Solid Waste Technician. Commissioner Gary Kofford made a motion to approve beginning the recruitment process for a full time Solid Waste Technician. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**C. Approval of one-step increase for Kristine Roberts.**

Kristine Roberts has successfully completed her six month orientation period and Judge Burns requested a compensation increase. If approved she would move from grade 4A @8.12 per hour to \$8.47 per hour and would become effective August 12, 2007. Commissioner Jeff Horrocks made a motion to approve a compensation increase for Kristine Roberts as proposed. The motion was

seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**APPOINTMENT TO THE MUSEUM OF THE SAN RAFAEL BOARD OF DIRECTORS.**

Commissioner Jeff Horrocks indicated that there were two applications handed in for one position of the Museum of the San Rafael Board of Directors. Applications received were from Mary Kava and Janet Petersen. Janet Petersen recently retired as the Director of the Museum. She was working on a couple of grants when she retired. Commissioner Horrocks recommended appointing Janet to the board of directors due to her knowledge of the pending grants. Therefore, Commissioner Jeff Horrocks made a motion to appoint Janet Petersen to the Museum of the San Rafael Board of Directors. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**DISCUSSION AND IMPLEMENTATION OF SALARY ADJUSTMENTS AS RECOMMENDED BY PERSONNEL SYSTEM AND SERVICES.**

Commissioner Sitterud explained that a year ago the Commissioners began a process to look at county employee's salaries. A company was hired, Mike Swallow at Personnel System and Services, to look at the salaries and make recommendations to the Board of Commissioners. Departments, namely the Road Department and Sheriff's Department, have had some difficulty recruiting people for positions because the wage is low. The Commissioners and department heads looked at what Mr. Swallow recommended and what wage would entice people to apply for these jobs. It was the consensus of the Commissioners to look at the jobs/positions and to implement salary changes as Mr. Swallow recommended, in phases as funds are available to do so. Commissioner Gary Kofford made a motion to implement phase 1 of the salary adjustments as recommended by Mike Swallow, Personnel System and Services effective the pay period beginning August 13, 2007. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present. Implementing phase 2 will be based on available funds.

**(16)**

**SETTING OF PUBLIC HEARING TO RECEIVE PUBLIC COMMENT REGARDING COUNTY ROAD #126.**

Commissioner Gary Kofford made a motion to set the date and time for a Public Hearing to receive public comment regarding county road #126 for September 4, 2007 at 10:00 am. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(17)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated July 17, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)****COMMISSION REPORTS***Commissioner Kofford*

Commissioner Kofford reported that in the last Commission Meeting the Commission asked for Request for Proposals for maintenance of the Huntington Airport. One was received from Leon Defriez/Mark Johansen.. County Attorney David Blackwell and Personnel Director, Mary Huntington have been going over a possible contract. They anticipate having a contract in place by September 4, 2007. He reported that the bids for the Green River Senior Citizen Center will be opened on August 14, 2007 at 2:00 pm. Road Supervisor. Morris Sorensen is working on an agreement with Emery County, Forest Service and Sanpete County for maintenance of the 2.33 miles of road on the White Dugway in Joe's Valley. Sanpete County says it is their road yet they will not maintain it.

*Commissioner Horrocks*

Commissioner Horrocks reported on the progress of the roofing project at the Museum of the San Rafael. He along with Gary Kofford, LaMar Guymon, Ray Petersen and Leslie Bolinder accompanied CIB Board member's spouses or significant others on a trip to the gun range in Price while the CIB board members met in Castle Dale last week. He also reported on improvements to the North Emery Water Users building north of Cleveland.

*Commissioner Sitterud*

Commissioner Sitterud reported on the Miss Emery Pageant Desertview Pro Rodeo, Emery County Fair, and Castle Valley Pageant. Thursday night was the largest crowd at the rodeo. They experience record numbers this year. Thanks to the Dare to Wear Pink program, where \$1.00 was donated for every person who wore pink to the rodeo, they were able to donate \$800.00 to the Cancer Foundation. The rodeo committee has indicated that they will run that program again next year. The Emery County Fair went well other than the rain on Friday night. The concert lost two thirds of its crowd to the rain. Everything was covered in mud. He reported on the MONEY roll dice game sponsored by Tyler Jeffs. Lori Brady won \$15,000.00 or two four wheelers. The county was honored to have the special needs kids in Emery County as the Grand Marshall of the Fair this year.

COMMISSION MEETING MINUTES  
AUGUST 7, 2007

Commissioner Gary Kofford made a motion to move out the regular meeting and into an executive session and at the conclusion of the executive session to return to the regular meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Personnel Director, Mary Huntington, Economic Development Director, Michael McCandless and Deputy Clerk/Auditor Carol Cox.

Personnel matters were discussed.

**(20)**

**ADJOURNMENT**

Upon returning to the regular meeting, Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COMPLEX IN GREEN RIVER, UTAH

AUGUST 21, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Clerk/Auditor Brenda Dugmore, other elected officials and citizens.

**(1)**  
**CITIZEN CONCERNS.**

Judge Betty Burns wondered if something could be done about the Sheriff's office closing when Cheryl Keener was off on vacation. If people come in for vehicle registrations or other business they are not able to be helped. Chairman Sitterud assigned Commissioner Horrocks to look into the matter.

**(2)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #184887 through and including #185056 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
81-07	Wireless Access/Printer/Computer	\$5,257.28	Approved
82-07	45 KVA Generator	\$19,950.00	Approved
83-07	Air Conditioner for Emery TV	\$4,130.00	Approved
84-07	LPR Replacement	\$1,040.00	Approved

Commissioner Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Horrocks and approved by all members present.

Requisition 79-07 for a 2008 Dodge Charger for the Sheriff's department was discussed separately. Commissioner Kofford made a motion to approve the purchase of the Dodge Charger from Ken Garrf West Valley for the amount of \$21,291.00 which is state bid. The motion was seconded by Commissioner Horrocks and approved by all members present.

2  
Commission Meeting  
August 21, 2007

(3)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. APPROVAL OF MARGARET KELLER AS PART-TIME MUSEUM DIRECTOR.**

Personnel Director Mary Huntington asked to be excused from the meeting. Clerk/Auditor Brenda Dugmore requested approval to hire Margaret Keller as the part time Museum Director. She would start Monday, August 27, 2007 and Jan Petersen will come back for two days to train her. Her wage will be a grade 14. Commissioner Jeff Horrocks stated that Mary Huntington had conducted the interviews and determined that Ms. Keller was the best qualified candidate. Commissioner Horrocks made a motion to approve the hiring of Margaret Keller as the part time Museum Director. The motion was seconded by Commissioner Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF FY2008 CONTRACT BETWEEN EMERY COUNTY AND THE SOUTHEASTERN UTA AREA AGENCY ON AGING.**

Commissioner Kofford informed the Commission that this was a standard contract. There are a couple of small increases in the contract. Commissioner Kofford made a motion to accept the contract pending Clerk/Auditor Brenda Dugmore's approval of the budget figures. The motion was seconded by Commissioner Horrocks and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF SITLA EASEMENT NO. 1025 - LILA CANYON ROAD EASEMENT.**

Utah American Energy had originally put in for a right-of-way on Lila Canyon. The cost was \$6,400 and Utah American Energy did not pay the fee. The contract is pretty one sided for the State but there is no way to change the contract. Commissioner Kofford made a motion to approve the SITLA Easement No. 1025 - Lila Canyon road easement. The motion was seconded by Commissioner Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF GRANT FOR JOES VALLEY RESERVOIR COURTESY DOCK INSTALLATION PROJECTS AND ASSOCIATED PAPERWORK.**

Chairman Sitterud stated he had been working on this project for over a year. Everything is now in place to accept the grant. There were three bids for the installation of the dock and they were sent to the State Parks. There are some in kind services that will be required of the County. Commissioner Horrocks made a motion to go ahead and proceed with the dock project and grant signing pending the approval of Attorney David Blackwell. The motion was seconded by

3

Commission Meeting  
August 21, 2007

Commissioner Kofford and approved by all members present.

(7)

**CANCELLATION OF INTERLOCAL AGREEMENT BETWEEN CASTLE DALE CITY AND EMERY COUNTY JUSTICE COURT.**

Attorney David Blackwell stated that recently the County had entered into an agreement with Castle Dale City based on a similar agreement between Price City and Carbon County. Rick Schwermer from the State Courts referred the Justice Court to a code section which disposes of fines by State law which causes the agreement to not be needed. When there is a State law on the books that conflicts with a County agreement the State law prevails. The State law says that any money that the City generates will be split with the County 50/50. Commissioner Kofford made a motion to have Attorney David Blackwell write a letter to Castle Dale City stating that the agreement will terminate in 30 days. Mr. Blackwell will also send a letter to the other cities in Emery County explaining the above section of state code. The motion was seconded by Commissioner Horrocks and approved by all members present.

(8)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Horrocks made a motion to approve the minutes dated August 7, 2007 pending finishing item #6 and making other corrections as directed. The motion was seconded by Commissioner Kofford and approved by all members present.

(9)

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported that the roof project at the San Rafael Museum has been completed and the work on the Veteran's monument has begun. Commissioner Horrocks will be attending a meeting on August 20, 2007 at the Utah Local Government's Trust to consider broadening the coverages they provide.

*Commissioner Kofford*

Commissioner Kofford reported that he had attended a meeting this morning concerning Phase 7 of the South Moore road. The meeting was to determine whether federal funds could be spent on the intersection at Highway 10. The new road design would move the intersection 400 feet to the north. It was determined that federal funds could be spent on this project. Phase 5 & 6 which consists of oiling phases 1, 2, 3, & 4 will go out to bid in the next few weeks. The bid will be let around October 1, 2007.

Commissioner Kofford also informed the public that the Municipal Building Authority met on August 14, 2007 to open bids for the Green River Senior Citizens Center. There was only one bid from Henderson Builders out of Moab. The bid was for \$1,720,000. The original engineers estimate was \$1,300,000. Architect James Dressler sent a copy of the bid award and upon approval will forward it on to Henderson Builders. The construction will begin around September 15, 2007. The site has been prepared and is ready for construction to begin. The completion date is 360 calendar days from the date the notice of award was sent.

*Commissioner Sitterud*

The Commissioners met with the Utah State Tax Commission to discuss the 18 percent factor order that was issued. They met for about three hours discussing concerns with how decreases to centrally assessed property affects businesses and homeowners. The result was they could understand the issues that were brought up but without a constitutional change there was not anything they could do.

There will be a jointly sponsored ATV ride September 28-30, 2007. The ride will be sponsored by Emery County and the Utah State Parks. The cost will be \$80.00 to play 18 holes of golf, 9 holes at Millsite Golf Course and 9 holes at Green River State Park. It also includes a nights stay at each of the parks. The ATV ride will begin at Millsite State Park and end at the Green River State Park. Vehicles will be transported from Ferron to Green River by the Emery County Sheriff's Possee.

Commissioner Sitterud stated that he attended the funeral for rescue miner Dale Black who was killed on Thursday. The funeral was held at the Little Bear Campground up Huntington Canyon. There were approximately 1200 chairs set up and it was standing room only. Governor Jon Huntsman and mine owner Robert Murray were also in attendance. The Sheriff's office handled the parking and did a very good job. Commissioner Sitterud commended all in the county who have been involved with the mine situation for the good job that they have done.

**(10)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

The executive session was not needed.

**(11)**

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded

5  
Commission Meeting  
August 21, 2007

by Commissioner Jeff Horrocks and approved by all members present.

MINUTES OF THE SPECIAL MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

AUGUST 22, 2007

Present at the meeting were Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Clerk/Auditor Brenda Dugmore and other citizens.

Commissioner Jeff Horrocks made a motion to move into the public hearing. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(1)

**6:00 PUBLIC HEARING - TO RECEIVE PUBLIC COMMENT ON PROPERTY TAX INCREASE FOR THE SWIMMING POOL AND JUDGMENT LEVY:**

Commission Chairman Drew Sitterud stated the purpose of the public hearing was to receive public comment on the proposed tax increases. The property tax increase is for Emery County to receive an additional \$100,000 of property tax revenue to pay for the operation and maintenance of the swimming pool that was approved by a vote of the people in November of 2006. The judgment levy increase is for Emery County to receive \$19,536.70 which the Utah State Tax Commission ordered Emery County to pay back to Canyon Fuel. Of this amount approximately 75 percent will be paid back by centrally assessed properties.

Patsy Stoddard spoke in favor of moving forward with the tax increases. Katherine Seely had questions about why line items on her valuation notice would be higher if there was no budget change. Ms. Seely also had questions concerning her green belt values. Chairman Sitterud requested that she talk to the Assessor Kris Bell to get answers concerning values. Ms. Seely stated that the increase for the swimming pool seemed pretty minimal.

Commissioner Gary Kofford made a motion to come out of the public hearing. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to approve Resolution 08-22-07 adopting final tax rates and budgets. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

2

Commission Meeting  
August 22, 2007

The final tax rates and budgets are as follows:

<b><u>Fund</u></b>	<b><u>Tax Rate</u></b>	<b><u>Budget</u></b>
General Fund	.003509	\$5,461.260
Library	.000405	\$ 630,325
Judgment Levy	.000013	\$ 19,537
Swimming Pool	.000064	\$ 100,000
Assessing & Collecting - County	.000300	\$ 467,000
Assessing & Collecting - State	.000121	\$ 188,320

(20)

**ADJOURNMENT**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 4, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #185271 through and including #185370 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
85-07	(2) Pulse Oximeters Ambulance	\$ 990.00	Approved
86-07	(2) 40' containers (4) 20' containers Homeland Security/Sheriff	\$18,114.00	Approved

There were no dispositions.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, and requisitions and presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE BILL REDUCTION/WRITE-OFF FOR JUSTIN GIBSON, CASEY A. COONES, AND ANGELICA CERVANTES.**

Clerk/Auditor Brenda Dugmore presented ambulance bill reduction/write-off requests as follows:

1. Justin Gibson was hurt in a rodeo in Huntington. In his letter requesting assistance he indicated that he has no insurance. His ambulance bill is \$1,000.00. Commissioner Jeff

COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

Horrocks made a motion to approve a 20% reduction in his ambulance bill and allow him to make two payments on the remainder of the balance he owes. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

2. Casey Coones was in an automobile accident. In his letter requesting assistance he indicated that his insurance company denied his claim. His ambulance bill is \$1,548.00. Commissioner Jeff Horrocks made a motion to set up a payment plan for Mr. Coones to pay the ambulance bill. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

3. Angelica Cervantes was visiting in Green River when she experienced an asthma attack. She indicated in her letter that she has no parents or family to help her and would appreciate any reduction or opportunity to make small payments. Commissioner Gary Kofford made a motion to abate the ambulance bill in the amount of \$1,797.00 for Angelica Cervantes. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF AGREEMENTS WITH CITIES TO  
ADMINISTER ELECTIONS ON 11/6/2007.**

Clerk/Auditor Brenda Dugmore explained that Governor Huntsman has declared that there will be a special election in November. Lieutenant Governor Herbert declared that the County will administer the election. Since this is a municipal election year the cities were asked to turn over to the county the amount that they have budgeted to administer the election in their city/town. Brenda asked Attorney David Blackwell to draft an agreement between the county and each city/town in Emery County to administer the election. She explained the election set up and plans for the precincts. She asked that the Commissioners sign the agreements and she will get them to the cities/towns for their approval. Commissioner Gary Kofford made a motion to approve agreements with the cities/towns in Emery County to administer the election on November 6, 2007. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**SETTING OF DATES FOR 2008 BUDGET WORK MEETINGS.**

Commissioner Jeff Horrocks made a motion to set the following dates for 2008 budget work meetings: September 24, 2007 at 9:00 am., October 3, 5, 15, and 24, 2007 beginning at 9:00 am. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**HILLARY GORDON, MAYOR OF HUNTINGTON, DISCUSSION OF LAW ENFORCEMENT IN CITIES.**

Huntington Mayor, Hillary Gordon came before the Board of Commissioner to discuss speeding issues in Huntington City. She indicated that there has been a lot of controversy stemming from the stop signs recently placed on Huntington City streets. UDOT is currently doing a speed survey in Huntington City. The city has asked Sheriff Guymon for extra law enforcement. Sheriff Guymon indicated that years ago there was an agreement with the cities for law enforcement. This became a hassle so it was discontinued and now law enforcement for the cities is handled through the county. He stated that every city in Emery County has law enforcement issues. Mayor Gordon asked Sheriff Guymon how much it would cost to have a contracted law enforcement officer in their city for a specific amount of time. Sheriff Guymon indicated approximately \$30.00 per hour. Sheriff Guymon added that during city celebrations his department has in the past and will continue in the future to provide extra law enforcement for that city. Commissioner commented that ideally the county needs additional officers. However, the budget won't allow for it. Sheriff Guymon is trying to cover the county with what deputies he has. Sheriff Guymon stated that his department wants to provide service to the cities/towns. He needs to be informed of law infractions in order to react to them. Sharon Earl asked how much it would cost to hire an officer? Sheriff Guymon indicated that it would cost approximately \$80,000.00 to get an officer trained and going on the job. This is not including an automobile and all the equipment needed to do the job. A yearly salary not including benefits would be around \$45,000.00 to \$60,000.00. Mayor Gordon indicated that this was not a formal request, just the start of discussions regarding law enforcement and appreciated their time and input.

(6)

**GARY PETTY, MAYOR OF EMERY, REQUEST FOR COUNTY ASSISTANCE WITH A BUILDING DEMOLITION.**

Emery Mayor, Gary Petty and Council member Pat Sundstrom were present to ask the Commissioners for assistance in the demolition of a building. The building is next to the existing city hall and the post office. They are looking at tearing down the building to create a parking lot for the post office and city hall customers. Asbestos testing on the building has been completed. They asked that the county assist in tearing down the building and haul the debris to the landfill. The road supervisor indicated that it would probably take about a week to tear down the building and another week to haul the debris to the landfill. He also indicated that his department will not be available to assist in this project until sometime in the fall. Mayor Petty indicated that the city does have funds to pay for the fuel that it will take to haul the debris to the landfill. Commissioner Jeff Horrocks made a motion to assist in the removal of a building in Emery Town sometime in the fall and that Emery Town will assist in the fuel cost for the project.

The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**10:00 AM- JOINT PUBLIC HEARING- EMERY COUNTY PLANNING COMMISSION/EMERY COUNTY COMMISSION TO RECEIVE PUBLIC COMMENTS FOR THE PURPOSE OF DETERMINING WHETHER THE INTERESTS OF THE PUBLIC AND AFFECTED LANDOWNERS WILL BE PROTECTED IF/WHEN UTAH AMERICAN ENERGY, INC. COAL MINING AND RECLAMATION OPERATIONS BEGIN WITHIN 100 FEET OF EC ROAD 126 AND DURING CONSTRUCTION ON EC ROAD 126.**

Commissioner Gary Kofford reviewed maps showing the Lila Canyon Mine site. He reported that in 1997 Utah American Energy began the process to develop the reserves in the Lila Canyon area. In 1999 Utah American Energy came to the Planning Commission and went through the large site development process. They also came before the Board of Commissioners in the form of a public hearing. One thing that was covered in these meetings was the fact that there is a stipulation in Federal Regulations that states that anytime there is a coal mine within 100 feet of a public road it needs to be addressed in a public meeting and open to public comment. At that time the issue of EC Road 126 was covered. Also at that time the Planning Commission noted with a stipulation that where they were adjacent to the road within a 100 feet a fence would be a six foot chain link fence put up. Members of the Planning Commission were present at today's meeting, some of which were there at the first public meeting. The members present were: Mac Huntington, Judy Scott, Gary Arrington, Bill Dellos and Priscilla Burton. In 1999, it was agreed that the county would realign the road proceed and get the right-of-ways, Utah American Energy would pay for the expansion or improvement. We have right-of-ways from BLM, private land owners and SITLA. The agreement at that time was that Utah American Energy would pave the road and the county would maintain the road after the work was completed. In 2001, a mining permit was issued by DOGM. The permit was protested by SUWA. In May 2007, SUWA began the process of trying to hold up things again. One of the stipulations in the May 2000 permit was that American Energy have another hearing to discuss the location of within 100 foot of a public road. This is the purpose of the public hearing today is to partner with the Emery County Planning Commission to hold a public hearing to allow for public comment on whether the interest of the public and affected landowners will be protected if and when Utah American Energy, Inc. coal mining and reclamation operations begin within 100 feet of Emery County Road 126 and during construction on Emery County Road 126.

Comments were as follows:

Sharon Earl asked if this road is located in Emery County. Commissioner Kofford indicated that it is in Emery County.

COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

Jay Marshall, Utah American Energy, Inc. indicated that the operations of the coal mine will employ approximately 230 from Carbon and Emery County.

Bill Dellos asked how much traffic can be expected on the road. Commissioner Kofford indicated that it would be mostly coal hauling and some stockmen. Craig Johansen commented that the portion of the road that will be abandoned will be reclaimed.

Sharon Earl asked what was the nearest city to the mine? Commissioner Kofford indicated that it would be East Carbon.

Priscilla Burton asked where the county line was? Commissioner Kofford showed on the map that the county line is south of Columbia. Can people use the road for commuting to the mine? Commissioner Kofford commented they could use Horse Canyon road. Does the company plan on using funds to help improve the road for commuters? Commissioner Kofford indicated that there were no plans for improving the road for commuters at this time.

Bill Dellos asked how deep the mine was? Jay Marshall indicated that all their mines are approximately 2500 feet.

Mac Huntington, as Chairman of the Planning Commission eight years ago when this all began remembers going through all this with the applicant, Jay Marshall representative from Utah American Energy, Inc. There was a very thorough and exhausted permitting process. He thought that at that time the county was very diligent with the formal process. He indicated that he was very surprised when this came up.

Attorney David Blackwell commented that back then the notice for the public hearing did not include the wording regarding within 100 feet of road 126. This is the technicality that they are wanting us to correct. The issue now is the 100 feet addressed in a public hearing. He suggested that the Planning /Zoning Commission when you next meet based on the comment you hear today you make a decision in your meeting.

Priscilla Burton read a comment from DOGM: Ruling R645103234 which states the public road authority designated by the division make a written finding based upon information received at a public hearing within thirty days after completion of the public hearing or any open comment period as to whether the interest of the public and affected landowners will be protected from the proposed coal mining and reclamation operation. No mining will be allowed within 100 feet of the outside right-of-way line of a road, nor may a road be relocated or closed, unless the Division or public road authority determines that the interests of the public and affected landowners will be protected.

Jay Marshall, Utah American Energy, Inc. reviewed the map of the revised mine site plan.

COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

Commissioner Gary Kofford relayed a comment he received from Glen Jensen, Elmo in a earlier phone conversation. Mr. Jensen runs cows in this area and was concerned about the springs drying up as a result of the mining operations. Commissioner Kofford indicated that water was addressed in the plan.

Gary Petty asked if the county will maintain the road and does Utah American Energy have any obligation to help with that maintenance? Commissioner Kofford indicated that at this time there is no plan for UAE to help with the maintenance of the road. The County has agreed to maintain the fence because of a BLM agreement.

Bill Dellos asked to what standard the road will be built? Commissioner Kofford indicated that it will be built to the same standard as other roads built in the county.

Commissioner Sitterud asked if there were any more comments.

No more comments.

Commissioner Gary Kofford made a motion to come out the public hearing and return to the regular meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**

**CONSIDERATION AND APPROVAL TO UPHOLD PREVIOUS POSITION THAT PUBLIC INTEREST WILL BE PROTECTED WHEN UTAH AMERICAN ENERGY INC. BEGINS COAL MINING AND RECLAMATION OPERATIONS.**

Commissioner Gary Kofford made a motion to make a written finding within thirty days to DOGM upholding the previous position that public interest will be protected when Utah American Energy, Inc. begins coal mining and reclamation operations in Lila Canyon. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(9)**

**CONSIDERATION AND APPROVAL OF MANAGEMENT AGREEMENT FOR HUNTINGTON AIRPORT.**

**(10)**

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE FOR ON-SITE AUTOMATIONS.**

A business license application was presented on behalf of Nick Mills DBA: On-Site Automations. Mr. Mills plans to supply and install improved home technology such as home theater systems, surveillance cameras, controlled lighting automatic gate entry, etc. The application has been reviewed, approved and signed by Zoning Director, Michael McCandles. Commissioner Jeff Horrocks made a motion to approve a business license for Nick Mills DBA: On-Site Automations. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(11)**  
**CITIZEN CONCERNS**

There were no citizen concerns.

**(12)**  
**DISCUSSION AND APPROVAL OF FUNDING FOR KIOSK AT LAWRENCE CEMETERY.**

The kiosk at the Lawrence Cemetery recently blew down. Cole Guymon has chosen to construct a new kiosk at the Lawrence Cemetery as an Eagle Project. The total cost to construct the kiosk is \$1,137. There is approximately \$1,000.00 available through the IT Department that could be used for this project. Since the Lawrence Cemetery is a county owned cemetery Commissioner Sitterud asked if the county could help Cole out with the additional cost of the kiosk which could be up to \$250.00. Commissioner Jeff Horrocks made a motion to allow up to \$250.00 for the Lawrence Cemetery kiosk project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**  
**RATIFICATION OF LETTER ADJUSTING THE NEW SALARY COMPENSATION PLAN.**

When the new salary compensation plan was presented and reported to the employees two incorrect salaries were listed. A letter was drafted and sent to the employees adjusting and correcting the salaries. That action needs to be ratified at this time. Commissioner Gary Kofford made a motion to ratify the sending of a letter to the employees adjusting and correcting the new salary compensation plan. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Mary Huntington was out of town:

Clerk/Auditor Brenda Dugmore presented the following Personnel action:

A. Approval to hire Eric Nielsen as a full-time Solid Waste Technician.

Morris Sorensen requested approval to hire Eric Nielsen as the full time Solid Waste Technician. If approved he will be at Grade 14 at \$13.64 per hour. Commissioner Jeff Horrocks made a motion to approve the hiring of Eric Nielsen as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Approval to start the recruitment process for a full time Lube Mechanic.

Morris Sorensen requested approval to start the recruitment process for a full time Lube Mechanic at Grade 13, \$12.85 per hour. Commissioner Gary Kofford made a motion to approve starting the recruitment process for a full time Lube Mechanic as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

C. Approval to start the recruitment process for a full time Librarian in Green River.

Jerilyn Mathis request approval to start the recruitment process for a full time Librarian at the Green River Library. Commissioner Gary Kofford made a motion to approve starting the recruitment process for a full time Librarian at the Green River Library. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

D. Approval to start the recruitment process for a full time dispatcher.

Sheriff Guymon requested approval to start the recruitment process for a full time dispatcher. Jennifer Jensen has resigned and moved to Utah County. Commissioner Jeff Horrocks made a motion to approve starting the recruitment process for a full time dispatcher. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

E. Accept resignation of Denise Hoffman effective 8/31/07

Commissioner Gary Kofford made a motion to accept the resignation for Denise Hoffman effective August 31, 2007. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

F. Approval to increase hours of Jolene Dalton to cover Green River Library.

Jerilyn Mathis requested approval to increase the hours of Jolene Dalton temporarily to cover Green River until a full time librarian can be recruited. Commissioner Gary Kofford made a motion to approve increasing the hours for Jolene Dalton to temporarily cover the Green River Library until a full time librarian can be recruited. The motion was seconded by Commissioner

COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

Jeff Horrocks and approved by all members present.

G. Notification of 90-day temporary employment for Kyle Hales, Andrew Blackwell, Darren Worwood, and Brandon Larsen has ended.

H. Approval to move Alexander O’Niel from dispatch to Correction Officer I.  
Sheriff Guymon requested approval to move Alexander O’ Niel from dispatch to Correction Officer I after successfully completing POST. He would move from Grade 14, \$14.04 per hour to Grade 15, \$14.89 per hour. Commissioner Jeff Horrocks made a motion to approve moving Alexander O’Niel from dispatch to Correction Office I as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**

**APPROVAL OF BUILDING PERMIT FEE WAIVER FOR GREEN RIVER SENIOR CITIZEN CENTER, SWIMMING POOL, AND VETERAN’S MEMORIAL.**

Commissioner Jeff Horrocks made a motion to waive the building permit fees for the Green River Senior Citizen Center, Swimming Pool and Veteran’s Memorial. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated August 21, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Gary Kofford made a motion to approve agenda item #6 from the minutes dated August 7, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Jeff Horrocks made a motion to approve the minutes of a special meeting held on August 22, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)**

**COMMISSION REPORTS**

COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

*Commissioner Jeff Horrocks*

Commissioner Horrocks reported that the Museum of the San Rafael has a new director on board her name is Margaret Keller.

The Veteran's Memorial project is moving along well.

*Commissioner Gary Kofford*

Commissioner Kofford reported on the Senior Citizen Center in Green River. Everything is progressing along well. Ground work will begin soon.

The swimming pool project is moving along. Nielson Construction is asphaltting and moving dirt this week.

Goblin Valley State Park project had a final inspection on August 30<sup>th</sup>. The road has been black topped and curb and gutter added to the park area. It is a great addition to the park.

Commissioner Kofford attended a water meeting on August 23<sup>rd</sup> in Ferron where they talked about raising Millsite dam. This would affect two holes at the golf course which was not acceptable with Ferron City.

*Commissioner Sitterud*

Commissioner Sitterud commended Huntington City for the way they have handled the events of the last month with the disaster at Crandall Canyon Mine. There are events planned in Huntington for the next two weeks. There will be an interfaith service on Sunday at 6pm at Canyon View Jr. High School. September 15<sup>th</sup> will be a celebration/benefit spearheaded by Governor Huntsman dedicated to those who lost their lives at Crandall Canyon Mine and their families.

Commissioner Jeff Horrocks made a motion to move into an executive session and upon completion of that session to return to the regular meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at an executive session was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Economic Development

11  
COMMISSION MEETING MINUTES  
SEPTEMBER 4, 2007

Director Michael McCandless and Deputy Clerk/Auditor Carol Cox.

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

SEPTEMBER 18, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 185473 through and including # 185643 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
87-07	M400 PC Tablet Corrections/Sheriff	\$2,000.00	Approved
88-07	2008 Ford F-350 Ambulance Ambulance	\$110,900.00	Approved

There were no dispositions.

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List, additional claims and requisitions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(2)**  
**RICK LARSEN, DWR, QUARTERLY UPDATE**

Mr. Larsen was not present at the meeting.

(3)

**PAM JULIANO, CONGRESSMAN MATHESON REPRESENTATIVE, QUARTERLY UPDATE.**

Pam Juliano, Congressman Matheson Representative, came before the Board of Commissioners to relay a message from Congressman Matheson. She read the floor statement from September 5, 2007 that Congressman Matheson offered in support of House Resolution #631 Honoring Crandall Canyon Miners and Rescuers. The statement was as follows:

Madam Speaker, I rise in support of this resolution.

I would like to recognize and thank Chairman Miller and Ranking Member McKeon, of the House Education and Labor Committee for their support of this resolution. I would also like to thank my colleague from Utah, Mr. Bishop.

I rise today to honor the sacrifice and the courage of six missing miners and three rescuers who died in a mine disaster at the Crandall Canyon coal mine in Huntington, Utah just a few weeks ago.

In the early hours of August 6, the six miners were trapped when rocks and debris exploded off the walls of the tunnel where they were working, more than eighteen hundred feet under the ground. The cave-in created a ground shock that measured 3.9 on the Richter scale at the University of Utah's Seismograph Center.

Very quickly, rescue crews assembled in an effort to locate and reach the six men, but to date Kerry Allred, Don Erickson, Juan Carlos Payan, Brandon Phillips, Manuel Sanchez and Jose Luis Hernandez are still missing.

Ground movement-what the miners call "bumps" or "bounces"-continued at the mine. During the rescue attempt, further disaster struck. Three rescue miners- Gary Jensen, Brandon Kimber and Dale "Bird" Black were killed when-once again- underground activity caused a burst of rubble to explode off the cavern walls. Rescuers had to literally dig colleagues out from beneath piles of coal and rocks. Their efforts saved another six rescuers, who were injured, but are recovering.

Throughout this catastrophe, the local community has remained steadfast. The Emery County Sheriff, his deputies and other first responders worked around the clock to maintain order as private, state and federal teams maintained the search effort.

Community leaders and the families of these mining towns in Emery and Carbon Counties came together to support the trapped miners' families, the rescuers and the emergency crews. They did what they always done in coal county during hard times-they held each other close, they hoped and they prayed.

Today, the House honors the missing and the dead. We extend the condolences of our nation to their families. We recognize the many volunteers who rushed to their aid and who provided endless hours of compassionate support.

And finally, we honor the proud national heritage of coal mining families. Their skill, their hard work and their dedication contributes to the prosperity and quality of life that each and every one of enjoys.

COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

Commissioner Gary Kofford asked for a moment of silence in respect and honor of the fallen miners.

Next Pam read RESOLUTION # 631.

Honoring the sacrifice and courage of the six missing miners and three rescuers who were killed in the Crandall Canyon mine disaster in Utah, and recognizing the rescue crews for their outstanding efforts in the aftermath of the tragedies.

Whereas on August 6, 2007, six miners, Kerry Allred, Don Erickson, Juan Carlos Payan, Brandon Philips, Manuel Sanchez, and Jose Luis Hernandez, were trapped 1800 feet below ground in the Crandall Canyon mine in Utah;

Whereas Federal, State, and local rescue crews worked relentlessly in an attempt to locate and rescue the trapped miners;

Whereas three rescuers, Gary Jensen, Brandon Kimber, and Dale "Bird" Black lost their lives during the rescue attempt;

Whereas the loss of the miners has had a tremendous effect on the local community;

Whereas the emergency efforts coordinated by the Emery County Sheriff's Department have been exemplary;

Whereas Utah is one of the largest coal producing States in the nation, producing over 21 million tons of coal in 2005;

Whereas coal continues to be the economic engine for many communities;

Whereas during the last century over 100,000 coal miners have been killed in mining accidents in the Nation's coal mines;

Whereas the Nation is greatly indebted to coal miners for the difficult and dangerous work they perform to provide the fuel needed to operate the Nation's industries and to provide energy to homes and businesses;

Whereas many residents of Emery County and Carbon County, Utah, and the surrounding areas, came together to support the miners' families and the community has been steadfast in its efforts to help the families of the missing and deceased;

Now, therefore, be it

*Resolved*, That the House—

- (1) Recognizes Kerry Allred, Don Erickson, Juan Carlos Payan, Brandon Phillips, Manuel Sanchez, Jose Luis Hernandez, Gary Jensen, Brandon Kimber, and Dale "Bird" Black for their sacrifice in the Crandall Canyon, Utah coal mine;
- (2) Extends the deepest condolences of the Nation to the families of these men;
- (3) Recognizes the many volunteers who participated in the rescue efforts and provided support for the miners' families during the rescue operations; and
- (4) Honors the long national heritage of coal mining families and supports the tradition for the future.

Pam extended to the Emery County Commission and Emery County Sheriff's Department

thanks, appreciation and support of Congressman Matheson and his staff.

(4)

**KARRIE BEHLING/DORIS PRICE, DISCUSSION OF OIL WELL IN COUNTY NEAR FERRON.**

Karrie Behling and Doris Price are a fact finding delegation from Ferron. They asked questions regarding ordinances that the county may have that would regulate the distance that a drilling rig may be situated near residential areas. Other questions asked were, What agencies regulate drilling rigs and what rights residential owners may have? Doris Price indicated that the smell and noise have been unbearable. Doris contacted North Star and spoke with Eli McMillan who indicated that they are trying to work in the problem. Mr. McMillan provided Doris with a meter to measure the smell that is making her and her family sick. The noise seems to be worse in the night. Two of her sons have lost their sense of smell which is a side effect of Hydrogen Sulfide. She expressed concern for what would happen if there was an accident at the well, stating that, Hydrogen Sulfide can be deadly in high quantities. Seven years ago a report was filed with the EPA. However, Hydrogen Sulfide is a natural gas and it is the level that the gas is emitted into the air that has the residents concerned.

Zoning Administrator, Michael McCandless indicated the Division of Oil, Gas and Mining is aware of the problem and has been monitoring the situation. However, this was the first time he had heard the noise complaint. The county has a nuisance ordinance that says that the county will work to mitigate the problem. Mike had the contact person and number to give to the delegation so that they can contact DOGM with their concerns. Commissioner Gary Kofford indicated that the county will follow through with doing what they can to try and mitigate the problem.

(5)

**CITIZEN CONCERNS**

Sheriff LaMar Guymon asked for overtime compensation for three employees, William Downard- 81.5 hours, Kyle Ekker- 205 hours and Kathy Jensen- 4 hours, who are exempt from overtime pay. Sheriff Guymon indicated that compensation is expected to be reimbursed to the county from an outside source. Attorney David Blackwell cautioned that expending tax dollars requires this to be an agenda item and recommended putting the request on the agenda for the next meeting. Commissioner Gary Kofford made a motion to put the Sheriff's request for overtime compensation for William Downard, Kyle Ekker and Kathy Jensen on the next commission meeting agenda. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Sharon Earl inquired as to the renewal of Enterprise Zone program through the State of Utah.

COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

Commissioner Gary Kofford reported that the Road Department advertised for contractors interested in sand blasting and painting the Wilson-Brown Bridge in Huntington Canyon. Prospective bidders were to attend a pre-bid site showing on September 10, 2007. Johansen & Tuttle Engineering received two bids for the project. The bids were as follows: Gateway Company for \$76,215.00 and BT Builders for \$18,465.00. Attorney David Blackwell asked why the bids went to J&T when all project bids are supposed to go the Clerk/Auditor's office and then put on the agenda to open in Commission Meeting. Commissioner Kofford was not sure why the bids went to J& T. Commissioner Kofford indicated that due to the weather changing there is a need to expedite the process and made a motion to award the bid for sandblasting and painting the Wilson-Brown Bridge to BT Builders for \$18,465.00 as an emergency and to bring the matter back to the next Commission Meeting as an agenda item to be ratified. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Patsy Stoddard reminded the Commissioners about the 2007 Economic Summit held this year in Carbon County, September 19-21, 2007. She extended an invitation to anyone interested in attending the summit.

Randal Stilson expressed a desire to see the Board of Commissioners publish a letter of support and thanks to all the volunteers and workers who spent so many hours at Crandall Canyon Mine. Commissioner Sitterud indicated that a letter is already in the works.

(6)

**CONSIDERATION AND APPROVAL OF MANAGEMENT AGREEMENT FOR HUNTINGTON AIRPORT.**

Commissioner Kofford reported that a lease agreement for management of the Huntington Airport was recently drafted. Huntington Aviation, LLC, Leon Defiez and Mark Johansen have read and agreed to the lease management agreement for management of the Huntington Airport. The lease term is for one year beginning September 1, 2007 and terminating on August 31, 2008. Commissioner Gary Kofford made a motion to accept a lease management agreement with Huntington Aviation, LLC for management of the Huntington Airport. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING BETWEEN EMERY COUNTY AND OFFICE OF THE COURTS FOR PERIMETER SECURITY SERVICES.**

Sheriff Guymon explained that this is the standard MOU with the courts for perimeter security services with the exception that the MOU is for one year not two. The contract compensation amount is still the same at \$4,000.00, which is not enough to cover the cost to do the job. Commissioner Jeff Horrocks made a motion to approve the MOU with the office of the courts

for perimeter security services. Commissioner Gary Kofford seconded the motion with a side note that he opposed the amount because the county expends much more. The motion passed.

(8)

**CONSIDERATION AND APPROVAL OF MEMORANDUM OF UNDERSTANDING BETWEEN EMERY COUNTY AND OFFICE OF THE COURTS FOR BAILIFF SERVICES.**

Sheriff Guymon indicated that this the standard bailiff services MOU with the courts for one year. The contract compensation amount is \$7,500.00 per year, which is not enough to cover the cost to do the job. Commissioner Gary Kofford made a motion to approve an MOU with the office of the courts for bailiff services. The motion was seconded by Commissioner Jeff Horrocks with a side note that he opposed the amount because the county expends much more to do the job. The motion passed.

(9)

**RATIFICATION OF RIGHT OF WAY EASEMENT FOR SWIMMING POOL PROJECT WITH ROCKY MOUNTAIN POWER.**

Commissioner Sitterud explained that a right-of-way easement was needed so Rocky Mountain Power could put in an underground power line for the swimming pool project. Building has begun on the project so the right-of-way was signed earlier and now that action needs to be ratified. Commissioner Jeff Horrocks made a motion to ratify the signing of a right-of-way easement for the swimming pool project with Rocky Mountain Power. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**RATIFICATION GENERAL SERVICE CONTRACT WITH ROCKY MOUNTAIN POWER FOR SWIMMING POOL PROJECT AND MISCELLANEOUS PAPERWORK.**

Commissioner Gary Kofford made a motion to ratified the signing of a general service contract with Rocky Mountain Power for the swimming pool project and miscellaneous paperwork as needed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF RENEWAL PERMIT FOR POWER LINE SERVING EAST RIM COMMUNICATION SITE.**

(12)

**CONSIDERATION AND APPROVAL OF COMMUNICATIONS USE LEASE FOR LOTS #1 AND 2 OF SITE 1 OF THE RIM PORTION OF THE EAST RIM OF HORN MOUNTAIN COMMUNICATION SITE, FOR PARTS OF SITE 2 OF THE LONG RIDGE PORTION OF THE EAST RIM OF HORN MOUNTAIN COMMUNICATION SITE, AND FOR A COMMUNICATION FACILITY ON BOARDING HOUSE RIDGE FOR 20 YEARS.**

Commissioner Gary Kofford made a motion to approve items 11 and 12 renewing a permit for power line serving East Rim Communication site and approving communication lease for lots #1 and 2 of site 1 of the rim portion of the East Rim of Horn Mountain Communication Site, for parts of site 2 of the Long Ridge portion of the East Rim of Horn Mountain Communication Site and for a communication facility on Boarding House Ridge for 20 years. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL TO LEASE A ROOM AT THE COURTHOUSE TO DIVISION OF WILDLIFE RESOURCES.**

Commissioner Drew Sitterud explained that the Division of Wildlife Resources Biologist is stationed in Ferron. He deals with irrigation issues and would like to be available in the county for two to three days a week. Currently these issues would have to be dealt with in Price. The Division requested a space to use for the Biologist to be stationed in the county. Commissioner Gary Kofford made a motion to make a room available to the Division of Wildlife Resources and they will pay for the phone and internet use. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**CONSIDERATION AND EXECUTION OF DIVISION ORDER WHICH CERTIFIES EMERY COUNTY AS ROYALTY INTEREST OWNER ON SE/NW SECTION 14, TOWNSHIP 20 SOUTH, RANGE 7 EAST.**

The Division Order is from Coastal Plains Energy, Inc. The order certifies the county as legal owner of the interest of all the oil, gas, and related liquid hydrocarbons produced from property on SE/NW Section 14, Township 20 South, Range 7 East. Commissioner Jeff Horrocks made a motion to approve and execute a Division Order which certifies Emery County as legal of interest on SE/NW Section 14, Township 20 South, Range 7 East. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(15)

**DISCUSSION AND APPROVAL OF LETTER FROM PUBLIC LANDS COUNCIL TO THE GOVERNOR REGARDING UTAH MINE SAFETY COMMISSION.**

Bruce Wilson, Chairman of the Emery County Public Lands Council read a letter addressed to Senator Bob Bennett, Senator Orrin Hatch, Representative Jim Matheson, and Governor Jon Huntsman, Jr. Regarding committee investigations of the Crandall Canyon Mine Disaster.

Gentlemen:

The catastrophic events of the past weeks have touched the communities of Carbon and Emery County deeply. The initial shock of news of a mining accident and the roller coaster of emotions which have followed leave us saddened, and unfortunately on somewhat familiar ground. Our communities are grateful for the care, compassion and support each of you have shown as the unfortunate events unfolded. At present, we find ourselves grieving with the families of the lost, trying to look to the future now. Following each mining accident, there comes the time when each of us ask the inevitable question, how did this happen? Could it have been prevented?

The recent action taken at the national and state levels are, we believe, natural and expected responses to a catastrophe which has claimed the lives of nine irreplaceable men. As the committees have been formed to review facts and circumstances surrounding the events at the Crandall Canyon Mine, we have no doubt that the intent is noble and with the best intentions. However, we would advance the following cautions in regard to any proposed recommendations by these committees:

- Avoid taking an “outside looking in” attitude. It is always easiest to become the Monday morning quarterback and have all the easy answers after the fact. There appears to be an of balance weighting of elected officials to underground mining experience. There is no substitute for hands on experience.
- We understand that Senator Bennett has cautioned against reacting emotionally and in a knee-jerk manner. We appreciate that caution. Please don’t impose further regulations on this industry just for the sake of “doing something”. Underground mining is currently one of the most regulated industries in the nation, for understandable reasons. Reasonable measures addressing overlooked or new safety concerns are always necessary. Redundant requirements serve no purpose.
- Recommendations from the committees should be pro-active, preventative measures, not reactive and punitive in nature.
- Coal mining and coal fired power generation are under the gun from proponents of alternative energy sources and are prone to argue that accidents such this are just another reason to scrap proposed plans for coal fired power plants. Such arguments should be outside the scope of the committee hearings.
- There are regulatory agencies in place both at the State and National levels. Mine Safety and Health Administration (MSHA), Office of Surface Mining (OSM) and

COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

the Utah Division of Oil, Gas and Mining (UDOGM) set standards, permit mining, and are responsible for safe mining plans and implementation of those plans. Mistakes, illegalities, non-conforming practices (if any) will be determined by these agencies. Please don't intend for the communities to do the job of existing agencies.

Bruce explained that during Public Lands Council meeting the council voted to send a letter to the Washington delegation and state representatives asking them to use caution and good judgement and not act quickly until the findings have come out. Commissioner Sitterud explained that since the Public Lands Council is an arm of the Commissioners they have no power, they can only advise the Commissioners on issues involving public land issues. The Council has brought the letter to the Commissioners for their endorsement. He asked the public in attendance if they had any comments on the letter. There were no comments. Commissioner Gary Kofford made a motion to endorse the letter as written to the Washington and State delegation. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CLOSURE**

Clerk/Auditor Brenda Dugmore explained that the time period for appealing property values has ended and requested closure of Board of Equalization for 2007. The Assessor's office will then take two weeks to make all the changes. A list will be made of the people who received adjustments. Ms. Dugmore informed the Commissioners that she will present the list of adjustments as well as the low income and veteran abatements for 2007 in the next Commission Meeting. Commissioner Jeff Horrocks made a motion to close Board of Equalization for 2007. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(17)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

**A. Request to begin recruitment process for part-time (32 hrs. week) Travel Bureau Secretary.**

Michael McCandless requested approval to start the recruitment process for a part time Travel Bureau Secretary, working 32 hours per week, with pro rated benefits. The rate of pay would be Grade 11 @ \$10.73 per hour (9% below suggested minimum). Norma Dean Hawkinson will be retiring at the end of the year and needs time to get a new person up to speed. Commissioner Jeff Horrocks made a motion to approve the recruitment process for a part time Travel Bureau Secretary from Green River and this end of the county as well. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

The Travel Bureau is exiting their relationship with Castle Country at the end of the year and the

10

COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

\$18,000.00 that has been used for this will be used towards salary and benefits for the new hire.

B. Request approval for 3% increase for Aron Hansen who has completed the six month orientation period.

Morris Sorensen requested a 3% increase for Aron Hansen who has successfully completed his six month orientation period. If approved Aron would move from Grade 17 @ \$16.23 per hour to Grade 17 @ \$16.73 per hour. This is suggested minimum for grade 17. Commissioner Gary Kofford made a motion to approve a 3% increase for Aron Hansen as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

C. Request to begin the recruitment process for a part time (working less than 20 hrs.) Office Specialist.

Dixie Swasey requested approval to begin the recruitment process for a part time, less than 20 hrs per week, Office Specialist. The rate of pay would be Grade 7 @ \$8.50 per hour. Commissioner Jeff Horrocks made a motion to approve the recruitment process for a part time, less than 20 hrs a week, Office Specialist. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve Commission Meeting minutes dated September 4, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford informed everyone of the Senior Citizen Party at Little Bear Campground on Friday, September 21, 2007 at 11:00 am. Sr. Citizen buses will transport seniors to the party.

The Rilda Canyon Road was recently asphalted and is now complete.

*Commissioner Horrocks*

Commissioner Horrocks reported on the Green River Melon Days Queen contest. Alicia McFarlane was crowned Miss Melon Days for 2007. Her attendants are Bailee Packer and

COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

Brittney Royse. This was Green River's 100th year for the Melon Days celebration. Commissioners and other elected officials attended the parade and returned to Huntington in time for the Celebration of Heroes. Commissioner Kofford commended Sheriff Guymon and his department for their efforts during the celebration in Huntington.

*Commissioner Sitterud*

Commissioner Sitterud reported on CIB funding requests. Ferron City was successful in acquiring the funding needed to expand Millsite Golf Course. MBA received half of what they needed for the Green River Senior Citizen Center. Emery County received half of what they needed for the swimming pool project.

Commissioner Sitterud attended Peach Days and reported that the celebration went well. Something new this year was a soapbox regatta which everyone, especially the kids, enjoyed.

He reminded everyone of the Millsite Front 9 Green River Back 9 which is a 100 mile ATV ride and golf adventure. He reminded those who are interested that you do not have to golf if you do not want to. Just come and enjoy the ride. Utah State Parks, Emery County officials and Emery County Recreation are coordinating this adventure ride.

Sheriff Guymon reported on the upcoming MECCA Bike Festival. The bike festival will begin on Friday, the 21<sup>st</sup> at noon. They will ride the desert all day on Saturday with a dutch oven dinner that night. They are planning a moonlight ride and will also ride on Sunday.

Commissioner Gary Kofford made a motion to move from the regular Commission Meeting into an executive session to discuss attorney/client communications regarding litigation and or other matters as allowed by law and upon completion of the executive session to return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(20)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

Present at the executive session was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Economic Development Director

12  
COMMISSION MEETING MINUTES  
SEPTEMBER 18, 2007

Michael McCandless and Deputy Clerk/Auditor Carol Cox.

Personnel matters were discussed.

**(21)**  
**ADJOURNMENT**

Upon returning to the regular Commission Meeting Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 2, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims # 185856 through and including # 186011 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
89-07	Crank Up tower system Communications	3,818.00	Approved
90-07	Microwave Radio System Communications	98,615.00	Approved
91-07	(4) Print, Color, Copy Library	3,912.00	Approved
92-07	(6) Apollo Video Digital Camera Car camera's for vehicles/Capital Pjts	29,838.00	Approved
93-07	Flammable Cabinets Weed/Mosquito	948.38	Approved

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional Claims and requisitions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**RATIFICATION OF BID AWARD ON THE WILSON/BROWN BRIDGE PAINTING PROJECT.**

Commissioner Gary Kofford explained that because of weather constraints it was imperative to begin painting the Wilson/ Brown Bridge in Huntington. Two bids were received from Gateway Company for \$76,215.00 and BT Builders for \$18,465.00. In the last commission meeting the bid was awarded to BT Builders for \$18,465.00 and because approval was not an agenda item that decision needs to be ratified at this time. Commissioner Gary Kofford made a motion to ratify the awarding of a bid to BT Builders for the painting of Wilson/ Brown Bridge in Huntington. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present

(3)

**PRESENTATION AND DISCUSSION OF CONSERVATION PLAN FOR GUNNISON AND WHITE-TAILED PRAIRIE DOGS.**

Sarah Lupis, Community-Based Conservation Extension Specialist presented discussion regarding a conservation plan for Gunnison and White-Tailed Prairie Dogs. Sarah reported that we do have both species in the state, with both inhabiting the Eastern portion of the state. Both species have been petitioned for federal endangered species listing in the past. Both petitions were denied. However, the US Fish and Wildlife Services is currently under a court order to produce another 90 day finding for the Gunnison Prairie Dog. And so the message there is that there are groups actively interested in seeing these species put on the endangered species list and we need to be aware of that and pro-actively responding to conservation issues to prevent and preclude the need for listing of both species. Petitioners have identified several threats to these species including: plagues, introduced disease, land conversion, which could include urbanization, agricultural changes, oil and gas development, and also shooting and poisoning. In response to these issues and this threat of listing, range-wide and state level planning is ongoing. On a range-wide level, the Western Governors Association and Western Association of Fish and Wildlife agencies has developed range-wide conservation plans and range-wide conservation strategies for both species. Those documents call for state to now develop state plans. This is the process that they are in now. About a year ago Utah State University Extension partnered with the Division of Wildlife Resources to help facilitate the development of that plan which includes a public input process. This is the reason Sarah is here today. The state plan is designed to address the threats that were brought up during listing petitions and to address those threats in this state and to provide strategies for conservation and management of these species that will help to preclude the need for listing. An important point is that the state plan is not necessarily calling for an increase in numbers, but to maintain what we have. The plan does recognize the need to maintain local control over the species. The state does not want to see these species listed. The plan recognizes that there are instances where control of populations or

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

individual colonies is needed to address private land rights and human health and safety concerns. Monitoring has been ongoing with both species. In this area, thus far, surveys have been used to map colonies. Starting next year, as part of a range-wide effort to monitor populations the Division of Wildlife Resources will be starting a new monitoring protocol called Occupancy Monitoring. They will be looking to do surveys probably in this area for prairies dogs on private and public lands and hope for cooperation of private land owners in this effort. A final draft of the plan has been developed and is available on the internet. There is an email address on this website where they will be receiving public comment on the plan. They will wrap up the comment period around November 9th, at which point Utah State Extension will compile the comments and use them to help inform revisions to produce a final draft. That final draft will go the RAC in December and finally to the Wildlife board in January. Once that has been approved by the Wildlife Board they will be looking to get signature endorsement of the plan by other state and federal agencies and certainly by local government if they would like to do so. The website is [WWW.Utahcbcp.org](http://WWW.Utahcbcp.org) look under other project and click on the Gunnison and Whitetail Prairie Dog planning.

(4)

**APPOINTMENT TO THE EMERY COUNTY COUNCIL ON AGING.**

Commissioner Gary Kofford made a motion to appoint Ilene Riley, Clawson and Jedie Richins, Cleveland/Elmo to the Emery County Council on Aging. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH TO CREATE A DATABASE AND COMPUTERIZED MAP OF LOCAL CEMETERY.**

Recorder, Dixie Swasey presented a contract with the State Of Utah to create a database and computerized map of local cemeteries on behalf of Dottie Grimes, Archives Administrator for Emery County. The contract is for \$5,000.00 and is for the Castle Dale and Wilsonville Cemeteries. Emery County Archives received a grant in 2006 to do the Lawrence, Desert Lake and Victor Cemeteries. Bernice Payne and Karen Williams collect the data for these projects. Commissioner Jeff Horrocks made a motion to approve a contract for \$5,000.00 with the State of Utah to create a database and computerized map of local cemeteries. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF CONTRACT WITH STATE OF UTAH TO**

**PURCHASE OPERATIONAL EQUIPMENT FOR THE ARCHIVES.**

Recorder Dixie Swasey presented a contract with the State of Utah to purchase operation equipment for the Emery County Archives Regional Repository. Dottie would like to purchase microfilm and computer equipment. Commissioner Gary Kofford made a motion to approve a contract for \$2,000.00 with the State of Utah to purchase operational equipment for the Archives. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CITIZEN CONCERNS**

Ray Petersen, Public Lands Administrator presented an application for transportation and utility systems and facilities on federal land. He explained that this is a right-of-way for an existing route which accesses an existing and permitted communication site located site on Henry Mountain. Emery County requested a term of twenty years. The proposed access route will be used on an as needed basis, for the purpose of performing maintenance to the equipment at the communication site. No new construction to the proposed route is necessary. No other routes exist or were considered. Due to time constraints the application needs to be filed as soon as possible. Attorney David Blackwell recommended approving and signing the application and having the action ratified in the next commission meeting. Commissioner Gary Kofford made a motion to approve the application for transportation and utility systems and facilities on federal land and to have the action ratified in the next commission meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Sitterud read a letter to be considered and sent to legislators at the hearings on mine safety. Carbon, Emery and Sevier Counties were asked to send a letter to be presented by Rob Bishop at these hearings. The letter was drafted by the Commissioners and Economic Development Director, Michael McCandless and was addressed to the Honorable George Miller Chairman, House Education and Labor Committee U.S. House of Representatives, Washington, D.C. 20515.

Dear Chairman Miller:

As Utah's primary coal producing counties, we acknowledge the participation of your committee in conducting oversight of the recent accident at the Crandall Canyon Mine. This has been a difficult time for all of our residents who knew and cared for those who died. We hope the hearings will focus on the need to not only establish accountability for what happened but also to look toward how to best ensure safe and vibrant underground mining operations in Utah going forward.

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

While we support efforts to maintain and enhance mine safety, we are concerned that attempts to hastily create new safety regulations could result in unintended consequences which could prove disastrous to our local economies. As hearings are conducted, we implore you to consider the importance of the coal mining industry to the coal-producing counties and communities in Utah and throughout the nation.

In this process, we ask that you keep as sense of perspective. Despite the devastating losses of human life at Crandall Canyon, advances in safety have produced significant improvements. According to the Bureau of Labor Statistics, since 1970 coal mining nationwide has seen an 89% increase in production, while attaining a reduction in fatalities of 81%. Coal mining is now among the lowest fatality industries in the country. Incidents of non-fatal injuries are among the lowest of all industries, with comparable incident rates to retail and well below industries like nursing and air transportation.

Following the 2006 coal mine tragedies in West Virginia and Kentucky, the coal mining industry worked with Congress to pass the Mine Improvement and New Emergency Response (MINER) Act of 2006, which was signed into law in June 2006 and represents the most sweeping mine safety reform legislation since 1969.

The coal mining industry has moved aggressively to identify and purchase technology that satisfies the requirement of the MINER ACT. As the Act is still in the process of being implemented, imposing a conflicting set of regulations as the industry attempts to comply with the ACT will compromise ongoing safety efforts.

On a local level, the new Western Energy Training Center in Carbon County is preparing miners for the future by teaching a rigorous curriculum of safety in the workplace. Looking forward, the Center will train thousands of miner with the skills they need to keep Utah's coal mining industry second to none.

The 11 active mines in Carbon, Emery and Sevier Counties directly employ 2041 people and produce about 25 million tons per year. The overall value of this production was \$548 million dollars in 2006. In addition to the direct employment from mining activities adds an additional 1656 employees to the local workforce.

In term of State and Federal revenue, \$28 to \$40 million dollars in Mineral Lease funds are generated for the Federal and State governments by coal production in the three counties on an annual basis.

Because roughly 83 percent of the electricity produced in Utah is dependent on Utah coal, the operation of efficient coal-fired electrical power plants and mining represents the life-blood of not only our communities, but the entire state. Reliable, inexpensive power generated by coal is the economic engine that keeps Utah moving.

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

The state of Utah is blessed with some of the cleanest high/BTU coal found anywhere in the world. The companies on our counties are aggressively moving forward to install new state-of-the-art pollution controls on this already clean coal.

In Emery County, PacifiCorp recently completed a retrofit of emissions control equipment on electric generating units at its Huntington Power Plant, which will remove 99.5 percent of the particulates and 90 to 95 percent of sulfur-dioxide emissions. Additional retrofits have taken place or are being planned for other coal-fired power plants in the area, to reduce emissions.

In sum, as we mourn the loss of our miners and determine accountability, we ask you and the members of the Committee to recognize the pro-active nature of our three counties both on the safety front and in terms of air quality and pollution control. Looking to the future, safe mining, the use of clean coal to generate electricity is the focus of each of our three counties.

We look forward to assisting the Committee in any way we can as it moves forward to help ensure the ability of coal producing counties in Utah, and throughout the nation, to provide for a safe, clean and strong economic future.

Sincerely,  
Commission Chairman, Drew Sitterud  
Commissioner Gary Kofford  
Commissioner Jeff Horrocks

Commissioner Jeff Horrocks made a motion to approve the letter, put it on County letterhead and send it to Chairman Miller and the committee. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Sharon Earl spoke on fines imposed on the coal companies and the lack of enforcement for infractions to the rules. She stated that there needs to be some enforcement of the rules and laws that are already in place.

Commissioner Kofford expressed his feeling that the letter is intended to help in the battle with the environmentalist who say that coal does not have an impact on the overall economy of the nation. Rob Bishop is the only pro-coal committee member.

Commissioner Drew Sitterud informed the other Commissioners of a change in the original time set aside for another county surplus auction. November 10, 2007 was the date first set but as it looks there is not enough property or items to sell to pull people in for an auction in November. It is too close to Christmas and the weather is not conducive to holding an auction outside. He suggested changing the auction to the first or second week in March of 2008.

**(8)****CONSIDERATION AND APPROVAL OF CIRCUIT BREAKER, VETERAN, BLIND, AND OTHER ABATEMENTS.**

Clerk/Auditor Brenda Dugmore presented the list of Circuit Breaker, Veteran and Blind abatement applicants who qualify under state rules and guidelines. The Circuit Breaker Abatement is a state reimbursed program.

Brenda also presented the low income abatement applications for those applicants who are under 65 years of age and have a hardship or disability that does not allow them to work. These abatements are Commission adjustments of up to half of the tax amount owed. They have conditions which require the applicant to supply a letter from them stating the extent of their disability and/or inability to pay the tax. There were four applicants for the low income applications. Commissioner Sitterud had some questions regarding the applicants and suggested an interview with each of the applicants before approval.

Commissioner Jeff Horrocks made a motion to approve the Circuit Breaker, Veteran and Blind abatements and to arrange for a meeting with each of the four applicants for the low income abatement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF BOARD OF EQUALIZATION CHANGES.**

Assessor, Kris Bell presented the list of Board of Equalization changes as a result of the appeal time period. Commissioner Gary Kofford made a motion to accept the Board of Equalization changes. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)****SETTING OF PUBLIC HEARING FOR ADOPTION OF 2008 BUDGET.**

Clerk/Auditor Brenda Dugmore informed the Commissioners that a Public Hearing needs to be set to accept comment on adopting the 2008 budget. It was Brenda's recommendation to set December 4, 2007 at 6:00 pm. Because the public hearing has to be held after 5:00 pm she suggested changing the regular Commission Meeting for December 4, 2007 to 5:00 pm. Commissioner Jeff Horrocks made a motion to change Commission Meeting on December 4, 2007 to 5:00 pm and to set a public hearing for December 4, 2007 at 6:00 pm to receive comment on adopting the 2008 budget. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**CONSIDERATION AND APPROVAL OF AMENDING COMMISSION MEETING SCHEDULE.**

Clerk/Auditor, Brenda Dugmore proposed amending the 2007 Commission Meeting schedule as follows: because of the November 6<sup>th</sup> Election Day she proposed moving that meeting to October 30<sup>th</sup> at 9:00 am and MBA at 2:00 pm that same day. December 4<sup>th</sup> as just approved will change to 5:00 pm and December 18<sup>th</sup> at 9:00 am. November 20<sup>th</sup> would stay the same at 9:00 am. Commissioner Gary Kofford made a motion to approve the amended Commission Meeting Schedule as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF STIPULATIONS ON EMERY COUNTY LANDFILL FREE USE PERMIT UTU-83347**

Commissioner Gary Kofford made a motion to approve the stipulations on Emery County Landfill Free Use Permit UTU-83347. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(13)

**DISCUSSION OF PAYING OVER-TIME FOR EXEMPT EMPLOYEES/ELECTED OFFICIALS.**

Commissioner Sitterud that this request for discussion came from the Sheriff's Office as a result of the mine disaster where exempt employees and elected officials put in a lot of extra time. Sheriff Guymon stated that he did not know how the elected officials got thrown in there because he never asked for inclusion of elected officials. Commissioner Jeff Horrocks recommended that the elected officials part be dropped from the discussion. Sheriff Guymon stated that they submitted a request to Intermountain Power Association and Murray Energy to make whole the expenses that the county expended during the Crandall Canyon Mine disaster. As part of that request they submitted the bills for overtime including for exempt employees Captain Kyle Ekker who had 205 hours of time and Lieutenant Bill Downard who had 81.5 hours of time and Kathy Jensen who had 4 hours. The reason that this came up is because the county will be getting reimbursed for these expenses and if that happens he would like to pay them for their time. He stated that this was the basis for his asking for this at this time. It is a one time thing and is opposed to making this an ongoing thing as it defeats the purpose for how we pay them salaries and work additional hours. This is a one time only request and only because the money will be there to pay. Commissioner Sitterud asked Sheriff Guymon if when the request was

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

made did he inform them that these employees were exempt. Sheriff Guymon stated that they asked for an accounting of everything we spent and this is what he sent. Commissioner Sitterud stated, but we would not have spent anything for these exempt employees. Was this added on? Sheriff Guymon stated it was included in the overtime request. Commissioner Horrocks stated that he agrees that these men worked a lot of extra hours. Other county employees worked a lot of extra hours, not only with the Crandall Canyon disaster, but other times, especially in the summer hours. How do we compensate them? Sheriff Guymon indicated that he did not ask for his other exempt employees who work extra hours constantly. This is just a one time only request. Attorney David Blackwell stated that this brings up an interesting point, if the mine is willing to pay for the extra time and they do that and we do not pay it to the employees then what do we do with that money. It is a unique situation. Our exempt employees do not get paid more if they work more hours under the normal course of their job. In this situation it brings up a unique position for the county. He indicated that he did not know how much money is involved. If this is \$10,000.00 what do we do with the money. Commissioner Sitterud stated that we do not know how much is involved and this is part of the problem. As Commissioner Sitterud talked to the Association they indicated that they had some money that they normally donate to the University Of Utah but they would be willing to donate that to us. He did not know what that figure was. Sheriff Guymon indicated that the Association gave him a figure and Murray Energy indicated that they would make up the difference. Commissioner Sitterud stated that we did ask for overtime for exempt employees as part of that request. Sheriff Guymon stated that, yes, it was part of the request. Commissioner Sitterud stated that he did not know if that was right. Sheriff Guymon stated that there are a lot of things that are not right. Commissioner Sitterud agreed. Carol Riddle stated that an exempt employee is exempt for a reason. In doing their job it may take extra time. This is an extra-ordinary situation. She explained that her husband as a Forest Service employee was paid for his time spent at the mine. He worked the road where the drillers were located. Carol stated that as one of the employees here, she felt these employees should be compensated for their extra hours as a one time only thing. She felt that this was out of the norm of an exempt employee. Sheriff Guymon stated in adding to what Carol said, that he would not be in favor of making an exempt employee a non-exempt employee and have to keep track of every minute of overtime that he works. He stated that he thinks the system works well and should continue that way. He stated that all he is asking for is this one time thing. When the Wilberg Mine disaster happened he thinks that this same thing was done. He stated that this is not a life or death situation, it is a matter of fairness. Yes there are a lot of people who work overtime. He stated that he appreciates every minute of extra time that his deputies give to him that they do not get compensated for. We do other things to try to make up for that just like every manager in this room does when they have employees that work extra hours. He stated that all he asked for is that they be compensated for this one instance. He indicated that he just needed a yes, or no, answer and the request will go away. Commissioner Sitterud stated that to answer a question asked earlier by David Blackwell, when the county got money from the state for the elections and a request was made to pay overtime/bonus and was denied, that money went into the general fund. Sheriff Guymon indicated that he did not oppose that request and does not know why that request was not

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

granted. Attorney Blackwell indicated that he felt that there was a misunderstanding at that time all he said was that a public hearing would be needed to compensate an elected official. He indicated that he was not opposed to that request, just that the proper steps needed to be followed. Just like this time, it was not on the agenda a couple of weeks ago and it needed to be an agenda item. Commissioner Sitterud pointed out that he just wanted to answer David's question regarding where the money went that was reimbursed to the county. David Blackwell indicated that he did not realize the county was compensated for the election. Commissioner Kofford pointed out that it is still not on the agenda it is just a discussion item. Treasurer, Steven Barton wondered if you could call it a bonus or something else because it could become a legal issue if you call it overtime. Commissioner Kofford stated that is his question. He stated that he felt it should not be listed as hours worked overtime because the county does not recognize it as such. Attorney David Blackwell agreed it should be called a bonus. The accounting is hours worked on that specific disaster. Sharon Earl asked why does the county have to be involved. If the money is coming from the coal company why can't they just out of gratitude for their dedication allocate the money to a specific person. She stated that she felt that they were entitled to the money you just need to find a way to do it. Dixie Swasey stated that there are going to be many lawsuits directed towards Mr. Murray and his company. What happens if the money does not come through? Sheriff Guymon indicated that he said if the money comes. Dixie felt that we should wait to see if the money comes. Sheriff Guymon stated that he was going to wait anyway. Sharon Earl asked about the hours accumulated. Does the exempt employee do they get to make the hours off with days off? Commissioner Horrocks explained that exempt employees do not get any additional compensation. The salary associated with the position of an exempt employee is a little higher to compensate for the extra time that is put into that position. Maybe we need to look at changing them to hourly wages. Sheriff Guymon stated that would complicate his life. Commissioner Sitterud ask Personnel Director to clarify the exempt employee status. Mary Huntington indicated that the way it stands now an exempt employee is not compensated for overtime. Sheriff Guymon stated that the whole idea of an exempt employee is a good thing. Captain Ekker or Lieutenant Downard would not like to spend their day trying to calculate how many hours they work in a day. Sheriff Guymon reiterated what Commissioner Horrocks said, the employee is compensated salary wise on an ongoing basis for that overtime. Commissioner Sitterud said he felt it was good to have this discussion. Commissioner Gary Kofford made a motion to continue the discussion and bring it back next meeting for some action. Commissioner Horrocks felt that next meeting might be too soon, there may not be time to meet together with all the various people needed to consider the options. He does not have any heartburn with moving the discussion forward. He felt that there needs to be more research to make sure that compensating one exempt employee is not harming another exempt employee. Commissioner Kofford felt the concern was warranted and he agreed with it, however, in this situation it is a situation where you have someone stepping up if they do. He was not in favor of paying them anything if we do not get any money from the mining company. On the other hand if you do get the money and they pay with the idea that part of it is going to these individuals, then you need to take that into consideration and he is not sure that will affect the other exempt employees. Commissioner Horrocks stated that other exempt

COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

employees that stepped forward during the Crandall Canyon disaster. Commissioner Kofford stated that then their time should be added the request. Sheriff Guymon stated that he tried to add other exempt employees time to the request. Morris Sorensen spent a lot of time off duty to bring fuel. Brenda, Leslie there are others who spent extra time. Commissioner Sitterud stated that this needs to be looked at extensively. Commissioner Horrocks seconded the motion made earlier by Commissioner Kofford. Commissioner Sitterud asked Commissioner Kofford to restate his motion. Commissioner Kofford made a motion to form a committee made up the Commissioners, Sheriff Guymon, David Blackwell, Mary Huntington and Brenda Dugmore to sit down and discuss this. Captain Ekker stated that he gets the feeling that if the county gets paid that the county just wants to packet the money. Commissioner Sitterud reminded them that is what happened last time the money went into the general fund. Brenda Dugmore commented that if that happens you would have to evaluate what happened here and if not paid then you would return the money. If it is not a expense incurred, you would have to return the money. Commissioner Gary Kofford agreed. You can't bill for something you did not do because we do not pay for overtime of exempt employees. Commissioner Sitterud stated that was his concern at first because we do not pay overtime for exempt employees. Captain Ekker stated to take the request off and lets just forget about it. He thanked them for their time. Commissioner Jeff Horrocks seconded by motion and it was approved by all members present.

**(14)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Approval for Public Health to provide flu shots for county employees at county expense.**

Personnel Director, Mary Huntington requested approval for Public Health to provide flu shots to all employees and the county cover the cost of the vaccine. The vaccine would be free to the employees and their spouse or dependents would pay a \$10.00 co-pay per person. Commissioner Gary Kofford made a motion to have the county cover the cost of the flu vaccine for all county employees. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. Approval to hire Fredrico Lopez as full time lube mechanic.**

Morris Sorensen requested approval to hire Fredrico Lopez as a full time, with benefits, Lube Mechanic. If approved Fredrico would begin work on October 3, 2007 at a grade 13 @\$12.85 (below suggested minimum). Commissioner Jeff Horrocks made a motion to approve hiring Fredrico Lopez as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

C. Approval to hire Cheri Packer as full time branch librarian in Green River.

Jerilyn Mathis requested to hire Cheri Packer as a full time, with benefits, Branch Librarian in Green River. If approved Cheri's wage would be Grade 11 @ \$10.53 (Library system is still on old compensation plan). Commissioner Jeff Horrocks made a motion to approve hiring Cheri Packer as a full time Branch Librarian at the Green River Library as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Approval of contract with Jolene Dalton to perform janitorial/yard maintenance at Green River Library.

Jerilyn Mathis requested approval to enter into a contract with Jolene Dalton to perform the janitorial and yard maintenance of the Green River Library. The contract would be in the amount of \$350.00 per month and become effective October 1, 2007. Commissioner Gary Kofford made a motion to approve entering into a contract with Jolene Dalton to perform janitorial and yard maintenance at the Green River Library as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

E. Approval to amend the Loss Prevention/Accident Review Board Bylaws and Resolution.

Personnel Director, Mary Huntington presented an amended draft of the Loss Prevention/Accident Review Board Bylaws and Resolution for consideration and approval. Commissioner Gary Kofford made a motion to approve Resolution 10-02-07 amending the Loss Prevention/Accident Review Board Bylaws. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(15)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT WITH UTAH DEPARTMENT OF TRANSPORTATION FOR DESIGN ENGINEERING ON SOUTH MOORE PHASE 7.**

Commissioner Gary Kofford made a motion to approve a Cooperative agreement with Utah Department of Transportation for design engineering on South Moore Phase 7. Commissioner Jeff Horrocks amended to motion to have the agreement signed by Commissioner Gary Kofford. The motion was then seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**  
**BRAD GILES, CASTLE DALE CITY, REQUEST FOR COUNTY ASSISTANCE TO  
MOVE SOIL TO CASTLE DALE CEMETERY.**

Castle Dale City Council Member, Brad Giles came before the Commissioners to request county assistance in moving soil to Castle Dale City Cemetery. He indicated that the city had purchased reject sand for topsoil from Hales Sand and Gravel. There is approximately 1,300 yards of material. He request assistance from the road department in the of a truck to haul the material to the cemetery, and a scraper to spread the material over 3.3 acres. Castle Dale City will pay for the fuel. The city would like to get this done before spring so they can get an irrigation system in place before the spring watering begins. Commissioner Gary Kofford made a motion to approve assistance to Castle Dale City by way of the road department using a truck and scraper to haul and spread top soil to the Castle Dale Cemetery and the city will pay for the fuel. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(17)**  
**CONSIDERATION AND APPROVAL OF BUILDING PERMIT FEE WAIVER FOR  
CASTLE DALE/ORANGEVILLE LIBRARY.**

Commissioner Kofford explained that the contract to repair the roofs at the Orangeville and Green River Libraries has been awarded to Stilson Construction. The building permit to do the repairs needs to be waived. Commissioner Gary Kofford made a motion to waive the building permit fee for roof repair to the Orangeville and Green River Libraries. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(18)**  
**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated September 18, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(19)**  
**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported on his recent attendance at the Economic Summit held in

14  
COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

Price.  
There were great speakers and entertainment.

*Commissioner Sitterud*

Commissioner Sitterud reported on the progress of the swimming pool project. The project is well on its way. They are pouring footers this week. The contractors are pushing to have the project completed for the summer of 2008 provided the weather treats us well. Ken Stilson is the local general contractor on the project. Visitors to the area are advised that this is a hard hat area. The contractors and sub-contractors meet at the site every other Friday at 10:00 am. The pool will have top of the line chemical controls.

UAC met in Midway last week. Questar spoke to the group regarding global warming and increases in CO2 in the air. Questar deemed the level of CO2 as not even enough to be measurable.

*Commissioner Kofford*

Commissioner Kofford reported on the progress of the Green River Senior Citizen Center project. The footers were poured on Thursday. The water lines are set as well as the power line. The time line for completion is May 30, 2008. Henderson Construction from Moab is the contractor for the project. Meetings with the contractor and sub-contractors are set for the Wednesday before the first of the month.

**(20)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS**  
**REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(21)**  
**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

15  
COMMISSION MEETING MINUTES  
OCTOBER 2, 2007

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 16, 2007

Present at the meeting was Commissioner Drew Sitterud, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

Commissioner Gary Kofford was out of town. Commissioner Drew Sitterud stepped down throughout the meeting to execute motions as needed.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims # through and including # for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
94-07	(9) Glass Windows Highway	6,100.00	Approved
95-07	Methane Gas Detector Highway	480.00	Approved

Dispositions were presented for the following:

410-5056- 1990 PCS Hand Held Radio, 111-7397- HP Office Jet G55xI, 111-8191- HP 2300 ph laser printer, 111-5489- Olivetti ET 112 typewriter, 111-6933- Cannon Laser 8500 Fax.

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(2)**  
**ROGER BANKERT, BLM, QUARTERLY REPORT**

Roger Bankert, BLM provided a quarterly update as follows:

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

Mr. Bankert introduced assistant field manager Mike Stiewig from Pinedale, Wyoming. Mr. Bankert reported on the progress of the new law enforcement agreement with Emery County. A request for a new vehicle was approved for a law enforcement officer. He reported that a Ford Ranger will be coming soon.

The BLM Resource Management Plan is scheduled for completion December 31, 2007. The division received comments from Emery County. However, they received very little comment on the supplement.

The division has had a change in staff. Geologist, Becky Doolittle has moved on to another post. They will have a new geologist on track soon. The division is looking to beef up their coal geologist program.

According to the division's three tier program, Carbon/Emery County will be linked with the Vernal/Duchesne area instead of the Moab area.

**(3)**

**MESIA NYMAN, FOREST SERVICE, QUARTERLY UPDATE.**

Mesia Nyman, Forest Service, provided the following quarterly update:

Mesia reported on the highlights of the 2007 season.

The boat ramp at Mammoth Reservoir is complete. They were able to have enough funds to pave the parking area. 2 snowmobile parking lots were completed, one at the Skyline and enlarged the one in Fairview Canyon.

The division permitted harvest for 2.5 million board feet of harvest timber.

She reported on the under burn in pines and the Jungle area was over achieved, but they are already seeing the results in new growth.

They reduced the pinion pine and juniper in the Black Dragon, Horn to Cap area.

A NEPA study is in the works for paving the road to Reeder Canyon.

They experienced road problems in the Spoon Creek area. They conducted an experimental road closure and asked for comments from those who frequent the road. They received four comments all asking to have the road left open at least to the campsites.

Projects for 2008 include:

Fuels Projects include: West Scofield, Joes' Valley, by the Olsen Guard Station.

Energy Projects include: Green Hollow Coal Lease, oil and gas, EIS that the Forest Service is doing.

Timber Sales: Lake Timber sales. Roadside Timber sales, they will be harvesting dead trees within 200 feet of campsites and roadways. This is a hazard tree project.

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

Travel Projects: They want to finish up the Kitchen connection and finish up the Lord's Trail. They have planned constructing an ATV trail parallel to Highway 31 from Miller's Flat to Skyline Drive. They propose some seasonal road and trail closures. South Reeder is a spring closure. Rock Canyon is another spring closure.

They have produced a new motorized vehicle use map. This will show for the Ferron/ Price District where you can drive full sized vehicles, ATV, motorcycles, etc. This map is a legal and enforcing map for 2008.

James Nielson asked about the Boy Scouts Order of the Arrow Tamarisk project.

Mesia explained that the project is the 2008 Scout Centennial Project. There were five projects chosen throughout the nation. The Emery County project is one of the projects chosen. It is a collaboration project between the BLM and Forest Service. It is a cutting and applying an herbicide to the tamarisk in the Buckhorn Draw and Joe's Valley area drainages. They are hoping to get about 1,000 boy scouts and family members here for the project. The national office is doing a lot of work to get ready for the project. The planned time is the second week in June of 2008. They are asking for volunteers to assist with the project. They will need 60 herbicide applicators and 60 soil workers a day for the five days of the project. Anyone who is interested in volunteering should call Carl Ivery at the BLM office or Mesia at the Forest Service office.

Ethan Hurdsman asked if the land use permit for Joes' Valley Marina has been approved. Mesia indicated that it has been approved.

(4)

**SHARON EARL, DISCUSSION OF AIRPORT HANGER PAYMENTS AND CONTRACT AND FLIGHT PARK.**

Sharon Earl came before the Commissioners to discuss a contract with Huntington Aviation, Leon Defiez and Mark Johansen, the newly contracted airport managers. 6 years ago the previous airport manager had rented a hanger to Kim Earl in exchange for furniture from Earl's Bargains. Mr. Earl's hanger lease will not run out until December of 2008. Sharon had some questions regarding the agreement. Attorney David Blackwell explained to her that the county is not involved with the agreement. The agreement is between the airport manager and the lessee of the hanger. The County Commissioners nor the attorney had seen the agreement. The county has nothing to do with the rental of the hangers. The county owns the facility but recently signed a contract with Leon Defriez and Mark Johansen DBA: Huntington Aviation for the management of the airport which includes the rental of the hangers.

In other business Sharon discussed the possibility of placing a Flight Park in a remote section of the airport. The proposed park would be for experimental planes with hangers that individuals

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

could purchase. She discussed the possibilities for growth and the economic benefits of such a park.

(5)

**GREEN RIVER MEDICAL CENTER, UPDATE ON SERVICES AND REQUEST FOR CONTINUED FUNDING/SUPPORT.**

Mary Winder, Green River Medical Center stated that the Green River Medical Center is a non-profit federally qualified health center. She provided a breakdown of activity for 2007. She asked for continued funding and support of the Medical Center. Commissioner Drew Sitterud asked that she go to the Clerk/auditor's office and put her request for funding in a written request for the 2008 budget process.

(6)

**CONSIDERATION AND APPROVAL OF A BUSINESS LICENSE.**

A business license application was presented for Leon Defriez and Mark Johansen DBA: Huntington Aviation. The license has been reviewed and signed by Zoning Administrator Michael McCandless. Commissioner Jeff Horrocks made a motion to approve a business license application for Leon Defriez and Mark Johansen DBA: Huntington Aviation. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(7)

**CITIZEN CONCERNS**

None.

(8)

**RATIFICATION OF ROW FOR COMMUNICATION SITE ON HENRY MOUNTAINS.**

In the last Commission Meeting a Right-Of-Way agreement was presented for communication site on Henry Mountain. It was not on the agenda and needed to be ratified. Commissioner Jeff Horrocks made a motion to ratify the action and signing of a Right-of way agreement for communication site on Henry Mountain. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(9)

**CONSIDERATION AND APPROVAL OF FINANCIAL AND OPERATING PLAN FOR FY2008 WITH FOREST SERVICE FOR SPECIAL LAW ENFORCEMENT**

**ACTIVITIES.**

Sheriff Guymon explained that the operating plan gives his department direction as to when and where to use the time. The plan reimburses the County in the amount of \$5,276.00. Commissioner Jeff Horrocks made a motion to approve the financial and operating plan for FY2008 with the Forest Service for special law enforcement activities. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(10)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR NOXIOUS WEED MANAGEMENT BETWEEN THE UTAH DIVISION OF FORESTRY, FIRE & STATE LANDS.**

Commissioner Horrocks explained that the plan has been in affect for the last three years. James Nielsen, Weed and Mosquito Department Head explained that the contract is for \$10,000.00. The purpose is to mitigate noxious weeds along the 100 mile stretch of sovereign land along the Green River. The funds can be used to purchase equipment to aid in that effort. James indicated that last the funds were used to purchase a boat and motor. The county also has an agreement in place for the mitigation of noxious weeds on BLM land if needed. Commissioner Jeff Horrocks made a motion to approve a cooperative agreement for noxious weed management between Emery County and the Utah Division of Forestry, Fire & State Lands. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(11)

**CONSIDERATION AND APPROVAL FOR CONTRACT FOR ASSISTANCE FROM LINDBERG & COMPANY WITH THE LAND USE ORDINANCE UPDATE.**

Attorney David Blackwell explained that is a contract for assistance from Lindberg & company for help with updating the county's land use ordinance. The company will give assistance with subdivision rewrites. The contract is for \$15,000.00. Lindberg has agreed for the county to pay half this year and half next year since it was not allowed for the 2007 budget. Commissioner Jeff Horrocks made a motion to approve the contract with Lindberg and Company for assistance with updating the land use ordinance and to approve paying half of the contract this year and budget for the other half in the 2008 budget. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

(12)

**CONSIDERATION AND APPROVAL OF ASSET PURCHASE AGREEMENT BETWEEN ROCKY MOUNTAIN POWER AND EMERY COUNTY FOR THREE**

**PHASE POWER LINE. APPROVAL OF CUSTOMER REQUESTED WORK AGREEMENT/PAYMENT.**

Commissioner Sitterud explained that this is a result of several request to hook on the power line at the landfill. Since the county cannot sell power the power line must be owned by Rocky Mountain Power. RMP has agreed to pay \$1.00 for the line and take over the management of the power line. The county had to pay \$18,896 to bring the power line up to standard.

Commissioner Jeff Horrocks made a motion to approve selling the three phase power line to Rocky Mountain Power for \$1.00 and approve the agreement payment. Commissioner Drew Sitterud stepped down the second the motion. The motion passed.

**(13)****CONSIDERATION AND APPROVAL OF LOW INCOME TAX ABATEMENTS.**

The Commissioners met with each of the applicants for the low income tax abatement. The Commission has the authority to grant an abatement of up to half of taxes owing. The Commission can take into consideration income, assets and any other information deemed necessary. The individuals to be considered were as follows:

Verne Hinton, taxes owing \$381.21, Mary Ann Rizzuto, \$727.71, Gina Dyches, \$768.77.

Commissioner Jeff Horrocks made a motion to approve a fifty percent reduction in the taxes owing for each applicant. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(14)****DISCUSSION OF GIFT FOR UAC CONVENTION.**

During UAC Conference in November each county is asked to bring a gift that is unique to that county to be used as a door prize. Mary Huntington and Kris Bell have volunteered to search out a \$50.00 gift to take to the conference.

**(15)****CONSIDERATION AND APPROVAL OF TAX ABATEMENT FOR 01-019A-0024**

Assessor Kris Bell requested a tax abatement for 01-019A-0024 which used to be tax exempt but is now privately owned property. Brody LeRoy purchased the property half way through the year. Previous taxes were \$540.07. The new tax would be \$270.03. Kris discussed several other properties that had similar circumstances in that they used to be tax exempt and are now privately owned. The other properties discussed were as follows:

Keith Lake, previous tax was \$1.22, new tax would be \$.44.

Green River Holdings, previous tax was \$89.10, new tax would be \$59.44.

Kenneth Silliman, previous tax was \$65.83, new tax would be \$42.92.

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

Kip Leavitt, previous tax was \$28.51, new tax would be \$11.90.

Commissioner Jeff Horrocks made a motion to approve the tax adjustments as proposed by Kris Bell. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(16)**

**REQUEST TO BEGIN THE PROCESS TO PURCHASE COUNTY PROPERTY**

**01-0188-0005.**

The Board of Commissioners discussed property parcel number 01-0188-0005 in Huntington. This is property that was not sold during the May Tax Sale. There is a federal lien on the property as well as a state and court lien on the previous owner. It was discussed that in the best interest of the county it would be best to put the property up for sell to get it back on the tax roll. Whomever purchases the property would be responsible for satisfying the liens. A valuation needs to be done on the property. Kris Bell indicated that she has done an external valuation but is not able to get into the house to conduct an internal valuation due to the fact that someone is occupying the home. Attorney David Blackwell reviewed the procedures for disposing of county owned property. There has to be written notice sent the adjoining property owners thirty days before the date of the sale. There needs to be notice in the newspaper for three weeks prior to the sale. Sealed bids are to be sent to the Clerk/Auditor's office prior to the sale. He recommended putting the beginning bid at what is owed to the county for back taxes, administrative fees, penalties, interest and advertising cost. Commissioner Jeff Horrocks made a motion to start the process to dispose of property parcel #01-0188-0005 and to have David Blackwell look into the legal rights that we have as owners of the property and to set the minimum bid for the property at the amount of the county's lien including back taxes, administrative cost, interest, penalties and advertising cost and to have the buyer assume the other liens and removal of the occupants. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(17)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Consideration and approval to adopt a Flexible Spending Account 1/1/08**

Mary Huntington requested approval to adopt a FLEXIBLE spending account. She explained that this is an added benefit for employees. This is an IRS regulated plan that allows pre-taxed dollars to be used for medical reasons. If approved the plan will become effective January 1, 2008 and educational enrollment meetings for employees will be held October 23, and 31, 2007. Commissioner Jeff Horrocks made a motion to approve the FLEXIBLE account for employees. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**B. Consideration and approval of step increase to Patrol Deputy II for Garrett Conover.**

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

Sheriff Guymon requested a grade change for Garrett Conover. Garrett has been a Deputy I for three years and the requirement to move to Patrol Deputy II is 3 plus years. If approved this would become effective October 21, 2007 and Garrett would move from Grade 16 @ \$15.78 per hour to grade 17 @ \$16.73 per hour. Commissioner Jeff Horrocks made a motion to approve the step increase for Garrett Conover as presented. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

C. Approval to re-advertise for a Lube Mechanic at grade 14.

Fred Lopez resigned after two days. Morris Sorensen requested approval to start the recruitment process for a Lube Mechanic again. None of the previous applicants had the hazmat endorsement. This position requires a CDL with Hazmat and because of this the grade needs to be adjusted to a 14. Entry wage would be grade 14 @ \$13.62 per hour (3% below suggested minimum). Commissioner Jeff Horrocks made a motion to approve beginning the recruitment process for a Lube Mechanic as proposed. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

Mary informed the Commissioners that Arlynda Zamora's temporary employment with Weed/Mosquito ended October 1, 2007.

**(18)**

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Jeff Horrocks made a motion to approve the minutes dated October 2, 2007 as corrected. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

**(19)**

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported on the Green River Senior Citizen Center Project. Regarding the Lawrence Cemetery Project, unmarked graves are being researched and headstones or grave indicators will be placed on the graves. The Veteran's Memorial is nearing completion. The dedication ceremony is scheduled for November 12, 2007 at 11:00 am.

*Commissioner Sitterud*

Commissioner Sitterud reported on recent CIB action to grant funds to Castle Valley Special Service District for completion of their projects. Orangeville City also received extra funds to

COMMISSION MEETING MINUTES  
OCTOBER 16, 2007

complete their recreation center.

The Commissioners are in the middle of the budget process. Now is the time to get your budget requests in to the Clerk/Auditor's office.

Commissioner Sitterud recently met with Green River water users who are moving forward with water diversion plans for the Green River. The group needs to secure federal funds for the project. Without the diversion project there will be no more watermelons. They are hoping to get aid from Senator Bennett and Representative Matheson.

He recently attended a meeting with Lt. Governor Gary Herbert and the AOG. They discussed concerns regarding quiet title roads. The governor was invited to go hiking with a SUWA group but declined until the quiet title case has been settled.

He met in St. George regarding the CCP addressing group. This is the standardized addressing group for E-911 purposes. Jeff Guymon is the lead man on this project. The north half of the state still needs to be done.

**(20)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**(21)**

**ADJOURNMENT**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. Commissioner Drew Sitterud stepped down to second the motion. The motion passed.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

OCTOBER 30, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox other elected officials and citizens.

Because of the election on November 6, 2007 Commission Meeting was rescheduled to today. The next Commission Meeting will be held on November 20, 2007. There were three things that needed attention before the next meeting. The items are not on the agenda and will have to be ratified in the November 20, 2007 meeting.

The first item Commissioner Sitterud discussed was an E-911 grant from Public Safety to provide funds in the amount of \$34,500.00 for the purpose of providing professional staff expertise specially for Public Safety Answering Point 9-1-1 Telecommunications Enhanced, Phase I and Phase II equipment, installation, testing and implementation. Due to time constraints the grant agreement needed to be signed and forwarded on to the Department of Public Safety. Commissioner Jeff Horrocks made a motion to approve a grant agreement with the Department of Public Safety for 9-1-1 enhancement. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Next was a request from Planning and Zoning for a letter from the Commission stating the county's willingness to look at changing the zoning of SITLA property west of Green River that is currently zoned for grazing purposes to an industrial zone. Commissioner Gary Kofford made a motion to approve drafting a letter to be sent to SITLA in support of changing the zoning of property west of Green River from grazing to industrial and to bring the action to Commission Meeting again on November 20, 2007 for ratification. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Sitterud asked for support to send a memo to all elected officials and department heads informing them that the deadline for requisitions and purchases from the 2007 budget is November 20, 2007. All claims need to be submitted by November 30, 2007. All needed purchases, over \$300.00, after that date will require commission approval. Commissioner Jeff Horrocks made a motion to send a memo out to elected officials and department heads as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

COMMISSION MEETING MINUTES  
OCTOBER 30, 2007

## (1)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #186414 through and including #186526 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
96-07	Used Army Trailer Weed/Mosquito	1,000.00	Approved
97-07	(3) Gallon Spray Cans Weed/Mosquito	400.00	Approved
98-07	(2) Celle Task Chairs Recorder	767.44	Approved
99-07	Repair Power Line on Cedar Mtn Television/Sheriff	2,500.00	Approved
100-07	Remove and Replace Garage Door Green River Ambulance/Sheriff	1,882.00	Approved
101-07	Installation and Equipment for Charger/Sheriff	6,518.79	Approved

Dispositions were as follows:

Asset #192-6750 Protek Computer from the Emery County Travel Council.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**JAN HESS, AMERICAN LEGION AUXILIARY UNIT 42, REQUEST DONATION FOR OPERATION HOME SUPPORT.**

Jan Hess, American Legion Auxiliary Unit 42 came before the Board of Commissioner to request a donation for Operation Home Support. Jan explained the origin of the program and the benefit of the program to the current 16 soldiers and their families in Emery County. Forty-four soldiers from our area have returned from tour of duty in conflict zones around the world. Some of these soldiers are now on their second and third tour. The program sends needed items, letters and cards to the 16 soldiers, many of whom end up sharing their package with other soldiers who may never have any contact with their own family members. Jan read a letter from a soldier thanking the auxiliary and telling them how much the packages meant to them and those that they shared with. She talked about the national coverage the program has received due to an article written in the Emery County Review. Jan requested a donation to help with the cost associated with mailing the packages. Currently, the auxiliary is working on packages for Christmas. Letters and packages for Veteran's Day and Thanksgiving have already been sent. The effort to raise funds for the packages is ongoing. Commissioner Gary Kofford made a motion to donate the standard \$250.00 to the American Legion Auxiliary Unit 42. Commissioner Jeff Horrocks amended the motion to donate \$500.00. Commissioner Gary Kofford accepted the amendment to donate \$500.00. The motion passed.

(3)

**APPOINTMENT TO CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Due to the recent passing of Paul Crawford, the Castle Valley Special Service District needs to fill a vacancy on their board. Two applications were received to fill this vacancy. The two applications were from Todd Huntington and Neal Peacock. The Board is an eleven member board made up of appointees from the towns and cities in the county plus three Commission appointed members. The three Commission appointed members are Vernel Rowley, Tom Humphrey and the vacant seat. The vacant term will end December 2009. Commissioner Gary Kofford made a motion to appoint Neal Peacock to fill the vacant seat. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF FY 2008 TENTATIVE BUDGET FOR EMERY COUNTY FUNDS AND CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Clerk/Auditor Brenda Dugmore presented the tentative budget for 2008 for the Emery County funds. There will be a public hearing on December 4, 2008 to receive comments on the tentative budget. Commissioner Jeff Horrocks made a motion to accept the tentative budget for 2008.

COMMISSION MEETING MINUTES  
OCTOBER 30, 2007

The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Darrell Leamaster, Castle Valley Special Service District presented their 2008 budget. Mr. Leamaster explained they have three funds and provided a breakdown of each fund. Commissioner Gary Kofford made a motion to accept the FY2008 budget of Castle Valley Special Service District. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF EMERY COUNTY PCIFB PRIORITY LIST.**

Darrel Leamaster presented the Permanent Community Impact Fund Board Priority 2008 Local Capital Improvement List for short term and long term. The short term list is for those projects of various entities requesting funding in the coming year. The long term list is for those projects of various entities requesting funding in the next five years. The list is voted on and placed in ABC priority by the entity and then by the county. After reviewing the list Commissioner Kofford requested that the MBA request for the Assisted Living Center be moved from the long term list the short term list. Commissioner Gary Kofford made a motion to approve the Permanent Community Impact Fund Board Priority 2008 Local Capital Improvement List. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**CONSIDERATION AND APPROVAL OF CHANGE ORDER FOR SWIMMING POOL PROJECT.**

Commissioner Drew Sitterud explained the change order is to bring into line the value of cost reduction proposals accepted by the owner. The original contract sum for the swimming pool project was \$5,790,479.00. The contract will be decreased by \$255,070.00. The new contract sum including the change order is \$5,535,409.00. Commissioner Gary Kofford made a motion to approve the change order for the swimming pool project as set out in Document G701-2001. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR ENHANCEMENT OF BOATING FACILITIES AT JOE'S VALLEY RESERVOIR..**

Commissioner Gary Kofford made a motion to approve of a cooperative agreement for enhancement of boating facilities at Joe's Valley Reservoir. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF TAX ABATEMENT FOR 1-42-11-  
PATRICIA MCKEE.**

Assessor, Kris Bell explained that Patricia McKee began building her home in 2003. In 2007 the property was assessed at 100% complete. Patricia's husband passed away in 2007 and the home has not been finished. A re-assessment has been done on the home with a new assessment at 69% complete. The previous market value was \$94,489.00 with taxes of \$675.18. The new value would be \$68,542.00 with new taxes of \$489.77. This is a difference of \$185.41. Commissioner Gary Kofford made a motion to approve the tax abatement as proposed for parcel #01-0042-0011, Patricia McKee. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(9)**  
**CITIZEN CONCERNS**

None

**(10)**  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

Personnel Director, Mary Huntington presented the following personnel action:

Recorder, Dixie Swasey requested approval to hire Janet Damron as a part time Office Specialist working less than 20 hours per week. If approved her wage would be at grade 7 \$8.50 per hour. This is 9% below the suggested minimum. Commissioner Gary Kofford made a motion to approve hiring Janet Damron as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Aron Hansen has given his two weeks notice and Morris Sorensen is requesting approval to start the recruitment process for a full time Equipment Operator II. Commissioner Gary Kofford made a motion to approve beginning the recruitment process for a full time Equipment Operator II. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(11)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
OCTOBER 30, 2007

Commissioner Jeff Horrocks made a motion to approve the minutes dated October 16, 2007 as corrected. Commissioner Drew Sitterud stepped down to second the motion as Commissioner Gary Kofford was not present for that meeting. The motion passed.

**(12)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported on a recent landfill site showing with Rob Power, Solid Waste Technician. Mr. Power sent a letter to the Commission stating that the Emery County Landfill is in compliance with state regulations for landfills. Commissioner Kofford commended Morris Sorensen and his staff for their efforts.

Commissioner Kofford attended a DOGM meeting recently where they heard an appeal from SUWA regarding Utah American Energy's permit for Lila Canyon. UAE has received a notice to proceed with their mining process.

Commissioner Kofford reported that the roofing projects for the Orangeville and Green River Libraries are completed. Green River Library is shutdown at this time because the sewer main has a problem. They are having a hard time getting a plumber to bid on the repair.

He reported that the Huntington Airport is in the process of getting up dated fuel facilities.

*Commissioner Horrocks*

Commissioner Horrocks reported on the current problem that the Green River Irrigation Company is having with a diversion dam and the cost involved in correcting the problem.

He also reported that Val Payne recently gave the Commissioners an update on the Wild and Scenic Rivers process.

*Commissioner Sitterud*

Commissioner Sitterud reported on a recent meeting in Emery Town regarding the water problems there. A congressional delegation will be visiting the area soon to assess the problem. He reported on recent a newspaper article where Emery County has been named as a possible site for a nuclear power plant. Talks with four generation companies have named Emery County as a potential site. Currently there is no property named as the possible site. The companies have made contact with Emery County and Grand County. There are no formal plans.

COMMISSION MEETING MINUTES  
OCTOBER 30, 2007

(13)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

(14)

**ADJOURNMENT.**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

NOVEMBER 20, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**RATIFICATION OF ACTION TAKEN IN OCTOBER 30, 2007 COMMISSION MEETING.**

**A. Approval of Special Billing Agreement with State of Utah in providing funding and professional staff expertise for Utah 911 Grant.**

Commissioner Jeff Horrocks made a motion to ratify the approval and signing of a special billing agreement with State of Utah in providing funding and professional staff expertise for Utah 911 Grant. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**B. Cut-off date for requisitions/claims out of 2007 budgets.**

Commissioner Jeff Horrocks made a motion to ratify the motion to send a memo to all elected officials and department heads informing them that the deadline for requisitions and purchases from the 2007 budget is November 20, 2007. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**C. Approval to hire Janet Damron as part-time office specialist in Recorder's Office.**

Commissioner Jeff Horrocks made a motion to ratify approval to hire Janet Damron as part-time office specialist in the Recorder's Office. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**D. Approval to start the recruitment process for a full-time Equipment Operator II.**

Commissioner Jeff Horrocks made a motion to ratify the motion to start the recruitment process for a full time Equipment Operator II. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**E. Approval of out-of-state travel for Morris Sorensen.**

Commissioner Jeff Horrocks made a motion to ratify approval for Morris Sorensen to travel out of state. The motion was seconded by Commissioner Gary Kofford. The motion passed.

COMMISSION MEETING MINUTES  
NOVEMBER 20, 2007

(2)

**APPROVAL CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List, Additional Claims #186633 through and including #186871 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
102-07	4-Drawer lateral file Green River/Justice Crt	459.00	Approved
103-07	Dell Computer Sheriff/SLA Grant State bid	1,650.50	Approved
104-07	TS-200 Kenwood Hf/VHF Radio TS-480SAT Kenwood Radio TM-D710A VHF/UHF APRS Radio DX-88 Antenna LDG AT1000Antenna Tuner Sheriff-HLS Grant 06	6,088.65	Appro ved
105-07	Hi-Sierra Trailblazer Antenna Power Supply 80 Watt Solar Panel for Trailer Sheriff-HLS Grant 06	2,895.18	Appro ved
106-07	21 cubic feet refrigerator Courthouse	549.95	Approved
107-07	Computer for Digital Photo Sys Sheriff-SLA Grant	3,684.10	Approved

There were no dispositions.

Commissioner Gary Kofford explained the first two items on the add on list which were Rocky Mountain Power and Lofthouse Electric. Recently the county sold the power line that supplies power to the landfill to Rocky Mountain Power. In doing so we had to put meters on the landfill

COMMISSION MEETING MINUTES  
NOVEMBER 20, 2007

building, the sheriff's rifle range building and the gun range which belongs to the Recreation District. We went out to bid for the electrical work. Lofthouse Electric was the low bidder on that project for \$5,311.00. Because of supplies for different size wiring and various other things it was determined that we needed to make some changes to the gun range building and put a meter base on the building. The added cost required to install the meter base on the gun range building was \$1,876.00 and to replace the underground power line from the Sheriff's building to the gun range building by Rocky Mountain Power was \$2,100.00. In order to expedite the work and get power to the gun range the work was completed under the direction of the Commissioners. The Recreation District has agreed to pay \$3,000.00 which will be done by way of a check to the county.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit list and Requisitions as presented. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

(3)

**DELENA FISH, DWS, QUARTERLY UPDATE.**

Delena Fish, DWS, provided an update of recent activity. She reported on the online application process. Because of recent drop in caseloads in the Eastern region Emery and Carbon County has lost forty positions. The department has taken on extra case loads from the St. George area to keep people working. The department has partnered with various agencies to provide a healthy family education coalition. They recently held their first free dental clinic in Emery County with cooperation from the United Way Foundation. They saw forty individuals and performed 180 procedures. They are now in the process of working with Green River Medical Center to provide the same service in Green River. They are currently taking applications for the Community Angel Tree. They hope to have all the applications in by November 30. There has been another lay-off at Crandall Canyon Mine. She indicated that their hands are tied when it comes to helping those who were laid off due to the fact that they are termed as 'temporarily laid-off'. Because of the benefits that the miners received at the time they were laid off, they have to wait until the next month to apply. The Carbon/Emery unemployment rate is up a bit due to the mine disaster. It seems to have affected Carbon County more than Emery County. The division has changed its criteria for eligibility. They used to consider the individual's vehicle as an asset, however that has changed and no longer affects the applicant's eligibility after benefits have ended. Murray Energy has not given them any additional information.

(4)

**CONSIDERATION AND APPROVAL OF COMMISSION TAX ABATEMENT FOR PARCELS 1-57-25, 1-57-28, 1-250-15 AND 1-263-7.**

Assessor, Kris Bell proposed 4 properties for Commissioner's Adjustment.

COMMISSION MEETING MINUTES  
NOVEMBER 20, 2007

1-57-25, Hazel McMullin, home should have been placed on this property instead of 1-57-25. Previous market value was \$1,658.00 with taxes \$22.29. New Market value would be \$67,042.00 with taxes \$516.82. This is a difference of +\$494.53.

1-57-25, Michael Taylor, home should not have been placed on this property, it should have been moved to 1-57-28 . Previous market value was \$61,542.00 with taxes \$455.12. New market value would be \$6,500.00 with taxes \$87.40. This is a difference of -\$367.72.

1-250-15, Brian Jewkes, old home was torn down. Previous market value was \$33,060.00 with taxes \$353.26. New market value is \$0. This is a difference of -\$259.18.

1-263-7, Doug Johnson, letter from Orangeville City states that this is not a build-able lot. Previous market value was \$23,366 with taxes \$333.06. New market value would be \$15,502 with taxes \$220.97. This is a difference of -\$112.09.

Commissioner Gary Kofford made a motion to approve Commissioner's adjustments a proposed and presented. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**(5)**

**CITIZEN CONCERNS**

Sheriff Guymon reported that the county received a check from Murray Energy in the amount of \$180,000.00 for reimbursement to the county for expenses during the Crandall Canyon Mine disaster.

The Commissioners discussed recent complaints from the public that last Christmas the Courthouse was the only building on main street that did not have Christmas decorations on the building. Commissioner Kofford raised his concern for the recent \$80,000.00 new roof on the building and was against having anyone climb on the roof and drag decorations across the new roof to put up decorations. Commissioner Horrocks stated that he felt that the county should find a way to put up the decorations without damaging the roof that we just need to find a different way to anchor the decorations. Commissioner Kofford expressed his disapproval to putting up decorations if it means getting on the roof.

**(6)**

**APPOINTMENT OF REPRESENTATIVE/ALTERNATIVE WITH VOTING PRIVILEGES FOR UCIP ANNUAL MEMBERSHIP MEETING.**

Commissioner Drew Sitterud explained that UCIP meets for their annual membership meeting on December 6, 2007 at Thanksgiving Point. Emery County, by resolution is to appoint one official representative and an alternate representative to attend the meeting. Commissioner Jeff Horrocks made a motion to approve Resolution 11-20-07 appointing Mary Huntington as the official, voting representative and David Blackwell as alternate representative. The motion was seconded by Commissioner Gary Kofford. The motion passed.

(7)

**CONSIDERATION OF INTERLOCAL AGREEMENT BETWEEN EMERY/SEVIER COUNTY FOR MAINTENANCE OF REMOTE ROADS NORTH OF LINK CANYON ROAD AND MINE.**

Commissioner Kofford explained that there are two agreements to consider. For the last several years Emery County has maintained some roads in Sevier County and Sevier has maintained some roads in Emery County. The agreements facilitate the management of these roads. Commissioner Gary Kofford made a motion to approve the agreements between Emery and Sevier County for maintenance of remote roads north of Link Canyon Road and mine. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF LOW INCOME TAX ABATEMENT FOR JUDY VISSER.**

An application from Judy Visser for a low income abatement was presented for consideration. Ms. Visser indicated that she was not aware that she had to apply each year and as a result did not get the application turned in on time. After discussion on this matter and considering that there is a deadline for applications to be accepted Commissioner Gary Kofford made a motion to deny the application for a low income abatement for Judy Visser. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

(9)

**CONSIDERATION AND APPROVAL OF PREMIER DATA SERVICE DATA EXCHANGE AGREEMENT.**

After discussion on this matter, Commissioner Gary Kofford made a motion to approve an agreement with Premier Data Service for exchange of data. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(10)

**APPROVAL OF BUILDING PERMIT FEE WAIVER FOR ELECTRICAL UPDATE AT LANDFILL/GUN RANGE.**

Commissioner Gary Kofford made a motion to waive the building permit fee for the electrical update at the landfill/gun range. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**(11)****CONSIDERATION AND APPROVAL OF APPLICATION FOR TRANSPORTATION AND UTILITY SYSTEMS AND FACILITIES ON FEDERAL LANDS FOR BLM SYSTEM ROAD #6701, #6707, #6764, #6770, #6816, #6821, #6835, #6845, #6852, #7101, #7196, and #7197.**

Public Lands Director, Ray Petersen explained that for several years the county has maintained several roads belonging to the BLM. The local BLM Field Office in Price recommended application for ROW for these roads and they will give them to the county. The following is a list of BLM roads for inclusion in Emery County "B" Road System:

6701	Turtle Canyon	14miles
6702	Turtle Canyon Extension	7miles
6707	Saleratus-Hamburg (Humbug)	10miles
6764	The Wedge Extension (East)	5miles
6767	Fullers Bottom	12miles
6770	North Salt Wash	7miles
6816	Gillies Ranch (Frenchman)	7miles
6821	Gillies Ranch-Horse Bench	6.4miles
6835	Cedar Mountain	18miles
6845	Justeson Flat-Kimball Wash	11miles
6852	Rod's Valley (Swasey's Cabin)	12.7miles
7101	Poison Spring North Stub	2miles
7196	State Pond Road	1.07miles
7197	Ried Nielson-Home Base Loop	10.5miles

This is a total of 123.67 miles of road. Application would be for Title 5 ROW Lease through FLPMA. The county would then be able to receive federal funding through the "B" Road system. The list of roads would need to be reviewed every five years. Commissioner Gary Kofford made a motion to approve the list of roads for Title 5 ROW Lease application to be included in the "B" Road System of Emery County. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**(12)****CONSIDERATION AND APPROVAL OF LETTER OF AGREEMENT WITH FOUR CORNERS COMMUNITY BEHAVIORAL HEALTH FOR DRUG COURT.**

Commissioner Jeff Horrocks made a motion to approve a letter of agreement with Four Corners Community Behavioral Health for administering to the Drug Court program in Emery County. The motion was seconded by Commissioner Gary Kofford. The motion passed.

(13)

**CONSIDERATION AND APPROVAL TO RENEW THE GENERAL LIABILITY INSURANCE AT THE HUNTINGTON AIRPORT.**

In the past the general liability insurance for the Huntington Airport has been through Wells Fargo at a cost of \$2,400.00 for the year. Mary did some checking and was able to find insurance through ACE USA which administered through UCIP for \$1,800.00 a year. Commissioner Gary Kofford made a motion to approve obtaining general liability insurance for the Huntington Airport through ACE USA. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

(14)

**KEN BROWN/MARK WALSH, WESTERN COUNTIES ALLIANCE, UPDATE ON PUBLIC LAND ISSUES. CONSIDERATION AND APPROVAL OF BUDGET REQUEST FOR THEIR SERVICES.**

Ken Brown and Mark Walsh from Western Counties Alliance were presented to provide an update on public land issues. Mr. Brown, Field Director for WCA reported that the origination of the alliance. He stated that the WCR is an alliance of rural public lands counties and other supporting groups and individuals which is organized in a mutually beneficial and productive way to shape federal land and resource management policies. They work closely with the Western Caucus of the House of Representatives and key congressmen and senators to develop vital legislation and to encourage essential congressional oversight of federal agencies to address and resolve the challenges faced by our member counties. They also work directly to influence federal regulations. Currently they are working to get full funding of PILT and secure rural schools. They are also working to protect RS 2477 rights. Mr. Brown requested Emery County consider joining the WCA. The fee is \$7,500.00 per year for their services. He indicated that some counties were not able to pay that amount and opted to pay what they could, usually \$5,000.00 per year. The Commissioners asked how many other counties had joined the alliance. Mr. Brown reported that there were 13 counties in Utah and 3 more ready to come on board. He reported that out of the Western states there were 5 paying counties and the AOG in Nevada, Montana had 1 paying county, New Mexico has 10 paying counties, Arizona has 6 paying counties, Colorado has 4 counties in the western part of the state that have expressed interest in joining. Mark Walsh echoed all that Mr. Brown had reported and asked for the county's support. The Commissioners thanked them for their time.

(15)

**JONI PACE, FRIENDS OF PACT, REQUEST WAIVER OF PROPERTY TAXES FOR NON-PROFIT STATUS ON 50 N. PEARL STREET, GREEN RIVER.**

**CONSIDERATION AND APPROVAL OF BUDGET REQUEST FOR FUNDING OF BOYS AND GIRLS CLUB OF GREEN RIVER.**

Joni Pace, Friends of PACT came before the Board of Commissioner to request a waiver of property taxes for non-profit status on 50 N. Pearl Street, Green River, UT. In an earlier request, the Commissioners asked Joni to provide the federal tax returns for the non-profit business. She was also instructed to provide the application for tax exempt status to the Clerk/Auditor's office. The application was not turned in for review nor was the tax return submitted. The deadline for consideration was May 1, 2007. Joni indicated that she had the application but it was not turned in. Commissioner Gary Kofford made a motion to deny the request for a waiver on the property taxes due to the fact that the application was not handed in on time. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**(16)****CONSIDERATION AND APPROVAL OF SWIMMING POOL CHANGE ORDERS.****A. COR#02- Change of specified AH-1 to a different brand that is really available.**

Commissioner Gary Kofford made a motion to approve change order #02. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**B. COR#4- Change of door hardware changes.**

Commissioner Gary Kofford made a motion to approve change order #4. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**C. COR#5- Change OP light fixtures.**

Commissioner Gary Kofford made a motion to approve change order #5. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**D. Discussion of change order for fencing.**

Commissioner Drew Sitterud discussed a possible change order for fencing around the perimeter of the Swimming Pool. \$12,000.00 was budgeted for chain link fencing. The committee organized to make some basic decisions regarding the pool has asked that the Commission consider looking at putting up wrought iron fencing in lieu of chain link fencing. The change order for the lighting experienced a savings of \$10,000.00 that could be put with what is budgeted to provide for the approximately \$20,000.00 projected for the cost to put up wrought iron fencing. Commissioner Jeff Horrocks made a motion to move forward with gathering the information needed to put up wrought iron fencing and to bring it back to Commission Meeting with a change order. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**(17)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.****A. Approval to give Owen Olsen a one step increase for completion of orientation period.**

Jerilyn Mathis requested a one step increase for Owen Olsen who has successfully completed his six month orientation period. If approved Owen would move from Grade 4A @ \$8.12 per hour to 4B @ \$8.30 per hour. Commissioner Gary Kofford made a motion to approve a one step increase for Owen Olsen as proposed. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**B. Approval to give Pauline Stilson a 3% increase for completion of orientation period.**

Sheriff Guymon requested a one step increase for Pauline Stilson who has successfully completed her six month orientation period. If approved Pauline would move from Grade 13 @\$10.81 per hour to Grade 13 @ \$11.13 per hour. Commissioner Jeff Horrocks made a motion to approve a one step increase for Pauline Stilson as proposed. The motion passed.

**C. Approval to continue the recruitment process for a mechanic/lube individual/Grade 16.**

Request was made to start the recruitment process for a Mechanic/Lube at Grade 16. Commissioner Jeff Horrocks made a motion to approve starting the recruitment process for a Mechanic/Lube Specialist as proposed. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**D. Approval to start the recruitment process "in-house" only for a full-time Safety Director/Grade 20.**

Request was made to start the recruitment process "in-house only" for a Safety Co-ordinator, full time, with benefits. Commissioner Gary Kofford had questions as to how to back fill the position that is vacated from the in-house recruitment. He asked if this will be a new position and if so does the county have the funding for a new position? He stated that he felt that doing this has the potential to become something the county cannot afford. Therefore, Commissioner Jeff Horrocks made a motion to table this matter until the next meeting. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**(18)****APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Gary Kofford made a motion to approve the minutes dated October 30, 2007 as

corrected. The motion was seconded by Commissioner Jeff Horrocks. The motion passed.

**(19)**  
**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported on the Veteran's Memorial Dedication Ceremony held November 12, 2007. He reported the ceremony was very well attended and received by the public. Commissioner Sitterud commended Commissioner Horrocks for his efforts on the Memorial project and dedication ceremony.

Commissioner Horrocks attended a WFS and Emery School District meeting where they discussed aligning class electives to meet with the industry needs of this county.

He recently attended a Travel Bureau meeting with new Travel Board members. They discussed participating in trade shows and printing brochures for the shows. He expects good things to happen with that in the future.

*Commissioner Kofford*

Commissioner Kofford reported that Ray Petersen recently testified in District Court on behalf of Emery County regarding Lila Canyon Mine.

*Commissioner Sitterud*

Commissioner Sitterud and Ray Petersen recently met with Shell Oil regarding leases in the county. They are hoping for big things with their oil rigs in the county and are appreciative of the county's approach to their being here. They indicated that have not been well received in other places.

**(20)**  
**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

**ADJOURNMENT**

11  
COMMISSION MEETING MINUTES  
NOVEMBER 20, 2007

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford. The motion passed.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 4, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

The agenda items were suspended as numbered. At ten minutes before six Commissioner Gary Kofford made a motion to take a ten minute break before the advertised 6:00 p.m. public hearing. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(1)

**BID OPENING FOR SALE OF COUNTY INTEREST IN PROPERTY #01-0188-0005.**

Three sealed bids were received for the sale of county interest in property #01-0188-0005 in Huntington, Utah. Minimum acceptable bid was \$3,181.13. The three bids were as follows:

1. Joe Humphrey- \$5,001.01
2. Ethan Hurdsman- \$1,001.01
3. Arthur Gale Anderson- \$4,001.00

(2)

**AWARD BID FOR SALE OF COUNTY INTEREST IN PROPERTY #01-0188-0005 AND APPROVAL OF ASSOCIATED PAPERWORK.**

Commissioner Gary Kofford made a motion to award the bid to Joe Humphrey for \$5,001.01. As top bidder, Mr. Humphrey has five working days to submit the bid amount in the form of cash or certified check to the Clerk/Auditor's office. If the top bidder fails to submit the bid amount, the bid will go to the next highest bidder. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #187042 through and including #187236 for payment.

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List and additional claims for payment. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**JONI PACE, FRIENDS OF PACT-CONSIDERATION OF DONATION FOR BOYS AND GIRLS CLUB OF GREEN RIVER.**

Sheriff Guymon read a request on behalf of Joni Pace and Friends of PACT. They requested a contribution to help with the cost to purchase food containers for the evening meals served to senior citizens in Green River. Commissioner Kofford wondered if the meals they were providing were a duplication of a service that is already being provided through the Senior Citizen program. The Sr. Citizen program serves meals on Tuesday and Thursday. Commissioner Kofford made a motion to donate the standard \$250.00 to the Friends of PACT. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**APPROVAL OF OUT-OF-STATE TRAVEL FOR MICHAEL MCCANDLESS.**

Michael McCandless requested approval to travel out of state to attend the Western Association of RC&D Councils, Inc. Annual Meeting in Las Cruces, New Mexico on January 13<sup>th</sup> through 16<sup>th</sup>, 2008. Commissioner Jeff Horrocks made a motion to approve out of state travel for Mike McCandless to attend the Western Association of RC&D Councils, Inc. Annual Meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Jeff Horrocks made a motion to come out of the regular meeting and move into a public hearing as advertised. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(6)

**5:30 PM- PUBLIC HEARING- To receive public comment on amendments to the 2007 budgets for the Emery County General Fund, Special Revenue Funds, Capital Projects Funds and for the Castle Valley Special Service District.**

Clerk/Auditor Brenda Dugmore presented Resolution 12-04-07A amending the 2007 budget for the Emery County General Fund, Special Revenue Funds, and Capital Projects Funds. The changes are as a result of salary adjustments following the recommendation of the salary survey conducted earlier in the year and allowing for the fund flow in the general fund of the swimming pool project.

Darrell Leamaster, Castle Valley Special Service District reviewed Resolution 12-04-07B amending the Capital Projects Fund for 2007 reflecting a carry-over in the appropriated fund balance from 2006 for projects in 2007.

Commissioner Drew Sitterud asked if there were any questions or comments. There were none.

COMMISSION MEETING MINUTES  
DECEMBER 4, 2007

Commissioner Gary Kofford made a motion to come out of the public hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to come out of the regular meeting and move into a public hearing as advertised. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**6:00 PM- PUBLIC HEARING- To receive public comment on FY 2008 budgets for the Emery County General Fund, Specials Revenue Funds, Capital Project Funds and for the Castle Valley Special Service District, Including salary increases for Emery County Employees and Elected Officials.**

Clerk/Auditor Brenda Dugmore reviewed Resolution 12-04-07C. She explained the reason for the property tax increase and judgement levy. PacifiCorp miss allocated taxes to Emery County that should have been paid to Utah County. We have a judgement levy to payback PacifiCorp \$249,369.19 plus interest in November 2008 for that miss allocation. Commissioner Sitterud explained the increase in salaries for Emery County employees and Elected Officials and two judges. A wage survey was conducted earlier in 2007 and the first phase of changes was implemented. As the Commissioners looked at the second phase it was apparent that the elected officials in most cases would be making less than the employees that they are over. Therefore, the Commissioners proposed implementing a \$6,000.00 increase for the year to the elected officials and two judges. Employees will not receive a cost of living increase in 2008. Instead, they will receive an increase based on years of service. Those employees with 26 plus years of service will receive a 3 step or 9% increase. Those employees with 21 to 25 years of service will receive a 2 step or 6% increase. Those employees with 16-20 years of service will receive a 1 step or 3% increase. Those employees with 11 to 15 years of service will receive a ½ step or 1 ½ % increase.

Darrell Leamaster, Castle Valley Special Service District reviewed Resolution 12-04-07D. Darrell explained the Debt Service Fund, Capital Project Fund, Revenue and Expenditure Funds. He indicated that CVSSD also implements increases to their employee's salaries based on years of service.

Commissioner Drew Sitterud asked for comments or questions. There were none.

Commissioner Gary Kofford made a motion to come out of a public hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF AMENDMENTS TO FY 2007 BUDGETS FOR EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Jeff Horrocks made a motion to approve Resolution 12-04-07A amending the FY 2007 budgets for the Emery County General Fund, Special Revenue Funds, and Capital Project Funds. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

Commissioner Jeff Horrocks to approve Resolution 12-04-07B amending the FY 2007 budgets for Castle Valley Special Service District. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)****CONSIDERATION AND APPROVAL OF FY2008 BUDGETS FOR EMERY COUNTY GENERAL FUND, SPECIAL REVENUE FUNDS, CAPITAL PROJECT FUNDS AND FOR THE CASTLE VALLEY SPECIAL SERVICE DISTRICT.**

Commissioner Gary Kofford made a motion to approve Resolution 12-04-07C adopting the FY2008 budgets for the Emery County General Fund, Specials Revenue Funds and Capital Project fFunds. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to approve Resolution 12-04-07D adopting the FY2008 budgets for Castle Valley Special Service District. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)****CITIZEN CONCERNS**

None

October 21, 2008	9:00 a.m.
November 18, 2008	9:00 a.m.
December 2, 2008	9:00 a.m.
December 16, 2008	4:00 p.m.

Commissioner Jeff Horrocks made a motion to approve the 2008 Commission Meeting Schedule as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**

**CONSIDERATION AND APPROVAL OF MILEAGE RATE FOR 2008.**

Commissioner Jeff Horrocks made a motion to set the mileage reimbursement rate for 2008 at \$.48 per mile. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**

**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR SADIE SIMMONS.**

The Board of Commissioners received a written request on behalf of Sadie Simmons. Date of service was September 5, 2005. No attempt to make a payment has been made and no indication of hardship to pay the bill. Commissioner Gary Kofford made a motion to deny a request to write-off the ambulance service bill for Sadie Simmons. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(15)**

**CONSIDERATION AND APPROVAL OF COOPERATIVE AGREEMENT FOR UTAH STATE UNIVERSITY EXTENSION EDUCATIONAL WORK- 2008.**

COMMISSION MEETING MINUTES  
DECEMBER 4, 2007

A Cooperative Agreement between Utah State University Extension and Emery County for educational work FY2008 was presented. The agreement was in the amount of \$63,500.00. The agreement had been reviewed by Attorney David Blackwell. Commissioner Gary Kofford made a motion to approve of a Cooperative Agreement for Utah State University Extension Educational Work FY2008. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Approval of 3% increase for Jan Luke who has completed her 6 month orientation period.**

Jan Luke has completed her 6 month orientation period successfully and Sheriff Guymon is requesting she receive a 3% increase effective December 17, 2007. If approved she will move from Grade 11 @ \$10.42 plus .30 per hour matron fee to Grade 11 @ \$10.73 plus .30 per hour matron fee. Commissioner Gary Kofford made a motion to approve a 3% increase as per policy for Jan Luke as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. Approval to hire Jared Robinson as a full time Equipment/Driver Operator II with benefits.**

Morris Sorensen is requesting approval to hire Jared Robinson as a full time Equipment Driver/Operator II with benefits. If approved Jared's wage would be Grade 17 @ \$16.23 per hour. Commissioner Jeff Horrocks made a motion to approve hiring Jared Robinson as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**C. Approval to hire Russell Swasey as a full time Lube Mechanic with benefits.**

Morris Sorensen requested approval to hire Russell Swasey as a full time Lube Mechanic with benefits. If approved his wage would be Grade 16 @ \$15.31 per hour. He would also be entitled to insurance premium pay of \$579.87 per month because he and his wife will be employed by the county. Commissioner Gary Kofford made a motion to approve hiring Russell Swasey as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**D. Approval to hire Tina Carter as a part time Travel Bureau Secretary with pro-rated benefits.**

The Travel Bureau Board requested approval to hire Tina Carter as a part time secretary

COMMISSION MEETING MINUTES  
DECEMBER 4, 2007

working 32 hours per week with pro rated benefits. If approved her wage would be Grade 11 @ \$10.69 per hour. Commissioner Jeff Horrocks made a motion to approve hiring Tina Carter as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(17)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Gary Kofford made a motion to approve the minutes dated November 20, 2007 as corrected. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(18)

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that on Wednesday, December 5, 2007 at 10:00 am there will be a final inspection on Rilda Canyon Road. He reported on the progress of the Green River Senior Center Project. The contractors are putting up the block walls. The roof will be put on next week. On December 12, 2007 at 5:00 there will be a Senior Citizen Christmas Dinner at the Museum of the San Rafael. Elected officials and Department Heads have been asked to serve at the dinner.

*Commissioner Sitterud*

Commissioner Sitterud reported on the progress of the Swimming Pool Project. Things are going slowly due to the cold weather. The contractors will try to pour the footers and stem walls this week and hopefully tent the project and put up the brick walls. Colors for the lane dividers and flags have been picked. The Commissioners, and anyone else who would like to, meet every other Friday, on site, with the contractors.

Commissioner Sitterud reported on the 2008 Fair. The board has already hired some of the entertainment but is hoping to get local talent also. There have been several suggestions that the fair needs to be longer. The board has decided to add one additional day to the fair. The Castle Valley Pageant that is usually in conjunction with the fair has been cut back to every other year. This is a decision made by the Church of Jesus Christ of Latter-Day Saints. The equipment that the pageant uses has to come from the church and will be transported only every other year. Therefore, in 2008 we will have the pageant but after that the pageant will be every other year.

The County Christmas Party will be December 18, 2007. Christmas gift certificates were mailed out and need to be redeemed by December 25, 2007.

COMMISSION MEETING MINUTES  
DECEMBER 4, 2007

Commissioner Sitterud expressed concern regarding the Miss Emery Pageant. The county has had a difficult time persuading young women to try out for Miss Emery.

(19)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS AS ALLOWED BY LAW.**

An executive session was not needed.

(20)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**ATTEST:** \_\_\_\_\_ **COMMISSIONER:** \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

DECEMBER 18, 2007

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

The Warrant Check Edit List #187339 through and including #187467 was presented for consideration of payment. Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List and additional claims for payment. The motion was seconded by Commissioner Gary Kofford. The motion passed.

(2)

**DEB DULL, ROCKY MOUNTAIN POWER, QUARTERLY UPDATE.**

Deb Dull, Rocky Mountain Power introduced Darrell Cunningham, Hunter Plant Generation Manager and Gary Denhalter, Huntington Plant Generation Manager. Darrell Cunningham reported that the employees at Hunter Plant raised \$5,000.00 for Sub For Santa to provide Christmas for 55 children in Carbon and Emery Counties. He also explained a recent power outage in the Castle Dale and Orangeville area. There was a problem at a switch yard. They have hired a new engineer at the plant. The new engineer will be moving here with his family. The plant is moving into an employee retirement bubble that the company expects to slow things down for a while. Gary Denhalter reported that the employees at the Huntington Plan raised \$2,500 for Sub For Santa to provide Christmas for 8 families in Carbon and Emery Counties. The plant is on track to receive a gold safety award. The plant experience only two recordable accidents in 2007. New buildings are under construction at the plant. They are building a new warehouse, coal yard facility and meeting building. They hope to have the building completed by March 2008. As of January 2009 the company will have to begin reporting mercury levels emitted by the plant. Monitors have been installed and are collecting the data. The Carbon and Emery area has the lowest level of mercury nation wide. Deb Dull explained the reason for the recent request by Rocky Mountain Power for a rate increase.

(3)

**CONSIDERATION AND APPROVAL OF EASEMENT TO FERRON CITY FOR THE CONSTRUCTION, OPERATION, REMOVAL, REPLACEMENT AND**

**MAINTENANCE OF A SEWER COLLECTION SYSTEM AND APPURTENANT**

**WORKS UPON, ACROSS AND OVER THE LANDS ON PARCEL 1-112B-62.**

Commissioner Gary Kofford made a motion to approve an Easement to Ferron City for the construction, operation, removal, replacement and maintenance of a sewer collection system and appurtenant works upon, across and over the lands on parcel 1-112B-62 which is on the north west of Ferron. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(4)****RATIFICATIONS.**

Commissioner Drew Sitterud explained that two contacts were submitted at an earlier date to meet deadlines and now need to be ratified as follows:

**A. RATIFICATION OF LOCAL GOVERNMENT CONTRACT F-1612(7)0 BETWEEN EMERY COUNTY, UDOT AND JOHANSEN AND TUTTLE ENGINEERING FOR PRECONSTRUCTION ENGINEERING ON SOUTH MOORE CUTOFF ROAD- PHASE VII.**

Commissioner Gary Kofford made a motion to ratify the signing of local government contract F-1612 (7) 0 between Emery County, UDOT and Johansen and Tuttle Engineering for preconstruction engineering on South Moore Cut-Off Road Phase VII. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. RATIFICATION OF CONTRACT WITH STATE OF UTAH DEPARTMENT OF TECHNOLOGY SERVICES AND EMERY COUNTY FOR FUNDING REIMBURSEMENT FOR COLLECTION AND DELIVERY OF CORNER COORDINATES, AND/OR CONSTRUCTION OF DIGITAL PARCEL DATABASE.**

Commissioner Jeff Horrocks made a motion to ratify the signing of a contract with the State of Utah Department of Technology Services and Emery County for funding reimbursement for collection and delivery of corner coordinates, and/or construction of digital parcel database. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(5)****CONSIDERATION AND APPROVAL OF CHANGE ORDER 6 AND 7 FOR SWIMMING POOL.**

Commissioner Drew Sitterud explained the two change orders for the swimming pool project. Change order number 6 is for the water line to accommodate the fire line with a added cost of \$3,300.00. Change order number 7 is for two manhole rings and covers in the concrete deck over the surge tank with no added cost. Commissioner Gary Kofford made a motion to approve

COMMISSION MEETING MINUTES  
DECEMBER 18, 2007

change order 6 and 7 for the swimming pool project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following personnel action:

A. Approval to hire Ken Eley Jr as a full time dispatch.

Sheriff Guymon requested approval to hire Ken Eley Jr. as a full time dispatcher. If approved his wage would be at Grade 14 @ \$13.62 per hour. Commissioner Jeff Horrocks made a motion to approve hiring Ken Eley Jr. as a full time dispatcher as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Discussion and approval to adopt Utah Local Government Trust Workers Compensation renewal for FY2008.

Commissioner Gary Kofford made a motion to adopt Utah Local Government Trust Workers Compensation renewal for 2008. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

C. Approval to start recruitment for a full time Planning and Zoning Technician.

Commissioner Jeff Horrocks made a motion to approve starting the recruitment process for a full time Planning and Zoning and Public Lands Secretary at Grade 13 @\$11.34 per hour. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

D. Discussion regarding office coverage for Building/Planning.

Commissioner Gary Kofford discussed the need to have the Planning Zoning office covered in the interim of getting a new secretary. Tina Carter, Emery County Travel Bureau is in the office next to Planning and Zoning and is part time, 32 hrs. a week. Commissioner Kofford suggested adding 8 hours to Tina's week and have her cover the office needs on a temporary basis until we can get a Planning and Zoning secretary hired. He indicated that Michael McCandless spoke with Tina about this and she was in agreement with this arrangement on a temporary basis only. After we get a secretary in place Tina will go back to 32 hours a week. Commissioner Gary Kofford made a motion to allow Tina Carter to work up to 40 hours on a temporary basis to fill in at Planning and Zoning until a secretary is hired. After a secretary is hired Tina will return to her 32 hr. week. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**APPROVAL OF COMMISSION MEETING MINUTES**

COMMISSION MEETING MINUTES  
DECEMBER 18, 2007

Commissioner Jeff Horrocks made a motion to approve Commission Meeting minutes dated December 4, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)**

**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford reported that the Nursing Home sold a 2003 Bus to the Senior Citizen's for \$10,000.00 to be used for the Senior Citizen program in Green River.

He also reported on the status of the Moore Cut-off Road project phase 7. The notice of award was issued to Nielson Construction for phase 5 and 6 which will be the asphalt for phases 1,2 3 and 4. The asphalt should be completed by October 15, 2008

*Commissioner Horrocks*

Commissioner Horrocks reported on the Senior Citizen Christmas dinner held on the 12<sup>th</sup>. There was a good program and the elected officials and department heads served the dinner to the seniors.

He recently attended a regional Workforce Services meeting in Moab where they discussed the closing of a copper mine in the area and the local impact of losing approximately 86 jobs. WFS is dealing with an aging workforce and sees a need for training of a young workforce to step up to the task.

*Commissioner Sitterud*

Commissioner Sitterud reported that the new CIB trimester is in force. They have been flooded with request of over \$60,000,000.00 but they only have \$28,000,000.00 to spend.

On the 11<sup>th</sup> he met with the BLM RAC where they discussed the coal mine disaster in Huntington and recoverable mineral sales in Utah.

Regarding the Wildlife RAC they discussed in their recent meeting the introduction of the river otter in Straight Canyon.

RS2477 is moving along slowly.

**(9)**

**JOHN BLAKE, SITLA, PRESENTATION OF INFORMATION REGARDING  
COMPETITIVE COAL LEASE SALE OF THE COTTONWOOD COAL TRACT.**

COMMISSION MEETING MINUTES  
DECEMBER 18, 2007

John Blake, SITLA presented information regarding competitive coal lease sale of the Cottonwood Coal Tract. This tract is north east of Joe's Valley Reservoir and is approximately 8,600 acres with possibly 48.5 million tons of coal. SITLA is interested in offering this tract for coal lease sale. The bid process will close on December 28, 2007 and open the bids on December 31, 2007. Commissioner Gary Kofford made a motion for the Emery County Commission to go on record in support of the action being taken by SITLA with regards to competitive coal lease sale of the Cottonwood Coal Tract. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to leave the regular Commission Meeting and move into an executive session and upon completion to the executive session to return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

A. Decision regarding possible employee settlement.

Upon returning to the regular meeting Commissioner Gary Kofford made a motion to approve an agreement as discussed in executive session. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(11)**

**ADJOURNMENT.**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**DISCUSSION/PRESENTATION OF INFORMATION FOR DIGITAL TV  
CONVERSION IN EMERY COUNTY.**

Commissioner Sitterud explained that the conversion from analog reception to digital reception has been a three year process. The analog signal will be turned off as of February of 2009. Emery County is well above the rest of the state as far as being prepared for this event to happen. Bret Mills, Communications has Emery County ready for the switch over. Commissioner Sitterud turned the time over to Bret Mills to allow him to explain the change over and how it will affect citizens in Emery County. Bret began by explaining that the Digital Television Transition and Public Safety Act of 2005 requires TV stations to stop broadcasting in analog and to broadcast only in digital after February 17, 2009. The digital transition will provide a better viewing experience for consumers and help emergency responders protect your community. The Act created the TV Converter Box Coupon Program for households wishing to use their analog TVs after the transition. The Federal government is offering US households up to two \$40.00 coupons to help pay for the cost of a certified converter box. TV's connected to cable, satellite, or other pay services do not need a converter box to receive programs after February 17, 2009. The new certified converter box will be available beginning in March of this year and is expected to cost between \$50.00 and \$70.00. You can register for the coupons by phone at 1-888-DTV-2009 (1-888-388-2009), or by mail at PO Box 2000 Portland, OR 97208, by Fax at 1-877-DTV-4ME2 or on line at [www.DTV2009.gov](http://www.DTV2009.gov). The coupons expire 90 days after they are mailed and requests must be received by March 31, 2009. Bret further explained that Emery County has been on the air with digital for a year now. EC has gone through all the federal regulation hoops. Emery county has a local channel, Channel 26. This channel will still be available after the change over. He explained that is important for Emery County to retain the local frequency channel because of the complexity and limited number of frequencies available for purchase.

a group of Eastern Utah counties received a grant to update the systems. The taxpayers of these counties have not had to fund much at all. Any cost has come from keeping the analog system working until we could switch over to the digital system. He also explained that the best antenna to use is a flat screen antenna which can be purchased for around \$48.00. Set top antennas do not work well. He stated that if you have a good picture coming in now, you will be ok. James Davis asked Bret if he had any idea how many people in the county are still on analog. Bret estimated that approximately 70 % of the citizens in Emery County are still on analog. Many of these people are on fixed incomes and cannot afford to purchase cable or satellite. The coupon program is meant to help these people.

(4)  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Brenda Dugmore, Clerk/Auditor presented the Warrant Check Edit List #18818 through and including #187894 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
1-08	Canon copier 5070 Courthouse	\$7,496.00	Approved

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List and requisition. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)  
**DISCUSSION/APPROVAL OF COUNTY'S REQUEST TO RELOCATE POWER LINES ALONG ROAD #801.**

Emery County is preparing to widen County Road #801 from east of Moore and Highway 10. This road improvement project will require the relocation of power poles which are inside the road right-of-way. The time frame of the project is to have it under construction contract by May or June of 2008. In order for Rocky Mountain Power to consider relocating the power lines the Board of Commissioners need to discuss the matter in an open meeting and make a formal request in writing. Commissioner Gary Kofford made a motion to send a letter to Rocky Mountain Power formally requested them to relocate the power poles. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)  
**CONSIDERATION AND APPROVAL OF MOA BETWEEN EMERY COUNTY AND ROBERT K. WEIDNER.**

Commissioner Jeff Horrocks made a motion to approve an MOA between Emery County and Robert K. Weidner in the amount of \$15,000.00 as a lobbyist in Washington, D.C. for Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

4

COMMISSION MEETING MINUTES  
JANUARY 8, 2008

(7)

**DISCUSSION OF LETTER OF SUPPORT FOR SOUTHEASTERN UTAH REGIONAL MENTORING GRANT.**

Grand County is working on a grant to have adult volunteers in the schools to help kids in need. The volunteers would be in Emery, Carbon Wayne and Grand Counties. The positions would be funded for three years. Grand County is asking for a letter of support from Emery County for the grant request. Grand and Carbon County have already submitted a letter of support. Commissioner Gary Kofford made a motion to write a letter of support for the Southeastern Utah Regional Mentoring Grant. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(8)

**CONSIDERATION AND APPROVAL OF HOMELAND SECURITY GRANT PROGRAM**

Commissioner Gary Kofford made a motion to approve the Homeland Security Grant Program. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**CITIZEN CONCERNS**

Phil Fauver asked if the county has a noxious weed eradication plan in place for the Salt Cedar and Russian Olive. Commissioner Horrocks told Mr. Fauver that the county does have plans for the noxious weeds and he can contact James Nielsen, Weed and Mosquito Department if he has any questions or concerns.

(10)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

**A. Approval of 3% increase for Jimmy Blackburn who has completed orientation period.**

Morris Sorensen requested a 3% increase for Jimmy Blackburn who has completed his 6 month orientation period successfully. If approved Jimmy would move from Grade 17 @ \$16.23 per hour to \$16.72 per hour which puts him at the new suggested minimum. Commissioner Gary Kofford made a motion to approve a 3% increase for Jimmy Blackburn as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. Consideration and approval of UCIP's "Third" Amended Interlocal Cooperation Agreement.**

Mary indicated that Attorney David Blackwell has reviewed the document and recommended the Commissioners approve the Third Amended Interlocal Cooperation Agreement with UCIP. The amendment changes the Board of Trustees terms from two years to four years. Commissioner Gary Kofford made a motion to approve the Third Amended Interlocal Cooperation Agreement with UCIP. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion approve the minutes dated December 18, 2007 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported that the Fire Protection Special Service District is in the process of purchasing five new trucks to replace trucks that are not passing inspections or are just too old for service any longer.

The Sub for Santa program went very well. He thanked those who helped.

*Commissioner Sitterud*

Commissioner Sitterud reported on the county's Employee Christmas Party and thanked those who helped.

Commissioner Sitterud attended a Forest Service meeting recently where they discussed a proposal by the FS to gate the road to Horn Mountain from November to April. The FS is looking for input on the proposal.

Regarding CIB funds Commissioner Sitterud reported that they are short on funds for this trimester. The CIB had to turn down projects or turn grant requests into 0% loans. Due to the Energy Bill, Utah lost 2% in mineral lease funds. This will cut the amount Emery County

6

COMMISSION MEETING MINUTES  
JANUARY 8, 2008

receives in mineral lease funds distributed to the Special Service Districts.

(13)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An Executive session was not needed today.

(14)

**ADJOURNMENT**

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

JANUARY 22, 2008

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS, AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 188024 through and including #188164 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
02-08	(5) Tasers w/holsters Sheriff	\$ 4,049.70	Approved
03-08	10 hp Tecumseh motor Weed/Mosquito	569.99	Approved
04-08	(20) Computers (6) Laptop Computers (3) Printers - Capital Replacements	\$31,159.98	Approved

There were no dispositions

Commissioner Gary Kofford made a motion to approved the Warrant Check Edit List and additional claims and requisitions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(2)**  
**APPOINTMENT OF FIVE MEMBERS TO THE EMERY COUNTY PUBLIC LANDS COUNCIL.**

Commissioner Sitterud read the names of the nine applicants for consideration of appointment to the Emery County Public Lands Council as follows: Priscilla Burton, Bruce Wilson, Sherrel

COMMISSION MEETING MINUTES  
JANUARY 22, 2008

Ward, Jerry Jones, Vernell Rowley, Leland Sasser, Charles Semborski, Phil Fauver, Monroe Magnuson. Four of the five members that need to be appointed will be for two year terms. One member will be for one year only to replace a member who has resigned. Commissioner Gary Kofford made a motion to appoint Priscilla Burton, Bruce Wilson, Sherrel Ward, Vernell Rowley as two year members and Charles Semborski as a one year member to the Emery County Public Lands Council. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF AMENDED CONTRACT WITH PERMANENT COMMUNITY IMPACT FUND BOARD FOR SWIMMING POOL FUNDING.**

Commissioner Sitterud discussed an amendment to the contract with PCIFB for the swimming pool project. He explained the PCIFB gave the county a 0% interest 5 million dollar loan for the swimming pool project. When the bids for the project came in they were more than was originally projected. So the county went back to PCIFB in hopes of getting more funding to complete the project. The PCIFB has provided a 1 million dollar grant for the project. When the paperwork came in for the grant it was put in the county's name. Commissioner Sitterud was concerned that having the grant in the county's name could compromise the PILT funds that the county receives. He wanted to have the grant come through the Recreation Special Service District and have the paperwork re-written with the grant in their name. Commissioner Jeff Horrocks made a motion to accept the grant for 1 million dollars from PCIFB pursuant to having the name corrected or an assurance that receiving this grant in the county's name will in no way affect the county's PILT funds. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF CHANGE ORDER #8 FOR SWIMMING POOL REBAR.**

Commissioner Sitterud explained that at the time of the bid for the swimming pool the pool rebar was not designed. An allowance of \$10,000.00 was carried for the rebar. When the pool manufacturer designed the rebar, the cost came in at \$8,650.00. This is a -\$1,350.00 savings on the project. Commissioner Jeff Horrocks made a motion to accept change order #8 for the swimming pool project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**SETTING OF DATE FOR COUNTY AUCTION.**

Commissioner Sitterud explained that sometime ago the Commission had decided to do away with the old Sheriff's building. Several people have approached the Commissioners to retrieve the bricks, cabinets, light fixtures and other items from the building before it was demolished. In talking with a local auctioneer, Randy Anderson he indicated that the building could be auctioned off in different blocks or sections. There should also be other surplus property such as vehicles, electronics and furniture that will need to be auctioned off. Commissioner Sitterud indicated that a good time to hold an auction would be in the spring, early April. He suggested April 5 or 12. Commissioner Jeff Horrocks made a motion to set the time and date for a county auction for Saturday, April 5, 2008 at 10:00 am at the old sheriff's building. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(6)****APPROVAL OF FEDERAL ANNUAL ASSET SHARING REPORT.**

Sheriff Guymon explained that the Federal Annual Asset Sharing Report must be filed with the federal government each year so that the county can get a share of assets forfeited in the course of a crime committed in Emery County. It will also aide in receiving federal grants. Commissioner Gary Kofford made a motion to approve the Federal Annual Asset Sharing Report. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(7)****CONSIDERATION AND APPROVAL OF 2008 WILDLAND FIRE BUDGET.**

Commissioner Kofford explained that the Wildland Fire Budget needs to be approved in a regular Commission Meeting. The budget reflects the Utah Division of Forestry, Fire & State Land's requested amount of \$26,928.97 and the county's approved budget amount of \$23,500.00. Commissioner Gary Kofford made a motion to set the budget for Wildland Fire at \$23,500.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)****DISCUSSION OF AMENDMENTS TO RESOLUTION NO. 07-17-07.**

Commissioner Sitterud reported on SITLA exchange lands around and about Huntington Canyon. This is a result of the SITLA land exchange during the creation of the Grand Staircase Escalante Monument. None of the current Commissioners were on the board when this

COMMISSION MEETING MINUTES  
JANUARY 22, 2008

occurred. At that time Governor Leavitt met here in Emery County and promised that Emery County would be held harmless if we took the land. At that time the county was receiving 40 % mineral lease money. When SITLA took back the land they let Emery County keep the 40%. The legislature decided that Emery County and several other counties were getting too much from the mineral lease money and began to dip into the money. They created the Constitution Defense Fund and the Electronic Fund. So, essentially Carbon and Emery County paid these funds for the rest of the state of Utah. There was a cap on the fund. One was capped at 3 million dollars and the other was at 1 million dollars. As they were spent down they kicked back out of the county's money. We figured were getting only getting 15 % of the money. This hit Uintah County a little bit also. So, Carbon, Emery and Uintah went back to the legislature and explained what had happened. Last year a bill, HB 134, was ran through the legislature that was supposed to redirect the money back to the county to eliminate the legislative finger dipping into the money. That worked good for a while. Then a senator out of northern Utah placed a 3 million dollar cap on the fund. Most of that money which should come to the county is sitting there and we cannot get to it. This is money that would be going the SSD's in the county. The districts have taken a big hit. When we set the budget we did not know what percentages to allocate to the districts. We kept them where they were at but we came up short. We have the Recreation District that is running short on money. They more than likely will not have enough money to pay next months bills. The other districts, SSD#1 and Castle Valley are also feeling the crunch. We need to start the process to help the districts out. He asked Attorney Blackwell to look into what the county can do to help the districts out. He was under assumption that if the districts come up short the county is responsible to help them. There is movement in the legislature to recapture this money for us. We have learned over the years that every time we open the mineral lease money someone else wants a piece of it. Mr. Payner from Nephi thinks he can uncap this money by doing it in committee and never have to bring it to the legislative floor. We will see what happens with that. Until then, we need to see what we can do to help out the districts. We may have to set a budget hearing to find money to help out these districts. Commissioner Horrocks said he understood that as a county we have to make the districts whole. Commissioner Kofford expressed his concern that the districts who rely on the mineral lease funds to function need to be aware that the funds are going down more and more every year and they need to plan accordingly. We lost some funds when Crandal Canyon mine shut down and hope that Lila Canyon gets going soon to help take up the slack. Commissioner Sitterud said we will probably have to look at the percentages given to the districts in the next meeting.

**(9)**

**CITIZEN CONCERNS**

Bill Dellos asked if there had been any progress regarding the issue of 2 acres vs 20 acres. Commissioner Kofford indicated that they will be setting a public hearing for this issue during

COMMISSION MEETING MINUTES  
JANUARY 22, 2008

the next Commission Meeting.

(10)

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION**

**A. Approval to begin the process of recruitment for dispatch at Sheriff's Office.**

Sheriff Guymon requested approval to start the recruitment process for a full time dispatch with benefits. If approved the successful applicant would begin at a Grade 14, \$13.62 per hour. Commissioner Jeff Horrocks made a motion to give approval to begin the recruitment process for a full time dispatch as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**B. Approval to hire Tammy Tucker as Public Lands/Planning Zoning Technician.**

Mike McCandless requested approval to hire Tammy Tucker as the full time Planning/Zoning/Public Lands Technician with benefits. If approved she would be at Grade 13, \$12.45 per hour. Commissioner Gary Kofford made a motion to approve hiring Tammy Tucker as full time Public Lands/Planning/Zoning Technician as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(11)

**APPROVAL OF COMMISSION MEETING MINUTES.**

Commissioner Jeff Horrocks made a motion to approve the minutes dated December 8, 2008 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(12)

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks recently attended a meeting in Green River with the Green River Canal Company regarding the diversion dam. They are currently conducting a feasibility study as to whether to replace or repair the dam.

Commissioner Horrocks received a request from the Division of Workforce Services regarding continued support and sponsorship of the Sub for Santa Program for 2008.

COMMISSION MEETING MINUTES  
JANUARY 22, 2008

*Commissioner Kofford*

Commissioner Kofford reported on the progress of the South Moore Cut-Off Road Project. Commissioner Kofford met Wednesday with the Forest Service regarding ROW for asphaltting from the state road to Reeder Subdivision in Joe's Valley. He reported that the Lila Canyon Project is still moving along. They are working on a contract for how to fund the road construction needed to access the mine. The time frame for design of the road is July 2008 and go to bid for the project in the fall. Utah American Energy is intent on making things happen.

Commissioner Kofford discussed park access. The legislature did away with park access funding a year ago. Talks are in the works to get park access funding reinstated. He talked about Goblin Valley and Temple Mountain and the fact that there may not be enough funding to complete the last half mile of the project.

Commissioner Kofford reported that the Senior Citizen Center in Green River is moving along. The outside work has been held up by the cold weather.

*Commissioner Sitterud*

Commissioner Sitterud talked about the Natural Resources Committee and RS2477. He talked about the Heber Valley law suit regarding RS2477 ROW that will soon be going to the Supreme Court.

Commissioner Sitterud reported on BLM RAC meeting. He reported that the Cleveland-Lloyd Dinosaur Quarry is looking at increasing it's entrance fees.

Commissioner Sitterud discussed a new board being formed. It is a communications board made up of the counties that are in the Television Group made up from communications professionals from Emery, Carbon, Uintah, Sevier, to upgrade the digital television system. Grand County opted out of being a part of the Television Group. So, to allow Grand County to be a part of the Communications Board the County may need to amend the Resolution to create the Television Board to allow Grand County to join the Communications board only.

Commissioner Sitterud reported on the swimming pool project. The contractors are tenting today and hope to be able to begin laying brick for the center wall. They will continue to work through the winter.

**(13)**

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

7

COMMISSION MEETING MINUTES  
JANUARY 22, 2008

An executive session was not needed.

**(14)**

**ADJOURNMENT**

Commissioner Jeff Horrocks made a motion to adjourn the meeting. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

FEBRUARY 19, 2008

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List and additional claims #188532 through and including #188705 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
8-08	2005 Steel Drum Roller <b>Highway</b>	<b>\$70,000.00</b>	Approved
9-08	(7) Kenwood Repeater/Basestation (3) Interface Controller 4 port (4) Interface Controller 12 port (6) TX Duplexers/filters (6) RX Duplexers/filters <b>Communications- Total</b>	60,326.00 2,999.85 6,999.80 7,037.24 8,763.24 <b>\$86,126.35</b>	Approved
10-08	(8) Base Station- VHF Antenna (1) Base Station- UHF Antenna <b>Communications-Total</b>	4,470.72 460.36 <b>\$4,931.08</b>	Approved
11-08	Portable Handheld Industrial Sewing Machine <b>Sheriff</b>	<b>\$875.00</b>	Approved
12-08	Projector, Sony SVGA <b>Citizen Corps-Sheriff</b>	<b>\$871.93</b>	Approved

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

One disposition was presented for #160-8394 a microwave from the downstairs break-room that no longer works.

Commissioner Jeff Horrocks made a motion to approve the Warrant Check Edit List, Requisitions and Dispositions as presented. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(2)

**CONSIDERATION AND APPROVAL OF RESOLUTION NO. 02-19-08 CONFIRMING THE SALE AND AUTHORIZING THE ISSUANCE OF \$1,500,000.00 TAXABLE GENERAL OBLIGATION PUBLIC PURPOSE BONDS, SERIES 2008A OF CASTLE VALLEY SPECIAL SERVICE DISTRICT, PROVIDING FOR THE LEVY OF TAXES TO PAY PRINCIPAL OF AND ANY INTEREST ON SAID BONDS; PROVIDING FOR THE USE OF THE PROCEEDS THEREOF; MAKING CERTAIN FINDING AND COVENANTS IN CONNECTION THEREWITH; PROVIDING FOR A SYSTEM OF REGISTRATION THEREFOR; RATIFYING ACTIONS HERETOFORE TAKEN; AND PROVIDING FOR RELATED MATTERS.**

Darrell Leamaster, Castle Valley Special Service District and Alex Buxton, Zions Public Finance presented and reviewed Resolution 02-19-08. Darrell Leamaster explained that this bond is part of the twelve million dollar voter authorized bond issue. The bond is for \$1,500,000.00 to be paired with a CIB 0% interest loan of \$1,545,215.00 to total \$3,054,215.00. The funds will be used for street work such as curb and gutter and drainage projects in the county for 2008. CVSSD is a dependent district and as such Emery County as controller of the District is the only one authorized to issue a bond. Alex Buxton explained the particulars of the bond issue. He told the Commissioners that the Resolution presented today needs to be adopted by the Board of Emery County Commissioners, after-which there will be a thirty day protest period. The bond issue will then close on March 26, 2008 at the office of Chapman and Cutler in Salt Lake City. He added that having Commissioner Sitterud sitting on the board of the Community Impact Board has been a great help to the county in getting these types of loans for the districts and other agencies in the county. He also added that Darrell Leamaster has been going before the CIB board for so many years that he gets many complements on his presentations from the CIB board. Darrell has been able to close to double the voter authorized funds. After this bond issue CVSSD will have two million left of the voter authorized bond issue.

Commissioner Gary Kofford made a motion to approve Resolution 02-19-08 confirming the sale and authorizing the issuance of \$1,500,000.00 taxable general obligation public purpose bonds, Series 2008A of Castle Valley Special Service District as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**RICK LARSEN- DWR- PRESENTATION OF PILT PAYMENT AND QUARTERLY UPDATE.**

Rick Larsen- Supervisor Division of Wildlife Resources- Eastern Region, presented the Board of Commissioners with a check for \$2,751.30. The check was for payment in lieu of taxes which is generated by sportsmen and women who pay fees to hunt and fish in Emery County. Mr. Larsen also provided an update on recent DWR activity.

Commissioner Gary Kofford made a motion to move out the regular Commission Meeting and move into a public hearing. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**10:00 AM- PUBLIC HEARING- FOUR CORNERS MENTAL HEALTH-JAN BODILY- TO RECEIVE PUBLIC COMMENT ON MENTAL HEALTH AND SUBSTANCE ABUSE NEEDS FOR EMERY COUNTY.**

Commissioner Gary Kofford opened the public hearing by stating that the purpose of the public hearing was invite Medicaid enrollees and other community members to provide input on planning for services and involving families and clients in decision making. Medicaid enrollees are especially encouraged to give feed back on the Medicaid Member Handbook, patient rights and awareness of how to access emergency services and transportation, on choice of therapist and on filing grievances and appeals. Emery County Commissioners, as a board, is responsible for mental health in the county and as such is holding this public hearing in conjunction with FCCBMH. Commissioner Kofford introduced Jan Bodily, Executive Director of FCCBMH. He welcomed Glen Johnson from Green River who is chairman of the FCCBMH board. Ms. Bodily introduced Jim Johnson, Administrator of FCCBMH and Jennifer Thomas, Director of the Castle Dale clinic. Ms. Thomas had the staff of the Castle Dale clinic, who were in attendance, stand and introduce themselves and state their title as follows:

Jennifer Thomas, Emery County Office Director  
Lance Wright, Substance abuse counselor  
Melissa Huntington, Mental Health and Substance Abuse Therapist  
Tiffany Bloomer, Mental Health Therapist  
Lorie Huntington, Prevention Specialist  
Heidi Lemmon, Prevention Specialist  
Janice Winn, Secretary.

Commissioner Sitterud asked for comments and questions from the public.

John Pretiger, Castle Dale stated that he recently lost his wife to a mental health problem. He believes the State of Utah could go a long way to improve in the coverage of mental health. It seems that physical health takes priority over mental health. Just look at all the shootings. So

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

many of these people suffer from mental health. He would like to see more support from the state, especially with Medicaid and other organizations, in helping people with mental health, especially for those who cannot afford to receive counseling and medication.

Sheriff Guymon thanked Jennifer and her staff for all that they do for his department. They support the Drug Court very well. The problem he sees is having to contact Jennifer for after hours care. It becomes agitating to have to contact Jennifer to get things done right after hours. He stated he felt that he should not have to make fifteen phone calls, outside of Emery County, to get someone in Price to tell them that there is nothing they can do. That is constantly what happens. When we get Jennifer on the job, then the problem gets taken care of, even if she has to come out on her own time and take care of the situation. The counselors who work in Drug Court do a very good job and he appreciates them very much. The problem his department has is not having being capable of having the facilities to deal with mental health issues. They are continually picking up intoxicated, mental health patients that no one wants to deal with until they are sober. We need to figure out a better system that deals with the issue when they get sober so that we can get them out of our facility. Sometimes keeping them in the system does the patient more harm than good for the problem that they have. It is a medical issue that creates mental problems that nobody wants to deal with. His department sees an over abundance of mental health issues off of I-70. These are not our local citizens. Our local citizens who have mental challenges, that we deal with on an ongoing basis, we know how to handle and meet their mental health needs. He reiterated that his department would like see FCCBMH look at dealing with after hours calls.

Commissioner Kofford commented that Glen Johnson, Green River has, for two terms, been the Chairman of the Board of FCCBMH and represents Emery County along with Kent Wilson and Lou Sansevero. The board is nearing completion on a review process where they have questioned employees of FCCBMH and a couple of judges and the sheriff on various aspects of what needs to be improved upon in Emery County with regard to mental health issues. There used to be money garnered from Medicaid for the private sector. As this money was put together it allowed FCCBMH to treat patients in the private sector who did not have access to any insurance of any kind. This went away through some federal regulations about three years ago. Four Corners has been adjusting to this. For this reason there are a lot of holes out there that people do not fit into. It is hard to get them the treatment that they need. He indicated that if we had our wish we would ask for more help with people in jail. The jail has no resources for counseling. If we could get help for these people it would be beneficial. We need to work more with people who do not have insurance. Jennifer and her staff are in the process of putting a plan together which will come before this board and go to the state. Jennifer is in her second year and is moving toward these goals. He expressed his appreciation to Jennifer and her staff for what FCCBMH does for Emery County.

Josie Luke encouraged FCCBMH to continue to work with peer helpers and maybe broaden the work in the area of educating youth on mental health. Josie stated that she went to school in psychology and is well aware of the issues concerning the public's perception and

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

misunderstanding of mental health. Working with the press is a good way to get out information and educational materials to the public to help educate the public on the issue of mental health.

Glen Johnson commented that FCCBMH would struggle without the support of Emery County. He commented on the disasters that have happened in the news lately and the fact that each time one of these things happen we are educated. He commended Jennifer and her staff who worked closely with the Sheriff during the Crandall Canyon Mine disaster. We as citizens do not understand mental health. He knows that Jennifer and her staff are very dedicated and does have the welfare of mental health of Emery County citizens at heart. He sees a challenge we face is the way the doctors and nurses at Castle View Hospital handle mental health and especially overdose cases. We need to educate the doctors and emergency people to handle this better. Jennifer has put this issue on the top of her list.

John Pretiger thanked Jennifer and her staff at FCCBMH for their continuing help to him after the loss of his wife and encouraged them to work with the public on mental health issues.

Jay Marshall, Carbon County commented that he has a son who is mentally ill. He is bi-polar. If it wasn't for FCCBMH, he is sure that he would be jail or in prison at this time. The prison system is full of people who are not criminals, but are mentally ill. This is no place for them. He stated that he appreciates what FCCBMH has done for his family and his son.

Motion to close the public hearing and return to the regular Commission Meeting was made by Commissioner Gary Kofford, Seconded by Commissioner Jeff Horrocks and approved by all members present.

**(5)**

**CONSIDERATION AND APPROVAL OF CHANGE ORDERS ON THE SWIMMING POOL COMPLEX.**

Commissioner Sitterud presented the following change orders for the swimming pool complex project:

- A. COR#02r- Delete Tectum Support Angle -\$1,324.00
- B. COR#09- Unload Joists, Dig Lines + \$ 392.00
- C. COR#11- Add Landscaping - \$ 182.00
- D. COR#12- Change Style of Fence +\$31,053.00
- E. COR#13- Heat for Concrete \$20,000.00 was allowed for this purpose and was exchanged from the masonry \$16,775.00 and wall \$3,225.00 allowance to leave a zero balance.

Commissioner Gary Kofford made a motion to approve the change orders for the swimming pool complex project as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**REQUEST EMERY COUNTY ACT ON BEHALF OF THE FAMILIES OF THE MINERS WHO WERE KILLED AT CRANDALL CANYON TO ACQUIRE A MEMORIAL SITE FROM THE FOREST SERVICE AND GENVAL RESOURCES.**

Commissioner Sitterud read a letter from Sheila Phillips and Nelda Erickson representing the families of the six miners who were killed in the Crandall Canyon Mine tragedy. The letter stated as follows: ‘ As you know, our loved ones are permanently buried in the mountain and will never be recovered. We are now attempting to find some closure to our loss by constructing a final memorial. We have selected a site just above the Crandall Canyon minesite in a undisturbed forested area that we feel would be suitable. It is as close to where our loved ones are entombed as we can get, and it provides a relatively peaceful setting for the headstones. We are requesting that Emery County act on our behalf to acquire the site from the Forest Service and from Genval Resources so that it may remain a protected sanctuary in perpetuity. We envision a memorial site with the six headstones facing toward the mountain in which they are now buried. A trail would lead from the Crandall Canyon mineyard to the memorial. We also request a small separate area for parking, isolated from the mine equipment. We would also ask the County to consider working with the Forest Service to take over the Crandall Canyon road in the future so that when the mine is reclaimed there will still be suitable access to the memorial for the families.’

The Board of Commissioners have met with the representatives and visited the proposed site. Dave Shaver, Utah American Energy, Inc. stated that UAE fully supports any action towards this request. Sheriff Guymon stated that he has visited the site with Sheila Phillips and felt that is a perfect site for the memorial.

Commissioner Jeff Horrocks made a motion to assist the families of the six miners who were killed in the Crandall Canyon Mine tragedy and move along the application process to acquire the land in Emery County’s name which is needed for the memorial. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF LEASE BETWEEN STATE OF UTAH AND EMERY COUNTY TO UPGRADE EXISTING WIRELESS VOICE AND DATA COMMUNICATIONS/LEASE.**

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

The contract was not ready for consideration at this time. Therefore, Commissioner Gary Kofford made a motion to table any action on this matter for now to allow time to review the contract. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**  
**CONSIDERATION AND APPROVAL OF AMBULANCE WRITE-OFF FOR BRANDY PERSSON.**

The Board of Commissioners received a letter from Brandy Persson requesting an ambulance write-off. Brandy was involved in an automobile accident on March 9, 2007. Her total ambulance bill was \$1571.53. Her insurance has paid \$1,333.00. Brandy has paid \$100.00 and requested that due to the many financial burdens that accompanied this accident that the remaining \$138.53 be forgiven. Commissioner Jeff Horrocks made a motion to waive the remaining balance of \$138.53 of Brandy Persson's ambulance bill as requested. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(9)**  
**CONSIDERATION AND APPROVAL OF EASEMENT NO. 1303- OFF-HIGHWAY VEHICLE TRAIL EASEMENT.**

Public Lands Director, Ray Petersen recommended that the Commissioners not sign the easement at this time. He cited several problems with the easement document and asked for time to work out some changes with SITLA. Commissioner Gary Kofford made a motion to table any action on the easement to allow time for Ray Petersen to work with SITLA on changes to the document. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)**  
**CITIZEN CONCERNS**

None

**(11)**  
**SETTING OF PUBLIC HEARING DATE TO RECEIVE PUBLIC COMMENT ON ZONING ORDINANCE PROPOSED AMENDMENTS.**

Commissioner Gary Kofford explained that the county is in the process of updating the zoning

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

ordinance. The Emery County Planning Commission anticipates having sections of the proposed zoning ordinance ready for public comment and requested a public hearing be set to receive public comment on Sections 7, 9 and 13 of the Emery County Zoning Ordinance. Therefore, Commissioner Gary Kofford made a motion to set a public hearing to receive public comment on proposed sections 7, 9 and 13 of the Emery County Zoning Ordinance for March 18, 2008 at 10:00 am. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(12)

**CONSIDERATION AND APPROVAL OF INTERAGENCY AGREEMENT BETWEEN EMERY COUNTY AND DEPARTMENT OF WORKFORCE SERVICES FOR DWS CUSTOMER TELEPHONE SURVEY JANUARY 2008.**

Economic Development Director, Michael McCandless explained that the agreement between DWFS and Emery County is for an additional customer telephone survey and is the same agreement as in the past. Commissioner Jeff Horrocks made a motion to approve an agreement between Emery County and DWFS for customer telephone survey January 2008. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(13)

**CONSIDERATION AND APPROVAL OF CELL PHONE REIMBURSEMENT FOR W/M EMPLOYEES.**

Clerk/Auditor Brenda Dugmore presented a request from Weed/Mosquito for cell phone reimbursement for Les Reece and Gerry Hatch. Commissioner Gary Kofford made a motion to approve cell phone stipends for Gerry Hatch and Les Reece for the use of their personal cell phones during working hours. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(14)

**CONSIDERATION AND APPROVAL OF AGREEMENT BETWEEN EMERY COUNTY, ECSSD#1 AND UTAH AMERICAN ENERGY, INC FOR COUNTY ROAD 126 RECONSTRUCTION AND REALIGNMENT.**

Commissioner Kofford explained that the agreement between Emery County, ECSSD#1 and UAE, Inc. is for the reconstruction and realignment of county road #126. County Road #126 is an existing public road in Emery County known as Lila Canyon Road which runs from State Route 6 in a northeasterly direction approximately 2.63 miles to a presently existing corral designated as Emery County Road 126 and joins the Class D road which extends therefrom to Emery County Road 125. UEI, INC requires extensive use of County Road 126 and therefore, said road must be improved for the health, safety and welfare of the citizens of the county, as well as others who may have occasion to use the road. Emery County Special Service District

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

#1, acting as agent for Emery County and the Emery County Road Department, assists the County in obtaining rights of way, easements or permits associated with Emery County roads. The District will be responsible for the reconstruction and realignment of Emery County Road #126 in accordance with the scope of work as follows:

(a) The reconstruction and/or reconfiguration of the intersection of the ECR #126 turnoff from SR 6/191 to Lila Canyon Road in accordance with all requirements set forth by UDOT.

(b) The reconstruction, realignment, widening and surfacing of the ECR #126 and Class D road extending to the Lila Canyon Mine surface facilities, in accordance with appropriate AASHTO standards.

(c) The scope of work will proceed in the design and construction phases as follows:

Phase 1: Design Engineering and the preparation of contract drawings and specifications. The design of the intersection of CR #126 and SR6/191 will be approved by UDOT prior to obtaining an encroachment permit.

Phase 2: Construction Engineering and construction of the CR #126, along with the construction of the intersection with SR6/191.

Phase 3: Construction Engineering and construction of an asphalt surface on CR #126

Funds for the project will be provided by UEI, Inc. in an amount equal to the estimated cost for a particular phase of development and shall be held by the District in a third party escrow account. Interest earned in that account shall belong to UEI, Inc.

All parties understand and agree that Emery County Road #126 is a county road for which Emery County remains responsible. However, UEI, Inc. or its subcontractors shall remove snow and provide for ice control.

Attorney, David Blackwell has reviewed and recommended signing the agreement.

Commissioner Gary Kofford made a motion to approve an agreement between Emery County, ECSSD#1 and Utah American Energy, Inc for County road #126 reconstruction and realignment. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(15)**

**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

A. Consideration and approval of EEO plan.

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

Mary submitted the annual update of the county's Equal Employment Opportunity plan for the Commissioners to review.

Commissioner Jeff Horrocks made a motion to approve the annual Equal Employment Opportunity Plan for Emery County. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

B. Approval of step-increase for Tamra Humphrey who has successfully completed her six month orientation period.

Clerk/Auditor Brenda Dugmore request a step- increase for Tamra Humphrey who has successfully completed her six-month orientation period. If approved Tamra would move from Grade 14@ \$10.36 per hour to \$12.20 which would put her \$1.84 below the new suggested minimum and she would receive this increase the beginning of next year. Commissioner Jeff Horrocks made a motion to approve a step increase for Tamra Humphrey as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

C. Request to start the recruitment process for a part-time (10 hours) Castle Dale Library Janitor.

Library Director, Jerilyn Mathis requested approval to begin the recruitment process for a part time (working 10 hours per week) janitor for the Castle Dale Library to replace Casey Jo Reid who is resigning. If approved the rate of hire would be Grade 6 \$8.02 per hour. Commissioner Gary Kofford made a motion to approve beginning the recruitment process for a part time (10 hours per week) janitor for Castle Dale Library. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(16)**

**REQUEST TO WAIVE BUILDING PERMIT FEES FOR GREEN RIVER CITY.**

Green River City is making some building improvements to their city hall, the city owned building next to city hall leased by the Utah Highway Patrol, the O.K. Anderson park pavillion and restrooms and one small utility building. The city has applied for building permits for these projects and asked to have the building permit fees waived. Commissioner Gary Kofford made a motion to waive the building permit fees for Green River City for the improvements to their city hall and other projects as they have indicated. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(17)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the Commission Meeting minutes dated January 22, 2008 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(18)**  
**COMMISSION REPORTS**

*Commissioner Kofford*

Commissioner Kofford and Commissioner Sitterud met recently with Architect, Jim Dressler regarding the Green River Senior Citizen Center. Projections have the building completed by August 1, 2008.

Morris Sorensen's crew has been pushing a lot of snow this winter which has necessitated overtime on the weekends for the Road Department.

*Commissioner Horrocks*

Commissioner Horrocks, along with James Nielsen and his crew attended a conference on the 7<sup>th</sup> of February where the Noxious Weed Program was discussed. The Weed and Mosquito department has 13 projects slated for this year. 500 Boy Scouts are coming in June to Emery County work on a weed eradication project. Emery County Fire Protection Special Service District met on February 11<sup>th</sup>. They are still in the process of finding the trucks that they need to replace trucks not passing standardized tests.

*Commissioner Sitterud*

Commissioner Sitterud received a phone call from Senator Bennett's office regarding RS2477 and Resolution HCR5. The Resolution would force RS2477 to be counted the same as tenth district court said it was. Concern from the congressional people is that this is not the time to be forcing a bill like this. It would come out really bad. The county's concern was that the county does not want to take a position against RS2477. The congressional staff was adamant that this not go through. It has not come out of committee and they hope to be able to stop it before it goes to the floor.

Commissioner Kofford and Commissioner Sitterud met with the architect and the contractor of the swimming pool. The block wall on the west and the north side are complete. The east and south side are all glass so the iron workers will be moving in soon to put the framing up for the glass. The building will be enclosed then and they will begin work on the pool and the roof. Things are moving slowly with the cold weather. However, it gets warm under the tent when the sun is out.

Commissioner Sitterud also reported on the progress of the Swimming Pool Project.

Commissioner Sitterud talked about recent meetings with the families of the Crandall Canyon Mine disaster. There is concern that the county not get tied into the reclamation of the mine site.

12

COMMISSION MEETING MINUTES  
FEBRUARY 19, 2008

We are working to have the reclamation process amended to leave the road in place. The families were told that snow removal would be secondary and the road may be closed during the winter months.

Sheriff Guymon reported that the Sheriff Posse's Triathlon is still in the process.

The County finally got the contract back for the boat ramp in Joe's Valley. We have the grant funds. It took a year for the process to go through. When the snow thaws we will begin digging the hole for the footers. The county will pay up front for the work.

(19)

**EXECUTIVE SESSION TO DISCUSS ATTORNEY/CLIENT COMMUNICATIONS  
REGARDING LITIGATION OR OTHER MATTERS ALLOWED BY LAW.**

An executive session was not needed.

(20)

**ADJOURNMENT**

Motion to adjourn the meeting was made by Commissioner Gary Kofford, seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 4, 2008

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 188844 through and including #188956 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>
13-08	Sander Bed with accessories Highway	12,700.00
14-08	Jensen Snow Plow Highway	6,186.00
15-08	Steam Cleaner with Cart & attachments Museum	1,498.00
16-08	23 hp Briggs & Stratton 50" twin blade w/bagger Museum	3,600.00

There were no dispositions.

Commissioner Drew Sitterud discussed payment of the swimming pool liner which is estimated to be \$570,000.00. Hughes Contractor, contractor for the swimming pool project has told the County that the liner is coming from Italy and is stuck in Italy until it is paid for. The Commissioners felt that the County needs insurance on the liner to assure that it arrives here and undamaged. Commissioner Sitterud asked for authorization to pay Hughes Contractors for the swimming pool liner with the assurance that there is insurance policy in place. Commissioner Gary Kofford made a motion to authorize payment for the swimming pool liner to Hughes Contractor

COMMISSION MEETING MINUTES  
MARCH 4, 2008

with issuance of insurance. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to approve payment of the Warrant Check Edit List, additional claims, and requisitions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**SETTING OF MAY TAX SALE**

Clerk/Auditor Brenda Dugmore requested setting a date and time for the 2008 May Tax Sale. Commissioner Gary Kofford made a motion to set the date and time for the 2008 May Tax Sale for Thursday, May 29, 2008 at 10:00 am. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CONSIDERATION AND APPROVAL OF EASEMENT NO. 1303- OFF-HIGHWAY VEHICLE TRAIL EASEMENT.**

Public Lands Director, Ray Petersen discussed Easement No.1303- Off- Highway Vehicle Trail Easement. In the last commission meeting Ray advised against signing the easement until his concerns regarding three sections in the document had been addressed. The three areas of concern were regarding renewal, grantor/grantee in determining funding and reclamation as defined in paragraph 3 and 12. These issues have now been addressed. Ray advised the Commissioners that the new Easement document was now ready for their signatures. Commissioner Jeff Horrocks made a motion to approve Easement No.1303- Off-Highway Vehicle Trail Easement as written. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF FY2008 CONTRACT AMENDMENT #1 BETWEEN EMERY COUNTY AND THE SOUTHEASTERN UTAH AREA AGENCY ON AGING.**

Commissioner Gary Kofford explained that the contract amendment reflects a change in the Area Agency on Aging's budget for 2008. The new budget amount is \$373,794.00. Commissioner Gary Kofford made a motion to approve FY2008 Contract Amendment #1 between Emery County and the Southeastern Utah Area Agency on Aging. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(5)

**APPROVAL OF BIDS FOR BOAT DOCK AT JOE'S VALLEY.**

Emery County applied for and received a grant from the federal government for \$9,000.00 and from the U.S. Park's Service for \$3,000.00 for boat dock access. We have entered into an agreement with the Forest Service and State Parks. The County's job is to apply for the grant, unload the dock ,when it arrives and dig the hole for the footer. The Park's Service will be responsible for the deadman, the cement, the cable and float the dock. After that the Forest Service will take on the maintenance of the dock.

The Emery County Commissioners received three bids for the purchase of the boat dock at Joe's Valley. The three bids were as follows:

Atlantic Meeco	\$10,565.00
Kurt's	\$ 8,091.00
Dvorak's Docks	\$ 9,164.00

After review of the bids and under advisement from the Park's Service, Commissioner Gary Kofford made a motion to award the bid for purchase of the boat dock at Joe's Valley Reservoir to Dvorak's Docks for \$9,164.00. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**RAY PETERSEN, HISTORICAL PRESERVATION, PRESENTATION OF MUDDY CREEK KIOSK.**

Ray Petersen, Chairman, Historical Preservation Commission discussed the Muddy Creek kiosk. He explained that about six years, out on Highway 10 where the highway crosses the Muddy Creek it was determined by UDOT that they needed to replace the bridge. A State Historic Preservation officer determined that there was some historic significance to the bridge and that there needed to be some mitigation measures taken if that bridge had to be done away with. There was no way to rehabilitate it. It was determined that they did not want to change their alignment enough to leave the bridge in place. UDOT made some funds available to record the history of the bridge and create a kiosk that would interpret the bridge. Ray had the sign available for the public to see and explained that the sign is a product of several years of effort. The sign will be placed in Emery's Town Park adjacent to the one that interprets Emery Town. He discussed other similar projects the Historic Preservation Commission is currently working on. He invited anyone who is interested to join their group. They meet on the last Tuesday of the month.

(7)

**CONSIDERATION AND APPROVAL OF CHANGE ORDER #14- CHANGE ROOF**

**THICKNESS ON SWIMMING POOL .**

Commissioner Sitterud explained that the roofing contractor had a change in the membrane thickness from 45 mils to 60 mils at an additional cost of \$3,150.00. Commissioner Jeff Horrocks made a motion to approve change order #14 of the swimming pool project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(8)****CONSIDERATION AND APPROVAL OF RESOLUTION ADOPTING A  
MANAGEMENT PLAN FOR THE LAWRENCE CEMETERY.**

Bevan Wilson, Acting Chairman of the Lawrence Cemetery Committee addressed the Commissioners and reviewed a draft management plan for the Lawrence Cemetery. He stated that at the time the committee was created by the Emery County Commissioners, it was their desire to select members from the Historical Society and people with relatives buried in the Lawrence Cemetery. Members of the Lawrence Cemetery Committee are as follows: Pauline Carr, Paulette Kelly, Vernel Rowley, Gayle and Mervin Miles, Carol Burdick, Errol Wilstead, Bevan Wilson and the late Carol Oliver. On March 4, 2005 the Committee held their first meeting. Their goal and objective was to come up with a management plan that would identify someone (preferably in county government) who would be responsible for directing the affairs of burials at the Lawrence Cemetery which is owned by Emery County. Committee members went out to other smaller cemeteries in the state and gathered information to put together several drafts with help from the Attorney's office. There has been much discussion on this issue. They still have a few projects left to do, such as identifying unmarked graves. Faussett Mortuary has donated markers for those unmarked graves that have been identified. The markers will be put in as soon as the ground thaws. Jeff Guymon and his department has created a map of the cemetery, identifying the grave sites. Things that still need to be looked at are, organization for future burials, identifying a roadway around the cemetery, and traffic control, especially during funerals. Bevan thanked the committee members for their dedication, time and effort to the project. He presented the management plan to the Commissioners and requested the plan be put through the public process.

Commissioner Kofford commented on the proposed fee schedule. He indicated that perpetual care for the cemetery was not included because people wanted the grounds left in its natural state. He felt the opening and closing of graves should be under the direction of the County. There needs to be a clear understanding as to whom will do what and when a fee goes into effect. The plan stated that any revenue that comes in would be kept in a separate account to help offset the upkeep of the cemetery. Commissioner Sitterud addressed road maintenance and snow removal that it would be secondary except at time of funeral. The Commissioners discuss a possible caretaker for the Lawrence Cemetery. Attorney David Blackwell indicated that there are still a few blanks in the management plan that need to be filled in. Commissioner Gary

COMMISSION MEETING MINUTES  
MARCH 4, 2008

Kofford made a motion to have the committee take the next two weeks to fill in the blanks, to consider \$150.00 per lot and \$300.00 to open and close a grave and bring the plan back to the Commission on March 18<sup>th</sup>. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(9)

**CONSIDERATION AND APPROVAL OF RESOLUTION 2-20-07B G.O. BOND  
RESOLUTION AND RELATED MATTERS**

Commissioner Sitterud explained that the county got a 5 million dollar, 0% interest load from CIB for the construction of a swimming pool through a general obligation bond. As the county went out to bid on the project, they found that they could not build the swimming pool for the five million. The county went back to CIB for a 1 million dollar grant. When the grant came to the county it was written as an Emery County grant. By law, Emery County cannot receive grant money from CIB because is mineral lease funds. If they do receive a grant from CIB it would come off of their PILT funds. They went back to CIB and explained the problem and they agreed. The Municipal Building Authority of Emery County is a mirror image of the Emery County Commission and can receive the grant for Emery County. The MBA agreed to take the million dollar grant for the CIB project. That would leave the 5 million dollar general obligation bond in Emery County and MBA would take on one million in grant or 1/6 of the project. As they took this to the bond writers, they said that the MBA cannot take the one million dollars in bond because it is an add-on or subsidy to finish a project to which they never had ownership. What will have to be done is have the MBA take on one million dollars of the loan money so that they then own one fifth of the project and they can then take the grant to finish the project. Resolution 3-4-08A will amend and restate Resolution 2-20-07B authorizing the issuance of \$4,000,000.00 taxable General Obligation Bonds, Series 2007A of Emery County, Utah; providing for the levy of taxes to pay principal of and any interest on said bonds. Resolution 3-4-08B would approve the issuance of Municipal Building Authority of Emery County, Utah, Taxable Lease Revenue Bonds, Series 2008, in the aggregate principal amount of \$1,000,000.00. The MBA can then accept the grant from the CIB. The MBA will be considering a Resolution to accept the funds in their meeting today at 2:00 pm. Commissioner Jeff Horrocks made a motion to approve Resolution 3-4-08A amending and restating Resolution 2-20-07B authorizing the issuance of \$4,000,000.00 taxable General Obligation Bonds, Series 2007A of Emery County, Utah; providing for the levy of taxes to pay principal of and any interest on said bonds; providing for the use of the proceeds. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(10)

**CONSIDERATION AND APPROVAL OF RESOLUTION APPROVING THE  
ISSUANCE AND SALE OF \$1 MILLION OF TAXABLE LEASE REVENUE BONDS OF  
THE MUNICIPAL BUILDING AUTHORITY OF EMERY COUNTY, UTAH, IN**

**CONNECTION WITH THE FINANCING OF A PORTION OF THE COMMUNITY SWIMMING POOL FACILITIES; AND RELATED MATTERS.**

Commissioner Gary Kofford made a motion to approve Resolution 3-4-08B approving the issuance and sale of \$1 million of taxable lease revenue bonds of the Municipal Building Authority of Emery County, Utah, in connection with the financing of a portion of the community swimming pool facilities. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(11)**  
**CITIZEN CONCERNS.**

None

**(12)**  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

Personnel Director, Mary Huntington presented the following Personnel action:

A. Approval for step increase for Margaret Keller who has completed her 6 month orientation period.

Commissioner Jeff Horrocks requested a 3% wage increase for Margaret Keller who has completed her six month orientation period. If approved Margaret will move from Grade 14 @ \$13.62 per hour to \$14.04 per hour. Commissioner Jeff Horrocks made a motion to approve a 3% wage increase for Margaret Keller as proposed. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(13)**  
**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated February 19, 2008 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(14)**  
**COMMISSION REPORTS**

*Commissioner Horrocks*

COMMISSION MEETING MINUTES  
MARCH 4, 2008

Commissioner Horrocks reported attending a State Weed and Mosquito Conference where there was a large interest in eradication of noxious weeds in the state. The Emery County Weed and Mosquito has 13 projects slated for this year including a project involving the Boys Scouts of America.

Commissioner Horrocks reported on a recent meeting with the Museum board. The San Rafael Museum is getting a new dinosaur that was found outside of Castle Dale. A mural is being painted in preparation of a new exhibit for the dinosaur. A presentation to present the dinosaur to the public is planned for later this month.

Commissioner Horrocks also attended a CREC meeting. The group is short of funds and is looking for some help.

*Commissioner Kofford*

Commissioner Kofford reported on improvements at Huntington Airport. The fuel facility is now available. As soon as the weather warms up it will be painted.

Morris Sorensen and his Road Department crew have started desert patrol in preparation of an early Easter weekend. They will be preparing and improving desert roads getting them in shape for the heavy traffic. He expressed his appreciation to the Road Department for all that they do for the citizens of Emery County.

Commissioner Kofford also reported on the progress on Moore Cut-Off Road and invited anyone who is interested to drive out that way and witness the work that is being done there.

*Commissioner Sitterud*

Commissioner Sitterud reported that he and Public Lands Director, Ray Petersen recently met with the Forest Service at the site for the Crandal Canyon Mine Memorial which will be built. He discussed the application for an easement with the Forest Service. The application asks for the property to be put in Emery County's name as a special use permit. The County hopes to have the monument built by August of 2008.

Commissioner Sitterud discussed a RS2477 attorney/client meeting. He reported that a bill passed to record affidavits that have been signed. May 5th is the scheduled day for the governor to sign the bill. B Roads are ready to be recorded. The BLM has 90 days to dispute the issue.

Commissioner Sitterud reported on the progress at the swimming pool project. The cold and wind are hampering progress. When the sun shines things go fast. Completion date is now pushed to July 31, 2008.

Commissioner Gary Kofford made a motion to adjourn the meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

ATTEST: \_\_\_\_\_ COMMISSIONER: \_\_\_\_\_

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

MARCH 18, 2008

Present at the meeting was Commissioner Drew Sitterud, Commissioner Gary Kofford, Commissioner Jeff Horrocks, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

(1)

**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 189072 through and including # 189232 for payment.

Requisitions were presented for the following:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
17-08	(2) Pulse Oximeters Ambulance	1030.00	Approved
18-08	(10) Floor Mount IV Warmers Ambulance	3734.50	Approved
19-08	Mural Wall Painting Museum of the San Rafael	8000.00	Approved
20-08	Animantarx, cast skeleton mount/set Museum of the San Rafael	11800.00	Approved

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims and requisitions for payment. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**REPRESENTATIVES FROM ROCKY MOUNTAIN POWER AND PACIFICORP ENERGY- QUARTERLY UPDATE.**

Deb Dull, PacifiCorp, provided a quarterly update of company activity. David Sorkel has resigned as CEO of PacifiCorp. In an effort to be energy and renewable energy conscience,

COMMISSION MEETING MINUTES  
MARCH 18, 2008

PacifiCorp is looking to provide grant funds for small, 10 mega watts or less, renewable energy projects. The issue of a coal fired power plant in Sevier County will be on the November ballot to let the citizens of that county have a say on the issue.

Reg Soepnel, Managing Director of Plants for PacifiCorp reported on management changes in Salt Lake. He reported on a recent bushing failure that resulted in a power outage. Repairs have been made and all units are up and at full capacity. The turnaround time was short. He reported that water storage looks great. The overpass at Hunter plant is on tract to transfer ownership to UDOT. Upon acceptance by UDOT the deed will be transferred.

Darrell Cunningham, Hunter Plant reported on the plant's safety achievements for 2007. Hunter Plant is preparing for outage on Units 1 and 2 in 2010. It takes two years to get the boiler tubes on site before the project starts. They have several large projects scheduled for this summer. With formal announcements for retirement they are looking to hire for several positions at Hunter Plant.

Gary Denhalter, Huntington Plant reported that since the outage on February 14, 2008 everything has been running well. Although the plant experienced two accidents early in the year they are now back on tract toward a safe year. Huntington Plant achieved gold status in 2007 with no recordable accidents. Huntington Plant has hired a new environmental analyst and machinist supervisor due to formal announcements for retirement.

(3)

**RSVP- REQUEST FOR DONATION IN SUPPORT OF "WALK TO HAWAII" PROGRAM.**

Betty Hatch, Celeste Lute and Sylvia Nelson came before the Board of Commissioners to request assistance with their "Walk to Hawaii" program. The program is for all seniors 55 and older in the county. They want senior to keep track of all the walking that they do. When they reach their goal of 6,000 miles of walking, the mileage to Hawaii and back, they will have a Luau. They will be keeping track of all the senior's progress and add up all the mileage. They have 107 seniors, so far, signed up for the program. RSVP is a non-profit organization and requested any financial assistance that the County may provide toward the purchase of pedometers for the seniors to keep track of their miles. Commissioner Gary Kofford made a motion to donate the standard \$250.00 to RSVP in support of "Walk to Hawaii" program. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**REQUEST FOR DONATION FOR EMERY COUNTY RELAY FOR LIFE.**

The Board of Commissioners received a letter from Kate Johansen, Relay for Life Sponsorship Chair for Emery County Relay for Life requesting sponsorship of the June 20 and 21, 2008

COMMISSION MEETING MINUTES  
MARCH 18, 2008

American Cancer Society's Relay For Life. After reviewing the options for partnership of the event, Commissioner Jeff Horrocks made a motion to donate the standard \$250.00 as a Community Partner for the 2008 Emery County Relay For Life. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF RESOLUTION ADOPTING A  
MANAGEMENT PLAN FOR THE LAWRENCE CEMETERY.**

In the last commission meeting a management plan for the Lawrence Cemetery was presented for consideration. There were a few things that needed to be addressed in the document so the Commissioners sent the document back the Planning Committee. The fees have been identified and changes have been addressed as suggested. The Resolution is now ready for approval. Commissioner Gary Kofford made a motion to approve Resolution 03-18-04 adopting a management plan for the Lawrence Cemetery. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Gary Kofford made a motion to move out of the regular Commission Meeting and into a Public Hearing to receive public comment on proposed changes to the Emery County Zoning Ordinance as advertised. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(6)

**10:00 AM- PUBLIC HEARING- TO RECEIVE PUBLIC COMMENTS ON PROPOSED  
CHANGES TO ARTICLES VII, IX AND XIII OF THE ZONING ORDINANCE.**

Commissioner Gary Kofford addressed the public and explained the reason for the proposed changes in the Emery County Zoning Ordinance. He explained that three years ago the State Legislature passed SB131 which deals with LUDMA (Land Use Development Management Act) in the state of Utah. Changes in the LUDMA law made it necessary for Emery County to make changes the Emery County Zoning Ordinance to bring it into compliance with the State. Neal Ludberg, Attorney from Utah County, who has worked with several other counties and cities, has been hired to assist the Planning and Zoning Board in this effort. This public hearing is the first of several hearings that will be held between now and June in order to, by July, move through all the Zoning Ordinance for Emery County. This does not pertain to cities, however, cities may be affected by what the county does. There are two items in section 13 that deals with acreage to build on in the county. In section 9 we will look at the acreage requirements in mountain zones. He indicated that part of these changes have been driven by pressure from the populous of the state of Utah, particularly realtors. These realtors indicated to the Planning and Zoning boards throughout the state of Utah that, in essence, if you don't somewhat, fall in line with where we want you to go and make it so people can build, particularly in the mountain zones, then we, the realtors, will take over and make it to where you won't even need planning and zoning because

COMMISSION MEETING MINUTES  
MARCH 18, 2008

we will make it stand the way we want to make it stand. There is pressure out there for the land owners to be able to develop mountain land if they so desire. If the Planning and Zoning Commission is not receptive to changes and the way the trend is going, then the political process does allow for others to step in and take over. In an attempt to meet some of these changes, but at the same time not necessarily free it up to much, the Planning and Zoning Commission has made the following recommendations. Michael McCandless will go through each of the recommended ordinance changes and afterwards we will take questions and comments regarding the zoning ordinance as presented. At this time, while Mike is going through each of the ordinances, questions and comments should be drawn out regarding the wording or intent of a specific area.

Michael McCandless began with Article 7. Article 7 deals with enforcement which is one of the biggest areas that LUDMA changed. He explained that previously the only alternative the county had for an infraction in the county was to go to the county attorney and file charges; if the person was not willing to work with the Planning and Zoning Commission on an issue. Article 7 allows the Planning and Zoning Commission the flexibility and ability to mitigate a problem. It places more of the burden off the Board of Commissioners and on to the Planning and Zoning Commission as administrators of the code. One of the major reasons that LUDMA was passed was that it separated the political from the administrative. Mike went through each of the sections of Article 7 reviewing the proposed changes. Article 9, Zones and Regulations within Zones, deals with area requirements on mountain zones. It states that no dwelling shall be constructed on a lot smaller than 80 acres, unless the lot is part of an approved Mountain Subdivision. The Planning and Zoning Commission proposed changing the 80 acres to 40 acres. Article 13, Subdivisions, sets forth minimum requirements in order to be considered a minor subdivision. The most significant proposed change in Article 13 is found in 13-7-2(3) which reads, 'Each lot shall contain at least 2 acres;'. This is a change from the previous requirement of at 'least 10 acres;'. Section 13-7 'Minor Subdivision' as well as Section 13-8 'Procedure for Approval of a Minor Subdivision' is a proposed change. All other provisions for a minor subdivision shall remain as previously set forth.

Darrell Leamaster, CVSSD suggested additional wording for Section 13-8-1 (7), 'or a letter from the public sewer system, verifying the existence of a sewer system' or something to that effect.

Dixie Swasey suggested changing Section 13-3-10 to read, 'Upon receipt of the executed final plat and the receipt of all outstanding submissions and fees, *the developer of the sub-division* shall submit said plat for recording in the Office of the County Recorder. The developer should pay the fees, not the Zoning Administrator or the County.

Commissioner Drew Sitterud opened the meeting for public comment.

Comments were as follows:

COMMISSION MEETING MINUTES  
MARCH 18, 2008

Amber Barney, Ferron stated that she was for the 2 acre change. It gives people the opportunity to stay around their families. She has not been able to find property in Ferron to purchase. This will open up opportunities for finding property to purchase.

Danny and Marie Johnson, Huntington addressed the proposed change in the mountain property acreage. He stated he approached the county twenty-five years ago about building a dwelling on the mountain. He provided a copy of the criteria that he was given at that time. He stated that he has a real problem with making changes because we have to accommodate one person or change the rules to make exceptions. He thinks that rules need to be consistent with everybody. He had Marie read from the criteria hand out, under Section 8-4 CE-1 "Critical Environment Zone".

Section 8-4-1 Declaration of Legislative Intent. This partly reads, 'The CE-1 Critical Environmental Zone covers the canyon, mountain, riparian and other lands of environmental concern in the County. Because of limitations imposed by topography, climate, soil condition, and other natural feature, use of the land within this zone has been restricted to livestock grazing, wildlife habitat, and as the location of an occasional ranch, mine or recreational site. Land within this zone has functioned historically as a primary watershed for much of the irrigation and culinary water supply for the Castle Valley area. Experience has shown this water shed area to be environmentally fragile; its preservation is of critical importance to the County.' This section then listed the specific purposes and intent of the legislative body in establishing the CE-1 Critical Environmental Zone. She continued reading; 'In order to accomplish the above purposes, those uses which can be conducted in a manner consistent with the objectives of the zone are permitted, that adequate guarantees for protection of the water shed are incorporated. Uses which tend to produce a hazardous condition or other wise degrade or militate against the preservation of the quality of the environment in this zone are not permitted.'

Danny then asked, What has changed? He stated that he goes up the canyon and consistently sees the Forest Service fencing people off from campgrounds because it affects the water quality and environmental quality and yet he sees the county doing just the opposite. We are doing things to push people on to the mountain and making things less and less restrictive. Danny had Marie read from the criteria again and pointed out that this is the criteria that he was made to comply with. Section 8-4-2 (8) under Permitted Non-Conditional Uses 'Primary and secondary farm caretaker dwellings subject to the conditions set forth in Section 4-23 or 4-24 as applicable.' He stated that this had to be a farm stead. He then directed the Commissioners to last page of his hand out, which was a schedule of assessed values and acreage required to qualify as a crop farm operation. Under grazing land he pointed out that he had to purchase 320 acres in order to put a dwelling on it to conform with the ordinance. He stated that he fails to see why we are wanting to reduce it to 40 acres to accommodate some realtors. He stated that he thinks that we need to do what is best for the mountain. He thinks that we need to be consistent in the requirements that we ask people to comply with. If I had to buy 320 acres then he thinks everyone should have to buy 320 acres. Commissioner Kofford asked why he had to buy 320 acres. Danny explained that because in order to be a farmstead he had to graze cows. And in order to graze cows he had to have a minimum of 320 acres because it was designated as a critical watershed area. He stated that there was something else that irritates him. A few years

COMMISSION MEETING MINUTES  
MARCH 18, 2008

ago we changed the minimum requirement to 80 acres. Immediately after changing it to 80 acres he got a call from the County Assessor telling him that now his property is no longer a secondary or a farmstead. It is no longer a farm building. It is now a recreational, summer home. You will be taxed according to that. He stated that he doesn't see how the county can have it both ways? How can the county require me to develop as a farmstead and when it is to your advantage, to draw more taxes, you can change it to a summer recreation area and up my taxes. He then stated, to make a long story short, he is extremely against the reduction of the acreage, if anything you should increase the acreage. He thinks it should be the 320 acres that he had to comply with. He consistently hears people say, well I can get a variance. The zoning law says it should be 80 acres but if I have 75 or 76 I can get a variance and they will give me a building permit anyway. If it is 80 acres it should be 80 acres. If it is 40 acres it should hold true to everyone. No matter who it is. If it is 320 acres it needs to be 320 acres for everyone. He strongly recommended increasing it to 320 acres.

Ron Barney, Ferron. He stated that he understands where a lot of people are coming from. The road department has roads to build and there are water lines to put in. But, his granddaughter wants to build near her family and has gone to eleven individuals in the city of Ferron to try to find a lot to build on. Everyone is concerned about the gas fields and oil fields coming in and their property is going to be worth more money. It is hard for young people to buy a lot. If you stick with what you are saying here today, he can't see any problems with the 2 acres. We need to quit exporting our most precious commodity we have, our children. He agrees that we need to be building our cities up, but if people in the city won't sell, the kids need a place to build. This needs to be taken into consideration.

Darrell Leamaster, CVSSD. The Administrative Control Board of CVSSD asked Darrell to come today and read two letters into the record regarding Article 13. The first letter was written in November of 2007. The letter outlines several reasons that the District and the cities oppose these changes. He pointed out that the District is not opposed to growth. But feel it should occur in an organized and controlled manner inside the boundaries. The District is not in favor of allowing uncontrolled expansive growth throughout the county; and particularly, around the outside boundaries of the cities. The District suggested that a compromise might be reached between the cities and the county to encourage and allow the cities to annex additional area for growth. Also, the cities might re-examine their minor subdivision ordinances to make it more feasible for a property owner to sale two or three lots without major financial obligation for water, sewer, curb and gutter, and street improvements. The county might also look at the property valuations and taxes being levied on vacant lots within cities. If these taxes were raised, more people would be willing to sale vacant lots within cities. As it now stands, the taxes are so inexpensive that there is no real incentive to sale. The District suggested the county initiate a series of discussion with the cities and investigate what options could be pursued before you adopt the proposed ordinances. The District's objections to the proposed ordinance are as follows:

COMMISSION MEETING MINUTES  
MARCH 18, 2008

1. Uncontrolled Growth.

Your proposed minor subdivision ordinance in section 12-7-1 allows for individual lots and small subdivision with each lot containing “at least 2 acres.” This is a major reduction from the previous 10 acre requirement. This is the main objection that we have to your proposed ordinance. We believe it will cause, basically, uncontrolled growth in a “donut” shape around each of the cities. The “donut” configuration will be caused because of the cost of running the utilities (power, gas, water, and telephone) any distance out into the county. It will be more economical for the homeowner to stay in close proximity to the existing utilities within the city boundaries.

2. Avoidance of Taxes and Paying Full Cost of Utility Service

We have supported the 10 acre requirement in the past. It helped control growth and encouraged growth to occur within the cities and towns. Your reduction of the requirement for a lot size of 2 acres will encourage an expansive growth pattern outside of the city boundaries. We do not believe this is in the best interest of the cities or the county. This new growth would take advantage of all the city services, but avoid paying any property taxes to the city or Special Service District. The new residents will want culinary water, sewer, garbage collection, fire and ambulance protection, asphalted and maintained roads, parks and recreational facilities, snow plows, school bus service, etc. They will expect and demand that these services be provided at the expense of the city residents and county taxpayers who have been paying for the existing infrastructure for the past 30 years. We do not believe that this is fair for all of the existing residents of the city and the county.

3. Use of City Services by County Residents.

As new growth occurs in the county, these residents will naturally utilize city facilities and services. For example, they will enroll their children in little league football, baseball, soccer, etc., which are played on the city ball fields. They will want to utilize the city streets as they travel to the post office, store, church, etc. They will demand fire protection, ambulance service, and police protection. There is presently no way for them to pay their fair share of these costs. City residents pay a tax to the county for their use of county roads and services.

4. Conflict in Growth Areas and Patterns.

The city master plans do not coincide and agree with the county’s plan. Growth may be allowed to occur in the county that directly conflicts with the city’s master plan and annexation plans. Future growth in the cities will be hampered by the uncontrolled growth in the county.

5. Unavailability of Services

the county has never discussed with the cities the availability of water and sewer services in the county. The cities are limited by State law to only sale “excess” water outside of their boundaries. Legal questions exist as to how many water connection they could sale. The willingness of the cities to sale connections has never been discussed. The cities and Service District may not allow (place moratoriums on) water and sewer services outside the city, this will

COMMISSION MEETING MINUTES  
MARCH 18, 2008

stop or severely limit the growth in the county.

North Emery Water Special Service District would be willing to sale new connections. However, they have numerous delivery problems with their distribution systems. It is overloaded now in many areas and has pipe systems that are 40 years old. They probably can sale a few connections in the Huntington Canyon and Lawrence area, but in all other areas would have problems. Their ability to serve areas north of Cleveland is dependent on an existing supply agreement with Castle Valley Special Service District and a physical tie to the District's main line to Elmo.

6. Impact Fees For New County Connections

The cities and Service District may have to develop an impact fee structure for connections outside of the city limits so the new development will pay their fair portion for the capital costs of construction of the water and sewer treatment plants and water lines and services. This has not yet been discussed or planned. Time will be needed to put these impact fees into place.

7. Watershed and Water Source Protection

We see serious problem occurring around our critical water source areas ie; Joe's Valley, Millsite, and all river bottoms in the county, etc. The biggest problem be our poor soil drainage characteristics and the resulting failing septic tanks systems that would pollute our drinking water sources. The proposed ordinance will add density of housing to our watershed ans will exacerbate the water quality problem.

8. Construction Standards for Utilities.

Sub-standard construction practices for the development of these subdivisions can easily occur. We have observed numerous examples of this in other surrounding counties. The new residents get caught with serious operational and maintenance costs and want the city, district, or county to bail them out. If the subdivision is later annexed into the city, the constructed infrastructure does not meet the cities' and Districts' minimum construction standards and a great expense occurs to repair and update them. Castle Valley Special Service District has historically been able to set approved standards and assure proper construction methods.

9. Required Development of Septic Tank Dumping Stations and Culinary Water Fill Stations.

In the past, the District has received numerous requests for the construction of these facilities. They are expensive to build and very expensive to operate. The septic tank dump stations cause severe operational difficulties for our lagoon treatment systems. The District will resist the construction of these facilities and the residents in the county will demand them. The county may have to expand their funds for these facilities.

Obviously, there are a great number of problems with the direction the county is headed if this ordinance is passed. We urge the county commissioners not to pass this ordinance. Instead, we encourage the commission to start a meaningful discussion of these problems and possible solutions with the cities. Very Truly Yours, Darrell Leamaster, District Manager

COMMISSION MEETING MINUTES  
MARCH 18, 2008

The second letter submitted was dated March 17, 2008

The Administrative Control Board of Castle Valley Special Service District has discussed the proposed sub-division ordinance. The Board is opposed to the ordinance change that will allow individual lots and small sub-divisions with lots of two acres. On November 20, 2007 a letter was written to the Emery County Commissioners outlining the Board's concern with this ordinance and the potential problems it will create for the communities in our District.

The Board is still opposed to this change in the ordinance and urges the Commissioners not to pass the ordinance.

On February, 21, 2008, at the District's regular Board Meeting the proposed ordinance was again reviewed. After much discussion, a motion was passed to no longer grant or provide any outside water connections. Water connections will only be granted on properties that are annexed into the city or that are already within the city boundary.

Each of the cities is in the process of passing an ordinance to prohibit new culinary, sewer, or secondary water connections for property outside the city/town boundary, until the subject property is annexed into the city/town. Existing outside connections will continue to be serviced. A few isolated contracts or agreements exist where an outside connection has been authorized for the granting of an easement and these contracts will be honored.

This action is being taken to prevent the legal and maintenance problems that re associated with outside connections and to prevent uncontrolled expansive growth from occurring around the periphery of the cities.

Again, Castle Valley Special Service District urges the County Commissioners not to pass this portion of the proposed ordinance. Very Truly Yours, Darrell Leamaster, District Manager.

Darrell Gardner, Cleveland. Darrell commented that he owns several hundred acres of property outside of city limits in both Orangeville and Cleveland. He stated that he chose to live a rural life. He would like to continue to live a rural life. He does not like the idea of urbanization out where he lives. He stated that he tries to run a cattle operation and does not want urban people moving in and telling him how to run his operation. He agrees with the 10 acre rule, simply because if someone moves out there and picks up 10 acres they may try to do something with it like farming. As Mr. Barney has pointed out it is hard to get acreage in the city to build on. But, if you cut it down to 2 acres it is going to drive the price of property in the county out of site and he cannot afford to pay those type of taxes on his farming operation. The value of the property is going to double and triple because it is going to change the property value from agricultural to residential. He stated he is opposed to the change.

COMMISSION MEETING MINUTES  
MARCH 18, 2008

Marie Johnson, Huntington commented on the 10 acre reduction, largely for the same reasons that Darrell spoke of. She stated that most of us who purchased 10 acres here, went through a great deal in order to get that 10 acres. She stated that she can identify with the young woman from Ferron. She said that they went to just about everybody that they could think of. Finally, when the word got back to Grandpa Guymon, and enough people said to him, why don't you sell those kids some ground so they can build a house, enough times, he finally decided to. She said that the essence of life in Emery County, there are lots of disadvantages to living in Emery County, but there are also so many advantages to living in Emery County, and I love it here. One of the big advantages to living here is that we have retained a rural lifestyle. That quality of rural lifestyle is so essential to maintaining the character of Emery County. She strongly urged the Commissioners to take this into consideration when considering the change. Additionally, as far as the mountain ground, she requested that they consider one thing. What could there possibly be, at this point, that would create any less of a critical watershed in that area than there was at the time that critical watershed was referred to when we purchased that property? If anything, she asserted, that watershed has become even more critical.

Commissioner Sitterud asked if there were any more comments.

Commissioner Gary Kofford made a motion to move out of the public hearing and return to the regular Commission Meeting. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(7)

**CONSIDERATION AND APPROVAL OF CHANGES TO ARTICLES VII, IX AND XIII OF THE ZONING ORDINANCE.**

Commissioner Gary Kofford made a motion to approve Resolution 03-18-08B accepting Article VII of the Emery County Zoning Ordinance as amended. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

Commissioner Jeff Horrocks commented on Article XI of the Emery County Zoning Ordinance. He stated that he expected that concerns will be addressed regarding watershed as people make application to build on mountain zones. Michael McCandless indicated that critical watershed is addressed as part of the process. We are not the enforcement agency for watershed. However, the process, that we follow, is still in place and requires that signatures from the bodies that have the regulatory responsibility are acquired before we will consider an application.

Commissioner Jeff Horrocks made a motion to accept Article XI as amended in Resolution 03-18-08B. The motion was seconded by Commissioner Gary Kofford. Commissioner Drew Sitterud voted against the motion. The motion passed.

COMMISSION MEETING MINUTES  
MARCH 18, 2008

Commissioner Gary Kofford commented on Article XIII. He indicated that the Commissioners have had several people come in and write letters requesting changing the ordinance from 10 acre requirement to 2 acre requirement for a minor sub-division and yet we had only one family come today to provide comment in favor of it. He felt it frustrating to know that if they do pass the 2 acre requirement today, that it will be frustrating for those people who will go to the city for hook-ups and have the city tell them, sorry, there is a moratorium and we can't hook you up. He indicated that the Commissioners don't know what the answer is. He stated that the county is in the situation where we need growth, we need the tax base, the businesses need the growth. Somewhere we have to break the log jam. We don't know how to do it. You've got people who say that they want to stay rural. You want to continue to have the same services that were established back in the 80's and 90's back when the power plants came in. The power plants tax base continues to erode. Unless we get new growth in here, we are going to have start doing without some of services that we get. There is no way it can continue. How do we break the cycle? How do we come to answer? We talk about economic growth. We talk about bringing in industry. Then nobody wants growth or add an industry that will pollute the air. Without new growth your taxes are stagnant. We are as high as we can go, we are at the top of the mil levy that we can assess. We sit here and try to figure out how to make things grow, how to increase the tax base, how to improve a lot. In essence we say that we do not want to anyone around us, we do not want our taxes to go up. It is very frustrating. He stated that he has sat and debated this 10 acre issue with the planning and zoning commission for five years now that he has been a commissioner. He stated that he knows that they are strongly in favor of it. He knows that they were driven there by people bending their ears and twisting their arms. It is not something nine people came up by themselves. These people are farmers, business owners, and community people. They have put in many hours to come to this conclusion. They recommend that we do go forward with this. He stated that he has to apologize to the communities of Emery County, because as he makes a motion to go to 2 acres it is going to cause all kinds of heartache with people like the young lady here today who wants 2 acres to build on. Just as soon as she finds it, and she goes to Ferron City for a connection, she will be told that there is a moratorium on water connections. This really makes sense. We have really accomplished a lot here today.

Commissioner Gary Kofford made a motion to accept the changes to Article XIII as amended in Resolution 03-18-08B and proposed by the Emery County Planning and Zoning Commission.

Commissioner Sitterud asked for comments.

Sheriff Guymon commented that if he had 10 acres and I want to stay at 10 acres and I don't want anyone around me, I don't sell anything and I control what is around me. If I have 700 hundred acres I don't sell any of that acreage. He thinks that it is petty for the cities to come along now, after they have satisfied their needs and all their relatives needs and now shut it off so that no one else can. He doesn't understand this, as he listens to people say that they want to grow, we want to do this, do that. He thinks that all this does is give us an orderly way to grow that is controlled by ourselves and not by government. We have dwellings everywhere now

COMMISSION MEETING MINUTES  
MARCH 18, 2008

anyway, that are serviced by services that were sold to them, that can make the same argument as Mr. Johnson did. Now if someone wants to build to \$200,000.00 house on 2 acres they can now get the ground, but they cannot get the water. As Commissioner Kofford said this is childish or ridiculous. This doesn't make any sense to me for one side to pick at the other when we are all here in the same boat. We are all trying to grow. I would like to be able to control what is around me. If I don't want people around me I don't sell any ground and I have control.

Commissioner Horrocks commented regarding the communities having a donut effect. One of the things that people when they build in the county, if they do, will want to do is be close to a community because of the amenities, such as water, electricity and possibly sewer is there. People have expressed to him that once they build in those areas and they build a subdivision they will want to annexed into the city. The cities grow. This is one way of keeping the growth close to the cities. With the requirements that have been set forth in this ordinance, you are not going to see people building out in the middle of a field somewhere because they can't. We either progress or regress. But we don't stay the same ever. He would like to see the people of Emery County control the growth the way we want to see our county grow not the way some developer does.

Dora Larsen, Huntington commented that we talk about growth to bring income into the county. He thinks that we shot ourselves in the foot when we decided to promote tourism in the county. These people who come into the county and use our facilities don't spend money in the county. They don't stay in Emery County, they don't buy gas in the county. We have all this recreation in our mountains and this is good. Our area is know world wide for kite skiing, but this doesn't bring in money.

Bill Dellos, Planning and Zoning, stated that when they held the Planning and Zoning hearing they were told that the capacity of the new water/sewer facility in Orangeville was about 40 to 50%. What are we going to do with the rest of that capacity. Why are our cities stopping our growth? He moved here a long time ago and he loves this county and would love to see it grow. Our school system is losing students all the time. They are having to lay off teachers. Let's let this county grow. I'm sure that our SSD in their wisdom, can figure out how to make this work. This is a smart man, he can take care of it. We don't have to be limited.

Darrell Leamaster, CVSSD, commented that he didn't want to leave the impression that the cities are opposed to growth. In fact, they are encouraging growth. They are out there busy now trying to develop subdivisions, encouraging anyone who is interested in it to annex into the city. If they want to build let them annex into the city and then build. Instead of build first and then annex. If they do that then the building is up code and standard. The cities are not opposed to growth. They want growth, but they want it to happen within the city boundaries. They think that opening up the county to all this growth going everywhere will be chaotic and cause lots of problems. People inside the cities will be subsidizing those services offered out there through their taxes. The cities are doing all that they can to encourage growth.

Diane Barney, Ferron commented on all the problems that her daughter has had trying to find property to build on and thinks that the ordinance addressed the problems of people building just anywhere.

Commissioner Sitterud repeated the motion made by Commissioner Kofford to accept changes to Article XIII of the Emery County Zoning Ordinance as amended in Resolution 03-18-08B and proposed by the Emery County Planning and Zoning Commission. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(8)**  
**APPOINTMENT TO EMERY COUNTY WATER CONSERVANCY DISTRICT.**

The Emery Water Conservancy District has three openings on their board. Commissioner Gary Kofford made a motion to appoint Ross Hinkins, Lee McElprang and Tracy Behling to the Board of the Emery Water Conservancy District for four year terms each. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(9)**  
**CONSIDERATION AND APPROVAL OF CHANGE ORDER #15, #16, PR#01, AND PR#02 FOR THE SWIMMING POOL.**

Commissioner Sitterud discussed change order request for the swimming pool.

Change order #15: The Commissioners decided look into this one a little more.

Change order #16: There were no bids for damp proofing on bid day. An allowance was carried. Only one bid was received later. This change moves extra amount to the contingency. The Hughes work is to apply protection board as fill material is brought up. The amount was -\$6,816.00.

PR#01: This is to replace the dumpster concrete pad with asphalt, extend sidewalk at maintenance entrance and move bollard. The amount was -\$4,978.00

PR#02: This was to replace MDF base in the lobby with ceramic tile base and add ceramic tile base in the pool area. The amount was +\$2,183.00.

Commissioner Gary Kofford made a motion to approve change order #16, PR#01 and PR#02 for the swimming pool project. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**(10)**  
**CONSIDERATION AND APPROVAL OF EMPG GRANT.**

Sheriff Guymon explained that this is the standard Emergency Management Performance Grant from Homeland Security. The grant is for less funds than last year and designates Kyle Ekker as

COMMISSION MEETING MINUTES  
MARCH 18, 2008

program director for Emery County. Commissioner Jeff Horrocks made a motion to approve the EMPG Grant with Homeland Security. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(11)

**APPROVAL OF TRANSFER OF FUNDS TO EMERY COUNTY RECREATION  
SPECIAL SERVICE DISTRICT.**

Commissioner Sitterud discussed Emery County Recreation Special Service District's need for assistance to pay their bills for April. He explained that ECRSSD has not received mineral lease funds since July of 07 due to the fact the legislature had capped the mineral lease funds at three million dollars. The problem has been fixed and money is coming, but not in time for the Recreation District to pay their bills in April. He discussed helping the Recreation District with enough funds to pay their bill until the mineral lease funds come in and then the Recreation District will pay back the county. Clerk/Auditor Brenda Dugmore recommended that an inter-local agreement be in place between ECRSSD and Emery County before the funds are exchanged. Attorney David Blackwell agreed and will have an inter-local agreement ready at the next Commission meeting for the Commissioners to consider.

(12)

**CITIZEN CONCERNS**

Dora Larsen, Huntington expressed concern for the amount of mud bogging that is taking place on our desert. Sheriff Guymon indicated that he has beefed up patrolling on the desert in preparation for the Easter weekend.

(13)

**CONSIDERATION AND APPROVAL OF LETTER OF INTENT TO LEASE  
PROPERTY FOR DEVELOPMENT OF AN INDUSTRIAL PARK BETWEEN EMERY  
COUNTY AND SITLA.**

Michael McCandless requested approval of a letter of intent to lease property for development of an industrial park between Emery County and SITLA. Mike explained that the letter outlines the terms under which the State of Utah, acting by and through the School and Institutional Trust Lands Administration, and Emery County would enter into an agreement under which the County would lease approximately 2,547 acres of land near Green River, Utah from the Trust Lands Administration to be developed as an industrial park. The property will be leased by Emery County and developed as a full service industrial park, with individual industrial lots of

varying sizes to be made available for sale to third parties at agreed prices. The term of the lease will be seven years. The County will pay annual rent for the property in the amount of \$10,000.00 per year. The letter outlines the purchase of lots, the purchase price of development lots and the sale proceeds for subsequent resales. The county is to receive a portion of sales proceeds as a rebate in the amount of 10% of the purchase price of each development lot to be used for the funding of utility and road infrastructure, including planning, engineering or construction of improvements, to serve the project. The letter also addresses the failure of purchasers to develop, improvements and cultural resource compliance. A Right of Entry will be issued to the county prior to the execution of the Agreement for testing, surveying, inspecting and engineering work on the subject property. Consideration and approval for the Right of Entry will be addressed in agenda item #14.

**(14)**  
**CONSIDERATION AND APPROVAL OF RIGHT OF ENTRY NO. 5094 BETWEEN EMERY COUNTY AND SITLA FOR DEVELOPMENT OF AN INDUSTRIAL PARK.**

Commissioner Jeff Horrocks made a motion to approve the signing a letter of intent and a Right of Entry No. 5094 between Emery County and SITLA for development of an industrial park. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(15)**  
**PERSONNEL DIRECTOR, APPROVAL OF PERSONNEL ACTION.**

**A. Approval to hire Shonna Curtis as part-time janitor for Castle Dale Library.**

Jerilyn Mathis requested approval to hire Shonna Curtis as a part-time janitor for the Castle Dale Library. If approved her rate would be at Grade 6, \$8.02 per hour. Commissioner Gary Kofford made a motion to approve hiring Shonna Curtis as part-time janitor at the Castle Dale Library as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**B. Approval of 3% increase for Eric Nielsen who has completed the six month orientation period.**

Eric Nielsen has successfully completed his 6 month orientation period as a Landfill Technician. Morris Sorensen requested a 3% increase for Eric. If approved Eric would move from Grade 14, \$13.62 per hour to Grade 14, \$14.04 per hour effective March 24, 2008. Commissioner Gary Kofford made a motion to approve a 3% increase for Eric Nielsen as proposed. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

**C. Approval to post RFP for lawn care services.**

COMMISSION MEETING MINUTES  
MARCH 18, 2008

Commissioner Jeff Horrocks made a motion to approve posting request for proposals for lawn care service at the various county facilities. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**(16)**

**APPROVAL OF COMMISSION MEETING MINUTES**

Commissioner Jeff Horrocks made a motion to approve the minutes dated March 4, 2008 as corrected. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

**COMMISSION REPORTS**

*Commissioner Horrocks*

Commissioner Horrocks reported on the new dinosaur at the Museum of the San Rafael. Unveiling of the new dinosaur and exhibit will be March 27<sup>th</sup>. Dottie Grimes will also be available to introduce and sign her new book on the San Rafael. The Emery County Weed/ Mosquito Department, the BLM and the Forest Service will be working with 500 Order of the Arrow Scouts from around the U.S. here in Emery County. The group will be helping with weed eradication projects, mainly Tamarisk. They anticipate the scouts will be begin arriving around the 14<sup>th</sup> of June.

*Commissioner Kofford*

Commissioner Kofford reported that Congressman Matheson will be in Price at 12:30 today for a round table discussion. At 3:00 p.m. he and his group will tour Bucyrus in Huntington. On April 5<sup>th</sup> the county will hold a surplus property action at the old Sheriff's building. There will be an AARP driver safety program on April 8<sup>th</sup> and 9<sup>th</sup> from 1:00 to 5:pm. Contact Mary Huntington if you are interested in attending or know someone who could benefit from this program.

*Commissioner Sitterud*

Commissioner Sitterud reported on a recent AOG meeting that he attended. A representative from a company from Vista, California is looking for locations for a private prison. Carbon County is a potential site for the 4,000 to 6,000 bed facility. Private funds will be used to build the facility. Commissioner Sitterud also reported that the swimming pool project is moving

MINUTES OF THE REGULAR MEETING  
OF THE BOARD OF EMERY COUNTY COMMISSIONERS  
HELD IN THE EMERY COUNTY COURTHOUSE

APRIL 1, 2008

Present at the meeting was Commission Chairman Drew Sitterud, Commissioner Jeff Horrocks, Commissioner Gary Kofford, Attorney David Blackwell, Sheriff LaMar Guymon, Deputy Clerk/Auditor Carol Cox, other elected officials and citizens.

**(1)**  
**APPROVAL OF CHECK EDIT LIST, ADDITIONAL CLAIMS, REQUISITIONS AND DISPOSITIONS.**

Clerk/Auditor Brenda Dugmore presented the Warrant Check Edit List # 189342 through and including #189477 for payment.

Requisitions were presented as follows:

<u>REQUISITION</u>	<u>DESCRIPTION</u>	<u>AMOUNT</u>	<u>ACTION</u>
21-08	HP Laserjet CP3505n printer Sheriff	630.65	Approved
22-08	Hp Laserjet CP3505n printer Sheriff	630.65	Approved
23-08	(4) Radar Guns Sheriff	6,620.00	Approved
24-08	Complete Tandem 90 target Range With EHS Actuator 40' Single Track Runner Complete Bobber Target Range With complete control system Sheriff	25,350.00	Approved
25-08	4 GPM Water Pressure Washer Highway	4,425.00	Approved
26-08	(3) Dyson DC18 Slim Vacuums Library	1,199.97	Approved

MINUTES OF THE EMERY COUNTY BOARD OF COMMISSIONERS  
APRIL 1, 2008

27-08	Nikon Camera Sheriff	1,992.95	Approved
28-08	AR 15 Rifle with Scope Sheriff	1,285.00	Approved
29-08	(7) 100 amp power supply Communications/Sheriff	3,779.00	Approved
30-08	(4) FMT 25 Agile FM Translators (4) EMR FM7340/2 single Isolator Communications/Sheriff	18,472.00	Approved
31-08	(2) Remington Model 40 XS Rifles Sheriff	9,522.08	Approved

Dispositions were presented for the following:

621-2257, 1974 John Deere 310 Backhoe, 410-6194, 1989 Grader, 410-4546 ,1079 Loader, 415-6671, 1998 Dodge Truck, 150-8642 1992 Chevrolet Van, 580-4012, Electrolux Floor Polisher, (3) Hoover Vacuum's from the Library, 144-4895, Microfilm Printer/Reader, 210-7272 2000 Dodge Durango, 210-7831, 2003 Dodge Durango, 210-7832, 2003 Dodge Durango, 210-7992, 2003 Dodge Durango, 210-8106, 1997 Nissan Pickup, 210-8107, 1996 Dodge Ram Pickup, 210-8108, 1994 Dodge Intrepid. All items are being sold at the 2008 County Auction on April 5, 2008.

Commissioner Gary Kofford made a motion to approve the Warrant Check Edit List, additional claims, requisitions and dispositions as presented. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(2)

**APPOINTMENT TO THE PLANNING COMMISSION.**

Commissioner Gary Kofford indicated that there were two openings on the Planning Commission Board that need to be filled. Three applications were received for consideration. Commissioner Gary Kofford made a motion to re-appoint Julie Johansen-Love and appoint Ron Barney to the Planning Commission Board. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(3)

**CYNTHIA GRANT- SEUMRC- INTRODUCTION OF PROGRAM AND REQUEST FOR PARTNERSHIP WITH COUNTY.**

Cynthia Grant, Southeastern Utah Medical Reserve Corps introduced the program to the Commissioners and those in attendance. He began by outlining the program and its purpose. In response to the Presidential call to service in January of 2002, many communities formed Medial Response Corps (MRC). The Medical Reserve Corps is one of the five components of Citizen Corps, formed under the umbrella organization, USA Freedom Corps.

The MRC consists of volunteer teams of medical and health care professional. MRC volunteers play a vital role to the communities they serve. They supplement existing local emergency and public health resources.

The Southeastern Utah Medical Reserve Corps serves four counties: Carbon, Emery, Grand and San Juan.

SEUMRC' s Mission is to recruit, train, and coordinate volunteer medical and public health professionals as well as other skilled citizens who can contribute their time and expertise during emergencies, disasters, and other times of community need.

MRC Volunteers can be active, inactive, and/or retired health and medical professionals, students in the health professions, and others. Volunteers can include (but are not limited to): physicians, physicians assistants, nurses-practitioners, RNs, LPNs, pharmacists, mental health professionals- psychologists, social workers, substance abuse counselors, EMTs/paramedics, veterinarians, epidemiologist, toxicologist, public health workers, microbiologist, health information specialist, technicians, interpreters, traditional healers, occupational & physical therapist, amateur radio operators, administrators. In addition, persons who do not have health or medical experience may volunteer to provide basic support services, such as communications, volunteer and information management. Volunteer attorneys could provide legal advice and volunteer accountants could help manage finances.

Major local incidents can overwhelm the capabilities of local emergency responders and hospitals. MRC volunteers assist hospitals with surge personnel needs. During an emergency, most patients that go to the hospital do not need emergency care. MRC volunteers can also assist by triaging potential patients during an emergency.

MRC volunteers can also participate in mass vaccination exercises and distribute Strategic National Stockpile medications. This would be very important during a pandemic outbreak or bio-terrorist incident, for example.

In addition to responding to emergencies, MRC volunteers can also support local health initiatives by promoting disease prevention and improving health literacy in the community.

MINUTES OF THE EMERY COUNTY BOARD OF COMMISSIONERS  
APRIL 1, 2008

Benefits include: sense of pride and community accomplishment, new experiences, network with like-minded peers, learning opportunities and skill development, training opportunities such as orientation, online courses through FEMA and MRC-TRAIN, and live training opportunities, Professional CEUs.

To some extent, MRC volunteers are protected by the Federal Volunteer Protection Act. In addition, our volunteers are protected by Utah's Good Samaritan Act. Utah Code 26A-1-126 "Medical Reserve Corps", signed by the Governor March 2005, gives the local health department the authority to deploy Medical Response Corps Volunteers. It also permits retired medical professionals that held a valid license within the past ten years to legally serve on the MRC.

The Southeastern Utah MRC is funded by grants and administered by the Southeastern Utah District Health Department.

Mrs. Grant presented a resolution of support of MRC and asked that the Commissioners consider adopting the resolution and including them in their emergency plan.

Attorney David Blackwell reviewed and approved the resolution. Commissioner Gary Kofford made a motion to adopt Resolution 04-04-08 A in support of the Medical Reserve Corps and encourages all able bodied and qualified individuals to volunteer as Medical Reserve Corps members where time and circumstances permit. The motion was seconded by Commissioner Jeff Horrocks and approved by all members present.

(4)

**CONSIDERATION AND APPROVAL OF CHANGE ORDERS COR#10 AND COR#17 FOR SWIMMING POOL.**

Commissioner Drew Sitterud explained change orders #10 and #17 for the swimming pool project. COR#10 modifies the straight hoist beam to a curved beam that goes over most of the large pumps. It extends the beam to the area in front of the overhead door. + 7,088.00. COR#17 is for swimsuit water extractors which were missed in the original bid. With this increase, his is still low bid and extra is being taken out of other allowances. No change in cost.

Commissioner Jeff Horrocks made a motion to approve changes orders COR#10 and COR#17 for the swimming pool project. The motion was seconded by Commissioner Gary Kofford and approved by all members present.

(5)

**CONSIDERATION AND APPROVAL OF AMENDMENT TO RESOLUTION 07-17-07 AUTHORIZING DISTRIBUTION OF STATE MINERAL DEVELOPMENT REVENUES**

**TO THE SPECIAL SERVICE DISTRICTS.**

Commissioner Sitterud explained that last year there was a bill run at the state legislature that allowed the county to take minerals extracted on the state exchange land from SITLA, land that Emery County exchanged from the Grand Staircase. This land is mostly around Huntington, ie. Poison Spring Bench and up in Huntington Canyon. As we took that, the Governor promised us that there would be no change in our mineral lease money, that we would still get our 40%. Someone forgot to tell the legislators. As the money started to come there was people dipping into the money and we got down to about 13% of what we were collecting. We learned the hard way, that once you open up mineral lease money you seem to get everybody's fingers into the mix. We were real nervous about opening up the bill. SITLA came to us and said, we become the SSD and there is no reason the county cannot collect the money and once we become the SSD it can come directly to the county instead of coming to the county and then divvied up to the SSD. The bill was run and passed. As the bill was passed, we did not realize that as the bill was passed they did not appropriate any money and it was capped at 3 million dollars. So when the first quarter started a year ago, we thought we were doing well, we had a pocketful of money. Then half way into the season the money quit. As we got looking into it we found out it was capped. So, we went back to the legislature, they were able to go into committee and correct the problem. SITLA came to the Rural Conference in Price and presented the county with a check for \$1,980,520.84 which was for the two quarters in 2007 and a small portion of the first quarter of this year. Resolution 07-17-07 was approved in 2007 to set the percentages to distribute the mineral lease funds to the six SSD's in the county to keep them whole. We grossly undershot that amount. We need to go in and bring them whole. Commissioner Sitterud indicated that he has talked with some of the districts and has come up with a figure of 38% to bring the districts whole. He suggested distributing 40% of all checks that come in to the SSD's. There is a small problem with money that wasn't given to them from the last quarters that needs to be discussed. Commissioner Sitterud asked for discussion from the Board of Commissioners. Commissioner Kofford stated that after reviewing this he felt it appropriate to distribute 50% of all checks that come in to the SSDs. Commissioner Horrocks stated that he felt that when we first looked at this the feeling was 38% was enough to make the districts whole, then we moved it to 40%. Commissioner Kofford stated that there were a couple of hard years that have put them behind. Putting it a 50% will help them get back on their feet. In a year or two we can move them back down to 40%. Commissioner Sitterud felt that it could be 40% and backtrack and take them up. Commissioner Kofford felt it would be cleaner to start at 50%. Commissioner Sitterud asked if there were any more questions or comments. Sheriff Guymon asked what district we are talking about. Commissioners indicated that the Special Service District #1, Emery County Recreation Special Service District, Emery County Fire Protection Special Service District, Castle Valley Special Service District, North Emery Water Users Special Service District and the Municipal Building Authority of Emery County are the six special service districts that receive the distribution.

Bevan Wilson serves on the Special Service District #1 since a year after its creation back in

MINUTES OF THE EMERY COUNTY BOARD OF COMMISSIONERS  
APRIL 1, 2008

1989. He discussed the mineral lease program. The mineral lease money that the county has been enjoying for several years comes with about 12 or 13 state legislative authorized uses. We now have two checks coming into the county. The money comes to the county as an off-set for impacts from energy producing counties. Back in the 80's is when we began to see impacts on county roads. He encouraged the county, as well as the continued efforts of the various districts, to track the use of the money. There is a lot of good being done with these funds and we need to be able to come out clean on an audit should the state decide to do an audit on these funds. As far as the percentage to distribute to the districts, he supports the 50% distribution to the SSDs.

Shannon Hiatt, Recreation Special Service District Director supported the 50% distribution. It would bring the district back to their lowest level. The Recreation District has been struggling since revenue stopped coming in last year. They have pretty much been at a stand still for the last two months. He indicated that everything is on hold until they get money.

Darrell Leamaster, CVSSD stated that this money earmarked for road maintenance and is their basic funding of paving and curb/gutter projects. They do not have adequate funding to keep the projects working. This year they are doing Clawson and Emery together. This is a small project however, they have a shortfall from last year. As communities grow they do more streets. The cost of asphalt has gone up due to the cost of fuel and crude oil going up all the time. He expressed support for a 50% distribution to the SSDs at least for a couple of years. He stated that they have come to rely on the money and one of these days if it goes away they will be in trouble. He echoed what Bevan Wilson said about the importance of tracking the use of the funds.

Commissioner Sitterud stated that the money is going to go away someday. We use to be the top producer in the state. We are going down more everyday. The districts need to be aware of this. We can add money to the districts but, we are adding things on that we will have to maintain and we may not have the money to do that down the road.

Commissioner Gary Kofford made a motion to approve Resolution 4-01-08B at 50%. Commissioner Jeff Horrocks asked if Commissioner Kofford he would accept an amendment to the motion to make it 45% and come back later to raise if we need to. Commissioner Kofford felt it would be appropriate to put it up now and lower it later. Commissioner Horrocks said that he thinks it would be easier to give it than to take it away. The motion died for lack of a second.

Commissioner Horrocks made a motion to fund the SSDs at 45% with the understanding that if more funds are needed we can come back and raise it later. Commissioner Kofford would not second the motion. Commissioner Sitterud stepped down and seconded the motion. Commissioner Kofford suggested putting it at 50% and not go back and look at back pay. He stated that he doesn't know how we can go back and look at what they did not get because there was not anything to get. We know what the rest of the year is going to be.

MINUTES OF THE EMERY COUNTY BOARD OF COMMISSIONERS
